Chapter 1461: Comfort Your Wife

Bai Yusheng sounded a little annoyed.

He really felt that Qiao Ruhai was an old fool.

His precious sister was so upset.

Even though the Qiao family raised Qiao Mianmian, he still had some complaints about Qiao Ruhai.

Qiao Mianmian cried for a while, and with Bai Yusheng comforting her, she slowly calmed down.

“Brother, I’m fine. Thank you for accompanying me and comforting me.” Qiao Mianmian wiped off her tears, looking much better than before.

“Aren’t you silly? Why are you thanking your brother?” Bai Yusheng knocked her head lightly and took out a handkerchief from his bag. He pinched her face and wiped it clean.

“Alright, don’t think about those unhappy things anymore. I’ll bring you to eat good food tonight. Don’t you like hot pot? I know a restaurant that has especially good hot pot. Do you want to go?”

Bai Yusheng was trying so hard to console her.

Even if Qiao Mianmian couldn’t get over it so quickly, she didn’t want Bai Yusheng to think that she was still sad.

She nodded. “Mm, I do.”

“Alright, I’ll take you there when we’re done for the day.”

...

After Bai Yusheng led Qiao Mianmian back to the set, he sent Mo Yesi a WeChat message.

Bai Yusheng: [Console your wife. She just suffered.]

In the past, Bai Yusheng had to wait for a long time for Mo Yesi’s reply.

But this time, Mo Yesi replied almost instantly: [What grievance did she suffer? Who bullied her?]

Bai Yusheng clicked his tongue and replied: [The person who made her suffer is your father-in-law. Did you get someone to ban Qiao Anxin? Because of this, your father-in-law brought Qiao Anxin to the set to look for Mianmian. He said that he wanted Mianmian to repay the Qiao family for raising her and lift Qiao Anxin’s ban. Your wife cried; she must have felt very upset. Although I’ve already comforted her as her brother, I think your comfort is the most useful.]

After Bai Yusheng informed Mo Yesi, Qiao Mianmian received a call from him.

Qiao Mianmian answered the call.

She had cried before, and her voice was still a little hoarse.

Normal people wouldn't be able to tell, but Mo Yesi could tell that she had cried.

He said coldly, "Bai Yusheng told me that Qiao Ruhai brought Qiao Anxin to look for you?"

Before she could reply, he said coldly, "You really should draw the line between you and the Qiao family. Qiao Ruhai has done you a favor, but he clearly knows what Qiao Anxin has done to you, yet he's still so biased and even said that he wants you to repay the kindness of raising you.

"Such a person isn't worthy of being your father."

Qiao Mianmian didn't expect Bai Yusheng to tell Mo Yesi about this.

She felt embarrassed.

She kept quiet for a while before saying, "Mo Yesi. Since you already know about this, can you do me a favor?"

Mo Yesi guessed what she wanted to say.

He asked, "You want me to let Qiao Anxin off?"

"Mm." Qiao Mianmian kept quiet for a few seconds before closing her eyes. "The Qiao family has done me a favor. This is his request, I have to agree to it. Can you let Qiao Anxin off?"

Mo Yesi didn't answer her immediately.

Qiao Mianmian waited quietly for more than ten seconds before she heard his voice. "You have to repay him for raising you. Alright, I promise you. I won't interfere in Qiao Anxin's matters anymore."

Chapter 1462: Worried About My Baby

"But given her current situation, even if I don't interfere, it'll be hard for her to clear her name."

Qiao Mianmian knew that it was impossible for Qiao Anxin to return to her previous position.

Even if Mo Yesi lifted her ban, others would still be wary of the Mo Corporation and wouldn't dare to cooperate with Qiao Anxin.

Moreover, she got Qiao Chen to expose Qiao Anxin's infidelity photos. Qiao Anxin's image was ruined, and it was hard to recover.

"Mm, you just have to stay out of it. I can't control the rest."

...

Qiao Mianmian never expected Mo Yesi to come.

Because he said that he would be very busy in the next few days.

Previously, he took the time to come over. It was already a lot of time. When he returned to Yuncheng City, he had to work overtime for a few days to make up for it.

Even when she returned to Yuncheng City previously, he was too busy with work to pick her up at the airport. It was obvious how busy he was.

Hence, when she was about to leave after eating with Bai Yusheng, the door was pushed open. Qiao Mianmian was shocked when she saw a familiar figure walk in.

Her first reaction was that she'd seen wrongly.

She rubbed her eyes and looked up. When she still saw the man in front of her, she was sure that it wasn't her illusion.

She blinked and asked, "Mo Yesi, why are you here?"

"So soon? You rushed to the airport the moment you received my WeChat message?" Bai Yusheng was stunned when he saw Mo Yesi. He then teased. "It seems like Mianmian is really your precious. With a brother-in-law who pampers my sister so much, there's nothing to worry about.

"Then, I won't be your third wheel. I'll leave you two alone."

With that, Bai Yusheng got up, buttoned his shirt, took his wallet, and left the room.

He closed the door after leaving.

Only Qiao Mianmian and Mo Yesi were left in the room.

Qiao Mianmian was still in a daze.

She only snapped out of her daze when Mo Yesi reached out and pulled her into his arms.

She looked up at the man's handsome face and murmured, "Why are you here? Aren't you at work? Aren't you very busy recently?"

"Mm, I was very busy at work."

Mo Yesi lowered his head and looked at the girl in his arms. "But I still wanted to come and see you. Otherwise, I wouldn't feel at ease."

Qiao Mianmian's heart trembled. She couldn't help but ask, "What are you worried about?"

"I'm worried about my baby." Mo Yesi frowned and looked at her reddened eyes. His slender fingers touched the corner of her eyes. He felt pity and anger at the thought of her crying until her eyes were swollen.

Qiao Ruhai was an old fool.

How could he hurt the baby he loved so much?

If he didn't know that Qiao Mianmian had feelings for him and cared about him, Mo Yesi would have taught him a lesson.

Qiao Mianmian was warmed by his answer.

She never thought that Mo Yesi would especially fly to F City to look for her because of this.

Chapter 1463: Even If It's Childish, You Can Like Me If You Like Me

He was worried about her.

How much did he have to care for someone to do this?

Even she couldn't do it.

She liked Mo Yesi.

But her feelings for him were far less than his.

Qiao Mianmian couldn't help but ask, "Mo Yesi, why are you so good to me?"

Mo Yesi actually didn't say anything about her. Instead, he replied seriously, "You're my wife, the woman I want to treasure for the rest of my life. If I don't treat you well, who should I treat well? Don't cry anymore. Do you want me to die of heartache?"

Qiao Mianmian almost cried.

Actually, the grievance was long gone.

But now that she saw Mo Yesi and heard what he said, she suddenly felt aggrieved.

She couldn't stop crying.

"Alright, it's all in the past." Mo Yesi hugged her tightly and said gently, "Don't think about those unhappy things anymore. Didn't Hubby come over to accompany you? Are you unhappy to see me?"

Qiao Mianmian sniffed. "Happy."

"Then be happy." Mo Yesi's voice softened as he continued to coax her. "I have a social gathering tonight, I can't stay here for too long. Do you have anything you want to do now? I'll accompany you."

Qiao Mianmian thought for a while and asked, "How many more hours can you stay here?"

Mo Yesi looked at his watch. "Two to three hours is fine."

"Then, can you watch a movie with me? I want to watch Three Little Bears."

This was a recently released 3D animation. Qiao Mianmian had been wanting to watch it but hadn't found the time.

When she asked Mo Yesi to accompany her, she didn't expect him to really go.

In his eyes, an adult watching a cartoon was definitely very childish.

He would definitely feel bored if he spent an hour or two watching cartoons with her.

Hence, Qiao Mianmian was prepared to be rejected.

And she felt that even if Mo Yesi rejected her, she wouldn't feel anything.

"You want to see it?" the man asked.

Qiao Mianmian nodded. "Mm, I heard it's not bad. It's pretty funny and warm."

“Alright, let’s go now.” Mo Yesi held her hand and walked out of the private room. “When I first came, I saw a mall nearby. There should be a cinema there.”

Qiao Mianmian was led out of the private room.

“You’re going?”

“Why not?” Mo Yesi turned to look at her and smiled. “Don’t you want to see it?”

“But, don’t you think it’s childish?”

“What you like isn’t childish. Even if it’s so, I like it if you like it.”

Qiao Mianmian was speechless.

Today was another day of being seduced by her husband.

But it had to be said that no matter what he said, Qiao Mianmian still felt blissful.

She smiled sweetly. “Mm, let’s go now.”

...

They watched a movie together.

After the movie ended, Mo Yesi sent Qiao Mianmian back and headed to the airport.

With Mo Yesi accompanying her for a while, Qiao Mianmian’s mood improved.

After she went back, she took a shower and chose a movie to watch on the sofa. A few minutes later, she received a WeChat message from Jiang Luoli.

Chapter 1464: Do You Dare to Say That to Mo Shixiu?

Jiang Luoli: [Baby, what should I do!!!]

Qiao Mianmian could feel her anxiety through the screen. She immediately replied: [What’s wrong?]

Jiang Luoli immediately replied: [The melodramatic plot in the domineering CEO’s novel has finally happened to me. The domineering CEO’s mother wants to see me, do you think I should go? If I go, do you think your mother-in-law will throw me a check of five million yuan and ask me to leave his son?]

Qiao Mianmian was speechless.

Jiang Luoli: [But five million is too little, right?! I think she should at least add another zero. I might consider it. But compared to 50 million, I think I can still resist the temptation. But if she adds another zero, I might waver.]

Qiao Mianmian was speechless.

Qiao Mianmian: [Did Madam Mo call you to see you?]

Actually, Qiao Mianmian had thought that Madam Mo would do this.

At the banquet that night, Mo Shixiu brought Jiang Luoli back. Qiao Mianmian could tell that Madam Mo was very unhappy with Jiang Luoli.

Even when she first married Mo Yesi, Madam Mo had looked for her privately and wanted her to leave him.

Moreover, Jiang Luoli and Mo Shixiu were still at the beginning of a relationship. It was even easier for Madam Mo to break them up.

How could she not do anything?

If she really didn't do anything, Qiao Mianmian would find it abnormal.

Jiang Luoli: [Mm, she called me and asked to meet me. I haven't replied yet.]

Qiao Mianmian thought for a while before replying: [Then, what do you think? If she really wants you to break up with Mo Shixiu, what will you do? Does Mo Shixiu know about this?]

After about a minute, Jiang Luoli replied: [He doesn't know yet, and I don't intend to tell him. I've decided to meet her and see what she'll say. If I reject her this time, she probably won't give up and will look for me. Since we'll meet sooner or later, I'll see her now. Didn't I say it just now? If she's willing to give me a 500 million yuan check for me to leave her son, I might consider it on account of the money. It depends on whether she's willing to pay.]

Qiao Mianmian: [... Are you serious?]

Mo Shixiu would probably be upset if he saw that.

He would be a presidential candidate of Country A in the future.

His future was limitless.

It couldn't even compare to a 500 million yuan check.

But Qiao Mianmian felt that Madam Mo wouldn't do that.

It wasn't that she didn't think her son was worth that much money.

But she felt that Jiang Luoli wasn't worth that much.

50 million yuan was probably Madam Mo's limit.

Jiang Luoli: [It's more real than pearls! 500 million yuan. It's more money than what I'd gain in a lifetime. Who wouldn't be tempted?]

Qiao Mianmian didn't know whether to laugh or cry. Did Mo Shixiu know that? His net worth was far more than 500 million.

Jiang Luoli: [But I'm really afraid of having a difficult mother-in-law. Although Prince Charming is good, his freedom is even higher. Isn't it good to use 500 million yuan to buy a villa and a luxury car to hook up with young hunks? Just thinking about it makes me happy.]

Qiao Mianmian: [... Do you dare to say that to Mo Shixiu?]

Jiang Luoli: [... No.]

Qiao Mianmian couldn't help but laugh.

She knew Jiang Luoli was a coward.

And according to what Mo Yesi said, Mo Shixiu's true personality wasn't as easy to talk to as he looked. In terms of relationships, he was also a rather domineering person.

Chapter 1465: I Won't Let Myself Suffer a Loss

Otherwise, how could he and Mo Yesi be biological brothers?

Growing up in the same environment and having the same blood, how could his personality be different?

It was just that Mo Shixiu was older than Mo Yesi by a few years and had such a job, so he looked more mature and reserved.

But the brothers were essentially similar in many ways.

Hence, even if Jiang Luoli really agreed to leave Mo Shixiu, he wouldn't let her go easily.

Qiao Mianmian thought of Madam Mo's personality and frowned. She sent Jiang Luoli another message: [Luo Luo, send me the address when you get there. Call me immediately if anything happens.]

She felt that Madam Mo wouldn't do anything to Jiang Luoli.

No matter how unhappy she was with Jiang Luoli, she wouldn't do anything openly.

She reminded Jiang Luoli just in case.

Jiang Luoli replied quickly: [Mm, I know. Don't worry, I won't let myself suffer.]

Qiao Mianmian looked at her reply and was a little worried.

Jiang Luoli wasn't a pushover.

But Madam Mo wasn't a simple character.

...

Jiang Luoli changed her clothes and was about to leave.

On the weekend, she didn't stay in school like before. Instead, she stayed with Mo Shixiu.

When she went downstairs, Sister Lin saw that she was going out and asked, "Miss Jiang, are you going out? Are you coming back for dinner?"

Jiang Luoli thought for a while and nodded. "Mm, I should be back. I'll call you then."

"Alright."

Sister Lin got the chauffeur to send her off.

...

Madam Mo arranged for them to meet at a high-end clubhouse.

When Jiang Luoli got out of the car, a waiter came forward and asked, "Miss Jiang?"

Jiang Luoli looked at the waiter and nodded. "Yes."

"Please follow me." The waiter made an inviting gesture and led the way.

Jiang Luoli followed her into the clubhouse.

The clubhouse was huge. After walking for a few minutes, the waiter stopped outside a private room.

She bowed slightly and smiled. "Miss Jiang, Madam Mo is waiting for you inside. Please come in."

She opened the door slightly.

Jiang Luoli stood outside for a few seconds before taking a deep breath and pushing the door open.

She saw Madam Mo sitting inside.

This was the second time Jiang Luoli saw her.

On the night of the banquet, Madam Mo was dressed elegantly.

Even though she was wearing her usual casual clothes, she still couldn't hide her elegance.

Jiang Luoli was instinctively afraid of rich women.

The moment she saw Madam Mo, she thought of the melodramatic plot in the domineering CEO's novel.

She was ready to be thrown a check.

"Miss Jiang, you're here."

Madam Mo was rather polite when she saw Jiang Luoli. She didn't give her a hard time.

Her expression was kind.

But Jiang Luoli wasn't stupid enough to think that Madam Mo was a kind person.

If she was really kind, she wouldn't have asked to meet her this time.

It wasn't like she hadn't seen people who hid daggers in their smiles.

Chapter 1466: It's Best If You're Separated

But regardless of whether Madam Mo's pleasantries were true or false, Jiang Luoli did her best.

She walked over slowly and smiled at Madam Mo. "Hello, Madam Mo."

“Miss Jiang, please sit down.” Madam Mo pointed to the seat opposite her. “I wonder what tea Miss Jiang likes. Is Biluochun alright?”

Jiang Luoli sat opposite Madam Mo.

Madam Mo poured her a cup of tea and Jiang Luoli immediately took it. “Thank you, Madam Mo.”

“You’re welcome.”

Madam Mo also poured a cup of tea for herself. Her slender fingers looked like they could only be maintained in an extremely superior environment. She pinched the porcelain teacup and took a sip before saying calmly, “Miss Jiang, what do you think of the taste of this tea?”

Jiang Luoli was speechless.

She hated people like Madam Mo who liked to beat around the bush.

She could have said it directly, but she had to talk nonsense for a while before getting down to business.

“It’s pretty good.” Jiang Luoli took a sip but couldn’t tell what it tasted like.

She didn’t like tea.

She didn’t know much about it.

Hence, no matter how good the tea was, it was all pretty much the same to her.

She was an impatient person and liked to solve problems directly. Seeing that Madam Mo was still drinking her tea slowly as if she wasn’t ready to talk to her about serious matters, she couldn’t help but ask, “Madam Mo, why are you looking for me?”

Madam Mo looked up at her slowly.

Jiang Luoli pursed her lips and said, “Madam Mo, can you be direct?”

“It seems like Miss Jiang is an impatient person.” Madam Mo smiled and slowly placed the teacup on the table. She then took out a handkerchief to wipe her lips.

“Since Miss Jiang doesn’t like to beat around the bush, I’ll be frank. I believe Miss Jiang must have guessed why I’m looking for you.

“Miss Jiang, since you’re with my son, you should know what he does. To be honest, Miss Jiang’s looks are really good, and it’s easy for the opposite sex to be attracted to you. My Shixiu has been putting all his effort into his work for so many years, causing his experience in relationships to be almost zero.

“So, it’s normal for him to lose control when he meets a beautiful woman like Miss Jiang.

“Miss Jiang should be his first woman, and because of that, you have a special place in his heart. But men are just like that. For a moment, they feel that it’s true love and that they can live a lifetime. But after a while, when their minds clear, they won’t think like that anymore.

“With Shixiu’s identity, he won’t lack good-looking women around him. Miss Jiang’s looks won’t be your advantage anymore. He’s my son, I know him best. He really likes you when he likes you. Once he doesn’t, he really doesn’t have any feelings for you anymore.

“But at that time, Miss Jiang will definitely like him more and more and fall deeper into it. If he wants to break up with you, you’ll definitely be very sad and painful.

“So, I think you should break up before you fall in love with him. Of course, Miss Jiang has been with my son for a while, so I won’t let you accompany him for nothing. This is a token of my sincerity. I believe this amount of money won’t make Miss Jiang feel aggrieved.”

Chapter 1467: Don’t Make a Scene of Money

Madam Mo took out a check from her bag and placed it in front of Jiang Luoli.

Jiang Luoli’s hand trembled as she bit her lip. It took her a lot of effort to suppress her anger.

She looked up and glared at Madam Mo.

Madam Mo looked at her angry gaze and smiled. She still had the elegant and gentle manner of a rich lady as she slowly said, “Miss Jiang, why don’t you take a look at this check first. According to what I know, Miss Jiang’s family isn’t well-off, and your hands aren’t loose either. You’re still young, there’ll be plenty of places to use money in the future. Accepting this check will only be beneficial to you. I think you should accept it.

“What do you think?”

Jiang Luoli looked at her.

She then picked up the check and smiled.

Madam Mo frowned. “What are you smiling at?”

Jiang Luoli flicked the check lightly and looked at the string of numbers that ordinary people would be overjoyed to see. “What’s this? Is this for my hard work? Wow, so much money. It’s actually 10 million.”

Jiang Luoli felt like laughing.

She even expected Madam Mo to give her 50 million.

In the end, she was slapped in the face.

She looked at the 10 million on the check and felt insulted.

Mo Shixiu gave her 50 million yuan as compensation.

Was Madam Mo trying to get rid of her with just 10 million?

Moreover, her tone and attitude were as if she was doing her a favor.

Jiang Luoli was furious.

How could Madam Mo look down on her so much?

She was still thinking that Madam Mo would take out a 500 million yuan check and throw it at her face to make her leave Mo Shixiu.

At that time, she would pretend to be reluctant and wait for Madam Mo to throw the check at her face a second time. After threatening her with words, she would pretend to be weak and pitiful and pretend to be heartbroken. Because of the coercion, she'd have no choice but to accept the check and leave the man she loved.

According to the plot development in the novel, after she left, she'd suddenly realize that she was pregnant with Mo Shixiu's child.

Then, she took the baby to another country.

N years later, she brought the genius back to China, and under some circumstances, she met Mo Shixiu again.

Mo Shixiu found a child who looked like him and suspected that the child was his.

After that, they went through a series of separate entanglements and finally saw each other's hearts clearly.

Jiang Luoli had already set the plot.

But even if Madam Mo threw 10 million yuan at her face twice or thrice, she didn't think she could accept it.

It was too little...

When she said "a lot", she meant mocking.

But Madam Mo couldn't tell. She thought she was surprised by the amount.

Madam Mo sneered in her heart and pursed her lips in disdain.

She was born into a poor family.

This 10 million yuan was definitely an astronomical figure to her.

She must have never seen so much money before. No wonder she was so happy.

"You've been with Shixiu for a while, and you're his first woman. I won't mistreat you."

Chapter 1468: Are You Going Against Me?

"This sum of money is enough for you to live comfortably for the rest of your life. Take the money and leave Shixiu. Don't contact him anymore."

"Madam Mo."

Jiang Luoli kept quiet for a while before looking up and saying in disdain, "I came because I thought I could get a huge severance fee. If I'd known that Madam Mo didn't have much money, I wouldn't have come."

Madam Mo still had a superior expression on her face. After a few seconds, her expression stiffened and she said with a dark expression, "What did you say? You think this sum is too little? Miss Jiang, I advise you to be content. Don't think that just because the Mo family is rich, you can ask for a high price.

"This sum is more than enough for you. If I were you, I'd take the check and leave obediently. Miss Jiang, let me give you another piece of advice. A wise man submits to circumstances. Don't end up with nothing.

"To be honest, your status and family background are not worthy of my son. Shixiu will get married and have children in the future, but the woman forming a family with him will definitely not be you. Since you're destined to break up, you can still get a sum of money if you leave now. If he breaks up with you, you might not get anything.

"You're a smart person, you should know what to choose."

Jiang Luoli smiled again. She was obviously furious, but her voice was surprisingly calm. "Madam Mo, it's not that I don't think this sum is enough, but the severance fee you offered is really too little. Your son is so much more generous than you. He casually gave me a card with tens of millions, and before I finished it, he gave me a second one, afraid that I wouldn't have enough to spend.

"I'm with your son. He can buy me anything I want. I can spend his money as I wish. Your 10 million yuan is really not attractive to me. So, I'm sorry. I'm afraid I can't agree to your request."

"What did you say?" Madam Mo was stunned, and then her face turned green.

"Madam Mo, whether Mo Shixiu is new to me for a while, or whether he'll kick me away in the future, this is between me and him. To me, there's only one possibility of separating from him, and that is when I'm not interested in him anymore and don't want to stay with him anymore.

"If he told me himself that he doesn't like me anymore and wants to break up with me, I definitely wouldn't pester him.

"But it's not up to you to decide if we're going to be apart or together. Even if you're his mother, you can't interfere in his private life."

Madam Mo's face turned even paler.

"Miss Jiang, are you bent on going against me?"

"Madam Mo, I'm not going against you. I'm just telling you that I can't agree to your request. I can leave Mo Shixiu, but he has to break up with me. No one else can."

With that, Jiang Luoli picked up the check and tore it into pieces under Madam Mo's murderous gaze.

Then, she patted the crumbs on her lap and stood up. "Madam Mo, thank you for treating me to tea. I still have something on, so I won't accompany you. Enjoy yourself."

Jiang Luoli didn't look at Madam Mo's expression as she turned around and left the room.

...

Walking out of the clubhouse, she took a deep breath and let out the pent-up anger in her chest.

Chapter 1469: Did You Take Over the Female Lead?

Before she left, she didn't look at Madam Mo's expression.

But she could imagine it.

Madam Mo must be furious. She might even be throwing things.

As soon as she walked out of the private room, she heard something shatter.

But Jiang Luoli felt relieved.

Especially when she tore the check, she felt inexplicably good.

No wonder the female leads in novels with domineering CEOs liked to tear checks.

Because it felt really good when she did it.

She felt much better after tearing it.

Jiang Luoli was still enjoying the feeling of tearing the check. She sent Qiao Mianmian a WeChat message: [Baby, I just did something really good. Do you know what I did?]

Qiao Mianmian replied instantly: [What did you do?]

Jiang Luoli: [I tore the check. In front of Madam Mo, I tore it up and threw it on the ground. Can you imagine her expression? Her face turned green. Hahaha, I feel so good just thinking about it. It's so satisfying.]

Mianmian: [Are you the female lead?]

Jiang Luoli: [Hahahaha, I just wanted to experience how it feels to have the female lead tear the check. I didn't expect it to feel so good.]

Mianmian: [So, you've already left?]

Jiang Luoli: [Mm, I left. I think Madam Mo is even more determined to separate me from her son now. Do you think she'll use some underhanded method to force me to leave her son like in domineering CEO novels?]

Mianmian: [Don't think too much. I believe Mo Shixiu can handle everything. I think you should tell him about this and let him handle it.]

Jiang Luoli: [I'll think about it.]

Jiang Luoli didn't want to tell Mo Shixiu about this.

She knew that he wasn't a mommy's boy.

But how could he handle this?

He was already busy enough with work, and Jiang Luoli didn't want to bother him with such trivial matters.

She chatted with Qiao Mianmian for a while before getting into the black Bentley.

Mo Shixiu called just as she got into the car.

Jiang Luoli picked it up.

"Luo Li, where are you? I heard from Sister Lin that you went out?"

"Mm." Jiang Luoli looked out of the window. "I'm in the city center and going back now. What's the matter?"

"Nothing, I just wanted to call to hear your voice. What are you doing in the city center, meeting a friend?"

The man's casual tone caused Jiang Luoli's heart to race.

That "I want to hear your voice" made her feel as if she had eaten honey.

When she didn't know him well, she thought that he was flirting with her on purpose.

But now she knew that he wasn't flirting at all. After all, he was a straight man who didn't even know what flirting meant.

But it was precisely because of this that Jiang Luoli was tempted.

She smiled. "Mm, a friend."

Mo Shixiu was silent for a while before saying, "Just seeing a friend?"

Jiang Luoli found his question strange. "Mm, what's wrong?"

"It's nothing. Go home early if you have nothing to do. I'll fly overseas tomorrow morning for a few days. Do you want anything as a gift? I'll bring it to you when I'm back."

Jiang Luoli felt that Mo Shixiu was really a straight man.

He was a straight man who didn't know how to date.

Chapter 1470: I Know Whether She's Suitable to Me

No one would ask her directly if she wanted a gift like him.

Didn't he want to pick the gift himself and surprise her?

If she said what she wanted, wouldn't she lose all her joy?

Since it was his first time dating, Jiang Luoli couldn't complain about it.

She thought for a while before replying, "Bring whatever you think is good."

"Alright, I'll go over and see if there's anything special."

"Then, I wish you a safe trip."

They didn't chat for long before Mo Shixiu hung up.

...

In the clubhouse.

Madam Mo made a call after Jiang Luoli left.

Soon, the call went through and a respectful voice was heard. "Madam."

Madam Mo clenched the cup in her hand and said angrily, "You can do that now."

She didn't want to be too harsh.

But since that Jiang girl didn't know what was good for her, there was no need to show mercy.

After Madam Mo hung up, her cell phone rang again.

She hesitated for a few seconds before picking it up.

"Shixiu, why did you call me?" Madam Mo frowned.

Mo Shixiu called her not long after Jiang left. Did she complain?

Madam Mo's expression darkened.

"Mom, did you look for Luoli?"

Madam Mo's expression turned awful. "Jiang Luoli called you? What did she say?"

"It seems like you did look for her."

"Why, did she complain about me in front of you? I knew she wasn't a good person. She started to sow discord between us before she even entered the Mo family."

"Mom, Luo Li didn't say anything. She told me that she was only out to see a friend. You misunderstood her."

"She didn't say anything?" Madam Mo sneered. "If she didn't say anything, would you know that I looked for her? Shixiu, what's there to be biased towards such a woman? She's so young, but she's already so scheming. She's not suitable to be by your side."

"Mom." Mo Shixiu kept quiet for a while before saying, "I know very well whether she's suitable for me. I hope you won't look for her anymore. She's only 19, she's still a child. You'll scare her like this."

The more Mo Shixiu spoke up for Jiang Luoli, the angrier Madam Mo got.

Her two sons had always been good and filial to her.

But now, with a woman by his side, he started going against her and didn't take her words seriously.

All they knew was to protect the women around them.

She thought that Mo Shixiu would be better and not as muddle-headed as Mo Yesi.

But she didn't expect her eldest son to be so smitten.

Madam Mo was so angry that her face turned green. "She's young, but she's no less scheming than those older than her. She knows how to take shortcuts at such a young age and become a phoenix. You're telling me that she's still a child? Shixiu, I'll let you do whatever you want and not bother you, but I won't allow you to make decisions on this matter.

"I won't agree to you being with Jiang Luoli."
