

Big Shot 1051

Chapter 1051: I'm Happy No matter What I Do With You

Qiao Mianmian finally understood what he was thinking. She smiled and reached out to hold his hand. "Mo Yesi, have you heard of this saying before?"

"What?"

Qiao Mianmian looked at him gently and said word by word, "When you're with the person you like, everything is sweet and happy. Even if you don't do or say anything, just being together makes you happy."

"I feel the same way now."

"I'm happy to be with you."

Seeing the man's eyes light up, she smiled even more gently. "I've never felt bored before. I feel very happy, and I feel especially happy now. So, you don't have to think about how to make me happy, because you've already done it."

Mo Yesi looked at her deeply. "You really think so?"

"Of course, do I look like I'm lying?" Qiao Mianmian blinked and cheekily smiled. She reached out and pinched his handsome face. "Mr. Mo, please have more confidence in yourself. Do you have so little confidence in your charm?"

"Do you know that even without doing anything, just looking at your face makes me happy for the whole day?"

How important was it for a woman to find a good-looking husband!

Even though she was in a terrible mood a moment ago, she felt like she was cured the moment she saw his handsome face.

She felt much better.

And clearly, Mo Yesi himself didn't realize how handsome and attractive his face was.

If he realized it, he wouldn't have asked those questions.

Mo Yesi was speechless.

"You have to have a clear understanding of your charm. I'm really happy to be with you."

Mo Yesi looked into her eyes for a few seconds before smiling. "Alright, I understand now. Let's go eat first, then watch a movie. If it's not too late by the time we're done, we can take a walk somewhere else."

...

Meanwhile.

In a private restaurant halfway up the mountain.

There was only one table in the entire restaurant.

The lights in the restaurant weren't turned on, and all the candles were lit.

There was a bouquet of roses in every vase on the table.

The night breeze blew, and the entire restaurant was filled with the faint scent of roses.

On the stage of the restaurant, a professional band was playing a tune on the spot. The melodious and slow music lingered in the air.

The night breeze blew gently.

At the table by the window, a man and a woman were sitting opposite each other. The man was handsome and elegant, while the woman was young and beautiful. They looked like a talented couple.

The waiter served the two steaks the chef had just prepared. "Mr. Mo, Miss Jiang, please enjoy."

The waiter placed the steak on the table.

Mo Shixiu looked at Jiang Luoli, who hadn't said anything, and frowned. "Miss Jiang, why aren't you saying anything? Do you not like it here? Or is there something else you don't like?"

Didn't Assistant Xu say that women would definitely like this kind of dating method?

But why did he feel that Miss Jiang didn't seem to like him?

Chapter 1052: Did He Do Something Wrong?

Not only did she not like it, she even seemed a little unhappy.

This was Mo Shixiu's personality. If he felt that something was wrong, he would ask directly.

Hence, he asked Jiang Luoli directly.

Jiang Luoli looked up at him. After about 10 minutes of silence, she finally said, "No, this place is great. I don't dislike it. But Mr. Mo, can I ask you a question?"

Mo Shixiu was relieved to hear that she didn't dislike it. He smiled and said, "Please go ahead, Miss Jiang."

Jiang Luoli took a deep breath and looked at the man's handsome face. She hesitated for a few seconds before deciding to ask. "Mr. Mo, did you choose this place yourself?"

"And this... this candlelight dinner, did you think of it too?"

Mo Shixiu was obviously stunned for a while before replying honestly, "If I said that I didn't think of it myself, would you be angry?"

As someone who'd never been in a relationship, he had zero experience in it. Other than being good at work, he knew nothing about love.

But he wanted to give Jiang Luoli a romantic date.

After all, they were going to be a couple soon.

As her boyfriend, he had the responsibility and obligation to give his girlfriend a wonderful experience in love.

He wasn't good at romance, so he could only seek help from others.

Assistant Xu was his most capable assistant.

And he'd been in a relationship a few times.

He felt that it was best to ask Assistant Xu about this.

After all, Assistant Xu was experienced and close to him. It wouldn't be embarrassing to ask him for advice.

"You didn't think of it yourself?" Jiang Luoli was confused. "Then, who thought of it?"

Mo Shixiu said honestly, "My assistant. I'm sorry, Miss Jiang. I had to ask my assistant for advice on a date. Did I disappoint you?"

Jiang Luoli was speechless.

"Are you talking about Assistant Xu?"

"Mm, that's right."

"He helped you choose the restaurant?"

"Mm."

"And he was the one who suggested the candlelight dinner?"

"Mm."

"And the roses and the band on stage..."

"They were all his suggestions. I thought they were pretty good, so I accepted them." Mo Shixiu looked at Jiang Luoli with a frown. He looked like he wanted to say something, but hesitated. After a while, he asked seriously, "Miss Jiang, do you... not like this kind of date?"

No matter how slow Mo Shixiu was when it came to relationships, he wasn't so slow that he couldn't tell if a woman's mood was good or bad.

He didn't know if Jiang Luoli was unhappy.

But he could tell that she didn't like this way of dating.

Jiang Luoli kept quiet for a while. She looked into Mo Shixiu's eyes and sighed. "Mr. Mo, do you want to hear the truth?"

Mo Shixiu nodded. "Of course. Miss Jiang, feel free to speak your mind."

"Alright." Jiang Luoli nodded as well. She pointed at the candle on the table and said, "Mr. Mo, I'll get straight to the point. Perhaps other girls like this kind of date and find it romantic, but I personally don't like it."

Chapter 1053: Normal People Wouldn't Pick Such a Place to Date

The entire restaurant was lit with candles.

As the wind blew, the candlelight flickered.

Coupled with the ancient tune played by the band...

Jiang Luoli didn't feel romantic at all. Instead, she felt like she was in a haunted house.

The dim environment created by the candles was no different from a haunted house to her.

Moreover, the scent of roses in the air was so strong that she felt sick of it.

In such an environment, she didn't have the appetite to eat anything good.

She felt that Assistant Xu must have done it on purpose!

He deliberately came up with such an idea to mess with her!

A normal person wouldn't pick such a place.

This restaurant was halfway up the mountain in the suburbs, and it was the only one. There were no other shops around.

Jiang Luoli got goosebumps even before entering the restaurant.

But the moment she entered the restaurant, she didn't want to relive the horror of entering a haunted house.

If it wasn't for her guts, she would have run away.

And the band on stage...

Because of the poor lighting, the musicians looked like ghosts...

Jiang Luoli felt that any normal girl wouldn't like such a way of dating.

This was too special!

"Miss Jiang, you don't like it?" Mo Shixiu was a little stunned. He frowned again and looked worried.

"Assistant Xu told me that girls would definitely like this kind of date. He said that this is romantic.

"I thought Miss Jiang would like it..."

He sounded a little disappointed.

This was his first date with Jiang Luoli.

Hence, he took it very seriously.

She didn't like what he thought was an elaborate arrangement.

“Mr. Mo, actually, you can just pick a random restaurant.” Jiang Luoli’s lips twitched as she looked at the swaying candlelight. “Can you get someone to blow off these candles and turn on the lights? Also, can you remove the roses on the table? I think the fragrance of the flowers is too strong and a little choking.”

Mo Shixiu was speechless.

“Mr. Mo, is that alright?” Jiang Luoli blinked and waited for his reply.

Mo Shixiu pursed his lips and kept quiet for a while. Then, he called a waiter over. “Remove the candles and flowers and turn on the lights.”

“Yes, Mr. Mo.”

The waiter turned around and was about to get someone to remove all the candles and flowers. Mo Shixiu looked at the band on stage and thought for a while before calling the waiter back.

He asked Jiang Luoli, “Miss Jiang, do we need to remove the band too?”

Jiang Luoli saw the disappointment in his eyes and felt that it was too much to ask to remove the band too.

In any case, Mo Shixiu had prepared this meticulously.

He had put in a lot of effort.

His original intention was good.

It also showed that he valued this date.

Otherwise, he wouldn’t have prepared so much beforehand.

It was all that petty Assistant Xu’s fault.

He definitely didn’t want Mo Shixiu to be with her, so he took the opportunity to sabotage the date.

His intentions were truly sinister!

“There’s no need for the band.” Jiang Luoli couldn’t bear to see Mo Shixiu so dejected. It was probably because he was too good-looking and suited her aesthetics in all aspects. Facing such a man, she easily softened.

Chapter 1054: Very Tempting

Mo Shixiu nodded. “Alright, we won’t remove the band for now.”

The waiter quickly removed all the candles and roses as per his instructions.

Ten minutes later, the restaurant was back to normal. The lights weren’t as dim as before, and the eerie feeling of a haunted house was gone.

Jiang Luoli finally stopped feeling cold.

Mo Shixiu was always watching her. “Miss Jiang, are you feeling better now?”

“Mm, much better.” Jiang Luoli looked into his eyes and felt her heart race.

The man looked at her intently.

He seemed to only have eyes for her.

It tempted her.

Her heart raced wildly.

She really had no immunity towards men like Mo Shixiu.

Even though her mind told her to stay away from him, she lost all rationality when facing him.

“That’s good.” Mo Shixiu picked up his fork and knife and gently cut the steak in front of him. He said gently, “Miss Jiang, you can try the steak. It tastes pretty good. Miss Jiang, you must be hungry. Eat something first, we’ll talk later, alright?”

“... Alright.” The man’s voice was low, gentle, and magnetic. It was Jiang Luoli’s favorite kind of low voice.

She couldn’t resist it when he spoke to her in such a gentle voice.

Jiang Luoli was hungry too.

She felt that she should fill her stomach first and talk about other things later.

There was no rush.

Jiang Luoli didn’t want this date to end too soon.

Since this was their last meeting.

She hoped to spend more time with this man tonight.

After all, if she wanted to see him again, she could only do it by watching the news.

Jiang Luoli picked up her fork and knife, only to see Mo Shixiu pick up his steak and place it on her plate.

He took her steak that hadn’t been cut.

Jiang Luoli looked at him in shock. “Mr. Mo, you’re...”

“Miss Jiang, this is the first time I’m doing this for a lady. Assistant Xu said that girls would think that men are thoughtful by doing this. Do you dislike it?” Mo Shixiu was probably doubting Assistant Xu’s suggestion because of what happened previously. Seeing that Jiang Luoli didn’t seem to like it, he wondered if she disliked it.

“No.” Jiang Luoli immediately shook her head. “That’s really sweet. Did Assistant Xu teach you to do that too?”

“Yes.” Mo Shixiu finally got her approval for something. He smiled and seemed more relaxed. “I’m sorry, but I still have to ask others about our first date.

"I've never dated a girl before, so I'm not very good at this. This is my first date with Miss Jiang, and the meaning is very different, so I hope to give you a good experience. But I seem to have failed."

With that, Mo Shixiu sighed.

Jiang Luoli's heart thumped wildly.

It was because of Mo Shixiu's "very different meaning".

Chapter 1055: Mo Shixiu, This Man...

He definitely didn't know how fast her heart was beating when he said that.

How did he fail?

Her heart raced and her mind spun. She couldn't think straight anymore.

"I think I gave Miss Jiang a terrible experience," the man said with disappointment.

"No, I don't think it's bad. I think it's... it's good!" Jiang Luoli couldn't bear to see him so disappointed.

Mo Shixiu was stunned and looked up at her. "Miss Jiang, don't you think it's bad? But you just..."

"I just don't like the lights being too dim. Now that they've switched on the lights, I think this place is pretty good." Jiang Luoli tried her best to think of what to say. "The air here is pretty good, and the environment is quiet."

With that, she felt like she was speaking nonsense.

How could the air in the suburbs not be good?

He had already booked the entire restaurant. Besides the waiter, they were the only customers. How could the environment not be quiet?

Mo Shixiu seemed to be in a good mood. He smiled and said, "Miss Jiang, do you really think so?"

"Of course!" Jiang Luoli couldn't bear to see the handsome man disappointed. She nodded and said, "Anyway, I think it's pretty good!"

"That's good." Mo Shixiu believed her and thought that she was really satisfied. He sounded much more relaxed now. "As long as Miss Jiang is satisfied, I can rest assured. I've also made other arrangements for our date. I hope Miss Jiang will be satisfied too."

Jiang Luoli's lips stiffened.

Recalling his suggestion to go up the mountain to look at the stars, she was a little afraid. "Mr. Mo has other arrangements? Can I know what you arranged?"

"There's no rush." Mo Shixiu smiled. "I'm sorry, but I hope to give Miss Jiang a surprise, so I can't tell you for now."

Jiang Luoli was speechless.

Why did she have a bad premonition?

She felt that what awaited her wasn't surprise, but shock.

She couldn't help but ask, "Mr. Mo, did Assistant Xu prepare that surprise for you too?"

"Mm." Mo Shixiu nodded. "A lot of things were prepared by Assistant Xu tonight. Miss Jiang, I know you don't like it when I get someone else to prepare these things. This will make you feel like I don't value our date enough.

"I'll try my best to do this myself in the future. But give me some time to learn how to date girls first."

The man looked at her calmly and said, "I don't have any relevant experience now. But I'll learn it for Miss Jiang."

Jiang Luoli felt her heart race again.

She felt like she couldn't take it anymore.

Oh my.

Mo Shixiu...

Had he really never dated a woman?

Then, why was he so good at talking?

Did he learn this from Assistant Xu?

"Miss Jiang, what's wrong? Did I say something wrong?" Mo Shixiu saw that she was staring at him blankly and didn't say anything. He frowned slightly and immediately started to think if he had said something he shouldn't have.

He made the girl unhappy.

Jiang Luoli was 10 years younger than Mo Shixiu. In Mo Shixiu's eyes, she was still a little girl.

Chapter 1056: It'll Make Her Lose Her Ability to Think Normally

A little girl who made him want to take good care of her and dote on her.

At work, he usually interacted with mature women around his age, and they mostly talked about work matters.

He really didn't know how to interact with a girl like Jiang Luoli.

And because she was so much younger than him, he felt that it was alright to accommodate her more.

She was just a young girl.

She was just born when he was 10.

He was willing to accommodate and be patient with such a young girl.

This was his duty.

Jiang Luoli blushed and looked up at him. "N-No. It has nothing to do with you, Mr. Mo. You didn't say anything wrong."

He hadn't said anything wrong.

He was just saying some very alluring things.

It made her heart race, and she didn't dare to look at him.

Her heart raced even faster when she saw him.

Her face burned even more.

She felt a little giddy as if she was drunk.

"Then, Miss Jiang, you..." Mo Shixiu looked at Jiang Luoli's reaction and behavior in confusion.

She didn't seem normal.

She didn't even look at him.

Was she really not angry with him?

"Cough, cough, cough. Mr. Mo, let's eat something first." Jiang Luoli touched her burning face. She picked up the knife and fork on the table and swallowed a piece of steak and then lowered her head to hide her panic.

She couldn't look at Mo Shixiu anymore.

She wasn't immune to his face at all.

As her gaze landed on his handsome face, her mind went blank. She couldn't think, and then she felt dizzy and didn't know what she was doing.

This man would make her lose her rationality.

No wonder there was such a saying.

It was the same for men.

It turned out that in front of such a beautiful face, people would really become stupid and lose their rationality.

"Alright, let's eat something first." Mo Shixiu got a waiter to open the red wine on the table and poured a glass for Jiang Luoli. He placed it gently on the table and said, "Miss Jiang, try this red wine. It's a perfect match for the steak. It will bring a pleasant surprise when combined."

Jiang Luoli swallowed the steak and took a sip of red wine.

Mo Shixiu smiled and asked, "How is it?"

"Mm, it's not bad." Jiang Luoli wanted to try the wine, but she couldn't stop after taking a sip.

The red wine was rich and fragrant.

She didn't know much about wines, but she could tell that it was definitely of high quality.

The steak was fresh and tender, and it melted in the mouth. Coupled with a mouthful of red wine, it was a unique delicacy.

Jiang Luoli enjoyed her steak and wine.

She drank quickly.

Mo Shixiu was shocked.

"Can I have another glass of wine?"

Soon, Jiang Luoli finished the red wine in her glass. She held the empty glass in front of Mo Shixiu and shook it.

Mo Shixiu hesitated for a while before pouring her another glass.

Chapter 1057: Unconsciously Flirting

Jiang Luoli immediately took another sip and smiled. "Mr. Mo, this red wine is really good. Is this bottle of red wine very expensive? Have you ever seen anyone drink as fast as me?"

She had already finished her drink.

But Mo Shixiu still had more than half of his left.

She heard that good wine had to be savored slowly. It seemed like she was too fast.

Mo Shixiu was stunned for a while before he shook his head and smiled. "Miss Jiang, there's nothing bad about your personality. It doesn't matter whether the wine is expensive or not. What matters is whether you like it. If Miss Jiang likes it, it's fine even if it costs a lot."

Jiang Luoli was speechless.

Damn.

Her heart started racing again.

She seriously suspected whether Mo Shixiu had never been in a relationship before.

She didn't think so.

If he had never been in a relationship, why was he always flirting with women?

As long as she liked it, it didn't matter if it cost a lot...

This was too alluring.

How could a man with no experience in love say that?

Most importantly, he said it so naturally.

Although he was saying sweet nothings, he still looked serious. The contrast between the two made her wonder if she was overthinking it.

He wasn't flirting with her at all.

She just felt like she'd been seduced.

Perhaps he didn't know that his words were so alluring?

What did this belong to?

Unconsciously flirting?

Even though Mo Shixiu wasn't really flirting with her, Jiang Luoli thought so.

Her heart started pounding again.

She couldn't help but panic.

"Miss Jiang, you shouldn't drink too much." Mo Shixiu saw the blush on her face and thought that it was caused by drinking. He couldn't help but worry. "The red wine isn't high in alcohol content, but it has a strong aftertaste. This bottle of wine has been kept for a long time, so it's easy to get drunk.

"Miss Jiang, don't drink anymore."

"I'm fine." Jiang Luoli patted her burning cheeks and glanced at him quickly. Her face burned again as she hurriedly lowered her head. "I won't get drunk from drinking red wine. It's only two glasses, I can hold my liquor in one bottle.

"This bit of wine is nothing to me."

Mo Shixiu frowned slightly. "Anyway, don't drink too much."

Jiang Luoli stuffed a piece of steak into her mouth and chewed it. After swallowing it, she looked up at him and joked. "Mr. Mo, are you afraid that I'll drink too much and finish this bottle of expensive wine?"

Mo Shixiu was stunned. "How could that be?"

"So, I can drink as much as I want?"

"Of course, but..."

"Then, Mr. Mo, don't bother about how much I drink. Anyway, I still have you when I'm drunk." Jiang Luoli suddenly felt like teasing him when she saw how serious and cold he looked.

Perhaps it was because of the wine.

Jiang Luoli suddenly became more daring.

She didn't dare to look him in the eye just now. But now she looked at him and teased him. "Mr. Mo is a gentleman. When I'm with you, I'm not worried about getting drunk at all. I believe that even if I'm drunk, Mr. Mo will be a gentleman to the end and won't do anything wrong to me, right?"

Chapter 1058: He Was Taking Advantage of Her That Night

Mo Shixiu froze.

He looked at Jiang Luoli in shock. "Miss Jiang, you..."

“I believe you, Mr. Mo.” Jiang Luoli swirled the wine in her glass and smiled at him flirtatiously. “If I’m drunk, can you send me home? Anyway, you sent me home once before, so you know where I live.”

Mo Shixiu looked at the smiling girl opposite him and tightened his grip on the wine glass. For a few seconds, his heartbeat accelerated.

Was he a gentleman in her eyes?

Did she think that she would be safe with him?

Did she ever think that he might not be a gentleman?

If he was a gentleman, he wouldn’t have touched her that night.

Although he was forced by the circumstances, only he knew clearly that he had completely lost his rationality back then and let himself go.

He’d thought about it after that night.

If the woman he met that night wasn’t her, what would he do?

If he’d fallen into his opponent’s trap and met the woman they’d arranged for him, would he still let himself go?

He already knew the answer.

If it wasn’t for her, many things wouldn’t have happened.

Even though he’d been drugged, it wasn’t to the point where he couldn’t tolerate it anymore. As long as he was willing to persevere, he could endure till he got to the hospital.

So, why didn’t he go to the hospital?

He was actually... not as gentlemanly as she thought.

That night, he was a villain.

He took advantage of her.

Her looks were the type he liked.

Hence, when she stumbled into his arms, he didn’t push her away. Instead, he hugged her.

What happened next was very natural.

“You trust me that much?” Mo Shixiu looked at Jiang Luoli with a complicated expression.

“That’s right.” Jiang Luoli took another sip of red wine and looked at him with narrowed eyes. “Mr. Mo is a gentleman, it’s safe to be with you.”

Mo Shixiu looked at her and hesitated for a while before asking in a low voice, “If I say that I’m not a gentleman, what would Miss Jiang think?”

“Ah?” Jiang Luoli was stunned. “Mr. Mo, you...”

“Miss Jiang, we’ve only met twice. You don’t know what kind of person I am. If you think I’m a gentleman just from those two interactions, you might be disappointed one day,” Mo Shixiu said seriously.

Jiang Luoli was speechless.

Mo Shixiu looked at her and said, “Miss Jiang, have you heard of this before?”

Jiang Luoli asked, “What?”

Mo Shixiu said, “It’s hard for a man to maintain his image as a gentleman in front of the woman he likes. If a man is an absolute gentleman in front of you, it only shows that he doesn’t like you enough.”

Jiang Luoli was speechless.

“So, I don’t want Miss Jiang to think of me as a gentleman.”

“...”

Jiang Luoli didn’t expect to be teased in the end.

“Mr. Mo, can I ask you a question? Can you answer me honestly?” She didn’t believe that he’d never been in a relationship before!

Chapter 1059: Can My Words Please You?

She didn’t believe that he’d thought of this himself.

Either someone was teaching him behind his back, or he was lying to her when he said he’d never been in a relationship.

“Of course. Miss Jiang, please ask. I will answer truthfully.”

“Mr. Mo, did Assistant Xu teach you what you said just now?” If that was the case, Assistant Xu was really good at flirting.

“No.” Mo Shixiu looked at her and replied seriously, “The date tonight was planned by Assistant Xu, but every conversation between Miss Jiang and I was my own idea. It has nothing to do with anyone else.”

“Really?” Jiang Luoli was in disbelief. “But didn’t Mr. Mo say that you’ve never been in a relationship?”

“Yes, is there a problem?” Mo Shixiu was puzzled.

Jiang Luoli said, “... Mr. Mo, I don’t think you’ve never been in a relationship before.”

Mo Shixiu was even more confused now. “Why do you think so, Miss Jiang? I’m not lying to you. Before you, I’ve never dated another woman in private. If you don’t believe me...”

“Alright, alright, I believe you.” Jiang Luoli felt that he wouldn’t lie. How could a man like Mo Shixiu lie to a woman?

This wasn’t something he would do.

She just felt that he was too good at flirting.

He was so good at flirting that he didn't seem like a man with no experience in relationships.

"Miss Jiang, why do you think I lied to you?" Mo Shixiu was very insistent on finding out the answer.

"Did I do something wrong that made you think this way?"

"No..."

"Miss Jiang, you can tell me directly where I haven't done well." Mo Shixiu said seriously, "I know I still have a lot to learn, but Miss Jiang, you have to tell me where I haven't done well. Only then will I know how to correct it."

"Mr. Mo, you really didn't do anything wrong. It's just that I don't think you've never dated before."

"Why?" Mo Shixiu was confused. "Miss Jiang, why do you think that?"

Jiang Luoli took a deep breath. "Mr. Mo, don't you know how alluring your words are? Those words... don't sound like they come from a man who's never been in a relationship.

"Your words only make others think that you have a lot of emotional experience."

Mo Shixiu frowned. "Why?"

Jiang Luoli placed a hand on her forehead. "Only men with rich experience in relationships are good at flirting."

"Flirt?" Mo Shixiu frowned. "What do you mean?"

Jiang Luoli was speechless.

Was he serious?

"Mr. Mo, don't you know what flirting means?"

Mo Shixiu shook his head and asked humbly, "Miss Jiang, can you explain to me what flirting is?"

Jiang Luoli was speechless.

Were they living in the same era??

At his age, he actually didn't know what "flirting" meant.

She kept quiet for a while as she met his humble gaze. "Mr. Mo, 'flirting' means making girls happy and saying things that can move them."

Mo Shixiu understood what she meant. He looked at Jiang Luoli and asked seriously, "Miss Jiang, you said that I'm good at flirting. Do you mean that I can make you happy? Can my words make you happy?"

Chapter 1060: She Was Obviously Drunk

Jiang Luoli thought for a while and nodded. "Mm."

If he didn't make her happy, her heart wouldn't beat so wildly.

Mo Shixiu smiled. "As long as Miss Jiang likes it. If Miss Jiang likes to hear me say that, I'll tell you more in the future."

Jiang Luoli's hand trembled again.

Damn.

Again, again...

This man was flirting with her again.

He definitely didn't know how alluring his words were.

She really believed that he was flirting unconsciously.

"Miss Jiang, what's wrong?" Mo Shixiu raised an eyebrow when he saw that she was still staring at him blankly. "Did I say something wrong?"

Jiang Luoli replied, "... No."

The waiter served the other dishes.

This was a very high-end private restaurant. Although it was located halfway up the mountain, it never lacked customers.

The people who came here were all high-ranking officials in Yuncheng City.

In such a place, the chefs were all masters.

The dishes were also very delicious.

A breeze blew in from the window, carrying a faint floral scent.

Besides the strange atmosphere at the start, everything else made Jiang Luoli feel very comfortable.

The food and red wine were delicious.

The music was nice too.

The atmosphere in the restaurant was also very good.

In the end, Jiang Luoli ate and drank a lot.

After dinner, the red wine's effects started to show.

She started to feel dizzy and her face burned.

Mo Shixiu saw that she didn't look too well and asked worriedly, "Miss Jiang, are you alright?"

He didn't expect Jiang Luoli to drink so much.

She drank half of the bottle of red wine.

The red wine was strong, and he didn't dare to drink too much.

Jiang Luoli rubbed her temple and looked up at him. "I'm fine. Just let me rest for a while."

She was just a little dizzy.

She would be fine after resting for a while.

Mo Shixiu had no choice but to sit with her for a few minutes. Every two or three minutes, he would ask her, "Miss Jiang, are you alright? Are you drunk? Do you need me to get someone to get you something to sober up?"

"I'm not drunk." Jiang Luoli felt her head spinning. She glared at Mo Shixiu and said unhappily, "How could I be drunk? I can drink another bottle."

Her cheeks were red and her eyes were obviously blurred.

But drunk people liked to say that they weren't drunk.

They would get angry with whoever told them that they were drunk.

Jiang Luoli was in this state now.

"Mo Shixiu, let me tell you, I'm really not drunk!" She rubbed her temple that was still hurting and yelled at the man opposite her unhappily. "I only drank that little, how could I be drunk?"

"I'm not drunk, I'm really not drunk.

"I can drink more. If you don't believe me, let's drink another bottle."

Mo Shixiu frowned.

Still not drunk?

She always called him Mr. Mo when she was sober.

But now she addressed him by his full name.

Mo Shixiu blamed himself.

If he'd known that she could hold her liquor this well, he wouldn't have believed that she could drink so much.
