

Big Shot 1231

Chapter 1231: I'm Not Happy At All

Halfway through the banquet, Mo Yesi left with Qiao Mianmian.

He had wanted to leave after sending her a gift.

Who knew that Madam Bai liked Qiao Mianmian so much that she'd borrowed her from him so many times? He couldn't leave even if he wanted to.

Before they left, Madam Bai and Bai Yusheng sent them off.

Madam Bai held Qiao Mianmian's hand and repeated the same words to her a few times. "Mianmian, come and play with me when you're free. When the time comes, I'll cook for you.

"If Auntie misses you in the future, can I call you?"

Actually, it wasn't that they couldn't meet after separating.

But Madam Bai couldn't bear to.

She wanted Qiao Mianmian to stay longer.

But she knew that it wasn't appropriate.

Madam Bai didn't even notice when Qiao Anxin left.

She didn't feel any reluctance towards her.

"Aunt, of course." Qiao Mianmian had already told Madam Bai her cell phone number and WeChat number.

"If Auntie calls you every day, will you be annoyed?"

"No." Qiao Mianmian smiled and said gently, "Aunt, you can call me anytime you want."

"Alright." Madam Bai held her hand tightly.

...

Madam Bai didn't look away until Qiao Mianmian and Mo Yesi got into the car and drove into the night.

Bai Yusheng smiled when he saw how reluctant she was. "Mom, what are you doing? It's not like we won't be able to see each other in the future, why are you so reluctant? If you like Mianmian, I'll invite her to our house often to accompany you, alright?"

Madam Bai sighed, unhappy with his words.

Bai Yusheng raised an eyebrow and asked, "Mom, what's wrong? Weren't you happy just now? Are you unhappy because Mianmian left?"

Madam Bai looked up at him and kept quiet for a while before sighing. "Yusheng, I've always believed that Mianmian is Little Seven. She looks so similar to Little Seven when she was young, and they were born on the same day. Most importantly, I liked her the moment I saw her. I think this liking is the

nature of a mother and daughter. Because she has the Bai family's blood in her, even after being apart for so many years, I still want to get close to her.

"But..."

"But what?"

"But I'm not so determined now. Yusheng, I might have found Little Seven, but I'm not happy at all. I don't even want to admit that she's Little Seven. Do you think I shouldn't think this way? Even if she doesn't grow up to be what I like, if she's really Little Seven, I shouldn't dislike her, right?"

"Mom." Bai Yusheng frowned. "What are you trying to say? You mean... Little Seven has been found?"

Madam Bai kept quiet for a while more and then told him everything about her bringing Qiao Anxin to change clothes and finding out that she had a red mark on her. She also told him that Qiao Anxin wasn't the biological daughter of the Qiao family.

"The mark on her is exactly the same as the one on your sister. Also, she was given to the Qiao family by her biological parents when she was very young. Her biological parents sent her away because they wanted to protect her when she was in danger."

Chapter 1232: We'll Test It Together

"She was born on the same day and month as Little Seven. The only suspicious thing about her is that she doesn't look like Little Seven when she was young. Little Seven's eyes are big and round, but hers are slender and long. But girls change when they grow up. She might have changed when she grew up."

Madam Bai wasn't willing to admit that Qiao Anxin was her biological daughter.

But all the signs proved that the daughter she was looking for was really Qiao Anxin.

"Qiao Anxin?" Bai Yusheng's expression changed. "Mom, are you sure?"

"I hope I'm wrong too." Madam Bai didn't have anything to hide in front of her son and revealed her thoughts. "Yusheng, to say something inappropriate, if she really is Little Seven, I'll be disappointed."

"Do you know how she treated Mianmian?"

"I don't expect Little Seven to be outstanding, but to at least be a kind and beautiful girl. Qiao Anxin..." Madam Bai frowned and sighed. "She's already like this to her sister, how kind can she be?"

Bai Yusheng was silent for a long time.

He thought about it and felt that something was amiss.

He didn't want to believe that Qiao Anxin was his sister.

"Mom, it's simple to confirm her identity." After a while, Bai Yusheng narrowed his eyes and said, "Bring her for a paternity test. This is the simplest and most accurate method."

"Paternity test?" Madam Bai thought for a while and nodded. "We have to do it. I think so too. Since she might be Little Seven, let's do a paternity test to confirm it. If... if she really is Little Seven, no matter what happens to her now, I have to acknowledge this daughter."

“Mm, then don’t overthink it.”

Seeing that Madam Bai was unhappy, Bai Yusheng said, “It might be a misunderstanding when the DNA test comes out. Since we’re going to do it, why don’t we get Mianmian to do it too?”

Madam Bai was shocked. “Mianmian too?”

“Mm.” Bai Yusheng nodded and thought about what Madam Bai said to him just now. A cold look flashed past his eyes. “Anyway, it’s not a troublesome matter. Don’t you think Mianmian is more like Little Seven? Then, let’s appraise them both.”

The red wine stained the dress, Madam Bai went upstairs to change, and Madam Bai found the mark on Qiao Anxin.

Everything seemed to have been planned.

The pretext was to let Madam Bai see the mark on Qiao Anxin.

And her final goal was the daughter the Bai family had been looking for.

Also, Qiao Anxin was brought here by Shen Rou.

Bai Yusheng’s eyes turned cold.

Shen Rou...

He wanted to see what she was plotting.

...

When Qiao Mianmian came out of the changing room, Mo Yesi had also changed into home clothes.

He looked a lot more casual and younger in his home clothes. He wasn’t as cold and arrogant as he looked in his suit.

Qiao Mianmian walked towards him.

Mo Yesi reached out and pulled her over, stroking her hair. “Butler Lin got the kitchen to make supper. Do you want to eat with me?”

Chapter 1233: Family Competition

Qiao Mianmian wasn’t hungry at all.

But she knew that Mo Yesi didn’t eat much at the banquet. He must be hungry.

She nodded. “Alright.”

They went downstairs hand in hand.

“Young Master, Young Madam.”

The maid placed the freshly cooked supper on the table.

The supper wasn't too complicated. It was just two bowls of light seafood dumplings. Qiao Mianmian could smell the dumplings the moment she reached the dining room.

Mo Yesi held her hand and they sat down.

Qiao Mianmian wasn't hungry at all, but she ate two to three of them in one go.

Mo Yesi ate for a while and recalled what happened at the banquet, as well as Madam Bai's reluctance when they left...

He swallowed his words and looked up at Qiao Mianmian. "Aunt Bai took you away for a while. What did you talk about?"

"Mm?"

Qiao Mianmian had just swallowed her words. She wiped her lips with a napkin. "Nothing much, just chatting."

"Nothing?" Mo Yesi's eyes flickered.

Was he wrong?

Madam Bai didn't take Qiao Mianmian away on purpose. Was she really just taking her out for a meal?

But Mo Yesi felt that his intuition wouldn't be wrong.

Madam Bai's behavior tonight wasn't normal. She was too passionate about Qiao Mianmian and liked her too much.

This kind of enthusiasm and liking was beyond normal.

"Oh, not really. Aunt Bai told me something about her daughter. Mo Yesi, do you know what happened to Aunt Bai's family back then to make her give her own daughter to someone else?"

Qiao Mianmian thought that Mo Yesi and Bai Yusheng had known each other for a few years and were good friends. Perhaps he knew about this.

Mo Yesi did know about this.

He pondered for a while and then said, "It's just a family conflict. It's the same as the ancient emperors killing their parents and brothers for the throne. In order to save their lives, their family had no choice but to flee overseas. At that time, Uncle Bai and Aunt Bai didn't know if they could successfully escape. Under the situation where they could lose their lives at any time, they chose to give their daughter to a trusted subordinate.

"After that, they successfully escaped, but it was still unsafe overseas. They hid for many years. When they finally stabilized and wanted to take their daughter back, they lost contact with that subordinate for a long time.

"After that, they searched for more than 10 years. They always thought that the subordinate must have left Yuncheng City, so they've been searching for him all these years. You know, finding someone without any clues is like finding a needle in a haystack.

“That’s why they couldn’t find her even after more than 10 years.

“It was only recently that we found out that the subordinate might be in Yuncheng City.”

Qiao Mianmian was stunned for a while before whispering, “So, their daughter might be in Yuncheng City?”

“Mm.” Mo Yesi looked at Qiao Mianmian deeply. “Do you know why Aunt Bai was especially passionate about you tonight?”

“Because I look like her daughter?” Qiao Mianmian blinked.

“This is only one of the reasons.” Mo Yesi looked at her deeply again. “The main reason is that I’m guessing she thinks you’re her long-lost daughter.”

Chapter 1234: Why Is It Impossible?

“What?!” Qiao Mianmian widened her eyes in shock. “You mean... Madam Bai really thinks I’m her daughter?”

“Mm.” Mo Yesi nodded and looked at her shocked expression. “She can’t confirm your identity yet. But she must have guessed it already. I guess she’ll look for you to confirm it.”

“B-But how could I be her daughter?”

Qiao Mianmian felt that Mo Yesi was being ridiculous.

She was from the Qiao family.

How could she be Miss Bai that the Bai family had been looking for?

She wanted to retort, but when she recalled Madam Bai’s behavior towards her and her probing question, Qiao Mianmian pursed her lips and kept quiet.

Initially, she thought that Madam Bai treated her so well because she transferred some feelings for her daughter to her.

Because Madam Bai and Bai Yusheng had said that she looked like their Little Seven.

Moreover, she was born on the same day...

Qiao Mianmian never thought that Madam Bai liked her and treated her well because they thought she might be the Bai family’s Little Seven.

She felt that this was ridiculous and unbelievable.

Just like how she found out that Qiao Chen wasn’t her biological brother but a member of the Mo family.

No, it was even more ridiculous than what happened with Qiao Chen.

After all, this happened to her.

Mo Yesi looked at her deeply. “Why is it impossible?”

“Of course not.” Qiao Mianmian said directly, “I’m from the Qiao family, what has it got to do with the Bai family? They have such speculations because I look like Madam Bai? But many people look alike but aren’t related by blood.”

“There are a lot of them, but it doesn’t matter if they look alike. But since Qiao Chen is a member of the Mo family, why can’t you be a daughter of the Bai family? Do you know why Grandma decided to let him do a paternity test with my Second Uncle the moment she saw him?”

Seeing Qiao Mianmian’s eyes widen in shock, Mo Yesi said word by word, “Not only because Chen Chen looks like my Second Uncle, but also because she has a special liking for him. Sometimes, blood relations are a magical relationship. Even if you’ve never met him, you’ll have a strange liking for him the first time you meet him.

“I think Madam Bai has such a good impression of you.

“Perhaps that’s why she had such a guess. Mianmian, tell me, how do you feel about Madam Bai?”

Mo Yesi had always minded Bai Yusheng because he felt that Bai Yusheng was taking too much care of Qiao Mianmian.

It was beyond normal care.

Back then, Qiao Mianmian kept saying that Bai Yusheng treated her as a sister, but he didn’t believe her.

But now, he felt that it might be true.

Bai Yusheng might have guessed it long ago, so he took better care of Qiao Mianmian.

As for Madam Bai...

The way she treated Qiao Mianmian tonight was no different from how she treated her own daughter.

Mo Yesi thought that if Qiao Mianmian was really the daughter of the Bai family, this would be a good thing for him.

Chapter 1235: Neither of You Is a Qiao Family Child

Although he wouldn’t mind her background.

But it was definitely a good thing for her to have the status of the daughter of the Bai family.

With the Mo family’s protection and the Bai family, who would dare to let her suffer in the future?

By then, Madam Mo wouldn’t have any objections.

Although Mo Yesi had already decided that Qiao Mianmian would never leave him, Madam Mo was still his mother.

It would be best if Madam Mo could accept them.

Mo Yesi knew his mother too well.

The main reason she wasn’t satisfied with Qiao Mianmian was that she didn’t have a good background.

And the daughter of the Bai family was definitely compatible with the Mo family.

“Madam Bai?” Qiao Mianmian kept quiet for a while and thought about it seriously before replying, “I don’t know what it feels like, but I feel especially close to her.”

“You want to get close to her?”

“Mm.”

“So, you like her a lot?”

“...Mm, right.”

“So, have you ever thought that maybe you’re really from the Bai family? Just like Chen Chen, maybe... you’re not from the Qiao family.”

Qiao Mianmian was stunned again.

She didn’t think it was possible.

But now... after what Mo Yesi said, she felt that it wasn’t impossible.

But Qiao Mianmian still couldn’t accept this.

At least for now.

“I don’t think it’s possible.” Qiao Mianmian thought for a while and felt that the possibility was very small. “How could there be such a coincidence? We just found out that Chen Chen is from the Mo family, and now it’s me who isn’t from the Qiao family.”

“Indeed, everything now might just be our guess.” Mo Yesi could tell that she found it hard to accept this, so he didn’t continue this topic. He changed the topic and said, “Let’s not talk about this anymore. Let’s talk about Chen Chen.”

“Now that the results are out, my suggestion is to look for Chen Chen tomorrow and tell him about this.” Mo Yesi tapped his fingers on the table. “Grandma can’t wait anymore and keeps asking me.”

“My Second Uncle wants Chen Chen to acknowledge him sooner.”

Mo Yesi looked up at her. “What do you think?”

Qiao Mianmian had no objections to this. Whether Qiao Chen was willing to acknowledge the Mo family in the end, he had the right to know about this.

She nodded. “Alright, let’s go look for Chen Chen tomorrow.”

...

It was a dreamless night.

The next day, Qiao Mianmian sent Qiao Chen a message after she woke up. They had agreed to have lunch together.

She had just sent Qiao Chen a message when she received a message from Madam Bai.

Madam Bai's WeChat name was "One Finger Orchid", and her profile picture was also a bouquet of orchids.

One Finger Orchid: [Mianmian, are you awake? I heard from Yusheng that your show will start in a few days, so you should be in Yuncheng City for the next few days, right? Did Yesi go to work? Aunt Bai wants to meet you for lunch. Do you have time?]

Ever since she heard Mo Yesi's analysis last night, Qiao Mianmian had a strange feeling about Madam Bai.

She'd just asked Qiao Chen out for lunch, so she couldn't accompany Madam Bai anymore.

Chapter 1236: You'll Come Over Tonight, Right?

She politely declined. [I'm sorry, Aunt Bai. I already have an appointment at noon. How about another day?]

One Finger Orchid: [You already have an appointment at noon? I even asked what you like to eat and prepared it for you. It seems like I won't have the chance today.]

It wasn't hard to tell that she was a little disappointed.

Qiao Mianmian couldn't bear to see her like this. She immediately sent another message to her and explained: [Yesi and I are going to see my brother at noon, so we should be fine at night. If I have time at night and Aunt Bai doesn't mind me disturbing you, can I visit you then?]

This time, Madam Bai replied quickly: [Of course. I'll welcome you whenever you come. If you're coming, let me know in advance. I'll personally cook for you two tonight!]

Madam Bai, who was still disappointed a second ago, was elated again.

She sent a few messages.

She asked Qiao Mianmian what they liked.

Qiao Mianmian chatted with her for more than an hour.

When it was about time, she took the car to Mo Yesi's office and waited for him to get off work to look for Qiao Chen.

...

Mo Yesi was still busy when she arrived.

Qiao Mianmian didn't disturb him. She got the secretary to make her a cup of coffee and sat on the sofa playing with her cell phone while waiting for him to finish.

Qiao Mianmian was scrolling through her Moments.

She saw the update notification on her WeChat friend circle and clicked on it.

She didn't add many people on WeChat. They were all people she knew from work. Most of the updates on her Moments were related to her circle.

Hence, Madam Bai's post was especially unique.

Madam Bai sent a group of photos of her watering the flowers in the garden.

There was also a fat orange cat hanging on a tree branch, looking at Madam Bai with an especially cold expression.

Qiao Mianmian looked at the chubby orange cat and found it instantly adorable.

She liked Madam Bai and commented: [Hahaha, it's really a big orange cat. This cat is so fat that it has no neck. It's so cute.]

Madam Bai was probably playing with her cell phone, so she quickly replied: [Mianmian, do you like this cat? It's a stray cat here. I named it Orange. Orange is especially cute. Come over early tonight, I'll take you to see it.]

Qiao Mianmian replied.

After a while, Qiao Mianmian saw that Madam Bai had updated her Moments again.

Perhaps it was because she commented that cats were cute.

This time, Madam Bai updated a set of photos.

They were all photos of the orange cat. The camera was so close to the cat's face.

After sending the picture, Madam Bai even sent her a private message: [Mianmian, do you think Orange is especially cute? Actually, it's not very photogenic, this cat is much cuter than in the picture. This cat is used to being wild, sometimes it can't be seen for days, so I got someone to catch it just now. When you come over, you can see it.]

Madam Bai seemed to be afraid that Qiao Mianmian wouldn't go over tonight. She immediately sent another message: [Mianmian, you'll come over tonight, right?]

Qiao Mianmian finally understood.

Madam Bai was probably afraid that she wouldn't go over at night and knew that she liked cats, so she sent her photos to tempt her.

Chapter 1237: I Think I Can Do It Again

Qiao Mianmian was speechless.

Ever since she found out why Madam Bai treated her so well, Qiao Mianmian felt pressured.

She was afraid that Madam Bai would be too hopeful and disappointed when she found out that she had nothing to do with the Bai family.

She was afraid that she would be disappointed.

Hence, Qiao Mianmian felt that she had to make things clear to her.

This was also the reason why she decided to go to the Bai family at night.

Qiao Mianmian scrolled through her WeChat Moments and then opened Weibo.

She saw that she was trending again.

Qiao Mianmian's Mysterious Boyfriend Exposed

Qiao Mianmian's Rich Boyfriend's Back views

Breaking the rumors, Qiao Mianmian's boyfriend is rich and handsome?

Qiao Mianmian was stunned for a while when she saw that she occupied three trending topics alone. She then clicked on the trending topics to see what happened.

A few minutes later, she exited it.

So, it was rumored that she was with an old man.

Then, for some reason, this rumor became more and more like it. It was about her boyfriend's age, height, and whatnot.

In any case, the person who spread the rumor was a fat old man with a big beer belly.

Then, some of them said that if they broke up, they wouldn't believe in money anymore.

Many girls expressed that even if such an old man was rich, they wouldn't be able to eat him. They said that Qiao Mianmian had a strong taste and wasn't afraid of meat.

They even said that she might have a stomachache.

In any case, no one was willing to believe that a nobody like her could find a rich and handsome boyfriend.

He was also a rich and handsome man who had a good relationship with the Young Master of the Gong family and Young Master Yan.

In their opinion, these rich and powerful young masters couldn't possibly date in the entertainment industry.

Even if he made an exception, he couldn't be dating an actress.

They would lose points if they brought her out.

And the reason why she and Mo Yesi were on the trending list was that a Weibo user named "Hanhan has to work hard to earn money" had rebutted those comments.

She claimed to be a shop employee and said that Qiao Mianmian brought her boyfriend to their shop to try on clothes. Not only was his boyfriend not a fat old man, but he was also a super handsome young man.

He was about 24 or 25 years old.

Because they couldn't leak their clients' information, she couldn't send them a frontal photo.

But to prove that she wasn't making it up, she sent a picture of his back.

Qiao Mianmian looked at the back view and knew where it came from.

It was the day she and Mo Yesi went to a private store to try on evening gowns.

The person who exposed it must be an employee of the private store.

Although the employee only had a back view, anyone could tell that no matter how this man looked, he definitely wasn't an old man.

From his back view, he was definitely a young man.

Mo Yesi was the sort of person who was handsome from every angle. The photos of the employee's back view were enough to make the netizens swoon.

Netizen A: "Ahhh, after seeing this back view, I think I can do it again."

Chapter 1238: Boyfriend Is Too Handsome

Internet pal B: "Mommy, I'm in love again. Who can believe that I'm actually attracted to a back view?"

Netizen C: "They said that he's fat and round and that he's 1.65 meters tall. He's at least 1.85 meters tall."

Netizen D: "I've seen Qiao Mianmian's boyfriend once. If she hasn't changed boyfriends, he should be the one who came to our school previously. He's really a super hunk, so handsome that my legs go weak. When he came to our school, he drove a Rolls Royce every time. I could tell that he was especially rich back then. Although I'm jealous too, it's too funny to say that she got together with a fat old man."

Netizen F: "I've also seen her rich and handsome boyfriend once. I swear that he's really handsome. I'm impressed by Qiao Mianmian's ability to pick a boyfriend, and her boyfriends are all handsome. You can criticize her for other things, but you can't criticize her for choosing men."

Anyway, it was because of the photo that the employee had posted.

She and Mo Yesi were trending again.

Qiao Mianmian had no idea that someone said Mo Yesi was fat and round.

After reading the trending topics, she thought about it and felt that she had to clarify things.

Her husband was obviously very handsome, but someone actually accused him of being a fat, round, and 1.65 meters tall man?

This was too much.

If they wanted to defame Mo Yesi, she could tolerate it.

But she couldn't tolerate Black Mosi's looks.

Qiao Mianmian thought for a while and took a picture of Mo Yesi.

It was a picture of Mo Yesi looking down at the documents seriously. The man was wearing an expensive white shirt. His sleeves were rolled up, revealing his strong arms. With his elbows bent, the pale green veins could be seen.

He was holding a fountain pen with his slender fingers. The ordinary pen looked like a work of art in his hands.

A few buttons were undone on his white shirt, and his Adam's apple and collarbone were so sexy.

His chest muscles were even more alluring.

Qiao Mianmian chose this angle.

This way, people wouldn't be able to see what Mo Yesi looked like, but it also proved that he wasn't a terrible old man.

She took the picture and used the photoshopped software to photoshop the surrounding office environment. Then, she added a layer of blurry filter around it and posted the picture on Weibo.

A minute later.

Some netizens who were browsing the trending topics noticed that Qiao Mianmian had just posted a Weibo post.

Qiao Mianmian V: "Because you're an outsider and don't want you to be involved in the entertainment industry, so you don't want too many people to know about you. But calling you an old man? Which old man looks like this?"

The photo she photoshopped.

Qiao Mianmian didn't even greet Mo Yesi and immediately posted it on Weibo.

A minute later, the comment section showed more than 5,000 comments.

Once this photo was posted, the netizens and her fans jumped out.

Qiao family's little wife: "Wow, Qiao Qiao finally updated her Weibo to slap the anti-fans' faces. Is Qiao Qiao with her boyfriend? He's so handsome. My first reaction was to think it was a photo, hahaha."

A bottle of Wangzi Milk every day: "Such a handsome boyfriend is being called an old man. Qiao Qiao can't take it anymore. Hahaha, but can Qiao Qiao be more generous next time and send us a frontal photo to feast our eyes?"

Chapter 1239: When Did She Say That?

Sweetpea Pancake: "Pure passerby. It shows that she has no resistance to men who work seriously. After the appraisal, although we can't see his face from this angle, he's definitely handsome. And his figure is also very good. I think I see chest muscles."

Heizi naturally had to criticize everything he saw: "What's so handsome about him? He doesn't even dare to show his face and only knows how to be secretive. Even if he isn't 1.65m, even if he isn't an old

man, he definitely isn't good-looking. Have you guys never seen a man before, being smitten with a man whose face can't be seen?"

In the past, Qiao Mianmian's comment section was full of negative comments.

He was very successful.

But this time, the haters neglected something.

Women were usually harsh to women, but this didn't mean that they were equally harsh to men.

On the contrary, women had always been very tolerant of men.

Hence, as soon as the haters appeared, they were attacked by Mo Yesi's fans.

These fans were very powerful. They were hired by the haters.

Not long after, the haters were surrounded by a large group of fans and didn't dare to appear anymore.

Even if they did, they were quickly dismissed by the fans.

The comment section was strangely peaceful for the first time.

Qiao Mianmian was in disbelief.

She slowly raised her head and looked at the man still flipping through the documents seriously. For the first time, she felt how powerful the so-called "male looks are."

She hadn't even made Mo Yesi look good, and he already had so many female fans.

If he showed his face one day...

Qiao Mianmian suddenly felt a strong sense of danger.

No, she had to hide Mo Yesi!

She didn't want those people to see what he looked like.

Perhaps the possessive look in her eyes was too strong. The man seemed to sense it and slowly looked up.

The moment their eyes met, Mo Yesi seemed a little stunned.

A few seconds later, he closed the document and the laptop on the table.

He then got up and walked towards her.

"I'm sorry, I neglected you for too long."

He obviously misunderstood Qiao Mianmian's gaze. He walked to her side and pulled her up.

Before Qiao Mianmian could react, the man pinched her chin and kissed her.

"Mm..."

Qiao Mianmian only struggled a little before closing her eyes.

Ten minutes later...

She leaned against his chest, panting.

The man's breathing seemed more stable than hers.

But Qiao Mianmian could clearly hear his heartbeat. He wasn't as calm as he looked.

"Mo Yesi, what are you doing? Are you done with your work?" Qiao Mianmian finally caught her breath.

The man's fingers gently caressed her soft cheeks. "Didn't you want me to kiss you?"

Qiao Mianmian was speechless.

She suddenly recalled the way Mo Yesi looked at her...

Did he think she was asking for a kiss?

Qiao Mianmian thought about his performance and actions and felt that he must have misunderstood.

Chapter 1240: You Really Don't Know?

Qiao Mianmian thought about his performance and actions and felt that he must have misunderstood.

Her gaze was obviously possessive.

She wanted to hide him from others!

But he misunderstood her as asking for a kiss...

Forget it. That kiss felt good too. She enjoyed it too and couldn't be bothered to explain.

He had misunderstood.

"Alright, go on with your work. We'll look for Chen Chen when you're done." Qiao Mianmian nudged him and urged him to get back to work.

Mo Yesi didn't move. He lowered his head and took a deep breath. His hoarse voice was indescribably sexy and magnetic. "I can't finish those things in a while. I'll settle it when I'm back. I'll pack up, and we can look for Chen Chen now."

Qiao Mianmian knew that he was a very plan-oriented person, so she didn't have any objections to his arrangement. She nodded and said, "Alright, I'll talk to Chen Chen now."

"Mm."

Mo Yesi kissed the top of her head and let go of her. "I called Wei Zheng and told him something."

"Mo Yesi."

The moment he turned around, Qiao Mianmian suddenly recalled her post and grabbed him.

Although she knew that he wouldn't mind, she still had to tell him.

“Mm?” The man turned around and looked at her.

Qiao Mianmian’s heart skipped a beat.

“I took a picture of you just now.” She swallowed and said, “I posted it on my Weibo. You don’t mind, right?”

“Mm? You took a picture of me? When? Why did you suddenly take a picture of me?” The man was obviously a little shocked and asked a few questions.

He was shocked because Qiao Mianmian rarely took photos of him.

“Just now.” Qiao Mianmian took out her cell phone and showed him the Weibo post. “I just saw it today. Someone actually said you’re an old man. Then, I have to clarify that you’re not an old man.

“But I only posted a picture of you working hard and didn’t show your face much. Do you know how exaggerated my comment section is? A lot of people actually become your fans.”

Qiao Mianmian felt that they were exaggerating.

They didn’t even see his face, and they became fans?

Mo Yesi nodded.

He took the cell phone and looked at the photo Qiao Mianmian took of him. He smiled.

He opened the comment section again.

A moment later, he handed the cell phone back to Qiao Mianmian. He thought of the comment he saw in the comment section and asked curiously, “I just looked at your comment section. Someone said something about ‘wanting to lick the screen’. What does that mean?”

“Cough, cough, cough.” Qiao Mianmian was glad that she wasn’t drinking water or she would have spat it out.

“You really don’t know?” She blinked. Her eyes were a little watery from the violent cough.

Mo Yesi shook his head. “I don’t know.”

Qiao Mianmian wanted to say that he was only 26 years old, how could he not know the online language?

But then, she recalled that he rarely surfed Weibo, so it was normal that he didn’t know.

Seeing how serious he was, Qiao Mianmian held back her laughter and replied seriously, “It means that you’re very handsome, so handsome that I can’t help but lick the screen when I see your photo.”
