Chapter 1121: Abortion in High School

Some even said that Qiao Anxin terminated her contract with Starlight because the president of Starlight had done something wrong to her.

She had only proposed to terminate the contract after she was disheartened.

Because of this matter, someone quickly dug up the matter of Su Ze kneeling on the street and begging Qiao Mianmian to get back together.

Fans started speaking up for Qiao Anxin—

“When her boyfriend publicly begged his ex-girlfriend to get back together, did he ever think about Anxin’s feelings? It was Su Ze who let down Anxin first. Anxin was just disheartened and decided to leave Starlight. Let me ask you. If your boyfriend (girlfriend) did something that let you down and did not care about your feelings at all, would you not mind? Anxin leaving Starlight was the best choice. If she pretended that nothing happened and continued to stay with Starlight and that man, we fans would be disappointed.”

“That’s right, that’s right. What right did Anxin have to say that she didn’t do the right thing? She did the right thing, alright? There was no need to talk about friendship with a betrayer. She should have left Starlight a long time ago!”

“Although Su Ze is a scumbag, doesn’t anyone think that Qiao Mianmian is a b*tch as well? She had already broken up with her ex-boyfriend, yet she still lingered around. I don’t believe that Su Ze would do something like that on the streets if she didn’t hint at it.”

“Upstairs+1, I also feel that if the female party didn’t give a hint, the male party wouldn’t have been so high-profile as to seek reconciliation on the streets. In summary, the female party is a real bitch, but she pretended to be a victim and completely removed all responsibility. She’s also very impressive.”

“It’s not that she’s powerful, it’s just that her sugar daddy is powerful. Have you all forgotten who stood up for her to settle that matter? Actually, I think everyone knows what kind of person she is. It’s just that they don’t dare to offend her because of her power.”

“The person upstairs is talking about the Gong family’s young master? Let me tell you, those rumors about her and Young Master Gong are all true. A friend of mine told me that she saw Su Ze and Qiao Mianmian pulling each other on the streets that day and Young Master Gong saw it. Young Master Gong was especially angry and even beat Su Ze up. Qiao Mianmian is really amazing. She’s hanging her ex-boyfriend on one side and hugging a golden thigh on the other. Tsk tsk, looks are justice these days. With a pretty face, you can really make a living.”

“Qiao Mianmian is a vixen, a green tea b*tch. Not only is she hanging onto Gong Zeli and Su Ze, but she’s also hanging onto Bai Yusheng. Otherwise, how could she be the female lead of Bai Yusheng’s new drama? She’s a newcomer without any works, how could she get the role of the female lead?”

“Qiao Mianmian is really disgusting. She looks pure and innocent, but she must have slept with many men in private. One of my sister’s friends used to be in the same school as her, and she said that she used to seduce men everywhere and had a messy private life.”

“A friend of mine used to be in the same school as Qiao Mianmian. She said that she had an abortion in high school, and it wasn’t just once. Because the abortion was done by my friend’s mother, it’s definitely true.”

Chapter 1122: What Kind of Physique Did She Have?

“Didn’t the school forum expose her abortions some time ago? But at that time, it was said that someone was spreading rumors to smear her name. I remember the IP address of the person who posted it was also exposed. At that time, it was Qiao Anxin who posted it.”

“I whispered, ‘I’ve also heard about the abortion in high school. However, it’s better if you don’t discuss it further. Be careful that she sends you a lawyer’s letter.’”

“Hahaha, I’m dying of laughter. Let her send a lawyer’s letter. I’m not afraid.”

Very quickly, the old dirt that had sunk for a period of time was trending again.

#Qiao Mianmian’s green tea b*tch, three-timing

#Qiao Mianmian’s three sugar daddies

#Qiao Mianmian’s unspoken rules

#Qiao Mianmian’s high school abortion

And other such topics were all trending.

In an instant, there were fewer and fewer people discussing the Su Corporation and Qiao Anxin terminating their contract with Starlight.

All sorts of scandals about Qiao Mianmian became a hot topic of discussion.

Many netizens who claimed to be from the same school in high school and middle school, or friends and classmates from the same school, came out one after another to expose the truth about her high school abortion.

A lot of netizens were just passers-by who only cared about gossip.

They didn’t know much about Qiao Mianmian.

All of a sudden, many people came out to expose Qiao Mianmian’s abortion, and all of them said it with certainty. Their initial doubts about this matter turned into trust.

An underage abortion was a bad thing.

Qiao Mianmian didn’t have many loyal fans.

Her few fans who were willing to speak up for her had just posted a comment to help her when they were immediately attacked by a large group of netizens and had their comments quickly deleted.

They no longer dared to speak up for her.

Instantly, a wave of scolding on Weibo ensued.

More and more people were discussing her “high school abortion”.

In less than an hour, she was already at the top of Weibo’s 24-hour trending list.

When Qiao Mianmian scrolled through Weibo, her trending topics were already very high.

When she saw the “Qiao Mianmian had an abortion” trending topic, Linda received a call from the company.

A few minutes later, Linda hung up the phone and looked up at her with a frown. “Mianmian, you’ve been defamed again. But don’t worry, the company called me just now and said they’ll suppress the dirt as soon as possible.”

Qiao Mianmian also saw it.

She exited Weibo with a speechless expression. “Sister Xie, has the company really thought it through? If it’s not too late to regret now, I can...”

She didn’t even know what her physique was anymore.

It seemed like every now and then, she would be covered in dirt.

“It’s just a small matter.” Linda consoled her. “Don’t worry, the company will settle it soon. Actually, it’s not necessarily a bad thing for you to be embroiled in scandals.”

“Not a bad thing?” Qiao Mianmian still couldn’t completely ignore any negative news about her. She was affected by the negative news just now, and even the joy of signing an endorsement contract with MC had dissipated.

She looked depressed. “Am I the most troublesome artist in the company now?”

She knew that if Zhao Kai hadn’t found out about her relationship with Mo Yesi, he would have terminated her contract with Huanyu already.

Linda smiled at her glum expression. She looked relieved as if she hadn’t been troubled by her new scandal.

Chapter 1123: She Knew He Was Attracted

“Of all the artistes I’ve signed with, you’re the one with the most scandals in a short period of time.

“I just said that this might not be a bad thing because it’s also a sign.”

“A sign? What sign?”

“It’s a sign of becoming popular. Do you know how difficult it is for other artists to get on the trending page? There might not even be any real traffic if they spend money on it. You have real traffic, the company didn’t spend a single cent on you.”

Qiao Mianmian was speechless.

She would rather not become famous because of a scandal.

“Will these scandals affect the endorsement of the new contract?” Although Linda looked nonchalant, Qiao Mianmian was still worried.

She had signed with MC and was now their spokesperson.

If there were any scandals during the endorsement period, it would definitely affect the brand’s image.

If it affected the brand’s image, would she lose money?

Qiao Mianmian recalled the scandals that Huang Yilin had previously exposed. After the scandals were exposed, not only did Bai Yusheng replace her as the female lead, but he also asked her to compensate for the breach of contract.

She couldn’t help but feel a little scared.

She only wanted to earn money, not lose money.

“There will at least be some impact, but it’s not a big problem.” Linda said honestly, “All famous artistes have their own scandals. Even if there are no scandals, if someone wants to mess with you, they can create a lot of scandals for you. But without actual scandals, the damage is limited.

“I’ll talk to the MC later. I know what you’re worried about. Don’t worry, I’ll talk to them before we sign the contract.

“Oh right, do you know about Qiao Anxin’s contract termination with Starlight?” Linda recalled what Zhao Kai had told her and frowned.

Qiao Mianmian nodded. “Yeah, I saw her post on Weibo just now.”

Qiao Mianmian wasn’t surprised that Qiao Anxin would terminate her contract with Starlight.

Since Su Ze was determined to break up with her, she definitely wouldn’t stay in Starlight anymore.

Moreover, now that the Su Corporation was in trouble, Qiao Anxin couldn’t stay in Starlight anymore.

She had seduced Su Ze because she had taken a fancy to Su Ze’s qualities and family background.

If the Su family fell from power and was no longer as glorious as before, how could Qiao Anxin, such a realistic woman, accompany Su Ze in his troubles?

“Just now, President Zhao called me and said that Qiao Anxin called him an hour ago. She said she wanted to sign with us. Also, she offered quite a low price. President Zhao was tempted and asked me if I mind.”

Although Zhao Kai and Linda had a good relationship.

But deep down, he was still a businessman who prioritized profits.

Although he had asked Linda if she didn't mind, it also meant that he wanted to sign Qiao Anxin.

Otherwise, he could directly reject her.

There was no need to call Linda.

Linda knew him well enough to know that he was tempted.

After answering the call, she was actually a little angry.

If Qiao Anxin signed with them, she would definitely not be following her.

But if they were in the same company, they would definitely meet.

Moreover, with Qiao Anxin's current fame, the resources she would get from signing with Huanyu would definitely not be too bad. At that time, it would be inevitable for her to fight for resources.

Chapter 1124: I'll Be Your Competitor From Now On

Anyway, Linda didn't want to stay in the same company as Qiao Anxin.

Qiao Mianmian was shocked. "Qiao Anhao wants to sign with Huanyu?"

"Yeah."

"Did President Zhao agree?"

"He hasn't agreed yet, but I think he wants to sign her. Mianmian, if Qiao Anxin really signed with Huanyu, can you accept it?"

Linda's reply to Zhao Kai was that he could do whatever he wanted.

She guessed that Zhao Kai would sign Qiao Anxin.

She didn't really care.

There was some unhappiness between her and Qiao Anxin, but as long as she wasn't responsible for her, there was nothing she couldn't accept even if she minded it.

She was more concerned about Qiao Mianmian's opinion.

"Sister Xie, if the company really wants to sign Qiao Anxin, there's nothing I can't accept." Qiao Mianmian thought for a while before answering Linda. "I can understand the company's actions."

To Huanyu, Qiao Anxin would definitely bring more benefits to the company.

Qiao Anxin was already an A-list celebrity.

In fact, no matter how much Qiao Mianmian disliked Qiao Anxin, she had to admit that she couldn't compare to her now.

Qiao Anxin had made an agreement with Starlight, so it was easy for her to pick a good boss.

After all, she was famous.

“Can you really understand?” Linda looked at her. “If Qiao Anxin signs with Huanyu, she’ll be your competitor. Do you really not mind?”

Qiao Mianmian smiled. “Sister Xie, the company will definitely prioritize profits, so I understand the company’s approach. Besides, even if Qiao Anxin and I are in the same company, we won’t see each other every day.”

“Mm, it’s good that you’re able to accept it.” Linda nodded. “If Qiao Anxin really comes to us, don’t worry. I won’t let you lose to her. I won’t let her ride on my artiste just to win her pride.

“I’ve taken care of her for two years, so I know very well how strong she is. After leaving Starlight, she can’t get as many good resources as before, and she can’t be as free as she used to be in Starlight. If she really signs with Huanyu, her development will be limited.

“But you’re different.” Linda looked at Qiao Mianmian with admiration. “You’re much better than Qiao Anxin. You just lack someone to support you. Now that President Zhao knows about your relationship with President Mo, he’ll definitely share some of the good resources with us in the future.

“You’ll be famous in a year or so. I believe you’ll surpass Qiao Anxin soon.”

Qiao Mianmian didn’t doubt Linda’s ability at all.

It could be said that most of Starlight’s A-list celebrities were brought up by her.

Speaking of which, Qiao Anxin was considered to have become popular by Linda’s efforts.

...

Not long after, someone knocked on the door.

Linda stood up to open the door. When she saw the person standing outside, she extended her hand and smiled. “Hello, CEO Zhang. We meet again.”

President Zhang was the regional general manager of MC.

He walked into the room with his secretary and saw Qiao Mianmian. Before Qiao Mianmian could greet him, he quickly extended his hand. “Miss Qiao, right? Hello, nice to meet you.”

Qiao Mianmian was taken aback by his enthusiasm.

She blinked and looked at Linda questioningly, asking her who this man was.

Chapter 1125: I Wonder Why Miss Shen Is Looking For Me

Linda immediately walked over and introduced her. “Mianmian, this is MC’s CEO Zhang. He’s in charge of all the matters in MC’s cosmetics brands.”

Qiao Mianmian immediately shook his hand. “Hello, President Zhang. I’m Qiao Mianmian.”

“I’ve seen Miss Qiao’s photo before.” President Zhang looked up at Qiao Mianmian and thought to himself, *No wonder Young Master Gong changed his mind and gave up on such an outstanding woman like Miss Shen to fall for a newbie in the entertainment industry.*

Tsk tsk, this newbie is much prettier than in the photos.

She was already a fairy in the photo.

She was even more fairy-like in person.

Even the first time he saw her, he felt a little moved.

“Miss Qiao looks much better in person than in the photos. Your appearance and aura are very suitable for our MC’s brand image. It’s our MC’s honor to be able to work with Miss Qiao. I hope we can work well together.”

Knowing that Gong Zeli was really interested in this newbie, CEO Zhang didn’t dare to be negligent.

He did not dare to treat her as a newbie.

And when he saw Qiao Mianmian in person, the dissatisfaction in his heart lessened.

Although she was just a newbie with no fame.

But she was really pretty.

Her temperament and appearance were all top-notch.

MC had never used a newbie before, but it wasn’t completely impossible.

He didn’t need new people because he didn’t want to take risks.

President Zhang’s attitude made Qiao Mianmian a little uncomfortable.

She felt flattered.

She quickly said, “President Zhang, you flatter me. It’s my honor to be able to work with MC. Thank you for giving me the chance. I will perform well.”

“I believe Miss Qiao’s performance won’t disappoint us.” President Zhang followed Gong Zeli’s instructions and took the flowers from his secretary. He then handed them to Qiao Mianmian with a smile. “Then, I wish us a happy cooperation.”

Qiao Mianmian was stunned again when she saw the flowers.

She was stunned for a few seconds before she received the flowers from President Zhang under Linda’s gaze.

“Thank you, CEO Zhang.”

After receiving the flowers, she felt that something was wrong.

But at that moment, she couldn’t figure out what was wrong.

...

On the other side.

It was also a private clubhouse.

Qiao Anxin walked out of a red Maserati. The waiter at the door saw her and immediately stepped forward. "Hello, are you Miss Qiao Anxin?"

Qiao Anxin nodded.

The waiter smiled and said, "Miss Qiao, please follow me."

Qiao Anxin followed the waiter into the clubhouse. The waiter brought her to a private room and knocked on the door.

After getting permission from the person inside, the waiter opened the door and made an inviting gesture. "Miss Qiao, please come in."

Qiao Anxin hesitated for a moment before pushing the door open and entering.

After she entered the room, the waiter closed the door from outside.

Qiao Anxin looked at Shen Rou, who was sitting on the sofa. She stood at the door for a few seconds before walking towards her.

"Miss Qiao, you're here." Shen Rou looked up at her and smiled. "Miss Qiao, please take a seat."

Qiao Anxin walked towards her and sat down opposite her.

"Miss Shen." Qiao Anxin was well aware of Shen Rou's identity. When she spoke to her, she was very polite. "May I know why Miss Shen is looking for me?"

Qiao Anxin was confused.

Chapter 1126: Don't Even Think About That Bitch!

She didn't know Shen Rou.

To be precise, she knew Shen Rou, but they had never interacted before.

Shen Rou wasn't from the same world.

The daughter of a wealthy family was someone she couldn't get close to even if she wanted to.

Hence, she was very curious why Shen Rou would suddenly ask to meet her and even say that she had something important to discuss with her.

"There's no hurry." Shen Rou smiled and handed her an exquisite list. "Miss Qiao, please order a glass of water first. We can talk later."

Qiao Anxin took the order and ordered a glass of water.

"I saw the news today. Have you terminated your contract with Starlight?"

Shen Rou took a sip of her coffee and asked casually.

Although Qiao Anxin didn't know what she was up to, she still replied politely, "Yes, I terminated my contract with Starlight."

"Miss Qiao just terminated her contract today. You probably haven't found a suitable partner yet. I wonder if Miss Qiao has any plans in mind. Have you thought about which company you want to sign in the future?"

Qiao Anxin looked up at her curiously. After a moment of hesitation, she said, "I haven't decided yet."

She already had a plan in mind.

In the entire entertainment industry, Huan Yu was the best at supporting people and also the company with the most resources.

Although the competition was fierce.

But Qiao Anxin was confident in herself.

If she could work there, her future development would only get better.

Besides...

Qiao Mianmian, that little b*tch, was also enjoying herself. From the way they treated her, it seemed like they were preparing to groom her.

How could she give that little b*tch a chance to turn things around!

As long as she could work well, that little b*tch could forget about it!

But she did not intend to tell Shen Rou the truth.

She still didn't know what Shen Rou wanted to do, nor did she know if she was friend or foe.

"Oh, is that so?" Shen Rou smiled. After putting down her cup, she leaned back slightly. "Miss Qiao seems to have an elder sister, and she seems to be an artist too. Didn't Miss Qiao consider joining your sister's company?"

"Oh, right, I forgot." Before Qiao Anxin could reply, Shen Rou continued, "I'm sorry, Miss Qiao. I forgot that you and Sister are not on good terms. I hope you don't mind."

Shen Rou's tone was polite. She didn't appear to be superior to others just because she was a rich girl.

But Qiao Anxin could still feel that Shen Rou looked down on her.

This disdain was not expressed directly but was inadvertently revealed through her gaze and actions.

But Qiao Anxin didn't think much of it.

After all, with Shen Rou's status, it was normal for her to look down on her.

She also knew the difference between her and Shen Rou.

“Miss Shen seems to know everything about me and my sister.” Qiao Anxin looked at her as she probed, “Miss Shen, are you looking for me today because of my sister?”

She heard that the young master of the Gong family liked Miss Shen.

All these years, he had never had a proper girlfriend because of Miss Shen.

Recently, Gong Zeli and Qiao Mianmian had been involved in many scandals.

Hence, Qiao Anxin guessed that Shen Rou was looking for her because of that.

Chapter 1127: My Sister Is Indeed Unusual With Young Master Gong

Did she want to find out the truth through her?

If that was the case, she couldn't miss this opportunity.

Qiao Mianmian, that little b*tch, had been too smug recently.

If Eldest Miss Shen wanted to teach her a lesson, even if she managed to cozy up to Young Master Gong, he would definitely side with her.

She could make use of Eldest Miss Shen to teach that b*tch a lesson!

At this thought, Qiao Anxin's attitude became warmer, and the wariness in her eyes lessened. “If Miss Shen wants to know anything from me, I won't hide anything that I know.”

Shen Rou smiled and looked at Qiao Anxin with a deeper meaning in her eyes. “Miss Qiao is indeed a smart person. I love dealing with smart people because it's not tiring to talk to them.

“Since Miss Qiao has already guessed the purpose of my meeting with you, I won't beat around the bush with you.”

Qiao Anxin was elated to see that she had guessed correctly.

Great, this Eldest Miss Shen had indeed asked her out because of Qiao Mianmian.

It seemed like it was really because of the little b*tch's scandal with the Gong family's young master.

This little b*tch deserved to be unlucky.

She could have provoked anyone's man, but she had to provoke Eldest Miss Shen's man.

Even if Eldest Miss Shen and Gong Zeli weren't together.

However, their relationship must be ambiguous.

Miss Shen would never allow her admirers to have an ambiguous relationship with other women.

Since the little b*tch wanted to die.

She didn't mind letting her die faster!

“Miss Shen, are you asking me if the rumors about my sister and Young Master Gong are true?” Qiao Anxin thought that she had guessed correctly and said eagerly, “I know about this. Those rumors are true. My sister’s relationship with Young Master Gong is indeed extraordinary.”

Actually, Qiao Anxin didn’t know the relationship between Gong Zeli and Qiao Mianmian.

Like the other netizens, her understanding of this matter was based on the rumors on Weibo.

However, in front of Shen Rou, she acted as though she knew the whole story. She lied without even blinking her eyes. “Actually, Young Master Gong wasn’t interested in her at the start, but my sister never gives up until she has achieved her goal. She will do everything she can to get her hands on the man she fancies. She relies on her good looks and is especially proactive. She successfully seduced countless men since she was young. Miss Shen, you should know that it is very difficult for men to reject a woman who is good-looking and very proactive.

“I’m guessing Young Master Gong is just playing with her, but...”

As Qiao Anxin spoke, she stole a glance at Shen Rou’s expression. Seeing that Shen Rou’s face had darkened, it was obvious that she was angry. Secretly delighted, she continued, “My sister is a very scheming woman, especially willing to go all out. When that time comes, I’m afraid that Young Master Gong will get sick of her and want to kick her, but she won’t let go of him.”

Even if Gong Zeli was just playing with Qiao Mianmian, Qiao Anxin would still feel upset.

Qiao Mianmian was such a b*tch. What was so good about her other than her good looks?

What right did she have to attract a superior man like Gong Zeli?

After Qiao Anxin finished speaking, Shen Rou’s expression darkened.

Chapter 1128: She Hates This Slut to Death

She was secretly overjoyed.

Qiao Mianmian would definitely suffer once Eldest Miss Shen made her move.

No matter how Shen Rou would deal with her, as long as she could make that little b*tch suffer, she would be happy.

If she was down on her luck now, how could she feel at ease when that little b*tch was doing so well?

“Miss Shen, I heard that you and Young Master Gong have been good friends since you were young. You must remind Young Master Gong not to fall for my sister’s tricks. My sister is a scheming person. Many men have fallen for her tricks.”

After hearing her words, Shen Rou sneered with a dark face. “Your sister is indeed very scheming and capable.”

The man she loved the most, the man she loved deeply, had been snatched away by Qiao Mianmian.

It was all because Qiao Mianmian was scheming and capable!

She had never hated anyone since she was young.

But now she did. She hated Qiao Mianmian, hated this b*tch for stealing what she cared about the most.

The people around her were all taken away by that b*tch.

First Mo Yesi, then Gong Zeli...

Among the four of them, Yan Shaoqing was the only one left. But, he was also biased towards that b*tch.

The men she'd grown up with were all around the bitch.

She could no longer enjoy the same treatment as before.

In the past, she was the most favored one.

She was the only girl in the group of four, so she had received more care since she was young.

Whether it was Gong Zeli, Yan Shaoqing, or even Mo Yesi, who had always been lukewarm, they all treated her differently.

She had been taken care of and pampered for so many years.

But now, someone had stolen what originally belonged to her.

Not only had Qiao Mianmian stolen the man she liked, but she had also stolen Gong Zeli, who had always been by her side.

She hated this bitch.

"She has always been a scheming person since she was young." Qiao Anxin saw that Shen Rou's expression was getting uglier and uglier and added fuel to the fire. "Actually, you can't blame Young Master Gong for falling for her tricks. All the men she likes are charmed by her.

"I'm just worried that Young Master Gong won't be able to see her true colors and will be deceived by her. So, I hope Miss Shen can remind Young Master Gong. With your friendship with him, he will definitely listen to you."

When Shen Rou thought about her current relationship with Gong Zeli, her expression turned even uglier.

Qiao Mianmian had stolen the two men she cared about the most.

She would never let that b*tch off.

"Miss Qiao, after hearing what you've said, you seem to have a lot of opinions about your sister." Shen Rou didn't forget the main reason why she wanted to meet Qiao Anxin. She smiled and looked at her. "Did Miss Qiao and your sister have a bad relationship from a young age? Or is it because of that man surnamed Su?"

Qiao Anxin's expression turned cold at the mention of Su Ze.

She knew that Su Ze was not a good man when she successfully seduced him.

Otherwise, he wouldn't have slept with her.

However, she did not expect that he was far worse than she had imagined.

The outside world thought that she and Starlight had proposed the termination of the contract.

But in reality, that scumbag Su Ze forced her to terminate her contract with Starlight.

That scumbag wanted Qiao Mianmian back, so he forced her to break up and leave Starlight.

Chapter 1129: Standing on the Same Front

Her termination contract was posted on Weibo today, but in reality, she had already been forced by Su Ze to sign the contract before.

Now, Qiao Anxin was extremely glad that she had signed the termination contract.

If she hadn't signed it, Su Ze would definitely not let her go now.

If the Su Corporation really could not recover from this setback, her future would be ruined if she remained in Starlight.

Qiao Anxin was elated.

Initially, she did not have many feelings for Su Ze, but the things he did later still disgusted her.

A trace of hatred appeared in her eyes when she thought of the child that was lost because of Su Ze.

She couldn't wait for the Su Corporation to go bankrupt.

This was what that bastard Su Ze deserved!

"Since Miss Shen has already understood my sister, you should also know that we are not biological sisters of the same father and mother. Because of this, she has never treated me well since young and has never treated me as her sister.

"So, it's not that I have a bad opinion of her, but the things she did made me unable to have a good opinion of her. I've tried to mend our relationship, but she was unwilling.

"Miss Shen, if you had such a sister, would you still be able to get along with her?"

"I see." Shen Rou nodded thoughtfully. "So, Miss Qiao and your sister have been on bad terms since young?"

"Mm." Qiao Anxin nodded. "She doesn't like me, and I don't like her either. We're sisters, but we're worse than strangers."

Shen Rou's eyes flickered. "Miss Qiao, have you ever thought that perhaps your relationship with your sister is not bad because you have the same father but different mothers?"

Qiao Anxin was stunned. "What do you mean, Miss Shen?"

Shen Rou looked at her and said slowly, "Miss Qiao knows what I mean, right? Miss Qiao, since we don't like Qiao Mianmian, we're on the same side.

“So, why don’t we work together to get this annoying woman out of our world? What do you think?”

Qiao Anxin looked at her in surprise. “Miss Shen, you...”

“Qiao Anxin, I know you hate Qiao Mianmian a lot. So, ever since you were young, you’ve always wanted to snatch anything she had. The most successful and proud thing you’ve done is to snatch her fiancé, Su Ze.”

Qiao Anxin’s expression changed.

She opened her mouth and was about to speak when Shen Rou gestured for her not to speak.

“You’re doing all these just to prove that you’re better than her. As long as it’s something you want, you can take it from her. Of course, because you don’t like her and even hate her, you want to use this method to anger her and make her suffer.

“But she’s not living as decadent and dejected as you think she is. Not only is she not doing badly, but she’s also even getting better. Whether it’s her career or love, she’s better than the current you.

“Are you feeling even more resentful and indignant now? Do you really want to change everything that you have now? Do you really want to snatch those good things from her again?”

Qiao Anxin wanted to deny it.

She wanted to tell Shen Rou that she wasn’t such a person.

The words were already on her lips, but she looked at Shen Rou sitting opposite her and fell silent.

Chapter 1130: Help You Realize Everything in Your Heart

It had to be said that Shen Rou had analyzed her psychology thoroughly.

Whatever she was thinking was right.

Yes, she hated Qiao Mianmian.

Ever since she could remember, she had detested her half-sister.

No, Qiao Mianmian wasn’t even her sister.

She used to wonder why she could not get intimate with this sister.

After Lin Huizhen told her the truth, she finally understood.

Qiao Mianmian wasn’t even her sister.

They were not related by blood.

But she couldn’t understand why Father Qiao treated a daughter who was not related to him by blood better than her.

It made Qiao Mianmian look like she really was his biological daughter.

She felt unbalanced.

Later, Qiao Mianmian became more and more beautiful.

In addition, her grades were outstanding, and the teachers often praised her. Father Qiao liked her more and more.

His biological daughter had been cast aside.

The most hateful thing was that Qiao Mianmian had stolen her first love.

That was the first time she was moved by a boy.

But when she gathered her courage to confess to him, he said that the person he liked was Qiao Mianmian.

He even handed her a love letter, asking her to pass it to Qiao Mianmian.

This was a great humiliation to her!

How could she not hate Qiao Mianmian?!

Hence, from then on, she would snatch away anything that Qiao Mianmian cared about.

Seeing that she was silent, Shen Rou smiled again. "As long as you're willing, I can help you realize everything in your heart. Didn't you want to be better than Qiao Mianmian in every aspect?"

"As long as you cooperate with me and listen to me, everything will be done according to my instructions. I promise that very soon, your life will be a hundred times better than it is now. Your status and identity will also change drastically."

Qiao Anxin's eyes flickered, obviously moved by her words. She gripped the edge of the table tightly and suppressed her excitement. "What does Miss Shen want me to do?"

"Answer me something first." Shen Rou looked at her, her eyes flickering. "Is Qiao Mianmian not from the Qiao family? She has a different father and mother from you, right?"

Qiao Anxin looked up in shock.

Shen Rou looked at her reaction and knew that she was right.

Her expression darkened and she clenched her fists tightly.

She had guessed correctly.

Qiao Mianmian... really wasn't from the Qiao family.

"It seems like she really isn't from the Qiao family." Shen Rou suddenly recalled the birthmark that Madam Bai had mentioned. She leaned towards Qiao Anxin with an anxious and excited expression.

"No matter how bad your relationship with Qiao Mianmian is, you two grew up together. Do you know that she has a birthmark on her?"

"Birthmark?" Qiao Anxin was stunned.

“That’s right, a birthmark.” Shen Rou took a deep breath. “A red birthmark. Have you seen any part of her body that has a birthmark like this? Don’t worry, think carefully.”

Qiao Anxin looked at Shen Rou’s anxious expression and hesitated before asking, “Miss Shen, do you... know who my sister’s biological parents are?”

How did Shen Rou know that Qiao Mianmian wasn’t from the Qiao family? Although Qiao Anxin was puzzled, she wasn’t particularly surprised.
