

Big Shot 1061

Chapter 1061: Get Used to Having His Girlfriend Close to Him

“Miss Jiang, you’re drunk.” Mo Shixiu sighed and said with self-reproach, “It’s all my fault for not stopping you and letting you drink so much. Are you feeling unwell now? Can I take you home to rest?”

“I’m not drunk!”

Jiang Luoli slammed the table and staggered to her feet. She bit her lip and glared at him. “Who said I was drunk? How could I be drunk? Go home? I don’t want to go home now. I don’t want to go home.”

Mo Shixiu was sure that she was drunk.

Moreover, she was dead drunk.

Hearing that she didn’t want to go home, he asked patiently, “You don’t want to go home? Then, where do you want to go?”

Jiang Luoli tilted her head and thought for a while before giving him a bright and playful smile. She blinked and said, “Mo Shixiu, didn’t you say that you prepared a surprise? What surprise did you prepare for me, can I know now?”

Mo Shixiu asked, “... You still remember this?”

Jiang Luoli said, “Of course I remember. How could I forget this? Mo Shixiu, where’s the surprise you prepared for me? Tell me, what did you prepare!”

Mo Shixiu had prepared a surprise for her.

The original plan was to bring her to the surprise after she finished her meal.

But in her current state...

He frowned and walked towards her. “Miss Jiang, can we look at the surprise another day? I’ll take you on the next date. Now, let me send you home.”

“I don’t want to go home.”

Mo Shixiu had just reached Jiang Luoli when she grabbed his arm.

He froze for a few seconds.

“Mo Shixiu, I don’t want to go home.” Jiang Luoli was really drunk. Her brain was consumed by alcohol, and she had lost all rationality. She had completely forgotten why she was here tonight.

She looked at the man beside her and slowly shifted her gaze from his eyes to his lips, inch by inch.

It was probably because of the hot weather.

The man unbuttoned his shirt.

Jiang Luoli could see the muscles on his chest.

Although it was only exposed a little, she could tell that his muscles were smooth and firm.

He had obviously trained for a long time.

Jiang Luoli couldn't imagine that someone like him would have the time to exercise.

"Miss Jiang, you need to go home and have a good rest." A few seconds later, Mo Shixiu's stiff body slowly returned to normal. He started to try to accept the girl's approach and intimate contact with her.

From now on, they were a couple.

He had to get used to his girlfriend being close to him.

After Jiang Luoli got drunk, her body felt light. She felt weightless.

The moment she got close to Mo Shixiu, she leaned against him and grabbed his arm tightly. "But, I don't want to go home now. You're so annoying. I already said I don't want to go home, but you still insist that I go. Mo Shixiu, do you really not want to be with me?"

"No." Mo Shixiu could smell her scent as she approached.

Chapter 1062: You're So Pretty

Even though they already had that night.

But he was still not used to the intimacy of the opposite sex.

The girl leaned all her weight against him.

Mo Shixiu had to support her from falling.

This way, they had more physical contact.

Jiang Luoli leaned against him and shook his arm. "Mo Shixiu, my head is spinning."

Mo Shixiu's body was tense, and he didn't dare to move. He said tightly, "Miss Jiang, you're drunk. Let me send you home, alright? Have a good rest and you won't feel so bad."

"But I don't wanna go home."

Jiang Luoli bit her lip and looked up at him. Her cheeks were red and her eyes were blurred. "Mo Shixiu, I want to go to the mountain to enjoy the breeze. Can you take me there? Didn't you say you'd take me to the mountain to see the stars? Can we go now?"

"I haven't seen the stars in a long time.

"The stars tonight must be especially beautiful."

Mo Shixiu was stunned. "You want to go to the mountains to look at the stars?"

She actually remembered this.

"Can't I?" Jiang Luoli was getting dizzy. She felt more and more uncomfortable, and her whole body grew soft and weak.

She pressed her temple with one hand, and her face scrunched up in pain. "I'm dizzy and uncomfortable. I want to go to the mountain to enjoy the breeze. I want to go to the mountain to look at the stars. Mo Shixiu, quickly bring me there.

"Why are you ignoring me? Didn't you say you wanted to make me happy?"

The girl's soft body was against him, and her soft voice rang in his ears. One of her hands was even reaching out to touch his face.

Her fair and soft fingers were like a paintbrush, lightly tracing the contours of his face. Her starry eyes were half-opened, and her blurred gaze landed on his handsome and noble face. As she looked at him, a hint of infatuation appeared in her eyes.

"Mo Shixiu, you're so pretty."

Jiang Luoli's fingers slid down the man's nose bridge and gently pressed on his soft lips.

Mo Shixiu's expression immediately changed. His Adam's apple bobbed as he said hoarsely, "Miss Jiang..."

The man's lips were thin but full.

It felt good.

Jiang Luoli looked at his glistening lips and licked her lips. "Mo Shixiu, I want to kiss you."

His lips looked moist. It must feel good to kiss them.

Mo Shixiu didn't react at first.

But as she got closer, his expression changed.

Mo Shixiu could feel his face heating up. His heartbeat quickened as he panicked. "Miss Jiang, you're drunk. I'll send you home immediately."

Jiang Luoli's lips were already very close to his.

He could feel her breath on his lips.

Mo Shixiu's heart was disturbed by the warm and moist scent of alcohol. He, who had always kept a straight face no matter what happened, panicked.

He'd never been so flustered before.

He was in his thirties, but he was being teased by a 19-year-old girl.

And a drunk girl at that.

Chapter 1063: There's Nothing She Doesn't Dare to Do Now

His heart was beating faster and faster. Seeing that the girl's beautiful face was getting closer and closer to him, he pushed her with a flustered expression. "Miss Jiang, you're really drunk."

Jiang Luoli was so weak that she couldn't even stand properly.

With Mo Shixiu's push, she took a step back and almost fell.

Mo Shixiu immediately pulled her back.

Jiang Luoli threw herself into his arms and wrapped her arms around his waist.

Mo Shixiu dared not move.

His body stiffened as he looked down at the girl in his arms helplessly. He had one hand in the air, but he couldn't put it down.

And he didn't know how to deal with the woman in his arms.

He couldn't even push her away.

He had to push her away...

Mo Shixiu stiffened.

After a while, he took a deep breath and pulled her hand away from his waist. He didn't care if she was willing or not and forcefully led her out. "Miss Jiang, I'll send you home."

"I don't want to go home." Jiang Luoli started to struggle and cried like a child. "Mo Shixiu, I don't want to go home. I want to see the stars on the mountain."

"We'll see the stars another day." Mo Shixiu pursed his lips. At this moment, he just wanted to send this annoying girl home.

If he'd known that she'd be like this when she was drunk, he wouldn't have let her touch alcohol.

The only fortunate thing was that she was with him now.

If it was any other man.

Mo Shixiu felt a little suffocated at the thought of her doing this to other men.

He felt a little uncomfortable.

"No, I want to see it now." Jiang Luoli was so drunk that she had lost most of her consciousness. She didn't say or do anything normally.

Chapter 1064: Call Me Baby!

"Mo Shixiu, you're so petty. I wanted to kiss you, but you refused. You even said you wanted to be my boyfriend. I don't want you to be my boyfriend."

Mo Shixiu hurried out with her in his arms.

He staggered and almost fell with her.

The moment he stopped, Jiang Luoli immediately hugged him and said, "Mo Shixiu, don't be so petty. Can you let me kiss you? I'll just kiss you!"

She even gestured with her finger. "Really! I promise I'll just kiss you!"

Mo Shixiu's expression stiffened.

He was almost 30 years old, but Jiang Luoli was already making him blush.

The man blushed. Besides them, the waiters were also in the restaurant. Jiang Luoli's voice wasn't soft, and everyone else probably heard her.

He felt awkward and helpless.

If it was any other woman, he would have pushed her away and left her to his men.

But this girl wasn't anyone else.

She was his first woman.

Soon, she would be his girlfriend.

They were going to be lovers soon.

He naturally couldn't treat her the way he usually did other women.

It was normal for girls to like to get close to their boyfriends.

This meant that she liked him.

He should be happy.

But he wasn't used to being too close to her, especially with others around.

"Miss Jiang, don't..."

"You're still calling me Miss Jiang." Jiang Luoli glared at him with dissatisfaction. "I'm your girlfriend, why are you still calling me so formally?"

Mo Shixiu was stunned for a while before asking seriously, "Then, what should I call you?"

He also felt that they should change the way they addressed each other if they became a couple.

Calling her Miss Jiang was a little too distant.

Jiang Luoli said, "Call me Baby!"

Mo Shixiu was speechless.

"Anything else?"

Jiang Luoli chuckled. "Then, call me Baby, Dear, Little Sweetie, Little Cutie..."

Mo Shixiu was speechless.

The restaurant's employees looked at the two of them secretly. Everyone who saw Jiang Luoli clinging onto Mo Shixiu for a kiss was stunned.

If they hadn't seen it with their own eyes.

Who would believe that a serious and abstinent man like Mo Shixiu would be teased by a girl?

And his face was red.

This would be big news.

Unfortunately, no one had the guts to do that.

They didn't dare to take the risk of offending Mo Shixiu and expose what happened just now.

They weren't only impressed by this girl who could make Mo Shixiu flustered, but also curious about her background.

The girl looked very young and had the air of a student.

She was as pretty as a celebrity.

She didn't look like a rich girl.

But Mo Shixiu's attitude towards her was very different. From the various intimate interactions between the two of them, it seemed like they were just dating.

If they were really a couple, this would be huge news.

As the most likely candidate to be the next president, Mo Shixiu's personal life had always been a popular topic.

Chapter 1065: When We Get Back... I'll Let You Kiss Me

He came from the prestigious Mo family and had been outstanding since he was a child. He was one in a million in terms of looks and abilities. He was almost perfect in every aspect.

Such a man was the dream lover of many women.

How many women dreamed of marrying him and becoming his wife?

But they'd never seen him with a woman other than in work.

They'd never heard of him having an ambiguous relationship with any woman.

He was almost 30 years old.

This was the age to start a family.

Hence, it could be said that Mo Shixiu's personal life was being watched by the entire country.

If it was revealed that he had a girlfriend, it would cause a huge sensation.

But at the same time, even if they knew about this sensational news, no one dared to expose it.

Unless Mo Shixiu made it public.

"Miss Jiang, you..." Mo Shixiu was having a headache.

He never expected Jiang Luoli to be like this when she was drunk.

It was completely different from when she was conscious.

It was as if she was a completely different person.

He still couldn't do anything to her.

"Call me Baby!" Jiang Luoli glared at him and corrected him. "I'm your girlfriend, you're not allowed to call me Miss Jiang anymore. Call me Baby from now on!"

"Ba..." Mo Shixiu opened his mouth but couldn't bring himself to say it.

It wasn't appropriate to continue calling her Miss Jiang, but he really couldn't call her Baby.

He thought for a while and finally said, "Luoli."

Jiang Luoli frowned and said unhappily, "I want to hear you call me Baby! Mo Shixiu, it's fine if you don't kiss me, but you won't even call me Baby. I don't like you anymore! I don't want to be your girlfriend anymore!"

Mo Shixiu felt a headache coming on. "Luoli, be good. Let's go back first..."

"Then, when we get back, will you kiss me and call me Baby?"

Mo Shixiu was speechless.

"If you don't give me a kiss or call me Baby, then I won't go back!"

Mo Shixiu was speechless.

Jiang Luoli felt that her body was getting warmer, and her stomach was getting upset. She leaned against Mo Shixiu's chest and said pitifully, "Mo Shixiu, I feel so bad. My head is spinning, and it hurts..."

"That's because you're drunk. That's why I'm sending you home now."

"I don't want to go home. You're not even giving me a kiss."

"..."

Mo Shixiu realized that if he didn't agree to kiss her, this matter wouldn't be resolved. He kept quiet for a while before sighing helplessly.

He gave up resisting.

No matter what, he had to coax her back first.

He was afraid that if he didn't take her away, she would do something even worse in public.

Mo Shixiu didn't even dare to think about what else she would do.

"Alright. When we get back... I'll let you kiss me," he said the last few words with much difficulty. When he was done, his face burned.

He couldn't believe that he would say this to a woman.

“Really?” Jiang Luoli was overjoyed, and even her headache seemed to have lessened. She looked at the man’s handsome face and then at his sexy lips.

Mo Shixiu felt his heart racing again as she stared at him.

Chapter 1066: Introduce Young Lady Shen to Me?

Mo Shixiu took a deep breath and looked away. “Mm.”

“Alright. Then, let’s go back.” Jiang Luoli finally relented. The thought of being able to kiss this handsome guy she’d always wanted to kiss made her extremely cooperative. “Mo Shixiu, then, let’s go back quickly.”

“We’ll be right back.”

“You said it, I can kiss you when we get back. Don’t lie to me!”

Mo Shixiu was speechless.

He decided that he would never let Jiang Luoli touch a drop of alcohol again.

He meant what he said.

...

The Bai family.

The hall was brightly lit.

Bai Yusheng got out of the car and saw an unfamiliar car parked by the side. He asked the butler, “Uncle Chen, are there guests at home?”

The butler nodded.

Bai Yusheng walked out of the garage with the butler following behind him.

As he walked, he asked, “Who’s here?”

The butler immediately replied, “It’s Madam Shen and the two young ladies from the Shen family.”

Bai Yusheng paused. “The Shen family is here?”

“Yes.”

“What are they doing here?”

The big families in Yuncheng City were all friends.

But the Bai and Shen families didn’t have a good relationship, so the two families were just acquaintances.

Unlike the Mo and Shen families, who had been friends for many years.

The Shen family rarely visited the Bai family, so Bai Yusheng couldn’t help but feel strange when he heard that the Shen family was here.

The butler replied respectfully, "I'm not sure about that. But I heard Madam Shen and Madam talking about you. It seems like Madam Shen is here for you."

Bai Yusheng found it even stranger. He frowned. "For me? What has it got to do with me?"

"This..." The butler looked at him hesitantly.

Bai Yusheng looked a little annoyed. "Just say it. You know I hate people who speak half the time."

"Yes, yes, yes." The butler saw the change in his expression and immediately said, "Madam Shen seems to want to introduce her daughter to Young Master. I heard her asking Madam if Young Master is still single and if he has a girlfriend."

"But I'm not sure which Miss Shen she wants to introduce to Young Master."

"I think it should be Young Lady Shen. She's still young, so Madam Shen shouldn't be in a rush to find her a partner."

Bai Yusheng looked incredulous. "Introduce Young Lady Shen to me? Doesn't Shen Rou like Mo Yesi? She's willing to come too?"

"I-I don't know. Young Master can ask Madam."

Bai Yusheng felt that this was unbelievable.

The Shen family suddenly came to the Bai family to introduce him to someone.

Moreover, it was Young Lady Shen Rou.

Everyone in the group knew that Shen Rou liked Mo Yesi so much that she was going crazy.

Mo Yesi would never marry anyone in this lifetime.

Bai Yusheng felt that this was a little strange. He didn't fully trust the butler's words and decided to ask Madam Bai himself.

"How long have they been here?"

"Almost an hour."

"It's been an hour, and they're still here?" Bai Yusheng looked up at the brightly lit residential building and frowned.

...

In the lobby.

Madam Shen and Madam Bai were still chatting happily.

Shen Rou and Shen Xin sat beside Madam Shen and listened to their conversation quietly.

"Sister Bai, didn't you say that Yusheng will be back tonight? Why isn't he back yet? Did something happen to him?"

Chapter 1067: His Mom Really Wanted to Matchmake Him With Shen Rou

Madam Shen took a sip of the tea on the coffee table and wiped her lips elegantly with a handkerchief before putting the teacup back.

Madam Bai looked up at the clock on the wall and frowned. She was about to call someone when she heard footsteps coming in.

She turned around and saw Bai Yusheng walking in. She smiled and immediately walked towards him. "Little Five, you're back. Have you eaten? Do you want the chef to prepare supper for you?"

Bai Yusheng wasn't ranked fifth.

Besides her daughter, the Bai family only had one son.

She called him Little Five because his health was poor when he was young. A master said that by calling him that, he wouldn't be weak anymore.

When he grew up and got better, Madam Bai was already used to calling him by that name.

"Mom, I came back after dinner." Bai Yusheng casually glanced at the living room and saw Madam Shen, Shen Rou, and Shen Xin sitting in the living room. He pretended to be surprised and said, "There are actually guests at home?"

Madam Bai smiled and held his hand as they walked to the sofa. "Madam Shen and your two sisters are here, quickly greet them."

Bai Yusheng nodded and said, "Hello, Aunt Shen. Hello, sisters."

Madam Shen looked up and smiled elegantly. "Yusheng, did you just come back from work? Your mom and I were just talking about you. You're back."

"Oh?" Bai Yusheng pretended to be puzzled. "Aunt Shen and my mom talked about me? What did you guys say? No wonder I felt my ears burning just now. So, that's what happened."

Madam Shen smiled. "Nothing much, we were just chatting casually."

Bai Yusheng nodded and didn't ask further.

"Hello, Big Brother Bai." Shen Xin, who was sitting at the side, seemed a little uneasy.

In comparison, Shen Rou, as the older sister, was more gracious. She nodded at Bai Yusheng and smiled. "Brother Bai."

"Rourou, do you find it boring to be with us two old women? It just so happens that Little Five is back too. I'll get him to take you for a walk in the garden? You two must have more topics to talk about since you're younger."

"That's right, Rourou, you should go for a walk with Yusheng. Xinxin should just stay by my side. Both of you are so many years older than her. As the saying goes, a generation gap exists between three years old. She probably doesn't have much to talk to you about, so she might as well accompany us."

Madam Bai and Madam Shen were obviously trying to get it right.

Bai Yusheng originally thought that the butler's words weren't trustworthy.

Now, he believed it.

His mother really wanted to matchmake him with Shen Rou.

And Madam Shen actually meant the same thing.

The Bai and Shen families were well-matched in terms of social status.

Shen Rou was one of the most eligible heiresses.

If Madam Shen really had such intentions, his mother would definitely not reject her.

But Bai Yusheng had never thought of having anything to do with Shen Rou. Not to mention whether Shen Rou was his type, he couldn't possibly have anything to do with a woman who already had someone in mind.

Bai Yusheng didn't express his rejection.

He had to maintain his image.

No one could force him to do anything he didn't want to do.

Chapter 1068: Very Compatible With Her Rourou

It just so happened that he wanted to clarify things with Shen Rou and ask her what she thought.

At this thought, he smiled and nodded. "Alright, I'll take Miss Shen out for a walk. Miss Shen, shall I take you to the Bai family's backyard?"

Shen Rou smiled and nodded. "Thank you, Brother Bai."

Bai Yusheng smiled. "There's no need to be so polite. Let's go."

"Mm."

Shen Rou tidied her fringe and said to Madam Shen, "Mom, I'll go out with Brother Bai first. You and Aunt Bai can have a good chat too. I'll come back later."

"Go on, go on. The two of you are still young, don't bother about us." As Madam Shen spoke, she looked up at Bai Yusheng again and sized him up. Then, she looked satisfied.

This son of the Bai family was rather good-looking.

He was very compatible with Rourou in terms of looks and other aspects.

If she had to choose between the two heirs of the Gong and Bai families, she hoped that her Rourou could marry this child of the Bai family.

The one from the Gong family had a good background and was compatible with the Shen family.

But the Gong family kid was sick.

He looked normal when his sickness didn't act up.

But once it happened...

Rourou was her precious daughter. She couldn't bear to let her marry a sick man.

How dangerous was that?

Who knew what he would do to Rourou once he relapsed.

Hence, after much consideration, she still felt that this child from the Bai family was more suitable for her Rourou. Moreover, no one else was more suitable than her.

The big families in Yuncheng City.

Bai family, Gong family, Mo family, Yan family...

Of course, she liked the Mo family the most. It was just that the two sons of the Mo family didn't seem to like Rourou. She had also hinted at the marriage between the two families. The Mo family's answer was that they couldn't decide on the marriage. Whether the two families could get married or not depended on the children's opinions.

Madam Shen had waited too.

But after so many years, the Mo family still had no intention of getting married.

Seeing that Shen Rou was getting older, Madam Shen felt that she couldn't wait any longer.

Girls were only at their best years.

If they waited any longer, Rourou would become a young lady.

Although with the Shen family's qualifications, there was no need to worry about not being able to find a good family. But, as they got older, it wasn't easy to find one.

Besides the Mo family, there were the Gong and Yan families.

If Gong Zeli wasn't sick, Madam Shen would think that he was the best candidate.

As for the Yan family...

Madam Shen had never liked it.

It wasn't because of their background, but that the Yan family's youngest son was just a playboy. How could he be worthy of her outstanding daughter!

Hence, she eventually chose the Bai family.

She came to the Bai family this time to find out more about them.

From Madam Bai's attitude, it seemed she liked Rourou.

She knew that her Rourou was so outstanding that she could be chosen by anyone.

The two boys of the Mo family were so arrogant that they didn't even fancy such an outstanding girl. She wanted to see what kind of woman they would marry in the future.

She didn't believe that she could be a better girl than Rourou.

...

Bai Yusheng took Shen Rou for a walk in the backyard.

The Bai family's old house was in the suburbs and occupied half the mountain.

Chapter 1069: He Didn't Believe Shen Rou Didn't Know

At night, even in summer, the mountains were still a little cold.

Shen Rou sneezed as she walked.

"Miss Shen, do you feel cold?" Bai Yusheng stopped in his tracks and looked at the sleeveless black short skirt she was wearing. He asked thoughtfully, "Do you want me to get someone to get a cloak for you? Or I can bring Miss Shen to change clothes."

"No need, I..." Shen Rou declined softly.

Before she could finish speaking, Bai Yusheng called a housemaid over and got her to get a cloak.

After instructing the housemaid, he looked down and smiled at Shen Rou. "It's cold at night, Miss Shen, don't catch a cold. If you catch a cold because you came out with me, my mom will say that I didn't treat you well."

Shen Rou smiled and said, "If Brother Bai has a girlfriend, he'll definitely be a kind and thoughtful boyfriend. He'll take good care of her."

Bai Yusheng smiled. "Miss Shen, if you have a boyfriend, you'll definitely be more caring and gentle than me."

At the mention of this topic, Bai Yusheng recalled what the butler said. He kept quiet for a while and then looked back at her. "Miss Shen, I actually have something to say to you. Can I ask Miss Shen a question?"

"Of course," Shen Rou said generously. "What do you want to ask me, Brother Bai? I'll answer if I know."

Bai Yusheng didn't beat around the bush. He looked straight at her and said, "I wonder if Miss Shen can tell that my mom and your mom seem to want to pair us up. I don't intend to consider my personal matters now. What do you think, Miss Shen?"

Shen Rou pretended to be shocked and said, "Brother Bai, you're saying that my mom and Aunt Bai want to pair us up?"

Bai Yusheng sneered when he saw her shocked expression.

He didn't believe that Shen Rou really didn't know.

"Miss Shen, can't you tell?" He had never liked women who liked to pretend. The smile on his face faded a little, and so did his tone.

Shen Rou was a smart woman.

She immediately sensed Bai Yusheng's coldness.

Of course, she knew why he was so cold to her.

"It's not that I couldn't tell, it's just that I didn't dare to guess in that direction." Realizing that it was easy for him to see through her tricks, Shen Rou stopped pretending.

She smiled. "Brother Bai, are you worried that they'll play matchmaker? Actually, you don't have to worry. What my mom and the rest think isn't important. This isn't the old era of arranged marriages. If we're unwilling, it doesn't matter what they think."

"Moreover..." Shen Rou paused as if she was about to say something sensitive.

Bai Yusheng looked at her with dark eyes. "Miss Shen, you can just say it."

"If my words make Brother Bai uncomfortable, I'll apologize in advance. Since Brother Bai wants me to be direct, then I'll... just say it."

Shen Rou hesitated for a while before saying, "I know that Big Brother Bai already has someone he likes, right?"

Bai Yusheng was stunned for a few seconds. "I have a woman I like?"

Chapter 1070: I Don't Like It When People Scheme in Front of Me

Why didn't he know?

Shen Rou looked like she wanted to say something, but hesitated. After a while, she said softly, "I heard that Brother Bai likes an actress in your crew. In order to get someone to take care of that actress, Brother Bai even claimed that she's your cousin?"

Bai Yusheng's expression changed.

His expression darkened, and his tone was no longer polite. "Miss Shen, where did you hear this nonsense from? Who told you this?"

"Brother Bai, are... are you angry?"

Shen Rou looked at him innocently and nervously. "I'm sorry, I think I said something I shouldn't have. Brother Bai, you're angry. I-I heard it from someone else too. I don't know if it's true.

"I only brought this up to Brother Bai because that actress is someone I know."

"You heard it from someone else?"

"Y-Yes."

"Who are you talking about? Who told you?"

"This..." Shen Rou looked troubled. "I heard it when I was chatting with my friends. I didn't pay attention to who said it. Brother Bai, if this topic makes you unhappy, then... then let's not talk about it anymore.

"Just pretend I didn't say anything, alright?"

Bai Yusheng narrowed his eyes and said, "Miss Shen, I think we should get straight to the point. I don't like to hide or beat around the bush. Miss Shen, I'm afraid you didn't just mention it casually."

He lowered his voice and asked sharply, "Miss Shen, what exactly are you trying to say?"

Shen Rou's expression changed. "Brother Bai, I..."

"I've said it before, I don't like people scheming in front of me. Shen Rou, what exactly are you trying to say?" Bai Yusheng cut her off impatiently. He was no longer polite and gentlemanly and addressed her by her full name.

Shen Rou's expression changed again, and the unnatural smile on her lips became even more fake.

She stared at Bai Yusheng for a while and then suddenly laughed.

"Alright, Bai Yusheng. I don't like to hide it from others. Since you've said it, I'll just say it directly. That so-called rumor isn't really just a rumor, right?"

Bai Yusheng narrowed his eyes and asked expressionlessly, "What do you mean?"

Shen Rou smiled and sat down on the bench. She looked up at him and said, "Actually, you like Qiao Mianmian, right? If you didn't, you wouldn't have done so much for her.

"You're promoting her as the female lead and telling everyone that she's your cousin. Don't tell me you did this because Ah Si told you to.

"Bai Yusheng, I know what kind of person you are. Moreover, your relationship with Ah Si isn't good enough for you to help him so much. Ha, Qiao Mianmian is really amazing. The most outstanding men in Yuncheng City's four major families are about to be smitten by her.

"Can you tell me what you like about her? Her face?"

Shen Rou's eyes were full of jealousy.

She really didn't understand.

Why did all the men in the world seem to like Qiao Mianmian?

All the eligible men around her liked her.
