

## Big Shot 1411

### Chapter 1411: I Don't Need You to Decide for Me

The woman was stunned.

She recognized Shen Rou.

If Shen Rou had said this to her in the past, she wouldn't have dared to say anything.

But thinking about the Shen family's current situation, how could she take Shen Rou seriously?

She sneered at Shen Rou. "I was wondering who it was, so it's Young Lady Shen. Why, when did Young Lady Shen become Young Master Gong's spokesperson? Young Master Gong hasn't even said anything, how do you know he doesn't want my contact details? What's Young Lady Shen's relationship with Young Master Gong?"

Shen Rou had never been insulted like this before.

She said with a dark expression, "My relationship with Gong Zeli isn't for an unrelated person like you to say. I said he doesn't want it, so he doesn't want it."

The woman sneered again and looked at Gong Zeli provocatively. "Young Master Gong, is Miss Shen speaking the truth? Could it be that Young Master Gong and Miss Shen are dating? If that's the case, I won't disturb you."

Gong Zeli looked at the woman coldly.

The woman was full of confidence and didn't take Shen Rou's words seriously.

But when she met Gong Zeli's cold gaze, she panicked.

There were rumors in the circle that the Young Master of the Gong family liked Young Lady Shen.

But Shen Rou had been on so many blind dates recently, and she had never been with the Young Master of the Gong family. It was inevitable that people would think that the rumors were false.

The woman also thought so and didn't take Shen Rou seriously.

Gong Zeli looked at her coldly and didn't say anything.

This attitude puzzled the woman.

The woman's expression changed. She thought that Gong Zeli was admitting to dating Shen Rou.

She could ignore the Shen family now, but if Shen Rou was dating Gong Zeli and relying on the Gong family, she couldn't afford to offend them.

"It seems like I guessed correctly." The woman probed again.

Seeing that Gong Zeli was still silent, her expression changed again. She hurriedly said, "Sorry for disturbing you." Then, she turned and left.

Seeing this, the other women turned around and left too.

Gong Zeli's reaction caused Shen Rou's eyes to light up. She looked at him and said, "Zeli, just now you..."

"Don't overthink it. I'm just not interested in those women."

Gong Zeli interrupted her immediately. "You don't have to decide for me in the future."

Shen Rou's expression stiffened.

"Ahem. Let's go in, don't squeeze at the door. Oh, right. Where's Ah Si? Why don't I see him?" Yan Shaoqing quickly changed the topic.

Lu Rao was a little shocked.

He'd never seen Gong Zeli treat Shen Rou so coldly.

Yan Shaoqing said that they had been fighting for a while.

Their relationship was still so strained. He really didn't know what happened.

It was obvious that Shen Rou was at fault.

It seemed like she wanted to reconcile with Gong Zeli, but he didn't want to.

"Speak of the devil." Lu Rao glanced at the familiar figure and smiled.

"It's Ah Si and Sis-in-law. Wow, Sis-in-law is so beautiful tonight." Yan Shaoqing also saw Qiao Mianmian and Mo Yesi. When his gaze landed on Qiao Mianmian, he almost couldn't help but whistle.

### **Chapter 1412: He Must Be Mad**

Bai Yusheng turned around.

When he saw Qiao Mianmian, his eyes were gentle and proud.

His sister was naturally the most stunning one at the banquet.

Gong Zeli's expression changed slightly when he heard that Qiao Mianmian was here.

His heart raced, but he kept a straight face as he looked over.

When his gaze landed on Qiao Mianmian, he couldn't hide his amazement.

Qiao Mianmian was stunning tonight.

So beautiful that Gong Zeli's heart skipped a beat.

She was wearing a long white dress, and her long hair was draped over her shoulders. Her skin was so fair that it seemed to be covered by a layer of light under the chandelier. Her facial features were so exquisite that they seemed to be drawn.

There were many beautiful ladies in the living room.

But compared to her, they were immediately inferior.

The moment she appeared, Gong Zeli felt like he couldn't see anyone or anything.

He recalled that she was also wearing a white dress that night.

She looked like an angel when she swam towards him.

Gong Zeli felt like he must be possessed. He'd been thinking about her all this while.

He even dreamt of her often.

He knew that she was his brother's wife and that he shouldn't have any feelings for her, but he still couldn't control his heart.

He was a jerk.

He actually had feelings for his brother's wife.

While Gong Zeli was looking at Qiao Mianmian, Shen Rou was looking at him.

Shen Rou saw the shock in his eyes and the way he looked at Qiao Mianmian.

Shen Rou's expression turned awful as she recalled her previous speculation.

It was Qiao Mianmian again.

Why was it that the men around her, whether they liked her or not, were all snatched away by Qiao Mianmian?

Why!

What was so good about that slut?

Everything was fine before Qiao Mianmian appeared.

But everything went wrong after she did.

Shen Rou bit her lip.

Yan Shaoqing, Gong Zeli, Mo Yesi, Bai Yusheng...

All the outstanding men around her seemed to end up with that slut.

The man she liked married that slut.

The man who liked her also liked that slut.

Bai Yusheng was the most eligible bachelor in the circle. But now, he was that slut's brother.

As for Yan Shaoqing and Lu Rao...

These men who knew her first and had a good relationship with her now alienated her and surrounded that slut.

The slut took everything from her.

Now, the slut had become the daughter of the Bai family and had a noble status that wasn't inferior to hers.

Shen Rou was most proud of her family background.

But that advantage was gone now.

She became the biggest joke in the circle.

But Qiao Mianmian had become the most glorious person.

The moment Mo Yesi walked into the hall with Qiao Mianmian in his arms, many people in the hall started whispering to each other.

"Who's that couple? They seem to be on good terms with Yan Shaoqing and Bai Yusheng. That man is so handsome, but he doesn't look familiar. Do you know him?"

"Did you guys realize that no one paid attention to Shen Rou? I didn't expect that."

### **Chapter 1413: That Gaze... Was Definitely Unusual**

"That woman looks a little familiar. Wait, isn't... isn't she a newbie in the entertainment industry?"

"A newbie in the entertainment industry? Who? Can a newbie attend the Mo family's banquet?"

"The one who had a scandal with Young Master Gong. What's her name again?"

"I remember it too. She had a scandal with Young Master Gong, but didn't Young Master Gong clarify in the end that it had nothing to do with her? There were rumors online that she had a very rich sponsor."

"The man beside her must be extraordinary to be invited to the Mo family's banquet."

Everyone was discussing and speculating about Mo Yesi's identity.

They didn't know that the person they were talking about was one of the hosts of this banquet.

"Ah Si, we were just talking about you, and here you are." Yan Shaoqing smiled. "Why isn't your cousin out yet? Have you seen him before?"

Mo Yesi glanced at him and didn't say anything. Then, his gaze landed on Gong Zeli.

The man's eyes darkened, and he tightened his grip around Qiao Mianmian's waist. He looked at Gong Zeli warningly.

Gong Zeli saw the warning look in his eyes and clenched his fists. He pretended to greet them. "Ah Si, Mianmian, you're here."

Mo Yesi frowned.

Yan Shaoqing and Lu Rao were shocked.

Especially Yan Shaoqing.

He knew very well how much Gong Zeli disliked Qiao Mianmian.

Because of this, he'd tried to persuade him many times.

But Gong Zeli didn't listen to him and even got into a conflict with Mo Yesi.

But now...

He actually addressed her so intimately.

In the past, he wouldn't even greet Qiao Mianmian.

Moreover, Yan Shaoqing felt that something was amiss.

But he couldn't figure out what.

"Fourth Bro, Mianmian is my wife, your sister-in-law. You have to change how you address her in the future."

It was said that a woman's intuition was very accurate.

But sometimes, a man's intuition was even more so.

Mo Yesi could feel that Gong Zeli had other intentions towards Qiao Mianmian.

This wasn't the first time he felt it.

Although his guess wasn't necessarily accurate, he had to let Gong Zeli know that Qiao Mianmian was a woman he couldn't dream of.

He'd better get rid of it as soon as possible.

Gong Zeli's expression stiffened.

After hearing Mo Yesi's words, Yan Shaoqing finally knew what he found strange.

They all called her Sister-in-law.

Only Gong Zeli...

The way he addressed her seemed too intimate.

Especially when he used to treat Qiao Mianmian so badly. Now that he suddenly changed so drastically, it made people wonder what exactly happened.

Lu Rao looked at Gong Zeli meaningfully.

They were all men.

Sometimes, men were very accurate in certain aspects.

Lu Rao saw the way Gong Zeli looked at Qiao Mianmian.

That gaze... was definitely abnormal.

Hopefully, he wasn't thinking too much.

Otherwise, things would get ugly.

Qiao Mianmian saw that Bai Yusheng was around, but she didn't see Madam Bai. She asked softly, "Brother, why isn't Mom here?"

#### **Chapter 1414: The Mo Family Is Too Hateful**

"She was delayed by something and is probably still on the way." Bai Yusheng sized Qiao Mianmian up from top to bottom and said gently, "Mianmian, you're very beautiful today. This dress suits you very well."

"What's going on?" Yan Shaoqing was confused. "Sis-in-law, you and Bai Yusheng are..."

The Bai family didn't announce that their daughter had been found.

Mo Yesi had never told Yan Shaoqing that Qiao Mianmian was the daughter the Bai family had been looking for.

Hence, few people knew about Qiao Mianmian's relationship with the Bai family.

Yan Shaoqing had no idea.

"It's a long story. I'll tell you when I'm free." Bai Yusheng didn't intend to explain it to him now.

They stood together for a while.

Shen Rou stood at the side like an outsider.

She had never felt so aggrieved and neglected before.

Seeing that no one was paying attention to her, Shen Rou felt humiliated.

She glared at Qiao Mianmian.

At this moment, Madam Shen walked over.

"Rourou, come with me. Your Aunt Cheng's son is back from overseas and he's attending the banquet tonight. I'll bring you over. You can get to know each other," Madam Shen said as she held Shen Rou's hand.

"Mom, I don't want to go." Shen Rou resisted.

She looked at Madam Shen resentfully and said with reddened eyes, "Mom, I don't want to stay here anymore. I want to go home."

"You just came, why are you going back? Your Aunt Cheng's son is very outstanding. I've helped you take a look just now. He's a rather handsome young man. Although he's a little short, he's not much shorter than you. As long as he has a good character and treats you well, his height isn't a problem. Come with me to meet him first." How could Madam Shen not know that her daughter had been wronged? But with the Shen family's current situation, she had no choice.

Her daughter was important.

But the company was more important.

For the company, no matter how reluctant she was, she had to make some sacrifices.

Mo Yesi made a condition. As long as they could marry their daughter off within a month, they were willing to help the Shen family recover.

The Mo family was the only hope of the Shen family now.

The Shen Corporation couldn't go bankrupt.

Hence, they could only follow Mo Yesi's request and marry Shen Rou off as soon as possible.

This was also the reason why Shen Rou had been going on blind dates.

She thought it was a simple matter.

But unexpectedly...

People nowadays were all very realistic. Those families who used to curry favor with the Shen family and wanted to marry their daughter were now avoiding them.

No one dared to accept the princess of the Shen family.

At this thought, Madam Shen's eyes were filled with resentment.

The Mo family was too hateful.

The two families had been friends for so many years, but now her daughter was forced into this state.

The most hateful person was Mo Yesi.

Her Rourou had liked him for so many years. It was fine if he wasn't touched, but now he was forcing them to marry Rourou.

Madam Shen's heart ached for her daughter, but she couldn't compromise.

She lowered her voice and tried to persuade Shen Rou. "Rourou, listen to me. Whether you like it or not, you have to go and see him first, alright? If you want to go back later, we'll go back first."

Shen Rou bit her lip.

#### **Chapter 1415: It's Qiao Chen, Why Is He Here?**

"Rourou..." Madam Shen wanted to persuade her again.

At this moment, someone said, "Eh, the boy that Old Madam Mo brought out, is that the child the Mo family just acknowledged? As expected of the Mo family's genes, he's so handsome."

Everyone's attention was drawn to the spiral staircase in front of the hall.

Everyone saw Old Madam walk out first.

Then, a teenager in a white shirt and black pants walked out.

The young man carefully helped the Old Madam to the front of the banquet hall.

When she saw the young man walking out with Old Madam, Shen Xin was stunned.

She was in disbelief.

She only needed one look to know who the young man beside Old Madam was.

Qiao Chen.

It was Qiao Chen.

Why was he here with Old Madam Mo...

Shen Xin widened her eyes in disbelief.

Shen Rou was equally shocked.

She saw Qiao Chen too.

"It's Qiao Chen. Why is he here?" Shen Rou widened her eyes in disbelief.

Shen Xin suspected that she had seen wrongly.

She widened her eyes and rubbed them again.

Qiao Chen stood quietly beside the Old Madam. The young man looked a little thin, but his figure was very straight and upright. The shirt and trousers he was wearing fitted him very well, and his iconic long legs were very eye-catching.

The men in the Mo family had long legs, and their height and genes were impeccable.

The young man had good facial features.

He had inherited the good genes of the Mo family. He had a handsome face, exquisite facial features, and was as good-looking as a person from a painting.

Some of the women in the room couldn't help but be smitten.

"I didn't expect Young Master Mo to be so good-looking."

"How can the Mo family's genes be bad? It'd be strange if he doesn't look good."

"He looks young, probably in his teens."

"The men in the Mo family are all top-notch. Young Master and Second Young Master will be back tonight. I wonder what that Second Young Master looks like. I heard he's also very good-looking."

Qiao Chen saw Shen Xin the moment he entered the lobby.

There were a lot of people in the lobby, and Shen Xin wasn't standing in a very eye-catching spot, but Qiao Chen still saw her at first glance.

She was petite and stood by the door.

She was dressed differently tonight.

She was wearing a small black dress with a V-neck, revealing her collarbone and shoulders. Her waistline was very good. At a glance, her waist was so thin that it seemed like it would break with a slight twist.

She looked more feminine tonight.

Qiao Chen couldn't help but take a few more glances before frowning.

He realized that the back of Shen Xin's dress was mostly exposed. Although it was covered by a huge bow, Qiao Chen still found it hard to accept.

But when he thought about his relationship with Shen Xin, he felt that it had nothing to do with him.

Shen Xin wasn't his.

She could wear whatever she wanted.

What right did he have to care?

Qiao Chen looked at Shen Xin for a few seconds and forced himself to look away.

Shen Xin was still looking at him blankly.

#### **Chapter 1416: But That's Mo Shixiu**

He was really Qiao Chen.

It was the Qiao Chen she knew.

But why did Qiao Chen come out with Old Madam? Wasn't he a member of the Qiao family? Why did he appear so intimately with Old Madam Mo?

"How could it be Qiao Chen?" Shen Rou said in disbelief. "How could it be him? He's from the Qiao family, how could he..."

"Could he be the Young Master that the Mo family just acknowledged? But, how is this possible..."

One of them became the daughter of the Bai family, while the other became the Young Master of the Mo family...

Their families were obviously ordinary.

But now, everything had changed.

The siblings, who were originally lowly, actually had new identities. Be it the Bai family or the Mo family, they were both prestigious families that ordinary people couldn't hope to reach.

"Welcome to my grandson Mo Chen's banquet tonight. I'm sure everyone has heard that our Mo family's lost blood has been reunited recently. He's my grandson, Mo Chen."

On stage, the Old Madam held Qiao Chen's hand and looked at him lovingly. "Tonight's banquet invited family and friends. This banquet is to introduce Chen Chen to everyone."

“Mo Chen has officially become a member of the Mo family. He’s still young and is studying. When he starts working in the future, I hope everyone can help him if he needs your support.”

Old Madam called a waiter over.

Qiao Chen took a glass of wine from the waiter.

He raised his wine glass and said to the people below the stage calmly, “Thank you for taking the time to attend tonight’s banquet. Mo Chen toasts everyone.”

Everyone immediately raised their glasses.

Qiao Chen drank the wine and handed the empty glass back to the waiter. He looked at the people below and said, “I hope everyone has fun tonight.”

With that, Qiao Chen prepared to help the Old Madam down.

Suddenly, there was a commotion in the hall.

A woman’s excited voice sounded. “Young Master Mo is back.”

Everyone in the hall looked towards the door.

Mo Shixiu was a very special person to most of the people in the hall.

It wasn’t something they could see every day.

If it wasn’t for the Mo family’s banquet, Mo Shixiu rarely attended such banquets.

Mo Shixiu was a special existence to the women in the hall.

He was the Prince Charming in many women’s hearts.

But he was a Prince Charming who could only be seen from afar.

Many women liked him secretly, but when they saw him in person, they definitely wouldn’t dare to confess to him.

“Wow, it’s Mo Shixiu.”

“Mo Shixiu is here too. It seems like the Mo family values this newly-recognized young master.”

“Damn, is there another woman beside Mo Shixiu? Am I seeing things?”

“No way, Mo Shixiu actually brought a woman back? There has never been a woman around him. Who is that woman, Mo Shixiu’s girlfriend?”

“She’s not his girlfriend, right? She’s just a female companion. Isn’t it normal to bring a female companion to a banquet?”

“It’s normal for others to bring a female companion, but that’s Mo Shixiu. When have you seen him with a woman? Which family’s daughter is that? Why don’t I know her?”

**Chapter 1417: This World Is Too Crazy**

“No, why does that woman look familiar?” When Yan Shaoqing’s gaze landed on Jiang Luoli, he was stunned. A hint of suspicion flashed in his eyes as he stared at her.

After a few seconds, his expression changed, and he was so shocked that he couldn’t close his mouth.

“Damn, isn’t that Sis-in-law’s best friend? I didn’t recognize the wrong person, right?”

Yan Shaoqing had only seen Jiang Luoli once.

But it left a deep impression on him.

He remembered her.

After all, Jiang Luoli was the strangest woman he’d ever met.

Yan Shaoqing recognized her, but he found it unbelievable.

How could such a weird woman be with Mo Shixiu?

“Sis-in-law, tell me, did I recognize the wrong person?” Yan Shaoqing stared at Jiang Luoli in disbelief.

Qiao Mianmian said, “Mm, she’s my best friend.”

Yan Shaoqing was shocked.

It was really that Jiang woman.

“Sis-in-law, your best friend is... with Brother Mo?!” Yan Shaoqing was in disbelief.

Mo Shixiu and Jiang Luoli?

They didn’t look compatible.

Jiang Luoli was still a student and was still wet behind the ears. Mo Shixiu was ten years older than her.

She was just a child in front of him.

Moreover, Yan Shaoqing felt that Brother Mo was mature and steady. He wouldn’t like such a childish girl.

Qiao Mianmian pursed her lips and nodded.

Jiang Luoli and Mo Shixiu’s relationship hadn’t been made public yet. Given Mo Shixiu’s current job nature, he probably wouldn’t make it public for the time being.

But Yan Shaoqing and Lu Rao were good friends with Mo Yesi.

Hence, it shouldn’t be a big deal to tell them about this.

Moreover, since Mo Shixiu chose to bring Jiang Luoli along on such an occasion, even if it wasn’t publicized, it was considered publicized internally.

Seeing that Mo Shixiu brought Jiang Luoli along, Qiao Mianmian felt completely at ease.

Mo Shixiu was willing to bring Jiang Luoli along on such an occasion, which meant that he really valued her.

Even if Madam Mo wasn't satisfied with Jiang Luoli, he should still protect her.

"Damn, it's true." Yan Shaoqing widened his eyes in disbelief, then looked at Mo Yesi. "Ah Si, is your brother really dating that girl surnamed Jiang? How did they meet, how did they get together? Is the woman your brother likes this type?"

"Is he serious with that Jiang girl?"

Yan Shaoqing was too shocked and asked a few questions.

Mo Yesi looked at him expressionlessly. "Didn't you see it all? Also, she's Big Brother's woman. You should be more respectful to her. It's fine if I hear it. If Big Brother finds out that you're disrespectful to his woman, what do you think he'll do to you?"

Yan Shaoqing was speechless.

Damn.

This world was too crazy.

Mo Yesi found a little girl to be his sister-in-law.

Now, Mo Shixiu had found a little girl, and she was ten years younger than him!

What were they thinking?

At this moment, Yan Shaoqing couldn't help but sigh. Mo Shixiu and Mo Yesi were indeed biological brothers. Even the women they liked were of the same type.

#### **Chapter 1418: I'll Protect Her**

But no matter how he looked at it, he felt that Jiang Luoli didn't match Mo Shixiu at all.

If Yan Shaoqing was so shocked, it was obvious how shocked everyone else was.

Of course, they didn't know Jiang Luoli.

But everyone knew Mo Shixiu.

Mo Shixiu was always alone no matter where he went.

This was the first time he was accompanied by a woman in public.

And he brought her home. It was obvious what this meant.

Many people started speculating about Jiang Luoli's identity.

Some of the socialites who had long been in love with Mo Shixiu were even more heartbroken. They sized Jiang Luoli up over and over again, wishing they could poke a hole in her.

Which rich young lady could have such an honor for Mo Shixiu to bring her to the Mo family's banquet?

No one would be surprised if someone else brought a female companion.

But if a woman appeared beside Mo Shixiu, it would definitely mean something.

This woman was definitely not just a female companion.

Mo Shixiu brought Jiang Luoli to Qiao Mianmian and Mo Yesi.

Jiang Luoli saw the old lady standing on stage. Although the old lady looked kind, Jiang Luoli was still nervous as it was her first time seeing his family.

The moment she saw Qiao Mianmian, she let go of Mo Shixiu's hand and grabbed Qiao Mianmian's arm instead. "Baby, there are so many people here, I'm so scared. The old lady on stage with Chen Chen, is that Grandma Mo?"

"Mm, that's Grandma." Qiao Mianmian recalled how nervous she was when she first returned to the Mo Residence with Mo Yesi, so she could understand Jiang Luoli's feelings.

She held Jiang Luoli's hand and said, "Don't be afraid. Grandma is a good person. She'll definitely like you."

"Is that so?" Jiang Luoli bit her lip and took a deep breath. "But I'm still very nervous. Baby, can you always be with me? With you by my side, I feel less afraid."

Mo Shixiu was speechless.

He felt like Jiang Luoli had neglected him.

He was her boyfriend.

Did she feel insecure being with him?

"Miss Jiang, isn't it enough that my Big Brother is with you?" Mo Yesi rarely saw Mo Shixiu depressed. He looked at his Big Brother and smiled. "What are you afraid of? Big Brother will protect you. Do you think he'll let others bully you?"

Jiang Luoli bit her lip.

She knew that Mo Shixiu would protect her and not let anyone bully her.

But she was still afraid.

She only felt more relaxed when she was with her best friend.

Before she came, she told herself not to care too much about what the Mo family thought of her and their attitude towards her.

Anyway, Mo Shixiu said that whether his family accepted her or not, it wouldn't affect their relationship.

But even though she was mentally prepared, she couldn't help but feel nervous and afraid.

She realized that she actually cared about the Mo family's attitude towards her.

“I’ll protect her and not let anyone bully her.” Mo Shixiu reached out and held Jiang Luoli’s hand.

### **Chapter 1419: The Face of a Ghost**

He looked down at her gently and said, “Don’t be afraid, I’m here for everything. If you feel uncomfortable at the banquet, we’ll leave after my family sees you.”

Mo Shixiu’s words shocked everyone.

They looked as if they’d seen a ghost.

At this moment, the expressions on their faces could be interpreted as the same sentence: Damn, is this still the Mo Shixiu they know? Mo Shixiu could actually speak to someone so gently. Mo Shixiu’s gaze was actually so gentle when he looked at someone.

Mo Shixiu knew how to coax women too.

Given that he had always been very disciplined since he was young, he had become boring and old-fashioned in the eyes of Yan Shaoqing and the rest. No one thought that he could get along with girls.

They even felt that Mo Shixiu would never date.

Even Mo Yesi was surprised that Mo Shixiu was so gentle.

He was so gentle that he didn’t seem like the big brother he knew.

Mo Yesi looked at Jiang Luoli deeply and felt that this little girl would definitely be his sister-in-law in the future.

He knew Mo Shixiu.

Hence, he could tell that his brother really liked Jiang Luoli.

Jiang Luoli looked up at Mo Shixiu’s gentle eyes and blushed.

“Come, I’ll take you to see Grandma and Mom.”

Mo Shixiu could feel the girl’s nervousness. He tightened his fingers and whispered even more gently, “Mom and Grandma wanted to see you for a long time. Don’t worry, they will like you.”

Jiang Luoli nodded slowly.

Mo Shixiu held her hand and walked towards Old Madam and Madam Mo.

Mo Yesi held Qiao Mianmian’s hand and said, “Let’s go too.”

The two brothers brought their women to Old Madam and Madam Mo.

Mo Shixiu’s appearance with Jiang Luoli was already shocking enough.

When the guests saw Mo Yesi and Qiao Mianmian walking over, they started discussing again.

“Who’s that couple? Why are they with Young Master Mo?”

"I heard that Young Master and Second Young Master Mo will be attending tonight's banquet. Now that Mo Shixiu is here, it should be Second Young Master Mo, Mo Yesi."

"That's the Second Young Master of the Mo family? The new President of the Mo Corporation? Gosh, the Mo family's genes are too good. The First Young Master and Second Young Master are both very good-looking. They have such a good family background and are so handsome. God is really biased towards the Mo family."

"So what if they're good? They're already taken. Didn't they say that the two Young Masters of the Mo family don't get close to women? Why did they bring female companions tonight? Could the rumors be false?"

"I'm not sure if Second Young Master doesn't like women, but Mo Shixiu does. Have you seen any women around him before?"

On the other side.

Yan Shaoqing was still shocked by Mo Shixiu and Jiang Luoli's relationship.

"Tell me, how did Sis-in-law and her best friend manage to win over Second Bro and Big Brother Mo? I always thought that Second Bro and Big Brother Mo would be single for the rest of their lives. I didn't expect them to settle their marriage in the same year."

#### **Chapter 1420: He Missed It Himself**

"There are so many rich young ladies in Yuncheng City who can't even get two golden bachelors. How did they end up being single together? Now that they've brought them back to meet their parents, it's probably good news."

"I didn't expect them to be the first to start a family."

Lu Rao smiled. "It's not easy to be single when you meet the person you're destined to be with. Young Master Yan might be like this one day, getting married without a word. We don't know."

"I wouldn't do such a thing. Tsk, what destiny? You actually believe this?" Yan Shaoqing didn't believe it. But just as he finished speaking, a figure that he'd deliberately forgotten for the past few days appeared in his mind.

His expression changed and he lost his good mood.

Gong Zeli pursed his lips and kept quiet.

The destined person?

He knew that the person he was destined to meet had appeared, but she had appeared too late.

So late that he lost the chance to have her.

No, she didn't appear too late.

She appeared 10 years ago.

God had arranged for her to be by his side a long time ago, giving him ample opportunity.

But he missed it.

And some opportunities, once missed, would never happen again.

Yan Shaoqing turned around and was about to speak to Gong Zeli when he saw that Gong Zeli's eyes were following Qiao Mianmian. Besides Qiao Mianmian, he didn't look at anyone else.

And the way he looked at Qiao Mianmian...

Yan Shaoqing could tell that something was wrong with Gong Zeli.

That look was too abnormal.

He shouldn't be looking at his brother's wife like that.

Yan Shaoqing suddenly recalled Gong Zeli's strange behavior and the rumors about him and Qiao Mianmian. As he thought about it, his expression changed.

If his speculation was true, things would be terrible.

They had played together since they were young, and their friendship was extraordinary.

Yan Shaoqing didn't want the two of them to be at loggerheads.

In the end, they wouldn't even be brothers.

He stared at Gong Zeli for a while and frowned. He nudged him with his elbow and said softly, "Fourth Bro, come with me. I have something to tell you."

Yan Shaoqing then left.

Gong Zeli watched him leave and then followed after him.

Lu Rao watched them leave and thought for a while. He smiled meaningfully and turned to talk to Bai Yusheng.

Madam Shen and Shen Rou looked awful.

She asked Shen Rou with a dark expression, "Rourou, who are those two?"

Mo Yesi and Mo Shixiu were both future sons-in-law that Madam Shen liked first. She originally thought that with the Shen and Mo families' relationship, her daughter would definitely marry into the Mo family in the future.

Be it marrying Mo Yesi or Mo Shixiu, she would be the Young Madam of the Mo family.

But she didn't expect that the two future sons-in-law she liked weren't interested in her daughter.

Madam Shen naturally felt that her daughter was outstanding and perfect. It was definitely not her daughter's fault that her two sons didn't like her.

Moreover, Mo Yesi and Mo Shixiu never had a woman by their side. Madam Shen felt that these two sons of the Mo family probably didn't like women.
