

## **Big Shot 1331**

### **Chapter 1331: They Became Real Brothers and Sisters**

Everyone knew that Qiao Mianmian had a boyfriend on Weibo.

Although no one knew Mo Yesi's true identity, the attention and reposts from Yan Shaoqing and Gong Zeli were enough.

Someone who could play with Gong Zeli and had a good relationship with him, how bad could his status be?

The group of actresses and female employees was a little excited.

Qin Han's arrival caused quite a stir.

Qin Han was different from Tu Yilei.

Tu Yilei was a male artiste, and most of his fans were young. Naturally, few female artistes in the same industry were his fans.

But Qin Han's fans were young and old.

Not only were there a lot of fans outside the industry, but there were also a lot of female fans.

Qiao Mianmian saw that a few of the actresses were like Nana. They were so excited to see Qin Han that their faces turned red. It was as if they were fans seeing their idol.

In comparison, Qiao Mianmian was the only one who seemed calmer.

After greeting her, the actresses all gathered around Qin Han.

Even Nana was tempted.

"Can you women be more reserved? I finally managed to get Qin Han to come to the set. If you scare him away like this, who will compensate me?" A teasing voice sounded.

The actresses around Qin Han kept their smitten expressions when they saw the man.

"Director Bai."

"Hello, Director Bai."

It was Bai Yusheng.

Qin Han walked out of the crowd and smiled when he saw him. "Director Bai, I didn't expect your actresses to be so enthusiastic."

Bai Yusheng smiled. "They aren't usually so enthusiastic. Only you have such treatment. Handsome Qin is really different. You're extraordinarily charming."

Bai Yusheng turned and saw Qiao Mianmian standing behind him.

He walked towards her.

“Mianmian, when did you come? Have you eaten breakfast?” Bai Yusheng looked at the girl behind him and felt indescribable.

He’d liked Qiao Mianmian before. Back then, he’d thought how good it would be if she was his sister.

Now, what he’d hoped for had become true.

The paternity test results were out. Qiao Mianmian was undoubtedly the Bai family’s flesh and blood.

They had become real siblings.

Although Qiao Mianmian hadn’t agreed to return to the Bai family, it was a fact that they were related by blood.

Whether she agreed to return to the Bai family or not, she was still his sister.

Bai Yusheng had always wanted a sister.

Now, not only had his wish come true, but he’d also found his biological sister who’d been with him for more than 10 years. Now that he saw Qiao Mianmian, he only wanted to treat her well.

His sister was supposed to be a pampered little princess.

After being apart for more than 10 years, her life wasn’t bad, but it definitely wasn’t good.

Bai Yusheng’s heart ached when he thought about the lives of the other socialites and young ladies.

He couldn’t change the past.

All he could do was treat Qiao Mianmian better from now on.

He would do his best to treat his sister well and make up for his past regrets.

Bai Yusheng had mixed feelings, and so did Qiao Mianmian.

She used to address him as Brother Bai.

But now that her brother was standing in front of her, she didn’t know how to address him.

### **Chapter 1332: I Hope You Can Take Care of Her**

It didn’t seem appropriate to continue calling him Brother Bai.

But calling him brother now...

Bai Yusheng could guess what she was thinking.

He took the initiative to ease the awkwardness. “If you haven’t had breakfast, the production crew has prepared it. I’ll get someone to bring you there. Did you not rest well last night? If you’re not in a good state, you can start work later. You can rest for a while.”

Everyone was shocked.

When Qin Han looked at Qiao Mianmian again, his gaze was a little different.

He had never heard of Bai Yusheng being so accommodating to any actor.

In order to let the actors rest well, they could even change the start of the shoot.

Qin Han wouldn't have such treatment.

This Qiao Mianmian...

Previously, someone said that she and Bai Yusheng were relatives and that she was Bai Yusheng's cousin. But even if she was his cousin, he couldn't be so accommodating.

His biological sister was more like it!

Even Qin Han was shocked and turned to look at Qiao Mianmian.

"No need, I had a good rest last night and already had breakfast. Director Bai, is the filming starting soon? I'll go and revise the script." Others didn't know why Bai Yusheng was so good to her, but Qiao Mianmian knew.

She nodded at him and walked away.

Qin Han followed Bai Yusheng's gaze and looked in the direction where Qiao Mianmian left. He looked at Bai Yusheng thoughtfully and said, "Before I entered the set, I heard that Miss Qiao is Director Bai's cousin? Director Bai dotes on you."

Qin Han didn't like people with connections.

After knowing that Qiao Mianmian had connections, none of them wanted to film this drama.

But he owed Bai Yusheng a favor.

Moreover, he knew very well the quality of Director Bai Yusheng's show. Hence, he had no reason to reject him.

But even though he was here, he was still unhappy with Qiao Mianmian.

When Qin Han wasn't so popular, he met many people with connections.

They were all pretty vases with no acting skills at all. Their crying scenes were all based on eye drops, and their expressions didn't change much from the start to the end.

No matter how unhappy Qin Han was, he had to accept it.

He was tormented in those years.

Hence, he kept a distance from his contacts.

After seeing Qiao Mianmian's appearance, he was almost sure that she was a pretty face without any acting skills.

If it wasn't for the favor, he would have left the set already.

Bai Yusheng retracted his gaze and glanced at Qin Han. He smiled and asked directly, "Why, are you worried that I'll use my private power to arrange a vase for you to act as an opponent?"

Qin Han was stunned. He didn't expect Bai Yusheng to be so direct. He said awkwardly, "Why would I be worried about someone you arranged?"

"Don't worry." Bai Yusheng patted him on the shoulder and said proudly, "Mianmian is definitely not the pretty face you think she is. Her acting isn't as good as the old actors, but as a newcomer, she's already very good.

"Qin Han, you're a senior and a professional in acting. I hope you can teach her well. If she has anything she doesn't understand, I hope you can teach her."

### **Chapter 1333: That's All My Sister Is**

"Mianmian is very smart and knows her stuff. She'll definitely not give you a headache."

Qin Han looked at him in surprise.

Bai Yusheng was really concerned about his cousin.

Bai Yusheng rarely asked him for help, but he actually said this for his cousin.

His biological sister was nothing much.

Although Qin Han disliked Qiao Mianmian, he didn't show it on his face. He nodded and said, "Alright, I will."

...

Qiao Mianmian revised the script and soon saw someone asking her to change.

She now had a dressing room and a makeup artist.

Qiao Mianmian was already very familiar with the first few scenes.

She'd read the script a few times and acted with Tu Yilei a few times before, so the first scene went very smoothly.

All the scenes were shot in one take.

In terms of acting skills, Qin Han was better than Tu Yilei. She could tell from his control of the plot how he was able to win three Best Actor awards at such a young age.

He was indeed capable.

Qiao Mianmian was very perceptive. If she had someone capable to guide her, she could perform better.

When she was acting with Tu Yilei, Bai Yusheng already felt that she performed well.

But when she acted with Qin Han, she performed even better.

Qin Han was good at grooming newbies.

But he didn't like it and wasn't obliged to.

But because of Bai Yusheng, he brought Qiao Mianmian along.

At first, he was a little reluctant, but soon, he realized that Qiao Mianmian was completely different from what he imagined.

Not only was she not just a pretty face, but she was also a newbie with a lot of intelligence and understanding.

Just as Bai Yusheng said, she wasn't as proficient in acting as a senior actress. She was still young and inexperienced, but her spirit was something Qin Han hadn't seen in years.

Performing and acting were two different things.

Many people were willing to learn the former, so they had a chance to learn it well.

The latter was natural.

If she didn't at first, she wouldn't in the future.

It wasn't something that could be achieved through hard work.

In other words, intelligent actors were naturally suitable for this role.

After a few scenes, Qin Han had completely changed his prejudice against Qiao Mianmian. His initial disdain had turned into respect and admiration.

He had acted with so many actresses before.

Even Song Yike, who was unanimously praised as one of the female stars in the industry, didn't have Qiao Mianmian's spirituality.

Qiao Mianmian was still a newcomer, but she was already doing so well.

It was obvious how bright her future was.

With Bai Yusheng supporting her and her acting skills, it was only natural that she would become popular.

"Cut! Good. Very good. This scene is very good. It's the feeling I want." Another scene ended. Bai Yusheng looked at the replay in the camera with a satisfied smile.

He got up and walked towards the two of them.

"This is the end of the shoot for this morning. Qin Han, it's been hard on you. You've taken good care of Mianmian. Today's shoot is much better than I imagined. I'm very satisfied."

### **Chapter 1334: Take Your Time to Adjust Your Mind**

Qin Han had always been capable.

But Qiao Mianmian's performance surprised Bai Yusheng.

Even if Qiao Mianmian wasn't his sister, he would still praise her.

"Director Bai, you're too kind." Qin Han finally looked Qiao Mianmian in the eye and smiled sincerely. "It's not that I'm good at teaching, but Miss Qiao is really good at acting. I didn't expect this cooperation to be so pleasant.

"Miss Qiao, I hope that our cooperation will get better and better. You acted very well and gave me many surprises. Act well, you'll definitely have a bright future."

Qiao Mianmian could feel that Qin Han wasn't as indifferent as before.

Happy to receive praise from her idol, she quickly replied, "Thank you for giving me so much guidance. I learned a lot from acting with you. I'm looking forward to our cooperation. Please guide me."

"Not really, but you can ask me if you have any questions. I'll tell you everything I know.

"Director Bai, I'll get going first. See you in the afternoon."

Qin Han left.

Bai Yusheng got his assistant to inform the other employees to wrap up for lunch. After the assistant left, he looked at Qiao Mianmian and said, "Mianmian, you performed very well today. You're even better than I imagined. Seeing your improvement, I'm really happy for you."

Qiao Mianmian pursed her lips. "Thank you, Brother Bai, for giving me this opportunity. Qin Han acted very well, and I was moved by him."

Bai Yusheng had his reasons for asking Qin Han to act in this show.

His selfishness was to support Qiao Mianmian.

As a newbie, Qiao Mianmian was able to act with a Movie King like Qin Han. She wasn't inferior to the other party at all. When the drama was aired, she would become very popular.

It seemed like he was right to look for Qin Han.

"You fought for the opportunity yourself. If you didn't perform well, you wouldn't have gotten your current role."

"No matter what, I have to thank you."

"Mianmian, do you have to be so polite with me?" Bai Yusheng was silent for a while before saying, "We're family, you don't have to be so polite with me. I know you can't accept a new family member all of a sudden, so you don't have to feel burdened. If you're not used to it, we can still get along like before."

"I'm sorry, Brother Bai. I..." Qiao Mianmian bit her lip and hesitated for a while before saying slowly, "I'm trying to accept this. Give me a little more time, alright?"

"Alright." Bai Yusheng reached out to pat her head and said gently, "There's no rush, you can slowly adjust your mindset. Mianmian, to our Bai family, being able to find you is already a huge surprise and comfort. We can take things slowly."

Bai Yusheng's attitude relaxed Qiao Mianmian.

The pressure in her heart lessened.

She liked the Bai family.

But she still needed some time to accept the Bai family as her family.

"Let's have lunch together?" Bai Yusheng looked at the time. "We can discuss the plot in the afternoon."

Qiao Mianmian was about to reply when his cell phone rang.

He looked up at Qiao Mianmian and picked it up.

"Mm, Mom. I just finished work and was about to go out for lunch."

### **Chapter 1335: She Came Over Behind My Back**

"What, you're here? It's so hot, why aren't you at home?"

"Where are you now? Alright, I got it. I'll look for you right away."

"Alright, I got it. I'll bring her along."

A moment later, Bai Yusheng hung up.

He said helplessly, "Mianmian, Mom is here."

"Aunt is here?" Qiao Mianmian was shocked.

"Mm, she said she was worried about you and had to come over personally. She's going to be on set soon." Bai Yusheng had a headache. "She told me about this yesterday. She said that you were alone and had no one to take care of you. She was worried and wanted to come with me to take care of you"

"I really didn't expect her to come all the way here without telling me."

"Mianmian, I know there are some things you can't accept. But Mom has been looking for you all these years. Every time she talks about you, she'll blame herself and feel guilty. She said that if she finds you one day, she'll definitely make it up to you. So, I hope you can understand her actions."

"She can't control herself. She loved you too much and felt sorry for you, so she..."

"Brother Bai, I understand." Qiao Mianmian thought for a while and said, "Then, I'll go with you to see Aunt."

Madam Bai flew to City F.

No matter what, she had to meet her.

Moreover, she wasn't against Madam Bai. She just didn't know how to face her.

...

Bai Yusheng had a lounge.

Madam Bai was taken to the lounge when she arrived.

Bai Yusheng brought Qiao Mianmian over. Just as they entered, Madam Bai saw Qiao Mianmian and immediately got up from the sofa.

“Mianmian.” It hadn’t been long since they last met, but Madam Bai acted as if they hadn’t seen each other for a long time. She grabbed Qiao Mianmian’s hand excitedly and looked at her with tears in her eyes.

“Mom, what are you doing?” Bai Yusheng saw the tears in Madam Bai’s eyes and asked in confusion. “Didn’t I bring Mianmian here? Why are you crying?”

“I just want to cry.”

Madam Bai glared at him and whined like a little girl. “I had a dream last night. I dreamed that Mianmian was taken away and hidden. I searched everywhere, but I couldn’t find her.

“That dream was too realistic. I was so afraid that Mianmian would really be snatched away. It wasn’t easy for us to find Mianmian. If she’s hidden again, where are we going to find her?”

Bai Yusheng was speechless.

His mother was too worried about her.

He walked over and placed his hand on Madam Bai’s shoulder. “Mom, it was just a dream. Your dream is the opposite. So Mianmian can’t be snatched away. Moreover, who dares to snatch her from our Bai family?”

Madam Bai still had tears in her eyes as she stared at Qiao Mianmian. “I don’t care. Anyway, I want to stay by Mianmian’s side and take care of her. She’s filming here alone, and there’s no one to take care of her food and lodging. How can I be at ease?”

Bai Yusheng was speechless.

“Mom, do you want to stay here for a long time? Don’t joke with me.”

“Who’s joking with you.” Madam Bai glared at him again and grabbed Qiao Mianmian’s hand. “Mianmian is already so skinny. Life on set is so tough, I have to nourish her well.”

### **Chapter 1336: Even He Didn’t Have This Treatment**

“Oh right, Mianmian, hold on.”

Madam Bai suddenly thought of something and let go of her hand. She walked to the coffee table and took out a thermos from a bag.

Unscrewing the cap, she said, “I made soup for you this morning. This soup is especially nutritious. I know that you need to maintain your figure as an actress and can’t eat oily food. I’ve sucked all the oil in it. This soup isn’t oily at all.

“Drink some while it’s hot.”

The soup was still steaming.

An alluring fragrance wafted out.

Madam Bai scooped a bowl of soup and brought it to Qiao Mianmian. As if afraid that it would burn her, she blew on it before handing it to her.

Bai Yusheng was speechless.

Even he didn't receive such treatment.

Thankfully, she was his sister, so he wasn't jealous.

After all, he wanted to pamper his sister too.

Madam Bai's actions left Qiao Mianmian at a loss. She quickly reached out to take the bowl of soup.

"Put it on the table and drink it. Don't burn your hand." Madam Bai's gaze never left Qiao Mianmian. She'd finally found her daughter after more than 10 years. She felt like she couldn't get enough of her.

Her Little Seven was really pretty.

When she was young, she was as pretty as a doll. When she grew up, she was even more beautiful.

That brat from the Mo family was really quick.

Little Seven wasn't even 20 years old, and he was already married to her.

Although the Mo family's family background was absolutely compatible with the Bai family's, and the two boys of the Mo family were also top-notch, and any son of the Mo family was compatible with Little Seven. Even though Little Seven married early, he didn't marry the wrong person.

But she couldn't bear for her baby to be a married woman so soon.

She wished she could stay home for another five to six years.

She didn't want her baby to get married so soon.

Even if she married the Mo family's kid, she was still a little dissatisfied.

Thankfully, Yusheng said that the boy from the Mo family treated Little Seven well and doted on her. Otherwise, she would be even more upset.

Qiao Mianmian couldn't help but feel touched when she saw that Madam Bai had personally prepared the soup for her.

Madam Bai made soup and brought it to F City...

Madam Bai really loved her daughter.

Ever since Mother Qiao passed away, Qiao Mianmian had never felt warmth from her family.

Father Qiao treated her well, but with Lin Huizhen and Qiao Anxin around, he was biased sometimes.

It wasn't as simple as a bowl of water.

But she could feel that Madam Bai really loved her. This love was the same as Mother Qiao's feelings for her.

Qiao Mianmian's eyes reddened at the thought of her deceased mother.

She wasn't heartless.

She could tell when others treated her well.

"Aunt, thank you..." Qiao Mianmian pursed her lips and looked up with tears in her eyes. "Actually, you don't have to go through so much trouble. The production crew is eating well, you don't have to worry."

"What trouble?"

Madam Bai smiled happily. "Why would it be troublesome if I made some soup for my daughter? As long as you like it, I'm happy and it's worth it. If you like it, I won't find it troublesome even if I make soup for you every day.

"How good can the production crew eat? This isn't my first time here. At most, I can fill my stomach. Those meals aren't nutritious. Drink the soup quickly. I've booked a restaurant. We'll go out for lunch later."

### **Chapter 1337: You're Mom's Baby Now**

Madam Bai finally understood.

She wouldn't force Qiao Mianmian to acknowledge her.

She was determined to acknowledge her as her mother.

To her, the heavens were already generous enough to let her find her daughter in her lifetime.

She would do her best to make it up to her.

In comparison, although Qiao Mianmian hadn't acknowledged her yet, her attitude towards her wasn't bad and she was willing to accept her kindness.

It was better than blaming her and refusing to forgive her.

With that thought, Madam Bai was enlightened.

Under Madam Bai's loving and gentle gaze, Qiao Mianmian drank the soup bit by bit.

"How is it? Does it taste good?" Madam Bai asked.

"Mm, it's good." Qiao Mianmian finished the bowl of soup.

"If you like it, I'll make it for you every day." Madam Bai's eyes were filled with joy.

Qiao Mianmian was stunned. She wanted to say that there was no need to go through so much trouble, but when she looked up and saw Madam Bai's eyes full of joy and tenderness, she couldn't say it.

This was a troublesome matter for her.

But to Madam Bai, cooking for her daughter should be a blissful thing.

She would be disappointed if she rejected her.

...

During lunch, Madam Bai kept putting food into Qiao Mianmian's bowl.

She kept saying that Qiao Mianmian was too skinny and should eat more.

She even told Bai Yusheng not to film too late and not to let Qiao Mianmian stay up late.

Bai Yusheng couldn't help but complain. "Mom, you're too biased. I used to film till midnight too. Why didn't you feel sorry for me and told me not to shoot too late? I'm not your biological son?"

With Qiao Mianmian around, Madam Bai didn't seem to care about Bai Yusheng anymore.

"You're a man, what's there to feel bad about?" Madam Bai was being extremely biased. With a daughter, she felt that her son was an eyesore. "It's normal for a man to work a little harder. How can a man have the cheek to say such things?"

"Mianmian is a girl, every girl is delicate. Girls are born to be loved and pampered. Mianmian is your sister, how could you be jealous of her?"

Bai Yusheng was speechless.

"Did you hear what I just said?" Madam Bai glared at him. "You're not allowed to film too late and tire Mianmian out."

Bai Yusheng was helpless. "Mom, I can't do anything when I need to catch up."

"I don't care if you're rushing or not," Madam Bai said forcefully. "Anyway, don't tire Mianmian out."

Bai Yusheng was speechless.

Women really didn't care about age when they were being unreasonable.

He sighed and looked at Qiao Mianmian. "Mianmian, you're Mom's darling now. I don't have a place in this family anymore."

Qiao Mianmian couldn't help but laugh.

After the meal, she felt closer to them.

After all, they were related by blood.

Just because she wasn't used to it didn't mean she disliked it.

The people beside her were her biological mother and her biological brother. How could she not have feelings for them?

Madam Bai could feel it too.

Qiao Mianmian was closer to her than before.

**Chapter 1338: There's No Way to Stop Her**

She felt that this trip wasn't wasted.

She was determined to stay in F City to take care of her daughter.

She'd been absent for over a decade, so she wouldn't be absent anymore.

"Mom, can you go back now? Mianmian and I are going back to the set soon, we won't have time to accompany you. You don't have many friends here, you'll be bored if you stay here. You should go back."

Bai Yusheng was worried about Madam Bai staying here.

His mother was delicate and had been pampered since she was young. Even when she married into the Bai family, she didn't do anything.

Servants took care of everything for her at home.

How could she compare to her family here?

But Madam Bai was determined to be a good mother. "I'm not going back. I want to stay and take care of Mianmian. I'm worried about leaving Mianmian here alone."

Bai Yusheng had a headache. "Why is Mianmian here alone? Doesn't she have me? Don't worry, I'll take good care of her."

"You're a man. How can you take good care of your sister if you can't even take care of yourself? Don't speak anymore. I've already decided to stay. I've already gotten someone to find a place to stay. You don't have to care so much."

"Mom..."

Bai Yusheng saw that he couldn't persuade her no matter what and could only turn to Qiao Mianmian for help. "Mianmian, persuade Mom. I can't persuade her. I guess she'll only listen to you now."

Qiao Mianmian also felt that Madam Bai was worrying.

She thought for a while and said gently, "Aunt Bai, Brother Bai and I usually stay on set all day. We can't take care of you alone. Brother Bai and I will be worried about you."

"You'd better listen to Brother Bai and go back first."

"If Auntie misses me, you can call me or video call me."

"Don't worry, I'll take good care of myself. I'll see you after the shoot."

"But I'm worried about you." Madam Bai held Qiao Mianmian's hand, her eyes full of heartache. "I know filming is very tiring. I can still take care of you here. I'm not a child anymore, I can take care of myself. You guys can do your own things, don't worry about me."

"Seeing you in the video is not as good as seeing you in person."

"Do you not like Auntie staying here and feel that I've caused trouble for you?"

“Auntie, no...”

Qiao Mianmian didn't know what to do with Madam Bai. She looked at Bai Yusheng pleadingly.

Bai Yusheng was also helpless. “Mom, we're filming in this location for a few months. You can't stay here forever, right? Dad will be back in a while, are you going to leave him alone in Yuncheng City?”

Madam Bai kept quiet for a while and frowned. “Then, can I stay here before your dad comes back?”

Bai Yusheng was speechless.

Forget it.

He felt that he couldn't do anything to her.

His mother had just acknowledged her daughter and was extremely agitated. She wanted to do something for her daughter.

There was no way to stop her.

By then, he could only arrange for a few more people to be by her side.

...

After lunch, they returned to the set.

Madam Bai separated from them when they arrived.

In the car.

Bai Yusheng was afraid that Qiao Mianmian would think that Madam Bai was too clingy, so he explained it to her. “Mianmian, if Mom's behavior bothers you—”

### **Chapter 1339: He Was Definitely Under Pressure**

“I'll apologize on her behalf. I told her not to come, but she...”

“I'll talk to her when we're done tonight and get her to go back tomorrow.”

“Brother Bai, if Aunt wants to stay, just let her stay.” Qiao Mianmian thought for a while and said, “Actually, I can understand Aunt Bai's feelings. She doesn't cause me any trouble, I'm just worried about her staying here alone.”

“You really don't mind?”

“Mm, I don't mind. You and Aunt Bai are so good to me. You're also... my family. Why should I mind you being good to me? Actually, I'm really touched and happy. Brother Bai, thank you and Aunt Bai for letting me feel the warmth of home again.”

“What nonsense are you talking about.” Bai Yusheng patted her head. “Since you said we're your family, why are you being so polite to us? You're my sister. If I don't treat you well, who will I treat well?”

“I was thinking how good it would be if you were my sister. I didn’t expect you to really be my sister now.” Bai Yusheng looked at her gently and said, “I look forward to the day when you can call me Brother.

“Mianmian, I’m glad you’re my sister.”

Qiao Mianmian looked up. “Brother Bai...”

“No rush.” Bai Yusheng smiled and patted her on the head. “I’ll continue waiting. I believe I won’t wait too long.”

...

The afternoon shoot went smoothly as well.

Even if there were NG scenes, there would only be two.

Moreover, the scenes without NGs were already done very well. But Bai Yusheng wanted it to be perfect, so he got NGs to reshoot.

Qin Han and Qiao Mianmian cooperated more and more.

The afternoon shoot was even better than the morning.

Qin Han’s prejudice against Qiao Mianmian had long vanished.

He realized that she was actually a very cute girl. She didn’t put on airs because of her relationship with Bai Yusheng, and she was very polite to the actors and crew members.

What satisfied Qin Han the most was that Qiao Mianmian was a very smart student.

Many things he had to tell others seven or eight times before they understood him.

But he only had to say it once to Qiao Mianmian.

Even Qin Han wanted to help her.

As the male lead had changed, the official account made a new announcement.

When the netizens found out that Qin Han actually took on a television drama and was acting with Qiao Mianmian, they were all excited.

Some felt that Qin Han’s new show was very good.

But most of them attacked Qiao Mianmian and expressed their dissatisfaction.

Many people were already unhappy with Tu Yilei acting with Qiao Mianmian as the female lead.

Now that it was Qin Han, his fans wanted to punch her.

“Damn, in order to support Qiao Mianmian, he actually let a movie star like Qin Han act in a television drama? And with such a newbie? Damn...”

“I don’t think Qin Han did it willingly. He must have been pressured to take this role.”

“In order to groom that shameless newbie, Tu Yilei was angered.”

#### **Chapter 1340: Seemingly Forced to Post**

“In the end, she caused Tu Yilei to be injured and leave the industry for a year. Now, she found Qin Han? Could she be a jinx and hurt Qin Han too? If anything happens to Qin Han because of her, I won’t let her off.”

“I really don’t know who Qiao Mianmian’s sugar daddy is. Everyone knows that Qin Han has stopped taking on television dramas all many years ago, and now he made an exception for her. The Movie King has become her supporting role. She’s really impressive. Qin Han is so pitiful to have to act with such a pretty face. Hmph, it’s useless to groom such a weak pretty face. She can’t be popular.”

“Qiao Mianmian is so disgusting. I, Qin Han, am so pitiful to have to act with such a pretty face. Doesn’t she have a very impressive boyfriend? Why does she have to come to the entertainment industry?”

The official Weibo was filled with criticism.

During the break, Qin Han scrolled through Weibo on his cell phone.

His Weibo was specially managed by a team. Most of the time, the content was run by the team.

But sometimes, he would log in and take a look.

Occasionally, he would post on Weibo.

In fact, Qin Han liked Weibo.

He registered a new account and would check Weibo whenever he was free.

He logged into his alternate account.

He saw a familiar name on the trending page.

# Qiao Mianmian Get Out of the Entertainment Industry #

# Qin Han and Qiao Mianmian #

# Qin Han seems to have been threatened. The show is all for him #

Seeing that his name was also on the trending list, Qin Han clicked on it.

Then, he saw the official Weibo post and clicked into the comment section. He saw that the hot comments were all scolding Qiao Mianmian.

The netizens guessed that he was threatened and had no choice but to take on this drama.

And the person threatening him was Qiao Mianmian’s boyfriend.

Hence, Qiao Mianmian was scolded badly.

Qin Han frowned after reading a few comments.

As the person involved, he naturally knew the truth.

Who could force him to do something he wasn't willing to do?

This had nothing to do with Qiao Mianmian, but now she was being scolded because of him.

Qin Han couldn't take it anymore.

Even if he didn't like Qiao Mianmian, he wouldn't remain indifferent after seeing this.

He thought for a while and logged out of his alternate account.

He used his main account to repost the official Weibo post.

Qin Han V: [I'm looking forward to this collaboration. Director Bai is a director that I admire very much. So, when he found me and showed me the script, I accepted this show without hesitation. Reality has proven that my decision was right. The female lead is still a newbie, but she performs very well. It was very enjoyable to act with her. Many of her details and comprehensions during the performance amazed me. I believe everyone will be amazed when the post-production is released.]

A minute after Qin Han reposted it, there were already over 20,000 comments.

The hot comments were still scolding Qiao Mianmian.

"Why do I feel like Qin Han's response was forced?"

"I feel the same."

"Haha, Qiao Mianmian was just scolded on the hot searches, and Qin Han spoke up for her. I don't believe that Qin Han posted it willingly."

"Qin Han's repost seems to be refuting rumors. Maybe he was forced to do it."
