

Big Shot 1371

Chapter 1371: Come Out With Me, I Have Something to Ask You

Qiao Mianmian nodded and sent Bai Yusheng a message.

At night, Madam Bai cooked again and got her to eat with Bai Yusheng.

“Uncle Zhao, let’s not go home first. Let’s go to the hospital.” Qiao Mianmian turned to look out of the car window. Her eyes dimmed as she recalled what Qiao Ruhai had just said on the phone.

“Yes, Young Madam.”

...

Half an hour later, outside the hospital.

Qiao Mianmian got out of the car, put on her mask, and walked into the hospital lobby.

After entering the elevator, she pressed the level Father Qiao told her about.

There were a few female nurses in the elevator.

When Qiao Mianmian entered, she heard them discussing. “Have you seen today’s Weibo hot searches? The melon today is so huge. I’ve been scrolling for the whole day, I can’t stop.”

“The Qiao Mianmian and Qiao Anxin you’re talking about? I’ve been watching it all day. I didn’t expect the plot to turn around like this. To think that I used to think that Qiao Anxin was good. I didn’t expect her to be such a disgusting person.”

“You think she’s good. That’s the good persona the company created for her. Artists these days look the same on the surface, but in private, don’t trust them too much.”

“I heard that Qiao Anxin was sent to our hospital. She said she was still unconscious when she was sent over. Could she have committed suicide?”

“After this incident, her acting career is over. No matter how she tries to clear her name, she won’t be able to.”

“Sigh, do you think men these days smell like shit? I think that Qiao Mianmian is very pretty, like a fairy, much prettier than Qiao Anxin. But Su Ze actually cheated on her.”

“The flowers at home aren’t as fragrant as the wildflowers. No matter how beautiful the woman, she can’t stop men from wanting to eat shit outside.”

No one noticed Qiao Mianmian at all.

It wasn’t until Qiao Mianmian reached her floor and walked out of the elevator that the nurses realized there was another person in the elevator.

“Eh, don’t you think that woman looks familiar?”

“I find him familiar too. I think I’ve seen him somewhere before.”

"I find him familiar too."

"Let me think. That woman... I remember now. Don't you think she looks like Qiao Mianmian?"

...

Qiao Anxin was in the VIP ward.

Qiao Mianmian knocked on the door.

"Come in." Qiao Ruhai's voice came from inside.

Qiao Mianmian opened the door and saw Qiao Ruhai and Lin Huizhen sitting by the bed.

The moment she saw her, Lin Huizhen gritted her teeth. "Qiao Mianmian, you're finally here."

Qiao Mianmian ignored her and walked towards Qiao Ruhai.

She stopped in front of Qiao Ruhai and called out, "Dad."

Qiao Ruhai looked more haggard than before.

Qiao Ruhai didn't respond immediately.

He adjusted the blanket and looked up at Qiao Mianmian. "You're here."

"Mm." Qiao Mianmian recalled the previous fight and looked at Qiao Ruhai's cold expression. She felt a little sour. "Dad, are you feeling unwell recently?"

"It's the same, it's nothing much." Qiao Ruhai looked at her again and stood up. "Come out with me, I have something to ask you."

With that, he left the ward.

Qiao Mianmian looked down at Qiao Anxin, who was still unconscious. A few seconds later, she turned around and left the ward.

Chapter 1372: It's All My Fault?

When she walked past Lin Huizhen, she glared at her.

Qiao Mianmian pretended not to see it and followed Qiao Ruhai out of the ward.

...

Qiao Mianmian closed the door.

She looked at Qiao Ruhai and walked over. "Dad."

Qiao Ruhai turned around.

They hadn't seen each other for a long time.

Because of the previous conflict, they didn't have any contact.

They were both angry.

Seeing Qiao Ruhai's haggard face, Qiao Mianmian felt a little sour and worried. She kept quiet for a while before saying, "Dad, how have you been recently? I heard from Aunt Lin that you're sick. Have you been to the hospital? What did the doctor say?"

After such a long time, her anger and resentment were long gone.

Qiao Mianmian was grateful to Qiao Ruhai.

She wasn't his biological daughter.

But Qiao Ruhai treated her pretty well.

He doted on her and Qiao Chen too.

When Madam Qiao passed away and he married Lin Huizhen, he started to neglect them.

But as a father, he did his part.

"It's just the same, why would I want to see a doctor?"

After a while, Qiao Ruhai realized that his eldest daughter had changed a lot.

In the past, Qiao Mianmian was born with good looks. Everyone would praise him for having a daughter who looked like a fairy.

Qiao Mianmian was even prettier now.

Although her facial features were still the same, she looked even more stunning than before.

Even his eyes lit up.

Her dressing was different from before.

The clothes were simple, but it was obvious that they were good.

Her eyes were brighter than before.

Qiao Ruhai recalled what Lin Huizhen said and couldn't help but feel disappointed.

His daughter.

Even if she wasn't his biological daughter, he knew that his daughter wasn't the sort to cling to the rich and powerful.

Hence, he felt that Qiao Mianmian couldn't possibly not tell him about her return to the Bai family because she was afraid that he would stop her.

But if she really acknowledged her biological parents and didn't tell him about it, Qiao Ruhai would feel hurt.

"What exactly happened to your sister?" Qiao Ruhai frowned as he thought of Qiao Anxin, who was still unconscious. "Is there a misunderstanding between you two? We're family, can't you just sit down and clear things up? Must things turn out this way?"

“Your sister hasn’t woken up yet. Mianmian, even if you and Anxin aren’t biological sisters, you two grew up together and are both my daughters. Don’t you have any feelings for her?”

“What kind of misunderstanding could be so serious? Are you still blaming Anxin for being with Su Ze? Do you think Anxin snatched Su Ze away?”

Qiao Mianmian looked up in disbelief and hurt.

“Dad, is that what you think of me?”

She couldn’t believe that Father Qiao would say such a thing.

He was biased towards Qiao Anxin.

“Do you think I haven’t treated Qiao Anxin well enough, that I didn’t treat as a sister? Do you think it’s my fault that she’s hospitalized now?” Qiao Mianmian’s heart turned colder with every word.

Chapter 1373: Don’t Forget That You Grew Up in the Qiao Family

It was normal for parents to be biased.

There was never a proper balance.

But Qiao Ruhai’s actions still disappointed her.

He blamed everything on her.

He never thought that Qiao Anxin had done something wrong.

Qiao Ruhai’s expression changed when he met Qiao Mianmian’s hurt gaze. He realized that he had said something wrong.

But he wasn’t satisfied with Qiao Mianmian’s attitude.

When he thought about what Lin Huizhen said, he wondered if Qiao Mianmian’s attitude was because she looked down on him.

She had acknowledged her biological parents.

She was the daughter of the Bai family now.

The gap between the Qiao and Bai families was thousands of times greater.

It was normal for her to despise her useless adoptive father.

As he thought about it, Qiao Ruhai felt a blow to his pride.

His expression darkened. “Is this how you speak to your elders? Are you questioning me? Qiao Mianmian, do you think that I’m nothing to you now that you’ve acknowledged your biological parents?”

“Don’t forget, you grew up in the Qiao family.”

“So what if you’re the daughter of the Bai family? Do you want to put on airs in front of me with this identity? I won’t fall for it!”

Qiao Mianmian was stunned for a few seconds. She looked at Qiao Ruhai’s red face and felt her heart sink.

Her heart went cold.

Qiao Ruhai was still furious. “If you want to acknowledge your biological parents, I won’t stop you. All these years, I’ve been asking about your parents, but I haven’t heard anything. But why did you hide it from me? Even Aunt Lin knows about it, but I’m still kept in the dark.

“Were you planning on never telling me?

“Are you so afraid that I’ll stop you from acknowledging your parents?”

Qiao Mianmian kept quiet throughout.

She only let go of her clenched fists after Qiao Ruhai finished speaking. She smiled and said mockingly, “Dad, so this is the kind of person I am in your heart. I’m ungrateful, cruel, and disrespectful to my father. I even caused my sister to be hospitalized.

“You raised such an ungrateful daughter. Do you regret adopting me?

“I don’t want to talk about Qiao Anxin anymore. Just treat me as an ingrate. I don’t have a sister like her. Only Qiao Chen and you are my family. As for the others, I’ve never treated them as family.

“Of course, they’ve never treated me as family as well. We’re just the same.

“As for my birth parents, I didn’t mean to hide it from you. We’ve already discussed it and found a time to talk to you about it, but now...

“Also, it’s not what you think. I’ve never thought of hiding it from you. I’ve always wanted to tell you.

“But you probably won’t believe anything I say now.

“You’ve already decided that I’m an ingrate.”

Qiao Ruhai frowned.

“I thought this would be a happy meeting, that at least it wouldn’t be as bad as the last time. It seems like I was wrong.” Qiao Mianmian smiled self-deprecatingly. “If it’s just because of Qiao Anxin, then I have nothing to say.”

Chapter 1374: Repay My Kindness? You’re Not Worthy

“Dad, I have something on. I’ll get going first.”

Qiao Mianmian didn’t want to say another word.

She felt tired.

Even though she knew that Lin Huizhen was trying to sow discord between them again, she still felt disappointed.

Lin Huizhen's success in sowing discord meant that Father Qiao had such thoughts too.

Otherwise, he wouldn't have believed her.

This wasn't the first time this happened.

When she was still living in the Qiao family, Lin Huizhen often sowed discord between them.

Her relationship with Qiao Ruhai worsened because of Lin Huizhen's instigation.

Qiao Mianmian was willing to explain a few times.

In the end, she didn't even want to explain.

Just like now.

She could explain it clearly.

But she felt that there was no need to.

"Qiao Mianmian, stop right there!"

The door was pushed open and Lin Huizhen walked out angrily.

"Do you want to leave just like that? You haven't settled Anxin's matter, you're not allowed to leave!" With Qiao Ruhai around, Lin Huizhen's attitude was very arrogant. She rushed over and grabbed Qiao Mianmian's arm, not allowing her to leave.

Her voice was loud and sharp as if someone had stepped on her tail. "You're not leaving until you settle Anxin's matter today!"

"Let go." Qiao Mianmian turned around and glared at her.

Lin Huizhen met her gaze and was shocked.

But with Qiao Ruhai by her side, she straightened her back and exaggerated again. "Why are you so fierce? I'm your elder. How can you treat your elder like this? Are you the daughter of the Bai family now? You don't even respect your elders anymore.

"Qiao Mianmian, don't forget who raised you!

"It's time for you to repay me."

Qiao Mianmian looked at Lin Huizhen's opening and closing mouth, and her anger was almost at its limit. She took a deep breath and looked at her in disgust. "Repay your kindness? You're not worthy."

"You!" Lin Huizhen was so angry that she wanted to slap her.

Qiao Mianmian wouldn't let her have her way.

Lin Huizhen's hand was still in mid-air when she stopped it.

She grabbed Lin Huizhen's hand and slapped her.

Lin Huizhen was left with five finger marks on her face.

Qiao Mianmian pushed her away.

Lin Huizhen staggered two steps back. If Qiao Ruhai hadn't held her, she would have fallen to the ground.

She covered her face and looked up, her eyes full of disbelief and anger. "Qiao Mianmian, I'm your mother, how dare you hit me!"

"You're not my mother." Qiao Mianmian looked at her coldly. "You found this slap yourself."

"You..."

Lin Huizhen covered her face and was about to go crazy. She pushed Qiao Ruhai away and raised her hand to return the slap.

But this time, she failed.

She had just reached out when she saw someone walking towards her from the corner of the corridor. He quickly stepped forward and grabbed her hand.

Lin Huizhen took a step back in shock and fear.

Chapter 1375:

It's Better to Die

Qiao Mianmian was shocked to see him. "Mo Yesi, why are you here?"

Mo Yesi didn't answer her.

He looked at Lin Huizhen coldly and let go of her.

He took out a handkerchief from his bag and wiped his fingers. After wiping them, he threw the handkerchief into the trash can.

The man's cold gaze landed on Lin Huizhen for a few seconds before he turned to look at Qiao Ruhai, who was standing beside her.

"Father-in-law is just going to watch that crazy woman bully your daughter?" Mo Yesi's eyes and voice were cold.

He called her a crazy woman.

Lin Huizhen's expression darkened.

Qiao Ruhai didn't look too good. He pursed his lips and said after a moment of silence, "Since you call me father-in-law, you should know how to address Huizhen. She's your mother-in-law, aren't you being too disrespectful to her?"

"Mother-in-law?"

Mo Yesi seemed to have heard a joke. "She's not worthy."

"You!"

Lin Huizhen was embarrassed again and again. She didn't dare to say anything to Mo Yesi, so she turned around and grabbed Qiao Ruhai's arm. "Old Qiao, look at how your daughter and son-in-law bullied me. I might as well die.

"Why am I still alive? This is too embarrassing."

With that, she loosened her grip and looked like she was about to hit the wall.

Qiao Ruhai pulled her back anxiously. "What are you doing!"

Lin Huizhen cried and pushed Qiao Ruhai's hand away before sitting on the ground.

She then started throwing a tantrum. "I don't want to live anymore. Anxin and I are being bullied. If you don't help us, what do I have to live for?"

"I'd rather die.

"Why are you stopping me? Let me die."

Lin Huizhen didn't come from a good family.

She knew Father Qiao from a bar. Back then, she sold alcohol in the bar.

It could be said that she used some tricks to get to know Father Qiao and got him to marry her.

"What are you doing? Get up." Qiao Ruhai frowned and reached out to help her up, but Lin Huizhen refused to get up.

She sat on the ground and wailed. "I don't want to live anymore. I don't want to live anymore."

This was the first time Mo Yesi saw a woman act like this.

This woman was his mother-in-law in name.

He frowned, his eyes filled with disgust. Even though this woman was his mother-in-law in name, he'd never admitted it. He was still disgusted.

Qiao Ruhai also felt that Lin Huizhen's current state was too embarrassing.

Although the inpatient area wasn't crowded, people still occasionally passed.

It would be so embarrassing if someone saw it.

When he married Lin Huizhen, Qiao Ruhai knew that she couldn't compare to his late wife.

He knew Lin Huizhen's bad habits.

No one was perfect. He felt that as long as it wasn't a big problem, he could accept it.

But at this moment, Qiao Ruhai was really embarrassed.

Although he despised Lin Huizhen, she was still his wife.

Chapter 1376: Don't Force Your Daughter Into a Desperate Situation

Thinking about what Mo Yesi said and how Qiao Mianmian slapped Lin Huizhen, he frowned and looked up. "What are you doing, are you really going to force her to death? Mianmian, your Aunt Lin is your elder, how could you hit her?"

"You're too much!"

"Even if you don't like her, she's still my wife, your stepmother. How can you treat your stepmother like this?"

At this moment, Qiao Mianmian was bitterly disappointed in Qiao Ruhai.

He was there too.

He saw that it was Lin Huizhen who attacked first. If she hadn't stopped him, Lin Huizhen would have slapped her.

"Mr. Qiao, I think you've made a mistake." Mo Yesi looked down at his wife's sad and hurt eyes. When he spoke again, his way of addressing Qiao Ruhai had changed.

His voice was much colder.

He said coldly, "Only people worthy of respect are considered elders. Some people who aren't worthy of respect aren't considered elders to Mianmian and me. Moreover, Mr. Qiao isn't old enough to be blind. He wouldn't be unable to tell if this woman beside you is bullying Mianmian or not.

"I saw her preparing to hit Mianmian, but you didn't stop her.

"You don't want this woman around you to be bullied. Of course, I don't want anyone to bully my wife. Mr. Qiao isn't the only one who knows how to protect his wife."

As Mo Yesi spoke, he reached out and pulled Qiao Mianmian into his arms.

He didn't smile at all, and his eyes were as cold as ice.

Qiao Mianmian looked at Qiao Ruhai's reddened face and was a little worried that his anger would hurt his health. She opened her mouth and was about to say something when Mo Yesi coldly said, "Mr. Qiao, I believe you know how much this woman and Qiao Anxin have done to bully Mianmian. You're so biased. Have you thought about Mianmian's feelings? Since you don't want to feel sorry for her, I'll feel sorry for her in the future.

"She's already my wife. No one is allowed to bully the Mo family, not even her parents. Lin Huizhen, this is my last warning to you. If you dare to do anything bad to Mianmian again, Qiao Anxin will be punished more than this.

"If it wasn't for the Qiao family's kindness to Mianmian, do you think she'd just be banned now?"

"Don't force your daughter to a dead end."

After saying this, Mo Yesi didn't bother about them anymore. He looked down at the girl in his arms and said in a low and gentle voice, "Mianmian, I'll take you out of here, alright?"

Qiao Mianmian slowly looked up.

She glanced at Qiao Ruhai and saw him turn his head away.

Qiao Mianmian smiled self-mockingly. She felt that her worry was ridiculous.

"Mm." She nodded without hesitation.

Mo Yesi turned around with his arm around her. Lin Huizhen wanted to stop him, but just as she moved, two bodyguards walked out and stood in front of her.

Lin Huizhen's expression changed, and she didn't dare to chase after him.

Seeing that Qiao Mianmian was about to disappear from the corridor, she yelled angrily, "Qiao Mianmian, you ungrateful thing! You'll be struck by lightning!"

"You'll get your retribution!"

...

Qiao Mianmian followed Mo Yesi to the car park and got into the car.

Chapter 1377: Are You Praising Me?

Qiao Mianmian followed Mo Yesi to the car park and got into the car.

"Still sad?" Mo Yesi looked at his silent wife and gently pulled her into his arms.

He placed a hand on her head and caressed her gently. "Don't be sad anymore. Besides them, you have a lot of people to love. There's me, Chen Chen, and Madam Bai. Don't be sad for people who aren't worth it. My heart aches, okay?"

Qiao Mianmian leaned against the man's firm and warm chest and smelled his familiar scent. Her heart instantly became peaceful.

She still felt like she was dreaming.

The clear heartbeat and the warmth of his palm made her feel real.

She could feel that the man beside her was real.

Mo Yesi really came to F City.

But she remembered that he'd said that he'd be busy for the next two weeks and wouldn't have the time to visit her.

"Mo Yesi, why are you here?" Qiao Mianmian looked up slowly and touched his handsome face.

"Weren't you at work? Didn't you say you were busy recently? Why are you here?"

"Are you here on a business trip?"

Mo Yesi grabbed her hand and whispered, "I'm not on a business trip. I'm here to look for you.

"I saw the video of Lin Huizhen slandering you online. I wanted to help you settle this, but Bai Yusheng said that you wanted to settle it yourself, so I didn't interfere. You solved it very well, better than I could think of.

"I just realized that my baby doesn't need my help for everything. Without me, you can still handle things well."

Qiao Mianmian felt a little better after hearing his praise.

She smiled and said, "So, are you praising me?"

"Mm." Mo Yesi also chuckled. Seeing Qiao Mianmian's smile, his expression relaxed a little. "Hubby is praising you. My baby is so amazing."

It had to be said that Mo Yesi's appearance comforted Qiao Mianmian a lot.

When she was in a terrible mood, the person she loved appeared and accompanied her.

Although she still felt a little sad, it was much better than being alone.

She was in a terrible mood just now.

She almost cried.

She didn't care how Lin Huizhen and Qiao Anxin treated her.

But she had feelings for Qiao Ruhai.

How could she not be sad to be hurt by someone she cared about?

"If you know that I've already settled the matter, why are you still looking for me?"

"I was worried about you." The man looked at her deeply. "So, I came. Now it seems like I really made the right decision. Otherwise, I wouldn't even know that my baby was bullied and wronged.

Qiao Mianmian felt much better.

But hearing the man's gentle words of comfort, she suddenly felt a lump in her throat and her eyes reddened.

She really felt aggrieved.

"You're crying?" Mo Yesi pinched her chin and looked at her teary eyes. He frowned. "Why are you crying? Did I say something wrong?"

Chapter 1378: Thank You For Coming Today

"No." Qiao Mianmian sniffled and suppressed the urge to cry. "Mo Yesi, thank you for coming today. I'm just happy that the person beside me is you."

Mo Yesi looked at the girl in his arms whose eyes were as red as a rabbit's and relaxed his grip on her chin. He held her face tenderly and kissed her on the forehead. "Baby, are you silly? I'm your husband, I should do everything for you. Is this worth you crying?"

"If you miss me, I'll come over often."

"Don't cry, okay?"

He pulled Qiao Mianmian's face. "Since you're so happy to see me, why don't you smile for me?"

Qiao Mianmian was speechless.

"Alright, don't be unhappy. I'll bring you to eat good food?" Mo Yesi tried his best to make his wife happy. "Do you want to eat hot pot?"

As expected, Qiao Mianmian was quickly attracted by the food.

Her eyes lit up. "Can you eat hot pot?"

"Isn't there a Mandarin Duck pot? I can eat clear soup." Mo Yesi took out his cell phone and called Wei Zheng to ask him which hot pot in F City was good.

Wei Zheng was indeed a know-it-all. He quickly found a few hot pot restaurants with good reviews and sent their names and addresses to Mo Yesi's cell phone.

Mo Yesi looked at the GPS and picked the nearest one.

...

Ten minutes later.

Mo Yesi brought Qiao Mianmian to a hot pot restaurant nearby.

It wasn't a very famous restaurant, and the renovation wasn't very high-end. The few hot pot restaurants that Wei Zheng found were all old local hot pot restaurants. They had average surroundings, but the taste was very good.

Qiao Mianmian loved to eat in such stores.

Before getting out of the car, she thought that it was a good thing that Mo Yesi was more low-profile today and didn't drive a Lamborghini or Bugatti.

He drove a black Bentley.

Although it was considered a luxury car, it was considered low-profile compared to his sports cars that cost tens of millions.

Mo Yesi led Qiao Mianmian out of the car.

It wasn't a holiday today, and it was daytime, so there weren't many people at the hot pot restaurant.

Wei Zheng had already booked a private room for them.

A waiter came forward to serve them.

Mo Yesi gave them their names and the waiter led them to the private room.

There were a few tables full of people eating.

When Mo Yesi and Qiao Mianmian walked in, the girls at the nearest table immediately noticed Mo Yesi and exclaimed.

“Wow, he’s so handsome.”

“That man in the black shirt is so handsome. Is he a celebrity? He’s too handsome.”

“He doesn’t look familiar. If he’s a celebrity, he’s probably a newbie and not famous yet.”

“He’s so handsome, he’ll be famous sooner or later. I want to take a picture with him and ask for his contact details.”

“Alright, don’t be so smitten. Can’t you see that he’s taken? Although the girl beside him is wearing a mask, she must be very pretty.”

“Why do I find the girl beside him familiar? I think I’ve seen her somewhere before.”

“She does look familiar. I think I’ve seen her somewhere before.”

“Do you think... that girl with the mask looks like that newbie called Qiao something? Let me think... Oh, right. I remember. Her name is Qiao Mianmian.”

Chapter 1379: Not as Important as My Wife

“Qiao Mianmian? The newbie my husband Qin Han is following? Damn, I think she looks like her too.”

“If she’s Qiao Mianmian, then the person beside her is her boyfriend? Damn, her boyfriend is so young and handsome. Wasn’t he an old man?”

“Didn’t someone say that her boyfriend is very handsome? But no one believed it.”

...

Qiao Mianmian hadn’t eaten hot pot for a while.

Back in Yuncheng City, she rarely ate because Mo Yesi didn’t like it.

When she arrived at F City, she hadn’t familiarized herself with the place and didn’t have anyone suitable to accompany her, so she didn’t go.

She always thought that the hot pot in Yuncheng City was the most authentic. She didn’t expect that the hot pot in F City wasn’t bad, either. The restaurant Wei Zheng found was actually very good too.

It wasn’t inferior to Yuncheng City’s hot pot restaurant.

She didn’t have to abstain from eating like other female celebrities.

She could eat whatever she wanted.

Mo Yesi had never been interested in hot pot. It was Qiao Mianmian’s favorite, so he accompanied her here.

Qiao Mianmian enjoyed the meal, but Mo Yesi didn't eat much.

He liked watching Qiao Mianmian eat.

He felt a sense of satisfaction when he saw her eating happily.

...

Food could cure people.

After the meal, Qiao Mianmian felt much better.

Mo Yesi could feel that she was in a much better mood. He patted her head. "You're in a better mood now? Is there anything else you want to eat? I'll go with you."

"You don't have to go back?"

Qiao Mianmian placed her hand in his, and Mo Yesi led her out of the private room.

He smiled. "I've already delayed it. I won't be going back today."

Qiao Mianmian asked, "What about your company? Did you delay a lot of things today?"

"I've left some things to Wei Zheng, and some things to the Vice-President. If I don't finish it today, I can work a few more hours tomorrow."

Qiao Mianmian liked it when Mo Yesi was with her.

But that was without delaying his work.

She felt bad hearing that he had to work overtime tomorrow.

"Alright, Baby. It's not the first time I'm working overtime. Don't look at me like you're letting me down." Mo Yesi held her hand and walked out of the private room. His voice was low and gentle. "I missed you and came to see you willingly. I've said it before, work is important, but nothing is more important than my wife."

"I'm already here, let's play happily. Don't let some small matters affect your mood, alright?"

Qiao Mianmian sighed. It was true that her heart ached for him, and it was also true that she felt sweet inside.

What was it like to be loved by someone?

She felt so blissful.

She felt that she had all the happiness in the world.

"You're really not going back today?"

"Mm." Mo Yesi nodded. Then, as if thinking of something, he frowned and pretended to be unhappy. "You don't want me to stay here? Or do you already have an appointment tonight?"

Qiao Mianmian said, "...Neither."

Mo Yesi asked, "So, you want me to stay?"

Qiao Mianmian was speechless.

Mo Yesi held her hand tightly and chuckled. "Alright, since you want me to stay so badly, I won't leave."

Chapter 1380: A Small Rope With a Butterfly Bread

"..."

"Then, I still want to eat ice cream, is that alright?" Qiao Mianmian didn't harp on his work matters anymore. Since he was willing, she'd just be happy when they were together.

And she was actually very happy to know that Mo Yesi wasn't leaving tonight.

She didn't really want him to go back.

She just didn't want him to work too hard.

"Ice cream? No." The man furrowed his brows and pinched the tip of her nose. However, he did it very gently, afraid that it would hurt her. "You just ate hot pot, and you want to eat ice cream? Aren't you afraid of feeling upset?"

"But I just want to eat ice cream now." Qiao Mianmian acted coquettishly and shook his arm. "I want to eat mango-flavored ice cream. I really want to eat it. If I don't eat it, I'll feel uncomfortable all over."

Mo Yesi was speechless.

"Mo Yesi, I want ice cream..."

"Hubby, I want ice cream. Get me one."

"Hubby, I know you're the best. You're the best husband in the world. You're the best to me."

"Hubby, Hubby..."

Mo Yesi felt as if his heart was going to melt.

At this point, he felt that even if Qiao Mianmian asked him for the stars in the sky, he would agree.

He was willing to give her everything she wanted.

Not to mention ice cream.

His so-called principle was to remain unchanged in front of others.

He had no principles in front of the woman he loved.

Mango-flavored ice cream? He would get it for her immediately.

...

There was an ice cream shop beside the hot pot restaurant.

There was a queue outside the shop. It seemed like business was pretty good.

Mo Yesi let go of Qiao Mianmian's hand and ruffled her hair. "Baby, wait for me here. I'll queue up to get you an ice cream. Mango-flavored?"

They stood under a tree.

It was summer, and night had fallen.

The sun hadn't completely set yet, and even though there weren't many people in the queue, it was still very hot standing outside.

Qiao Mianmian really wanted to eat ice cream, but seeing that there were so many people in the queue, she immediately gave up. "Forget it. I'd better not eat."

"Didn't you say you wanted to eat it?"

"I really wanted to eat just now, but I don't know how long I'll have to wait. Let's forget it."

"I'll queue up, wait for me here." Mo Yesi looked at the queue and smiled. "Wait, I'll be back soon."

With that, he turned and walked towards the ice cream shop.

Qiao Mianmian watched as he quickly walked out of the ice cream shop. Most of the people queuing up to buy ice cream were girls. The moment Mo Yesi walked over, their eyes lit up.

A few girls seemed to have said something to him.

Qiao Mianmian saw that Mo Yesi had rolled up the sleeves of his shirt, revealing the bow on his wrist.

The girl's leather belt on the guy's wrist meant that he was already taken.

The young girls knew it too. When they saw the leather rope around Mo Yesi's wrist, they looked disappointed and envious.

Disappointed that such a handsome man was taken.
