Chapter 1271: Did You Find That Girl?

"Zeli..." Shen Rou widened her eyes in disbelief. "I really need your help. I know you're still angry about what happened, but I didn't do it on purpose."

Shen Rou said pitifully, "We fought back then. When you opened your eyes and looked at me with such gratitude, I-I was confused and lied to you. I didn't think too much about it back then. I just wanted to reconcile with you as soon as possible."

"If you knew that I was the one who saved you, you wouldn't be angry with me."

"Zeli, I just didn't want you to be angry with me. I really..."

"Are you done?" Gong Zeli interrupted her coldly.

Shen Rou said, "I-I..."

"Shen Rou, you know best what I thought back then." It was fine if she didn't mention it, but now that she did, Gong Zeli thought about how he'd been tricked by her for 10 whole years.

He said with a gloomy expression, "Even if you were confused at that time, you still had many chances to tell the truth later. But you didn't."

"You chose to hide and lie. I've been played by you like a fool for the past 10 years."

"Zeli, no..."

"The Shen Corporation is in trouble, I can't help." Gong Zeli looked away and said coldly, "If you're here for this, you can leave."

With that, he called a subordinate in and said, "Send Miss Shen out."

The subordinate glanced at Shen Rou. "Miss Shen..."

"Zeli, are you really going to be so heartless?" Shen Rou's tears rolled down her cheeks. "I really need your help now. If even you aren't willing to help me, our Shen family will really... be finished."

"Even if I lied to you, we've known each other for so many years. Don't you have any feelings for me?"

"You once said that you'd marry me and treat me well for the rest of your life. Just because I wasn't the one who saved you that night, these promises don't count?"

Gong Zeli had already left.

He stopped at the door.

"Shen Rou, do you still think you're right?" His voice was cold. "That's right. I promised to marry you and treat you well for the rest of my life. All the things I've done for you all these years are because I thought you were my savior."

"If I'd known that you weren't the one who saved me that night, I wouldn't have done so much for you."

Behind him, Shen Rou's face turned pale.

She was on the verge of collapsing. "So, you've never really liked me all these years? If it was any other girl who saved you, would you be so nice to them?"

Of course not.

He thought that the girl that night was her, so...

But Gong Zeli didn't want to explain so much to her.

"If you think so, then so be it."

"Zeli, did you..." Shen Rou suddenly thought of something, and her eyes widened. "Did you find that girl?"

Chapter 1272: Don't Think About Anything You Shouldn't

That was why he was so cold to her.

That must be it.

Otherwise, how could he know that she was lying to him after 10 years?

Could it be that the girl took the initiative to find him and told him the truth?

She might be a beautiful girl.

If she was just a plain-looking woman, Gong Zeli wouldn't have done this.

Shen Rou was filled with jealousy and anger.

Who was that slut!

Gong Zeli frowned. "This has nothing to do with you."

Shen Rou's expression changed.

He really found the girl.

"Zeli, who is she?"

Shen Rou suddenly had a feeling that this girl might be someone she knew.

"This has nothing to do with you." Gong Zeli's voice suddenly turned cold. Even from a distance, Shen Rou could feel it. "Shen Rou, I'm warning you for the last time. Don't think of anything you shouldn't.

"Otherwise, I won't show you mercy."

With that, Gong Zeli strode into the room.

"Miss Shen, let me send you out." The subordinate witnessed everything and couldn't help but sigh when he saw Shen Rou's pale face and swollen eyes.

In the past, Young Master treated Miss Shen so well. He was gentle and considerate, obedient and attentive.

He doted on Miss Shen the most.

Now.

No one would be able to accept such a huge difference.

But who could she blame?

Young Master hated it when people lied to him.

Moreover, Miss Shen lied to the Young Master for 10 whole years.

Young Master was already kind enough to meet her.

Shen Rou's eyes were red as she watched Gong Zeli leave.

She stood rooted to the ground.

"Miss Shen?" The subordinate frowned.

"Have you seen that woman?" Shen Rou suddenly turned around and asked coldly.

The bodyguard was stunned. "Miss Shen, what do you mean..."

"Didn't he find the girl who really saved him that night? Have you seen her?" Shen Rou's eyes were filled with hatred. "Tell me, what did that girl look like? How old is she? Is she very beautiful?"

"Does your Young Master like her a lot?"

"Do you know her name?"

The subordinate finally understood what she was asking about.

He looked at Shen Rou's scary expression and frowned. "Miss Shen, you're asking the wrong person. I don't know what you're talking about."

The subordinate didn't know who the girl was.

Even if he knew, he wouldn't tell Shen Rou.

If the Young Master didn't say it, would he dare to?

And looking at Shen Rou's expression, if she knew who it was, she might do something.

"Miss Shen, I'll send you off." The subordinate made an inviting gesture. His tone was still polite, but it was a little domineering. "Miss Shen, please."

...

Shen Rou had just left Gong Zeli's house when she received a call from Madam Shen.

She picked it up and heard Madam Shen crying. "Rourou, have you got the money? The company's share price is still falling. Your dad is worried sick. The Shen Corporation is being targeted this time. Someone is maliciously messing with the Shen Corporation's stock in the market. The share price is falling more and more."

Chapter 1273: Only Now Understand What She Had Lost

Shen Rou clenched her fists and kept quiet.

"Rourou, can you hear me?" Madam Shen sobbed. "What do you think we should do? Is the Shen family really going to decline?"

"I'm sorry, Mom." Shen Rou bit her lip and dug her nails into her palms. "I didn't get the money. I don't know what to do now."

Before she came, she thought that no matter how heartless Gong Zeli was, he wouldn't leave her in the lurch.

But she was wrong.

It turned out that men were more heartless than women.

He found the woman who saved him that night.

His heart was with that woman now.

It was only at this moment that Shen Rou understood what she had lost.

She closed her eyes and couldn't stop her tears. "Mom, I thought he would help me. I didn't expect him to be so heartless. I want to help the Shen family, but I really can't do anything now."

"Who did you look for?" Madam Shen was stunned for a while before asking, "You went to look for Gong Zeli?"

Shen Rou bit her lip and kept quiet.

More and more tears rolled down her cheeks.

"He's actually unwilling to help?" Madam Shen was a little agitated. "Doesn't he like you? He chased you for so many years, and now you want his help, but he's actually unwilling to help?"

"It seems like you were right not to agree to him back then. This kind of person usually pretends to be devoted and unrepentant, but at the crucial moment, he's actually so heartless. I knew he was unreliable, and I never thought of asking you to look for him. Who knew that you'd still go."

"Mom, it's not what you think." Shen Rou wanted to explain. "He's not the person you're talking about. It's just that there's a misunderstanding between us. That's why he..."

No matter how Gong Zeli treated her now.

Shen Rou didn't want Madam Shen to misunderstand him.

“No matter what misunderstanding it is, the Shen family is facing a life-and-death situation now. His unwillingness to help shows that his feelings for you are fake!” Madam Shen seemed to be angered. Her rapid breathing could be heard from the phone. “Forget it, I knew that the Gong family wasn’t reliable. Now that I’ve seen his true colors, don’t bother with such people anymore. Rourou, come back quickly and follow me to the Mo family.”

“The Mo and Shen families have been friends for decades. Now, only the Mo family might help us. Only the Mo family can get the Shen family through this crisis.”

Shen Rou’s expression changed. “Beg the Mo family?”

“It can’t be helped. The Mo family is our only hope now. Your dad and Old Master Mo have known each other for decades. I think he will help the Shen family on account of our friendship.”

“But the person in charge of the Mo Corporation now is Mo Yesi.” Shen Rou tightened her grip on her cell phone and looked awful. “Even if Uncle Mo is willing to help, he might not be willing.”

She didn’t want to go to the Mo family.

She didn’t want Mo Yesi to know about the Shen family’s current situation.

Because once Mo Yesi found out, Qiao Mianmian would know too.

She didn’t want to embarrass herself in front of her.

“He’s indeed the one in charge, but Old Madam is the one in charge of the Mo family now. Old Madam Mo has a relationship with Old Madam, and she’s a kind person. She definitely won’t leave us in the lurch.

“Alright, don’t hesitate anymore. Come back quickly. No matter what, we have to give it a try. This is the Shen family’s last hope.”

Chapter 1274: Why Isn’t My Daughter You, Mianmian?

“If the Mo family isn’t willing to help...

“Then our Shen family is really doomed.”

After hanging up, Shen Rou gripped her cell phone tightly. After a while, she suddenly remembered someone.

After hesitating for a few seconds, she opened her contacts and made a call.

...

The Bai family.

“Aunt, Qiao Anxin really can’t be your daughter. Although I don’t know what the paternity test is about, there must be something wrong. Although everyone says that family scandals shouldn’t be made public, I really don’t want Aunt’s family to be cheated.

“I’m so sure because Qiao Anxin did a paternity test before.

“When my stepmother brought Qiao Anxin to the Qiao family, Qiao Anxin was already eight years old. Qiao Anxin didn’t look like my dad, so my dad had some doubts about her, so he suggested a paternity test.”

Qiao Mianmian blushed.

But she really didn’t want to see the Bai family being cheated by Qiao Anxin.

Madam Bai and Bai Yusheng were both people she liked.

One was like her brother, while the other treated her like a daughter.

“The paternity test results showed that she and Dad are biological father and daughter. So, how could she be your daughter? Auntie, I’m not saying this because I’m jealous of her. The test results might be wrong. Perhaps you should redo it?”

Qiao Mianmian was afraid that Madam Bai wouldn’t believe her, so she quickly said, “Aunt, I’m really not lying to you. If Qiao Anxin is really your daughter, I wouldn’t say this to you, whether I like her or not. But she...”

“Mianmian.” Madam Bai saw that she was anxious to explain and wiped the sweat off her forehead tenderly. “Good child, don’t worry. Aunt trusts you.”

Qiao Mianmian was stunned. “Aunt, you believe me?”

“Mm.” Madam Bai nodded and said gently, “I believe you.”

“Then, you believe that Qiao Anxin isn’t your daughter?”

Madam Bai smiled again and wiped her forehead. She held her hand and said affectionately, “Mianmian, actually, Aunt already knew. Do you know how I felt when I did the paternity test and found out that she was my daughter?

“I was not happy at all. Just disappointed.

“At that time, I was wondering why my daughter wasn’t you, Mianmian. If my daughter was you, I’d be so happy. If my daughter was you, it would be the best thing that happened to me in the past few decades.

Qiao Mianmian looked at her in shock. “Aunt, you knew that Qiao Anxin wasn’t your daughter?”

“Mm.” Madam Bai nodded. “I told Yusheng the results, but he didn’t believe me. He got someone to check at the hospital and found out that someone might have tampered with the blood.

“Do you know what else he found out?”

Madam Bai looked at Qiao Mianmian steadily and grabbed her hand. “He found out that the blood donation charity event you attended a few days ago was also problematic.”

Qiao Mianmian widened her eyes. “There’s a problem with the donation?”

“Mm, one of the people behind the charity event is Shen Rou. The blood you gave was sent to Renxin Hospital that day. Then, at Yusheng’s birthday banquet, Shen Rou brought Qiao Anxin with her.”

Chapter 1275: Their Scheme Didn’t Succeed

Madam Bai’s voice turned cold. “Yusheng didn’t invite Qiao Anxin to his dinner at all, but she brought her here. Moreover, they didn’t have much of a relationship before this, but they were like close sisters that night.

“Everything was just for their scheme.

“I was foolish to fall for their tricks. If Yusheng wasn’t smart, they would have succeeded.”

Madam Bai got angrier as she spoke.

At that time, the bad guy’s scheme would succeed, but her biological daughter would never be able to reunite with her.

How hateful!

She looked up at Qiao Mianmian with soft eyes. “Thankfully, their scheme didn’t succeed. Mianmian, can Aunt ask you for a favor?”

Qiao Mianmian was still in a daze.

She felt strange when she saw Shen Rou and Qiao Anxin together that night.

She wondered when they became so close.

So, they were plotting to get Qiao Anxin to pretend to be the daughter of the Bai family.

“Aunt, what do you want me to help you with?” Qiao Mianmian was stunned for a while before coming back to her senses.

Madam Bai held her hand and hesitated for a few seconds before looking straight into her eyes.

“Mianmian, Yusheng and I suspect that the blood we did the paternity test with me was yours. Shen Rou planned the blood donation to get your blood.

“So, you’re actually my daughter.”

Qiao Mianmian widened her eyes.

“Auntie, you...”

“Let me finish.” Madam Bai’s voice softened a few degrees. “Qiao Anxin and I are definitely not biological mother and daughter. Ever since Yusheng suspected her identity, I found a way to take some of her hair and do another test.

“The results are almost out.

“If she really isn’t related to me by blood, then the blood at the hospital definitely isn’t hers.

“Mianmian, if that blood isn’t hers, who else could it be?” Madam Bai looked at her steadily. “The most likely possibility is that they took your blood to do this paternity test.

“The paternity test results are correct. So...”

Qiao Mianmian felt Madam Bai tighten her grip on her hand. “If the blood is yours, you’re my Little Seven. Mianmian, Aunt hopes to do a paternity test with you.

“Y-You can promise Auntie?”

Before Qiao Mianmian could reply, a housemaid walked towards them.

“Madam, Miss Qiao,” the housemaid said respectfully. “Madam, Dr. Kaiwei said that he has done what you asked. Please go over now.”

Madam Bai’s expression changed slightly.

She said to Qiao Mianmian, “The results must be out. Mianmian, can you go with Aunt?”

Qiao Mianmian knew that Madam Bai was eager to find her daughter, and she didn’t mind doing a paternity test. It was just a piece of cake for her.

Although Madam Bai had told her so much, she still felt that she couldn’t be the daughter of the Bai family.

She met Madam Bai’s expectant gaze and nodded. “Alright, Auntie. I’ll go with you.”

Chapter 1276: Madam, The Test Results Are Out

“Madam, you’re here.”

A moment later, Madam Bai brought her into a room.

A tall man with glasses walked towards them.

The man looked up at Qiao Mianmian and was stunned. He then turned to Madam Bai. “Madam, the results are out.”

“What was the result?” Madam Bai asked nervously.

The man handed a form to her. “Madam, take a look.”

Madam Bai took it and quickly scanned through it.

When she saw the results, she clenched her fists.

A few seconds later.

Qiao Mianmian relaxed when she saw that Madam Bai seemed to be relieved.

There was a hint of joy in her eyes.

“That’s great.” Madam Bai turned around and looked at Qiao Mianmian happily. “Yusheng’s guess is true. She really isn’t my Little Seven. Mianmian, the results are out. Qiao Anxin isn’t my daughter.

“So, the blood definitely isn’t hers.”

“Mianmian...” Madam Bai’s eyes lit up. “I brought you here because I want Kaiwei to do another test for us. You...”

“Auntie, I’m willing to cooperate with you.”

Before Madam Bai could finish, Qiao Mianmian said, “Aunt, just tell me what I should do.”

“Miss Qiao, it’s very simple.” The man called Kaiwei smiled and said gently, “I just need to draw Miss Qiao’s blood.”

Qiao Mianmian nodded. “Alright.”

She stretched out her arm. “Let’s begin, then.”

“Alright, Miss Qiao, please follow me.”

Kaiwei led her to a seat and took out a brand new set of syringes.

Qiao Mianmian left with Madam Bai.

It would take a few hours to get the results.

Although the outcome wasn’t out yet, Madam Bai already treated her like her daughter.

“Mianmian, Aunt can ask you a question.” Madam Bai’s eyes were full of love and guilt.

“Yes, Auntie.”

“Mianmian, when the results are out, if we’re really mother and daughter...” Madam Bai hesitated for a while and asked carefully, “Will you blame me? Are you still willing to acknowledge me as your mother?”

“Auntie, you said that you sent your daughter away because you had no choice. You had to do that to protect her, right?”

“Yes.”

Madam Bai nodded. “But no matter what, I didn’t fulfill my duty as a mother. Because of my helpless actions, my daughter and I were separated for 19 years. She could have lived a good life, but it was me and our Bai family who let her down.”

Qiao Mianmian thought about it seriously before replying, “But everything you did was because you loved her and wanted to protect her. Moreover, she might be doing very well now, so you don’t owe her anything.”

“All these years, you’ve been looking for her and never gave up. This is enough to prove that you love her.”

“So, if it’s me... I won’t blame you.”

Madam Bai looked up with reddened eyes. “Really? Mianmian, you really won’t blame me?”

Chapter 1277: Did the Bai Family Find Out Something?

“Aunt, you had no choice.” Qiao Mianmian comforted Madam Bai gently. “Don’t worry, I think your daughter will understand.”

Madam Bai looked at her and seemed to want to say something.

Her eyes seemed to say: You’re my daughter.

But it seemed like Qiao Mianmian didn’t think so.

Her answer made Madam Bai feel less burdened.

What she was most afraid of was that her daughter would refuse to acknowledge her.

Thankfully, her daughter was sensible.

Madam Bai felt that God really treated her well.

Not only did she find her daughter, but she also found such a sensible and kind daughter.

At this moment.

She couldn’t wait to acknowledge Qiao Mianmian.

But the results weren’t out yet. Even if she was sure that Qiao Mianmian was her daughter, she couldn’t acknowledge her now.

But fortunately, she had already confirmed that Qiao Anxin was a fake.

The thought of Qiao Anxin made Madam Bai even angrier.

Now that it was confirmed that Qiao Anxin was a fake, it was also confirmed that this had something to do with Shen Rou.

She even thought that the daughter of the Shen family was good.

She actually wanted to matchmake her and her son.

Madam Bai was furious when she thought about this.

Thankfully, Yusheng didn’t like the daughter of the Shen family.

She recalled how Shen Rou brought her to the hospital and said that she was worried about her health. She felt touched..

But now she knew that it was all their scheme.

They were probably planning to pretend to be her daughter.

The more Madam Bai thought about it, the angrier she got.

She said coldly, “This is the first time I’ve been deceived like a fool. Mianmian, let’s go. I’m going to tear apart the liar’s face now.”

...

Qiao Anxin felt increasingly uneasy.

She felt that something was wrong.

Be it Madam Bai or Bai Yusheng, their attitude towards her was wrong.

Especially Madam Bai.

Bai Yusheng had always been suspicious of her, so he was always cold to her.

But Madam Bai's attitude...

Before Bai Yusheng talked to her in the afternoon, she treated her rather well.

But after that...

Qiao Anxin returned to the bedroom and immediately called Shen Rou.

Qiao Anxin lowered her voice and said anxiously, "Miss Shen, I suspect that the Bai family has found out something. The mother and son don't seem to believe the results. Miss Shen, what if they find out that I'm a fake?"

"You said that this is foolproof, right? But I'm really worried that Bai Yusheng will find out something. If he and Madam Bai find out that we lied to them, they won't let us off."

The more Qiao Anxin spoke, the more afraid she got. She thought about Madam Bai's attitude and how Bai Yusheng looked at her when he returned.

She felt her limbs go cold.

"Miss Shen, I'm really afraid..." Qiao Anxin felt a chill down her spine at the thought of Bai Yusheng's gaze.

According to Bai Yusheng's personality.

If he found out anything, she would definitely have to bear the consequences.

At this point, Qiao Anxin was no longer as excited as before. She was afraid...

Chapter 1278: Sister Is Really Good at Coaxing People

"Steady, don't give yourself away." Shen Rou's cold voice was heard. "Even if he suspects something, he won't be able to find anything. That blood is real, and the test results are real. So what if he suspects something?"

"At most, we can do another paternity test. We still have Qiao Mianmian's blood, what are you afraid of?"

"But..." Qiao Anxin felt that things weren't as simple as Shen Rou said.

Madam Bai was easy to get rid of.

But Bai Yusheng...

"If he really found out something, would you still be in the Bai family now? Qiao Anxin, don't be so suspicious anymore. If you continue like this, even if they don't suspect you, they'll think there's something wrong with you.

"Remember, you're the daughter of the Bai family now. Your identity has been confirmed."

Qiao Anxin's anxious heart slowly calmed down.

But she was still afraid.

"Since they can't find anything, why are they still so good to that slut Qiao Mianmian? I'm the biological daughter of the Bai family, right? But whether it's Madam Bai or Bai Yusheng, they're much better to that slut than to me."

She gritted her teeth. "I really don't know what that slut fed them."

"Qiao Mianmian's methods are much better than yours." Shen Rou sneered. "If you had her scheming methods, you could do the same. Alright, let's not talk about her anymore. Qiao Anxin, I've helped you get to where you are now. Shouldn't you repay me?"

Qiao Anxin was stunned. "Miss Shen, what do you want me to do?"

"You've been separated from the Bai family for more than 10 years, and now you've finally been acknowledged. I believe the Bai family owes you now. No matter what request you make, they'll agree to it. I want you to tell Madam Bai to fork out a sum of money to invest in the Shen Corporation.

"Qiao Anxin, remember, I can let you get your current position, but I can also make you return to your original state. So, the investment has to be settled today. I don't care what method you use, you have to get the investment."

Qiao Anxin's expression darkened.

She didn't know if Madam Bai and Bai Yusheng were suspecting her.

But Shen Rou wanted her to get her money.

If Madam Bai and Bai Yusheng suspected her even more because of this, what should she do?

But Shen Rou...

Just as she was getting frustrated, someone knocked on the door.

Qiao Anxin was shocked and looked towards the door.

"Miss, Madam wants you to go down for dinner." A maid's voice sounded from outside.

Qiao Anxin calmed down and looked at her cell phone. She recalled what Shen Rou said to her just now and took a deep breath. "I got it. Tell Mom, I'll go down immediately."

...

Qiao Anxin saw Madam Bai sitting in the living room.

Qiao Mianmian was sitting beside Madam Bai, and they were talking about something. Madam Bai smiled happily.

She couldn't help but feel angry.

She clenched her fists and walked over.

"Mom." She looked at Qiao Mianmian unhappily and couldn't help but say sourly, "Sister is really good at coaxing people. It seems like Mom really likes Sister."

After confirming that Qiao Anxin was an impostor, Madam Bai no longer treated her gently.

Chapter 1279: You're Not Little Seven

She frowned in disgust when she heard Qiao Anxin call her "Mom."

Qiao Anxin was about to complain to her, but when she looked down, she met Madam Bai's hateful and angry gaze.

She was stunned and had a bad feeling.

She was stunned for a few seconds before calling out anxiously, "Mom."

"Shut up!"

Madam Bai was a gentle person. All these years, the Bai family's employees had never seen her flare-up.

But now, she looked at Qiao Anxin with anger in her eyes. "Don't call me that again. What kind of daughter are you, you shameless liar? How dare you pretend to be my Little Seven."

Qiao Anxin widened her eyes in shock.

"Mom, what are you talking about?" Her eyes were filled with panic. When she met Madam Bai's extremely cold gaze, her mind went blank, and she stammered. "What liar? I-I'm your daughter.

"I'm not pretending.

"Didn't we do a paternity test? Mom, you've seen the results too."

What was going on?

How could Madam Bai say that she was a liar and an impostor...

Weren't they fine before?

How could she say that she was an imposter in less than an hour?

Did she and Bai Yusheng really find out something?

No, Shen Rou said that the blood was real. The results also confirmed it.

Even if they investigated, they wouldn't be able to find anything.

So...

Qiao Anxin suddenly thought of a possibility and turned to look at Qiao Mianmian.

Madam Bai had been with Qiao Mianmian the whole time.

This slut must have said something to Madam Bai.

“Qiao Mianmian, what did you say to Mom?” Qiao Anxin was like a cat whose tail had been stepped on. She exploded. “Look, I’ve been acknowledged into the Bai family. Our statuses are worlds apart from each other. Are you jealous of me? So you said bad things about me to Mom.

“Qiao Mianmian, why are you so cheap?

“You don’t like me, so you’re trying to sow discord.

“Mom, don’t believe her.” Qiao Anxin walked to Madam Bai’s side and wanted to grab her hand. “No matter what she said to you, it’s not true. She’s trying to sow discord between us. She’s been jealous that I’m better than her in everything since young. Now that she sees me as the daughter of the Bai family, she’s even more jealous. She’s indignant and can’t stand that I’m better than her. Mom, let me tell you, she’s just...”

Slap.

Before Qiao Anxin could finish speaking, Madam Bai slapped her.

Madam Bai was so angry that her face turned pale. She pointed at her nose and scolded. “Shut up. You used underhanded means to lie to me, making me mistake you for Little Seven. Now, you actually dare to slander Mianmian.

“Mianmian is a thousand times better than you. Does she have to be jealous of you?

“Do you still think the Bai family is a fool? You and Shen Rou used despicable means to take Little Seven’s blood for the test. I’ll settle this with you!”

Qiao Anxin still wanted to explain.

She widened her eyes in shock.

Madam Bai was fu

Chapter 1280: Shen Rou Is the Mastermind

Qiao Anxin finally looked frightened.

“Mom, no, Madam Bai, I-I didn’t mean to...”

Qiao Anxin turned pale and took two steps back.

How could this be?

How could this be!

Didn’t she say that they couldn’t find anything?

Why did Madam Bai know everything?

“Mom, are the results out?”

Footsteps could be heard behind her, followed by the maid’s respectful voice. “Young Master, Mr. Mo.”

Qiao Mianmian saw Mo Yesi and Bai Yusheng walking over.

Bai Yusheng’s expression was dark and cold. He stopped in front of Qiao Anxin.

He looked down at her coldly. “Qiao Anxin, you’ve got guts. You even dared to lie to the Bai family. Who gave you the guts, Shen Rou?”

Hearing Bai Yusheng’s voice, Qiao Anxin looked up and met his cold eyes. She was even more afraid now.

She took a few steps back and shook her head. “I didn’t. I didn’t want to do it. That’s right, it was Shen Rou. She asked me to do it.”

She seemed to have found a life-saving straw and immediately tried to explain herself. “I really didn’t want to do this. It was Shen Rou who found me. She told me that she could make me the daughter of the Bai family and asked if I was willing.

“I was afraid at first too. I rejected her. But she kept promising me that this matter was almost certain and wouldn’t be discovered. She’s the Young Lady of the Shen family, I can’t afford to offend her. Moreover...

“Moreover, if there’s a chance, who wouldn’t want to be the daughter of the Bai family? Who would reject the chance to be above others?” Qiao Anxin looked up with trembling eyes. “But if she hadn’t found me, I wouldn’t have done this at all.

“Shen Rou is the mastermind behind this. I lied to you, but I have to listen to her. She’s someone I can’t afford to offend.”

Bai Yusheng sneered. “You mean you only found out about the Bai family after Shen Rou found you?”

“Yes, she told me.”

“Qiao Anxin, you still want to lie?” Bai Yusheng’s eyes were cold. “You were the one who found out about this first.”

How could Shen Rou know about the Bai family?

And she knew so much about it.

Even Qiao Mianmian’s birthmark was clear.

“No, I really didn’t know.” Qiao Anxin shook her head vigorously. She was so frightened by Bai Yusheng that she was about to cry. Her voice trembled. “She really told me. She found me and told me those things.

“Young Master Bai, believe me. I’m really not lying. Shen Rou told me everything.

“If she didn’t tell me about your Bai family’s private matters, how would I know?”

Bai Yusheng thought she was lying.

But she didn’t seem to.

He frowned.

Did Shen Rou really tell her?

But how did she know about that?

Even he only found out about his sister’s birthmark not long ago.

Just as Qiao Anxin was done crying, Bai Yusheng suddenly saw a housemaid standing in the living room with a strange expression. When she met his gaze, she immediately lowered her head guiltily.

Bai Yusheng had his doubts, but he didn’t think too much about it. He quickly thought of something important.

He looked at Qiao Anxin sharply. “Whose blood did you use for the paternity test?”
