

Big Shot 1281

Chapter 1281: Do You Think She's a Good Person?

Qiao Anxin was stunned and couldn't help but look at Qiao Mianmian.

She bit her lip, her eyes full of hatred.

Even if she failed this time, she wouldn't let Qiao Mianmian, this slut, have the chance to become a phoenix.

"I don't know."

She lied. "Everything was arranged by Shen Rou. I just followed her instructions. I don't know anything."

Bai Yusheng naturally didn't believe her.

His eyes turned even colder. "You don't know, or you don't want to say?"

"Young Master Bai, I really don't know." Qiao Anxin held back the fear in her heart and looked away from Qiao Mianmian. She lowered her head and didn't dare to look at Bai Yusheng. "I'm just helping Shen Rou. I'll do whatever she asks me to do.

"I really don't know anything else."

"Do you think we won't know if you don't say it?"

Bai Yusheng didn't look at her anymore and walked towards Qiao Mianmian. "Mianmian, I suspect that they took your blood to appraise it. So, I want to do it again. Can you..."

"Yusheng, I've already gotten Mianmian to do the test." Madam Bai looked at Qiao Anxin coldly. "We'll get the results in a few hours."

Qiao Anxin looked up.

They actually did a paternity test for Qiao Mianmian?

Qiao Anxin knew very well whose blood she used.

She knew very well who the real daughter of the Bai family was.

She thought that if she didn't say it, the Bai family wouldn't know.

But now, the Bai family actually got Qiao Mianmian to do a paternity test.

Qiao Mianmian was the real daughter of the Bai family.

Once the paternity test results were out, the truth would be revealed.

It didn't matter if she said it or not.

Qiao Anxin's expression darkened.

Why did she become like this when she'd already succeeded?

Why was Qiao Mianmian able to get what she wanted so easily even though she didn't do anything?

Why!!

Why was God so unfair to her?

She could no longer suppress her jealousy and anger.

Qiao Anxin suddenly exploded.

She turned around and glared at Qiao Mianmian. "Yes, that's right. Qiao Mianmian is the real daughter of the Bai family. I took her blood for the DNA test. But so what?"

"You think I'm bad. Do you think she's a good person?"

"Do you think the scandals online are all false accusations? She's the best at pretending to be innocent and harmless. It's as if she didn't do anything wrong. It's always someone else's fault. Someone else is always harming her and bullying her.

"But she's not what you think she is!"

She was indignant.

Why was Qiao Mianmian better than her in every way?

When she was younger, she was in the same school as Qiao Mianmian. They were obviously sisters, but the one everyone praised the most was always Qiao Mianmian.

They praised Qiao Mianmian for her looks, her grades, and her personality.

She wasn't bad.

She received a lot of praise and many people liked her.

But once she was with Qiao Mianmian, she would be ignored.

Chapter 1282: Don't Let Her Take Another Step into the Bai Family

Everyone's attention was on Qiao Mianmian.

Even if someone noticed her, they would only say that she looked different from Qiao Mianmian.

She always felt that Qiao Mianmian was prettier than her.

Even the guy she liked, whom she regarded as a Prince Charming, liked Qiao Mianmian.

Later on.

She and Qiao Mianmian entered the same university.

The guy she had a crush on fell for Qiao Mianmian again.

Not only that.

She chased a guy she thought was good enough, but she couldn't get him.

But Qiao Mianmian didn't spend any effort to date Su Ze.

Su Ze was so much better than the guy she was chasing.

At that time, she felt even more unbalanced.

She had to fight for everything she wanted.

But Qiao Mianmian could get it easily.

She finally managed to snatch Su Ze over after two years of hard work.

She thought she'd finally won once.

She thought that Qiao Mianmian would be defeated by her from now on. She thought that Qiao Mianmian would never be able to make a comeback.

But unexpectedly...

Qiao Anxin's eyes were red as she glared at Mo Yesi.

This man she'd never dared to dream of had actually become Qiao Mianmian's boyfriend.

The Mo family was the richest family in Yuncheng City.

How could Qiao Mianmian be worthy of such an outstanding man!

Just because of her vixen-like face?

Why were all these men so superficial?

Even a man like Mo Yesi was like this...

"Young Master Mo, what do you like about Qiao Mianmian?" Qiao Anxin gritted her teeth. "Do you like her face? Do you think she's still a pure and innocent girl? Let me tell you, she's already been played by someone.

"She's been with Su Ze for two years. Do you think Su Ze can stop touching her?"

"Not just Su Ze, she used to..."

Qiao Anxin was about to say something when she saw Mo Yesi's cold eyes.

She saw the murderous look in his eyes.

"Chase her out, now!" Madam Bai's face was pale. "You stole Mianmian's fiancé and even pretended to be her. You want to snatch her biological parents away. You're too vicious.

"You bullied Mianmian to this extent, and now you're saying that she's not good. You dare to treat her like this in front of us, it's obvious how sinister and vicious you are. I don't want to see such a vicious woman like you ever again.

"Hurry up and chase her out. Don't let her step into the Bai family ever again."

The moment Madam Mo said that the bodyguards immediately went forward and grabbed Qiao Anxin.

Qiao Anxin struggled and looked at Qiao Mianmian viciously. "Qiao Mianmian, don't be smug. Do you think you've won? Do you think everything will go according to your wishes in the future? Let me tell you, you won't have a good ending. What happened to me today is your tomorrow. No, you'll be a hundred times, a thousand times worse than me!"

"Shut her mouth!" Madam Bai was shaking with anger.

The bodyguards immediately stuffed something into Qiao Anxin's mouth and dragged her away.

Chapter 1283: The Truth Is Revealed

A few seconds later.

The hall finally returned to silence.

"Mom, don't be angry anymore. Be careful not to hurt your body." Bai Yusheng got the servant to make a cup of tea and then walked to Madam Bai with it.

"Mom, have some tea to cool down." He handed the teacup to her.

But Madam Bai didn't take it.

She turned around and looked at Qiao Mianmian with tears in her eyes.

"Mianmian." Madam Bai's hand trembled as she held her. She was so agitated that her voice changed. "I knew it. You must be Little Seven. God has treated me well. I've finally found you."

The results weren't out yet.

But that outcome wasn't important anymore.

Now the truth was out.

That blood was Qiao Mianmian's.

As long as the results were right, Qiao Mianmian was the true descendant of the Bai family.

Qiao Mianmian was stunned.

She heard what Qiao Anxin said.

She never thought that she would really be Madam Bai's daughter.

She would never have imagined that she and Qiao Chen weren't children of the Qiao family.

One of them was from the Mo family, while the other was from the Bai family.

Of the three Qiao children, two were adopted.

She'd always known that she didn't look like Qiao Chen and Qiao Anxin.

She wasn't like Father Qiao and Mother Qiao.

She had some doubts about this, but she never expected the truth to be like this.

Madam Bai was already sobbing. She reached out and hugged the dazed Qiao Mianmian and cried sadly. "Little Seven, my Little Seven, Mom finally found you."

"Little Seven, do you know that I've been thinking about you every day all these years? I missed you and how you'd be like when you grow up. I wondered if you'd blame me if you knew that I sent you away."

"Little Seven, Mom let you down back then. Mom caused us to be apart for so many years."

"I'm sorry, I'm sorry..."

Madam Bai trembled.

"Mom." Bai Yusheng frowned. He walked over and gently placed a hand on Madam Bai's shoulder. "Don't cry. You're making Mianmian not know what to do. Mianmian has finally acknowledged us. This is a happy thing. Why are you crying like this?"

"I'm happy." Madam Bai looked up as she sobbed. "I'm just too happy, that's why I'm crying. We searched for more than 10 years before finally finding your sister. Aren't you happy?"

Bai Yusheng was a little helpless. "Of course I'm happy."

"But no matter how I look at it, you don't seem happy at all. You don't have any expression on your face. Are you unhappy?"

Bai Yusheng was speechless.

"Mom, happiness doesn't have to be shown on your face."

"If you don't show it on your face now, when are you going to show it? If you do this, Little Seven will think that you don't welcome her."

Bai Yusheng was speechless.

"If you make Little Seven sad and think that we don't like her, I won't play with you!"

"..."

Bai Yusheng was almost amused by Madam Bai.

He knew how much his mother liked his daughter and how much his mother wanted to find her.

Otherwise, she wouldn't have searched for more than 10 years without giving up.

But his mother's reaction was too big.

Chapter 1284: Give Her Some Time

She was crying like a three-year-old.

He hadn't seen his mother cry like this in a long time.

She was really full of tears.

“Mom, I think you should let go of Mianmian first.” Bai Yusheng’s lips twitched. He looked at Qiao Mianmian in Madam Bai’s arms and found it funny. “You scared Mianmian just now.

“You’d better let Mianmian slowly get accustomed to it first.”

Madam Bai looked up in shock.

Then, she saw Qiao Mianmian’s confused and helpless expression.

Obviously, compared to Madam Bai’s excitement and joy, she didn’t cry from the joy of reuniting with her mother, nor did she feel aggrieved and sad after being separated from her mother for more than 10 years.

She was instead more confused.

She had lived in the Qiao family for more than 10 years.

She had always thought that she was from the Qiao family and Qiao Ruhai’s daughter.

One day, someone told her that she wasn’t related to the Qiao family by blood.

Her biological parents were actually someone else.

This was too sudden and unexpected for her.

Hence, Qiao Mianmian didn’t feel much joy.

She couldn’t feel the same way as Madam Bai.

This was something she couldn’t accept.

“Mianmian, did I really scare you?” Madam Bai looked very cautious as if she was afraid that she’d really scare her. “I’m sorry, Mom was just too happy. Mom’s reaction just now was a little too agitated. Y-You talk.”

Madam Bai was so careful that she had to think about whether it was appropriate to say anything.

She got anxious when she saw that Qiao Mianmian was just looking at her in a daze.

“Mianmian, did Mom say something wrong? Are you unhappy?” Madam Bai looked nervous.

“N-No.”

Qiao Mianmian finally snapped out of her daze. “Aunt, no, you didn’t say anything to anger me.”

“Are you still calling me Aunt?” Madam Bai’s eyes were a little sad.

“I...” Qiao Mianmian was at a loss for words.

She couldn’t bear to see Madam Bai disappointed.

But she really couldn’t bring herself to call her Mom.

She liked Madam Bai.

But this was different from asking her to immediately acknowledge Madam Bai as her mother.

“Mom, you’re too anxious.” Bai Yusheng could tell that Qiao Mianmian was still unable to accept this. He advised Madam Bai. “You have to give Mianmian some time. This is too sudden for her.”

“Aunt Bai.”

Mo Yesi watched for a while and slowly walked to Qiao Mianmian. He reached out and touched her head. “This is too sudden for Mianmian. I hope Aunt Bai won’t let her make a decision now and give her some time to think it through.

“After all, this isn’t a small matter.”

Madam Bai was so immersed in the joy of finding her daughter that she couldn’t think about anything else.

She only had one thought in her mind. She wanted to acknowledge Qiao Mianmian and bring her back to the Bai family.

Now that she had calmed down, she gradually regained some rationality.

Chapter 1285: Why Are You Staring at Mianmian?

She was too anxious.

She seemed to have really scared Little Seven.

“I’m sorry, Little Seven. I was too anxious.” Madam Bai immediately let go, but she couldn’t bear to look away from Qiao Mianmian. “Alright, alright, alright. Listen to Yusheng and Yesi, I’m not in a hurry. Take your time to think about it.”

Qiao Mianmian looked up at Mo Yesi.

“Mianmian, you don’t have to think about anything now.” Mo Yesi patted her head again and held her hand to pull her up. “Just like I said before, I’ll support you no matter what you choose.

“No one will force you.

“It’s your choice.”

“Yes.”

Bai Yusheng said gently, “Mianmian, no matter what choice you make, we can understand. Alright, let’s not talk about this for now. Let’s have dinner first, alright?”

“Let’s talk after dinner.

“I heard that Mom personally cooked a table of good dishes today. Even I haven’t eaten her dishes for a few years. This meal is all thanks to you guys.”

“Yes, Mianmian.”

Madam Bai quickly got up and said, “The meal is ready, and it’s getting late. Let’s eat first.”

Qiao Mianmian looked at Mo Yesi, who nodded at her.

She grabbed his hand and nodded. “Alright.”

Madam Bai was elated and immediately got the housemaid to settle it.

...

Although Madam Bai rarely cooked, her culinary skills were really good.

There were all sorts of dishes on the table.

She sat beside Qiao Mianmian and kept her eyes on her.

During the meal.

If Qiao Mianmian’s gaze lingered on the dish for a few seconds, she would immediately place it in her bowl.

Qiao Mianmian only ate the few dishes in front of her and was too embarrassed to look at other dishes.

Every time she ate a dish, Madam Bai would ask her how it tasted and whether she liked it.

Throughout the meal, Madam Bai didn’t eat much herself. She just watched Qiao Mianmian eat.

“Mom, eat it yourself.” Bai Yusheng couldn’t take it anymore. He picked up a few dishes from Madam Bai’s bowl. “Why are you staring at Mianmian? Mianmian is having trouble eating.”

Madam Bai chuckled.

She turned around and glared at him. “Mianmian is beautiful, so what if I take a few more glances? Don’t bother about me. I’m not hungry, and I can’t starve myself.”

Bai Yusheng rubbed his forehead helplessly.

“Mianmian, don’t you like this prawn? Why haven’t you picked it up?” Madam Bai slowly realized that Qiao Mianmian only ate a few dishes in front of her and didn’t eat anything else. “Are you sick of it?”

“No, Aunt’s dishes are all very good. I’m not sick of them. I’m just full.” Qiao Mianmian pursed her lips. When she called her “Aunt”, she saw a hint of disappointment in Madam Bai’s eyes.

She knew that she was undoubtedly the daughter of the Bai family now that the truth was out.

Madam Bai was her biological mother.

She should change her mind.

But she really couldn’t say it.

Madam Bai was indeed a little disappointed.

She had been looking for her for more than 10 years before she managed to acknowledge her daughter. Naturally, she couldn't wait for her daughter to acknowledge her.

Chapter 1286: She Really Wanted to Make It Up to Her Now

But she also knew that to Qiao Mianmian, her biological mother was just a little more familiar than a stranger.

Qiao Mianmian was making things difficult for her.

But she still felt a little disappointed.

"You've only eaten so little, and you're already full. No wonder you're so skinny." Madam Bai's eyes were a little pained as she said, "Mianmian, are you really full? Is it because you artistes have to maintain your figure, so you can't eat too much?"

"No, Aunt, I'm really full." Qiao Mianmian felt that she had actually eaten a lot. She thought that Madam Bai had been busy making this table of dishes for a long time, so she had tried every dish.

Qiao Mianmian couldn't bear to see Madam Bai disappointed.

She immediately said, "Aunt's food is very good. I like every dish. It's just that I don't usually eat much, and my appetite is smaller, so I can't eat much. I'm really full."

"You've lost so much weight." Madam Bai sighed. "If you come and live with me for a month, I'll make sure you gain a lot of weight. When the time comes, I'll cook whatever you like."

Qiao Mianmian pursed her lips and kept quiet.

Madam Bai sighed again.

Forget it, forget it. She couldn't rush it.

Now that her daughter was back, there was no need to rush things.

It wouldn't be worth it to force her to leave.

She shouldn't be too greedy.

God took pity on her, and it was already a special blessing for them to acknowledge each other.

She shouldn't ask for too much.

She was too greedy. She was afraid that God would take back what he had given her.

...

After dinner.

Madam Bai wanted to keep Qiao Mianmian, but Bai Yusheng stopped her.

"Mom, it's getting late. Mianmian and Ah Si have something on. They have to go back."

“Let’s talk another day.”

Madam Bai obviously couldn’t bear for Qiao Mianmian to leave.

They had just reunited.

She had so much to say to her daughter.

She couldn’t wait for Qiao Mianmian to stay in the Bai family.

This way, they could be together every day.

Madam Bai felt that she owed Qiao Mianmian too much. She didn’t fulfill her duty as a mother, nor did she give her daughter the motherly love she deserved.

She really wanted to make it up to her.

“Then, Mianmian...”

She looked at Qiao Mianmian reluctantly. “If I miss you, can I visit you? Will you come and see me again?” she asked cautiously and waited for Qiao Mianmian’s reply nervously.

“Aunt, of course.” Qiao Mianmian’s feelings were very complicated. She looked at Madam Bai’s cautious expression and couldn’t help but feel a little sad.

According to Madam Bai, she had no choice but to do that.

She wasn’t wrong. She just wanted to save her daughter’s life.

Qiao Mianmian didn’t blame Madam Bai for sending her away. She thought about it and felt that if she was in that situation, she would have done the same thing.

She didn’t blame Madam Bai.

She just hadn’t fully accepted this. She didn’t know how to interact with Madam Bai in the future.

Madam Bai waited for her answer carefully and nervously. When Qiao Mianmian didn’t reject her, she smiled.

Chapter 1287: Isn’t She Going Too Far?

She hesitated for a while before grabbing Qiao Mianmian’s hand. “Mianmian, are you really... not blaming me? Do you really understand what I did back then?”

Madam Bai was still worried.

She was afraid that Qiao Mianmian would say that she didn’t mind it but still blamed her inside.

She was afraid that her daughter wouldn’t acknowledge her.

“Mm.” Qiao Mianmian nodded. “Aunt, I really don’t blame you. I know everything you did was for my own good. You didn’t have a choice back then. I can understand.”

“That’s good, that’s good.” Madam Bai’s eyes were a little moist. “As long as you don’t blame me. Mianmian, I know you can’t accept this right now, so I won’t force you. You can go back and think about it slowly.

“But no matter what you decide in the end, I still hope that you can give me a chance to make it up to you as a mother. Even if you don’t want to acknowledge me, at least give me a chance to make it up to you.

“Otherwise, I’ll feel bad for the rest of my life.”

...

Leaving the Bai family.

Qiao Mianmian sat in the car and waited for the car to drive a distance away. She turned to look out of the window and could still see Madam Bai watching them leave.

She looked away after a while.

“What are you thinking about?” Beside her, Mo Yesi followed her gaze and reached out to pull her into his arms, gently rubbing the top of her head.

Qiao Mianmian leaned against his chest and listened to his steady heartbeat. She kept quiet for a while and then said unhappily, “Mo Yesi, I suddenly feel bad. Do you think I went overboard?”

She could tell how reluctant Madam Bai was.

She could tell that Madam Bai was upset too.

She knew that Madam Bai wanted to acknowledge her as her daughter immediately.

At that moment, Madam Bai stood rooted to the ground and watched them leave. Even though their car was already very far away, she still didn’t leave.

At that moment, she wondered if she’d gone overboard.

“Why are you upset?” Mo Yesi asked gently as he caressed her silky hair.

“I just feel terrible. I feel... that Aunt Bai is a little pitiful. I’m wondering if I’ve gone overboard. Should I not do anything to her? But...” Qiao Mianmian looked up and said blankly, “I’m not ready to acknowledge her.

“Mo Yesi, do you know?”

“Actually, my mom treated me very well too. She was my adoptive mother, but she really doted on me, and I loved her very much. So now, I...” She didn’t know how to express her feelings.

But Mo Yesi understood.

He knew what she wanted to say.

The man kept quiet for a few seconds before running his fingers through her hair. “Do you think you’ll let your adoptive mother down if you acknowledge Aunt Bai?”

Qiao Mianmian was silent for a while. "That's one of the reasons. I just feel that Aunt Bai is a very warm and gentle elder to me. I like her too, but if she suddenly becomes my mother, I feel strange."

"But you can't bear to see her sad?"

"...Mm."

"The Bai family has been looking for you for more than 10 years. They finally found you."

Chapter 1288: The Most Beautiful Love Words

"Aunt Bai and Bai Yusheng liked you so much previously, they must want to acknowledge you. Mianmian, I won't help you analyze this. Think about it yourself."

This was one of Qiao Mianmian's biggest events in life.

It was up to her.

Qiao Mianmian was still confused. "I-I don't know..."

"Take your time, there's no rush."

Mo Yesi stroked her head again and said gently, "It doesn't matter if you're willing to return to the Bai family or not. I'll always be by your side."

Qiao Mianmian looked up and met the man's gentle and loving eyes. She pursed her lips and asked softly, "Mo Yesi, if I return and become a member of the Bai family, won't you have fewer troubles?"

"Mm?"

"If I become Aunt Bai's daughter, then I'll be the daughter of the Bai family in the future. The Qiao family's background is low, and it's climbing up the Mo family's social ladder. The Bai and Mo families are compatible.

"By then, Mom won't think that we're not compatible because of my family background.

"You won't have to be caught in a dilemma in the future."

"Is that what you think?" Mo Yesi was stunned. "Mm, if you return to the Bai family and become Aunt Bai's daughter, my mom won't be dissatisfied with your status.

"This can indeed reduce some internal conflicts.

"But, Baby..." The man paused and looked at her gently. "I don't need you to do this for me. I hope you'll only consider yourself when you make a decision.

"Remember."

He reached out to pinch Qiao Mianmian's chin and raised her head. He looked at her deeply and said word by word, "You're my wife. From the moment we got our marriage certificate, we have to live our lives.

“You’ll be living with me, not my family.

“It’s best that they like you. It doesn’t matter if someone doesn’t like you. Remember, as long as your husband loves you, nothing else matters.”

Qiao Mianmian looked at him blankly, her heart racing uncontrollably.

“What if... you don’t love me anymore?”

“This day won’t come.”

Mo Yesi said seriously, “This day will never come. Even if I die, my soul still loves you. Qiao Mianmian, you can doubt many things about me, but you can’t doubt my love for you.”

Qiao Mianmian blushed.

When the man said “my love for you”, her heart palpitated wildly.

She thought that the most beautiful and moving words in this world were “I love you”.

...

On the other side.

“Mom, let’s go in. We can’t see her anymore. What are you still looking at?” Bai Yusheng placed a hand on Madam Bai’s shoulder and turned around.

“Yusheng.”

Madam Bai took a few steps and stopped, looking a little sad and reluctant.

She turned around, and her eyes were still red. “Do you think Mianmian hates me? She doesn’t want to forgive me and acknowledge me as her mother.”

“Mom, don’t think too much.” Bai Yusheng comforted her patiently. “Didn’t Mianmian say that she didn’t blame you?”

“She did,” Madam Bai said sadly. “But she might have said that just not to embarrass everyone. She still hates me in her heart. If she didn’t hate me, why would she suddenly be distant from me?”

Chapter 1289: She Couldn’t Pick Someone Better Than Him

“She was so close to me before.”

“She’s unfamiliar with you not because she hates you, but because she suddenly found out about her relationship with our Bai family and couldn’t accept it.” Bai Yusheng looked at Madam Bai’s sad expression and sighed. “Mom, you’re too anxious.

“You have to give Mianmian a period to adapt. You expect her to accept us immediately and return to the Bai family to love us. How is that possible?”

“Qiao Anxin is willing to do this. Isn’t she an impostor?”

“We’ve already found Mianmian, what’s the rush? You’ve endured for more than 10 years, can’t you bear it for a while more now?”

“I understand your logic.” Madam Bai’s eyes were filled with worry. She obviously didn’t take his advice to heart. “But what if Mianmian hates me and your dad and refuses to acknowledge us?”

Bai Yusheng was rather open-minded. “If she’s unwilling, then we’ll respect her decision. After all, when you sent her away, you didn’t ask if she was willing. Now that you want to bring her back, are you going to forcefully do it regardless of her wishes?”

Madam Bai panicked. “She was still a baby back then. How could I ask her if she was willing?”

“Mom, don’t be anxious.” Bai Yusheng gently pressed on her shoulder. “I’m just giving an example. I mean, we have to respect Mianmian’s decision. It’s precisely because the Bai family owes her so much that we can’t do anything to make her unhappy.

“She can do whatever she wants in the future.

“Everything is going according to her wishes. Actually, to us, it’s a form of comfort to be able to see Little Seven living a happy life.

“How is she doing well?” Madam Bai’s expression darkened at the thought of Qiao Anxin. “I got someone to ask around. Ever since her adoptive mother passed away, her stepmother and stepsister have been bullying her. My Little Seven has suffered so much all these years.”

“But she’s happy now.” Bai Yusheng smiled. “She’s married to the Second Young Master of the Mo family. Even if she doesn’t return to the Bai family, with Mo Yesi protecting her, who would dare to bully her?”

“What did you say?!” Madam Bai widened her eyes. “Who did you say Little Seven married?”

“Mom, Mianmian and Mo Yesi are already married.”

“What, Little Seven and Mo Yesi are already married?”

“Mm, I only found out about it today.”

Madam Bai was shocked.

After a while, she snapped back to her senses. “But Little Seven is still so young, how could she be married? I was thinking of picking a good husband who loves her. How did she get married?”

Madam Bai couldn’t accept this.

Bai Yusheng was amused. “Mom, who else are you picking? In Yuncheng City, can you find a more outstanding man to be your son-in-law? Of course, your son is an exception, but Mianmian and I are siblings.

“Mo Yesi’s family background, looks, and personal abilities are all top-notch. If you really want to pick, you won’t be able to find someone better than him.”

Madam Bai was speechless.

She thought about it and realized that it was true.

The two children of the Mo family were definitely the best in the city.

The ones she picked out were definitely not as good as them.

Chapter 1290: Unprecedented Gentleness

“Mo Yesi is very outstanding and is worthy of our Little Seven. But what’s the point of being outstanding? The most important thing is to know how to take care of others.

“I’d rather Little Seven find a man who isn’t as good as him but values her.”

“Then, you can be even more rest assured.” Bai Yusheng narrowed his eyes and smiled. “Your son-in-law definitely dotes on your daughter. I’ve known Mo Yesi for so many years, but I’ve never seen him care so much about anyone.

“I’m not worried about Mianmian marrying him.”

...

Qiao Mianmian woke up and received a message from Bai Yusheng.

The male lead had already been decided. If nothing went wrong, the shoot would start tomorrow after everyone was back.

Bai Yusheng told her to prepare well. The male lead was definitely capable.

After Qiao Mianmian saw Bai Yusheng’s post, she immediately searched for the new male lead on Weibo.

She was shocked when she found it.

She was pleasantly surprised.

Bai Yusheng’s new male lead was actually an actor she’d always admired.

He was an A-list celebrity.

He was considered young in the industry, but many people addressed him as “Brother”.

He was only 27 years old but had already won three Best Actor awards.

It could be said that the new male lead was stronger and more influential than Tu Yilei.

Most importantly, Qiao Mianmian’s dream was to act with Qin Han one day.

Bai Yusheng had actually fulfilled her wish.

She was about to close Weibo when she saw a familiar name.

It was a piece of financial news. The news reported that the Su Corporation had just been acquired by the largest company in Yuncheng City, the Mo Corporation.

Qiao Mianmian was stunned for a few seconds.

She continued reading.

After reading the entire news report, she didn't feel much. Other than the initial shock, she felt that everything else was normal.

This was Mo Yesi's style.

First, he acquired the Su Corporation overnight. Then, he appointed Young Master Su Ze as the vice president of a branch company and got him to report to that branch company.

The title of the Vice-President of a branch of the Mo Corporation didn't sound bad.

But that branch was in Country F.

Country F was a place no one wanted to go to. It wasn't as exaggerated as a bird not pooping, but it was pretty much the same.

Hence, even though Su Ze was said to be the vice president, he would definitely suffer in the future.

After Qiao Mianmian saw the news, she guessed that it must be Mo Yesi's doing.

She was about to ask Mo Yesi when her cell phone rang.

It was an unknown number.

Qiao Mianmian picked it up, but Madam Mo's voice came from the other end.

Her tone was unprecedentedly gentle.

Madam Mo asked her to return to the Mo Residence. She said that she had something important to discuss with her.

In the end, she even said that Old Madam missed her and wanted her to go back for lunch.

She hung up.

Qiao Mianmian thought that since Old Madam was around in broad daylight, she wasn't afraid of Madam Mo causing trouble.

She sent Mo Yesi a WeChat message and got someone to send her to the Mo Residence.

...

At the Mo Residence.

Uncle Zhang came out to pick her up.

Qiao Mianmian was relieved to see him.
