

## **Big Shot 1531**

### **Chapter 1531: I'm Sorry to Disappoint You**

In any case, Qiao Mianmian could feel that Mo Yesi really wanted a baby.

She thought for a while and looked into the man's expectant eyes. She bit her lip and said, "Mo Yesi, I don't want a baby now. I feel that once the baby is born, I have to be responsible for it and take good care of it.

"But I'm really not prepared for this. I'm sorry to disappoint you."

Getting married at this age had already ruined a part of her life plan.

But she never regretted it.

Because Mo Yesi treated her really well, she could accept this mess.

But giving birth...

She wouldn't give birth before she was mentally prepared.

She could mess up her life plan.

But she couldn't bring a little life into this world without preparation.

That was irresponsible.

Mo Yesi didn't look disappointed.

Qiao Mianmian's rejection was within his expectations.

He guessed that she wouldn't agree, but he still had some hope that she would.

"Are you... unhappy?" Qiao Mianmian bit her lip and said cautiously, "It's not that I don't want a baby that belongs to us. It's just that I don't think it's time yet. When the time comes, I'll tell you."

Afraid that the man would overthink, she explained, "This has nothing to do with our relationship, nor that I don't like you enough. So, don't overthink it."

Mo Yesi sighed. "I'm not angry."

How could he be angry just because she refused to give birth? He was just a little disappointed.

"Are you really not angry?" Qiao Mianmian sized him up. "But you don't look very happy. Mo Yesi, I really..."

"Baby, I'm really not angry."

Mo Yesi let go of her hand and got up slowly.

Qiao Mianmian also got up.

She looked at Mo Yesi uneasily like a child who had done something wrong.

If Mo Yesi really liked children and wanted a baby that belonged to them, her rejection would still make him sad.

If she wanted the baby and he rejected her, she would feel sad too.

“In this matter, no matter what decision you make, I’ll support you. You don’t want to have a baby. Even if I force you to have one, you’ll blame me in the future. What I want is for you to have our baby willingly.

“Since you haven’t made up your mind yet, let’s talk about this in the future. You’re indeed still young, I was too anxious.”

Qiao Mianmian pursed her lips. “Why did you suddenly mention this? Did someone at home rush you?”

Old Madam had mentioned wanting grandchildren before.

Hence, Qiao Mianmian thought that Old Madam had urged Mo Yesi.

Madam Mo would never do such a thing. She was looking forward to her divorcing Mo Yesi, why would she want her to give birth to the Mo family’s child?

“No.” Mo Yesi shook his head. “No one urged me. Forget it, let’s not talk about this anymore. It’s a little cold outside, let’s go back to the cabin.”

Qiao Mianmian stared at him for a while and nodded after confirming that he wasn’t angry. “Mm.”

...

They spent the night on the cruise.

### **Chapter 1532: Could Chen Chen Have a Girlfriend?**

The next day, Mo Yesi sent Qiao Mianmian to the manor.

When they arrived, Qiao Mianmian found out from the housemaid that Gong Zeli had returned to Yuncheng City last night.

Qiao Mianmian heaved a sigh of relief.

Without Gong Zeli around, she felt much more relaxed and at ease.

The next day’s shoot was completed by noon.

Qiao Mianmian still had a day off, so she followed Mo Yesi back to Yuncheng City.

Qiao Chen also went to the Mo family’s house for dinner. Qiao Mianmian hadn’t seen her brother for a while and missed him. After getting off the plane, she got Mo Yesi to drive straight to Qiao Chen’s school.

After class.

Many students came out.

Qiao Mianmian rolled down the window and stared at the school gate.

After about 10 minutes, she finally saw Qiao Chen.

Qiao Chen was still tall and thin. He was dressed simply in the school's uniform.

The same clothes looked especially good on him.

Qiao Chen looked like his mother.

Qiao Mianmian had never seen what Qiao Chen's biological mother looked like, but she heard from Mo Yesi that she was an extremely beautiful woman.

She was so beautiful that Mo Xingshu fell in love with her at first sight.

She was so beautiful that Mo Xingshu still couldn't forget her.

Mo Yesi said that the only woman his Second Uncle had ever loved was Qiao Chen's mother.

As for Second Madam Mo...

Back then, he thought that he would never see Qiao Chen's mother again, so he accepted the arranged marriage.

He had no feelings for Second Madam.

Qiao Mianmian looked at Qiao Chen's handsome face and could roughly guess how beautiful Qiao Chen's biological mother was.

It was a pity that she had a short life.

When Qiao Chen slowly walked out of the crowd, Qiao Mianmian was surprised to find a girl beside him.

And it seemed like Qiao Chen knew her.

The girl walked side by side with him and said something. Qiao Chen would occasionally nod in response.

She was a very beautiful girl with a flamboyant appearance. She was beautiful and proud, and her figure was especially good.

She was taller than the girls around her, and she was also very pretty, so she looked especially eye-catching.

Qiao Mianmian widened her eyes and rubbed them, thinking that she had seen wrongly.

When she opened her eyes again and saw that the girl was still there, she was shocked.

She turned around and asked Mo Yesi, "Look, is there a girl beside Chen Chen? Am I seeing things?"

Besides Shen Xin, Qiao Mianmian hadn't seen any other women around Qiao Chen.

Mo Yesi looked out of the window and said, "Mm, there's a girl."

Qiao Mianmian was speechless.

So, she wasn't seeing things.

Qiao Mianmian was a little anxious. "Could Chen Chen have a girlfriend? He didn't have one before."

"Don't worry."

Mo Yesi took another look and comforted her. "I don't think they're dating. It should be that girl who likes Chen Chen. Chen Chen has a mild reaction and probably doesn't like her."

"Is that so?"

"Mm, that should be the case."

It was obvious from his eyes that he liked someone else.

The girl looked at Qiao Chen, but his gaze was indifferent.

### **Chapter 1533: Qiao Chen Doesn't Want to Talk to You**

"But if Chen Chen doesn't like her, he shouldn't be so close to her." Qiao Mianmian was still puzzled.

"Besides Shen Xin, this is the first time I've seen another girl beside Chen Chen. And she's so beautiful too."

Qiao Mianmian wasn't so worried because she was against Qiao Chen's puppy love.

Even if Qiao Chen was in a relationship, he would find a balance between studying and dating. It wouldn't affect his studies.

This was what Qiao Mianmian trusted the most.

It was just that Qiao Chen wasn't in good health yet, and dating had a certain impact on him.

"Shen Xin?"

"Mm, before this, Chen Chen only had Shen Xin."

Mo Yesi was deep in thought.

Qiao Chen and the girl walked out of the school gate. He looked up at Qiao Mianmian and stopped when he saw her.

He then turned around and said something to the girl.

The girl smiled and nodded.

Qiao Chen turned around and walked towards Qiao Mianmian.

After taking a few steps, Shen Xin suddenly appeared. She stood behind Qiao Chen and the girl and called out to Qiao Chen.

Qiao Chen stiffened and stopped in his tracks.

"Qiao Chen."

Shen Xin bit her lip and clenched her fists. Her eyes fell on the girl who was walking with Qiao Chen just now.

She looked at the young man's stiff back and took a deep breath. She bit her lip and said with difficulty, "Qiao Chen, do you have time now? I need to talk to you about something. Can we... talk?"

Qiao Chen's back was still facing her. Before he could say anything, the girl turned to look at Shen Xin.

Many people knew that Shen Xin liked Qiao Chen.

She was a bold and passionate girl.

She liked Qiao Chen very much.

Shen Xin used to be the school belle in Yunzhong. She had good looks, a noble background, and excellent grades from a young age. Everything was enviable.

Many boys liked her.

Many of them were rich kids like her.

But Shen Xin wasn't interested in them. No one expected her to like a poor guy.

That poor guy was Qiao Chen.

Not only did she like him, but she also pursued him in a high-profile manner. The poor Qiao Chen was pursued by such a rich and beautiful girl for a few years, but he actually didn't agree.

Because of the Shen family's power, no one dared to say anything to her.

But in private, the girls who were jealous of her said all sorts of nasty things.

For example, Qiao Chen didn't want anything to do with her. How pathetic.

How could she be so thick-skinned? She knew that Qiao Chen wasn't interested in her, but she still pestered him.

In any case, women had always been the most hostile towards women.

Among the group of girls who were jealous of Shen Xin, there was also this girl with Qiao Chen.

The girl's name was Lin Xiaoya, and she was the school belle chosen in the second half of the year.

"Shen Xin, can't you tell?" Lin Xiaoya looked at Shen Xin with hostility, as if she was looking at a third party. "Qiao Chen doesn't want to talk to you."

Shen Xin looked at her expressionlessly. "Whether Qiao Chen is willing or not is up to him. If he doesn't want to talk to me, I won't pester him."

#### **Chapter 1534: Yes, She's Too Thick-skinned**

"Lin Xiaoya, you and Qiao Chen are just classmates. I don't think it's up to you to decide for him."

"You..." Lin Xiaoya's expression darkened. She was about to flare up when she saw Qiao Chen standing beside her. She bit her lip and suppressed her anger.

"Don't you have any self-awareness? Do you have to be told directly?" Lin Xiaoya used to be apprehensive and didn't dare to speak to Shen Xin like this. But now that they knew there was a problem with the Shen Corporation, many people didn't take Shen Xin seriously anymore.

Lin Xiaoya was one of them.

Seeing that Shen Xin was still as arrogant as before, she couldn't help but mock her. "You've pestered Qiao Chen for three years, and you're still saying that you won't pester him? The so-called daughter of a rich family is actually so thick-skinned. Qiao Chen hasn't said anything because he feels that we're classmates and he doesn't want to embarrass you.

"But you really don't have any self-awareness."

Shen Xin's expression didn't change. "I'll say it again. Whether Qiao Chen wants to talk to me or not, he can tell me himself. You can't decide for him. It's none of your business if I pester him for a few years.

"I pestered Qiao Chen because he let me. If you're jealous, you can do the same."

"I'm jealous of you?" Lin Xiaoya laughed. "Shen Xin, you really said it. You're so thick-skinned. Otherwise, why would you pester someone for three whole years?

"I'm not as shameless as you. You've already become the joke of the entire school."

Shen Xin looked at her coldly.

Lin Xiaoya was a little flustered by her gaze, but then she recalled that the Shen family was about to go bankrupt. Shen Xin, the daughter of a rich family, wasn't living as well as her. The next second, her eyes became sharp again as she straightened her back and glared at Shen Xin.

Shen Xin still looked calm, as if she wasn't affected by Lin Xiaoya's words.

In fact, she didn't care what Lin Xiaoya said.

Too many people said that the Shen family was going down.

Shen Xin had seen all sorts of people recently.

She'd heard all sorts of nasty words.

She only cared about one person's attitude.

And that person didn't say a word.

He didn't say a word, but this silence made Shen Xin feel as if her heart was stabbed.

Did he agree with what Lin Xiaoya said?

Was it as Lin Xiaoya said, he didn't want to embarrass her because they were classmates?

He was saving her face.

But she wasn't tactful enough to make him say it.

He must find her annoying.

Even if he said that he never hated her, she felt that he did.

Yes, she was too thick-skinned.

She knew that he didn't like her, but she still pestered him for three years.

Now, she was a joke in the eyes of everyone in school.

Everyone knew that Shen Xin had shamelessly pestered Qiao Chen for three years, but in the end, she was rejected.

So what if she was a rich young lady?

Some people even didn't take her seriously.

And now that the Shen family was falling, she didn't even have the status of a Young Lady anymore, so Qiao Chen wouldn't take her seriously.

"Qiao Chen." Shen Xin took a deep breath and looked at the young man's back.

### **Chapter 1535: I'll Settle My Own Matters**

"Can we talk? It won't take too long."

"Shen Xin, you..."

Seeing that Qiao Chen hadn't said anything, Lin Xiaoya was secretly happy. She thought that Qiao Chen was on her side and wanted to scold Shen Xin.

"Xiaoya, I'll settle my own matters. We're all classmates, don't say those things anymore. Shen Xin didn't pester me, don't believe in rumors. Many things aren't what you think."

Lin Xiaoya was stunned for a moment before her expression stiffened.

Was Qiao Chen speaking up for Shen Xin?

Everyone in Yunzhong knew that Shen Xin had been pestering him for three years. Now, he actually said that Shen Xin wasn't pestering him and told her not to believe rumors?

Was he blaming her for scolding Shen Xin?

But why would he speak up for Shen Xin? Didn't he hate her clinging to him?

"But..." Lin Xiaoya didn't want to lose face in front of Shen Xin.

"I'll settle my own matters." Qiao Chen looked at her and repeated his words, but his tone wasn't as gentle as before.

Lin Xiaoya's expression stiffened again.

She glanced at Shen Xin and pursed her lips.

Everyone said that Qiao Chen didn't like Shen Xin.

But why did she feel that he didn't hate her?

She even felt a sense of danger. She felt that Qiao Chen and Shen Xin's relationship wasn't as others said.

"Shen Xin, come with me."

Qiao Chen walked towards a tree not too far away.

He took out his cell phone and sent Qiao Mianmian a WeChat message, asking her to wait for him.

Qiao Mianmian said to Mo Yesi, "Chen Chen wants us to wait for him."

"Then, let's wait." Mo Yesi nodded. "It's nothing urgent, anyway."

"Mm." Qiao Mianmian saw Shen Xin and Qiao Chen walk under a tree. The girl who was with Qiao Chen hadn't left yet and was looking at them unhappily.

Qiao Mianmian looked at the girl and frowned.

She heard what the girl said about Shen Xin.

Qiao Mianmian didn't like Shen Rou.

But she had nothing against Shen Xin.

On the contrary, although she hadn't interacted much with her, she felt that Shen Xin was much better than Shen Rou. She wasn't an annoying girl.

...

Under the tree.

Qiao Chen looked at the girl standing in front of him and pursed his lips for a while before breaking the silence. "Shen Xin, why are you looking for me?"

Shen Xin felt embarrassed.

She'd never asked Qiao Chen for anything.

She could beg anyone.

But begging Qiao Chen...

This was especially difficult for her because the person she didn't want to beg the most was Qiao Chen.

She clenched her fists.

"Mm, there's something." She was silent for more than 10 seconds before saying softly, "Qiao Chen, can I ask you for a favor? I know it's ridiculous for me to suddenly say this to you. Our relationship isn't very good, and I've always done so many things that you don't like.

"But I still hope that you can help the Shen family."

Shen Xin didn't know how she said that.

There was a faint smell of blood in the air.

She bit her lip too hard, and a row of bite marks appeared on her soft lips.

### **Chapter 1536: I'll Leave After Your Birthday**

It was so difficult.

It was so difficult to beg someone she liked.

Every word was difficult to say.

She didn't even dare to look into Qiao Chen's eyes, afraid that she would see disgust or ridicule in them.

He must find her ridiculous.

She actually had the cheek to make such a request.

Why should he help her?

These words seemed to have exhausted all her strength and courage. "The Shen family is in trouble now, and only the Mo family can help. But... but my sister and Brother Yesi have a conflict, and Brother Yesi isn't willing to help now.

"Qiao Chen, if you can... say a few words, maybe Brother Yesi will change his mind.

"My sister did do something wrong, and I don't want to defend her. But the Shen family really needs the Mo family's help now, so can... can you help the Shen family this time?

"I'll remember your kindness for the rest of my life."

Qiao Chen was stunned.

A few seconds later, he said, "You wanted to talk to me about this?"

"Mm." Shen Xin nodded. "I know that even if you help, Brother Yesi might not be willing to help. But, can you plead for the Shen family?"

Shen Xin looked up slowly, her eyes a little red. "I can't think of anyone else. I... I can only look for you.

"If you're willing to help, I can transfer schools immediately and promise not to appear in front of you again.

"I won't pester you anymore.

"Or if you have any other requests, you can tell me. I'll agree to them."

Qiao Chen narrowed his eyes and looked at her. "You want to transfer schools?"

"Yes." Shen Xin smiled, but there was only bitterness in her eyes. "I remember that it's your birthday in a while. Can I help you celebrate it? I'll leave after that."

The Shen family could go bankrupt at any time.

Mother Shen had already arranged for her to transfer to A City and live with her grandparents in the future.

She didn't respond when Mother Shen told her about it.

At that time, she didn't want to leave.

But now...

Shen Xin looked past him at Lin Xiaoya.

Qiao Chen and Lin Xiaoya had been together recently.

They attended evening self-study together, went to the library together, rehearsed for the drama together, and went to every place on campus together.

It was rumored that Lin Xiaoya and Qiao Chen were dating.

Shen Xin didn't believe it.

She felt that Lin Xiaoya wasn't Qiao Chen's type.

But she finally believed it when she saw the two of them walking together every day.

Even if Qiao Chen wasn't dating Lin Xiaoya, he should have a good impression of her.

Otherwise, he wouldn't be with Lin Xiaoya every day.

She'd liked Qiao Chen for three years.

Hence, she knew very well that if Qiao Chen didn't have feelings for a girl, he wouldn't keep her by his side.

Just like how he didn't like her.

Every time he saw her, he would avoid her.

He'd never let her stay by his side.

So, he really liked Lin Xiaoya.

Shen Xin suddenly felt sad.

Someone told her that as long as she persevered, something good would happen.

Hence, she persisted for three years. Even though so many people said that she was thick-skinned, she just smiled.

### **Chapter 1537: He Fell for Someone Else**

It didn't matter what others said about her as long as she could make the person she liked like her too.

Everything was worth it.

But...

Why didn't the person who made her persevere tell her that persevering might not end well?

When the other party really didn't like you, it didn't matter how long you lasted.

Just like how she hadn't been able to move him or make Qiao Chen like her even after chasing him for three years.

But Lin Xiaoya could easily gain his favor.

She finally understood that feelings couldn't be forced.

Hence, she didn't want to force it.

She wanted to give up on this relationship and slowly forget him.

If she continued to stay in the same school as him, she didn't know when she could let go.

She didn't want to hear about him and Lin Xiaoya anymore.

She would be sad and heartbroken.

Only by leaving this place could her life start anew.

"Of course." Shen Xin saw that Qiao Chen didn't say anything and couldn't help but feel sad again. Her heart was obviously in pain, but she forced a smile and said casually, "If you don't think it's necessary, just pretend I didn't say anything."

Qiao Chen pursed his lips and kept quiet.

The moment he heard that Shen Xin wanted to transfer schools, an indescribable feeling surged in his heart.

He didn't know what it was.

But at that moment, he panicked.

But he didn't show it.

He looked at Shen Xin and asked emotionlessly, "Why?"

"What?"

"Why did you suddenly want to transfer schools? I've said it before, I've never hated you. You can continue to stay in school, I have no intention of asking you to leave."

"I know." Shen Xin lowered her eyes. "You're not forcing me to leave, I want to go somewhere else."

Qiao Chen clenched his fists and his expression changed. "You're really transferring schools? You've already found one?"

"Mm." Shen Xin looked down and didn't see his expression. "I've already found one. I probably won't come back often in the future. But Yuncheng City is so big, even if I come back, we probably won't be able to see each other."

“Qiao Chen, I’ve troubled you for the past few years. I’m really sorry.

“Now that you have a girl you like, I’m... very happy for you. Lin Xiaoya is pretty and comes from a good family. She seems to like you too. You two are really compatible.”

With every word, Shen Xin felt as if something was cutting her heart.

She wasn’t happy at all.

She was so upset.

She really liked him.

She would feel uncomfortable every time he spoke to a girl.

Moreover, he liked another girl.

She felt that Lin Xiaoya wasn’t worthy of him at all. No girl in this world was worthy of him.

Qiao Chen frowned and opened his mouth to say that he didn’t like Lin Xiaoya.

He almost said it, but he chose to remain silent.

Qiao Chen agreed with her.

She knew that he definitely had a good impression of Lin Xiaoya, but she admitted that at this moment, she still felt like her heart was being stabbed.

Qiao Chen really liked someone else.

She’d pursued him for three years, but he was still unmoved.

She thought that he wouldn’t like her or anyone else.

### **Chapter 1538: Must You Leave?**

At this thought, Shen Xin found it funny and laughed at her self-righteousness.

“So, you really like Lin Xiaoya.” She smiled and pretended as if nothing had happened. “It’s pretty good, Lin Xiaoya... it’s pretty good. No wonder you still don’t like me even after I chased you for three years. So, you like someone like Lin Xiaoya.”

Qiao Chen looked at her silently.

“So, Student Qiao...” Shen Xin smiled again. “Take it that we’ve been classmates for three years. Can you say a few words for me? Just say a few words for the Shen family. Take it that I’m... begging you.”

Her smile hurt Qiao Chen’s eyes. He looked at her for a while and nodded. “Alright, I promise you.”

Shen Xin was shocked.

Qiao Chen looked at her and said, “As for whether my brother-in-law is willing to help, I can’t guarantee it.”

"You just have to put in a good word for the Shen family. Brother Yesi... Anyway, this isn't something you can decide." Shen Xin thought that he might reject her. It was a surprise to her that he was willing to help.

She bit her lip and said, "Qiao Chen... thank you."

Qiao Chen looked at her deeply. He hesitated and couldn't help but ask, "Shen Xin, have you really considered it? If it's because of me, you really don't have to transfer schools."

Shen Xin smiled. She didn't know why, but she suddenly felt much calmer.

"Qiao Chen, I really want to transfer schools. You know the Shen family's current situation. After our family's discussion, they felt that it was better for me to transfer schools. Actually, I think so too. I want to change places and have a new beginning.

"So, this wasn't decided on impulse. I thought of it long ago."

"You have to leave?"

"I don't think there's a need to stay. I saw Brother Yesi and your sister waiting for you just now, so I won't hold you up. Go find them quickly."

Qiao Chen didn't say anything.

Shen Xin thought that she must be seeing things. She actually saw a hint of reluctance in Qiao Chen's eyes.

She clenched her fists. Only this pain could wake her up and stop her from falling into an illusion.

What was she thinking? Would Qiao Chen miss her?

"I'll get going first. Then... see you tomorrow." Qiao Chen didn't respond to Shen Xin's words.

She didn't say anything else and turned around. The chauffeur in charge of fetching her walked to her side and said respectfully, "Second Miss."

Shen Xin nodded at him. "Uncle Zhao, let's go."

The Shen family's car was parked at the side.

It was a black Bentley.

Although the Shen family wasn't as powerful as before, they weren't really bankrupt yet. Shen Xin still had a chauffeur and a luxury car to pick her up every day.

The driver opened the door and bowed. "Second Miss, please get in."

Before Shen Xin got into the car, she heard a few girls from the same school as her sneer. "Your family is going bankrupt, and you're still acting like a big missy. I wonder who you're doing this for."

"Hahaha, don't say that. She's about to go bankrupt, but she hasn't really gone bankrupt yet. She definitely has to enjoy the treatment of a rich missy for a few more days before she really goes bankrupt. After all, it'll be difficult to enjoy it in the future."

## Chapter 1539: It's Natural to Hit Someone When They're Down

"That's true. Judging from the Shen family's current situation, they probably won't last much longer."

"Sigh, it's said that a starving camel is still bigger than a horse. Even if the Shen family goes bankrupt, it's still better than ordinary families."

"What are you thinking? You might not even be able to eat if you go bankrupt. Have you forgotten? A few years ago, after the Lu family went bankrupt, the CEO of the Lu Corporation committed suicide with his family of four because he owed a huge sum of money. If the Shen family goes bankrupt too..."

"Shh, be quiet. Shen Xin seems to be looking at us."

"So be it. Why should we be afraid of her now? If she didn't have a good background, she wouldn't be anything. Now that she doesn't even have her only advantage, does she think she's still the Young Lady of the Shen family?"

The girl turned to look at Shen Xin provocatively.

"Second Miss, they..."

The driver heard it too. He was so angry that he wanted to argue with the girls.

"Uncle Zhao, let's go. Don't bother about them." Shen Xin's expression was very calm as if she hadn't heard anything. "It doesn't matter what others say. It's not as if we've only heard the nasty words today. The Shen family wouldn't have thought this would happen one day."

"It's normal to hit someone when they're down."

"If everyone wants to bicker, can we really say anything?"

The driver looked up at her in surprise.

Seeing how calm and composed Shen Xin was, the driver couldn't help but sigh. This Second Miss was really more patient than the Eldest Miss.

If it was the First Miss, she definitely wouldn't have let them off.

The Second Miss had such a temperament and attitude at such a young age. Even an old man like him was impressed.

But the Shen family now...

Sigh, he really hoped that the Shen family could survive this ordeal.

...

After Shen Xin got into the car, the black Bentley drove off quickly.

"Qiao Chen."

After Shen Xin left, Lin Xiaoya slowly walked behind Qiao Chen and called out to him.

Qiao Chen looked back and saw that she was still there. He frowned. "Xiaoya, why aren't you home yet?"

Lin Xiaoya looked up at him uneasily. "Qiao Chen, what did Shen Xin say to you just now?"

Qiao Chen frowned.

"Shen Xin has always been a sweet-talker." Lin Xiaoya paused, afraid that he would be bewitched. "Qiao Chen, don't believe her sweet nothings.

"Now that the Shen family is in trouble and she knows your true identity, she'll definitely pester you even more.

"No matter what she says, don't believe her. She definitely doesn't have good intentions."

"What about you?"

Lin Xiaoya didn't see Qiao Chen's eyes turn cold.

She was stunned. "What?"

Qiao Chen looked at her coldly and said, "Didn't you approach me because you know my true identity? Shen Xin didn't have any good intentions, but you do?"

"W-What?" Lin Xiaoya was stunned. "Qiao Chen, you..."

"I know what kind of person Shen Xin is. But you, Lin Xiaoya, why did you approach me? Is it because you know my true identity, so you view me in a different light?"

"It's not like that, I..."

#### **Chapter 1540: I'm Doing This for Your Good, I'm Afraid You...**

Before she could finish, Qiao Chen interrupted her coldly. "It doesn't matter what you think, but don't judge a person without understanding her."

"Qiao Chen, are you helping Shen Xin? Do you think I've wronged her?" Lin Xiaoya looked at him in disbelief. "I wasn't the only one who said this. Everyone in school did. If she wasn't like this, why would everyone say this about her?"

"I'm doing this for your own good. I'm afraid you..."

"There's no need to worry," Qiao Chen said coldly. "We're just classmates. I'll handle my own matters, no one else has to worry."

His words were like a slap to Lin Xiaoya's face.

Her expression turned awful.

She couldn't understand why Qiao Chen was so nice to her.

Why did he suddenly become so cold?

Just because she mentioned Shen Xin?

But everyone in school said that he hated her.

But his behavior today didn't seem like he disliked Shen Xin at all. Instead, it seemed like...

Lin Xiaoya widened her eyes in disbelief.

Could he...

Qiao Chen ignored her and walked towards the car.

...

In the car.

Qiao Chen called out, "Sister, Brother-in-law."

Qiao Mianmian sat in the front passenger seat and looked at Qiao Chen's expression through the rearview mirror. She asked casually, "Chen Chen, I just saw you walking with a girl. Is that your classmate?"

"Mm, we're from the same school but different classes." Qiao Chen looked calm.

"Different classes? How did you meet?"

"We met during rehearsals."

"Oh, I see. That girl is pretty."

"Sister, we're just ordinary friends." Qiao Chen grew up with Qiao Mianmian, so how could he not know what his sister was thinking? "As for whether she's pretty or not, I didn't notice."

"You didn't notice?" Qiao Mianmian was amused. "Don't tell me you don't remember what she looks like."

"Mm, I can't remember," Qiao Chen replied honestly. "I don't want to remember."

"Then, do you remember what Shen Xin looks like?"

Qiao Chen kept quiet.

"I think Shen Xin is prettier than that girl." Qiao Mianmian looked at him in the rearview mirror and said, "Her temperament is better than hers too. She's just a little taller than Shen Xin, but Shen Xin isn't short."

"Just being pretty isn't enough. I think moral values are more important."

"Sister, I just want to study well now. I won't consider anything else." Qiao Chen was a little speechless. He rubbed his forehead and said helplessly, "So, you don't have to tell me this. I know what to do and what not to do."

"I'm not against you dating." Qiao Mianmian said seriously, "As long as it doesn't affect your studies, there's nothing wrong with it. I just hope that your future girlfriend will at least be a girl with good character. No matter how good she is in other aspects, she can't have a bad character."

Qiao Chen quickly guessed that Qiao Mianmian was referring to Lin Xiaoya.

It seemed like she had heard what Lin Xiaoya said to him.

“Chen Chen is already so old, do you think he’s still a child?” Mo Yesi listened to their conversation and smiled. “A girl who can make Chen Chen fall for her definitely isn’t the kind of girl you’re talking about.”
