Chapter 1141: He's Angry

Qiao Mianmian shuddered when their eyes met.

She then realized that Mo Yesi's eyes seemed to be covered in frost.

Even the summer weather was unable to dispel the coldness in his eyes.

Qiao Mianmian took another step forward. When she saw Mo Yesi's dark eyes, she was even more certain of her guess.

He was angry.

In the past, no matter how cold he was in front of others, when he faced her, he would always put away all his sharpness and coldness.

When he looked at her, his gaze was always gentle and loving.

Qiao Mianmian was used to this side of him.

Suddenly, she felt that something was wrong when he faced her like he was facing others.

She was even a little afraid.

She had just reached Mo Yesi when the man grabbed her hand and led her into the Mo Corporation lobby without a word.

Qiao Mianmian knew that he was in a bad mood and could guess why.

Hence, she did not struggle and let him hold her hand obediently.

Many employees in the lobby greeted him when they saw him. "Hello, President Mo."

Mo Yesi didn't even look at them. He silently led Qiao Mianmian into the hall and pressed the button for the basement.

He didn't say anything after entering the elevator.

Qiao Mianmian didn't dare to speak.

Mo Yesi hadn't said a word to her since he saw her, but he didn't let go of her hand.

Soon, they arrived at the underground parking lot.

Mo Yesi still didn't say anything.

He only let go of her hand after they got into the car and closed the door.

There was a faint fragrance in the car. Just like his scent, it was a very nice smell.

The man's handsome but cold face was right in front of her, and she could smell his scent. Qiao Mianmian could feel the low pressure emanating from him and felt extremely uncomfortable.

She wasn't used to Mo Yesi's current state.

She disliked it.

It made her feel strange and scared.

He was no longer the person she was familiar with.

Looking into his cold eyes, Qiao Mianmian felt a sense of unfamiliarity and couldn't help but move to the side.

She immediately felt the pressure on the man beside her lower.

"Mo Yesi, you—"

Qiao Mianmian couldn't stand the silence anymore. She was about to break it when Mo Yesi reached out and pulled her into his arms.

Qiao Mianmian looked up in a panic.

His slightly cold fingers pinched her chin. The moment she lifted her head, the man's handsome face pressed down.

This kiss was like a storm.

Qiao Mianmian was helpless.

Mo Yesi seemed to be venting his anger, so his kiss was not gentle at all.

After a while, Qiao Mianmian felt numb.

Because he had used too much force, her lips were starting to hurt.

She frowned in pain and pushed Mo Yesi.

Mo Yesi seemed to come back to his senses after that. He opened his eyes to see her face crumpled from the pain and let go of her.

Qiao Mianmian cried out in pain when she wiped her lips.

Mo Yesi looked at the corner of her lips that he had bitten and felt a little guilty. However, his gaze turned cold again when he thought of something.

Chapter 1142: Are You Willing to Give Up For Me?

"Mo Yesi, what's wrong?" Qiao Mianmian looked at him pitifully. "You hurt me just now. I don't like you like this."

Even if she knew that he was angry because of those scandals.

However, she still felt aggrieved.

She didn't want anyone to release those scandals.

Moreover, he knew that those things weren't true. Someone was spreading rumors to smear her name.

Even if he was angry and unhappy, he couldn't vent it on her.

Mo Yesi's lips were also red and swollen. The kiss just now had no emotions other than venting. Qiao Mianmian felt uncomfortable, and so did he.

Looking at her aggrieved expression, he knew that he shouldn't have done that just now.

Those things had nothing to do with her.

She was innocent.

He shouldn't have vented his anger on her just because he was unhappy after seeing those scandals.

But he couldn't help it.

From the moment he saw her and Gong Zeli having a scandal, from the moment he found out that the endorsement she had taken on was a brand under the Gong Corporation, a fire burned in his heart. He couldn't suppress it no matter what.

The moment he saw her, this nameless fire instantly ignited.

Only then did he realize what was blocking his heart and making him uncomfortable.

He looked at the girl beside him whose eyes were red from being wronged. Although his heart ached and he blamed himself, he still hardened his heart and said, "Mianmian, if I ask you to quit the entertainment industry and never come into contact with it again, are you willing to give up for me?"

He had never liked her entering the entertainment industry from the start.

He knew very well how messy and complicated this industry was.

A pure and beautiful girl like her was not suitable to stay in such a complicated circle.

Now that she still had his protection, she was often defamed by others. He really did not dare to imagine what it would be like if she went out alone.

She'd have been bullied to the point of being helpless.

She would never be able to clear her name.

He was glad that she had officially stepped into this industry after knowing him. At the very least, he could help her settle anything that happened to her.

He thought that since she liked acting so much, he would let her do it.

Anyway, with him around, this dirty circle wouldn't affect her much.

As long as she was happy.

So, even if he didn't think that being an actress was a suitable job for her, he didn't stop her.

He never wanted her to leave the entertainment industry after marriage.

He could ask her to do this for Qiao Chen.

She would definitely agree for Qiao Chen's sake.

However, he knew very well what would happen if he did that.

But now... Mo Yesi was wavering.

Those endless scandals about her and the other men...

Even if he knew that they were just rumors, he still minded them.

Especially after he found out that Tu Yilei and Gong Zeli indeed had such thoughts about her, he was even more offended.

He hated seeing her name appear with another man.

He hated that when he saw her having scandals with other men, he could do nothing but mind it and help her delete them.

He couldn't use his name to refute the rumors.

He couldn't openly tell everyone that he was her husband.

He hated the feeling of having an affair.

Chapter 1143: Even If It's Just a Scandal, I Don't Like It

He wanted to change his mind now. He didn't want to hide it anymore, nor did he want her to continue staying in the entertainment industry.

Qiao Mianmian widened her eyes in shock, thinking that she had heard wrongly.

"Mo Yesi, what did you say?" She murmured in surprise. "Leave the entertainment industry? I... I didn't hear wrongly, did I?"

She wouldn't be surprised if anyone else said that to her.

But if it was Mo Yesi...

Mo Yesi looked into her disbelieving eyes and hesitated.

Back then, he supported her acting career because he knew that she really liked this industry.

And not just playing with tickets.

Now he wanted her to give up her favorite thing just because he didn't like her profession. Was that too much?

What right did he have to deprive her of her preferences?

He was her husband, the person closest to her. If he didn't support her, she would be disappointed.

Mo Yesi immediately changed his mind.

He couldn't selfishly take away her preferences just because of his preferences.

However, if she continued to stay in the entertainment industry, their relationship couldn't be made public. He still had to continue their secret relationship.

She would also have all kinds of scandals with other men.

These things were inevitable for anyone in the entertainment industry.

He didn't know if he would be able to hold himself back the next time she had a scandal with another man.

In the end, he still cared about her and took over everything. He closed his eyes and said in a dry voice, "Just take it that I'm talking nonsense. You don't have to mind."

But Qiao Mianmian had heard him clearly and knew that he wouldn't say such things.

She thought of all the dirt on Weibo and looked at his expression. She bit her lip and asked softly, "Are you angry because of what they said on Weibo?"

She had created too many scandals recently.

No matter how much he trusted her, he would still mind.

"Mianmian." Mo Yesi looked at her, touched her head, and sighed softly. "I don't want to lie to you. I do mind a little. I thought I wouldn't mind it because those things are all fake, and I know that very well.

"But I'm sorry, I can't control my heart. Seeing so many people guessing that your relationship with Fourth Gong is not ordinary, I really can't remain unbothered. Do you know that every time this happens, I want to stand out and tell everyone that you're mine?"

His large hand gently landed on her cheek and caressed her soft skin. He sighed softly again and smiled bitterly. "Baby, you're mine. Other than me, I don't want you to have anything to do with any other man. Even if it's just a scandal, I don't like it.

"Besides, Fourth Gong is my brother. Do you understand my feelings?"

Qiao Mianmian was stunned for a few seconds before she apologized softly. "I'm sorry. I don't know why they keep spreading rumors about me and Gong Zeli. Maybe it was because he helped me on Weibo that those reporters mistakenly thought..."

Qiao Mianmian understood his feelings.

Just like how she knew very well that there was nothing between him and Shen Rou, but if there were always rumors about them, she couldn't possibly not mind at all.

"You didn't do anything wrong." Mo Yesi was silent for a few seconds before letting go and turning around. "Forget it, just pretend I didn't say anything. It's getting late, I'll take you out for dinner."

Chapter 1144: She Would Do Something For Him

He said he didn't care.

But Qiao Mianmian wasn't a fool, how could she not understand?

On the contrary, he actually cared a lot.

That kiss filled with anger and frustration was a reflection of his current feelings.

He wasn't joking when he said that she shouldn't stay in the entertainment industry anymore.

Perhaps he had been enduring it for a long time.

Ever since the first time she had a scandal with Tu Yilei, he had been enduring it.

Qiao Mianmian knew how petty and jealous Mo Yesi was when it came to relationships.

It was precisely because she was clear that she knew that whether it was her scandal with Tu Yilei or her scandal with Gong Zeli, he would definitely mind it very, very much. He would also feel very uncomfortable because of those rumors.

Even if they were fake.

He acted like he didn't care, but it wasn't like he really didn't care.

It was only because he cared about her.

Because he cared about her, even though he minded it a lot, he still endured it.

But she knew that he felt uncomfortable.

He was such a possessive and jealous man, yet he didn't even have the right to declare his sovereignty when he saw her scandal with other men.

Because of her, no matter how uncomfortable he felt, he had to endure it.

He had no choice but to compromise for her sake.

But he'd considered her feelings, and she hadn't.

He was her husband.

But because of her career, she had to keep their relationship a secret.

Given Mo Yesi's personality, he would definitely feel uncomfortable if he did that.

Qiao Mianmian suddenly felt that she was being a little selfish.

From beginning to end, she seemed to only consider her circumstances.

Because of Mo Yesi's tolerance and his obedience to her, she had never felt that he had sacrificed much.

She even felt that if he really liked her and cared about her, he should understand her.

But she never seemed to understand him.

“Mo Yesi, wait a minute.” Qiao Mianmian recalled their time together, and the more she thought about it, the guiltier she felt. She felt that she had let him down, and she reached out to hold his hand. “Wait a minute, alright?”

Mo Yesi paused and turned to look at her.

Qiao Mianmian looked straight at him and held his hand tightly. “Can you give me a few minutes?”

She suddenly decided on something.

She couldn’t always be Mo Yesi’s one-sided love. She enjoyed his love, his protection.

And she did nothing.

Relationships could only be maintained after both parties put in the effort.

It had always been a one-sided effort. Even if the other party was willing to do it, he would get tired after a long time.

After all he had done for her, it was time for her to do something for him.

Mo Yesi’s dark eyes were filled with doubt. Although he didn’t know what she was going to do, he still nodded. “Okay.”

Qiao Mianmian took out her phone and sent Linda a message.

Without waiting for her reply, she logged out of WeChat and logged onto Weibo.

She had just logged into Weibo when she received a notification from a popular Weibo post.

Gong Zeli had posted on Weibo.

Gong Zeli’s Weibo account was rarely logged in and was rarely used.

However, he had a lot of fans on Weibo. Every time he posted something, it would instantly become trending.

Chapter 1145: Mianmian, You’ve Already Posted It on Weibo?

Qiao Mianmian saw that he had posted on Weibo and hesitated for a moment before clicking on it.

Gong Zeli: “Last statement. All the rumors online are untrue. Since you’re not afraid of the consequences, prepare for a lawsuit. If you don’t send a few people in, I’ll change my name.”

A minute after he posted this Weibo post, there were thousands of comments.

When some of his female fans saw this Weibo post, they cheered in the comments section. “Young Master Gong, you’re finally willing to come out and refute the rumors. I knew those rumors were definitely fake. How could you have such bad taste and fall for a woman like Qiao Mianmian?”

“Master Gong, well done! These shameless rumor makers should be taught a lesson so that they won’t dare to spout nonsense again.”

“Young Master Gong is really serious this time. Those who spouted nonsense are going to be in trouble. Hahaha, we can’t be soft-hearted towards the haters. Let’s support Young Master Gong to teach them a lesson!”

“Young Master Gong personally refuted the rumors? It looks like those rumors were all fabricated by the haters. That’s great, I can finally relax. I knew that Young Master Gong wouldn’t fall for a rookie who isn’t even a C-list celebrity. Although that rookie called Qiao Mianmian does look pretty, she looks materialistic. Young Master Gong definitely wouldn’t like such a woman.”

“Young Master Gong, we all know that those rumors are fake. But can you explain to everyone why MC signed with Qiao Mianmian? MC is indeed the Gong Corporation’s cosmetics brand, and they always used A-list celebrities. With Qiao Mianmian’s current fame, it’s really hard to believe that she got the endorsement herself.”

“That’s right, if your scandal with Qiao Mianmian is fake, then how did she get the MC endorsement? Xiaoxiao is more suitable than her in every aspect, isn’t she? And didn’t MC already decide to renew her contract with Xiaoxiao? The endorsement she got was really hard to accept.”

Some fans believed Gong Zeli’s denial.

Some people did not believe it.

He said that he was helping Qiao Mianmian by refuting the rumors and that he had an unusual relationship with her. He also said that he was just trying to cover it up.

A dramatic scene unfolded.

A few minutes after Gong Zeli posted his denial, a Weibo user who claimed to be a bystander posted a video.

The video was of Qiao Mianmian being pestered by Su Ze that night and Gong Zeli appearing to help her.

Once this video was released.

Those who had already believed the rumors started to doubt her relationship with Gong Zeli.

Because many people knew that Gong Zeli was not a busybody.

With his status, it was impossible for him to help someone he was not familiar with.

The clarification on Weibo at the start, the help in the video, and now the post...

The netizens linked everything together and unanimously agreed that their relationship wasn’t simple.

Even when she met Gong Zeli on the plane, the netizens said that they came back from a vacation together.

The rumors about her and Gong Zeli were once again trending.

Qiao Mianmian looked at it all and was even more certain of what she was going to do next.

She really didn’t want to have an ambiguous relationship with Gong Zeli anymore.

She didn't look at the messy discussions anymore and went straight to her Weibo account. After thinking for a while, she wrote a Weibo post and posted it.

A minute after she posted on Weibo, her phone rang.

She glanced down. It was Linda calling.

When Qiao Mianmian was posting on Weibo, she had already expected the consequences. She took a deep breath and picked up the call.

"Mianmian, you've already posted on Weibo?"

Chapter 1146: Did Sister-in-law Post It Behind Your Back?

Linda sounded calm enough.

Qiao Mianmian didn't know if she was really calm. She thought for a while and said, "Yes, I just sent it. Sister Xie, I'm sorry, I didn't abide by the contract. If you want to terminate the contract with me, then so be it."

Mo Yesi looked up at her.

Linda remained silent for a while before letting out a helpless sigh. "What are you thinking? How could I terminate the contract with you because of this? I just want to know why you made such a decision all of a sudden. Did those rumors make CEO Mo unhappy?"

"Mm." Qiao Mianmian felt that it was better to tell the truth. "Sister Xie, I thought about it seriously and think it's better to make it public. I keep having scandals with others, and it's not fair to my boyfriend. If I do, I can avoid a lot of trouble in the future.

"Young Master Gong and my boyfriend are very good friends. Isn't it too disrespectful of my boyfriend to keep spreading rumors about us? If the company can't accept me doing this, I can terminate the contract.

"It doesn't matter even if I have to pay the penalty fee."

As soon as Qiao Mianmian finished speaking, she felt a strong gaze on her.

On the other end of the phone, Linda was silent for a moment before saying, "Your considerations are not unreasonable. It will indeed avoid a lot of trouble if you publicize it. If people find out that your boyfriend is CEO Mo, no one will dare to defame you anymore.

"If you're not an idol, public dating won't affect you that much. But, Huanyu's contract stipulates that you can't be in a relationship for two years. If you do, you can't publicize your relationship either. I don't have the final say in the company's regulations. How about this, I'll go ask President Zhao. You can also appease President Mo. If there's any problem, we'll call him."

Qiao Mianmian had just ended the call with Linda when Mo Yesi's phone rang.

When he saw that it was Yan Shaoqing calling, he hesitated for a moment and suppressed the urge to ask Qiao Mianmian if she really wanted to make their relationship public. He pretended to be calm and answered the call.

The moment the call connected, Yan Shaoqing's shocked voice could be heard. "Second Brother, are you and Sister-in-law finally going to make it public? Why did you suddenly decide to do it? No, that's not right. You should have made it public a long time ago. Why did you only think of making it public now?"

Mo Yesi tightened his grip on the phone.

Even though he had heard from Qiao Mianmian and Linda's conversation that she was going to make it public, he thought she was just thinking about it.

It didn't have to be made public.

When he heard Yan Shaoqing's words, he was stunned. A hint of surprise flashed in his eyes.

He took a deep breath, not wanting to appear too agitated. He tried his best to maintain his calm and asked, "What do you mean?"

"D*mn!" Yan Shaoqing exclaimed again. "Second Brother, don't tell me you didn't see Sister-in-law's Weibo post?! Don't tell me you don't know that Sister-in-law posted it behind your back?"

"Could it be that Sister-in-law wanted to make it public and not you?"

"Weibo?" Mo Yesi didn't know about Qiao Mianmian's Weibo post.

"That's right. D*mn, looks like you really don't know. What does Sis-in-law mean by this? She didn't even discuss it with you beforehand?"

Chapter 1147: The Most Important Thing Is to Understand

"Could it be that Second Brother was the one who wanted to keep it a secret? Sis-in-law didn't feel safe, so she kept it a secret from you?" Yan Shaoqing recalled that the female artistes who had followed him had used the same method, so he attributed Qiao Mianmian's actions to theirs.

He wanted to use the public to stabilize his position.

But he felt that there was no need for Qiao Mianmian to do so.

After all, he knew how much Mo Yesi treasured Qiao Mianmian.

Whether it was public or not was up to her.

If she wanted to make it public, Second Brother would definitely not reject her.

Mo Yesi frowned slightly. "Don't group her with those women around you. Why would your sister-in-law do that?"

Yan Shaoqing was speechless.

“Alright, alright, alright. I’m surrounded by indecent women. I was wrong. I shouldn’t have thought of Second Brother’s precious wife as one of those indecent women. But Second Brother, shouldn’t you ask Sis-in-law? Also, aren’t you two already married? Why did you become a couple again?”

“Your sister-in-law is right beside me.” Mo Yesi was no longer in the mood to chat with him. “Alright, I’ll ask her what happened now. I’m hanging up.”

He hung up before Yan Shaoqing could reply.

He turned to look at Qiao Mianmian with indescribable emotions.

“Third Yan called me just now and said that you posted on Weibo.”

Mo Yesi had yet to read the contents.

He downloaded Weibo, but he did not register an account.

He rarely used it.

It was only after he got to know Qiao Mianmian that he started using it more frequently.

He had tried to sound as calm as possible, but she could still tell that he was emotionally unstable.

He seemed to be suppressing something.

Qiao Mianmian nodded. “Mm.”

Before she posted on Weibo, she did not discuss it with him.

It was because she knew that if she did, he would not agree.

Even if he had long wanted to make it public with her.

But he would never do anything that would affect her negatively.

She knew how much this man cared about her.

Mo Yesi stared at her with his deep eyes. After a while, he asked, “Why?”

He only asked, “Why?”

Qiao Mianmian knew what he wanted to ask.

He asked: Why did you post that? Why did you suddenly decide to publicize our relationship?

Qiao Mianmian pursed her lips and looked at him for a moment before saying, “I just suddenly understood something.”

Mo Yesi’s eyes locked onto her, and his Adam’s apple bobbed. “What is it?”

Qiao Mianmian pursed her lips again and looked at him steadily. She said word by word, “The most important thing is to understand.”

Mo Yesi pursed his lips and remained silent.

But his gaze got hotter and hotter.

Qiao Mianmian felt a little uncomfortable. She touched her burning face and asked softly, "What... what's wrong?"

The man's handsome face that could make one's heart stop suddenly moved closer to her.

Qiao Mianmian looked up and felt her heart skip a beat.

Mo Yesi moved closer and kissed her.

The distance between them was less than two centimeters.

Even though the man in front of her was her husband, even though she had been kissed by him many times, Qiao Mianmian still felt flustered and nervous at this moment.

Chapter 1148: You Will Support Me in the Future

She frantically placed her hand on his chest to stop him from getting closer.

Mo Yesi had no intention of getting closer. His deep gaze locked onto her flustered and blushing face, and his well-defined fingers gently pinched her chin. "So, you've figured out what's the most important thing?"

Qiao Mianmian looked at the handsome face in front of her, and her heart couldn't help but beat faster. Although she was nervous, her gaze didn't waver.

She looked at him and said with a burning face, "Yes, I understand. Mo Yesi, you're the most important to me."

Mo Yesi was stunned.

A few seconds later, a fire seemed to burn in his eyes. His eyes were clear and bright.

Qiao Mianmian could feel the grip on her chin tighten.

"Say it again. What's the most important thing to you?" The man's voice was coaxing and gentle.

Qiao Mianmian looked at him and said again, "Mo Yesi, I realize that you're the most important to me. I know you don't like to be with me secretly, so let's be together openly from now on."

Mo Yesi was completely stunned.

His pupils constricted. "You mean we should announce it?"

"Well, publicly."

"Baby, say it again. You want to go public with me? Are you sure?"

Qiao Mianmian was already feeling a little dizzy from the close proximity of her husband's gorgeous face. Listening to his extremely gentle voice, she felt that if Mo Yesi told her that he wanted her life, she would probably be able to explain herself.

If a man like him had the heart to seduce anyone, it would definitely be fatal.

She swallowed her saliva and looked at the scarlet lips that were so close to her. She couldn't help but close her eyes and kiss him.

She expressed her determination with her actions.

Mo Yesi closed his eyes.

At first, he could only endure it passively. However, in the end, he could no longer control himself and took the initiative instead. He reached out to pull her into his arms and gently kissed her back.

This kiss was completely different from the previous one.

Both of them were deeply in love with each other.

A few minutes later.

"Don't you regret it?" Mo Yesi caressed her fair cheek and asked in a low voice.

Qiao Mianmian had already thought it through before she posted it.

Since she had decided to publish it, she wouldn't regret it.

She didn't do it on impulse.

Now, she still felt that he was the most important.

"No regrets." She shook her head, her voice firm.

"Aren't you afraid that publicizing it will affect your career?"

"No."

Just as Linda had said, she had never thought of taking the path of an idol.

She did not debut as an idol so she had to be chaste for her fans.

She entered this industry because she liked acting.

To her, nothing else mattered. The most important thing was to focus on acting.

She firmly believed that as long as her works were good, the audience would like her.

She had just thought it through.

She didn't regret posting that on Weibo. The only person who felt sorry for her was Linda.

No matter what, her actions were considered to have violated the contract.

Qiao Mianmian looked up and saw that he was moved. She couldn't help but joke. "Anyway, even if Huanyu terminated my contract, you'll still be able to support me in the future. My husband is so capable and rich, he can just invest in a random production. I can still continue acting and be the female lead, right?"

Chapter 1149: Deal

“That’s why I’m not afraid.

“It’s not like I don’t have a way out. Why should I be afraid?”

Her words made the man laugh lightly. “Yes, if you’re terminated, I’ll support you. I’ll immediately set up a management company and only sign you as an artiste. Then, I’ll set up a film company and only shoot scenes for you to be the female lead.”

Qiao Mianmian couldn’t help but laugh. She stretched out a finger and playfully said, “Really? Then, we have a deal.”

Mo Yesi didn’t mind her childish behavior. He stretched out a finger and hooked it with hers. “Okay, it’s a deal.”

“But I might have to trouble you a little.” Qiao Mianmian’s Weibo post was considered public, but not entirely.

It wasn’t completely public because she did not publicly announce her marriage.

Regarding this matter, she still had her original plans.

She wanted to hold a wedding after graduation and announce it to the public.

“Hm?” Mo Yesi was already very surprised.

Qiao Mianmian took out her Weibo post and handed it to him. “I don’t want anyone to know about our marriage yet. You won’t be angry, right? If you mind it, I can make it public again.”

Mo Yesi took the phone and looked down.

Qiao Mianmian’s message was: “Thank you for caring so much about my personal feelings. Since everyone is so curious, then I’ll be frank. I do have a financier, and he’s indeed a rich and powerful man, the kind that I can rely on. This man is my boyfriend, the man who treats me the best in the world, and also the person I love the most. Because he’s an outsider, I don’t want him to be embroiled in the entertainment industry, so I won’t reveal who he is to everyone. One more thing to clarify is that Mr. Gong and I are just ordinary friends. I’m indebted to him for his help, and that’s on account of my boyfriend. I hope everyone will stop spreading rumors about us. As for my abortion in high school, I don’t want to talk too much about it. I’ll hand everything over to the lawyer, and I’ll have them pay the price for spreading rumors. I won’t let anyone off.”

Qiao Mianmian had just posted on Weibo and didn’t look at it again.

Now that she logged in, she realized that her Weibo had more than 20,000 comments and more than 10,000 reposts.

The number of reposts and comments was comparable to that of an A-list celebrity.

Speaking of which, Qiao Mianmian was definitely an exception amongst the newcomers.

Other than those minor roles, she didn't have any decent works.

She was a rookie with zero works.

However, a rookie like her could actually appear on Weibo's hot searches every now and then.

Moreover, she gained more than a million fans through various scandals.

Every time she posted something on Weibo, the number of comments and reposts was almost the same as A-list celebrities.

These were all real data.

It was different from some celebrities who bought reposts and comments.

She was probably one of those who were forced to become black and red.

Many artistes wanted to walk the black and red path instead of becoming popular through the orthodox path.

However, the black and red road was not that easy to walk.

It wasn't easy to walk away.

In the industry, some celebrities managed to climb up the social ladder using underhanded means. After they became popular, they would then use other methods to clear their names.

For now, they were doing well.

Qiao Mianmian had never thought of becoming famous like this, but she was now using this method to become famous.

Chapter 1150: I'm My Girlfriend's Money Boss

Even though most of the commenters were anti-fans, the fact that there were so many comments and reposts in just ten minutes proved her popularity.

Mo Yesi looked at her Weibo post, pondered for a moment, then returned the phone to her.

"Wait for me."

He only said this sentence before lowering his head and quickly tapping on his phone screen.

After a few minutes, he put his phone away and looked up at Qiao Mianmian. "Done."

"Huh?"

Done?

What was done?

Qiao Mianmian was confused.

But she soon knew what Mo Yesi did.

Jiang Luoli sent her a WeChat message with a screenshot.

In the screenshot, a Weibo user named “Nameless” tagged her.

Nameless: “@QiaoMianmianV I’m my girlfriend’s sugar daddy. If anyone dares to spread rumors about her having another sugar daddy in the future, kill them all.”

Sweet But Not Sweet Jiang: “Baby, are you and Prince Charming going public? Hahaha, you should have made it public a long time ago. I see those anti-fans creating rumors and defaming you every day, and I feel anxious for you. In my opinion, it’s better to let them know who Prince Charming is. Let’s see who else dares to gossip about him in the future. However, Prince Charming is an outsider in the entertainment circle. It’s indeed not good to let him get involved in the scandals of the entertainment circle. Fortunately, Prince Charming’s brothers are strong enough to repost his Weibo immediately. Even if others don’t know who Prince Charming is, after seeing those big shots repost it, they definitely won’t dare to casually offend you again.”

Mo Yesi posted on Weibo?

His brothers even reposted it?

Qiao Mianmian looked at Jiang Luoli’s WeChat message and was stunned for a few seconds before opening her Weibo account to search for his account.

Mo Yesi had just posted on Weibo.

His Weibo page was especially concise. All the settings were simple.

The most obvious was that his Weibo account had followed one person.

Qiao Mianmian clicked on it and saw that the only person Mo Yesi was paying attention to was her.

His Weibo account should have just been registered, and not many fans followed him.

Qiao Mianmian also clicked on it and saw that the people paying attention to him were called: Low-key Xiaoyan, Bai Yusheng V, Surgery Department’s Little Lu.

Qiao Mianmian immediately guessed that it must be Yan Shaoqing.

As for the surgeon, Little Lu, she clicked on it to take a look. The Weibo verification was that he was the director of Renxin Hospital and an authoritative specialist in Foreign Departments A.

Yan Shaoqing was a second-generation internet celebrity on Weibo.

Usually, he liked to post on Weibo when he had nothing to do. His posts were all very down-to-earth content. Therefore, he relied on the persona of a “down-to-earth rich second-generation heir” to gain quite a number of fans. His Weibo followers actually reached more than 20 million.

It was comparable to an A-list celebrity.

Lu Rao also liked to share his medical knowledge on Weibo. Occasionally, he would answer questions for patients on Weibo for free. With his professional medical knowledge and so-called affinity, he had more than seven million followers.

They all reposted Mo Yesi's Weibo post.

Because of their reposts, many people discovered Mo Yesi's Weibo post and started to guess his identity.

Everyone knew that even though Yan Shaoqing was known as the "most down-to-earth rich second-generation heir", it was only on the surface.

They were all proud people.

Ordinary people couldn't enter their eyes easily.

Therefore, the person who could make Yan Shaoqing repost and pay attention to it was definitely not an ordinary person.

Furthermore, Yan Shaoqing's post about "Boss is mighty" also showed that this "John Doe" was not a simple person.
