Chapter 1401: We Can't Let the Mo Family Have Another Joke

"The neighbor really liked her. Her parents wanted her to be with that man, but she rejected them."

Madam Mo's eyes lit up as she smiled. "Continue."

"Yes, Madam." The man paused for a while before continuing, "This young lady and Young Master have just gotten together, so their relationship must be unstable. If she creates a misunderstanding at this time, I'm afraid Young Master won't like her so much."

"Think about it, Madam. What do men mind the most?"

Madam Mo was stunned again. Then, her eyes widened.

"You mean..."

"That's right. If Madam doesn't worry about me, you can leave this to me. I promise to settle this and solve Madam's troubles."

Madam Mo's heart raced as she hesitated.

"Madam wants to cut off this ill-fated relationship with Young Master as soon as possible. She can't hesitate anymore. If she gets pregnant with Young Master's child, things will be difficult. If Old Madam finds out about the pregnancy, she'll definitely let her in for the child."

"Our Young Master is someone who wants to do big things, and his future status will be even more distinguished. How is she worthy of Young Master? Madam is doing this for Young Master's good. I believe Young Master will understand Madam's painstaking efforts."

"Young Master has always been filial. He won't get into a fight with Madam over a small woman. Madam, you don't have to worry too much."

Madam Mo was a little hesitant.

Mo Yesi was already on bad terms with her.

Before this, she didn't believe that her filial second son would make such a fuss over a woman.

But now...

What was she going to do if her eldest son broke up with her?

But she had no choice.

The Mo family already had a joke.

She couldn't let the Mo family take in another joke.

Even if her two sons blamed her in the future, she could just do it with a clear conscience.

Everything she did was for their own good.

Even if they couldn't understand it now, they would understand her good intentions one day.

At this thought, Madam Mo no longer hesitated.

"Alright, go and do it immediately. You have to be careful and not let anyone find out. Especially the Young Master. He's at the most crucial moment now, don't let him get distracted."

A moment later, the man left the piano room.

Madam Mo turned to look out the window and sighed softly. "Shixiu, don't blame Mom. Ah Si has already done wrong. I can't let you make the same mistake."

...

A little while later, Mo Yesi drove to Mo Shixiu's house to pick Qiao Mianmian up.

Mo Shixiu arrived a few minutes later.

Qiao Mianmian and Jiang Luoli were playing a game together. Sister Lin knocked on the door and entered the bedroom. She said to them, "Miss Jiang, Second Madam. Young Master and Second Young Master are back."

Two tall figures walked in at the same time.

Sister Lin greeted them respectfully. "Young Master, Second Young Master."

Jiang Luoli and Qiao Mianmian looked up at the same time.

The handsome and elegant brothers slowly approached them.

Qiao Mianmian and Mo Yesi were like an old couple. They smiled at each other, and Mo Yesi reached out. Qiao Mianmian placed her hand on his.

Chapter 1402: An Intangible Man

Mo Yesi held her hand and said, "Baby, let's go. You've been with your best friend for so long, I'm sure you've said what you needed to say. Let's not stay here to be third wheels and disturb Big Brother and her."

Jiang Luoli blushed.

Mo Shixiu smiled faintly. He walked towards Jiang Luoli and reached out a hand. "I've ordered a dress for you. Go and try it on."

Jiang Luoli was still hesitating when Mo Shixiu bent down and grabbed her hand.

Jiang Luoli was stunned.

She looked up in surprise.

Mo Shixiu looked calm, but his eyes were gentle. He looked at her and asked, "What's wrong?"

Jiang Luoli bit her lip and saw that Qiao Mianmian and Mo Yesi were still around. She blushed again.

She shook her head and got up. "Nothing. Why are you back so early? I thought I'd have to wait for another hour or two."

"Mm, it ended early," Mo Shixiu said naturally as if he didn't see anyone else in the room. "I didn't want you to wait for too long."

Jiang Luoli blushed.

She didn't expect Mo Shixiu to be so good at sweet-talking girls.

And in front of everyone.

Qiao Mianmian smiled.

She was worried that Mo Shixiu was too boring and didn't know how to coax girls. She was afraid that Jiang Luoli would feel bored with him.

Now, she felt that she was overthinking.

She realized that the men from the Mo family were more passionate than the others.

Mo Yesi and Mo Shixiu had never been in a relationship before. Back then, she thought that Mo Yesi didn't know how to interact with women and must be very clumsy in relationships. But she underestimated him.

He had never been in a relationship before, but he was born to do it.

Sweet words came easily.

He often teased her.

Hence, the men in the Mo family were probably the same.

They were all born with love skills?

Mo Yesi and Mo Shixiu were the same.

Her previous worries were unnecessary.

"Baby, I've prepared a gown for you too. You want to try it on?" Mo Yesi smiled and looked at his Big Brother, then at Jiang Luoli, and then walked out of the room with Qiao Mianmian in his arms.

After they left, Qiao Mianmian closed the bedroom door.

...

After Qiao Mianmian got into the car with Mo Yesi, she recalled what happened just now and couldn't help but sigh. "I really didn't expect Big Brother to know how to make girls happy. Mo Yesi, are all the men in the Mo family like this?"

"What?" Mo Yesi smiled and looked at the woman beside him affectionately.

"It's just a natural technique."

"Self-talking?" Mo Yesi raised an eyebrow. "Is this a compliment?"

“Mm, I guess.” Qiao Mianmian nodded.

“I don’t know if it’s natural.” Mo Yesi smiled. “But I know that the men of the Mo family only activate this skill when they meet the person they’re destined to be with.”

Qiao Mianmian was speechless.

This invisible man.

Her heart started racing again.

Chapter 1403: Who Did You Learn It From?

“Baby, what’s wrong?” The man asked gently.

Qiao Mianmian took a deep breath and thought to herself that she and Mo Yesi were already husband and wife, but she could still be teased by him.

If they had just met, she would have had a heart attack.

“Mo Yesi, do you know that you just said something romantic?”

“Mm?” The man’s “mm” was a little flirtatious.

Qiao Mianmian’s heart raced again.

She wondered if she was the only one whose heart was beating wildly because of her husband.

“Then, do you like it?” The man reached out and pulled her into his arms. He whispered in her ear, “If you like it, I’ll say it to you every day.”

Qiao Mianmian was speechless.

“Mm? Do you like it?”

Qiao Mianmian blinked.

...

After Qiao Mianmian and Mo Yesi left.

Mo Shixiu let go of Jiang Luoli’s hand and turned around. “The dress is in the changing room. You can try it out first.”

With that, he walked towards the door.

Jiang Luoli looked at the man’s tall back and frowned.

She looked down at his hand.

She thought Mo Shixiu was enlightened.

But not long after Qiao Mianmian and Mo Yesi left, he released her hand and kept a distance from her.

He was back to his usual self.

This made Jiang Luoli suspect that he was just doing it for Mo Yesi and Qiao Mianmian.

Did he not want her to lose face in front of others?

Didn't want others to think that their relationship wasn't good?

Jiang Luoli was frustrated.

Other boyfriends were always intimate with their girlfriends.

But her boyfriend...

Her boyfriend was too much of a gentleman.

"Mo Shixiu, stop right there." Jiang Luoli was upset. She looked at the man who was about to open the door and walk out.

Mo Shixiu stopped in his tracks.

He stood at the door and didn't ask Jiang Luoli what happened.

But he didn't leave.

"Let me ask you something." The more Jiang Luoli thought about it, the more depressed she felt. She quickly walked behind him and grabbed his arm.

Mo Shixiu rarely took the initiative to be intimate with her.

But he wouldn't reject Jiang Luoli's advances.

He let the girl behind him hold his arm and gently asked, "Mm, what is it?"

Jiang Luoli bit her lip. "Am I your girlfriend?"

Mo Shixiu was stunned and quickly replied, "Of course."

"Then, do you treat me as your girlfriend?"

"Of course."

"Then, do you know how couples should interact?"

Mo Yesi replied, "I'm studying."

He was still studying.

It seemed like he hadn't learned it properly.

"Who did you learn it from?"

The man kept quiet for a while before saying, "Assistant Xu will tell me something, and I'll read the relevant books myself. Why, did I do something wrong?"

Mo Shixiu realized that she was unhappy and turned around to size her up.

Jiang Luoli was speechless.

Chapter 1404: I Don't Want to Break Up With You

He was learning from Assistant Xu?

God knew how much Assistant Xu disliked her in the beginning. Even now that she was with Mo Shixiu, Assistant Xu's attitude wasn't any better.

He was very polite to her.

But when Mo Shixiu wasn't around, he looked weird.

Jiang Luoli seriously suspected that Assistant Xu had a problem, which was why Mo Shixiu had a problem too.

She didn't know what Assistant Xu and Mo Shixiu said.

Anyway, she knew that Assistant Xu wasn't optimistic about her relationship with Mo Shixiu.

"What do you think?" Jiang Luoli pouted. "Mo Shixiu, do you think we look like a couple?"

Mo Shixiu was stunned. "You don't think so?"

Jiang Luoli said, "...Since you've asked Assistant Xu and read books, you should know how normal couples interact. Do we look like a normal couple?"

Jiang Luoli didn't realize that there was a hint of bitterness in her voice. "If you don't like me, you don't have to force yourself to be with me. What happened that night was consensual. You don't have to be responsible for me. It's not too late to break up with me."

Mo Shixiu's expression remained calm. When he heard her say "break up", his expression finally changed.

He frowned as if he suddenly realized something.

"Why are you saying this all of a sudden? What did I do wrong to make you angry? If you have any dissatisfaction with me, you can tell me. I can change it. But don't casually mention breaking up.

"Jiang Luoli, I'm serious about dating you. I've considered our future. I don't want to break up with you."

The man's eyes were deep and dark.

When he said "I don't want to break up with you", Jiang Luoli's heartbeat accelerated.

At this moment, she could feel that Mo Shixiu really liked her.

And he valued her.

His expression changed immediately.

He didn't seem to be with her just for responsibility.

But if he liked her, why would he...

“Tell me, what did I do wrong?” Mo Shixiu saw that she was silent and thought that she was really angry. He immediately recalled everything that happened between them. He wanted to know what he did wrong.

He recalled that he’d read about it in a book.

The expert said that when a woman was angry, it didn’t matter why. The man just had to admit his mistake immediately.

Women were never wrong.

If a woman was wrong, it was the man’s fault.

When a woman was angry, don’t try to reason with her. Trying to reason with her would only make her angrier.

Mo Shixiu roughly guessed why Jiang Luoli was angry.

“I’m sorry.” He apologized anyway.

Jiang Luoli was stunned. “Why are you apologizing to me?”

“Because I did something that made you unhappy.” Mo Shixiu self-reflected. “Although I can’t accompany you every day, I’ll try my best to come back more often.”

Chapter 1405: It’s a Mistake to Make You Angry

“I’m sorry, I might not be able to be by your side like other boyfriends. I know I’m not good enough, and I’ve been thinking about how to balance my work and feelings...”

“Wait.”

Jiang Luoli felt that Mo Shixiu had misunderstood something.

Did he think that she was angry because he didn’t accompany her often?

“Mo Shixiu, why are you apologizing to me?”

Mo Shixiu was silent for a while before saying, “I was wrong.”

Jiang Luoli asked, “...What do you think you did wrong?”

“It’s wrong to make you angry.”

“...”

“You have to apologize for your mistake.”

“...”

“In the future, besides my work, I’ll give you my private time.” This was the best he could do.

“Mo Shixiu, I think you’ve misunderstood me.”

Jiang Luoli sighed. "I'm not blaming you for not having time to accompany me."

He had misunderstood her.

"Not because of this?" Mo Shixiu frowned. "Then, why?"

Jiang Luoli was speechless.

It seemed like he really didn't think there was anything wrong with their interaction.

Otherwise, he wouldn't have asked.

"Mo Shixiu, don't you think there's something wrong with our relationship?" They were technically a couple, but they were just friends.

Mo Shixiu's expression changed slightly. "What's wrong?"

Jiang Luoli said, "...Don't you think we're different from other couples? We're a couple, but I don't think we're in a relationship at all. If you're only with me because of responsibility, there's no need to."

Mo Shixiu frowned at her for a while. "No."

Jiang Luoli was stunned. "What?"

"Not entirely because of responsibility."

Jiang Luoli's heart started racing.

"Then, why?"

"I don't know." Mo Shixiu looked a little lost. He paused for a while before looking at her and saying, "But I don't want you to be with another man."

Jiang Luoli was speechless.

Did he understand what he meant?

"Jiang Luoli." Mo Shixiu suddenly called her name.

Jiang Luoli looked at him.

The man was extremely handsome. Every part of his face seemed to have been meticulously carved by God. His eyebrows, eyes, nose, and lips were all good-looking.

He had a noble temperament and was born with elegance. Wearing a white shirt, he looked like a rich young master from ancient times.

Strangers were like jade, and the young master was unparalleled.

Jiang Luoli felt that these two sentences were perfect for Mo Shixiu.

This man was good-looking, had a good family background, was capable, and had a good character.

He was almost perfect.

Every time Jiang Luoli saw him, she would doubt her charm.

She couldn't help but wonder if Mo Shixiu really liked her.

What did he like about her?

There were so many women in his circle who were more outstanding than her, but none of them could move him. Would he really fall for her?

How could she attract him?

In terms of looks, men of his status had seen all sorts of beauties.

"I might not understand my feelings for you yet, but I know that I chose to be with you not just because of responsibility. I've never thought of breaking up with you, and you can stop thinking about breaking up. I can't give you to another man."

Chapter 1406: I'll Do What You Said From Now On

His words were a little domineering, and he wasn't acting according to her wishes anymore.

He could listen to her most of the time.

He would try his best to satisfy all her requests.

But he didn't agree to it.

"As for the fact that we don't seem like a couple." Mo Shixiu thought for a while and looked at her. "You can tell me how you like to spend time with me. I'm sorry, I've never dated other girls before, so I don't have any experience.

"But I can learn and change. So, please tell me where I didn't do well."

Jiang Luoli was speechless.

What could she say?

She suddenly realized that Mo Shixiu might be such a slow and upright man.

She might as well take the initiative.

She had been waiting for him to take the initiative.

But it seemed like if she continued waiting, she might not even get what she wanted in a year.

Jiang Luoli was different from Mo Shixiu. She knew her feelings very well.

She knew very well that she liked Mo Shixiu and wanted to be with him.

If she wanted their relationship to develop further, she couldn't just wait.

She wasn't a shy person, and she didn't feel that the man had to take the initiative.

Jiang Luoli decided that she might as well teach her boyfriend how to date.

Under Mo Shixiu's surprised gaze, she grabbed his hand.

Five slender fingers squeezed between his fingers and then clasped tightly.

"You can learn?" Jiang Luoli held his hand and shook it gently. Although her face was a little hot, she didn't let go. "Then, start learning from the first step. Mo Shixiu, when you're with me in the future, you have to hold my hand.

"Holding hands is the first step in intimate contact between couples."

Mo Shixiu looked down at their interlocked fingers and moved his lips. He was about to say something when the girl beside him suddenly threw herself into his arms and hugged him.

He stiffened.

The girl in his arms reached out and hugged him slowly. Then, she looked up and said, "The second step is hugging."

The girl was obviously embarrassed. Her face was very red and her voice was soft.

Mo Shixiu's Adam's apple bobbed. He suddenly had a strange feeling.

"Then, what about the third step?" He asked in a low voice.

"Third step..." Jiang Luoli bit her lip as her heart raced. Her eyes flickered as she reached out to hold the man's handsome face and tiptoed.

Mo Shixiu stopped breathing for a few seconds.

He didn't even have time to feel her warm lips against his.

Jiang Luoli's heart raced. She pursed her lips and pretended to be calm. "This, this is the third step."

When her lips moved away, Mo Shixiu felt a sense of loss.

"Fourth step."

Jiang Luoli was too embarrassed to say the last step.

Mo Shixiu knew what she was about to say.

The scene of that night flashed past his mind, and he realized that he was a little tempted. He took a deep breath and slowly pushed Jiang Luoli away. "The last step is for us to get married. I know everything else.

"In the future, I'll do as you say."

"Married?" Jiang Luoli was surprised.

They had just started dating, and he was already thinking about marriage?

Chapter 1407: I Won't Let You Suffer

“Mm, get married.”

“But we just started dating.”

“I know. But I’m also dating you on the premise of marriage.” The man’s eyes were dark and serious.

“So, I hope to do some things when the conditions are right. That night was an accident. I was affected by the medication. But don’t worry, that accident won’t happen again before we get married.”

Jiang Luoli was speechless.

She had nothing to worry about.

She was so upset because he wasn’t close to her.

Moreover, she didn’t mind the accident that night happening again.

“What’s wrong?” Mo Shixiu thought for a while and said, “Did I say something wrong?”

“No.”

Jiang Luoli pursed her lips and looked at him for a while before saying, “Mo Shixiu, I hope you’re with me willingly. I don’t want you to force yourself.”

The man replied quickly. “I’m not forcing myself. I’m willing.”

Jiang Luoli couldn’t help but smile. “You said it yourself. I gave you a chance to go back on your words. If you want to go back on your words in the future, you won’t have a chance.”

Mo Shixiu smiled too. “Mm, I won’t.”

“Then, if…” Jiang Luoli thought of something and hesitated before asking, “If your family doesn’t like me, what will you do?”

“You’re so good, they’ll definitely like you.”

“What if they don’t like me?”

“I’ll find a way to make them like you. If it really doesn’t work, then there’s no need to force it. When we get married in the future, we won’t live with my parents. They can’t interfere with our lives.

“So, you don’t have to worry about this.

“Also, I won’t help you. If you’re worried about your future relationship with your mother-in-law, you don’t have to worry.”

Jiang Luoli felt that Mo Shixiu’s words were like a calming pill that calmed her down instantly.

When she asked those questions, she did feel uneasy.

She was a little worried about tonight’s banquet.

But with Mo Shixiu’s reassurance, she wasn’t as uneasy as before.

No matter what, as long as he was willing to stand on her side, she had nothing to be afraid of.

“Don’t think too much. If we really get to the day of our marriage, I’ll settle all the problems you’re worried about. I’ll let you marry me without any worries.” Mo Shixiu thought of the steps Jiang Luoli had taught him in love. He hesitated for a while and then hugged her gently.

His voice was low and gentle. “I won’t let you suffer.”

Jiang Luoli looked up.

This was the first time Mo Shixiu hugged her since they confirmed their relationship.

There was a nice scent in his arms. It was faint, warm, and comforting.

At this moment, Jiang Luoli felt that he really liked her.

Because he listened to her.

So, he wasn’t intimate with her previously not because he didn’t like her, but because he really didn’t know how to date?

Jiang Luoli felt better.

She felt that it was fine if Mo Shixiu didn’t understand. She wouldn’t be anxious anymore and wouldn’t let her thoughts run wild.

It was fine if he didn’t know, she could slowly teach him.

Chapter 1408: She’s Been Going on Blind Dates

As long as he was willing to learn and listen to her, many questions were no longer a problem.

He didn’t know how to date. This at least proved that she was his first girlfriend.

She was also his first woman.

Compared to those more experienced and who knew everything, she preferred Mo Shixiu.

...

The Mo family didn’t invite many people to Qiao Chen’s banquet.

They invited family and friends.

The Yan, Bai, Shen, and Lu families were all invited.

But for a rich family, just their family alone was several times more than an ordinary family.

Hence, even though not many people were invited, there were still more than a hundred people in the banquet hall. The atmosphere was extraordinarily lively.

Everyone who was invited knew what was going on.

A group of people gathered and discussed softly.

“Do you know who the Young Master that the Mo family just acknowledged is?”

“I heard that he used to be Second Master Mo’s illegitimate son, but he didn’t dare to acknowledge him. Now, because Second Madam couldn’t bear a child, he brought him back.”

“Thankfully, Second Master Mo has such an illegitimate son. Otherwise, he wouldn’t have a descendant.”

“But I heard that Second Madam has taken a nephew of hers as her godson. When this biological son comes back, will his godson still have a place in the family? I’m afraid Second Madam isn’t willing.”

“So what if she’s unwilling? It’s her fault for not being able to give birth. Second Master Mo is already very loyal to her.”

“I wonder what this Young Master looks like.”

“With the Mo family’s genes, it shouldn’t be too bad. We can see him soon.”

As they were discussing, a woman suddenly glanced at the door and said in a low voice, “The Shen family came too. Have you heard? Shen Rou went on a blind date some time ago. She said that the Shen Corporation is failing and that the Shen family wants to survive this crisis through marriage.”

“But with the Shen family in such a state, I don’t think anyone would dare to marry them.”

“About Shen Rou?” Someone chuckled and said gloatingly, “Of course I heard. She’s been going on blind dates recently. Sigh, I really didn’t expect the high and mighty Young Lady Shen to have such a day. Those men she used to look down on might not even look up to her now. Oh, right. Did she come to the banquet tonight? Didn’t they say that the Shen and Mo families have a good relationship? Didn’t the Mo family help when the Shen family was in trouble?”

“Speak of the devil. Isn’t that Shen Rou?”

Someone pointed at the door.

The women turned around and saw the Shen family entering the hall.

Madam Shen, Shen Yuncheng, Shen Rou, and Shen Xin were all here. Even though the Shen family had fallen, Shen Rou was still dressed up and didn’t lose to anyone.

She was still arrogant like a beautiful and elegant swan.

The appearance of the two sisters attracted the attention of many men in the hall.

Everyone in the industry knew that the Shen family had a pair of sisters. They were both very good-looking.

Even though Shen Xin was younger, she was still pretty.

If it wasn’t for the Shen Corporation’s problems, the two sisters would definitely be coveted.

But now...

Even men who coveted beauty wouldn't dare to marry them, afraid of being dragged down by the Shen family.

Chapter 1409: I Really Envy You at This Time

Shen Rou had gone from being in high demand to being ignored.

Those socialites and young ladies who used to be inferior to her in every aspect knew that something had happened to the Shen family, and many were gloating.

"The Shen Corporation is about to go bankrupt. Look at her, she's still so arrogant. I don't know what she's doing. If I were her, I'd be too embarrassed to go out these few days. Doesn't she know what's being said about her?"

"Don't say that. The Shen family might not go bankrupt. The Shen and Mo families are long-time friends. At this time, the Mo family will help no matter what. As long as the Mo family is willing to help, the Shen family won't go bankrupt."

"If the Mo family is willing to help, would Shen Rou need to go on blind dates every day? In my opinion, the two families are long-time friends. Now that it's about benefits, the Mo family might not be willing to help."

"Stop it, she's coming."

"Tsk, what are you afraid of? The Shen family is already in this state, why are you still afraid of Shen Rou?"

Although they were full of disdain for Shen Rou, they immediately lowered their voices when they saw her approaching.

The Shen family wasn't really bankrupt yet.

Shen Rou was still someone they didn't dare to offend.

But although they didn't dare to offend her openly, their attitude towards her wasn't as polite and warm as before.

In the past, they would have taken the initiative to greet Shen Rou.

This time, Shen Rou was already beside them, so they pretended not to see her.

And these people used to have a good relationship with her.

Shen Rou didn't greet them and walked past them.

The moment she walked over, someone complained to her back view. "What's there to be proud of? She can't even marry now, and she's still acting like a noble young lady. Does she think the Shen family is still the Shen family of the past?"

"That's right. Everyone in the circle knows that nobody wants Young Lady Shen. Does she think she's still the Young Lady of the Shen family?"

They were so quiet that Shen Rou didn't hear them.

But she heard every word they said.

Shen Rou clenched her fists.

She wanted to look for those women.

But thinking about the Shen family's current situation, she could only tolerate it.

"Sister." Shen Xin could feel her anger and whispered, "Don't stoop to their level. They're just jealous of you, that's why they're gloating now."

"Jealous?" Shen Rou bit her lip and smiled self-mockingly. "Aren't they telling the truth? Everyone knows that Young Lady Shen is a joke in the circle now. They're not the only ones who think that way. Other people think the same."

"Look, Young Lady Shen used to be so arrogant and unattainable. But now, she's been reduced to a nobody. Do you think I've become a joke to others?"

"Sister, don't think this way. They can't represent everyone. Not everyone thinks that way. Since they said that, they aren't true friends. You don't have to care about what they say."

"Shen Xin, do you know? I really envy you at this time." Shen Rou stopped in her tracks and lowered her head.

Chapter 1410: He Doesn't Want Your Contact Details

Her gaze landed on Shen Xin's tender and pretty face. She smiled, but there was no smile in her eyes. "You're still young, and you have me as your sister. You don't have to bear any responsibility if something happens to your family. You're not me, so of course you can't understand some things, so you can speak casually. If you were in my place, I don't believe you can say these words."

Shen Xin was shocked to see the anger in Shen Rou's eyes.

Her sister was blaming her.

Shen Xin was confused. She didn't know what she did wrong to make her sister angry.

She opened her mouth and was about to explain when she felt a commotion in the hall.

The women who mocked Shen Rou just now all looked in a certain direction.

Shen Xin followed their gazes and saw Gong Zeli and the rest.

The moment a few single men with good looks and family backgrounds appeared, all the unmarried women in the hall were tempted.

Everyone knew that as long as they could get close to any one of them, they would be able to enjoy endless wealth.

Since it was a business marriage, they naturally wanted to pick the best.

And they were the most eligible men in Yuncheng City.

Some of the braver women had already raised their wine glasses to chat.

Shen Rou saw a woman walk towards Gong Zeli with a wine glass in her hand and say something to him.

Besides Gong Zeli, everyone else had a female companion.

Hence, many women went to talk to him.

Soon, Gong Zeli had three or four women by his side.

Shen Rou looked at them for a while, then her expression darkened. She bit her lip and glared at the women chatting with Gong Zeli.

Shen Xin looked at her and said cautiously, "Sister, it's Brother Yan and the rest. Should we go over and greet them?"

Shen Rou didn't say anything and walked straight towards Yan Shaoqing.

Shen Xin quickly caught up with her.

...

As Shen Rou walked over, Yan Shaoqing noticed her. He looked at Gong Zeli and called out, "Rourou."

He saw Shen Xin walking over with Shen Rou and smiled. "Xiao Xin is here too."

"Brother Yan, Brother Lu." Shen Xin had known Yan Shaoqing and Lu Rao for a while. She wasn't familiar with Bai Yusheng, so she addressed him as Mr. Bai.

Hearing her voice, Gong Zeli turned around.

"Brother Zeli," Shen Xin greeted him sweetly.

Gong Zeli used to treat Shen Rou very well. Under the circumstances that he loved her, he naturally treated Shen Xin well too.

Shen Xin liked him too.

She once hoped that Gong Zeli could be her brother-in-law.

Gong Zeli nodded at Shen Xin. When his gaze landed on Shen Rou, it instantly faded.

He didn't greet her and looked away.

Shen Rou felt as if ants were biting her.

"Young Master Gong, this is my WeChat. Can we exchange contact details?" The woman talking to Gong Zeli raised her cell phone and wanted to get his contact details.

Before Gong Zeli could say anything, Shen Rou walked to his side and said to her, "Can't you tell that he doesn't want your contact details?"
