Chapter 1451: This Is a Good Thing, Not Trouble

She returned to the van.

She didn't have a van originally. Madam Bai had come to the set a few times to look for her. When she saw that the other actors were resting in their vans and she was sitting alone under a tree to avoid the sun, her heart ached so much that she immediately got a van for her.

Qiao Mianmian couldn't reject her, so she accepted it.

With this van, she felt much better.

Madam Bai had prepared a spacious nanny van with seats, tables, and even a small bed for her.

Madam Bai's fruit platter, filled with fruit juices and some snacks and biscuits were in the van.

Madam Bai had prepared it for her.

Qiao Mianmian received a call from Linda the moment she sat down.

She picked it up. "Sister Xie."

Qiao Mianmian felt a little guilty whenever Linda called her.

She had a feeling that nothing good was going to happen.

"Mianmian, you're on the hot searches again," Linda said seriously.

Qiao Mianmian's heart sank.

She thought she had dirt on her again.

"Sister Xie, did I cause trouble for the company again?"

"No." Linda kept quiet for a while before saying, "This is a good thing, not trouble."

"Something good?" Qiao Mianmian was stunned.

"Mm, you've been praised. This should be a good thing."

Qiao Mianmian was speechless.

This was different from what she expected.

She thought that she'd created another scandal.

"A video of you and Qin Han was posted on Weibo. The netizens praised you for your acting skills. I've seen that video too. I didn't expect that your acting wasn't overshadowed by Qin Han's. Your performance in this show is much better than I imagined. I knew that gold must shine. How could my judgment be wrong?"

“The clip released today has already been reposted more than 100,000 times. I’m willing to bet that the viewership ratings for this show will definitely be very high.

“You might become popular with this show.”

Qiao Mianmian was stunned for a while.

She had no idea.

Linda said a few more things to her. She wanted her to work hard and get better.

A few minutes later, Linda hung up.

Qiao Mianmian immediately opened Weibo.

The moment she did so, she saw the top trends.

Qiao Mianmian’s acting is off the charts

Qin Han and Qiao Mianmian’s New Show

There were a few trending topics related to the new drama.

Qiao Mianmian clicked on the first trending topic, and for the first time, she didn’t see all sorts of insults.

Almost all the trending topics praised her.

“Qiao Mianmian’s new drama is pretty good. Everyone says she’s a vase, but I think her acting is pretty good.”

“Can I say that I didn’t like Qiao Mianmian and Qin Han acting as CP¹ at first? I didn’t think they had any CP feelings at all. But after watching the clip, I actually felt that it wasn’t bad. Moreover, the two of them actually looked like a CP.”

“This should be the first female artiste to act with my Brother Han without being overshadowed by his acting skills. Brother Han’s performance is, of course, textbook level. Qiao Mianmian’s performance is really surprising. No wonder Brother Han praised her and stood on her side. Brother Han must admire this newbie very much, that’s why he helped her.”

Chapter 1452: She Found It Unbelievable

There were many such posts.

Although occasionally some mocked her for buying fake reviewers, they were very few.

Most people felt that Qiao Mianmian’s acting was beyond their expectations.

Because, from the start, just by looking at Qiao Mianmian’s looks, many people thought of her as a brainless vase.

No one believed that she could act.

Many people hated Qiao Mianmian for replacing an actor of the Best Actor level.

Hence, before the show even aired, many people claimed that even if Qin Han was the male lead, they wouldn't accept it. Many people said that they would never watch the show.

But Qiao Mianmian wasn't the vase they thought she was.

Not only was she good at acting, but she was also outstanding and eye-catching among the newbies.

Hence, when the clip was released, Qiao Mianmian's performance shocked many people.

They were surprised that the vase had acting skills.

Even when she acted with a Movie King like Qin Han, no one felt that her acting skills were worse than his.

On the contrary, it was because she was acting with Qin Han that her acting was so good.

Many actors were beaten by Qin Han's acting.

It was a fact that he became popular quickly, but it was also a fact that he was easily criticized.

This caused many actresses working with him to feel extremely stressed.

Qiao Mianmian was probably the only actress who was praised by his fans.

As a newbie, her acting skills were still a little immature. Most of the time, her performance was better than some capable actresses.

Everyone was shocked.

But because of this, many people who were still biased against Qiao Mianmian changed their opinions.

As an actress, using her acting skills to attract fans was undoubtedly the best and most effective method.

Many people were biased against Qiao Mianmian because they felt that she was a pretty face who got the female lead role through connections. This wasn't liked by anyone no matter where they went.

But if the person involved really had the skills, the story was different.

Qiao Mianmian felt the same way as Linda.

If it wasn't for the fact that she was sure that the company didn't do it, she would have thought that they had hired fake reviewers.

She opened her Weibo account.

Then, she saw that her fans had increased again.

Many fans even sent her private messages to cheer her on. They said that she performed well and looked forward to her new show.

Qiao Mianmian felt warm after reading the private messages.

This was the first time so many people privately messaged her and said they liked her and supported her.

In the past, her private messages were mostly filled with insults, which made her want to shut it down.

“Mianmian, the post on the official Weibo account is full of good reviews. The netizens are praising you, saying that your acting is good, and you’re on the hot searches,” Nana said excitedly to Qiao Mianmian.

Chapter 1453: It’s Impossible

“Now, I don’t think anyone will call you a flower vase anymore. That clip was really well edited. I felt that it was especially exciting and couldn’t wait to watch the main scene. Your last scene was so infectious that I almost couldn’t hold back my tears.”

“Mm, I saw it all.” Qiao Mianmian looked at Nana’s excited expression and smiled. “Do you really think my performance was good?”

“Mm, really.”

Nana nodded and said sincerely, “Your performance was especially good. You actually didn’t lose out to Mr. Qin. Mianmian, I really think you’re born for this. You’re especially invested in acting and have a lot of feelings.”

“That’s all thanks to Brother Han.”

Qiao Mianmian said, “His acting is especially infectious, that’s why I was completely influenced. He’s really a good senior, he taught me a lot.”

Nana nodded. “Qin Han is indeed very good, but even the best teacher has to have a good student. Otherwise, it’s useless no matter how good the teacher is. Anyway, my idol is very good. Mianmian, you’re also very good.”

Qiao Mianmian smiled and thought for a while before logging into Weibo to repost it.

Re: [Qiao Mianmian V]

Many people commented on her post.

“Sister Mianmian, we’ve already seen the clip. It’s especially good. I’m looking forward to the main clip being played soon!”

“Alright, alright. Mianmian, I’ve received the instructions. I’m looking forward to the main film!”

“Hahaha, the flowers are so exciting. I hope I can put more flowers when I’m free. We love it.”

“Sister Mianmian, I’m a new fan. I’m a fan of your acting. You have to work hard, I’ll always support you.”

Not long after Qiao Mianmian reposted it, Qin Han did too.

And he didn’t repost it on the official Weibo account but directly reposted Qiao Mianmian’s post.

Qin Han V: "I swear on my dignity that the main film will be even more exciting. If it's not good, come and look for me. I believe everyone has seen Mianmian's performance in the clip. Do you believe that I didn't lie to you back then? It's not easy for newbies, I hope everyone can support her."

Qin Han felt that she was a good person. When he admired someone, he was willing to help them.

Just like how he helped Qiao Mianmian.

This post didn't seem like much.

But his last sentence was obviously to help Qiao Mianmian.

With his current status in the industry, he could definitely help Qiao Mianmian attract many fans.

Some fans asked him.

"Brother Han, why are you so good to Qiao Mianmian? Helping her over and over again. Are you bewitched by her beauty? Brother Han, wake up. Qiao Mianmian already has a boyfriend. It's impossible between the two of you."

Qin Han actually replied.

Qin Han V: "She's a junior I admire. She's been working hard and studying hard during this period. More importantly, she's talented in acting. I admire her, so I naturally hope that others will realize her good points and not let such a good seedling be buried. That's all I think of her. Everyone, stop speculating."

The netizens were excited.

"Wow, Brother Han actually replied to me personally. Alright, alright. I got it. I'll go and become Qiao Mianmian's fan immediately."

Chapter 1454: Can You Come Out for a While?

The other fans also replied: "Brother Han, we've received your instructions. We'll support her immediately."

Qin Han had many fans.

Less than ten minutes after his repost, Qiao Mianmian realized that her fans were increasing rapidly.

In just a few minutes, she gained hundreds of thousands of followers.

Qiao Mianmian was shocked.

Knowing that Qin Han helped her, she was about to thank him in person when her cell phone rang.

Qiao Mianmian was stunned for a few seconds before picking it up.

"Mianmian, are you still busy?" Qiao Ruhai sounded a little haggard.

Qiao Mianmian recalled their unhappy parting and kept quiet for a while before saying, "I'm not very busy. What's the matter?"

Qiao Ruhai was silent for a while. "Mianmian, about what happened last time... Dad apologizes to you. I misunderstood you. Are you still angry with me?"

Qiao Mianmian pursed her lips.

Qiao Ruhai said that he misunderstood her.

But Qiao Mianmian knew that it wasn't a misunderstanding.

It was what he really thought.

Even if there was a misunderstanding, it was because he didn't trust her enough.

Qiao Mianmian knew that she couldn't compare to Qiao Anxin.

Qiao Anxin was his biological daughter.

And she was just an adopted daughter.

Even though Qiao Ruhai treated her well in the past, when she had a conflict with Qiao Anxin, Qiao Ruhai still chose to side with Qiao Anxin.

She knew that this was normal.

Even if she was Qiao Ruhai's biological daughter, there were times when she couldn't do anything.

Moreover, she wasn't his biological daughter.

But she still felt disappointed, sad, and bothered.

"Mianmian, I misunderstood you last time because I didn't understand it clearly. Dad was in the wrong and made you suffer. If you're still angry and don't want to talk to me, then I... I'll hang up."

"Dad, I'm not angry." Qiao Mianmian felt a little bitter when she heard his careful tone. She took a deep breath and asked, "Why did you call me?"

"Yes, there's something."

Qiao Ruhai kept quiet for a while before saying, "I went to your set to look for you. If you're free now, can you come out for a while?"

Qiao Mianmian was stunned. "You're on set now?"

"Mm, I'm outside. They said they can't let anyone in, so I can only wait for you outside."

"Wait for me, I'll come out immediately."

Qiao Mianmian hung up and went to look for him.

She didn't know what exactly happened to make Qiao Ruhai come to the set to look for her.

...

Qiao Mianmian walked very quickly.

She was afraid that Qiao Ruhai was in trouble, so she ran out.

But when she reached the place Qiao Ruhai mentioned and saw Qiao Anxin standing beside him, she stopped in her tracks and slowed down.

Qiao Ruhai and Qiao Anxin saw her.

Qiao Ruhai immediately led Qiao Anxin towards her.

“Sister.”

As she got closer, Qiao Anxin looked up with teary eyes and called out pitifully.

Qiao Mianmian’s expression darkened.

She didn’t respond and only looked at Qiao Anxin coldly.

Chapter 1455: I Won’t Accept Your Apology

Qiao Anxin bit her lip and looked even more aggrieved. “Sister.”

Qiao Mianmian wanted to leave.

She had no idea that Qiao Anxin was there too.

Qiao Ruhai didn’t tell her.

Qiao Mianmian thought about how worried she was on the way here.

No wonder Qiao Ruhai came to look for her.

He was probably here to accompany Qiao Anxin.

Qiao Anxin called out twice, but Qiao Mianmian didn’t respond. She turned around and said aggrievedly, “Dad, is Sister still angry with me? She doesn’t seem to want to talk to me.”

“You did something wrong. Your sister should be angry with you.”

Although Qiao Ruhai said that, he looked up at Qiao Mianmian and said, “Mianmian, I brought your sister here to ask her to apologize to you. She knows that she’s wrong now and says she has to apologize to you in person. She also promised me that she won’t do those silly things again.”

Just as he finished speaking, Qiao Anxin rubbed her eyes and cried. “Sister, I’ve told Dad everything. Dad has already scolded me harshly. I know I’ve done a lot of things to let you down. An apology can’t make up for anything. But, I really know my mistake.

“Ever since I woke up, I’ve been reflecting on myself. I realized how wrong I was in the past. I also realized how overboard I went. Sister, I’ve let you down. Please forgive me on account of us being sisters, alright?”

“I’ll never make mistakes again.”

No matter how much Qiao Anxin cried and how sincere her apology was, Qiao Mianmian remained unmoved.

She waited for Qiao Anxin to finish her performance before saying calmly, "Qiao Anxin, I won't accept your apology, and I won't forgive you. So, you don't have to apologize to me anymore, because to me, what you think is meaningless."

Qiao Anxin froze.

Even the teardrops in the corner of her eyes froze.

Qiao Mianmian looked at her again and said coldly, "If you're here to apologize to me, then you can go back. If there's nothing special in the future, I think we shouldn't meet again."

Qiao Anxin's expression stiffened.

She thought that Qiao Mianmian would consider Qiao Ruhai and not make things too ugly.

That was why she begged him to come with her.

She didn't expect Qiao Mianmian to be so determined. Even with Qiao Ruhai around, she still said it so decisively.

Qiao Anxin didn't really realize her mistake and really wanted to apologize to Qiao Mianmian.

She realized something else.

Qiao Mianmian's status was different now. She had the support of the Mo and Bai families. If she didn't like someone, it was just a matter of words.

Under such circumstances, Qiao Anxin didn't dare to go against her.

Qiao Anxin still wanted to stay in the entertainment industry.

She was afraid that she would be banned forever.

Thus, she could only seek Qiao Mianmian's forgiveness to avoid being banned.

Chapter 1456: Why Are You Like This Now

Hence, no matter how unwilling she was, no matter how much she hated Qiao Mianmian, she still came over to apologize.

Who knew that Qiao Mianmian wouldn't buy it.

"Sister, are you still unwilling to forgive me?" Qiao Anxin couldn't give up so easily. She blinked, and tears rolled down her cheeks. "I know you won't forgive me easily, but I'm here to sincerely apologize to you. If you don't forgive me, I'll keep apologizing to you until you're willing to forgive me."

Qiao Mianmian sneered. "Up to you. But I don't have time to act with you now."

“Sister, you’ve misunderstood me.” Qiao Anxin seemed to be hurt by her words. “I’m not acting. I really want to apologize to you. What do I have to do to make you believe me?”

“Believe you?” Qiao Mianmian didn’t want to talk nonsense with her, so she said impatiently, “If you kneel and kowtow to me, I’ll believe that you’re sincere. If you can’t do it, then disappear from my sight. Don’t bother me anymore.”

Qiao Anxin’s expression stiffened when she heard the words “kowtow and apologize”.

Qiao Mianmian was such a slut.

She must have done it on purpose.

She wanted her to embarrass her in public.

Normally, Qiao Anxin would have scolded her.

But she was begging now. Even if she hated Qiao Mianmian to death, she could only swallow it.

She even felt that as long as Qiao Mianmian didn’t bicker with her about the past, as long as she didn’t continue being banned, as long as she could remain in the entertainment industry, she could let herself suffer such humiliation once.

It was never too late to take revenge.

There would be a chance to teach Qiao Mianmian a lesson in the future.

“Sister, as long as I kowtow to you and admit my mistake, will you forgive me?” Qiao Anxin’s face was pale. She bit her lip as tears rolled down her cheeks.

Under Qiao Mianmian’s shocked gaze, she actually knelt down.

She knelt at Qiao Mianmian’s feet and looked up. “Sister, I’ll kowtow to you and apologize. Can you forgive me?”

Qiao Mianmian opened her mouth, but before she could say anything, she heard Qiao Ruhai scold her. “Enough, what’s the point of having a family like this?”

He walked over and pulled Qiao Anxin up from the ground.

“Dad, let me do it.” Qiao Anxin pushed Qiao Ruhai and cried. “Sister just said that as long as I kneel down and kowtow to her, she’ll forgive me. As long as she’s willing to forgive me, I’m willing to do anything.”

Qiao Ruhai grabbed her tightly and blushed. “What are you kneeling for? Do you want others to laugh at us?”

“But Sister...”

“Mianmian.” Qiao Ruhai turned around and looked at Qiao Mianmian with a hint of disappointment and heartache. “We’re family. Even if Anxin and you aren’t biological sisters, you two grew up together. She really knows her mistake now. Can’t you give her a chance to change?”

“You used to be the kindest and softest. Why are you like this now?”

Qiao Ruhai shook his head and sighed.

Qiao Mianmian felt as if something had stabbed her heart. She clenched her fists and looked up at him.

If she hadn't heard it with her own ears, she wouldn't believe that these biased words came from Qiao Ruhai.

Chapter 1457: Are You Not Going to Admit Me Too?

“Dad, Qiao Anxin just apologized, and you want me to forgive her and give her a chance to change.

“Do you know what she did to me?

“If you know, aren't you being too biased?”

Qiao Mianmian sounded tired and disappointed when she said the last sentence. She smiled self-mockingly. “Forget it, why tell you this? How could you not know about it? But you still chose to help her, didn't you? Whatever you think, if you think I've changed, then I'll change. I'm such an unkind and magnanimous person now. I've disappointed you.

“I'll say it again. I won't accept Qiao Anxin's apology, and I won't forgive her. Never.”

At the end of her sentence, Qiao Mianmian looked at Qiao Anxin coldly. “I won't see you again in the future. Our sisterhood is over. Don't call me Sister anymore. We're not related by blood, right?”

“Mianmian, you...” Qiao Ruhai paled. “What do you mean? You've acknowledged your biological parents, so you're going to cut ties with the Qiao family? I'm not related to you by blood, are you not going to acknowledge me anymore?”

Qiao Mianmian lowered her eyes and said emotionlessly, “I don't mean that. Even if I'm not related to the Qiao family by blood, you were the one who raised me. I'll never forget your kindness.

“You're still my father, but Qiao Anxin and Lin Huizhen have nothing to do with me from now on. I used to treat them as family, and I tried to accept them as my family. But what they did made me understand one thing.

“A lot of things can't be done as you wish.

“I'm not magnanimous enough to ignore how others treat me, and I don't have any complaints. I can still get along with them. Some people might do such a cheap thing, but I won't.”

She looked at Qiao Ruhai's increasingly awful expression and laughed self-deprecatingly. “I'm sorry, Dad. I didn't become the way you expected. I'm not the obedient daughter you think I am. If you're here because of Qiao Anxin, then I've made myself clear. You'd better bring her back.

“If you still care about our father-daughter relationship, don't do this again. I really hate Qiao Anxin, and I don't want to see her again. Do you know that because of her, I don't feel good today?”

Qiao Anxin's expression darkened.

Seeing how determined Qiao Mianmian was, she knew that Qiao Mianmian wouldn't forgive her no matter how much she begged.

She was so heartless to her in front of Qiao Ruhai.

There was no hope.

She didn't mean to admit her mistake. She just wanted to protect her position in the entertainment industry.

Now that there was no hope, how could he continue to compromise?

Her expression changed instantly. "Alright, Qiao Mianmian. Since you've said so, I don't want to continue being your sister either."

Chapter 1458: Take It as Payback for the Qiao Family's Fostering

"I don't have a sister as heartless as you. I know you're the daughter of the Bai family now, how could you still like the Qiao family? In your eyes, the Qiao family is a shameful history. Do you wish to cut ties with the Qiao family now, preferably to never interact with them?"

"Ha, Dad shouldn't have been so soft-hearted back then. He shouldn't have taken you on."

Qiao Mianmian looked at her coldly.

Qiao Anxin looked at her too, her eyes full of hatred and unwillingness. "Do you think you're the complete winner now? Do you think your life will be so smooth? Every dog has its day, I'm waiting to see the day you're down and out!"

Qiao Mianmian didn't mind what she said.

Because to her, Qiao Anxin wasn't important at all.

Since she wasn't important, she wouldn't take anything she said to heart.

She had been watching Qiao Ruhai's attitude.

When Qiao Anxin said that and Qiao Ruhai remained silent, Qiao Mianmian knew his stance.

His silence meant that he agreed with Qiao Anxin.

He also felt that her daughter was an ingrate.

After returning to the Bai family and having a better backing, she wanted to leave the Qiao family.

At this moment, Qiao Mianmian found it funny and pathetic.

She couldn't even be bothered to explain.

Qiao Ruhai had Qiao Anxin and Lin Huizhen by his side. They couldn't possibly brainwash him. Moreover, he had such thoughts too. Once the seed of distrust germinated in his heart, it would be difficult for him to trust her anymore.

She was completely disheartened.

She didn't want to face him and Qiao Anxin anymore.

"Whatever you think. I have something on, I don't have time to waste with you."

With that, Qiao Mianmian turned around and left.

"Qiao Mianmian."

She'd only taken a few steps when she heard Qiao Ruhai's cold and distant voice.

Qiao Mianmian bit her lip and stopped.

"Whether you're willing to acknowledge me as your father or not, you grew up in the Qiao family. I don't dare to say that I gave you a good life, but you've been doing well in the Qiao family all these years, right? You're better than most.

"It's been so many years, and I've never asked you to do anything for me. This time, take it as repayment for the Qiao family's care and support. Let your sister go.

"I heard that you got someone to ban her? Your sister did do a lot of wrong things, but if you ban her, isn't it just ruining her career for the rest of her life? Your sister is still young. Even if you want to punish her, isn't this punishment a little too heavy?"

Qiao Mianmian clenched her fists.

She heard Qiao Ruhai say, "Let your sister go, and you and the Qiao family are even. Don't worry, you can be the daughter of the Bai family in peace. No one in the Qiao family will disturb you. I, Qiao Ruhai, am not a power-hungry person. It doesn't matter to me whether you're the daughter of the Bai family or have an even higher status."

Qiao Mianmian kept quiet.

After a while, she said hoarsely, "Dad, do you really think so?"

"If I let Qiao Anxin off, we're even?"

Chapter 1459: I'll Help You Out Right Now

Qiao Ruhai didn't hear the tremble in Qiao Mianmian's voice. He thought that she was afraid that he would pester her again, so he confirmed it.

He sneered. "That's right. If you let your sister off, you're even with the Qiao family. If you're afraid that I'll go back on my word, I can write a note for you. That way, you can rest assured!"

"No need."

Qiao Mianmian clenched her fists. "I promise you. Don't worry, I won't ruin your daughter's career.

"Dad, I really didn't expect you to beg me for her.

"Although I know you won't believe me, I still want to say that Qiao Anxin wasn't blacklisted by me."

Behind her, Qiao Ruhai's expression changed, but he didn't say anything.

Qiao Anxin was pleasantly surprised.

Qiao Mianmian didn't turn around. After saying her last sentence, she left quickly.

...

When she returned, Qiao Mianmian met Bai Yusheng walking towards her.

Bai Yusheng especially came out to look for her.

Knowing that the Qiao family was looking for her, he was worried that she would feel aggrieved. But when he saw Qiao Mianmian, he realized that her eyes were red.

Bai Yusheng frowned and quickly walked to her.

He looked down at her and saw that Qiao Mianmian's eyes were indeed red. He immediately frowned and asked, "Mianmian, what's wrong? Who bullied you?"

Qiao Mianmian kept thinking about what Qiao Ruhai said.

She had been holding back her tears all this while, but now that she met Bai Yusheng's concerned gaze, she couldn't hold it in anymore.

Tears rolled down her cheeks.

Seeing her cry, Bai Yusheng got even more anxious.

He placed a hand on her shoulder and frowned. "You saw the Qiao family? Did they say something about you that made you feel aggrieved? Mianmian, you're the Bai family's baby now. No one can make you feel aggrieved. If the Qiao family bullies you, I'll help you vent your anger."

"Brother, I'm fine." The more Bai Yusheng showed concern for her, the more Qiao Mianmian cried.

She couldn't control herself.

She didn't feel aggrieved just now, but when Bai Yusheng showed concern for her, she felt aggrieved.

Father Qiao's words stabbed her heart like needles.

It hurt.

How could Bai Yusheng believe her?

She said she was fine, but she kept crying.

She must be suffering a lot.

Thinking about how Qiao Anxin and Lin Huizhen treated her badly in the past and made her suffer a lot, Bai Yusheng's face darkened.

"Did Qiao Anxin do something to hurt you again? Mianmian, you're my sister, we're related by blood. I hope you can confide in me."

“You can say anything to me.

“I hope you can treat me as your real brother. Do you know how anxious I am as your brother?”

Qiao Mianmian slowly looked up.

Her eyes were still misty as she looked at Bai Yusheng sadly.

Her eyes and the tip of her nose were red as she said in a sobbing voice, “Brother.”

Chapter 1460: He Will Have Time to Regret It in the Future

Bai Yusheng’s heart ached.

He reached out and gently hugged her. “Tell me, what happened?”

Qiao Mianmian leaned against his chest and cried silently. After a while, she wiped her tears and gently pushed him away.

“Dad brought Qiao Anxin to look for me. She apologized to me, but I didn’t accept it.” Qiao Mianmian paused for a few seconds before continuing. “Dad felt that I was the one who banned her. He asked me to let her go and said that it was to repay the Qiao family for raising me.

“From now on, the Qiao family and I are even.”

Qiao Mianmian smiled as she spoke, but her eyes were filled with sadness. “I promised him. The Qiao family and I are even now.”

Bai Yusheng was stunned.

He felt even more sorry for her.

No wonder she was crying.

She really suffered this time.

He could tell that Qiao Mianmian had feelings for the Qiao family, which was why she was so upset.

If she didn’t have feelings and didn’t care at all, she wouldn’t be like this.

Bai Yusheng was surprised that Qiao Ruhai would say such a thing.

He had gotten someone to investigate. Qiao Mianmian’s life in the Qiao family couldn’t be considered bad. At least before her adoptive mother passed away, she and Qiao Chen had lived a good life for a few years.

After that, Qiao Ruhai treated them rather well.

It wasn’t good, but it wasn’t bad.

After so many years, Qiao Mianmian definitely had feelings for this adoptive father.

But it seemed like Qiao Ruhai was still biased towards his biological daughter.

Bai Yusheng felt that it was fortunate that the Bai family had already found Qiao Mianmian.

“Mianmian, since your adoptive father is biased towards his biological daughter and said this to you, then you should take the opportunity to break off your relationship with the Qiao family. It’s good that we’re even in the future.”

Qiao Mianmian looked at him in shock.

Bai Yusheng patted her head again and said gently, “It’s not that our Bai family doesn’t know how to repay kindness. It’s not that we’re afraid he’ll fight with us for you. Mianmian, I just feel that as long as your stepmother and stepsister are by your adoptive father’s side, you’ll definitely suffer a lot in the future.

“Your relationship with your adoptive father will come to this sooner or later.

“Since he was the one who made the request, you can’t be considered ungrateful. Our Bai family is grateful that he raised you, and we will take this kindness to heart. But he made you suffer all the time and made you sad. It’s best not to have such a family.

“Your adoptive father doesn’t dote on you, but your brother does. Dad and Mom will dote on you too. You’ve lost a family, but you still have a new one. Moreover, you still have a husband who dotes on you and loves you. The Mo family is also your home.

“With so many people loving and doting on you, don’t be sad for those who aren’t worth it, alright?”

Qiao Mianmian’s heart warmed.

She was touched, and her eyes reddened again. “Brother.”

“Be good, don’t cry anymore.” Bai Yusheng’s voice was unbelievably gentle. He pinched her face and then wiped her tears. “Mianmian, don’t cry. Brother loves you. Thankfully, Mom isn’t here. If she saw you crying like this, her heart would ache.

“I think your adoptive father is an old fool. Such an old fool isn’t worth you crying for him. He’ll regret it in the future.”
