

Big Shot 1491

Chapter 1491: I'll Make Her See!

Qiao Mianmian turned around to look for the director.

Qiao Anxin stood rooted to the ground and watched her leave. She clenched her fists so tightly that the veins on the back of her hands were bulging.

She clenched her teeth and trembled with anger.

"What the hell, slut!" She scolded in a voice only she could hear.

Beside her, Song Fang saw that she was so angry and comforted her symbolically. "Anxin, calm down. Why are you being so petty with her? She's really someone we can't afford to offend now. Even if you have anything against her, just bear with it in front of her."

"Yes, that slut is so smug now." Qiao Anxin gritted her teeth. "She's strutting around now and bullying me. Did you hear what she said just now? Did you see how arrogant she was? One day, I'll let her know who the final winner is.

"I'll teach her a lesson!"

"Yes, so there's no need to be so calculative with her now. Isn't she just relying on a powerful man? The freshness period isn't over yet. When it's over, will he still want her? When she's dumped, you can deal with her however you want.

"Are you still worried that you won't be able to vent your anger?"

Song Fang didn't know that Qiao Mianmian was different now.

That was why she was comforting Qiao Anxin.

But Qiao Anxin knew.

She clenched her fists and said with an awful expression, "According to you, wouldn't I be kicked out by Boss Huang too?"

Qiao Anxin couldn't hide the disgust in her eyes.

The thought of that pig-headed man disgusted her.

But for her career, she endured it.

But fortunately, no matter what, she finally had something to do.

Although Boss Huang was a little disgusting, he was a man of his word. He did what he promised her.

But she wasn't the only woman around Boss Huang.

Qiao Anxin only found out later that many female artistes in the company had an affair with him.

She was just one of many women.

No matter how much she despised Boss Huang, Qiao Anxin was worried that she would lose favor in the future.

Song Fang's expression stiffened. "How could that be? Boss Huang has been thinking of you for so many years. Isn't he treasuring you now?"

Qiao Anxin sneered. "So what if he missed me for so many years? He just hasn't gotten it. Men are all the same. They don't know how to cherish it."

"This..." Song Fang was silent for a while. "No matter what, Boss Huang is still very good to you. If you're so worried, then take the opportunity to get more good resources. When your net worth is higher, you won't have to worry about anything."

Qiao Anxin pursed her lips and kept quiet, but her eyes were filled with ambition.

...

This was Qiao Mianmian's first time shooting an advertisement.

She thought that she was inexperienced and would take a long time.

But when it came to the official shoot, she performed exceptionally well.

Chapter 1492: Qiao Mianmian Is Really Shameless

The director praised her as he filmed. "Yes, that's it. This angle is very good. Maintain this posture and don't move. Alright, turn a little more to the right and face me.

"OK, this set is very good. It's perfect.

"Now we'll shoot the next set of scenes. Mianmian, get some water droplets on your face. I'll zoom in and take a good shot of your face. Your skin is really too good. The camera is already so close, but there aren't any flaws. I've filmed so many female artistes, but none of them are as good as you without makeup.

"Your camera sense is very good. Is this really your first time shooting an advertisement? You perform better than many experienced artistes.

"You're really born to eat this bowl of rice. You're amazing. You've given me too many surprises."

During the shoot, the director kept praising Qiao Mianmian. He was very satisfied with her.

Qiao Mianmian had a high level of understanding.

She could express what the director wanted, and she did it well.

It was rare for the director to meet an artiste like her who understood what he meant with just one look. Naturally, he was pleasantly surprised and full of praises.

In contrast.

The director was especially calm with Qiao Anxin.

Qiao Anxin was an experienced artiste.

But compared to Qiao Mianmian, there wasn't much of a surprise.

Qiao Anxin didn't think much of it.

But compared to Qiao Mianmian, she felt extremely uncomfortable.

Qiao Mianmian was just a newbie and had no experience in acting.

She used to be a walk-on actor.

The director actually praised her.

As for her.

She entered the industry earlier than Qiao Mianmian and was more experienced than her.

The director didn't comment on her.

After the shoot, Qiao Anxin couldn't help but post on Weibo.

Qiao Anxin V: "No matter how hard I try, I can't compare to her in terms of relationships. This world is really funny."

With this post, the fans could naturally tell that she had suffered.

They asked her what happened.

Qiao Anxin picked a fan's comment and replied: "It's nothing much, I just feel a little disappointed. Sometimes, I think that doing well isn't as good as being on good terms with others, so what's the point of putting in so much effort? Sigh. Everyone doesn't have to worry about me, I'm just sighing."

The fans naturally didn't think she was just casually sighing.

Their idol was so aggrieved that she posted it on Weibo. How could she just casually sigh?

Hence, the fans tried to find out the truth.

Soon, someone said, "Didn't Xue Shiya post on Weibo that they signed Qiao Mianmian? She isn't even a B-lister, but she can get the same endorsement as Anxin. Anxin must be unhappy about this."

"It's probably because of this. To be honest, Qiao Mianmian is really shameless. If she didn't rely on her connections, would she have gotten so many good resources? Is this fair to the artistes who worked so hard to get these resources?"

"To put it bluntly, having connections is also a resource. Your parents have the money to buy you a luxurious house and a luxury car. They've arranged everything for you, are you going to reject them? Qiao Anxin's acting is just average."

Chapter 1493: You Can Try It If You Don't Believe It

"In the past, she was able to get so many good resources because of her relationship with the president of Star Splendor. Isn't this all because of her connections?"

“That’s right. Do you guys want to defame Mianmian because of her good resources and psychological imbalance? Even if Mianmian is a string-puller, her capability is obvious. Just her acting in the movie alone is enough to beat some people.”

Qiao Anxin’s fans and Qiao Mianmian’s fans started fighting in the comment section.

...

Qiao Mianmian was about to leave after the shoot.

Qiao Anxin called out to her when she was done changing.

“Qiao Mianmian, stop right there.”

Qiao Mianmian stopped in her tracks, but she quickly pretended not to hear anything and continued walking.

“Qiao Mianmian, didn’t you hear me?”

Qiao Anxin chased after her.

“Qiao Mianmian, did you hear me? I told you to stop!”

Qiao Anxin reached out to grab Qiao Mianmian’s arm, but before she could do so, Ah Jie grabbed her wrist.

“Ah, it hurts, let go of me!” Qiao Anxin cried out in pain.

“What are you doing, let go of Anxin!” Song Fang quickly went forward and pushed Ah Jie.

Ah Jie stood rooted to the ground and only let go after confirming that Qiao Anxin was no longer dangerous to Qiao Mianmian.

A red mark formed on Qiao Anxin’s wrist.

She glared at Ah Jie. “Who are you? Who are you to treat me like this?”

Ah Jie looked at her expressionlessly. “I’m Miss Qiao’s assistant. Anyone who might hurt Miss Qiao is a dangerous person. If you touch Miss Qiao again, I won’t be so polite to you.”

Ah Jie was the person Mo Yesi assigned to Qiao Mianmian.

Mo Yesi had told him before that his main task was to ensure Qiao Mianmian’s safety.

Everything depended on Qiao Mianmian’s safety.

As Mo Yesi’s subordinate, Ah Jie naturally didn’t take Qiao Anxin seriously.

“You’re just a small assistant, how dare you be so arrogant.” Qiao Anxin was afraid and angry. She rubbed her wrist and gritted her teeth. “I’m talking to Qiao Mianmian, it’s none of your business. Get out of my way.”

“Qiao Mianmian.” Qiao Anxin glared at Qiao Mianmian. “Watch your dog.”

Ah Jie’s expression changed.

Qiao Mianmian's expression changed too. She walked out from behind Ah Jie and looked at Qiao Anxin coldly. "Qiao Anxin, it seems like you didn't take my words seriously."

Qiao Anxin was stunned. She recalled Qiao Mianmian's ban and turned pale.

Her anger immediately dissipated.

She bit her lip and looked at Qiao Mianmian with hatred.

She was still unconvinced, but she was afraid of Qiao Mianmian and didn't dare to say anything.

"Ah Jie is my assistant. If you dare to disrespect him again, I'll make you regret it. I only promised to let you go this time. If you provoke me again, it won't matter who begs you.

"If you don't believe me, you can try."

Qiao Anxin didn't dare.

Qiao Mianmian had the ability to do what she said.

Just her status as the daughter of the Bai family was enough to make Qiao Anxin afraid.

Chapter 1494: Embarrassed in Front of Qiao Mianmian

It was easy for the Bai family to ban a female artiste from the entertainment industry.

No matter how popular a celebrity was, they couldn't even say a word in front of these powerful families.

Even if Qiao Anxin hated Qiao Mianmian to death, she could only swallow her anger.

Qiao Mianmian was about to leave when she heard a honk.

Qiao Anxin's expression changed again.

Qiao Mianmian turned around and saw a black Maybach parked not too far behind her.

The car door opened and a person got out.

It was a man in his fifties, who was at most 1.60 meters tall. He was wearing a maroon shirt and trousers that obviously didn't fit his figure. His belly was huge as if he'd been pregnant for 10 months. His head was bald with even less than a third of his hair left.

The man had a huge gold watch on his wrist and a thick ring with gemstones on it.

He looked especially greasy and nouveau riche.

Qiao Anxin's expression turned even uglier when she saw him.

Qiao Mianmian noticed that Qiao Anxin looked at the man with disdain.

The man was holding a bouquet of flowers.

Qiao Anxin saw the man walking towards her and instinctively wanted to find a place to hide.

Her face was burning.

The man was Boss Huang.

Boss Huang had just gotten Qiao Anxin a few days ago, so she was still fresh. He was very concerned about her, so he came to pick her up personally.

If Qiao Mianmian wasn't here, Qiao Anxin wouldn't feel so bad.

But now, she felt embarrassed.

She had embarrassed herself in front of Qiao Mianmian.

In the past, even if Su Ze wasn't as good as Mo Yesi, he was still a young talent.

But Boss Huang...

Looking at Boss Huang's fat head and greasy ears, and then thinking of Mo Yesi's god-like handsome face, Qiao Anxin bit her lip and felt intense jealousy and hatred.

Both her and Qiao Mianmian's surnames were Qiao.

Qiao Mianmian grew up in the Qiao family.

But why was Qiao Mianmian's life so much better than hers?

Qiao Mianmian could become the daughter of the Bai family and be with an outstanding man like Mo Yesi.

But why did she have to accompany an old and ugly man like Boss Huang?

She was really indignant.

Why was God so biased towards Qiao Mianmian?

If Qiao Mianmian hadn't lived in the Qiao family since she was young, if Qiao Mianmian hadn't been of the same status as her, she wouldn't be so indignant now.

They were the same.

Song Fang saw Qiao Anxin's reaction and pushed her gently. She reminded her softly, "Boss Huang is here, why aren't you going over? Don't lose your temper. If Boss Huang is unhappy, you'll be the one in trouble."

Song Fang knew that Qiao Anxin definitely didn't like Boss Huang.

Qiao Anxin's ex-boyfriend was Su Ze.

Su Ze surpassed Boss Huang in every aspect. If the Su Corporation hadn't been acquired and Su Ze hadn't broken up with her, she wouldn't have been willing to follow him.

But no matter how unwilling she was, she still had to rely on Boss Huang. Song Fang was her manager now, she definitely didn't want her to lose favor.

Seeing Boss Huang approach her, Qi Anxin bit her lip and couldn't take a step forward.

Song Fang was a little anxious and nudged her again. "Anxin?"

Chapter 1495: I Came to Pick You Up, Aren't You Happy?

Qiao Anxin still stood there.

She looked at Qiao Mianmian and felt even more humiliated.

Thankfully, Boss Huang had been thinking about her for a few years and had just gotten his hands on her.

Hence, even if Qiao Anxin didn't take the initiative to greet him, he didn't seem to mind.

He walked towards Qiao Anxin and pulled her into his arms.

"My little sweetheart, why do you look so unhappy? I came especially to pick you up, aren't you happy?"

Qi Anxin stiffened.

She instinctively wanted to push him away.

But Boss Huang grabbed her waist and kissed her on the forehead.

"Mm..."

Qi Anxin blushed and resisted.

Sensing her struggle, Boss Huang frowned and was a little unhappy.

He had always been thinking about Qiao Anxin.

But that was because he never got it, so he kept thinking about it for so long.

Now that she was already his, she naturally wouldn't be as rare as before.

Boss Huang's expression darkened because of her struggle.

Qiao Anxin pushed him away and wiped her lips with the back of her hand. Seeing that Boss Huang's expression darkened, she panicked. She hurriedly explained, "Chairman Huang, of course I'm very happy that you're here to pick me up. But aren't you busy? Why are you here?"

As she spoke, she took the bouquet from him and pretended to be happy. "These flowers are so beautiful. I like them. Did you buy them for me?"

Boss Huang's expression softened.

Just as he was about to say something, he caught sight of Qiao Mianmian and his eyes lit up.

He widened his eyes and he sized Qiao Mianmian up again.

He seemed to have lost his soul as he stared at her.

Boss Huang had a management company under him, and there were many beautiful female artistes in the company.

He had played all sorts of games, so he naturally didn't lack beauties.

He'd just gotten Qiao Anxin a few days ago and felt a sense of achievement. But the moment he saw Qiao Mianmian, Boss Huang's soul almost left his body. He couldn't move his body or even his eyes.

He even forgot about Qiao Anxin.

Boss Huang had many female artistes, but this was the first time he saw someone as beautiful as Qiao Mianmian.

His gaze was too direct. Qiao Mianmian looked up and saw a pair of ugly eyes full of desire.

Boss Huang looked at her as if he had lost his soul. He didn't hide his desire.

Qiao Mianmian frowned.

She had already guessed who this man was.

Nana had said before that the boss of Qiao Anxin's new agency wasn't a good person.

He had slept with every female artiste in the company.

Qiao Mianmian thought that Qiao Anxin would never accept such a thing.

But Qiao Anxin was obviously...

Looking at this perverted old man who was even older than Qiao Ruhai, Qiao Mianmian didn't know how Qiao Anxin could do it.

She was too harsh on herself.

Chapter 1496: Not Someone He Could Touch

Although Su Ze was a jerk when he cheated on her, he was still a rich and handsome man.

Boss Huang was still staring at her. Qiao Mianmian felt disgusted.

"Mianmian, let's go." Nana saw that Boss Huang was eyeing Qiao Mianmian covetously and frowned. She was also a little disgusted.

Nana knew what kind of person Boss Huang was, so she felt even more disgusted.

This Boss Huang was really out of his league.

He should take a look at himself.

Qiao Mianmian felt disgusted and nodded. "Mm, let's go."

With that, they turned around.

“Miss, wait.” Boss Huang saw that she was about to leave and chased after her, wanting to stop her.

Ah Jie was about to stop him when the person in charge of the shoot hurriedly walked towards them.

The person-in-charge walked to Boss Huang and whispered something into his ear.

He didn’t know what he said, but he saw Boss Huang’s expression change slightly. He then frowned and glanced at Qiao Mianmian.

As if afraid, Boss Huang didn’t look for Qiao Mianmian anymore.

Ah Jie quickly left with Qiao Mianmian.

Boss Huang was still staring in the direction Qiao Mianmian left.

He couldn’t stop thinking about what happened.

If he hadn’t seen it with his own eyes, he wouldn’t believe that such a clean and beautiful female artiste existed in this industry.

She was in such a complicated industry, yet her aura was still so clean and pure.

There were so many female artistes in his company, but none of them were like this.

She was so pure and clean that it made people want to destroy her.

Boss Huang had some hobbies in this area. He liked Qiao Anxin because she looked so weak.

But not only did Qiao Mianmian look weak, but she was also especially beautiful. She was the type that could kill Qiao Anxin in seconds.

This was undoubtedly the best of the best for Boss Huang.

Boss Huang couldn’t wait to get such a beauty.

But the person in charge told him that Qiao Mianmian was related to Bai Yusheng.

In other words, she wasn’t someone he could touch.

Although Boss Huang craved her, he didn’t dare to offend Bai Yusheng.

Although he didn’t know what Qiao Mianmian’s relationship with Bai Yusheng was, hearing Bai Yusheng’s name was enough to make him afraid.

After Qiao Mianmian left, Boss Huang seemed to have lost his soul. He didn’t look away from Qiao Mianmian for a long time.

Although he was afraid of Bai Yusheng and didn’t dare to pester Qiao Mianmian anymore, he still remembered her.

How could he give up on such a beauty?

Boss Huang seemed to have forgotten about Qiao Anxin.

Qiao Anxin looked at his infatuated expression and cursed him in her heart.

No matter how much she despised Boss Huang, it was an insult to Qiao Anxin that such a man didn't take her seriously after seeing Qiao Mianmian.

Qiao Mianmian was really a vixen.

She had to seduce men everywhere she went.

Chapter 1497: She Couldn't Be Left in Hell Alone

Seeing how obsessed Boss Huang was, it was as if his soul had been stolen by that little slut.

Qiao Anxin cursed in her heart for a while. Seeing that Boss Huang was still looking in that direction, her eyes flickered, and a hint of viciousness flashed past them.

"Chairman Huang, my sister has always been so arrogant and antisocial. Don't mind her. She's like this to everyone." Qiao Anxin looked in the direction Qiao Mianmian left and narrowed her eyes. "If my sister makes you unhappy, I'll apologize on her behalf.

"I hope Chairman Huang can be magnanimous and not be calculative with a little girl like her."

Boss Huang turned around and stared at her. He finally came back to his senses. "That beautiful woman is your sister?"

"Yes." Qiao Anxin gently said, "That's my stepsister. She's been especially beautiful since she was young, and many men like her."

Boss Huang's eyes sparkled. "Your stepsister is the girl in the white dress?"

"Of course, other than her, who else could be considered especially beautiful? My sister has been popular with the opposite sex since she was young, so she's a little arrogant. Chairman Huang, you won't be angry, right?"

"Hahaha, of course not." Boss Huang thought for a while and put his arm around Qiao Anxin's waist. He was much closer to her than before. "Anxin, tell me about your sister. You said she's your stepsister, so you're half-sisters? I heard that your sister knows Bai Yusheng. Do you know what her relationship with him is? Tell me more about your sister. I think your sister is pretty good, can you ask her to sign with my company?"

Qiao Anxin knew what Boss Huang was thinking.

She hated Qiao Mianmian and couldn't do anything to her now.

But just because she didn't dare to do anything to Qiao Mianmian didn't mean that she would stop others from doing it.

She looked at Boss Huang's dirty face and had a vicious thought.

Since she was already in the mud, she'd drag Qiao Mianmian down with her.

She couldn't possibly leave her in hell alone.

She had to let that slut have a taste of her own medicine.

...

Two days later, Xue Shiya's official Weibo posted the advertisement that Qiao Mianmian shot.

At the same time, Qiao Anxin's commercial was released.

The advertisement even included a link to the facial masks they endorsed.

After Qiao Mianmian's advertisement was released, people quickly realized that she was bare-faced.

Compared to Qiao Anxin's thick makeup, her bare face was unbelievably fresh. Especially in close proximity, there was no trace of makeup.

Someone commented: "Is Qiao Mianmian bare-faced in the advertisement? If she is, her skin foundation is too good."

"How could she be bare-faced? She must have put on makeup. Her nude makeup now looks about the same."

"Whether it's makeup or bare face, she's still pretty. And I can tell that her skin is really good."

"She's not too old, right? Isn't it normal for her to have good skin at this age? Our school is full of such beauties."

"Previous poster, don't be jealous. There are indeed a lot of girls with good skin at this age, but there aren't many like Qiao Mianmian."

Chapter 1498: Why Are They All Praising Her Now?

"My friend is Qiao Mianmian's makeup artiste. She told me that Qiao Mianmian is the best without makeup."

"She's just a passerby. She doesn't care about her looks. Qiao Mianmian is indeed very beautiful. This commercial is very fairy-like. In comparison, Sister Qiao Anxin's commercial is very average. The official Weibo account signed the two sisters at the same time, and the products endorsed by the two sisters were released on the same day. Are they trying to compare whose product is better?"

After a while, the director reposted it.

Zhao Bo V: "This is the first time a female artiste is willing to appear on screen with her bare face, just to show her true self to everyone. Does everyone feel this sincerity? That's right, Qiao Mianmian appeared on screen without makeup. She's really bare-faced."

Zhao Bo scrolled through Weibo and found out that Qiao Mianmian was bare-faced. Many people were in awe.

"Really? Damn, these looks are too good."

"My Mianmian used to send nude photos. Her looks and skin have always been good. You just didn't notice it."

“Not to mention anything else, Qiao Mianmian is indeed very exquisite and beautiful. She’s also very good-looking among the celebrities. I like her looks.”

“A passerby, not a fan of anyone. Just looking at these two advertisements, Qiao Mianmian makes people want to buy more. Qiao Anxin isn’t bad, it’s just that she’s losing out by being compared to Qiao Mianmian. The difference in their looks is too huge.”

After the advertisement was released, Qiao Mianmian’s advertisement received unanimous praise.

Qiao Anxin’s reaction was average.

Qiao Anxin’s face turned green when she saw the netizens praising Qiao Mianmian.

She thought that with her reputation, Qiao Mianmian would definitely be the one to be crushed by her.

In the end, Qiao Mianmian was trending again because of an advertisement.

But she wasn’t even in the last place.

She was worse than a newbie!

Qiao Anxin slammed her cell phone on the table.

“Did Qiao Mianmian that slut buy the Internet Water Army? Why are they all praising her now? And that Zhao Bo isn’t bewitched by her too, right? He’s praising her so much, he can’t wait to make her popular.

“That bitch is so shameless. She’s seducing men everywhere. She doesn’t know how to behave.

“Why are these men so superficial? What do they like about her? Just because of her vixen-like face?”

“That goes without saying. It’s obvious that she hired the Internet Water Army. She’s just a newbie, why should she be on the hot searches for no reason? It seems like Huan Yu is prepared to groom her. I guess it’s because of her boyfriend. I wonder who that man is.”

Qiao Anxin kept quiet.

She knew Mo Yesi’s identity.

Although the Mo Corporation didn’t have an artiste management company, it was easy for Chairman Mo to groom a female artiste.

Moreover, Bai Yusheng was now Qiao Mianmian’s biological brother.

With Bai Yusheng’s status in the entertainment industry, it was very easy for him to make anyone popular.

Qiao Mianmian had several big trees backing her now. She could get whatever resources she wanted easily.

As for her.

She had to accompany a disgusting old man in exchange for some resources to have her current exposure.

Chapter 1499: Beat Her With Sales

She used to despise endorsements like Xue Shiya, but now it was a good resource for her.

Qiao Anxin's expression darkened.

"Anxin, don't worry. In terms of carrying goods, she's definitely not as good as you. Her fans are all created, how many real fans does she have? You're different, you have real fans. Later, you'll repost it on Weibo and get the fans to support you. Whether she buys the Internet Water Army or not, we'll beat her with sales."

Qiao Anxin felt a little better.

She nodded. "Mm, I'll repost it now."

...

Qiao Anxin and Qiao Mianmian both endorsed the same brand of facial masks, but they were from different series.

Qiao Mianmian's facial mask focused on whitening.

Qiao Anxin's facial mask focused on moisturizing.

After the official account released their advertisement, Qiao Mianmian and Qiao Anxin reposted it and called for support from the fans.

Qiao Anxin was originally full of confidence that the facial mask she endorsed would definitely be better than Qiao Mianmian's.

But an hour later.

Qiao Mianmian's endorsement sold more than 5,000 facial masks, while Qiao Anxin's endorsement sold only 3,000.

The sales volume was almost twice that of Qiao Anxin.

This was out of everyone's expectations.

Even Qiao Mianmian was shocked when she saw the sales volume.

She called Linda. "Sister Xie, has the company increased my sales?"

Linda was stunned for a few seconds.

"The company is doing sales for you, what sales?"

"The mask I endorsed." As a newbie, Qiao Mianmian didn't believe that she was so good at bringing goods.

Her first reaction when she saw the sales volume wasn't happiness, but rather, she wondered if Huan Yu had done it for her.

“You mean Xue Shiya’s facial mask?” Linda paused for a while and said, “The one you endorsed has a very high sales volume? So, you think the company increased your sales volume?”

Qiao Mianmian was a little confused. “Isn’t it?”

“No, the company didn’t increase your sales. I don’t know about this.”

Qiao Mianmian was confused again. “Really? The company didn’t increase my sales?”

“No, I promise. If the company wants to help you, it’s impossible for me not to know. The company did have such thoughts this time, but the facial mask you endorsed has just been released. Even if the company wants to help you, it won’t be this early.

“If the sales are good, congratulations. This might be based on your sales volume.”

Qiao Mianmian was a little confused.

Hearing what Linda said, Huan Yu really didn’t help her this time.

So, she really won Qiao Anxin’s sales volume by herself?

She’d always thought that she didn’t have many true fans.

No matter what, she couldn’t compare to Qiao Anxin.

This time, she was even prepared to lose to Qiao Anxin.

She felt that as long as the gap wasn’t too big, she could accept it.

But the product had only been online for an hour, and her sales volume was already double that of Qiao Anxin. This was unexpected.

Linda said that she didn’t help her, but she still didn’t believe in her abilities. She called Mo Yesi again.

He was in a meeting when she called, but he picked it up immediately.

Ignoring the many executives in the office, the man stood up with his cell phone and gestured for the meeting to stop. As he walked out, he asked gently, “Baby, did you miss me?”

Chapter 1500: Report to Me Immediately If There’s Anything Wrong

The senior executives felt goosebumps all over.

It was a scary feeling.

They weren’t afraid of anything but Chairman Mo’s gentle words.

After all, Chairman Mo usually looked serious and cold in the office. It was scary.

It was hard to imagine such a gentle side to him.

He even asked if she missed him.

They wondered how capable the woman on the other end was to receive such special treatment from Chairman Mo.

...

Qiao Mianmian asked directly, "Mo Yesi, did you increase the sales of the commercial you endorsed for me?"

"Mm?"

The man's low voice was very alluring.

"What sales?"

"You don't know?" Qiao Mianmian asked. "I endorsed a facial mask commercial."

Mo Yesi was silent for a few seconds. "You endorsed a facial mask advertisement? Baby, what exactly are you asking me? What's this sales about?"

Qiao Mianmian was speechless.

So, Mo Yesi didn't know that she was endorsing a facial mask commercial?

Then, it was even more impossible to help her increase her sales.

Qiao Mianmian finally believed that she sold the masks herself.

She suppressed her excitement and said, "It's nothing. Are you busy now? I won't disturb your work. I'll hang up first. Bye."

She hung up.

At the other end.

Mo Yesi frowned and called Wei Zheng over.

He instructed him. "Check if Young Madam has taken on any endorsement recently. Come and let me know when you're done."

Mo Yesi returned to his office after the meeting.

Wei Zheng had also investigated Qiao Mianmian's endorsement, including the fact that her facial mask was on sale today.

He reported to Mo Yesi. "Chairman Mo, Young Madam has accepted an advertisement for a facial mask. The facial mask that Young Madam is endorsing is selling very well. Also, Qiao Anxin is endorsing the same facial mask and is selling it online today. The facial mask that Young Madam endorsed is selling better than Qiao Anxin's.

"Chairman Mo, this is Young Madam's first endorsement advertisement, right? Do you think we should help her increase her sales and make her results look better?"

Mo Yesi recalled Qiao Mianmian's call and finally understood what was going on.

He thought for a while and shook his head. "There's no need to help her now. What she wants is definitely her real results."

"Alright, Chairman Mo."

"But keep an eye on her." Mo Yesi narrowed his eyes. "Just because we won't do it doesn't mean that others won't. Report to me immediately if there's anything unusual."

"Yes, Chairman Mo."

...

On the other side.

Qiao Anxin was furious and in disbelief when she saw that Qiao Mianmian's sales were increasing faster and faster.

"Why are Qiao Mianmian's sales so high? Did she get someone to do it?"

Both Song Fang and she were confident that they could beat Qiao Mianmian in sales.

But now, Qiao Anxin was being crushed by Qiao Mianmian.

It was a terrible crushing.
