

Big Shot 1151

Chapter 1151: This John Doe Is Too Awesome

How could a person who was addressed by the Young Master of the Yan family be ordinary?

Not anyone could be the Young Master of the Yan family.

Besides, Yan Shaoqing wasn't the only one who reposted that post. Even Bai Yusheng and Lu Rao reposted it.

These people were all big shots in their respective circles.

Among the top four wealthy families in Yun Cheng, the Yan, Bai, Gong, and Mo families, two of the heirs had reposted Nameless's Weibo post.

Although the Lu family wasn't considered one of the top four wealthy families, they still held a high position in the medical world.

In terms of social status, they weren't inferior to the big families.

He had just registered his Weibo account today, yet so many big shots were following him and reposting it for him. It was obvious that his status was definitely not lower than Yan Shaoqing's group.

Hence, everyone thought that Gong Zeli was the one who helped Qiao Mianmian settle the rumors and scandals.

Actually, it wasn't?

The person who helped her settle it was this nameless person?

Then, the rumors between her and Gong Zeli were all untrue?

The reason why she was able to get the MC endorsement was that she was this Nameless's girlfriend?

Because the young master of the Gong family had a good relationship with Nameless, he made an exception and gave her the endorsement?

Everyone had all kinds of guesses.

What they guessed the most was who Nameless was.

Internet pal A: "F*ck, this John Doe is too awesome. It hasn't even been a minute since the registration, but the big shots like the Yan family's young master and Bai Yusheng actually followed him at the same time and reposted his Weibo to express their support. Who exactly is he?"

Internet user B: "Unknown. His name is quite low-profile, but his stance is not low-profile at all. This is the first time I've seen Yan Shaoqing show such a flattering side. Yan Shaoqing actually calls him Boss. Could it be that his identity is even more impressive than Yan Shaoqing's?"

Netizen C: "Didn't you guys realize that the Gong family's young master also followed him and reposted his Weibo? Oh my god, among the top four wealthy families in Yun Cheng, the heirs of the three big families have appeared. Who exactly is this Nameless?!"

Less than a minute after this netizen finished exclaiming, the sharp-eyed netizens realized that the Mo Corporation's official Weibo account was also following Nameless.

Then, they reposted his Weibo to show their support.

Mo Corporation V: "Supporting Nameless. The Mo Corporation will assist Nameless and file a lawsuit against anyone who has bad intentions and is trying to smear Nameless's reputation. You can create any rumors you want, but don't even think about escaping if you do. The Mo Corporation's gold medal lawyers are waiting for you."

The netizens: "..."

Even the Mo Corporation's official Weibo account supported him?

He even said he wanted to use the Mo Corporation's top legal team to help him fight the lawsuit?

Could this be considered as the gathering of all four major families in Yun Cheng?

Oh my god, this John Doe was too awesome.

The top four wealthy families had all appeared at the same time to support him. His appearance was too impressive.

Could he be a member of one of the top four wealthy families?

No matter who he was, after this incident, there was no need to doubt his identity.

Nameless's appearance and the support of the successors of a few large families caused those haters who had been too quick with their words to panic. They were afraid. They quickly cleared all the information on Weibo, afraid that the Mo Corporation's lawyers would find them.

Everyone knew how terrifying the Mo Corporation's top lawyers were.

Chapter 1152: Why Haven't You Posted on Weibo?

If they wanted to sue you, no one could escape unscathed.

There had never been a case where Mo Corporation lost in the past.

As long as the gold medal lawyers moved out, they would definitely win.

However, because this gold medal legal team was specially set up for the CEO of the Mo Corporation, they couldn't be involved in any trivial lawsuits. Therefore, when the Mo Corporation's official Weibo account said that they would assist Nameless in the lawsuit, the netizens were especially surprised.

He even managed to invite the Mo Corporation's top lawyers...

Some netizens had guessed Nameless's true identity, but because of the Mo Family's Second Young Master's well-known "misogyny", the netizens who had already guessed Mo Yesi's identity felt that it was unlikely to be him.

After some netizens rejected him, they guessed that it might be Mo Shixiu.

Those who guessed Mo Shixiu felt that it was even more impossible.

Mo Shixiu was busy with work for 365 days a year. His figure could be seen on various current affairs news every day.

He had no time to fall in love.

In short, after this nameless person appeared, the direction of Weibo changed instantly.

The rumors about her and Gong Zeli were automatically cleared up.

No one said anything about Gong Zeli being her sugar daddy anymore.

Those who said that she had an abortion in high school and had a rotten private life had their Weibo accounts erased.

Not long after, the Mo Corporation's official Weibo lawyer sent out a letter.

The people whose accounts had been erased were all on the legal list of charges. The Mo Corporation had also claimed that they had received detailed information about everyone on Weibo and would immediately launch a lawsuit against them.

In other words, it was useless for those haters to delete all their posts.

As long as it was registered, traces would be left behind.

Once the Weibo technical department checked, they would be able to find out the registration information.

Since the Mo Corporation had already sent a lawyer's letter, everyone could tell the severity of the situation.

Usually, when they encountered such a situation, they would kill the chicken for the monkey to see.

The first ones to be sued were the accounts that were the first to instigate and forwarded a lot.

After these people were sued, the other people who had been slandering Qiao Mianmian all deleted the relevant Weibo posts, afraid that they would be included in the list.

The originally foul Weibo instantly quieted down.

All of Qiao Mianmian's negative searches had disappeared.

Only her contract as MC's spokesperson and the two hot searches that were suspected to be Little Xiao's alternate account complaining about their endorsement being stolen were still around.

The others stopped.

But Little Xiao's fans had not stopped yet.

They were still complaining that Qiao Mianmian had snatched Xiaoxiao's endorsement through the back door.

The fans felt indignant for Xiaoxiao, saying that Qiao Mianmian was "bullying people".

...

On the other side.

At Xinghan Entertainment.

When President Zhang saw that Little Xiao's hot search was still on Weibo, he was so angry that he threw his phone on the desk. "Didn't I tell you to make a statement right away to clarify that Qiao Mianmian's endorsement wasn't snatched from you?"

"Why haven't you posted on Weibo yet?"

Little Xiao stood aggrievedly in front of the desk. "But President Zhang, that endorsement should have been mine. If that woman called Qiao Mianmian hadn't taken the endorsement through the back door, I would have been MC's spokesperson for the next season.

"What right does she have to snatch my endorsement? MC has signed her as the spokesperson. Will she be able to sell anything in the future?"

Chapter 1153: Release the Statement Immediately!

Hearing her words, President Zhang was so angry that he wanted to throw the cup on the table at her.

But thinking that Little Xiao was also the company's money tree now and that this matter was really not her fault, he endured it.

However, he still didn't look too good. "Why do you care about her? Why do you care about MC's sales volume? This has nothing to do with you! Immediately post on Weibo and say that you rejected the endorsement yourself. It has nothing to do with Qiao Mianmian."

"What?!" Little Xiao widened her eyes in disbelief and said angrily, "Why should I say that? It's obviously..."

"Shut up."

President Zhang finally couldn't take it anymore and flared up at her. "Do you know who Qiao Mianmian's backer is?! Don't even talk about snatching one of your endorsements, just a few of your endorsements and the female lead of a few movies, you have to bear with it!"

"If you still want to continue working in this industry, make a statement immediately!"

President Zhang seemed to have run out of patience.

Even if Little Xiao was the company's money tree, he couldn't indulge her this time.

If he indulged her, the company would be gone.

Forget about letting Little Xiao make a statement.

If he had to sacrifice her, he would abandon her without hesitation.

“President Zhang, who exactly is Qiao Mianmian’s backer? Even you’re so afraid of him?” Xiaoxiao looked indignant, clearly unwilling to make that statement.

She didn’t think she had done anything wrong.

She was the one who had been wronged and had her endorsement snatched away.

However, not only did the company not comfort her and make it up to her, they even made her issue a statement to help that newbie.

Why should she suffer this grievance?

Was that newcomer’s backing that impressive?

Didn’t she just hook up with the young master of the Gong family?

But given the status of the Gong family’s young master, he was just playing around with her.

Those rich young masters had many lovers. They would change one in two to three days. How much could they take a lover seriously?

She didn’t believe she would suffer any serious consequences if she didn’t make that statement.

When President Zhang saw that she was still unwilling, he secretly scolded her for being an idiot and said angrily, “Her boyfriend is the CEO of the Mo Corporation, Mo Yesi. How can I not be f*cking afraid? Can I f*cking offend the CEO of the Mo Corporation?”

“Can I afford to offend him?”

“One word from him and the entire Xinghan Entertainment will be finished. You’re still talking nonsense now. Are you trying to make my company bankrupt?!”

Because Little Xiao was Xinghan’s money tree, President Zhang usually treated her very well.

This was the first time President Zhang had yelled at her.

Little Xiao froze at the roar. A few seconds later, her eyes widened in shock and disbelief.

“The CEO of the Mo Corporation? That newbie’s boyfriend is the CEO of the Mo Corporation?” Xiaoxiao thought that Qiao Mianmian had at most latched onto Gong Zeli’s thigh and become his lover. When President Zhang said this, she was so shocked that she didn’t recover for a long time.

How was this possible?

CEO of the Mo Corporation...

Wasn’t he the youngest CEO in Mo Corporation’s history who had just returned to the country?!

But, didn’t they say that Second Young Master Mo was misogyny?

“Release the statement immediately!” President Zhang glared at her. He was no longer as friendly as usual. “Don’t let your fans attack Qiao Mianmian anymore. Otherwise, if you anger Mo Yesi, I won’t be able to protect you!”

Chapter 1154: No matter how you looked at it, it seemed like she was being threatened

When Little Xiao's fans clamored to go to MC's official Weibo account to seek justice for her, Little Xiao updated a Weibo post.

Little Xiao V: "Sorry, I just woke up a while ago and saw my hot search on Weibo. Let me clarify here, that so-called account of mine has nothing to do with me. Please don't put other people's matters into my account. This kind of malicious hype not only affected me but also affected innocent people. Here, I want to apologize to @QiaoMianmianV. Because of me, she suffered a lot of malicious attacks. Here, I also want to clarify something. My contract with MC has been terminated a month ago. MC originally wanted to renew the contract, but I couldn't because of my schedule, so I could only regretfully decline. It's my own fault that I can't renew the contract. It has nothing to do with others. I hope that no one will maliciously lead the way again. I know that my fans are all very reasonable people, so please let this matter rest. For the sake of good people, I'll just end this matter here."

Once Little Xiao's Weibo post was published, her fans left messages in her comment section.

Little Xiao's Baby: "Sister Little Xiao, is that alternate account really not yours? I really thought it was. Now that you came out to apologize, did you encounter some kind of threat?"

Weiai Xiao: "Yes, yes, Qiao Mianmian's boyfriend seems very impressive. Did someone force you to make a statement? She's too shameless. She stole our Little Xiao's endorsement and now she's forcing Little Xiao to apologize to her. She's too much!"

Love Little Xiao for a hundred years: "My Big Beauty Xiao actually apologized to that newbie, what right does she have! Even if her boyfriend is very awesome, so what? Can he snatch other people's endorsement? I've seen shameless people, but I've never seen such shameless girl."

Bunny Doesn't Eat Grass: "Little Xiao, don't be afraid. So what if she has a strong backer? Our 20 million Xiao fans are all your backers. If she dares to do anything to you, we will support you!"

The reason why the fans were so excited was that Little Xiao's last statement seemed to have another meaning.

No matter how they looked at it, it seemed like she was threatened, that was why she made the statement.

She didn't post it willingly.

Furthermore, her fans left comments asking if she had been threatened, but she did not reply.

This silence made the fans feel that she was forced.

Qiao Mianmian was the one who had forced her.

In the end, because of her statement, not only did it not calm things down, it even angered the fans.

The fans went to Qiao Mianmian's Weibo and scolded her.

Not only did they scold her in the comments section, they even privately messaged her and said many unsightly and vicious words.

Soon, Qiao Mianmian was trending again because of Little Xiao's statement.

Hot search topic: Xiaoxiao was threatened by the dark forces behind Qiao Mianmian.

...

At the same time, when Mo Yesi registered his Weibo account and publicized his relationship with Qiao Mianmian, Qiao Anxin and Shen Rou inevitably saw his Weibo post because of his mysterious identity.

Shen Rou naturally knew who Nameless was.

Of course, she knew very well that Mo Yesi had never used Weibo before, so he had never even registered an account.

Chapter 1155: That Mysterious Man's Surname Is Mo Too

But he was making exceptions for Qiao Mianmian.

Not only did he register on Weibo, he even interacted with her to publicize their relationship!

Did he care so much about Qiao Mianmian?

What made Shen Rou even angrier was that Yan Shaoqing and the rest had all shared Mo Yesi and Qiao Mianmian's Weibo posts. It seemed like everyone was on Qiao Mianmian's side.

But clearly, these people used to be her best friends.

She was the only girl between them.

She was the most favored of the four.

But now, it was Qiao Mianmian.

Instead, she became the target of public criticism.

Everyone felt that she had done something wrong.

Everyone was distancing themselves from her.

Even Gong Zeli, who had always treated her well, told her that he liked the wrong person.

He liked the girl who saved him.

He was good to her because he thought she had saved him.

So, was all his kindness fake?

He said he'd withdraw it.

He could get away so easily, so directly, without any reluctance towards her.

She began to wonder if all their years of friendship had been a lie.

But even if she had lied to him, even if she wasn't the one who had saved him that night, did he not have any feelings for her after so many years of being together?

Was there nothing about her that he liked?

She really hated it.

Why did it become like this?

Why did everything change when Qiao Mianmian appeared?

Why was it that Qiao Mianmian, that little b*tch, was living a better and better life now?

Shen Rou stared fixedly at the Weibo page for a full minute. She was so angry that she smashed her phone on the floor.

She was having a hard time.

Qiao Mianmian wouldn't be able to live happily, either!

Fortunately, there was Qiao Anxin, who could be used to deal with Qiao Mianmian.

"Qiao Mianmian." Shen Rou gritted her teeth as she called her name. "You took away everything that originally belonged to me. You want to live your life peacefully? Impossible!

"I will take back what belongs to me one by one."

Qiao Anxin also saw Qiao Mianmian and Mo Yesi's Weibo posts.

Including the reposts from Yan Shaoqing and the rest, as well as the legal letter from the Mo Corporation.

She gritted her teeth in jealousy.

Although she didn't know who Nameless was, the attention and reposts of Yan Shaoqing, Gong Zeli, and the others showed that his true identity was very impressive, definitely not inferior to the Yan and Gong families.

And the Mo Corporation's top lawyers.

Qiao Anxin had met Mo Yesi a few times.

She suddenly remembered Mo Yesi's name, and her eyes widened in shock.

That mysterious man was also surnamed Mo.

Qiao Mianmian had said that the man was her boyfriend.

When she first saw that mysterious man, she knew that his identity was definitely not simple.

At that time, she had sent someone to investigate.

But he could not find anything.

Normally, only people with particularly prominent statuses would hide their information.

Yan Shaoqing called him "Boss".

The Mo Corporation also paid attention to him immediately, and his surname was Mo...

Qiao Anxin was so shocked that she almost dropped her phone.

Chapter 1156: How Could It Be That Person?

She looked incredulous.

How was that possible...

How could Qiao Mianmian's boyfriend... be that person?

Even if Qiao Mianmian managed to hook up with Gong Zeli, she couldn't match up to that man.

However, if not for that man, who else in Yun Cheng could make the successors of a few big families take him so seriously?

She followed his Weibo and reposted it at the same time.

If it was that person, everything would make sense.

At the thought of this possibility, Qiao Anxin felt like she had been hit in the head. She felt dizzy.

How could Qiao Mianmian be so lucky?

How could her boyfriend be the CEO of the Mo Corporation?

No, she must be wrong.

That little b*tch was lucky enough to have Gong Zeli.

But why was she feeling more and more flustered?

What if her guess was true?

What if Qiao Mianmian really managed to hook up with President Mo?

Qiao Anxin thought about what Shen Rou had said.

She couldn't wait to know the result.

Her only chance to defeat Qiao Mianmian now was to become the daughter of the Bai family.

If she became the daughter of the Bai family, so what if Qiao Mianmian was really dating the CEO of the Mo Corporation? As long as she didn't marry into the Mo family, she could be kicked out by Mo Yesi anytime.

However, her status as the daughter of the Bai family would not change.

...

When Qiao Mianmian went on Weibo's trending page again because of Little Xiao's statement, Mo Yesi also saw it.

He frowned and clicked on the hot topic list, then left with a dark expression.

He took out Wei Zheng's contact list and sent a message.

After Wei Zheng received the message, he immediately replied: [Yes, CEO Mo. I will inform Xinghan immediately.]

Mo Yesi threw his phone aside after sending the message.

And at this moment, Little Xiao simply did not know that because of the little unwillingness in her heart, she had caused a disaster.

And it was a disaster that wouldn't give her any chance to make up for it.

...

Qiao Mianmian and Mo Yesi's relationship was basically publicized.

Although Mo Yesi hadn't revealed his true identity yet, everyone knew that Qiao Mianmian had a very impressive boyfriend who could make the Mo Corporation's top lawyer team take action. This also meant that, from now on, Qiao Mianmian was someone they couldn't easily offend.

No one dared to criticize her like before.

Because it was public, Qiao Mianmian realized that Mo Yesi's mood had changed drastically. He had been smiling ever since he posted it on Weibo.

Although it was a very faint smile, he was indeed smiling.

One had to know that when Qiao Mianmian went to the Mo Corporation to look for him, he had been pulling a long face.

Unknowingly, it was already noon. The two of them chose a place to have lunch.

Lunch was also carried out in a very pleasant atmosphere.

Then, Qiao Mianmian followed Mo Yesi back to the office.

When the two of them walked out of the restaurant, they bumped into Su Ze walking in. Su Ze's mother was with him.

Su Ze and Mother Su also noticed them.

Su Ze saw Qiao Mianmian immediately. His expression darkened when he saw her intimately holding Mo Yesi's hand.

Even though he was extremely unhappy, he could only endure it.

If he still thought that Mo Yesi was just a relative of the Mo Corporation, he would be too foolish.

Chapter 1157: Blame Her Ungrateful Son for Not Being Blessed

He was the president of Starlight Entertainment and was usually very concerned about the entertainment industry.

He would often check Weibo.

Qiao Mianmian and Mo Yesi had occupied almost all of the trending topics today. They had caused such a big commotion that almost everyone in Yun Cheng knew about it. How could Su Ze not know?

When he saw Qiao Mianmian and Mo Yesi flaunting their love on Weibo, he was angry and upset.

It was a painful feeling.

In the past, no matter how cold Qiao Mianmian was to him or how much she hated him, he had always believed that she still had him in her heart.

Only when you love someone deeply would you hate them.

But now...

Su Ze's gaze fell on their intertwined hands once again, and his heart immediately felt a sharp pain.

He frowned deeply, anger and jealousy flashing in his eyes.

Qiao Mianmian... was supposed to marry him and become his woman.

When Mother Su saw Qiao Mianmian, her smile faded.

Mother Su knew that someone would definitely like a good girl like Qiao Mianmian.

Her son had a treasure, but he did not know how to cherish it. There would always be someone who cherished it.

However, when she saw her favorite future daughter-in-law dating another man, she still felt sad and regretful.

Especially when she could clearly feel that Qiao Mianmian was getting better and prettier.

This child used to be good-looking.

Now, she was so beautiful that people didn't dare to look at her directly.

The Su family was not considered one of the wealthiest families in the country, but the average wealthy family was still qualified.

Mother Su wasn't a thrifty person and had a certain understanding of all kinds of luxury brands.

She could tell at a glance that Qiao Mianmian was dressed in luxury brands.

Looking at how her almond-shaped eyes were moist, her face was flushed and full, and her eyes were filled with happiness and sweetness, she knew that she was doing very well.

Mother Su was glad that the junior she liked was doing well.

However, there was a hint of helplessness and heartache in this gratification.

While Mother Su was sizing up Qiao Mianmian, she was also sizing up Mo Yesi.

Even though she didn't know Mo Yesi and didn't know his identity, she could tell at a glance that he wasn't simple.

He exuded a noble aura.

Not to mention, his looks, figure, and taste in clothes were one in a million.

Even if Mother Su felt that her son was the best in the world.

But this time, she had to admit that her son was indeed inferior to this young man.

Mother Su looked at Mo Yesi and Qiao Mianmian standing in front of her and felt that the word “talented” was the most appropriate word to describe them.

They were truly a match made in heaven.

As Mother Su watched, her heart ached even more.

Sigh, it was all her unfilial son’s fault for losing such a good daughter-in-law!

Her son had let down a good girl, so God punished them.

Thinking about Qiao Anxin’s miscarriage and what had happened to the Su family recently, Mother Su’s eyes dimmed.

“Mianmian,” Mother Su called out sadly.

Qiao Mianmian and Mother Su hadn’t seen each other since she went to the Su family to tell Mother Su about her breakup with Su Ze.

Chapter 1158: Never Let Her Down

Although Su Ze had let her down, Mother Su had always treated her well.

Hence, even though Qiao Mianmian hated Su Ze, she was still very polite to Mother Su. She smiled and said, “Aunt Su, what a coincidence to meet you here.”

“Yes, what a coincidence.” Mother Su endured her heartache and said, “I haven’t seen you in a while, I miss you so much. Mianmian, I’ve said it before, even if it’s you and Ah... the Su family, you can still go anytime.”

When she saw Mo Yesi standing beside Qiao Mianmian, Mother Su immediately felt awkward.

She immediately changed the topic. “Mianmian, this gentleman is... aren’t you going to introduce him to Aunt Su?”

“Oh, Auntie Su, I forgot to introduce you.”

Qiao Mianmian could feel Su Ze’s gaze on her.

He kept staring at her.

However, she treated him like air and didn’t even look at him. She held Mo Yesi’s arm affectionately and introduced him to Mother Su. “Auntie Su, this is my... boyfriend. His name is Mo Yesi. Ah Si, this is Auntie Su.”

Qiao Mianmian almost said “I used to play at her house when I was young”, but she stopped herself in time.

If she really said it, Mo Yesi would definitely feel uncomfortable.

Hence, she gave a simple introduction.

Fortunately, Mo Yesi was still very supportive at the critical moment. Even though he minded Su Ze a lot, he was very generous at this moment. He smiled at Mother Su and said, “Hello, Aunt Su. I’ve heard Mianmian mention you before. Thanks to you taking care of Mianmian all those years ago.”

Mo Yesi wasn’t unreasonable.

He naturally detested Su Ze.

However, he knew from Qiao Mianmian that Mother Su and Father Su had treated her well and never mistreated her. He wouldn’t turn his hatred towards Su Ze onto his parents.

He would give face to anyone that Qiao Mianmian cared about.

It was the same for Mother Su.

Mother Su was also magnanimous.

Even if Qiao Mianmian didn’t become her daughter-in-law, she was still glad to see her so happy.

She looked at Mo Yesi with admiration. “Mr. Mo is a talented man, you’re really compatible with Mianmian. Mr. Mo, Mianmian can be considered a child I’ve watched grow up. She’s a very, very good child. I hope Mr. Mo can treat her well and not let her down.”

Mo Yesi smiled and looked down at the girl beside him. “Auntie Su, don’t worry. Mianmian is a treasure I want to cherish for the rest of my life. I will treat her well and never let her down.”

This was a public display of affection.

Qiao Mianmian felt a little embarrassed in front of the elders and glared at him shyly.

In Su Ze’s eyes, this was a sign of affection.

Seeing the woman who once belonged to him being so intimate with another man and not even looking him in the eye, Su Ze’s eyes burned with anger. He couldn’t take it anymore and pulled Mother Su to the side, glaring at Mo Yesi with a livid expression. “Mom, do you know who he is? You even call him Mr. Mo. It’s the good girl in your eyes who colluded with this person and caused the Su Corporation to become like this. You’re still so polite to them!”

Mother Su was stunned, and her expression changed. “Ah Ze, what did you say?”

Chapter 1159: You, Su Ze, Are Not Qualified

Su Ze said hatefully, “I said it was them who caused the Su Corporation to become like this. The good girl in your eyes is ruthless to our Su family. So what if you treat her well? So what if Dad and you treat her like your own daughter?”

Jealousy and anger caused Su Ze to lose his rationality. "She's on his side right now. Why would she care about the life and death of our Su family? She might even wish for us to go bankrupt and to fall from grace."

"Su Ze, shut up. Don't think that everyone is as dirty-minded as you. I never wanted to deal with the Su family. Even if you did those shameless and disgusting things, you're the only one I'm disgusted with. Auntie Su and Uncle Su are still the same in my heart. I've never complained about them.

"I can't do anything to the Su family because of you.

"If I really had to deal with anyone, it would be with you alone."

Although Qiao Mianmian wanted to pretend that Su Ze was invisible, she couldn't take it anymore.

She looked at him in disgust. "Anyone can say that I'm bad, but you, Su Ze, have no right. Don't you know what you've done? If I'm not a good person, then what are you? You're not even human!"

Qiao Mianmian didn't want to say that in front of Mother Su.

But Su Ze was too disgusting.

So disgusting that she couldn't hold it in anymore.

Su Ze didn't expect her to suddenly explode and even say such nasty words. He was stunned for a few seconds before clenching his fists with an ugly expression. "You forced me! If not for you..."

"B*stard, shut up! Haven't you embarrassed yourself enough?!" Mother Su slapped his face. She was so angry that her face turned red. Pointing at his nose, she rebuked, "How dare you blame Mianmian? Do you have any conscience at all? How could I have such a bastard son like you!"

With Mother Su's slap, many people around looked over.

When they saw Su Ze being slapped, they started discussing.

Su Ze covered his face and looked at Mother Su in disbelief. "Mother, you..."

He couldn't believe that Mother Su would actually slap him in such a place. She really did not leave him any face at all.

"What about you? I don't think there's a need to eat dinner tonight. I'm so angry that I'm full from being angry at you." Mother Su angrily slapped him, then turned to Qiao Mianmian and said in a self-reproachful tone, "Mianmian, it's Aunt Su's fault for raising such a bastard. I let him wrong you and hurt you. Aunt Su didn't teach her son well. I'm ashamed."

Mother Su's eyes turned red.

Qiao Mianmian quickly comforted her. "Aunt Su, it's not your fault."

Su Ze was indeed a bastard, but none of that was taught by Mother Su.

Mother Su shook her head and smiled bitterly. "Since I gave birth to him, I have my responsibility. In short... our Su family has let you down. Now that you have a new home and such an outstanding person, Aunt Su is very happy for you.

“Mianmian, you must be happy. When you get married one day, I must attend your wedding. Don’t forget to send an invitation to Aunt Su then.” Mother Su looked at this girl whom she used to dote on like a daughter and felt deeply regretful.

Chapter 1160: He Deserved This Lesson

She really hoped that Qiao Mianmian would live well.

Qiao Mianmian could feel her mother’s sincerity and nodded. “Yes, I will. If Aunt Su is willing to attend my wedding, I’ll definitely invite you.”

“Alright. Then, it’s settled.”

After Mother Su finished speaking, she turned around and left without even looking at Su Ze.

Su Ze was stunned for a few seconds before reacting and chasing after her.

As he left, he glared at Mo Yesi and Qiao Mianmian before turning around to chase after Mother Su.

...

“Mo Yesi, did you do that to the Su Corporation?”

After leaving the restaurant and getting into the car, Qiao Mianmian asked Mo Yesi directly.

She had known Su Ze for ten years.

She also frequently interacted with the Su family.

Hence, she knew a lot about them.

The development of the Su Corporation had always been stable, and it had been developing better and better over the years. Such an economic crisis was unlikely to occur.

Hence, the Su Corporation’s sudden loss was most likely Mo Yesi’s doing.

Previously, he had used the same method to deal with Sheng Hui, causing him to go bankrupt overnight.

“Yes, I did it.” Mo Yesi fastened his seatbelt and turned to look at her, his gaze calm. “I know what you want to tell me, but if I’m still completely indifferent after what he did to you, what kind of person am I?”

“He deserves that lesson.”

If she knew what methods he used to deal with other people, she would know that he had gone easy on Su Ze this time.

He didn’t let the Su Corporation die, but gave them a chance to save themselves.

He had already given him face and knew that she still had some feelings for the Su family, so he did not kill him.

But he had to deal with Su Ze.

“I know he deserves to be taught a lesson, and I support you teaching him a lesson. I’m not trying to plead on his behalf.” Qiao Mianmian felt that she had to let Mo Yesi understand her attitude. “I have no opinion on how you want to treat him.”

She was so disgusted by Su Ze now that the mention of his name would cause her to feel disgusted mentally and physically.

She did not care about how miserable Su Ze’s life would be in the future.

Even if he ended up on the streets as a beggar, she wouldn’t feel pity for him.

However, when she saw Mother Su’s depressed expression just now, she couldn’t bear to do it.

Mo Yesi looked at her and raised an eyebrow. “What do you want to tell me?”

“No.” After a moment of silence, Mo Yesi finally spoke. “With the Su Corporation’s foundation, it won’t collapse so easily. I understand your feelings for Su Ze’s parents. I promise you that I won’t exterminate the Su Corporation.”
