Chapter 1071: Then, Are You Willing? We Can Work Together

Mo Yesi and Gong Zeli weren't enough, even Bai Yusheng liked her now.

Would Yan Shaoqing like her too?

No, wait, didn't Yan Shaoqing already have feelings for her?

Back at the KTV, Yan Shaoqing even claimed to have found true love.

If Qiao Mianmian was still single back then, he would definitely be chasing her.

The thought of the most outstanding men in Yuncheng City falling in love with that vixen filled her with hatred.

Bai Yusheng was stunned for a few seconds. "Since you know her, you should know whose woman she is. Do you think it's appropriate to say this?"

Shen Rou smiled. "Of course I know whose woman she is. Not only do I know whose woman she is, but I also know that she'll divorce Mo Yesi soon."

"Divorce?" Bai Yusheng's expression changed slightly. "You said she wants a divorce? Did she tell you that?"

Given Mo Yesi's possessive nature, would he divorce Qiao Mianmian?

This was obviously impossible.

Moreover, the two of them were newlyweds, and it was the early time of their relationship. How could they possibly divorce?

"She didn't tell me." Shen Rou smiled confidently. "But she and Ah Si will definitely get a divorce. She won't be staying in the Mo family for long. Bai Yusheng, I'm telling you this because I want you to seize the opportunity."

Bai Yusheng pursed his lips as his gaze turned cold. "Miss Shen wants me to steal a friend's wife? A friend's wife is not to be trifled with. Miss Shen is, after all, a young lady from a prestigious family. You're actually instigating someone to snatch his friend's wife. Everyone says that Miss Shen is knowledgeable, sensible, and upright. She's the best among all the socialites. Miss Shen's words and actions today have really broadened my horizons."

Shen Rou wasn't angered by his words. "Even if you can, you can't. Moreover, they'll break up sooner or later. I want Mo Yesi, and you want Qiao Mianmian. We're just getting what we want."

"Bai Yusheng, as long as you're willing, I can help you get Qiao Mianmian." Shen Rou looked at Bai Yusheng's darkened face and continued smiling. "It's not easy to meet a woman that makes you fall for her. If there's a chance to make her yours, why not give it a try?"

"Moreover, with Young Master Bai's charm, as long as you have the heart, I believe there's no woman you can't have." Shen Rou stood up and walked towards him.

She looked up and said, "I'm serious. Bai Yusheng, we can work together. I can let you have Qiao Mianmian, and you can help me get Mo Yesi."

Bai Yusheng looked at her expressionlessly for a long time.

Shen Rou thought that he was considering it and waited patiently. After a while, she asked impatiently, "Have you considered it?"

"Mm, I've thought about it." Bai Yusheng finally spoke.

Shen Rou immediately asked, "Then, are you willing? We can work together."

"Work together?" Bai Yusheng seemed really interested. He smiled and asked, "Miss Shen, how do you plan to cooperate?"

Shen Rou wasn't too foolish. She kept quiet for a while before saying, "That depends on whether you really want to work with me. If you really do, I'll naturally think of a way to get Qiao Mianmian for you."

"Shen Rou, did you just say that you know a little about me? I think you're overestimating yourself." Bai Yusheng saw that she was smiling, but there was no smile in his eyes.

Chapter 1072: You Lied to Me, You Tricked Me!

His eyes were as cold as ice.

"W-What did you say?" Shen Rou frowned.

Bai Yusheng looked at her coldly. "I said you overestimated yourself. As long as you have a little understanding of me, you won't talk to me about this. Shen Rou, if I want a woman, do I need your help?"

Shen Rou: "You..."

"Also, as long as you have some sense of shame, no matter how much you like someone, you won't disturb them after you find out that they're married. You wouldn't do anything that would affect their marriage. But Miss Shen doesn't seem to have any sense of shame."

Seeing that Shen Rou's expression was getting worse, Bai Yusheng sneered. "I don't care about my feelings right now, but I do have this intention. I wouldn't dare to accept a 'rich girl' like Miss Shen."

Shen Rou didn't expect him to embarrass her so badly.

She felt utterly humiliated.

Her face turned red as she clenched her teeth. "Bai Yusheng, you never thought of working with me. You lied to me, you tricked me!"

Bai Yusheng sneered. "You're too stupid."

"W-What did you say?" Shen Rou was flustered. "Is this how the Young Master of the Bai family treats ladies? Bai Yusheng, you're too much!"

“What kind of attitude do I need to have towards a woman like you? The kind of person you are, that’s all you deserve.”

Bai Yusheng couldn’t even be bothered to be polite.

Clear disgust and unhappiness could be seen in his eyes. “Miss Shen, my attitude is already considered polite. If you were not a guest of our Bai family, I’d only say one word to you.”

Shen Rou couldn’t react in time.

When she understood what Bai Yusheng meant, her expression darkened.

Bai Yusheng couldn’t be bothered to say anything more.

He looked at her coldly and said, “Miss Shen, if you don’t want others to know about what you just said to me, then you’d better know your place. What doesn’t belong to you will never belong to you. It’s useless even if you try your best.

“Also, if you dare to do anything bad to Qiao Mianmian, I won’t let you off.”

Shen Rou widened her eyes and gritted her teeth. “Bai Yusheng, do you still dare to say that you don’t like Qiao Mianmian? Who are you to warn me and threaten me, just as a director?”

“Hahaha, don’t make me behave. Aren’t you eyeing your friend’s wife too?”

“I have no shame, how much better can you be!”

Bai Yusheng ignored her. “Remember what I said. Shen Rou, if you dare to touch Qiao Mianmian, I won’t let you off. If you’re not afraid of offending the Mo and Bai families, you can try.”

With that, Bai Yusheng turned and left.

At this moment, the servant who went to get the cloak walked over. She saw Bai Yusheng and greeted him respectfully. “Young Master.”

Bai Yusheng nodded. “Send the cloak to Miss Shen.”

The servant looked at Shen Rou and felt puzzled.

Miss Shen didn’t look too happy.

Young Master didn’t look too good.

But they were fine when she left.

Did they fight in such a short time?

Chapter 1073: Don’t Get Involved in This

It seemed like their Madam and Young Master were trying to matchmake Young Master and Miss Shen.

They thought that they would be able to get along well with each other.

Were they wrong?

...

Bai Yusheng returned to the hall.

Madam Bai and Madam Shen couldn't help but ask at the same time, "Where's Rourou? Why isn't she back with you?"

Bai Yusheng lied casually. "Miss Shen said that our garden has good scenery, and she wants to walk around alone."

Madam Shen and Madam Bai looked at each other in disbelief.

Madam Shen frowned and was about to get up to look for her when Shen Rou walked in.

"Mom, Aunt Bai." She walked into the living room and saw Bai Yusheng. Her expression darkened.

"Rourou, why are you and Yusheng back so soon?" Madam Shen looked at her daughter and then at Bai Yusheng with a hint of doubt in her eyes. "Aren't you going to walk for a while more?"

"No." Shen Rou forced a stiff smile. "Mom, I suddenly feel unwell. Let's go back."

"Unwell? Where are you feeling unwell?" Madam Shen asked nervously.

Shen Rou's smile stiffened. "I can't put my finger on it. I just feel uncomfortable."

"Rourou, are you feeling unwell?" Madam Bai asked. "Do you need a doctor?"

"Aunt Bai, thank you for your concern. But I don't think there's a need to call a doctor. I should just go back and rest."

"Alright, then." Madam Bai nodded. "In that case, go back and have a good rest. Come over and accompany Aunt Bai when the sky changes."

Madam Shen was also very worried about her daughter. She thought that Shen Rou was really unwell and didn't have the mood to stay in the Bai family anymore.

She immediately stood up and said, "Sister Bai, I'll take Rourou and Xinxin back first. Let's meet again when the sky changes."

...

After sending Madam Shen and her two daughters off.

Madam Bai was rather satisfied with Shen Rou. Since Madam Shen had already extended an olive branch, she was happy to accept it.

But when it came to marriage, she wasn't the one to decide.

The most important thing was still Bai Yusheng.

After sending her off, the mother and son returned to their room.

Madam Bai stopped Bai Yusheng, who was about to go upstairs. "Little Five, wait a moment. Mom wants to ask you something."

Bai Yusheng stopped in his tracks and turned around. He could already guess what Madam Bai wanted to ask.

He smiled and said, "Mom, go on."

Madam Bai was a straightforward person, and Bai Yusheng had inherited her personality. "What do you think of your Aunt Shen's eldest daughter? I think she wants to introduce Shen Rou to you. Come to think of it, the two of you are compatible.

"I like Shen Rou. What about you?"

Bai Yusheng was silent for a while. "Mom, you want to hear the truth?"

Madam Bai smiled. "Of course. Don't lie to me."

"I don't have any feelings for her," Bai Yusheng said coldly. "She's not my type, so don't get involved in this. I know you're anxious to have a daughter-in-law, and I promise you that you'll have one. Don't worry about this.

"When I find someone suitable, I'll definitely bring her home to see you."

"You don't like her type?" Madam Bai frowned slightly. "Then, what type do you like? I think that child is pretty good. She's good-looking and charismatic, and her mannerisms are comforting."

Chapter 1074: It's Fine Even If You Come From a Low-Level Family

When Bai Yusheng heard this, he couldn't help but sneer. "A good temperament? Mom, are you sure?"

Mrs. Bai could tell that there was another meaning behind his words. She was stunned for a moment and asked, "Little Five, what do you mean? You don't seem to agree with this? You came back not long after you went out with her. Did something happen during that time?"

After all, she had watched his son grow up.

Madam Bai felt that Bai Yusheng didn't seem to like Shen Rou.

There was even some disgust in this dislike.

Everything was fine before.

But now...

After thinking for a while, she figured that something must have happened while they were out.

"It's nothing." Bai Yusheng saw what kind of woman Shen Rou was, but he didn't intend to tell Madam Bai about this. He turned around and walked to Madam Bai's side, gently patting her shoulder. "Mom, just don't get involved in this matter."

Mrs. Bai was silent for a while before nodding and saying, "Alright, I won't interfere if you don't want me to. But Little Five, you're not young anymore. You'll be in your thirties next year. Other people your age already know how to cook."

"But you don't even have anyone by your side now. Tell me, what type of girl do you like? I'll help you look for her. Seeing you grow day by day, I'm worried."

Bai Yusheng said with a headache, "Mom, didn't I say that when I have someone I like, I will bring her home to show you?"

Madam Bai snorted and said unhappily, "How many times have you said this? When has what you said ever counts? Have you ever brought a girl home all these years? As long as you bring one, I don't need to be so anxious."

"I haven't found her yet."

"That's why I asked what type of girl you like. I've introduced so many girls to you, but none of them caught your eye. Do you want to find a Heaven Immortal beauty to be satisfied? Ah?" Speaking up to this point, Madam Bai suddenly thought of something.

She thought of a possibility and her expression changed slightly. She changed the topic. "Are you and that actress from your production team really..."

"That's not true." Before she could finish, Bai Yusheng interrupted her with a frown. "Mom, don't listen to the rumors outside. It's not like you don't know that the entertainment industry loves to make groundless news."

"Really?" Madam Bai obviously didn't believe him. "The news was very detailed. I saw that girl. She's quite pretty, even prettier than the Shen family's child."

"If you really like her, it's not something you need to hide. You know that our Bai family doesn't care about family status. As long as she's a good girl with a good character, it doesn't matter even if she comes from a humble background."

"The most important thing is that you like her. Although we don't really like her profession, your father and I are not difficult parents to get along with. We will treat the person you like well."

Mrs. Bai felt that it would be good enough if her son could find a partner.

As for whether she was born in a good family, whether she had a good career, or whether she was good-looking, those were secondary.

In any case, the Bai family's status was already stable enough. If they could find someone of equal social status, it would naturally be the icing on the cake.

Chapter 1075: Anything Is Possible

However, if he found someone ordinary, it wouldn't affect the Bai family much.

Hence, she didn't think much about the family background.

As long as her son liked her.

Bai Yusheng rubbed his temples and explained, "Mom, it's really not what you think. The actress you mentioned already has a boyfriend. The reason why I took special care of her is that someone asked me to.

"The other reason is that she's fated to be with me. I don't know why, but I have a very strange feeling when I'm with her. That's why I can't help but want to be nicer to her. But, this has nothing to do with love.

"I don't have feelings for her."

Madam Bai was stunned. "What strange feeling?"

Bai Yusheng thought about it seriously before saying, "I feel that she's like my younger sister. When I'm with her, I have thoughts of getting close to her. But this thought of wanting to get close to her has nothing romantic about it."

"She looks like your sister?" Mrs. Bai frowned. "But haven't you found your sister yet?"

"Yes, I haven't found her yet." Bai Yusheng nodded. "I also know that she can't be my sister. But when I'm with her, I always have the illusion that she's my sister. Mom, she's a very likable girl. You'll know when you see her.

"Besides, although I've only seen photos of my sister when she was young, she looks quite similar to her."

Upon hearing this, Mrs. Bai asked curiously, "Really? She looks like your sister? Little Five, have you found out that your sister is in Yun Cheng? Is the girl you're talking about from Yun Cheng? Could she be..."

"I've thought about it too." Bai Yusheng interrupted Madam Bai and sighed softly. "However, the possibility is very small and can almost be eliminated. She's a local of Yun Cheng and has lived here since she was young."

Mrs. Bai didn't think so.

She thought for a moment, then said, "Since we've already found out that your sister is in Yun Cheng, then any Yun Cheng girl her age could be her. How old is this girl?"

"Nineteen."

"Nineteen?" Madam Bai's expression changed slightly, and her expression became much more serious. "Your younger sister is also nineteen this year. Did you ask when she was born?"

Bai Yusheng was stunned for a moment before shaking his head. "No."

"Then, hurry up and ask." Madam Bai said agitatedly, "Who knows, she might be the precious daughter I've been looking for. Hurry up and show me her photo. I'll see if she looks like Xiaoqi."

Bai Yusheng: "... Mom, she can't be..."

How could there be such a coincidence in this world?

Just because he felt that Qiao Mianmian resembled his sister, was she really his sister?

“Show me her photo first.” Madam Bai glared at him unhappily. “How do you know it’s not her? It might be. Nothing is impossible in this world. Anything is possible.”

Bai Yusheng had no choice but to show her some photos of Qiao Mianmian.

Madam Bai looked at each one of them seriously. After a while, she looked up excitedly. “Yes, she’s very similar to Xiaoqi. Especially her eyes and nose, they’re exactly the same as when Xiaoqi was young.”

Chapter 1076: I’m Afraid She’ll Think He’s a Pervert

“I think she might be our Xiaoqi.”

“Mom, don’t get agitated.” Bai Yusheng looked at Madam Bai helplessly. “There’s no such thing as a coincidence in this world. Although I really wish she was my sister, the possibility is small.”

He didn’t want Madam Bai to have high hopes and be disappointed in the end.

This wasn’t the first time something like this had happened.

The greater the hope, the greater the disappointment.

“Little Five, when I entrusted your sister to someone else, I thought of going to fetch her back immediately after our family’s crisis was over. But at that time, I didn’t know if we could survive that crisis. If we could, how long would it take?”

“Thus, in order to prevent me from mistaking you for someone else in the future, I left a mark on your younger sister.

“As long as we can confirm that she has that birthmark, she will definitely be your sister.”

As Madam Bai spoke, she excitedly grabbed Bai Yusheng’s hand. “Little Five, if you want to know if she’s Little Seven, you only need to know if she has that mark.”

This was the first time Bai Yusheng had heard of this. He couldn’t help but be surprised. “Mark? Mom, what mark are you talking about?”

“A mole.” Madam Bai took a deep breath and suppressed her excitement. “A red mole. I made it myself. The position is on her butt. I forgot whether it’s on the left or right. It’s on her butt, anyway.”

Bai Yusheng: “...”

A mole on her butt?

How could he confirm this?

Could he ask Qiao Mianmian if she had a red mole on her butt?

She would probably think that he was a pervert.

As soon as Madam Bai finished speaking, she thought of this and frowned slightly. "You can't ask about this. However, it's not difficult to confirm it. How about this? Find a time to bring her to our house and I'll confirm it."

Bai Yusheng had originally thought that such a coincidence was impossible.

But now that he heard what Madam Bai said, his initial nonchalance turned serious.

He had never known about the existence of this mark before.

This was the first time Mrs. Bai had mentioned this to him.

"Mom, isn't there going to be a birthday party in two days? I'll invite her over, then." Bai Yusheng lowered his eyes and thought for a while before continuing, "When the time comes, how to confirm it will depend on you."

"Okay." Madam Bai clenched her fists and couldn't wait any longer. "I will arrange everything in advance. If, if she's Xiaoqi, I will dote on her, love her, and do my best to give her the best life.

"I won't let her suffer for the rest of her life.

"From now on, she will be the glamorous daughter of the Bai family and the apple of our eyes."

At the corner of the hall.

A white figure stood in the corner for a while. After Madam Bai and Bai Yusheng finished their conversation, the white figure quietly left.

...

In the car.

Shen Rou received a text message. She opened it and, after reading it, her expression changed.

Madam Shen, who was sitting beside her, noticed that something was wrong. She immediately asked, "Rourou, what's wrong? Are you feeling unwell again?"

Shen Rou shook her head and thought about the text message she had just read. She pursed her lips tightly and remained silent for a while. She gripped her phone tightly and asked, "Mom, do you know that the Bai family lost a daughter?"

Chapter 1077: Why Are You Suddenly Asking About This?

"I know. Why are you suddenly asking about this?" Madam Shen asked curiously.

Shen Rou pursed her lips. Although she felt that the possibility was very small, she couldn't tolerate it when she thought about it. "Mom, do you know what happened to the daughter that the Bai family lost? I heard that they have been searching for her for more than ten years but still couldn't find her. Now, there seem to be some clues. They said that she's in Yun Cheng.

"Did you talk to Auntie Bai about this? What did she tell you?"

“Today, she casually mentioned it to me.” Madam Shen thought for a while and then said, “But she didn’t say much. She just said that she was envious of me having two daughters, you and Xinxin. She told me that she pitied her daughter who was still suffering somewhere and wanted to find her earlier to make it up to her.

“Rourou, why are you suddenly asking this? Is there something? Did you find out something?”

“No.” Shen Rou took a deep breath. “I just suddenly thought of this and asked casually.”

“Is that so?” Madam Shen’s eyes were still filled with doubts, but she didn’t probe further. Instead, she changed the topic and said, “Rourou, how was your chat with Bai Yusheng today? Why did you come back so soon? Were you unhappy?”

What Madam Shen was more concerned about was getting Shen Rou and Bai Yusheng together.

She didn’t need to be in such a hurry.

However...

“Mom, are you trying to set me up with him?” Shen Rou thought of Bai Yusheng’s bad attitude and said coldly, “I’m not interested in men like him. You don’t have to waste your effort to set us up.”

Madam Shen’s expression changed. “Why aren’t you interested? What did he do that you don’t like?”

“In any case, you don’t have to care.” Shen Rou showed a hint of impatience. “It’s impossible between us.”

Seeing how determined she was, Madam Shen’s expression changed again. “Why is it impossible? Among those of the same generation, he’s the most outstanding and most suitable for you. Besides, the Bai family only has one son. If you marry him, you will be the only young mistress of the Bai family. You will have a good life in the future.

“Rourou, I know you’re still thinking about that rascal from the Mo Family. But, you can’t waste your youth on him. Although I also hope that you can marry into the Mo Family, you can lead a horse to water, but you can’t make it sweet.

“Speaking of which, the Bai Family is slightly worse than the Mo Family, but not by much. Bai Yusheng’s personal qualities are also very good among his peers. You marrying him is the best choice.

“Besides, I’ve asked Madam Bai, and she’s very satisfied with you. She has a gentle personality and won’t be the kind of mother-in-law who likes to make things difficult for others. I’m also at ease if you marry into the Bai family.”

Shen Rou said coldly, “Anyway, it’s impossible between us. Mom, don’t try to set us up in the future.”

“Rourou, are you still thinking about Mo Yesi?” Madam Shen’s expression darkened. “How long are you planning to wait for him? If he doesn’t get married, you won’t get married too? It’s fine if you can wait until something happens. But you’ve waited for so many years. Have you waited for what you want?

“A girl’s youth is only a few years away. If you wait any longer, you’ll become an old leftover!”

“So what?” Shen Rou bit her lip, and her expression turned ugly. “No matter what, I won’t marry a man I don’t like. I can make my own decisions about this. I don’t need anyone to arrange it for me.”

Chapter 1078: You Have to Sacrifice Your Family

“You...” Madam Shen was livid.

“Mom, don’t argue with Sister.” Shen Xin, who had been silent all this while, suddenly said, “I think Sister is right. Marriage is a big event in one’s life. How can you marry someone you don’t like?”

“Shut up.” Madam Shen was in a fit of anger and didn’t stand on ceremony with her. “What is liking? Can it be eaten? If I thought the same way back then, would the two of you still be able to live such a good life?”

“Shen Rou, let me tell you. I don’t care if you like Bai Yusheng or not. You have to find a way to marry him.” Madam Shen’s tone suddenly became forceful.

Shen Rou’s temper rose as well. “Mom, I’ll tell you now that I won’t marry him. My life is up to me.”

“It’s not up to you,” Madam Shen said angrily. “You have received the Shen family’s favor for so many years. Now that your family is in trouble, you have the obligation to help us tide through this crisis. You’re not going to marry, right? If you don’t, then don’t even think about being the Shen family’s daughter anymore.”

Shen Xin was stunned. Then, she asked curiously, “Mom, what do you mean? What’s wrong with our family?”

Shen Rou frowned and looked at Madam Shen in confusion. “Mom, what did you mean by that?”

Madam Shen was silent for a long time before finally saying, “Now that things have come to this, I don’t want to hide it from you anymore. There’s a problem with our family’s company, and we need to find a reliable partner to work with. And the most reliable partnership is when the two families become in-laws.

“In that case, we will all suffer together.

“Don’t worry. Of all the aristocratic families in Yun Cheng compatible with our Shen family, only the son of the Bai family is the most suitable for Rourou. Rourou, it’s not that I want to force you, but you’re the daughter of the Shen family. Now that the Shen family is in trouble, you have the obligation to help your family survive this crisis.

“Besides, marrying into the Bai family is not a big deal for you. Even if the Shen family isn’t in trouble, marrying into the Bai family is a good choice.”

Shen Rou and Shen Xin were stunned.

Neither of them had thought that the Shen family would encounter any difficulties.

“If the Shen family can’t overcome this crisis, it will be a huge blow to the Shen Enterprise’s economy. It will be difficult to think about it in the future. If the Shen family falls from grace, do you think you can still live the same way as you live now?”

“At that time, would others still take our Shen family seriously?”

When Madam Shen said this, she sighed softly. She grabbed Shen Rou’s hand and said, “Rourou, for the sake of the Shen family, you have to be together with Bai Yusheng. Your father and I have loved you since we were young. If it wasn’t for this incident at home, I wouldn’t force you.

“But now, you have to make some sacrifices for your family.”

Shen Rou’s face instantly turned pale.

“Mom, you’re not lying to me, right? Our Shen family is really...” Her voice trembled.

The only thing that supported her pride was her status as the eldest daughter of the Shen family.

If one day, even this identity was no longer important, she couldn’t imagine what it would be like.

“Rourou, whether the Shen family can survive this ordeal will depend on you.” Madam Shen looked at her with a serious expression and said, “You have to think of a way to settle the marriage with Bai Yusheng as soon as possible and release the news that the Bai and Shen families are becoming in-laws.”

Chapter 1079: I Don’t Want to Stay Calm, I Want to Kiss You

“The Shen family can’t wait much longer.”

This news was like a bolt from the blue to Shen Rou.

Recalling the text message she had just received, her heart sank bit by bit as if she had fallen into an icehouse.

...

By the time Qiao Mianmian and Mo Yesi finished watching the movie, it was already 10:30 PM.

Qiao Mianmian thought about flying back to F City the next day. After watching the movie, they didn’t do anything else and just drove home.

On the way back, Qiao Mianmian sent Jiang Luoli a WeChat message.

She waited for more than ten minutes, but Jiang Luoli still didn’t reply.

Qiao Mianmian was a little worried and called again.

The phone rang four or five times before it connected.

Qiao Mianmian opened her mouth, but before she could say “hello”, she heard a man’s voice. “Hello, is this Jiang Luoli’s friend? She’s drunk now and can’t answer the call. Is there something you need?”

Qiao Mianmian: “!!!”

This was... Mo Shixiu’s voice?!

She took her phone away and looked at the time. She couldn’t help but feel shocked as she brought the phone back to her ear. “Is Luo Luo drunk? Is she with you now?”

Mo Shixiu’s low and cold voice came over. “Yes, she’s with me.”

Qiao Mianmian was speechless.

“Miss, why are you looking for her? It’s not convenient for her to pick up now, but you can tell me. When she wakes up, I’ll pass it to her.”

Jiang Luoli saved Qiao Mianmian’s contact number in her contact list. Her name was “Baby”.

Qiao Mianmian guessed that Mo Shixiu didn’t recognize her voice and didn’t know who she was.

She hesitated for a moment and whispered, “Erm, Big Brother... it’s me.”

She felt that Mo Shixiu definitely didn’t know who she was, so she added, “I’m Qiao Mianmian.”

A few seconds of silence later, Mo Shixiu’s voice rang again. “Sister-in-law, do you know Miss Jiang?”

Qiao Mianmian nodded. “We’re from the same school and dormitory. We’re best friends too.”

Mo Shixiu was silent for a while.

Qiao Mianmian opened her mouth and was about to speak when she heard a familiar voice on the phone. “Mo Shixiu, are we home yet? Can I kiss you now? Aiya, why are you hiding? You promised me that I could kiss you. Come here quickly.”

Qiao Mianmian: “!!!”

Wasn’t that Jiang Luoli’s voice?

But how did her Luo Luo’s voice become so delicate, so soft, and so seductive...

Also, what did she just hear?

She seemed to have heard her Luo Luo say that she wanted to kiss Mo Shixiu?!

Did she hear wrongly?!

Qiao Mianmian was stunned.

Mo Shixiu’s panicked voice came from the phone again. “Miss Jiang, don’t be like this. Go down, go down quickly. You can’t do this...”

“No, I don’t want to go down. Mo Shixiu, I want to hug and kiss you. Don’t hide. Why are you hiding?”

“Miss Jiang, calm down...”

“I don’t want to calm down. I want to kiss you.”

“Get down!”

“I don’t wanna. Let me kiss you. How can you be so petty!”

“Jiang Luoli!” Mo Shixiu sounded a little annoyed.

Jiang Luoli smiled. “Darling, call me Darling.”

Chapter 1080: Baby, Accept Your Loss

Qiao Mianmian was speechless.

The line went dead.

As she listened to the disconnected tone from the phone, her emotions were indescribable.

“What’s wrong?” Mo Yesi saw her strange expression and turned to look at her. “Was it Big Brother who spoke to you just now?”

Qiao Mianmian was still immersed in the conversation between Mo Shixiu and Jiang Luoli.

She looked up slowly with a surprised expression for a while and nodded. “Yes, the person who spoke to me was Big Brother. He was with Luo Luo. He said that Luo Luo was drunk.”

“Drunk?” Mo Yesi raised his eyebrows and smiled. “Are you worried about her? If she’s with my brother, you have nothing to worry about. Don’t worry, my brother is a gentleman. He won’t do anything to her.”

Qiao Mianmian said, “Of course I know that Big Brother is a gentleman. I’m not worried that he’ll do anything to her.”

Mo Yesi looked at her wide eyes and touched her head. “What did Big Brother say to you that made you so shocked?”

Qiao Mianmian blushed at the thought of that conversation.

She looked hesitant.

She couldn’t let Mo Yesi know that his brother had been teased.

Otherwise, how would Jiang Luoli face him in the future?

“Nothing much, just that Luo Luo was drunk and he would send her home.”

“That’s it?” Mo Yesi didn’t believe her. “Baby, are you sure you didn’t lie to me? That’s all Big Brother told you? Then, why do you look so surprised?”

Qiao Mianmian pursed her lips. “Really. I’m surprised because... Luo Luo seems to be dating Big Brother.”

“Oh?” Mo Yesi didn’t seem surprised at all. “Did she tell you that she’s dating Big Brother?”

“She didn’t say.” Qiao Mianmian shook her head. “I heard her talking to Big Brother just now. From their conversation, it seems like they’re already a couple. Didn’t Luo Luo say that she would make things clear with Big Brother? Why did she...”

Qiao Mianmian didn’t expect Jiang Luoli to really not reject Mo Shixiu as Mo Yesi had predicted.

She thought that no matter how obsessed she was with Mo Shixiu’s looks, she wouldn’t lose her mind.

But now...

She seemed to know less about her best friend than the man beside her.

Mo Yesi chuckled. "She wouldn't have been able to reject Big Brother's handsome face. Baby, I remember we made a bet. Did you lose?"

Qiao Mianmian was speechless.

"Baby, you've lost." Mo Yesi smiled happily. "Don't forget what you promised me. If you lose, you have to promise me something."

Qiao Mianmian was speechless.

Of course, she remembered.

She had never expected Jiang Luoli to be so disappointing.

"It's not confirmed yet. Luo Luo is drunk, so what she said might not be true. I'll ask her when she's sober!" Qiao Mianmian's legs went weak for some reason when she saw the man's meaningful smile.

She secretly hoped that Jiang Luoli could work harder.

However, she already felt that there wasn't much hope.

She knew very well what Jiang Luoli looked like when she was drunk.

Although Jiang Luoli was a good-looking dog, she would often shout at handsome guys as if she was brave.
