

Big Shot 1381

Chapter 1381: Envious of 100 Points

He was envious of a girl who could make him put on the leather rope.

Qiao Mianmian couldn't help but smile.

Mo Yesi didn't queue for too long.

After he went over, he found someone and said a few words to him, and that person gave up his spot.

A few minutes later, he returned with the ice cream.

"You ate spicy food just now. You can't eat too much ice, or you'll get diarrhea." Mo Yesi handed her the half-filled box of ice cream. "I got the employee to add another mango. After this, you're not allowed to eat anything else."

Qiao Mianmian took the ice cream from him, scooped a spoonful, and fed it to him.

The sweet fragrance of the ice cream caused the man to frown. He looked down at the girl's expectant expression and swallowed the words "I don't like this."

He opened his mouth cooperatively.

Mo Yesi didn't like to eat anything too sweet. The moment the ice cream entered his mouth, he was so sick of it that he wanted to spit it out.

But he forced himself to swallow it.

Qiao Mianmian blinked. "Is it good?"

"Mm, not bad." Mo Yesi swallowed the ice cream in his mouth and said something against his conscience.

"How much did you spend on this box of ice cream?" Qiao Mianmian waved the ice cream in her hand and asked.

He would have to queue for at least half an hour.

If that person was willing to let him cut the queue, he must have given him something.

Anyway, there was nothing that money couldn't solve with Mo Yesi.

Qiao Mianmian felt that her ice cream must be several times more expensive. No, it might be tens or even hundreds of times more expensive.

Anyway, according to Mo Yesi's style of spending money to solve problems, it didn't matter how much money he spent.

"It's not much, eat it quickly. It'll melt in a while." Mo Yesi reached out and took a leaf off Qiao Mianmian's head. He then rubbed her head and turned her around.

Not far away.

The girls who asked Mo Yesi for his contact details were taking photos of them.

They looked envious.

After Qiao Mianmian and Mo Yesi left, they uploaded the photos onto Weibo.

Little Bottle Cap: "I met a super handsome little brother at a dessert shop today. He's even more handsome than a celebrity! I plucked up my courage to ask for Little Brother's contact details, but he didn't say a word and just rolled up his sleeves to show us the small rubber band on his hand. It turns out that Little Brother has a little ancestor. (Heartbroken) And he dotes on his girlfriend so much, queuing up to buy ice cream for her on such a hot day. Little Brother looks at his girlfriend so lovingly. I'm so envious."

The girl photoshopped the photo of Mo Yesi picking leaves for Qiao Mianmian and feeding her ice cream.

Mo Yesi's profile was in both of the photos she sent.

Not long after the Weibo post was posted, it was reposted by a marketing account.

The marketing account had millions of fans.

As soon as the marketing account reposted it, other marketing accounts reposted it as well. In less than half an hour, the Weibo reposts from Little Bottle Cap reached more than 5,000.

The number of reposts and comments continued to increase.

Chapter 1382: Sisters, I Can Do It Too!

Although the photos taken by Little Bottle Cap were all side shots of Mo Yesi, just his side profile alone was enough to show how handsome he was.

His high nose bridge, perfect jawline, and charming facial features.

And from the photo, he was at least 1.85 meters tall.

That figure... was comparable to a supermodel.

Just his side profile was enough to make people want to scream.

Even the best celebrities in the industry were inferior to him.

Someone asked under the original post, "Which newbie is she marketing? He's pretty good-looking. He has the charm of a mature man and the charisma of a wolfhound. He's my type."

The original post creator, Little Bottle Cap, replied: "No marketing, he's really just a passerby. I don't know if he's from the entertainment industry, but he looks unfamiliar. I think he's especially handsome, so I couldn't help but take a few photos."

“The man is indeed very handsome. He’s very stylish and good-looking. The man looks unfamiliar, but the girl beside him looks a little familiar.”

More and more people reposted it.

Soon, many people realized that the girl in the photo looked familiar.

While others were still wondering who she was, some of Qiao Mianmian’s loyal fans recognized her.

To loyal fans, even if Qiao Mianmian wore a mask and only revealed her eyes, they quickly recognized her.

Qiao Mianmian’s facial features were very exquisite, and she looked good on paper.

But her eyes were her most outstanding feature.

Her eyes were extremely beautiful, misty, and full of life.

Hence, everyone who saw her would have a deeper impression of her eyes.

She frequently appeared on the hot searches recently and had a lot of exposure. Even if she wasn’t a famous artiste, many people already knew her.

Hence, some people found her familiar.

Some of her true fans recognized her immediately.

“Wow, my Mianmian’s mysterious boyfriend has finally been exposed. He’s so handsome, young, and stylish. He’s practically a match for our Mianmian.”

“That’s right, that’s right. The way he looks at Mianmian is so loving. Wow, these photos make my maiden heart overflow. I suddenly feel like dating.”

“Haha, didn’t someone spread the rumor that our Mianmian’s boyfriend is with a fat, ugly, bald, and big-bellied old man? They said that Mianmian is with him for money. This is a huge slap in the face. Let’s not talk about money, just based on looks and figure, a woman can like him even if he doesn’t have money.”

“This face, this figure, I’m willing to pay!!”

“That’s right, I can do that too!”

“Sisters, I can do it too!”

“This is Qiao Mianmian? She does look a little like her. Is that the mysterious man named ‘John Doe’ beside her? He’s so young and handsome. Didn’t people say he’s old?”

Chapter 1383: Suspected Qiao Mianmian’s Mysterious Boyfriend Exposed

“Upstairs, the older one must be spreading rumors. Didn’t someone say that Qiao Mianmian’s boyfriend is very handsome and young? It’s just that everyone believes in rumors and isn’t willing to believe the truth.”

“Can I have a dozen of such handsome old men? I don’t mind.”

“Make way, all of you. You’re still young and have plenty of chances in the future. Don’t fight with the aunties, alright?”

“Auntie, you’re already so old, don’t think too much. Leave the opportunity to us young people.”

“Wake up, this is Qiao Mianmian’s boyfriend!”

“@QiaoMianmianV, is this really you?”

An hour later, the Weibo post was reposted tens of thousands of times.

Qiao Mianmian was trending again.

Suspected Qiao Mianmian’s Mysterious Boyfriend Exposed

...

Qiao Mianmian had no idea that she and Mo Yesi were trending on Weibo.

After they left the dessert shop, they went to watch a movie.

Someone took photos of her there as well.

The person who took the photo secretly posted it on Weibo.

Ernestine: “I think I met Qiao Mianmian and her boyfriend too. They were so sweet and always had their fingers intertwined. Qiao Mianmian’s boyfriend is so handsome and has such a good figure and taste in clothes. When he walked past me, my heart almost stopped. God, Qiao Mianmian’s luck is too good. She found such a handsome boyfriend, and he’s so rich and dotes on her so much. I’m so envious.”

Only Mo Yesi’s back view could be seen in the photo, and the person who took it must have been very nervous because the photo was blurred.

But no matter how blurry the photo was, they could still see Qiao Mianmian and Mo Yesi holding hands.

Mo Yesi was very tall, and Qiao Mianmian looked very cute beside him.

The two of them looked no different from an ordinary couple.

They went shopping for ice cream and watched a movie together. It was just a simple matter, but it was especially sweet.

It was normal for ordinary people.

But in the eyes of many, a rich, powerful, and outstanding man was willing to do such trivial things with you.

Rich people were precious.

Most things that could be solved with money wouldn’t take time.

Soon, another netizen revealed that they’d met Qiao Mianmian and her boyfriend at a hot pot restaurant.

At that time, they wanted to ask for Qiao Mianmian's boyfriend's contact details, but he directly showed them the small leather rope on his wrist.

The girl who exposed it said, "I thought that such a good man would be especially blissful with any girl. I didn't expect it to really be Qiao Mianmian. I can testify that Qiao Mianmian's boyfriend is really super handsome. I thought he was a celebrity."

At once, the topic of "Qiao Mianmian's boyfriend" pushed her to the top of the trending list.

Qiao Mianmian was still unaware of this.

When she and Mo Yesi finished watching the movie and came out, they were surrounded by a group of young girls.

Mo Yesi's first reaction was to pull Qiao Mianmian into his arms and protect her.

His actions caused the girls to exclaim in shock. Then, they looked envious.

Chapter 1384: What Are You Trying to Do?

"What are you trying to do?" Although the group of young girls around him looked weak and threatening, Mo Yesi still held Qiao Mianmian tightly in his arms.

The man's aura was strong.

Even those older than him would feel pressured in front of him.

Not to mention a group of young girls.

The girls who mustered their courage to ask if she was really Qiao Mianmian were shocked.

The girl at the front was so frightened that her face turned pale. She bit her lip and looked like she was about to cry.

She looked at Qiao Mianmian and said weakly, "We're Sister Qiao Mianmian's fans. We want to ask, are you Sister Mianmian?"

Qiao Mianmian was stunned.

Her first reaction was to touch her mask.

Recognized?

Wasn't she wearing a mask?

"You're really Sister Mianmian."

Seeing that she didn't deny it, the female fan became excited. "Sister Mianmian, we're all your fans, we like you so much. When we saw someone say that you were in this movie theater, we wondered if we could meet you by chance. We didn't expect to really meet you."

"Yes, Sister Mianmian, we all like you so much."

“Sister Mianmian, I really like you too. You’re so beautiful, so many of our male classmates like you.”

Qiao Mianmian felt for her mask.

It wasn’t because of the mask.

“You saw someone say that I was at the cinema. Who said that?”

Qiao Mianmian didn’t deny it.

She didn’t expect her fans to be in the cinema.

She thought that all her fans on Weibo were haters.

She didn’t have many loyal fans.

Hence, she was rather surprised to meet a group of girls who claimed to be her fans.

“Someone took a picture of you and posted it on Weibo.” As the little girl spoke, she stole a glance at Mo Yesi standing beside Qiao Mianmian and immediately retracted her gaze in fear.

Sister Mianmian’s boyfriend was indeed a super hunk.

He just looked too cold and unapproachable.

They were afraid.

“Someone took a picture of us and posted it on Weibo?” Qiao Mianmian had no idea.

“That’s right, Sister Mianmian. Don’t you know?”

Qiao Mianmian shook her head.

“Sister Mianmian, can we take a picture with you?” With Mo Yesi by her side, the girls felt pressured and had to muster their courage to speak.

“Of course.” This was the first time Qiao Mianmian had seen so many fans looking for a picture with her. She was used to being defamed online, and it was rare to meet a few fans who really liked her, so she naturally fulfilled their requests.

“Really? Sister Mianmian, you’re so nice.”

They didn’t expect her to agree so readily. The female fans were overjoyed and quickly took out their phones.

Qiao Mianmian took off her mask.

She gently pushed Mo Yesi and gestured for him to let go. “I’ll take a picture with the fans.”

After knowing that the girls were fans, Mo Yesi let go of her.

Qiao Mianmian left his arms.

She could tell that these girls were a little afraid of Mo Yesi, so she walked to them and took the cell phone from one of them.

Chapter 1385: Not With Male Fans

"I'll take the cell phone. You guys can stand beside or behind me. It'll make you look smaller."

Girls knew how to look good in photos.

Normally, the person holding the cell phone would have the biggest face.

The female fans liked Qiao Mianmian even more because of her actions.

The female fans had no choice but to take a picture with her.

But Qiao Mianmian took the initiative to take a picture with each of them.

The female fans were overjoyed.

Everyone looked satisfied.

"Sister Mianmian, can-can I hug you?" The female fans were a little bolder now that they felt that Qiao Mianmian was easy to get along with.

"If it doesn't work, then forget it." After the female fan made her request, she felt that she was going overboard and immediately added.

"It's alright." Qiao Mianmian smiled and spread her arms. "You can hug me. Come on!"

In the end, every female fan hugged Qiao Mianmian.

Thankfully, they didn't push their luck.

They waved goodbye.

"Sister Mianmian, you have to work hard. We'll always support you!"

"Sister Mianmian, we all think highly of you. Your television series will definitely be very popular."

"Sister Mianmian, you're amazing. Don't care about what the haters say about you online. In our heart, you're the best!"

"Sister Mianmian, I wish you and your boyfriend forever happiness and sweetness!"

"That's right, Sister Mianmian. You and your boyfriend have to be together forever."

Qiao Mianmian stood rooted to the ground and watched the female fans leave.

She was so touched.

She had been defamed so badly online.

Someone was willing to believe her, like her, and support her.

Even if it was just a small group of people, it was enough to move her.

"You're touched?" Mo Yesi walked towards her and smiled.

“Mm.” Qiao Mianmian sniffled and said, “My fans are so cute. Mo Yesi, did you see that? I have fans too. They’re so kind and cute. I really like them.”

“Mm, I saw it.” Mo Yesi thought of the words that the fans said to him and Qiao Mianmian and smiled. “Your fans are really cute.”

“But...” The man suddenly thought of something and frowned.

“But what?”

“You can hug female fans, but not male fans.” Mo Yesi frowned even harder when he thought of Qiao Mianmian’s male fans hugging her. “If a male fan asks to hug you, you have to reject him.”

Qiao Mianmian was speechless.

She was touched for less than three seconds.

“I don’t think I have male fans.”

“Not now, but it doesn’t mean you won’t have in the future. In any case, if a male fan asks for intimate actions, you can’t agree to it.” The man was domineering.

Qiao Mianmian was speechless.

“Alright, I got it.”

With a jealous lover at home, what else could she do besides agree?

...

After watching the movie, Qiao Mianmian decided to go back.

Mo Yesi had to fly back to Yuncheng City early the next morning, so she had to let him rest early.

On the way back, Qiao Mianmian recalled what the female fans said and opened Weibo.

Chapter 1386: Qiao Mianmian Is Not Worthy of Her Boyfriend

When she entered Weibo, she realized that she and Mo Yesi were actually at the top of the trending list.

She also saw that Linda messaged her.

Linda: [Mianmian, what do you think about your relationship with Chairman Mo? Some netizens have taken photos of you two, and Chairman Mo has been completely exposed. This matter is spreading like wildfire, you’d better respond.]

Qiao Mianmian never thought of exposing Mo Yesi.

Otherwise, she wouldn’t have made it public on Weibo.

She didn’t want others to know Mo Yesi’s identity, afraid that the rumors would affect him.

But since she was photographed, she had nothing to deny.

She thought for a while and sent a Weibo post.

Qiao Mianmian V: “Thank you for your concern. The person in the photo is me and my boyfriend. Didn’t you always want to know what ‘John Doe’ looks like? Now that you finally know, aren’t you too disappointed? (Naughty)”

Although many people said that the person in the photos was Qiao Mianmian and her boyfriend, Qiao Mianmian was wearing a mask and didn’t show her full face. It could be her or not.

Just as the netizens were wondering if it was her, they saw Qiao Mianmian’s Weibo post.

She actually admitted it.

The comment section exploded.

“Wow, it’s really Qiao Mianmian and her boyfriend. Her boyfriend is so handsome.”

“It’s really the John Doe. Gosh, I always thought he was at least 50 years old. He’s actually so handsome and young.”

“Nameless is finally showing his face. He’s a hundred times more handsome than I thought.”

“Not to mention anything else, just based on their looks, they’re a good match.”

“I didn’t expect Qiao Mianmian’s boyfriend to be so handsome. Those who spread rumors about him being an old man must be embarrassed.”

“Since Qiao Mianmian’s boyfriend is so handsome, why didn’t she publicize it sooner? She must know that he’s just playing with her and will break up with her sooner or later.”

“I don’t think Qiao Mianmian is worthy of her boyfriend. The man is rich, powerful, and good-looking, but what does she have? Besides being good-looking, she’s a newbie in the entertainment industry who doesn’t have any works. She’s far inferior to her boyfriend.”

“It’s done. The woman isn’t good enough for the man. This relationship won’t last.”

“The man’s eyes are watery, and his lips are peach-colored. He looks very attractive. I’m afraid Qiao Mianmian can’t keep him.”

“Why are you all jealous? I think they’re very compatible. They both have god-like looks. It’s especially pleasing to the eye.”

Qiao Mianmian’s comment section was polarized.

On one hand, it was for her and Mo Yesi.

The other party felt that they wouldn’t last long and wanted to break up.

At the same time, the number of comments on Mo Yesi’s Weibo account skyrocketed.

His followers increased by more than 500,000 in less than ten minutes.

Almost all of them were women.

Because of Mo Yesi's Weibo nickname and the previous rumors, many people really thought that he was at least 50 years old.

A short and fat old man with a beer belly.

But suddenly, the fat man's true appearance was exposed.

Not only was he not old, but he was also handsome.

The fat old man had become a super-rich and handsome man.

The group of female netizens was all saying that they were smitten by the John Doe and wanted to be his wife.

Even though they knew that his girlfriend was Qiao Mianmian, the group of female netizens couldn't stop themselves from being smitten by him.

Chapter 1387: So Good, I'll Add a Chicken Leg Tonight

"Hubby, marry me!"

"Sisters, I'll call him Hubby first."

"Don't fight with me for my husband. I'm still young, let me win."

Mo Yesi's Weibo comment section was flooded with "Hubby" comments.

Mo Yesi rarely logged into his Weibo account.

Back then, he'd registered for Weibo only to make it public with Qiao Mianmian. Every time he logged in, it was for Qiao Mianmian.

He never checked Weibo.

Not long after Qiao Mianmian posted on Weibo, Jiang Luoli sent her a message.

Jiang Luoli: [Baby, are you afraid?]

Qiao Mianmian replied instantly: [Why?]

Jiang Luoli: [A bunch of people is trying to steal your husband. You have to hide your Prince Charming well. Your love rivals are too scary.]

Qiao Mianmian was speechless.

Jiang Luoli sent her a screenshot of Mo Yesi's comment section.

Qiao Mianmian opened the screenshot and saw someone calling Mo Yesi "Hubby".

She didn't feel threatened. She only found it funny.

She handed the cell phone to Mo Yesi and said, "Many women want to marry you this time. What should I do? You're so popular now. I feel threatened."

"Mm?"

Mo Yesi looked at the cell phone.

The man frowned and looked unhappy.

He returned the cell phone to Qiao Mianmian and took out his own.

After a while, Jiang Luoli sent Qiao Mianmian another message.

Jiang Luoli: [Wow, Prince Charming is so loving. You got him to post on Weibo?]

Qiao Mianmian was confused.

Jiang Luoli sent her another screenshot.

Qiao Mianmian opened it and saw that it was a Weibo post from Mo Yesi.

Nameless: "I only have one wife. My wife @QiaoMianmianV."

Qiao Mianmian realized that Mo Yesi posted on Weibo without saying anything to her.

Was it because he saw the screenshots of someone calling him Hubby, so he specially posted this on Weibo to express his stand?

This man...

Qiao Mianmian couldn't help but smile. She entered Weibo and saw Mo Yesi @ her.

"Damn, is this a response? He wants us to stop calling him Hubby?"

"He hasn't posted on Weibo in a long time, and now he posted this. He must have seen the comments calling him Hubby. Hahaha, I suddenly feel that Qiao Mianmian's boyfriend pampers her so much. He's so cute."

"I don't think the man sent it willingly. It was the woman who made him do it."

"It doesn't matter if the man did it willingly. As long as he's willing to post it, it shows that he cares about her. If he doesn't care about you, will he be willing to post it?"

"This response is hilarious."

"So, stop being so smitten. He must have seen too many of them, that's why he posted this. You guys are too unreserved. How can a girlfriend not be jealous when her boyfriend gets so many 'wives'?"

Qiao Mianmian smiled as she read the comments.

Although there were many haters online, many netizens were still cute.

Someone posted on Weibo so self-awarery and even tagged her. She naturally had to respond.

She thought for a while and sent a Weibo message.

Qiao Mianmian V: "Mm, got it. You performed so well, I'll add a drumstick tonight, @Nameless."

Chapter 1388: This Fellow Doesn't Know Where to Start

The two of them flaunted their love.

The netizens were all complaining.

Because of this, not only did Mo Yesi gain a lot of fans, but Qiao Mianmian also gained a lot.

Mo Yesi's exposure was a rebuttal to the rumors about Qiao Mianmian being with an old man.

Many people felt that this couple was really eye-catching.

The man was so handsome, and the woman was as beautiful as a fairy. Moreover, it was a combination of Prince Charming and Cinderella. It satisfied all their fantasies about love.

Moreover, there was a lot of negative news about Qiao Mianmian online, causing many people to misunderstand her. Hence, her social relations were naturally poor.

Most people hated her.

Now, with Qiao Anxin's incident, the rumors about her being with an old man for money were also cleared. Many netizens realized that Qiao Mianmian wasn't as annoying as they thought. Moreover, many of her experiences were very sympathetic, so their impression of her naturally changed.

Her fans weren't just haters anymore.

The comments section was no longer filled with negative comments.

Many netizens wished her and Mo Yesi well.

This was the first time Qiao Mianmian felt that she wasn't the type to attract haters.

...

At a high-class clubhouse.

Yan Shaoqing asked Gong Zeli and Lu Rao out to play pool. Yan Shaoqing took the club from a hot girl and wiped it as he said to Gong Zeli, "Fourth Bro, you're finally willing to come out today. I thought you were traumatized by Miss Shen and didn't want to leave the house. Why, have you recovered?"

Gong Zeli threw the two balls in front of him into the net, straightened up, and handed the club to the woman waiting at the side.

The woman immediately took the cue.

Another woman handed him a bottle of water.

Gong Zeli took the water bottle and took a sip before replying to Yan Shaoqing slowly, "Do you think I need to lock myself up to recuperate? I should be the one asking you this. Didn't you say that you were chasing a woman and didn't manage to get her? You were so traumatized that you locked yourself at home for two days and two nights without eating or drinking. Now that you've thought it through, you're not sad anymore?"

"Damn you!"

Yan Shaoqing's smile stiffened.

He still looked cheeky, but there was no smile in his eyes. He replied casually, "Who said I won't eat or drink for two days? Did you spy on me under my bed? She's just a woman, do you think I'd do something so ridiculous?"

Gong Zeli looked at him and smiled. "It's indeed just a woman. But this woman is still different from the previous women to you. Which women did you chase in the past? But this is the first time a woman rejected you. This shows that she's special."

Yan Shaoqing was speechless.

He felt better recently and was in the mood to ask his friends out.

But Gong Zeli kept bringing it up.

But he mentioned the woman he hated.

Yan Shaoqing's eyes were about to spit fire at the thought of that woman.

He had never seen such an ungrateful woman.

"Oh, which woman rejected Young Master Yan? This is really strange." But Lu Rao wasn't a good person.

Chapter 1389: Who Was She Marrying?

Gong Zeli ignored Yan Shaoqing's sparking eyes. He smiled and said teasingly, "It's indeed rare. This matter has already spread to everyone in the industry. Speaking of which, that woman and Shaoqing were childhood sweethearts. Shaoqing had a crush on her for a long time and didn't have the guts to confess. This time, when he returned from overseas, he finally mustered the courage to confess, but he was rejected.

"Sigh, it's really tragic."

"Childhood sweethearts?" Lu Rao raised an eyebrow as if he didn't see Yan Shaoqing's murderous expression. He chuckled and said, "Young Master Gong, speaking of which, don't you also have a childhood sweetheart? Have you heard that the Shen family has arranged many blind dates for her recently, and they seem anxious to marry her off?"

Lu Rao knew about this because his parents wanted him to go on a blind date with Shen Rou.

How could he agree?

Everyone knew that Gong Zeli liked Shen Rou.

Could he go on a blind date with the woman his brother liked?

Moreover, Shen Rou wasn't his type. He liked quiet and obedient girls who came from scholarly families.

Shen Rou was beautiful, but she looked a little domineering. She was completely different from the obedient girl type he liked.

“What? The Shen family arranged a blind date for Shen Rou?” Yan Shaoqing was gritting his teeth at the side and was shocked when he heard that.

“You don’t know?” Lu Rao looked at Gong Zeli’s reaction and then said, “Everyone in Yuncheng City who has a good reputation and is unmarried has arranged a blind date with her. They all say that the Shen family can’t make it anymore and is anxious to find someone to help them with the marriage. In the past, Young Lady Shen was very popular and many people wanted to marry her. Now...”

Lu Rao sighed and looked at Gong Zeli again. “Not to mention families of equal social status, even those that the Shen family despised in the past are unwilling to get involved in this.

“The once unreachable Young Lady Shen is now being avoided by everyone. Sigh, people are so realistic.”

Lu Rao realized that Gong Zeli still showed no reaction.

It was as if he didn’t hear him.

He frowned.

Gong Zeli didn’t react at all?

He heard from Yan Shaoqing that Gong Zeli and Shen Rou had a conflict.

But no matter how big the conflict was, he couldn’t possibly remain indifferent after hearing that Shen Rou was going on a blind date.

He’d liked Shen Rou since he was young. Would he be willing to let her marry another man?

“I’ve heard about the Shen family too.” Yan Shaoqing sighed. “I didn’t expect the Shen family to suddenly become like this. I heard that Uncle Shen went to the Mo Corporation, but I don’t know if Ah Si agreed to help. But Shen Rou did something bad to Sis-in-law previously. I guess Ah Si won’t agree to help so easily.”

Lu Rao agreed. “Ah Si is a very protective person, and he values his wife more than anything else. If Shen Rou hadn’t done those things, he would probably have helped her on account of their long friendship.

“It’s hard to say now.”

“Fourth Bro, why aren’t you saying anything?” Yan Shaoqing couldn’t hold it in anymore and nudged Gong Zeli with his elbow. “You really don’t mind Shen Rou going on a blind date with another man? Aren’t you afraid that she’ll really marry someone because of her family?”

Chapter 1390: We Can’t Be Together

Gong Zeli was like an outsider. “Why should I mind? What do you want me to say?”

“Damn.” Yan Shaoqing looked at him and frowned. “You don’t mind? You’ve liked her for so many years, how could you not mind? Fourth Bro, what conflict did you have? Why haven’t you reconciled after so long?”

Lu Rao found it interesting and asked curiously, “Young Master Gong and Miss Shen have a conflict? This is really rare.”

Gong Zeli looked at them coldly. “When did you become so nosy?”

“No, Fourth Bro, what are you thinking?” Yan Shaoqing frowned again. “You really don’t care about Shen Rou?”

“Why should I care about her?”

Yan Shaoqing was speechless.

“Don’t you f*cking like her?” Yan Shaoqing was getting a little agitated. He scratched his head. “The Shen family is in a hurry to get her to go on blind dates now because they want to get some support through the marriage. If you’re willing to help the Shen family now, you and her...”

“I can’t be with her. Never.”

Before Yan Shaoqing could finish, Gong Zeli interrupted him without hesitation.

He sounded firm and decisive.

Yan Shaoqing was stunned. “Why?”

“No reason.” Gong Zeli threw the water bottle to the woman with the bunny ears and picked up the club.

He bent down and aimed at a ball. “If you talk about such depressing things, I’ll leave.”

Yan Shaoqing was speechless.

He turned to look at Lu Rao. Both of them knew Gong Zeli’s temper. If he said he would leave, then he really would.

Yan Shaoqing didn’t want Gong Zeli to leave.

Although he was curious, he didn’t ask about Shen Rou anymore.

Anyway, he didn’t have a good relationship with Shen Rou.

Gong Zeli didn’t seem anxious at all. What was there to be anxious about as an unrelated person?

...

The next morning, Mo Yesi returned to Yuncheng City.

The next week, the shoot went smoothly. Qiao Mianmian finished a few scenes in advance, and Bai Yusheng even gave her two days off.

The banquet the Mo family prepared for Qiao Chen was scheduled for a week later.

Qiao Mianmian booked the flight ticket and went back to Yuncheng City.

Back in Yuncheng City, Qiao Chen picked her up at the airport.

Qiao Mianmian and Qiao Chen hadn't seen each other in a while.

When the siblings met again, Qiao Mianmian realized that Qiao Chen had changed.

His dressing was different from before.

Although it was a simple outfit, the clothes looked expensive.

The Mo family's bloodline was still different.

In the past, Qiao Chen didn't like to dress himself up and was very casual about it. If it wasn't for his looks, he would have been dressed like a man.

He was the Young Master of the Mo family now.

He couldn't dress as casually as before.

Every day, a team would help him match his outfit.

The handsome young man even changed his hairstyle. His previous hairstyle made him look weak and cute.

Now that he had short hair, he looked like a wolf.
