

## Big Shot 1361

### Chapter 1361: Is There a Way to Have It Both Ways?

Qiao Chen picked it up quickly and called her affectionately. "Sister."

"Chen Chen, help me do something." Qiao Mianmian knew that Qiao Chen used to be a hacker. There were some things that Qiao Chen could help her with.

Before she clarified things, she had to be prepared.

She wouldn't give Lin Huizhen and Qiao Anxin any chance to turn things around.

"Mm, go ahead."

"I want some photos that can prove that Su Ze cheated on me while I was dating him. I don't need them to be too intimate. I just want to prove that they were together before Su Ze and I broke up."

Qiao Chen was silent for a while.

"Chen Chen, is it difficult?" Qiao Mianmian asked.

"It's not difficult. Sister, don't worry. I'll definitely get it for you. I was just thinking about something just now. I don't know if I should tell you."

"What is it?"

Qiao Chen kept quiet for a while before saying, "Sister, my father... is the Second Master of the Mo family. He wants me to familiarize myself with the company's business from now on. He said that I'm his only son and that he wants me to manage the company in the future.

"But I'm not interested in these things.

"I just want to play in a professional team. This has been my dream since I was young. I don't want to give it up.

"But Father said that if I don't take over his company, it will fall into someone else's hands. I don't know what to do now."

She could hear the confusion in his voice.

Qiao Mianmian knew how much Qiao Chen wanted to be a professional eSports player.

This was indeed Qiao Chen's dream since he was young.

If it wasn't for his heart disease, he would have joined a professional team already.

He might have thought about this seriously, but he still couldn't make a decision, so he told her.

Qiao Mianmian thought for a while before saying, "Chen Chen, if you're asking for my advice, I hope you'll do something that makes you happy. Your father's company isn't your responsibility, you don't have to sacrifice your dreams. Also, I heard from your brother-in-law that your father's company is

mainly managed by Second Madam and her nephew. Whether you're willing to take over the company or not, you're definitely a huge threat to them.

"Even if you say that you're unwilling to take over the company, they definitely won't believe it. Letting them hold some power, I'm worried about your safety.

"You're only safe when you have all the power in your hands. Chen Chen, I hope you're happy. I'm really worried that they'll do something bad to you. I don't know which choice is best for you."

"Sister..." Qiao Chen sighed. "Do you there's a way to have it both ways?"

"Both ways?"

"So, it's impossible to have both. I just want to confide in you. I'll consider it carefully. Oh right, Sister, Father and Grandma will hold a banquet for me in a few days. Can you come back?

"I'm afraid I'll be nervous. If Sister is there, I won't be so afraid."

Qiao Mianmian didn't know if she would have the time.

But she agreed without much thought.

"Alright, I'll be back. Chen Chen, don't worry. I'll be with you."

### **Chapter 1362: So Explosive**

The siblings chatted for a while more until Nana reminded Qiao Mianmian that the next scene was about to start filming. Qiao Mianmian then hung up.

What happened online didn't affect her performance during filming.

With a capable senior like Qin Han leading her and the other actors Bai Yusheng found, the following shoot went smoothly.

Most scenes were shot once.

Even if there was an NG, it wouldn't surpass three times.

Qiao Mianmian didn't have many scenes the next day.

She finished all the scenes in half a day.

Qiao Chen's progress was also very fast.

Not long after Qiao Mianmian was done filming, Qiao Chen sent a document to her inbox.

He told her on WeChat: [Sister, everything you need is in that document. Is it enough? If it's not enough, tell me.]

Qiao Mianmian: [Alright, I'll go take a look first.]

She went to read the email after replying to Qiao Chen.

She opened the email and opened the file that Qiao Chen sent her.

Not only were there photos in the compressed bag, but there were also many videos. Moreover, Qiao Chen had arranged the photos in order. Qiao Mianmian looked at the time of each photo. Even though she had no feelings for Su Ze, her eyes were still filled with anger.

Most of these photos were taken by Qiao Anxin.

Su Ze didn't like taking photos.

But Qiao Anxin was someone who liked to show off. Hence, from the day she got together with Su Ze, she took many photos with him.

These photos were enough for Qiao Mianmian to use as evidence.

Ding!

Qiao Mianmian had just finished looking at the photos when a notification sounded.

It was from Qiao Chen.

[Sister, take a look at this unexpected gain too. You'll be shocked.]

Qiao Mianmian opened it curiously.

When she saw the first photo, her eyes widened in shock.

A minute later, Qiao Chen sent him a message: [Sister, have you seen the email I just sent you?]

Qiao Mianmian was still in shock.

She looked down at the dozens of photos in the email again.

Qiao Chen: [Sister? Are you busy?]

This time, Qiao Mianmian finally recovered a little. She closed the email and replied to Qiao Chen's WeChat: [I'm not busy now. I was looking at the email you sent me. Chen Chen, where did you get those photos?]

Qiao Chen: [Sister, I saw the video of Lin Huizhen's interview. She defamed you so badly in the video, of course I can't let her off. I thought that since I've already gotten Qiao Anxin's photos, I might as well see if she has anything useful. I didn't expect it to be so explosive. I seriously suspect that Qiao Anxin isn't Dad's biological daughter. She looks so similar to the man in the photo.]

Qiao Mianmian thought about the man's appearance in the photo and kept quiet for a while before replying, [Qiao Chen, no matter what the truth is, don't let Dad know first. He's not in good health now. I'm worried that if he finds out... he'll be angry.]

Qiao Chen: [Mm, I know. I won't tell him now. But Lin Huizhen can't keep Dad in the dark about what she did. It's unfair to him.]

Qiao Mianmian: [Of course I have to tell him, but now isn't the time. Let's wait for a while more.]

### **Chapter 1363: This Evidence Is Enough**

Qiao Chen: [Sister, are you planning to retaliate?]

Qiao Mianmian: [I won't attack unless she offends me. She took the initiative to create trouble. If I don't retaliate, she'll think I'm easy to bully.]

Qiao Chen: [Sister, I support you! You have to slap them in the face. If you need my help, just let me know. I'll get it done immediately.]

Qiao Mianmian: [This evidence is enough. But there's something I need your help with.]

Qiao Chen: [Sister, say it.]

...

Qiao Mianmian was still trending on Weibo after being accused of being unfilial by her family.

Some people seemed to want to hit her while she was down.

Qin Han's support already caused the public to side with her.

But after a few hours, a group of people suddenly appeared and pushed Qiao Mianmian into the limelight.

# Qiao Mianmian's unfilial # trending topics became the top trending topics for 24 hours.

"Why hasn't that Qiao Mianmian stepped forward to refute the rumors? I'm even suspecting if what her stepmother said is true. If it's not true, it's been so long, but she still hasn't responded. Does she not care what the netizens think of her?"

"I originally trusted Qin Han, so I sided with Qiao Mianmian. But now... Sigh, I just hope that Qin Han won't be tricked by her."

"I'm also worried that Qin Han will be cheated. Who cares if Qiao Mianmian is unfilial or not. But if she screws over our Qin Han, I'm going to announce that I'm a hater!"

"It's not worth it if the good reputation that Qin Han has built up over the years is affected because of her. I hope Qiao Mianmian can come out and refute the rumors as soon as possible. She has to be worthy of Qin Han's help."

Qiao Mianmian's Weibo comment section was filled with people urging her to quickly refute the rumors.

After Qiao Mianmian and Qiao Chen discussed their strategy, she logged into her Weibo and posted a clarification.

Qiao Mianmian V: [I'm sorry for making everyone wait for so long. The reason why I only posted it now is that I feel that since I want to clarify things, I have to prove it to everyone. Otherwise, no matter what I say, you won't believe it. Let's talk about a few things first. About my stepmother, Madam Lin Huizhen, saying that I brought thugs home to bully them. The truth is that she and Qiao Anxin borrowed Fengshui and wanted to move into my mom's room. My mom's room has been keeping its original decoration since she passed away. My dad also promised that no one will move into that room and he will keep the original image to remember my mom. I only got someone to stop them.]

[As for what happened after that, it was because they made a move on me first. My boyfriend felt sorry for me, so he got someone to return it. Also, I love my dad very much. The argument with him was also

because he broke his promise. I have no objections to letting Qiao Anxin stay in any room in the Qiao family, including my bedroom. But she can't stay in my mom's room. Since he promised, he can't go back on his word.]

[If he really hurt his health because of me, I'll admit that I'm in the wrong. I'm willing to accept all criticism. I believe that no matter how close a family is, there will be conflicts occasionally. But my relationship with my dad won't change because of these conflicts. Anyway, thank you for everyone's attention. I'm willing to accept criticism if I do badly. But if someone deliberately twists the truth, I won't let her scheme succeed!]

### **Chapter 1364: Did Someone Steal Her Account?!**

[I believe everyone has their own judgment.]

Qiao Mianmian's message included the recording of her call with Lin Huizhen.

The group of netizens who had been waiting to watch the show immediately opened the recording.

The voice recording was especially clear, and there were no strange noises at all. Lin Huizhen's every word could be heard clearly.

Instantly, Weibo exploded.

"Damn, this recording... So, Qiao Mianmian's stepmother was really lying. I was wondering why Qiao Mianmian wasn't anxious at all and didn't come out to refute the rumors. It turns out she was preparing for the truth. This melon is really delicious. I like people who suddenly counterattack beautifully without saying anything. Based on this, I became a fan."

"I didn't expect Qiao Mianmian's stepmother to be so shameless. I knew that there weren't many good stepmothers. She and Qiao Anxin are really a disgusting pair of mother and daughter. I can imagine how badly Qiao Mianmian was bullied by them."

"Damn it, she wants a few hundred million yuan?! Why doesn't she go rob a bank? She saw that Qiao Mianmian found a rich boyfriend and wanted to take the opportunity to extort a sum. I didn't expect Qiao Anxin to have such a good public image. She seems to have good moral values, but she actually did so many dirty things in private. Stealing her sister's fiancé, this is too disgusting."

"Our Anxin didn't snatch him away. She only got together with Su Ze after he broke up with Qiao Mianmian. Why, just because Su Ze and Qiao Mianmian dated before, Anxin can't date Su Ze even if they broke up? Why!"

"To put it bluntly, Qiao Anxin didn't cheat on Su Ze. Although it's a little annoying to date her sister's ex-boyfriend, as long as Qiao Mianmian broke up with Su Ze, Qiao Anxin could have dated Su Ze."

"I think Qiao Mianmian means that Qiao Anxin cheated on him. If Qiao Anxin dated Su Ze after she broke up with him, I don't think it's cheating. She means that Su Ze cheated on Qiao Anxin before she broke up with Su Ze."

Although Qiao Anxin was banned, she was still a first-tier actress.

She naturally had a lot of fans.

Because Qiao Mianmian said that Qiao Anxin cheated on her, Qiao Anxin's fans went to the clarification post and scolded Qiao Mianmian for spreading rumors about Qiao Anxin.

Not only did they scold Qiao Mianmian, but they also scolded everyone who spoke up for her.

Just as the fans were gathered and cursing, someone realized that Qiao Anxin had posted on Weibo.

"Damn, what's going on. Go and look at Qiao Anxin's Weibo post."

"Qiao Anxin posted on Weibo? What happened to her?"

"Damn, I just saw it. It's really huge. I predict that the Weibo post will be deleted soon. Everyone, hurry up and take a look. You'll definitely be shocked."

"What is Qiao Anxin doing? Did someone steal her account?!"

"What did Qiao Anxin post?! Her account was hacked? But if her account was hacked, why would others have those photos? Could it be that she posted something that only she could see, and now it's been discovered?"

Because of Qiao Anxin's post, everyone was attracted to it.

In an instant, Qiao Anxin was trending.

# Qiao Anxin self-destructed and cheated on him #

### **Chapter 1365: Qiao Anxin Exposed Her Scandal**

Qiao Anxin's Weibo used to be managed by a professional team.

Ever since she terminated her contract with Star Splendor, there was no longer a team to manage her Weibo.

It took more than half an hour for someone to call her and ask her what was going on.

...

Qiao Anxin didn't know what was going on when she received the call.

The other party didn't tell her what was going on and only told her to quickly go on Weibo.

After hanging up, she immediately logged into Weibo.

When she saw the Weibo post with her account, her eyes widened in shock.

Qiao Anxin V: [Ze, I don't regret loving you. I'll remember everything that happened between us for the rest of my life.]

The attached photos were of them before he and Qiao Mianmian broke up.

Every photo was taken clearly.

Qiao Anxin looked at the post in disbelief.

She definitely didn't post it.

As long as she wasn't crazy, she wouldn't expose her scandal like this.

Qiao Anxin's first reaction was that someone had stolen her Weibo account.

But if it was just stealing her Weibo, where did those photos come from?

She had already deleted those photos.

Besides her, no one else would have them.

But if no one else did, how did the photo get sent?

It had only been half an hour since the post was first posted, but the number of comments and reposts had already exceeded 100,000.

And the numbers were increasing rapidly.

# Qiao Anxin's self-explosion scandal # was trending.

The netizens commented.

"This is the first time I've seen an artiste expose herself. Is Qiao Anxin crazy?"

"Qiao Anxin really cheated on him. This proves that Qiao Mianmian is right. Su Ze and her are really not the same. One cheated on his girlfriend's sister, while the other is an unfaithful sister-in-law. Even a rabbit doesn't eat the grass by its nest. They're worse than animals."

"I don't care if these photos were sent by Qiao Anxin herself. She indeed cheated on her. I had a good impression of her previously, but now, my worldview has been ruined. There are so many men in the world, who can't be with them, but she eyed her sister's man? To be honest, if I had such a sister, I would definitely cut off all ties and never interact with her again. No, I have to tell the world about her scandals and let everyone know how shameless she is."

"No wonder Qiao Mianmian was still a walk-on actor when she was dating Su Ze. She didn't even have any good resources. Qiao Anxin, on the other hand, was highly supported by Star Splendor and could easily get all sorts of good resources. It turns out that this pair of scumbag and slut had already secretly gotten together."

"Damn it, I'm going to puke. From today onwards, I'll turn against Qiao Anxin!"

"Although I'm Qiao Anxin's fan, I'm not a brainless fan. Some principles can't be discussed. I'll stop being a fan."

"+1"

"I'm a fan too. This happened to me before. It was so disgusting that I couldn't eat or sleep well that year. When I closed my eyes, every time I saw that scumbag and slut, I was disgusted. The thing I hate the most in this life is being betrayed by someone you think is very close to you. This pain is something I'll never forget."

“I was cheated on by my best friend. I was so disgusted back then. Her sister... must be even more disgusted.”

Almost all the trending topics were scolding Qiao Anxin.

Qiao Anxin’s fans immediately shut up.

### **Chapter 1366: Ambulance, Call the Ambulance!**

If he still spoke up for her under such circumstances, he would definitely be criticized.

Qiao Anxin saw the comments scolding her.

She quickly deleted the post.

But it was useless.

Someone had already taken a screenshot of that Weibo post and saved the photos. It was all about her and Su Ze’s intimate positions.

She wanted to spend money to get the public relations to help her settle this.

But after she terminated her contract with Star Splendor, she hadn’t found a company yet. There wasn’t a public relations team to help her with her matters.

She wanted to spend money to remove the trending topics, but someone told her directly that they couldn’t remove her trending topics, nor did they dare to.

Qiao Anxin’s popularity was increasing.

# Qiao Anxin is immoral, I suggest ban #

# Qiao Anxin Get Out of the Entertainment Industry #

# Qiao Anxin’s fans plummeted by a million. #

A series of trending topics took up the top five spots.

Qiao Anxin had been on the hot searches before.

But this was the first time it was trending in a negative way.

In less than an hour, her fans had fallen by more than a million.

And it was still falling.

Even the blogger of her fan club, who had the most followers, stood forward to announce that he was no longer a fan. He said that he wouldn’t update any Weibo posts related to Qiao Anxin anymore and that all the previous posts had been deleted.

Qiao Anxin had suffered a huge loss.

At the same time, some brands who had signed contracts with Qiao Anxin also stood forward and announced that they wanted to terminate their partnership with her. Because Qiao Anxin's scandal affected their brands, they wanted to sue her for compensation.

Qiao Anxin had signed many advertisement contracts when she was most popular.

And they were all top-tier brands.

When signing the contract, it was written in black and white: If the artiste creates a scandal while contracted with the brand, it will affect the brand's image. The artiste has to compensate for the brand's losses.

The compensation wasn't a small sum.

Qiao Anxin signed four or five advertisements that year.

Someone calculated that the compensation alone would cost hundreds of millions.

This sum of money wasn't small even for a very profitable artiste.

When the brands called her one after another and requested for her to terminate the contract and compensate for the losses, Qiao Anxin was so angry and anxious that she fainted on the spot.

On the other side, Lin Huizhen heard the commotion.

She pushed the door open and saw Qiao Anxin lying motionless on the ground.

She was so shocked that her face turned pale. She grabbed Qiao Anxin's arm and shook it a few times. "Anxin, what's wrong? Don't scare Mom."

"Someone, come quickly." Lin Huizhen shook Qiao Anxin a few times, but she still didn't wake up. She screamed, "Ambulance, call the ambulance!"

...

Because of Qiao Mianmian's post, many people felt sympathy for her after knowing that she was bullied by her stepmother and stepsister.

Most people sympathized with the weak.

The netizens seemed to realize that this newbie, who was often criticized on Weibo, hadn't been doing well.

It turned out that she lived in an unhappy family.

Someone revealed that Qiao Mianmian had been to their set for an audition. The director was actually quite satisfied with her, but after Qiao Anxin talked with him, the director didn't want to offend her, so he found an excuse to fire Qiao Mianmian.

**Chapter 1367: Hit Her Assistant Often**

The person who exposed it said: “I was there too. Qiao Mianmian’s performance was really good. She’s not the flower vase you think she is. I’m not a fake reviewer, and I don’t have any interactions with her in private. I just feel that it’s unfair to say that she’s a flower vase before seeing her performance.”

“Since everyone is exposing it, I’ll expose one too. Qiao Mianmian also came to our production team for an audition. Honestly speaking, she’s really not the kind of flower vase with no acting skills you think she is. Our director also admired her and said that her performance was very lively and her appearance was good. She’d definitely be popular in the future. Of course, the reason why she wasn’t used in the end wasn’t that her performance was bad. You all know the reason.”

“Let me tell you something I know too. I’ve always known that Qiao Anxin isn’t like her on the surface. Mm, I’m a former employee of Star Splendor. When I was still in Star Splendor, I saw Qiao Anxin bullying her assistant more than once. It’s common for her to slap her assistant. What’s even more unexpected is that she hit her assistant because she felt that her assistant resembled Qiao Mianmian.

“I’m telling the truth about Qiao Anxin hitting her assistant. That female assistant is only 19 years old, and she’s a pretty girl with a soft personality. We were all furious when we saw her being bullied by Qiao Anxin. But back then, Qiao Anxin used her relationship with Su Ze to lord over Star Splendor, so how could we dare to say anything about her? It’s only because she’s down on her luck that we dared to expose her.”

Not long later.

Someone found the female assistant’s Weibo post.

She saw the latest post by the female assistant. It wasn’t long after Qiao Anxin’s scandal.

The female assistant’s Weibo name was “Ruan Chao Hardworking”.

Ruan Ruanchao tried her best: “Good and evil will always be rewarded. It’s not that it’s not time.”

Someone scrolled through the female assistant’s Weibo account and felt heartache.

It turned out that the female assistant had been suffering from depression for a while.

And the reason why she was depressed was that she was unhappy at work every day and was in a state of depression and fear. She said on Weibo that she was afraid that her employer would slap her if she didn’t do well.

She said that she never relaxed when facing her employer.

She didn’t know why her employer would always say that she looked like another person every time she hit her. She said that she was angry at her and wanted to hit her.

The employer the assistant was referring to was definitely Qiao Anxin.

Hence, the Weibo posts she posted previously proved what the person said.

Qiao Anxin often hit her assistant.

And the reason she hit the assistant was that she looked like Qiao Mianmian.

It was obvious how much she hated Qiao Mianmian.

The netizens were shocked.

“Gosh, Qiao Anxin is too scary. What right does she have to hit a female assistant? She’s only working in Star Splendor, she’s not a slave. I really didn’t expect her to be as scary as a witch.”

“What a disgrace. Shouldn’t a female artiste like Qiao Anxin be banned? This female assistant is so pitiful. She’s been bullied into depression. Thankfully, she’s out of her misery.”

### **Chapter 1368: Qiao Mianmian, Are You Still Human?**

“Actually, Qiao Mianmian is pitiful too. Her mother passed away early, and her father remarried. The stepmother also teamed up with her daughter to bully her and her brother. But she’s finally made it. Her boyfriend dotes on her a lot. He definitely won’t let anyone bully her anymore.”

“Yes, I used to dislike Qiao Mianmian a lot. Now that I think about it, she’s really quite pitiful. I suddenly can’t hate her anymore.”

“They said that Qiao Mianmian didn’t have much of a role in the industry for the past few years. With her sister scheming against her, what good resources could she get?”

“Hahaha, so that scheming bitch Qiao Mianmian is going to play the sympathy card now?”

“Even if Qiao Anxin isn’t a good person, I still hate Qiao Mianmian! She’s a green tea b\*tch, there’s no way to clear her name!”

“Hate Qiao Mianmian+1”

“Hate Qiao Mianmian+10086.”

“You said you hate Qiao Mianmian, but our Mianmian wants you to like her? Mianmian is as good as Mianmian likes her. Who cares if you like her or not? I’m afraid you’ve seen your master’s ugly true colors being exposed. Are you guys desperate?”

“It’s obvious that Qiao Anxin’s fans are desperate.”

The scandals destroyed Qiao Anxin’s image.

The negative news about her continued to increase.

Many people knew that Qiao Anxin wouldn’t be able to make a comeback this time.

Everyone pushed the wall down.

Moreover, Qiao Anxin’s personality was never likable.

Once her negative news was released, no one in the industry spoke up for her. It was obvious how bad her interpersonal relationship was.

Some of the fake sisters who seemed to be on good terms with her also chose to cut ties with her immediately.

Anyone could tell that Qiao Anxin was doomed this time.

Su Ze used to help her.

But now, they had already broken up. The Su Corporation had been acquired by the Mo Corporation, and even Su Ze couldn't protect himself.

Everyone applauded their ending.

...

"Wow, Mianmian, Qiao Anxin definitely can't turn things around. Serves her right. It's so satisfying to see her like this. You fought really well."

Nana was scrolling through Weibo excitedly.

"I really didn't expect her to be so mean and bully her assistant. Moreover, she bullied that assistant because she felt that she looked like you. This is too perverted."

Nana thought about how Qiao Mianmian treated her and was glad that she wasn't with a pervert like Qiao Anxin.

In comparison, Qiao Mianmian was practically an angel.

Qiao Mianmian looked at the comments about Qiao Anxin and exited Weibo a while later.

She didn't want Qiao Anxin to die.

Qiao Anxin deserved it.

She no longer cared about Qiao Anxin's future.

But according to the dirt now, Qiao Anxin was the same as Huang Yilin. She definitely wouldn't be able to turn things around.

Her cell phone suddenly rang.

Qiao Mianmian looked down and saw the caller ID. She narrowed her eyes and picked it up after a few seconds.

The moment the call went through, an angry voice came from the phone. "Qiao Mianmian, are you still human? Are you only satisfied after Anxin dies?"

### **Chapter 1369: She Couldn't Wait to Die**

"Was it you who did that to Anxin's Weibo? She doesn't want to live anymore, do you know that?"

"If anything happens to Anxin, I'll never let you off!"

Qiao Mianmian kept quiet for a while as she listened to Lin Huizhen's angry voice. "Aunt Lin, what are you talking about? I don't understand. What has Qiao Anxin's death got to do with me? How did it become me trying to force her to death?"

“Qiao Mianmian, Anxin is in the hospital! She’s still unconscious!” Lin Huizhen said angrily. “It’s all because of you. If anything happens to Anxin, I won’t let you off.”

“Are you done?” Qiao Mianmian’s voice was emotionless.

“Qiao Mianmian, I want you to clarify immediately that you and Su Ze have broken up a long time ago. Anxin has never gotten involved with the two of you. Let’s not talk about anything else, but on account of the Qiao family’s gratitude for raising you, you can’t treat Anxin like this.

“She’s the only flesh and blood of the Qiao family. If something happens to her because of you, would you be worthy of the Qiao family’s years of kindness? Because of you, she and Su Ze have already broken up, and her child is gone. Do you still want to ruin her career and leave her with nothing?”

“Are you really going to force her to death?”

“As long as you make a statement to prove that she didn’t cheat on you, we’ll let bygones be bygones.”

Qiao Mianmian found it funny. “Aunt Lin, the Qiao family has done me a favor, but this has nothing to do with you. Qiao Anxin only has herself to blame for what happened to her. It’s not that I want her to have nothing, it’s you and your daughter who want me to have nothing.

“It’s just that your wishful thinking has failed.

“Whether she wants to die or live has nothing to do with me. You don’t have to call me anymore. I won’t answer your call.”

With that, Qiao Mianmian hung up without waiting for Lin Huizhen’s reply.

She then blacklisted Lin Huizhen’s number.

Qiao Anxin must have really been hospitalized.

But even if Qiao Anxin really wanted to die, it had nothing to do with her.

...

In the hospital.

Lin Huizhen’s expression darkened.

She immediately called again and realized that Qiao Mianmian had blacklisted her.

“Little slut!”

She almost smashed her cell phone.

The door was pushed open.

Qiao Ruhai walked in anxiously and saw Qiao Anxin lying on the bed with her eyes closed. He quickly walked to Lin Huizhen and asked worriedly, “What’s wrong with Anxin? Is she still unconscious?”

Lin Huizhen looked up at him with tears in her eyes.

Her tears fell.

Qiao Ruhai's heart sank.

He asked anxiously, "What happened to Anxin? What did the doctor say?"

"Old Qiao, your daughter is being bullied. Our family raised an ingrate. She wants Anxin dead!"

Qiao Ruhai was stunned. "Anxin was bullied? Who bullied her?"

"It's all because of that ingrate you raised. Now that she's found her biological parents and has a better backing, she's starting to trample on the Qiao family. All these years, you've treated her like your own daughter. Even Anxin's treatment here has to be pushed aside.

"But what about her? How did she repay you? Your only biological daughter has been bullied by her until she's unconscious and hospitalized. She even wants to die. I called her and begged her to let Anxin off. She even said that it's best if Anxin dies. She can't wait for Anxin to die."

### **Chapter 1370: No Status in Her Heart**

"If you'd known that she was an ingrate, you'd have thrown her to the orphanage. Who cares if she lives or dies in the future?"

Qiao Ruhai was stunned for a few seconds before frowning. "You're saying that Anxin was hospitalized because of Mianmian?"

"If it wasn't her, who else could it be!" Lin Huizhen gritted her teeth. "Your good daughter is riding on our heads now."

"How could that be?" Qiao Ruhai denied it immediately. "Is there a misunderstanding? How could Mianmian be so angry that Anxin was hospitalized? You said that Mianmian found her biological parents. Is that true?"

"How could it be fake? She has already acknowledged her family, and you still don't know? It seems like you don't have any status in her heart as her adoptive father, and she actually didn't tell you about such an important matter. That's right, she's the Young Lady of the Bai family now, how could she still like us?"

"The Bai family?" Qiao Ruhai was in disbelief. "Mianmian's biological parents are from the Bai family?"

"The Bai family gave Qiao Mianmian to you. Don't you know who her biological parents are?"

"At that time, her parents weren't surnamed Bai." Qiao Ruhai was stunned for a while before coming back to his senses. "My boss's surname used to be Cheng. Could it be... he changed his surname now?"

"Surname Cheng?" Lin Huizhen's expression changed slightly. "Could it be that Qiao Mianmian isn't a daughter of the Bai family? But that's not right. Anxin said that the paternity test she did was done with Qiao Mianmian's blood. The results show that Qiao Mianmian and Madam Bai are biological mother and daughter."

"What did you say? Anxin did a paternity test?"

Lin Huizhen only realized that she'd let it slip when she saw Qiao Ruhai's doubtful gaze.

She immediately hid it. "It's nothing. In any case, your precious daughter has already become the daughter of the Bai family and acknowledged her biological parents behind your back. Why didn't she tell you? She was afraid that you would stop her and not let her go back.

"Now that she has the Bai family to rely on, she's bullying Anxin.

"Old Qiao, are you just going to watch her bully Anxin?"

"Anxin is your biological daughter. Are you going to let her be bullied by Qiao Mianmian?"

Qiao Ruhai's expression darkened. "Why would she bully Anxin?"

"Of course, it's because she felt that Anxin snatched Su Ze away, so she wants to take revenge on Anxin now. Back then, she was the one who hooked up with a richer man and insisted on breaking up with Su Ze. Is Anxin not allowed to date Su Ze just because she dated him?"

"She got someone to ban Anxin, and now she even got someone to spread rumors about Anxin online. Anxin fainted because she couldn't stand being scolded by so many people."

Qiao Ruhai pursed his lips and looked at the unconscious Qiao Anxin.

...

Qiao Mianmian had just removed her makeup and changed her clothes when she received a call from Qiao Ruhai.

She looked at the caller ID and hesitated for a few seconds before picking it up.

"Dad."

The entire conversation lasted less than a minute.

Then, Qiao Ruhai hung up.

Qiao Mianmian looked at her cell phone screen and was stunned for a while. She pursed her lips and stood there for a while before turning to walk towards the car park.

"Young Madam."

The chauffeur greeted her respectfully.
