Chapter 1321: She and Sister-In-Law Are From the Same School

Mo Shixiu smiled gently. "I'll bring her back when our relationship stabilizes.

"Grandma, you can prepare the gift in advance."

"Alright, alright, alright. I'll definitely prepare the welcome gift." Old Madam agreed happily. "Bring her back as soon as possible. I want to see what kind of girl can make you fall for her. God has opened his eyes. Now, it's good. Ah Si has just settled his personal problem, and you're almost done as well. I knew that our Mo family didn't do anything immoral. How could we let the Mo family die?"

"Mm, I'll try to bring her back as soon as possible." Mo Shixiu smiled and nodded.

Old Madam was elated.

But Madam Mo wasn't smiling at all. Instead, she looked unhappy.

"Shixiu, you said that girl is still studying?" Madam Mo had looked for a rich young lady for Mo Shixiu, but he rejected her.

Madam Mo was afraid that Mo Yesi would do the same thing to her eldest son.

Her two sons had been outstanding since they were young.

She used to think that no woman in Yuncheng City could match up to them.

But her son had already been seduced by a scheming woman.

If even her eldest son was cheated by those women, she would never agree.

"Mm." Mo Shixiu thought for a while and said, "But she's about to graduate."

"Which school is she from? Is she in Yuncheng City now?" Madam Mo asked again.

"She's in the same school as Sister-in-law." Mo Shixiu hesitated for a while but didn't tell her that Jiang Luoli and Qiao Mianmian were best friends. He only said, "She's currently in her third year at Yuncheng City Film Academy."

"What?"

Madam Mo's expression changed, and her cup fell to the ground.

The porcelain cup hit the marble floor and shattered.

The sound was especially loud.

Old Madam looked at the broken cup and frowned. She held back her anger and asked, "Wenpei, what's wrong with you? You look distracted. If you're unwell, go back to your room and rest."

Old Madam was already very against Madam Mo.

Madam Mo's recent behavior had made her very unhappy.

Hence, Old Madam felt uncomfortable seeing Madam Mo in such a state.

She meant for Madam Mo to return to her room.

She didn't want to affect everyone's mood.

Madam Mo could tell.

She looked awful. "Mom, I'm not unwell."

Old Madam snorted. "If you're not feeling well, don't force yourself. You don't look normal. Are you sure you don't need a doctor to take a look at you?"

Madam Mo replied, "...No need."

"Aren't you worried about Shixiu's personal matters? Now that he finally has a partner, why do you look unhappy? Why? Tell me, what are you unhappy about?"

"Mom, you've misunderstood. I'm not unhappy." No matter how unhappy Madam Mo was, she couldn't say it now. She could feel that Old Madam was already unhappy with her.

Chapter 1322: She Must Stop It

Madam Mo was still afraid of her mother-in-law.

Old Madam glanced at her and snorted. "Let me tell you, you're not allowed to interfere with the children's personal matters. As long as my grandchildren live happily, they can find whatever woman they want.

"As parents and elders, we can at most give them some suggestions for reference. As for whether they listen or not, that's their business, we can't force them. Anyway, they won't be living with us in the future, why bother about them?"

Old Madam could tell what Madam Mo was thinking.

She was unhappy with Mo Shixiu's girlfriend.

Like Mianmian, that girl was from the Film Academy. She would probably enter the entertainment industry after graduation.

Old Madam actually didn't like the entertainment industry.

But at her age, she didn't want to bother too much.

As long as her two grandsons were happy, nothing else mattered.

It was naturally best to find someone of equal social status.

But it didn't matter if they couldn't.

Anyway, the Mo family didn't need to rely on marriage to stabilize their status. Her two grandsons were so outstanding, they didn't need to rely on marriage to get anything.

Old Madam was open-minded, but Madam Mo wasn't.

Her family had already married an actress in the entertainment industry. She was always worried that others would laugh at her behind her back.

If others found out that her two sons had married an actress, how could she hold her head high in front of the rich ladies?

She and her two sons would become the laughing stock of others.

Actors were cheap.

It was meant for entertainment.

But her son had married this plaything. Madam Mo was furious at the thought of it.

What made her even angrier was that her eldest son actually liked an actress as well.

And she was in the same school as Qiao Mianmian.

How could Madam Mo accept this?

She was so angry that her face was red. If Old Madam wasn't around, she would have flared up.

These bitches.

They just wanted to seduce her sons!

One Qiao Mianmian, and now another...

This time, she wouldn't let the same thing happen again.

She had to stop him.

"Mom, you're overthinking." Madam Mo was furious, but she smiled and said, "It wasn't easy for Shixiu to get a girlfriend. As a mother, I have to ask about my son.

"I'm just asking."

"Is that so?" Old Madam glanced at her and said calmly, "I hope so. The family is peaceful and everything is happy. I don't want anything to happen to the family. Also, Second Son's family matters are their own matters. You're just a sister-in-law, don't interfere in their family matters."

Madam Mo was shocked.

Her expression changed, and a hint of panic flashed in her eyes. She quickly replied, "Yes, Mom. I already know my mistake. I won't do it again."

"The paternity test is such an important matter. Do you think I'll be so foolish as to be easily fooled? You can eat whatever you want, but you can't talk nonsense. Chen Chen is my biological grandson. This is a sure thing, there's nothing to doubt. In the future, if anyone dares to gossip, I'll deal with them regardless of who they are!"

Chapter 1323: This Move Is Really Good

Although Old Madam left her some face and didn't directly accuse her of gossiping, how could Madam Mo not know that Old Madam was talking about her and Second Madam?

Old Madam found out about it the moment she returned.

She pulled her along and scolded her.

Madam Mo's face was a little pale. Still a little unconvinced, she held it in and said, "Mom, it's precisely because it concerns our Mo family's bloodline that we should be especially careful. Our Mo family isn't ordinary. Who doesn't want to have a status in the Mo family?"

"Yashi and I are also afraid that someone will take the opportunity to sneak in. We did do something wrong, but we did it for the Mo family's good.

"Mom, don't you think this is too much of a coincidence?"

"You've been looking for that child for so many years, but you still haven't found him. Qiao Mianmian just married into the Mo family, and that child was found so quickly. The first time she brought her brother home, she made you think that he was a member of the Mo family. Then, she did a paternity test and confirmed this. Don't you think everything went too smoothly? It was so smooth that it seemed like someone had arranged it.

"Perhaps you were just happy to see the paternity test results and didn't think about anything else. But I just feel that there's something wrong."

"Enough." Old Madam scolded angrily. "Shut up. If you continue talking nonsense, don't blame me for not giving you face in front of the two children."

Madam Mo bit her lip. "Mom, I'm doing this for the good of this family. I know you don't like to hear these words, but the truth is against your ears! If we let those people with ill intentions get away with it, the Mo family will really have no peace in the future!"

"Mom, are you saying that Mianmian has ill intentions?" Mo Yesi suddenly asked.

His voice was cold.

Madam Mo turned around and met his cold eyes. Even if it was her own son, she couldn't help but shiver.

Sometimes, she was a little afraid of her youngest son.

Madam Mo pursed her lips. The look she exchanged with Mo Yesi made her feel a little insecure.

"Whether it is or not, she knows it herself."

She heard Mo Yesi sneer.

"So, what do you mean? Ask Chen Chen to perform another paternity test? Let the person you find do it, so you can believe it?"

Madam Mo was stunned.

“Then, Mom and Second Aunt can make a fake paternity test to prove that Mianmian and Chen Chen teamed up to lie to us? Then, you can take this opportunity to get Mianmian and me to divorce. Because of this, Grandma won’t object. As for Second Aunt, you don’t have to worry about Chen Chen acknowledging his ancestors and going back, threatening her and her nephew’s status.

“This is indeed a good move. It can resolve your troubles and Second Aunt’s troubles. So, you forced Mianmian to admit that she bribed Grandma’s doctor for a fake paternity test.”

Seeing the panic on Madam Mo’s face, Mo Yesi smiled and looked straight into her eyes. “I wonder if you came up with this plan, Mom, or Second Aunt? I think it should be Second Aunt. She knew you didn’t like Mianmian and told you about it. You heard it and were tempted.”

Chapter 1324: Are You in a Rush to Go Back and Accompany Your Girlfriend?

“You’ve always wanted Mianmian to divorce me. You don’t think she’s worthy of being your daughter-in-law. You want to matchmake Shen Rou and me. In your eyes, the Shen and Mo families are compatible. You watched Shen Rou grow up. The ideal daughter-in-law in your heart is Shen Rou.

“Even though Mianmian and I are married, you’ve never given up on this idea.”

Madam Mo’s face turned pale. “Ah Si, you...”

Mo Yesi smiled again, but there was no smile in his eyes. “Mom, do you think I don’t know what you’re thinking? I never said it because I thought you might give up after a while, but I was wrong.

“Since I can’t change your mind, I should just give up.

“I’ve said it before. If you can’t accept Mianmian, we won’t appear in front of you again.” Mo Yesi slowly got up under Madam Mo’s flustered and angry gaze. He stared into her eyes and said word by word, “I’ll come back when you accept Mianmian.

“Grandma, if you want to see Mianmian and me, I’ll get someone to bring you to our place. As for this house, I won’t be coming back for the time being.”

Madam Mo’s face turned pale.

She remembered what Mo Yesi said.

But she never expected him to be serious.

For that woman, he didn’t even want his biological mother.

Old Madam was shocked too.

“Ah Si, you...”

“Grandma, you don’t have to persuade me.” Mo Yesi’s eyes were firm. After saying this, he didn’t look at Madam Mo anymore. “I’ve made up my mind.”

Old Madam looked at him for a while and sighed. She didn’t say anything else.

The child had his own opinions.

Perhaps this was the only way to solve the problem.

She hoped for a harmonious family, but sometimes, harmony couldn't solve problems.

Mo Shixiu raised an eyebrow and didn't have any objections.

Madam Mo was their mother and someone they should respect.

But sometimes, filial piety wasn't allowed.

If it was him, he would probably do the same.

"I have something on, I'll go back first. Grandma, I'll talk to you when the sky changes."

Mo Yesi only greeted Old Madam when he left.

He ignored Madam Mo.

Madam Mo was angry and upset. Before Mo Yesi left, she stood up with reddened eyes and said angrily, "Alright, go. Don't come back anymore. I'll take it that I gave birth to an ingrate.

"He doesn't even want his own mother for a woman. I don't want such a son anymore."

After yelling, Madam Mo turned around and ran away aggrievedly.

Old Madam pursed her lips and kept quiet for a while. She then sighed and shook her head. "She's already so old, but she's still so insensible. Your dad has spoiled her too much. When Yunchen comes back, I must lecture him."

"Grandma, I have something on too. I'll come back to see you another day." Mo Shixiu looked at the time on his wrist and recalled that Jiang Luoli said she was going to the movie tonight. He didn't want her to wait too long and was in a hurry to go back.

Old Madam glanced at him and joked. "You just got home, and you're leaving already. Are you in a hurry to go back and accompany your girlfriend?"

Mo Shixiu smiled and said, "Mm, she's still waiting for me at home."

Chapter 1325: What Exactly Do You Like About Jiang Luoli?

After leaving.

Mo Yesi and Mo Shixiu walked towards the garage together.

Mo Shixiu's cell phone rang. He took it out and picked it up.

The man's voice was as cold as usual.

But when he listened carefully, he could tell that it was different from usual.

They grew up together, so Mo Yesi knew his brother better than anyone else.

The moment Mo Shixiu picked up the phone, his voice was much gentler than usual.

“Hello.”

“Mm, I’m going back. I’ll be home in about an hour.”

“You don’t have to bother about me. Just pick what you like. I’m fine with anything.”

“Eat something first if you’re hungry. You don’t have to wait for me. Eat first, I’m not hungry.”

“Alright, I got it. Buy the tickets first.”

After a while, Mo Shixiu hung up.

Beside him, Mo Yesi smiled and teased. “Your girlfriend checked up on you?”

Mo Shixiu turned to look at him and smiled. “Mm.”

“She’s rushing you?”

“No, she just asked me when I’d be home. She wanted to book a movie ticket. I promised her that I’d take some time to watch a movie with her today.”

Mo Yesi kept quiet for a few seconds.

Even though he and Mo Shixiu were biological brothers who grew up together and he knew his brother well, he was still a little surprised to hear this.

His brother was a workaholic.

When he was studying, he was focused on his studies and wasn’t interested in anything else.

After coming out to work, he focused on his work.

In any case, besides work, Mo Yesi didn’t even know what other hobbies his brother had.

If he had to say, it was probably working out.

He never thought about what Mo Shixiu would be like when he fell in love.

In his opinion, if Mo Shixiu could fall in love, it was as rare as the rain.

But now, not only was he in love, but he seemed to be making good progress?

His brother actually knew how to date?!

This was unbelievable to Mo Yesi.

What was even more unbelievable was that Mo Shixiu was willing to spend time with Jiang Luoli to watch a movie.

“Big Brother, will Jiang Luoli be my sister-in-law in the future?” Mo Yesi knew that he asked an obvious question, but he still wanted to confirm it with him.

“What do you think?” Mo Shixiu didn’t answer him directly.

Mo Yesi smiled. "It seems like that's most likely the case. I really didn't expect Jiang Luoli to be the one to win you over. I thought you liked mature women and weren't interested in such little girls.

"The blind dates Mom arranged for you in the past were all elegant socialites. No wonder you weren't interested.

"But I still want to know, what exactly do you like about Jiang Luoli?"

Mo Shixiu looked at him and asked, "Then, what exactly do you like about Sister-in-law?"

Mo Yesi was speechless.

"I never thought that the one who would win over my brother would be a little girl. This can only mean that we brothers have good taste and have fallen for outstanding girls. They're best friends.

"You're asking me what I like about her?"

Chapter 1326: Who Dares to Touch My Person?

Mo Shixiu thought for a while and smiled. "I really can't answer this question. Even I don't have an answer in my heart. Perhaps if I look at her alone, she won't meet my standards in many ways.

"But there's no standard for liking someone. There's no reason for liking someone. Just follow your heart. Your heart won't lie to you."

Mo Yesi felt that it would be suitable for his brother to become a monk.

He had comprehended a set of principles.

And he felt that it made sense.

He never thought about what he liked about Qiao Mianmian.

After falling in love with her, he felt that she was good in every way.

"Then, Big Brother, I hope you can protect her well." Mo Yesi knew how good Jiang Luoli's relationship with Qiao Mianmian was, so he was naturally more attentive towards her. "You're not very safe now. If others find out that you have a woman, I'm afraid they will target her."

Mo Shixiu was silent for a while. He frowned and thought of something.

A moment later, he narrowed his eyes and said, "Who dares to touch my people? I won't give them a chance."

He had considered everything the moment he chose to be with Jiang Luoli.

If he couldn't even protect her, how could he guarantee her future happiness?

...

"Miss Jiang, Mister is back."

Jiang Luoli was choosing her clothes for the date.

She had already moved to Mo Shixiu's place.

They were living under the same roof now, but it wasn't to the extent of sharing a bedroom.

Jiang Luoli stayed in a room alone. Her room was very close to Mo Shixiu's bedroom and was on the first floor.

Jiang Luoli didn't know what it was like to be in a relationship.

Anyway, what about her relationship with Mo Shixiu?

They were officially dating.

But they weren't as close as a couple.

Mo Shixiu looked like a gentleman, but he was actually a little inept in relationships.

Taking the initiative was practically non-existent with him.

As a girl, no matter how extroverted Jiang Luoli was, she couldn't be too proactive in matters of the heart.

Hence, the two of them... continued to date each other.

Jiang Luoli didn't know if this was a good idea.

Mo Shixiu was good to her in all aspects except for his lack of initiative in relationships.

He cared about her enough.

He was willing to spend money on her.

He wouldn't reject any of her requests.

He was very obedient to her.

A man like him was a genius.

Jiang Luoli was actually very satisfied with her current state.

Jiang Luoli picked a peach-colored dress that showed off her figure, changed into it, and tidied her hair before walking out of the bedroom.

Sister Lin was waiting for her outside the bedroom.

Seeing that she was out, she sized her up and smiled. "This dress is nice. Miss Jiang, you look beautiful in it. When Mister sees it later, his eyes will definitely light up."

Jiang Luoli had a good figure.

She was 1.7 meters tall and her figure was well proportioned. Her long legs were especially eye-catching.

Chapter 1327: Feeling More Homely

Her dress showed all the good points of her figure. The dress was simple, but it looked especially good on her.

Jiang Luoli smiled.

Mo Shixiu...

He was like a veteran cadre who didn't show his emotions.

She felt that no matter how pretty she was, his face would probably be expressionless.

...

Jiang Luoli followed Sister Lin downstairs and saw Mo Shixiu walking in.

He was dressed in a white shirt and black trousers. It was the most common outfit, but it looked so good on him.

The man was handsome, elegant, and charismatic. It wasn't his clothes that complemented him, but he that complemented the clothes.

Jiang Luoli looked at his handsome face, and her heartbeat quickened.

Until now, she still felt like she was dreaming.

She couldn't believe that she was dating Mo Shixiu.

Mo Shixiu was her boyfriend!

The man that many women dared not dream of was actually hers.

This was undoubtedly her ultimate goal.

"Mister." Sister Lin looked at Jiang Luoli's blank expression and couldn't help but chuckle. She teased.

"You're home so soon, Miss Jiang is shocked. Mister drove pretty fast."

He said he'd be home in an hour, but it was only 40 minutes.

He really wanted to come home.

She thought that Mister didn't know how to date and take care of girls.

It seemed like men were born with it.

This was great. Ever since Miss Jiang moved in, Mister came home more often.

This family felt more and more like home.

"Mm." Mo Shixiu didn't know if he heard Sister Lin's teasing or if he didn't take it seriously. He looked at Jiang Luoli and said, "I came a little faster than usual, in case Luo Li waits too long."

Sister Lin was stunned for a moment before covering her mouth and laughing.

She smiled sweetly as if she was in a relationship.

“Mister is so considerate of Miss Jiang.” Sister Lin was happy to see how close they were. “I’ll get Mister some water. Mister, are you hungry? Do you want the kitchen to make supper?”

“No need.”

“Alright, I’ll get some water.” Sister Lin found an excuse and left. She didn’t want to be a third wheel.

Mo Shixiu’s cold eyes swept over Jiang Luoli. His eyes flickered slightly and he said softly, “This dress is good in color. It makes your skin white.

“You look good in it.”

Jiang Luoli’s heart was still racing.

She looked up in surprise and met his dark eyes.

Mo Shixiu seemed to have a sea of stars in his eyes. It was easy to get lost in it.

The man’s voice was cold, not gentle.

But it was this cold voice that made him even more attractive.

Jiang Luoli thought that Mo Shixiu was a straight man who wouldn’t praise women.

She didn’t expect him to praise her dress. He even said that the color suited her.

Jiang Luoli didn’t feel much when others praised her.

But the person praising her was Mo Shixiu.

Chapter 1328: What’s Mine Is Yours

She blushed and covered her face. “Really? You think I look... good in this dress?”

“Mm.”

Mo Shixiu looked at her with admiration. “This dress suits you very well.

“You should buy more of such clothes.”

Jiang Luoli was a little tomboy-ish.

She usually dressed casually.

She rarely bought feminine clothes.

Mo Shixiu praised her for wearing a dress.

She thought that he actually liked such clothes. She could buy more dresses in the future.

Mo Shixiu saw that she was silent and thought for a while. He quietly took out his wallet from his suit, took out a black card, and handed it to her.

Jiang Luoli was speechless.

She blinked in confusion. "This is..."

Mo Shixiu pursed his lips. "To buy clothes."

"..."

Buying clothes and giving her a black card?

He'd just given her a card.

"Mo Shixiu, it's alright. I..."

Before she could reject him, the man grabbed her hand and placed the card in her palm.

He looked into her wide eyes and said coldly, "Take it. What's mine is yours. You can use it as you wish.

"Tell me if it's not enough."

"..."

"No."

"..."

"Buy whatever you like. Buy more. You don't have to save money for me."

"..."

Mo Shixiu didn't continue to pester her about this. After handing her the card, he took the initiative to ask, "Have you booked the movie tickets? What time is it? Can we leave now?"

Jiang Luoli looked down at the black card with the warmth of a man in her hand and felt indescribable.

She felt that poverty really limited her imagination.

Rich people had stacks of black cards.

She was just buying clothes.

Mo Shixiu gave her a black card.

Was he getting her to move all the clothes in the mall home?

"Are you going out just like that?" Jiang Luoli sighed silently and kept the card.

Since her boyfriend was so rich and insisted on giving her a card to spend, wouldn't she be letting him down if she didn't spend some?

This was Mo Shixiu's way of expressing his love for her.

"What's wrong?" Mo Shixiu looked down at himself and didn't find anything wrong. He kept quiet for a while and asked seriously, "Is there a problem?"

"No problem."

Jiang Luoli shook her head. "But you'll be recognized if you go out like this, right? Do you have to wear a mask or something?"

Mo Shixiu was different from Mo Yesi.

He was almost like a public figure and often appeared on television.

Many people knew him.

Jiang Luoli had already prepared his mask and sunglasses.

She turned around and picked up her bag from the sofa. She took out her mask and sunglasses and handed them to him. "Put these on. Then, no one will recognize you.

"Also, are you sure you can really go watch a movie with me? Don't you need to clear the place in advance?"

Chapter 1329: He's So Handsome in Person

Jiang Luoli hadn't expected this movie.

She never thought that Mo Shixiu would really take the time to watch a movie with her.

After all, he was dedicated to his work.

She felt that even if he had time, he wouldn't spend it on meaningless things.

Hence, she didn't hold much hope.

Unexpectedly, he agreed immediately.

Mo Shixiu took the sunglasses and mask she handed him and then answered her question seriously. "You won't like that. Since it's a date, then use the method you like. If you don't like too many people, then I can get someone to clear the place in advance."

"No." Jiang Luoli felt her heartbeat quicken again. "It's good to have more people around. I'm just worried that it will affect you."

Mo Shixiu chuckled.

"Haven't you prepared everything for me?" He looked at the sunglasses and mask in his hand and smiled. "I haven't seen a movie in years. It might be a good experience."

Jiang Luoli was still hesitating when a hand suddenly reached out, causing her to look up.

"Let's go, take me to the movies." Mo Shixiu reached out a hand and smiled gently. "If we delay any longer, we'll be late. I've worked overtime for a few days for tonight's movie. Don't let me work overtime for nothing."

Jiang Luoli always felt that Mo Shixiu wasn't good at relationships.

As a result, their relationship didn't develop further.

They were still friends.

But at this moment, as she looked at the man's hand, her previous thoughts changed.

Mo Shixiu wasn't dense.

So, he was good at making women happy.

Jiang Luoli smiled and extended her hand.

Mo Shixiu held her hand naturally.

The man's palm was warm and dry. Jiang Luoli felt as if her palm had been electrocuted.

The electric current flowed through her palm and into her heart.

At that moment, her heart skipped a beat.

...

The next morning, Qiao Mianmian woke up.

She packed up and took Nana and A.J. to the set.

The advantage of having a male assistant was that he could carry all the bags.

Mo Yesi arranged for someone to pick her up.

As they arrived at the set in a Land Rover, Qiao Mianmian saw a black van stop beside them.

The car door opened and two people got out first.

The last person to come out was Qin Han, the male lead that Bai Yusheng found.

Qiao Mianmian had only seen Qin Han on television before. This was the first time she saw him in person.

Qin Han was already handsome enough on television.

But he looked much better in person.

He looked very masculine and charming.

Nana was also a fan of his, and she almost screamed when she saw him.

"Wow, Mianmian, it's Qin Han." Nana didn't know that the new male lead was Qin Han. She covered her mouth in excitement and exclaimed, "Sister Mianmian, why is Qin Han here?"

"Gosh, he's so handsome in person."

Qiao Mianmian already knew that Qin Han was going to act with her.

Chapter 1330: Mo Yesi Is the Most Handsome

Compared to Nana, she was relatively calm. "Qin Han is the male lead, of course, he will come to the set."

"What?!" Nana widened her eyes. "Qin Han is the male lead?"

"Mm."

"Oh my God," Nana exclaimed again. "Director Bai is so amazing. He actually got Qin Han to be the male lead. How did he persuade him?"

Nana wasn't so impressed by Qin Han.

Everyone in the industry knew that Qin Han didn't usually take on television shows.

Qin Han had acted in a few television dramas in his early years.

But after that, his focus was mainly on the film industry. His ability and looks were there, and he was lucky to meet a few good scripts and directors.

After winning the Best Actor Award in one of the movies, he started working in the movie industry.

He hadn't acted in a single television drama all these years.

No matter how high the price was, he had never been tempted.

After all, he didn't lack money now.

But Bai Yusheng was able to get Qin Han to act in a drama.

Qiao Mianmian also wanted to know how Bai Yusheng managed to persuade Qin Han.

"Mianmian, should we go over and say hi?" Nana must be a true fan. She was trembling with excitement.

She hadn't been so agitated the last time she saw Tu Yilei.

Qiao Mianmian was wondering if she should take the initiative to greet him.

Qin Han was a senior. It wouldn't be nice if she didn't greet him.

Just as Qiao Mianmian was hesitating, Qin Han suddenly turned to look at her.

Qiao Mianmian looked at him and smiled. "Hello, Senior."

Qin Han responded immediately.

He smiled at Qiao Mianmian and nodded.

Before Qiao Mianmian could say anything, Nana, who was standing beside her, covered her mouth and whispered, "Qin Han is so handsome when he smiles. Gosh, I feel like my heart is about to stop.

"I suddenly feel like I'm in love.

"I've even thought of our child's name."

Qiao Mianmian was speechless.

She was glad that Nana said it so softly that Qin Han didn't hear it.

Qiao Mianmian was also a fan of Qin Han, but she was a fan of his acting. She didn't have many feelings for him.

It was undeniable that Qin Han was indeed handsome and masculine. He was between a young hunk and an early uncle. He could be a wolf or a man, and he was very malleable.

But in Qiao Mianmian's heart, Mo Yesi was still the most handsome.

She felt that Qin Han was still inferior to Mo Yesi.

Mo Yesi's face... probably not many male artistes in the entertainment industry could compare to him. No one had a better temperament than him...

So...

When Qin Han looked at Qiao Mianmian, a man beside him also looked at her.

The man's gaze landed on Qiao Mianmian for a few seconds before he frowned and tugged at Qin Han's arm. He then whispered something to him.

Qin Han glanced at Qiao Mianmian and quickly looked away.

Then, they left.

...

Qiao Mianmian had just entered the set, and the actors and actresses she'd worked with before came forward to greet her. The crew employees also took the initiative to greet her.
