

## Big Shot 1301

### Chapter 1301: I've Considered It, I'm Going Back to the Mo Family

"At that time, the Mo Corporation's next heir hadn't been confirmed yet. He did something disgraceful and would be disqualified as the heir. In order to get you on the Mo family's genealogy, your father gave up competing for the heir position.

"So, Chen Chen, actually, your father... loves you very much. It's just that his wife couldn't accept you, so you were sent to the orphanage.

"If you want to return to the Mo family now, I'm afraid his wife won't be happy. Chen Chen, back then, she hid it from your father and got someone to steal you. She even wanted to harm you. I'm afraid she'll do the same thing now and get someone to deal with you."

Qiao Chen kept quiet for a while before looking up. He pursed his lips and said calmly, "Sister, so I have to become stronger to protect myself, right?"

"Chen Chen, your brother-in-law said that she'll be afraid when you return to the Mo family."

Qiao Chen pursed his lips and kept quiet for a few seconds before nodding. "Sister, I understand what you mean."

"Sister." After a few seconds, Qiao Chen looked up with determination in his eyes. "I've thought it through. I'm going back to the Mo family."

Qiao Mianmian hesitated.

"Are you sure? Chen Chen, don't force yourself..."

"I'm not forcing myself." Qiao Chen smiled slowly, but there was no smile in his eyes. He said coldly, "Sister, actually, I've already thought about it. Only by making myself stronger can I protect myself and you.

"I need an identity that can make me stronger. This way, I'll have a family that can support you in the future. Sister, do you know that I was really angry when I saw you being wronged by Madam Mo?"

"But what could I do for you then?"

"Madam Mo doesn't care about me at all.

"At that moment, I thought that I would work hard to become stronger in the future. One day, I will make everyone not dare to look down on us."

"Chen Chen." Qiao Mianmian's eyes were wet.

She didn't expect him to be willing to return to the Mo family for her.

He said he wanted to protect her...

So what if they weren't real siblings?

Their relationship was already better than many siblings.

Qiao Mianmian was extremely touched and couldn't help but fall into Qiao Chen's arms. She hugged her brother and cried. "Chen Chen, I don't need you to protect me. Sister just wants you to be fine."

"If you don't want to return to the Mo family, then don't. Don't force yourself because of me."

"Sister, I don't think so." Qiao Chen was stunned for a while before hugging Qiao Mianmian and patting her head as if comforting a child. "I've thought about it seriously for a long time. This is my decision, no one can force me."

"Didn't you say that my father loves me? I'm not going back to be bullied. Don't worry about me."

"Sister, I want to meet him alone."

...

After meeting Qiao Chen, Qiao Mianmian told Mo Yesi his decision.

Mo Yesi wasn't too surprised.

Qiao Mianmian looked at him. "Did you already know that Chen Chen would choose to return to the Mo family?"

Mo Yesi smiled. "Chen Chen is a smart child. He just made the right choice."

### **Chapter 1302: Mo Yesi, This Child!**

"I'll tell Second Uncle about his request and get him to arrange a meeting. Actually, Second Uncle wanted to meet him too. Both father and son thought of the same thing."

"Mo Yesi, can I ask you for a favor?"

"Baby, why are you being so formal with me?" Mo Yesi frowned as if he was unhappy. "Do you still need to ask?"

"Alright, then." Qiao Mianmian smiled and looked up at him. "Do something for me, alright?"

The man seemed satisfied and nodded. "Go on."

"Can you arrange for more people to protect Chen Chen?" Qiao Mianmian was still worried. "I'm afraid Second Madam will take action in the next few days."

Mo Yesi reassured her. "Don't worry, I've already made arrangements. They're all people who've been by my side for many years. They'll definitely protect Chen Chen."

Qiao Mianmian was relieved to hear that.

She trusted Mo Yesi.

Since he said it was fine, it was definitely fine.

"Oh right, I'll go back to pack up later and head to F City." Qiao Mianmian recalled the WeChat message Bai Yusheng sent her and told Mo Yesi about the shooting restarting tomorrow.

The man frowned. "Why so soon?"

Qiao Mianmian said, "... Not really. I've already taken so many days off. I hope we can start filming again soon. Did you know that Brother Bai chose Qin Han as the male lead this time? Qin Han is super amazing. He won three Best Actor awards in just seven years.

"Moreover, he's one of the more popular ones. He's good at acting and is handsome. I really like him.

"My dream was to work with him on a television show. I didn't expect..."

As Qiao Mianmian spoke, she felt the temperature in the car drop.

She turned around.

Beside her, the man's handsome face was filled with unhappiness. He narrowed his dark eyes and asked her in a dangerous voice, "Qin Han? You like this actor? Your dream was to act with him?"

Qiao Mianmian was speechless.

She was too familiar with Mo Yesi's jealousy.

"I just admire him." She looked at the man's furrowed brows and immediately added, "I admire his acting skills. I only admire him at work."

Qiao Mianmian felt a headache coming on.

He had to mind every actor she worked with.

Why was this man so petty?

He had so many female secretaries around him, but she didn't mind.

She knew that he wouldn't have any feelings for them.

Why couldn't he be more confident and trust her?

"Mm, it's just a work appreciation." Mo Yesi smiled, but his coldness didn't dissipate. "You said he was handsome just now. Baby, how handsome is he?"

The man lifted her chin and looked down at her. "Tell me, who is more handsome, he or me?"

Qiao Mianmian was speechless.

He was so childish!

"Mm?" Mo Yesi's handsome face came closer, magnified several times in front of her eyes. At this close distance, his eyes became deeper and more charming. "Baby, answer me. Is he handsome, or is your husband handsome?"

"Mo Yesi, you..."

"Call me Hubby," the man ordered.

**Chapter 1303: I Like It Even If It's Unreasonable**

She didn't know whether to laugh or cry.

This man was really like a child when he was childish.

She took it as coaxing a child. She sighed in her heart and reached out to hold the man's handsome face. "Hubby, you're the most handsome in my heart. No one can compare to you.

"Qin Han is just an idol, and you're my husband. You have a different place in my heart.

"So, you don't have to be jealous of him. He'll never be able to compare to you."

These words should be useful.

Qiao Mianmian looked at the man's deep eyes and immediately smiled. The coldness surrounding him gradually disappeared.

"Am I the most handsome in your heart?" Mo Yesi raised his brows and smiled.

"Mm, you're the most handsome!" Qiao Mianmian nodded vigorously. "No one can compare to you."

He should be satisfied with this answer.

"I'm more handsome than Qin Han?"

"Mm!"

"What about Tu Yilei?"

Qiao Mianmian was speechless.

He actually remembered Tu Yilei. He was indeed childish and petty!

"I'm not as handsome as him. Didn't you say that I'm the most handsome in your heart?"

"But you said that Qin Han is your idol." The man was still bothered by this. "Why didn't you tell me about this before?"

It was easy for women to develop feelings for the person they admired.

He didn't know what Qin Han looked like. He had to get someone to investigate him.

"You didn't ask me." Qiao Mianmian blinked innocently. "Mo Yesi, you don't mind, right? Qin Han is really my idol. I just admire his acting. Nothing else.

"Don't be so petty."

Mo Yesi kept quiet.

Qiao Mianmian thought for a while and then pecked him on the lips. She then said coquettishly, "Is this alright? Hubby, I'm going to work. I'll inevitably come into contact with the opposite sex. You can't be jealous and unreasonable.

"You get to know women at work too. Did I say anything?"

"I hope you mind." Mo Yesi pursed his lips again. Looking at the girl's exquisite face, he suddenly felt a little depressed. "Mianmian, I hope you're jealous. I hope you mind. I hope you can mess with me like this.

"I like it even if it's unreasonable."

His wife was too rational and had never been jealous of him.

He thought that she would mind Shen Rou, but she didn't.

No man would like an unreasonable woman.

But when his rationality reached a certain point, he didn't get jealous at all. He was so sensible that he started to doubt life.

He wondered if she was so sensible and quiet because she didn't care about him.

Hence, she didn't care if there were other women around him.

In this relationship, he gave it his all.

But he didn't know what position he held in her heart.

Qiao Mianmian was stunned.

"You're jealous. If you argue with me, at least I'll feel that you care about me. If you don't, I'll feel that I'm not important to you, that I'm not worth it."

#### **Chapter 1304: She Saw Many Things During That Time**

Qiao Mianmian was shocked.

This was the first time Mo Yesi said that to her.

She never knew that he thought this way.

She'd always thought that she was the one who felt insecure because of their status.

After a moment of shock, she quickly explained, "No. Mo Yesi, I believe you. I don't want you to think that I'm an unreasonable woman."

He was so good that even if another woman appeared beside him, she wouldn't let her thoughts run wild.

She believed that he wouldn't do anything to let her down.

She never thought that her trust would make him feel that she didn't care about him enough.

"Sometimes, I really hope you don't trust me too much." Mo Yesi sighed.

Qiao Mianmian wanted to say that it wasn't that she wasn't jealous.

But she didn't have anything to be jealous of.

He always kept a distance from women. He'd known Shen Rou for over 20 years, but he hadn't seen anything special in her.

His attitude was still indifferent.

She was too relieved to see him like this.

"You're going to F City this afternoon?" Mo Yesi knew that some things couldn't be rushed, so he didn't continue this topic.

Qiao Mianmian nodded. "Mm, I have to report to the set tomorrow morning. I have to go over and prepare today."

Mo Yesi looked at the time on his watch. "Let's have lunch together, then. I'll go back with you to pack after lunch. I'll send you to the airport later."

"Aren't you going to work?" Qiao Mianmian knew that he was busy with work and didn't want to delay him.

"Mm, I won't be going today. I'll go to the office after I send you to the airport." Mo Yesi made a call.

Qiao Mianmian listened to him as he said, "I won't be going to the office in the afternoon. If it's not something important, just help me settle it. Send me the documents that I need to settle personally. Also, get the vice-president to host the meeting in the afternoon. Send me the summary report after the meeting.

"Cancel the appointment for lunch too. Tell Chairman Chen that I'm not feeling well. We'll arrange another day.

"I'll keep it for tonight. I'll let you know when the time comes."

A few minutes later, Mo Yesi hung up.

Qiao Mianmian guessed that he must have called Wei Zheng.

"Can you really do this? Actually, you don't have to send me. There's a chauffeur at home, the chauffeur can send me..."

Qiao Mianmian was interrupted before she could finish. "Since I'm here, I can't let anyone send you. Moreover, you're going to another city soon. Can't I stay with my wife for a while more?"

Qiao Mianmian was speechless.

She was worried that it wouldn't be good if they were apart for too long.

Now, she didn't have any worries.

Back when she was in F City, Mo Yesi went there almost every day.

There was no such thing as a foreign land separation affecting their relationship.

But during that time, she saw many things clearly.

She saw how important she was to him and how much this man cared about her.

It was also during that period that her feelings for him increased.

Qiao Mianmian didn't say anything else.

Actually, she wanted to spend more time with Mo Yesi.

She was just afraid that it would affect his work.

### **Chapter 1305: As a Woman, She Felt Ashamed**

Since he didn't care, why should she?

"It's getting late, think about what to eat for lunch." Mo Yesi patted her head. "Think about if there's anything you need to buy. We'll go to the mall after lunch."

...

Qiao Mianmian wanted to eat hot pot, but considering that Mo Yesi couldn't eat spicy food, she chose a restaurant with a lighter taste.

After the meal, she didn't have anything to buy, so they went back.

The servants were shocked to see Mo Yesi.

After all, he rarely went home during work hours.

Later, a housemaid found out that Qiao Mianmian was flying to F City in the afternoon. Mo Yesi came back with her to pack her luggage and send her off. She enviously told the other housemaids.

The housemaids were envious.

"Young Master treats Young Madam so well."

"Yes, Young Master is very busy at work too. Before getting together with Young Madam, he often worked overtime in the office. Now that he's married and has Young Madam, I feel that Young Master's focus is no longer on his work."

"That's right. Young Master used to be a workaholic and rarely returned home. Moreover, don't you think that Young Master's temper has improved a lot since he got together with Young Madam? No, I should say that he's more humane now. He's no longer as cold as before. To be honest, although Young Master is very good-looking, I was really afraid of him in the past."

"Everyone says that Young Master and Miss Shen are the most compatible, but I think Young Master and Young Madam are very compatible too. Initially, I felt that Young Madam's background wasn't good enough and wasn't compatible with Young Master. But now, I've changed my mind. I feel that marriage doesn't have to be compatible. Young Master and Young Madam are very good too."

"Does that mean we have a chance to marry into a rich family?"

“Pfft, stop dreaming. Young Madam’s background isn’t good enough, but do you have her looks? If you don’t have even that, don’t even think about having such a good life. If you look like Young Madam, you’re destined to marry into a rich family. Birth isn’t important anymore.”

The housemaids were discussing fervently.

Upstairs, Mo Yesi took out Qiao Mianmian’s luggage and opened the closet to help her pack.

Men had been pampered since they were young, but their ability to take care of themselves was stronger than many ordinary people.

He packed his luggage more professionally than Qiao Mianmian did. Every piece of clothing was neatly packed.

In the past, Qiao Mianmian used to pack her own luggage and put her clothes in haphazardly.

Looking at how Mo Yesi cleaned her up, she felt ashamed as a woman.

Mo Yesi pushed her aside.

“I’ll pack your luggage, you don’t have to bother about it. You can bring some of your usual skincare products over, I’ll help put them on too.”

“Oh, alright.”

Qiao Mianmian obediently went to the washroom and grabbed the skincare products and makeup she usually used.

When she brought them over, Mo Yesi had already packed her clothes.

Her underwear was also folded neatly in a corner.

He took the skincare products from her and finished packing in a few minutes.

Qiao Mianmian couldn’t help but sigh. “Mo Yesi, I feel like my life skills are deteriorating after marrying you.”

### **Chapter 1306: Mo Yesi, You Don’t Mind?**

She was worried that if he pampered her for so long, she wouldn’t be able to do anything in the future.

As long as this man was by her side, she didn’t have to do anything.

Because he would do everything.

“Marry me and enjoy your life. You don’t need any life skills.” Mo Yesi packed his luggage and got up. He slowly walked towards her and looked down at her. “Baby, I’m really worried about you going alone.

“I found you a new assistant who can take care of your daily life and protect you at critical moments.”

“Another assistant?” Qiao Mianmian was stunned. “Nana is pretty good, why did you change her?”

“I’m not changing her.” Mo Yesi stroked her head. “I’m giving you another assistant. She’s a girl, after all, and she can’t be of use at crucial times. I’m worried. This new assistant of yours knows some self-defense, so I can be more at ease.”

It seemed like he was shocked by the sulfuric acid incident.

He was afraid that she would encounter something like this again.

Qiao Mianmian didn’t reject his good intentions.

“Is the new assistant male or female?” she asked curiously.

“Male.” Mo Yesi didn’t look unhappy when he answered, which made Qiao Mianmian feel strange.

After all, he was a jealous lover.

He didn’t mind letting a male assistant be by her side and spend time with her?

Wasn’t this too strange?

This wasn’t his usual style.

Qiao Mianmian couldn’t help but ask, “Mo Yesi, you don’t mind?”

“Mm.”

“...Why?”

“I have nothing to worry about with a gay by your side.”

Qiao Mianmian was speechless.

She knew it!!

She couldn’t help but ask, “Did you find a gay?”

Mo Yesi looked at her calmly and nodded. “Mm. Baby, when do you think I can be magnanimous enough to let a normal man stay by my wife’s side and not worry about my wife being coveted?”

Qiao Mianmian was speechless.

Very good, this was in line with his usual style.

He found her a male assistant, and especially a gay.

Although Qiao Mianmian was speechless, she felt that it was a good thing.

At least, she could make her jealous lover stop being jealous.

...

After packing up, Mo Yesi sent Qiao Mianmian to the airport.

She was reluctant to leave.

Mo Yesi reminded her again and again until Qiao Mianmian’s plane took off.

He called Wei Zheng.

“Chairman Mo.”

Mo Yesi narrowed his eyes. “Investigate which agency Qiao Anxin signed with. Tell everyone that whoever dares to sign her is going against the Mo Corporation. Whoever dares to use her in the future is going against the Mo Corporation.

“Whoever isn’t afraid of offending the Mo Corporation can ignore my words.”

“Yes, Chairman Mo, I understand what you mean. What about the Shen family?”

“Is the Shen Corporation’s share price still falling?”

“It hasn’t dropped for the time being, but the losses yesterday are enough for them. I’ve checked, the Shen Corporation had an internal problem three years ago. Due to poor internal management, the capital chain broke. Then, the capital gap got bigger and bigger, and it hasn’t been fixed.”

### **Chapter 1307: Su Ze, What Are You Doing?**

“It’s hard to make up for the losses.”

Mo Yesi gently stroked the black hair tie on his wrist. “So, the stock price decline yesterday has dealt a huge blow to the Shen Corporation?”

“Yes, it’s definitely a huge blow to them. With the Shen Corporation’s current situation, they can at most last for a month. This is all thanks to the stock price not continuing to fall today. Otherwise, they won’t be able to last for a month.”

The Shen Corporation used to be as powerful as the Mo Corporation.

But over the years, the Mo Corporation had grown bigger and bigger, firmly occupying the top position in the industry.

But the Shen Corporation was gradually declining, and its operations were getting worse.

At this point, the Shen Corporation was far inferior to the Mo Corporation.

Even many of the new medium-sized enterprises were more powerful than the Shen Corporation.

The current Shen Corporation was just an empty shell.

Outsiders didn’t know how terrible the Shen Corporation was.

“Oh right, Chairman Mo.” Wei Zheng paused for a few seconds before continuing, “The Shen Corporation sent someone over just now. They said they wanted to talk to you, Chairman Mo. I rejected them directly.”

Mo Yesi sneered. “Who did they send?”

“Chairman Shen’s special assistant.”

“The Shen Corporation wants to discuss something with me and only sent an assistant?” Mo Yesi smiled again, but there was no smile in his eyes.

“I knew Chairman Mo wouldn’t meet her, so I rejected her.”

“Mm, well done.”

“Then, Chairman Mo, if the Shen Corporation sends more people...”

“If it wasn’t for Shen Yuncheng, I wouldn’t even have to see him.”

“Yes, Chairman Mo. If Chairman Shen comes...”

“Tell him to wait for a few hours before informing me.”

“Yes.”

...

After Qiao Mianmian arrived in F City, Mo Yesi arranged for someone to pick her up at her previous apartment.

Qiao Mianmian’s new assistant was among the people who came to pick her up.

Mo Yesi must have put in a lot of effort to choose this assistant.

Not only was the new assistant gay, but he also had an average figure and looks. No one would take a second look at him.

The only advantage was that he was tall and strong.

It did seem very safe.

“Miss Qiao, this is my cell phone number. You can call me if you need anything. I live downstairs. My cell phone is on 24 hours.” The assistant’s name was Ah Ji, a 25-year-old young man.

Qiao Mianmian nodded and left after Ah Ji helped her carry her luggage into the room.

Qiao Mianmian packed her luggage and was about to head downstairs for dinner when she heard a knock on the door.

She thought that Nana had arrived and opened the door without looking outside.

The moment she saw the person standing outside, her expression changed, and she reached out to close the door.

But the person outside moved faster than her and stopped her with a hand on the door.

“Su Ze, what are you doing?” Qiao Mianmian glared at the man outside the door and clenched her cell phone tightly. She was prepared to call Ah Ji if the situation wasn’t right.

It was Su Ze.

He glared at Qiao Mianmian.

Qiao Mianmian had always seen Su Ze as a gentleman.

**Chapter 1308: What’s There to Fear About Me?**

His suit pants were also crumpled.

It had only been less than half a month since she last saw him.

But he looked at least five years older.

If Qiao Mianmian hadn't known him for so many years, she probably wouldn't have recognized him.

After all, Su Ze had always been a gentleman in front of her.

"Qiao Mianmian, you don't want to see me that much?" Su Ze's expression darkened when he saw that she wanted to close the door.

His eyes were filled with anger. "Am I a plague to you?"

Qiao Mianmian could tell that Su Ze was in a bad mood. She glared at him and asked, "How did you know I was here? What are you doing here?"

"Why am I here?" Su Ze looked at her for a while and suddenly smiled. "Mianmian, if I said that I miss you, really miss you, that I wanted to see you, would you believe me?"

Su Ze's gaze landed on the girl's exquisite and elegant face. He looked at her greedily for a while, and his heart couldn't help but itch.

Qiao Mianmian was the first woman he was attracted to.

She was also his first girlfriend.

He still remembered the first time he saw her. She was only eight or nine.

But she was already beautiful.

Back then, he felt that she was much prettier than the girls around him.

The most beautiful girl in their class was nothing compared to her.

Back then, he secretly thought that he would definitely marry her when he grew up.

Then, she grew up.

She got prettier and prettier.

Naturally, more and more people liked her.

He was one of them.

Later on, he became her boyfriend. At first, he treated her like a gem.

If he liked a woman, he naturally wanted her.

He'd thought about it before, but she always rejected him.

Although it was understandable and he admired her self-respect and self-love, it would inevitably dampen his spirits if he was rejected too many times.

Hence, he couldn't reject Qiao Anxin's offer.

Later, she found out about him and Qiao Anxin and broke up with him.

To Su Ze, his biggest regret was not being able to have her.

Even if it was only once, he'd be satisfied.

Although she might not be clean anymore, he still wanted her.

At this thought, Su Ze narrowed his eyes and looked at Qiao Mianmian differently.

Qiao Mianmian's expression darkened when she heard his shameless words. "Su Ze, have you forgotten your lesson? I'll make you regret it if you say such shameless words again.

"I don't care what you're here for. Leave now, and I'll pretend nothing happened. Otherwise..."

"Otherwise, what will you do?" Su Ze sneered. He didn't seem to take her words seriously. Not only did he not leave, he even took a step forward.

He never took his eyes off Qiao Mianmian. "Mianmian, do you think I still care about this? I already have nothing, what's there to be afraid of?"

### **Chapter 1309: Strong Hatred**

"You don't want to see me in this lifetime, so you got that man to send me to Country F. Qiao Mianmian, I really didn't expect you to be so ruthless. The Su family treated you well, right? Is this how you repay kindness with ingratitude?"

"Dad and Mom have been hospitalized because of the acquisition, and Dad is still unconscious. Are you satisfied with what you've done to the Su family? I did let you down, but Dad and Mom didn't offend you, right? If you want revenge, just take it out on me. Why are you so harsh to the Su family?"

Qiao Mianmian's expression changed slightly. "Uncle and Aunt Su are in the hospital?"

"Keep pretending." Su Ze sneered. "Don't tell me you don't know. This is your masterpiece."

He leaned forward and reached out to grab Qiao Mianmian's hand. "My parents used to treat you well, right? They treated you like their own daughter. Now that they're hospitalized, shouldn't you visit them?"

The more Qiao Mianmian dodged, the angrier Su Ze got.

She just couldn't help but avoid him.

But towards that man called Mo Yesi, she was so proactive.

At this thought, Su Ze was filled with jealousy.

He'd known her for 10 years, but he'd never gotten her.

But how long had she known that man called Mo Yesi? She'd already handed herself over.

He'd thought that she was different from those materialistic women, but now it seemed like they were just the same.

In that case, she wasn't worthy of his respect.

Jealousy and anger made Su Ze lose all rationality. His eyes were red as he said fiercely, "Why are you hiding? Why, are you unwilling to see my parents now? Qiao Mianmian, you're really an ingrate. Do you not even have a conscience?"

When Su Ze reached out to grab her again, Qiao Mianmian couldn't avoid it.

Su Ze pulled her out, wanting to take her away.

Qiao Mianmian struggled. "Su Ze, let go of me! What are you trying to do!"

"Dad and Mom are hospitalized because of you. You have to go and see them." Su Ze pulled her out and said fiercely, "How much did that man surnamed Mo give you? He can afford it, and so can I. Tell me, how much does he pay each time? 10 million, 20 million, or 30 million? Although you're no longer clean, I don't mind playing with you. After all, we've known each other for 10 years. I can take care of your business."

He thought about how the woman he couldn't bear to touch for so many years had become someone else's.

Su Ze hated Qiao Mianmian.

Slut!

He treated her like a treasure and wanted to marry her.

But she...

She pretended to be pure and untouchable in front of him, but not long after she broke up with him, she ended up with another man.

Since she loved money so much, he should spend it on her.

Qiao Mianmian hit his arm angrily. "Su Ze, let go of me!"

Su Ze was completely abnormal.

Qiao Mianmian was no match for him.

She was dragged towards the elevator by Su Ze. No matter how much she struggled, it was useless to hit him. Just as Qiao Mianmian was about to call Ah Ji, a few tall men in black suddenly walked out from the corner.

**Chapter 1310: Young Master Sent Us to Pick You Up**

They blocked Su Ze and punched him.

“Mm!”

The punch landed on Su Ze’s jaw, causing him to let go of her.

Qiao Mianmian immediately ran away from him.

A man walked up to her and asked politely, “Miss Qiao, are you alright?”

Qiao Mianmian looked at the man in black in front of her, puzzled and shocked. “You are...”

“Miss Qiao, Young Master sent us to pick you up. He wants to meet Miss Qiao.”

“Young Master? Your Young Master is...” Qiao Mianmian was stunned.

She’d thought that Mo Yesi had arranged these men for her.

But it didn’t seem like it.

If Mo Yesi wanted to see her, he could just come straight to her. There was no need to get the bodyguards to pick her up.

Moreover, he was definitely still in Yuncheng City at this time.

“Miss Qiao and our Young Master know each other. Our Young Master’s surname is Gong.”

“His surname is Gong?” Qiao Mianmian was stunned for a few seconds before she suddenly realized what he meant. “Your Young Master is Gong Zeli?”

“Yes.”

Qiao Mianmian was even more shocked.

Gong Zeli wanted to meet her?

But what could he want?

“Qiao Mianmian, I knew that as long as you have money, anyone can be your guest. One Mo Yesi, one Gong Zeli, and now Bai Yusheng. You refused to give in to me for the past two years. It turns out that your purity was left for these men.

“I was f\*cking blind back then. If I’d known that you were such a woman, I would’ve just given you money to play with. I actually thought of marrying you.

“Qiao Mianmian, you don’t deserve to be treated so well by me in the past. To think that I felt sorry for you when I broke up with you. I even felt guilty for a long time. Now that I think about it, it’s really funny. I actually felt sad for a long time because of a woman like you.

“You’re not worthy!”

Su Ze was being restrained.

When he heard the name “Gong Zeli”, he exploded like a firecracker.

He cursed at Qiao Mianmian with hatred in his eyes.

These bodyguards were all Gong Zeli's people, so how could they tolerate him saying that about their master?

They sealed his mouth with a tie.

Su Ze was speechless. He glared at Qiao Mianmian as if she was his enemy.

Qiao Mianmian slowly calmed down.

After taking a look at Su Ze, she looked away and said to the man in front of her, "Did Mr. Gong say why he's looking for me?"

"We don't know the details. Young Master will tell you when Miss Qiao is there."

Qiao Mianmian nodded. "Alright, I'll go with you."

She wanted to know why Gong Zeli was looking for her.

"Miss Qiao, please follow me." The bodyguard gestured politely.

Qiao Mianmian took a few steps forward. When she passed by Su Ze, she stopped and turned to the person in charge of the bodyguards. "Let him go."

"Miss Qiao?"

"With you guys around, he won't dare to do anything to me." Qiao Mianmian pursed her lips and said without looking at Su Ze.

The man hesitated for a while before nodding. "Let him go."

The bodyguards let go of Su Ze.
