

Big Shot 1561

Chapter 1561: Don't Fall for Her Trap

Linda didn't give her any face.

The veins on Qiao Anxin's forehead bulged. "Xie Linda, shut up."

Linda looked at her and smiled coldly. "Aren't I speaking the truth? Don't some people know their true standards? I want to advise some people that just because they succeeded once through a shortcut doesn't mean they can succeed a second time or a third time.

"They don't want to study acting skills and improve themselves. All they want to do is take shortcuts to get to where they are today. Heh, do I have to sell myself to get what I want? Will it last long? Will I feel at ease?"

"Look at what happened to you."

"Xie Linda, you..." Qiao Anxin was so angry that the veins on her forehead were bulging. She was about to punch Linda.

How could she tolerate Linda's words?

In her heart, Linda was still an employee of Star Splendor.

When Linda was her manager, she never dared to talk to her like this.

She couldn't care less.

"Anxin, calm down."

She was impulsive, but Song Fang wasn't.

Seeing that Qiao Anxin was about to pick a fight with Linda, Song Fang was frightened. Her expression changed and she quickly pulled her back.

"Sister Song, let go of me. I'm going to tear her mouth apart." Gritting her teeth, Qiao Anxin looked at Linda and tried to push Song Fang away.

Song Fang held her tightly and said in a low voice, "Anxin, Xie Linda is deliberately provoking you. If you really fight her, you'll fall into her trap.

"She's just a manager, it won't affect her much if she fights with you. But you're an artiste, your previous scandals haven't been completely cleared. If someone takes photos of you fighting in public, it won't have a good impact on you.

"Moreover, you're here for the audition today. It's going to start soon, what if you ruin your makeup? Don't fall for Xie Linda's trap. She's trying to ruin your audition today so that Qiao Mianmian has a chance."

Qiao Anxin got even angrier when she heard that. She gritted her teeth and said, "Xie Linda, this slut, she's so scheming."

“So, don’t fall for her trap.” Song Fang pulled her away. “Remember, your main purpose here today is to audition. It’s getting late, let’s go. We can talk after the audition. This opportunity was fought for by Boss Huang, don’t waste it.”

Qiao Anxin had no choice but to swallow her anger.

Song Fang was right.

It wasn’t easy for her to get this opportunity. In order to get this audition slot, she endured her disgust and used all sorts of methods to serve Boss Huang for a long time before he agreed.

Initially, Boss Huang wanted to give this audition slot to another starlet in the company.

In terms of fame, that flower was much more famous than her.

“Let’s go, Anxin.” Song Fang tugged at her again.

Qiao Anxin reluctantly followed her.

Then, she glared at Linda and said, “Xie Linda, I won’t argue with you today.”

Chapter 1562: Today’s Competition Is Quite Intense

“I’ll return the favor. Just you wait.”

Linda sneered. “Alright, I’ll wait. I’ll be there anytime.”

Now, Linda wasn’t afraid of Qiao Anxin.

So what if Qiao Anxin relied on Boss Huang?

Her artiste’s boyfriend was the Chairman of the Mo Corporation.

Boss Huang was nothing in front of Chairman Mo.

He wasn’t even qualified to tie Chairman Mo’s shoelaces.

Qiao Anxin was dragged away by Song Fang.

Linda spat in the direction she left. “Who do you think you are? You even dared to bite a perverted old man like Boss Huang just to be popular. You’re really heartless.

“Just wait and see. You’ll regret it sooner or later.

“You deserve the retribution you will get on that day!”

Qiao Mianmian looked in the direction Qiao Anxin left. “Is that Boss Huang very perverted?”

“Exactly.” Linda gloated. “Everyone in the industry knows that Boss Huang is famous for being a pervert. Some female artistes were even played with by him. Qiao Anxin is really willing to go all out to seduce such a person.

“Actually, thinking about it, she’s pretty pitiful now. She must know what kind of person Boss Huang is, but for her future, she has no choice but to risk it. There’s gain and loss, right? Everything was her choice.”

Qiao Mianmian was silent for a few seconds before nodding. “You’re right, no one forced her. Since it’s her choice, there’s nothing to pity. Alright, let’s go.”

“Mm.”

Qiao Mianmian and Linda had just reached the elevator lobby when Qiao Mianmian received a call from Qin Han.

On the phone, Qin Han asked where she was and said that he was already at the hotel.

Qiao Mianmian told him that they had arrived at the hotel, and Qin Han told her to wait. He said he would arrange for someone to pick her up.

...

A few minutes later.

Qin Han arranged for someone to take Qiao Mianmian upstairs.

The audition was on the 28th floor. Qiao Mianmian only realized that there were more people than she imagined when she got out of the elevator.

Moreover, there were many A- and B-list celebrities.

Most of them were A-list, B-list, and C-list celebrities.

It wasn’t that the C-list celebrities weren’t willing to come for the audition.

It was because such a huge production wasn’t their place to be at yet.

It was obvious how competitive they were.

Qiao Mianmian looked at the artistes preparing for the audition and then down at herself.

She suddenly realized that she was the least famous person on the audition today.

She wasn’t even considered a C-lister.

No matter what, Qiao Anxin was still considered an A-lister.

Qiao Mianmian felt pressured.

Before coming, she felt that her chances were slim.

After coming, she felt that she had no hope.

She felt that her only advantage was her acting skills.

But among the artistes who came for the audition today, many capable actresses won the Best Actress Award, and not just one or two.

There were three with Best Actress awards.

Qiao Mianmian knew all these actresses. Whether it was their looks, skills, or fame, they were all very impressive.

Linda couldn't help but sigh when she saw so many first- and second-tier actors. "The competition today is pretty intense. Mianmian, don't be too stressed. Just do your best. It's fine if you can't get the role this time. Just treat it as seeing the world."

Chapter 1563: You Really Don't Know Your Own Limits

Linda didn't have much hope for Qiao Mianmian.

It was too difficult.

Before coming, she'd thought that Qiao Mianmian had a chance of being chosen.

But now...

Even the best actresses were here for the audition. Qiao Mianmian's chances of being chosen were almost zero.

Linda was a little disappointed.

This was a huge production, be it the producers, investors, directors, scriptwriters...

All the accessories were top-notch, aiming for at least a billion yuan.

Even if the female lead and second female lead weren't fated to be Qiao Mianmian's, it was already good enough if she could show her face for a minute or two.

But it seemed like she wouldn't even be able to do that.

Linda felt disappointed, but she couldn't show it to Qiao Mianmian. She could only say some words of encouragement and comfort.

Qiao Mianmian knew that her chances were slim. She nodded and said, "Mm, I'll do my best."

To Qiao Mianmian, she felt much more relaxed after feeling hopeless.

She wasn't so stressed anymore.

She was here to see the world. This time, she saw many big shots and celebrities. She felt that she profited.

Qiao Mianmian's appearance attracted a lot of attention.

Seeing that it was a new face, many people discussed it curiously. "Who is that? Why haven't we seen her before?"

"She looks unfamiliar. Is she a newbie? But newbies won't be able to come for today's audition."

"I think she looks a little familiar. I think I've seen her somewhere before. I remember now, she's really a newbie. She's the newbie that was always trending a while ago."

"She's really a newbie? Then, she must have a powerful background to be able to attend today's audition."

"I heard that she has a rich and powerful boyfriend. Her boyfriend and Young Master Gong know each other."

"So it's because of her connections. But it's useless even if she has connections. Everyone knows that Director Cheng hates people with connections. She got the audition slot through connections, but whether she can succeed or not isn't determined by her connections."

"That's right. Director Cheng hates those with connections the most. If she doesn't have any acting skills, it's useless to rely on connections."

"Let's wait and see. This kind of person really doesn't have any self-awareness. Does she think she can get the role just because of her connections? What a joke."

Qiao Anxin was also in the audition crowd.

When she saw Qiao Mianmian, she was stunned for a moment before smiling mockingly.

She slowly walked towards her. "Qiao Mianmian, you're so nice to come up. Do you see now? The worst artiste here is a B-list celebrity. Don't you feel anxious standing here?"

"How much hope do you think you have?"

"You really don't have any self-awareness."

Qiao Mianmian glanced at her and smiled. "If you dare to come, why wouldn't I dare? I don't know how much hope I have of being chosen, but I know you definitely don't have any."

"But it doesn't matter. It's not bad to have one or two more people."

"You!" Qiao Anxin's face turned green.

"Miss Qiao, please follow me. Your audition is the first. It'll start in five minutes."

Chapter 1564: Was She Crazy?

The man who brought Qiao Mianmian and Linda up reminded her.

Qiao Anxin looked at the man and then at Qiao Mianmian. She bit her lip and asked, "Who are you? What right do you have to place Qiao Mianmian's audition first? We came in order, what right does she have to cut the queue?"

Qiao Anxin's voice was a little loud.

Hence, many artistes in the corridor heard her and looked over.

Qiao Anxin saw that someone was watching and raised her voice. "If you're a staff member here, shouldn't you explain why Qiao Mianmian is the first to audition? Is it fair to others to use her connections to cut the queue?"

Song Fang's face turned green.

She cursed her in her heart.

Although the others were also unhappy with Qiao Mianmian's connections, they all felt that Qiao Anxin was stupid.

Even if Qiao Mianmian had connections, she couldn't say it out loud.

Moreover, if that man was really the employee in charge of the audition, he had the right to arrange the queue.

No one could voice their dissatisfaction.

This Qiao Anxin... not only did she say it, she even said it in front of the crew member.

Was she out of her mind?

Wasn't she afraid that her audition would go wrong?

But it wasn't a bad idea to let such a fool stand out. It wouldn't affect them much, anyway.

They were happy to watch the show.

It wasn't a bad thing for them to have one less competitor.

Song Fang stood behind Qiao Anxin. After Qiao Anxin spoke, Song Fang's face turned green. She immediately reached out and pulled her arm.

Qiao Anxin turned around and saw Song Fang giving her a look.

She was telling her not to cause trouble.

But Qiao Anxin couldn't take it.

She didn't listen to Song Fang and turned her head back. She looked at the employee angrily and said, "Shouldn't you give us an explanation? Isn't it too much to let her cut the queue so openly?"

Behind her, Song Fang's face turned green and purple. She was helpless against such a fool.

She knew that Qiao Anxin wasn't a smart person.

But she didn't expect her to be so stupid.

Song Fang was starting to regret bringing such a foolish artiste like Qiao Anxin along.

She originally thought that Qiao Anxin had some fame, and Boss Huang was still new to her and was willing to groom her. Qiao Anxin had been banned for a while and finally got a job, so she would definitely cherish it.

She thought that she could still do it.

But she didn't expect Qiao Anxin to be such a fool.

With such an IQ, she couldn't go far.

Song Fang was filled with regret.

She might as well have chosen a newbie.

Losing her job was a small matter. But if she accidentally offended someone important, her boss would be in trouble too.

The employee was also stunned for a while before looking at Qiao Anxin in shock.

He sized Qiao Anxin up for a few seconds and then frowned. "You're an actress here for the audition?"

Qiao Anxin hadn't sensed the danger yet.

She looked at the crew member and said indignantly, "That's right, I'm here for the audition."

Chapter 1565: You've Been Disqualified

"Hence, I'm very dissatisfied with this kind of public backdoor insertion. I believe it's not just me. Everyone present today is dissatisfied, right?"

No one responded to her.

She was silly, but others weren't.

Since Qiao Mianmian could use this backdoor, it must have been approved by the higher-ups. It definitely wasn't something a small employee could decide.

Who would dare to offend the higher-ups?

Qiao Anxin was shocked to see that no one was on her team. She panicked.

Only then did she realize that she had done something she shouldn't have.

But it was too late.

The crew member's expression darkened.

"Miss Qiao, please wait." The employee ignored Qiao Anxin and turned to Qiao Mianmian. "I have something to settle here, it'll be done soon."

With that, he said to Qiao Anxin, "I'll come back to you."

The crew left quickly.

Qiao Anxin thought that her words had worked and couldn't help but feel smug. She looked at Qiao Mianmian smugly and said, "I just can't stand people like you who don't abide by the rules. Do you think you're a big deal? You have to follow the rules."

The others started discussing after the crew member left.

"This works too?"

"I thought she was so stupid to offend someone. I didn't expect it to be like this."

"But it's so satisfying to watch. I don't like people who use underhanded means."

"Hahaha, it's pretty good. A nobody wants to be the first. So many seniors are here, are there no rules?"

"She thinks she's invincible by relying on men. She doesn't even respect her seniors. It's good to have someone teach her a lesson."

"Don't think that Qiao Anxin is anything good. She isn't trying to uphold justice for everyone. She's just jealous."

"Oh, what do you mean?"

"She's one of Old Huang's harem members. A few days ago, someone said that he saw her and Old Huang overseas. In broad daylight, the two of them..."

"So disgusting? Speaking of which, Qiao Anxin's ex-boyfriend is the president of Star Splendor, right? She can even do that to Boss Huang? Damn, I heard that Boss Huang has a special hobby. Can she take it?"

"For the sake of your career, you have to bear with it."

"In that case, I think Qiao Mianmian is much better than her. At least, her boyfriend is rich and handsome. He's also young, a thousand times better than Boss Huang."

"Who would be willing to serve Boss Huang?"

The group of them discussed for a few minutes before the employee who left appeared again.

That person walked towards Qiao Anxin.

Qiao Anxin saw him and immediately put on an aggressive look. "So, did you tell your superior? Did he tell you what to do?"

"Mm, I've reported it to the leader." The employee smiled and said slowly, "Miss, the leader asked me to inform you that you can leave."

"W-What?" Qiao Anxin was stunned. "What did you say?"

"Miss, you've been disqualified. Please leave immediately. Don't affect the others' auditions."

Chapter 1566: I'm Sorry, I Didn't Do It on Purpose

Song Fang looked awful.

The other artistes were shocked at first, but then felt that this was normal.

Qiao Anxin heard him clearly this time.

She widened her eyes in shock. "What right do you have to revoke my audition qualifications?"

"The leader said so."

“What leader? Which leader? I don’t believe it.” Qiao Anxin took so much effort to get this audition slot, how could she give it up so easily? She said with a black face, “You must have decided on your own accord to take revenge on me. I don’t believe it. Call your leader out, I want to ask him face to face.”

The staff member lost his patience and his expression turned cold. “Who are you? Director Cheng isn’t someone you can see whenever you want. Security, take her away immediately. Leave no irrelevant personnel here!”

Two security officers immediately went forward and said in an unpleasant tone, “Miss, are you leaving by yourself, or do we ‘invite’ you out?”

“Please.”

Anyone who wasn’t a fool would know that the security guard didn’t really mean to “invite” her to leave.

No matter how slow-witted Qiao Anxin was, she could still understand his meaning.

Her expression turned awful as she bit her lip.

Her eyes were red as she looked at the employee pitifully. “I’m sorry, I didn’t do it on purpose. I don’t mean to blame you. I just don’t like Qiao Mianmian, it’s not...”

This was an important opportunity for Qiao Anxin.

She didn’t want to lose it.

Qiao Anxin finally panicked when he called the security officers.

She was afraid that she would really be chased away.

She was afraid that she would lose this opportunity.

On one hand, she was faking it. On the other hand, she was really afraid.

But no matter why she was crying, the crew member wasn’t moved at all. He said expressionlessly to the security officers, “What are you waiting for? Get her out of here immediately.”

The security officers didn’t dare to delay.

Seeing that Qiao Anxin wasn’t willing to leave, they didn’t stand on ceremony with her anymore. they went forward and held her on both sides. “Miss, please leave.”

Although they said “please”, they didn’t care if Qiao Anxin was willing or not. They carried her towards the elevator.

Qiao Anxin felt embarrassed to be chased away with so many people watching. She struggled and said, “Let go of me, let go of me. What are you doing?”

“Who are you to treat me like this? I’m going to sue you!”

“Let go, did you hear me!”

Song Fang felt embarrassed.

She was furious.

Qiao Anxin was such a dumb pig. It wasn't easy for her to get this audition slot, but she was so stupid to lose it.

How could she, Song Fang, think of bringing such a stupid woman along?

With her IQ, it was just as Linda said. She used to rely on Su Ze to support her.

If she relied on her own abilities, she might not even be a C-list celebrity.

The others started whispering again.

Song Fang turned around and left.

...

With Qiao Anxin's departure, this episode was over.

The employee turned around and looked at the others expressionlessly. "Anyone else has any objections? You can say it all at once."

The other actors were speechless.

Was he even human?

Chapter 1567: This Qiao Mianmian Has Such a Strong Backer

They didn't dare to say anything else.

Moreover, none of them were as stupid as Qiao Anxin.

She lost her audition slot.

She was really stupid.

"Since no one has any objections, we'll stick to the original arrangement." The employee turned to Qiao Mianmian and said politely, "Miss Qiao, sorry for the wait. Please follow me."

Qiao Mianmian nodded and left with him.

Seeing this scene, the others couldn't help but sigh. "This Qiao Mianmian has such a strong backing. Even Director Cheng's assistant is so polite to her. I wonder what status her boyfriend has to have such an honor."

"That man was Director Cheng's assistant?!"

"Director Cheng is famous for being arrogant, and his assistant is also very cold. To be treated like this by his assistant, her boyfriend must be especially impressive."

"Her boyfriend is so powerful. Even Young Master Yan calls him Boss. Although he hasn't revealed his identity, think about it. To be able to play with Young Master Yan and Young Master Gong, their families must be equally matched."

“Based on what you said, she might really be able to audition. Although Director Cheng hates people with connections the most, if her boyfriend is especially powerful, Director Cheng wouldn’t dare to slight her.”

As the discussion heated up, an official employee walked out and informed: “Miss Shen Fei, please enter for the audition.”

Shen Fei was one of the actors who came for the audition today.

She was around 30 years old this year. She wasn’t considered young anymore and had won two Best Actress awards.

Her acting was universally acknowledged.

When they informed Shen Fei to go in, the others were shocked. “They want to audition together?”

“Two people auditioning together? That newbie was the one who went in just now. Doesn’t that mean Shen Fei is auditioning with that newbie? Hahaha, Shen Fei has won the Best Actress award twice. In front of her, the newbie will be crushed.”

“I think Director Cheng did it on purpose. She came because of her connections, so Director Cheng couldn’t directly say no, so he arranged for her and Shen Fei to audition together. When the time comes, he has reason to say that he doesn’t want her anymore.”

“That might be the case.”

...

At the audition hall.

When Qiao Mianmian found out that she was going to audition with another person, she started guessing who it was.

Qiao Mianmian was shocked to see Shen Fei.

She knew her.

Shen Fei was a true powerhouse.

Qiao Mianmian had watched many of her shows and was impressed by her acting.

She knew that most of the people here today were capable.

But she hadn’t expected Shen Fei to audition with her.

At the judges’ table were the producer, director, and scriptwriter.

Seeing Shen Fei enter, the director greeted her. “I arranged for a newbie to audition with you. Do you have any objections?”

Shen Fei smiled. “Director Cheng, what can I say? You should ask the young lady.”

Shen Fei looked very approachable. Just like what the online news said, she was a big shot.

“Hello, I’m Shen Fei.” Shen Fei walked toward Qiao Mianmian and extended her hand.

Qiao Mianmian quickly shook her hand. “Hello, Senior Shen. I’m Qiao Mianmian.”

Chapter 1568: He Told Me Several Times

Shen Fei smiled. “Qiao Mianmian? So it’s you.”

Qiao Mianmian found it strange and blinked. “Senior Shen, you...”

“Qin Han told me about you.” Shen Fei didn’t hide it and was very direct. “He mentioned you to me a few times. I’m so curious about you. I finally met you in person today. You’re really a smart girl.”

Qiao Mianmian was stunned again. “Brother Han mentioned me to you?”

“Mm.”

“Then, what did he say?”

“He praised you. I rarely see Old Qin praise someone like that. He said that you’re a junior he admires. He told me that you’re born to be an actress. You have high comprehension, and you’re talented in acting. Your future is limitless.

“He also said that if I work with you in the future, he’ll let me take care of you.”

Qiao Mianmian blushed.

Did Qin Han ever praise her like this?

She felt a little embarrassed.

“Brother Han really said that?”

“Of course.” Shen Fei chuckled. “Otherwise, would I have made this up?”

“Oh right, don’t ask Old Qin.” Shen Fei reached out and pulled Qiao Mianmian. “Old Qin is a thin-skinned person. If he knew that I told you this, he would definitely find trouble with me.

“He won’t tell me anything in the future.”

Qiao Mianmian couldn’t help but laugh. “Alright, I won’t tell him.”

“Then, promise me that you won’t tell him,” Shen Fei said as she complained about Qin Han. “Old Qin is especially arrogant. He doesn’t want others to know about it. But he really admires you. I rarely see him praise anyone like that.

“I believe that someone that Old Qin thinks highly of will definitely not be bad. So, you have to be more confident later. Don’t have any worries. Just perform well. Since Old Qin recommended you, he has confidence in you. You have to have confidence in yourself.

“Do you understand what I’m saying?”

Qiao Mianmian was a little shocked.

Was she not confident?

Shen Fei could tell.

But Shen Fei's words helped her a lot. Qiao Mianmian was indeed a little nervous when she saw Shen Fei walk in.

She wasn't confident enough.

Shen Fei's words made her feel less stressed.

She never thought that Qin Han would have such a high opinion of her.

She thought that since Qin Han helped her so much, she had to perform well in today's audition, whether she was chosen or not.

"Senior Shen, thank you," Qiao Mianmian said sincerely. "Thank you for telling me so much. I'll perform well."

"You're welcome." Shen Fei smiled and said, "Old Qin and I have been friends for many years. I like the juniors he admires. I really hope you can be chosen. Anyway, all the best."

Shen Fei cheered her on.

"Alright, this audition hall has become a place for you to make friends." The director knew Shen Fei too, so he spoke casually. "If you have anything to say, say it in private later. Let's start the official audition. It's not Shen Fei's first audition, so there's no need to say anything to you.

"Xiao Lin, tell the newbie the rules."

Chapter 1569: Good Looks, Acting Skills, and Resources

The man who came out to pick Qiao Mianmian up was the director's assistant, Xiao Lin.

Xiao Lin walked over and handed a stack of papers to Qiao Mianmian. "Take one and act according to what's written on it. Perform for five minutes."

Qiao Mianmian looked at the stack of papers and randomly picked one out.

She looked down and saw a plot on the piece of paper.

It was a scene of the female protagonist crying after losing her family and lover.

Five minutes wasn't a lot of time.

She didn't even have much time to gather her emotions.

Qiao Mianmian quickly memorized the lines and heard the director ask, "Are you ready?"

"Yes, Director. I'm ready."

Qiao Mianmian felt that she was lucky today.

The performance was actually her best crying scene.

It might be a little difficult for others to cry on the spot.

But to her, this was definitely not difficult.

Even Bai Yusheng once said that her most attractive scene was her crying scene.

Hence, crying was Qiao Mianmian's forte.

"Alright, let's begin," the director said.

Shen Fei retreated to the side.

Qiao Mianmian stood in the middle of the audition hall. She took a deep breath and closed her eyes. When she opened them again, her tears fell.

Her expression changed.

In just a few seconds, her eyes were filled with pain and despair.

She collapsed to the ground.

"Why, why, God, why are you so cruel?" Qiao Mianmian, no, it should be said that the female lead, Bai Yan, screamed at the top of her lungs. "Why do you have to take away all the people I care about? Why are you so cruel to me?"

"Father, Mother, Brother Shangguan, why didn't you take Yan'er with you? Yan'er is in so much pain. Yan'er doesn't want to stay in this world and suffer alone. Without you, what's the point of me living in this world?"

"Why didn't you bring me along? Why..."

Tears rolled down her cheeks.

When she looked up again, her face was pale and her whole body was shaking. Her sorrowful expression was so infectious that it tugged the heart.

They could really feel her pain.

The director and scriptwriter looked at each other in admiration.

Even Shen Fei nodded. Qin Han had good taste.

This girl's performance was really magical and infectious.

She didn't look like a newcomer at all.

Her acting was even better than many seniors.

Just as Qin Han said, this girl was going to be popular.

She had looks, acting skills, and resources.

It was hard not to be popular.

Like Qin Han, Shen Fei had helped her juniors before.

Of course, it had to be the younger generation they admired.

If they met someone that they felt was good, they would help them whenever they could.

They were all newbies and had met seniors who were willing to guide them.

After saying the last line, Bai Yan wiped her tears and picked up a sword from the ground.

Chapter 1570: Go Back and Wait for the Notification

Of course, Qiao Mianmian didn't have any props for her performance.

So, the sword she picked up from the ground was air.

This was also a test of acting skills.

If she didn't perform well, it would be awkward.

But Qiao Mianmian's performance was very natural. Even though she had nothing in her hand, it felt like she was holding a sword.

"Father, Mother, Brother Shangguan, Yan'er doesn't want to be alone in this world. Forgive Yan'er for being weak. Yan'er misses you. Yan'er will look for you now. Father, Mother, Brother Shangguan, Yan'er is here."

The invisible sword stabbed into her heart.

At that moment, Qiao Mianmian's face turned pale.

It was as if a sword had stabbed into her heart.

She maintained the posture of sticking her sword in and moved her body little by little. Although her face was extremely pale, a blissful and satisfied smile appeared at the corner of her lips. "Father, Mother, Big Brother Shangguan, very soon... Yan'er will be able to meet you guys soon.

"Soon... soon..."

At the end, when Qiao Mianmian turned her head to the side and closed her eyes, the performance was over.

The hall was quiet.

No one spoke.

As a result, Qiao Mianmian maintained her "dead" posture for more than 10 seconds.

"Alright, the performance is over." The director was the first to react. He nodded at Qiao Mianmian, who was still lying on the ground.

This newbie recommended by Qin Han was really good.

Her acting was much better than he'd imagined.

Initially, he felt that she was too beautiful and didn't have much confidence.

In this industry, those who were too beautiful would have inferior acting skills.

Because she had an outstanding appearance, it was easier to get something.

In that case, actors wouldn't work too hard and wouldn't take their careers seriously.

Qiao Mianmian's performance surprised the director.

Especially the last part.

Without makeup, her face was as pale as if she'd lost too much blood.

Qiao Mianmian finally opened her eyes and slowly got up.

She looked up at the director, trying to see if he was satisfied with her performance.

But the director's expression didn't change.

Qiao Mianmian couldn't tell if he was satisfied or not.

"Go back and wait for the notice." The director didn't say anything else.

Qiao Mianmian's heart skipped a beat.

Even though she didn't have much hope from the start, she was still a little disappointed and upset.

But she did her best.

She just hoped that Qin Han wouldn't be disappointed in her.

Qiao Mianmian was very satisfied with her performance.

"Alright, Director. Thank you for giving me this opportunity." Qiao Mianmian was a little upset, but she quickly figured it out.

She didn't think it was a big deal that she didn't pass the audition.

The competition this time was huge, and there were many capable actors.

It was a surprise that she got to audition.

It was normal that she wasn't chosen.

After thinking it through, Qiao Mianmian relaxed
