

Big Shot 1581

Chapter 1581: Baby Is Amazing

It was even more surprising than winning 50 million yuan.

She called Linda immediately.

The moment Linda picked up, Qiao Mianmian said excitedly, "Sister Xie, I passed the audition!"

Linda was probably woken up by her call too. "What audition?"

"Yesterday's audition!" Qiao Mianmian was excited and shared her joy.

"Yesterday's audition!" Qiao Mianmian was so excited that she shared her joy with her. "They called just now and said that I've passed the audition. They want me to go to their company to officially sign the contract tomorrow."

Linda was silent for a few seconds.

Just as Qiao Mianmian thought that she didn't hear her clearly and was about to repeat herself, Linda suddenly raised her voice. "You said that you passed yesterday's audition?!"

"Mm!"

"Are you sure?!"

"I wasn't sure at first, so I asked a few times. Now I'm sure."

Linda was silent for a while.

"Hahaha, this is a good thing." She laughed happily. "I really didn't expect you to pass the audition. After what you said to me yesterday, I thought you had no hope."

"Yes." Qiao Mianmian couldn't help but sigh. "I also felt that I had no hope."

Hence, she was pleasantly surprised.

"This is indeed a surprise. You being chosen is a recognition of your ability. Being able to act in such a movie is very beneficial to your future career development.

"I'll go with you tomorrow."

"Mm, Sister Xie. Come for dinner tonight? I'll treat you."

"Alright, since it's a treat, shouldn't you invite Qin Han too? After all, he helped you get this audition opportunity."

"Of course. I was going to treat him to a meal to thank him. It's settled, then."

Qiao Mianmian hung up and sent Qin Han a message.

A few minutes later, Qin Han replied: [Congratulations, let me know when you've decided on a location.]

After sending Qin Han the message, she sent Mo Yesi another message.

Qiao Mianmian: [Mo Yesi, I want to share the good news with you. I auditioned for a great movie, and I succeeded! Do you know, there were so many people auditioning yesterday, and all of them were more famous than me and have been in the industry for longer than me. I thought I had no hope.

[Who knew that I'd actually pass the audition? I'm so happy now.

[It's a pity you're not here. Otherwise, I could've treated you to a meal.]

The man replied quickly.

Mo Yesi: [My baby is so good? She can even act in a movie?]

Qiao Mianmian looked at the reply and smiled. [I never thought I would be chosen. After the audition, they told me to go back and wait for the notice. I thought it was impossible. I didn't expect someone to call me just now and tell me that I passed the audition.]

Mo Yesi: [Baby is so awesome. It seems like you should treat me to a meal.]

Qiao Mianmian chatted with Mo Yesi for a while and knew that he was busy, so she didn't pester him for too long.

Seeing that it was about time, she got out of bed to wash up.

...

At the set.

A car parked beside her.

Qin Han got out of the car.

Chapter 1582: Who Did You See?

Seeing her, Qin Han walked towards her and stopped in front of her. He smiled and said, "Congratulations on being chosen."

"I should be thanking Brother Han for giving me this opportunity," Qiao Mianmian said gratefully. "If it wasn't for Brother Han's recommendation, I wouldn't even have the chance to audition."

"I did recommend you, but it's not up to me to decide if you can pass the audition." Qin Han smiled. "This is your own ability."

"Shen Fei told me that you performed very well. Even she was moved by you in that scene, and her eyes were wet. To get her to praise you like this shows that you got the role with your own ability."

"Senior Shen praised me?"

"Mm, Shen Fei said that you're very malleable and a good seedling. I think so too." Qin Han paused and said seriously, "Mianmian, you're talented in acting. You're suitable for this job."

"I know you don't lack good resources now. Even if I didn't introduce you to this audition, you'd have gotten good resources in the future. But I still hope that no matter how many good resources you get in the future, you can treat every role with your heart.

"Not treat it like a game."

Qin Han felt that it would be a pity for a talented actress like Qiao Mianmian to act as if she was playing. It was a waste of her talent and charisma.

"Brother Han, don't worry." Qiao Mianmian smiled and said, "It has always been my dream to be an outstanding actress and perform well. No matter what happens in the future, acting is my lifelong hobby and dream.

"I'll take it seriously."

"That's good."

...

The whole day passed.

The shoot ended.

Qiao Mianmian asked for Qin Han's preference and found a unique hot pot restaurant. She invited Bai Yusheng for dinner.

Bai Yusheng and Qin Han were busy at night.

After dinner, they left.

Qiao Mianmian thought that she didn't have much to do at night, so she booked another room at a KTV and went over to celebrate with Linda.

Linda drove them to the KTV, and the waiter led them to the private room.

When Qiao Mianmian and Linda entered the private room, the door opposite them opened and a pot-bellied man walked out.

The man walked to the door and stared at Qiao Mianmian.

He couldn't bear to look away.

The man was still standing at the door when the door closed.

There was a man behind him.

Seeing this, he raised his brows and said, "Boss Huang, who did you see? Do you know those two beauties? Do you want to get them over for a drink?"

Boss Huang snapped out of his daze.

His chubby face trembled from excitement.

Her eyes were like a hungry wolf seeing a fat lamb.

He didn't expect to meet the beauty he yearned for.

Boss Huang recalled that beautiful back view and felt as if countless worms were crawling in his heart.

He called the bartender over.

"Send a plate and two bottles of red wine to the two ladies in the private room opposite. Tell them that it's my treat."

...

In the private room.

Qiao Mianmian and Linda had just sat down and had yet to pick a song when they heard someone knocking on the door.

Chapter 1583: Miss Qiao, Nice to See You Again

Qiao Mianmian thought it was something they ordered and said, "Come in."

The door was pushed open.

Two waiters walked inside.

One of the waiters was holding a huge plate of fruits, while the other was holding two bottles of red wine and two wine glasses.

They put down the red wine and fruit plate.

Qiao Mianmian looked at it and asked, "What's this? Sister Xie, did you order this?"

She remembered that they didn't order alcohol.

The fruit plate wasn't that big.

Linda shook her head. "I didn't order it."

Qiao Mianmian didn't order it, either.

She stopped the waiter. "Did you make a mistake? We didn't order this."

The waiter confirmed it. He smiled and said, "Ladies, you really didn't order anything on the table. This is from a gentleman."

Qiao Mianmian was stunned. "A gentleman?"

"Yes."

"What's the surname of this gentleman?"

"That gentleman is in the private room opposite. He said that if the two ladies are interested, you can play in their private room."

Qiao Mianmian and Linda looked at each other in confusion.

They definitely wouldn't dare to eat or drink the fruits and red wine sent by an unknown person.

Qiao Mianmian hesitated for a while before getting up. "Sister Xie, I'll go to the private room opposite. Wait for me."

"Don't you need me to go with you?"

"No need, I'll just see who it is. I'll be back soon."

With that, she followed the two waiters out of the private room.

...

The first person Qiao Mianmian guessed was Yan Shaoqing.

Only Yan Shaoqing liked to come to such places.

And he had done something similar before.

The waiter brought Qiao Mianmian to the private room opposite and knocked on the door.

He opened the door.

The room was originally noisy, but the moment the door opened, the sound of men and women laughing could be heard.

It was a little dark inside. Qiao Mianmian stood at the door and looked in, only to see unfamiliar faces.

She couldn't see anything further.

When the door opened, everyone in the private room looked up and saw her standing at the door. All the men were stunned, and then their eyes revealed amazement.

What a beautiful girl!

She was as beautiful as a fairy.

She was different from the women in the private room. Even though she wasn't wearing any makeup and was dressed ordinarily, she still looked too beautiful.

Compared to her, all the women in the room were vulgar.

All the men stared at her, and all the female companions around them were thrown aside. They suddenly felt disinterested.

None of these women could compare to the girl at the door.

Boss Huang was the most excited among them.

He was pleasantly surprised to see Qiao Mianmian at the door and immediately walked towards her.

"Miss Qiao, nice to see you again."

Boss Huang sized her up from head to toe and drooled.

Qiao Mianmian was a rare beauty.

He would suffocate if he could only look and not touch such a beauty.

Boss Huang was half a head shorter than Qiao Mianmian.

Qiao Mianmian looked down and saw his bald head shining.

She looked at Boss Huang's covetous gaze and furrowed her brows. Holding back her disgust, she said, "Boss Huang, don't be like this."

Chapter 1584: You Dare to Offend Bai Yusheng?

She met Boss Huang's covetous gaze and frowned. She held back her disgust and turned to the waiter behind her. "Who sent me the red wine and fruit plate?"

"It was me."

Before the waiter could speak, Boss Huang answered first. "I saw Miss Qiao just now. I wanted to go over and greet you, but I was afraid of offending the beauty, so I used that method to greet Miss Qiao.

"Since Miss Qiao is here, why don't you play with us?"

Boss Huang was a crude person.

Now that he was talking to Qiao Mianmian in such a genteel manner, it felt weird.

Those who knew Boss Huang saw this scene and found it funny.

"Damn, I'm dying of laughter. This is the first time I've seen Boss Huang use this method to pick up girls. I wonder who learned this gentle emphasis from."

"It seems like this woman really catches his eye. This is the woman he was talking about? She's really good-looking. No wonder Old Huang, this flower lover, is so obsessed with her."

"This girl is really good-looking. I rarely see such a good-looking woman. Tsk tsk, look at that face, that figure, and that snow-like skin. Just looking at her, I can imagine that it must be very enjoyable."

"She makes me want to play too."

"Don't even think about it. Didn't Old Huang say that this woman has something to do with Bai Yusheng? Do dare you to offend him?"

"So what if she has something to do with Bai Yusheng? He might just lose interest after a few days of fun. She's not a proper girlfriend. She's just an actress. Do you think Bai Yusheng will marry her?"

No matter how the women in the room belittled Qiao Mianmian.

The moment she appeared, all the men's eyes were on her.

They seemed to have lost interest in their female companions.

Qiao Mianmian had a terrible impression of Boss Huang.

After knowing he was the one who sent the fruit platter and red wine, she wanted to get the waiter to return it. But even though she detested Boss Huang, she still politely rejected him. “No, I came with a friend. She’s still waiting for me. I have to go back.”

Boss Huang had been eyeing her for so long, how could he let her go so easily?

“Miss Qiao, since you’re already here, you’d better sit down with us. You and your friend are just two people, it’s so boring. I’ll get someone to call your friend over.”

With that, he said to the waiter, “Call the lady over.”

“No need.”

Qiao Mianmian immediately stopped the waiter. “My friend and I don’t like to be around too many people, and we don’t like to play with unfamiliar people. I’m sorry, my friend is still waiting for me. I have to go.”

Qiao Mianmian turned around and left.

Boss Huang panicked.

He quickly chased after her and held her arm, not letting her leave. “Miss Qiao, what’s the rush? It’s not too late to sit down and play for a while before leaving. The people in our room aren’t jackals or leopards that will eat you. Don’t be afraid.”

Qiao Mianmian felt disgusted the moment Boss Huang grabbed her arm. She recalled what Nana had told her about Boss Huang and felt her stomach churn.

Chapter 1585: How Dare You Act Arrogantly Before Us

She was still polite previously because, although Boss Huang was disgusting, he didn’t offend her. She didn’t want to offend anyone.

But she had nothing to worry about now.

Her expression darkened and her voice turned cold. “Boss Huang, please let go. I’ve said it before, I’m not interested in staying here.”

“Miss Qiao, you’re not giving me face.”

A man’s voice rang from behind Boss Huang. He sneered and said, “Boss Huang keeping you is an honor to you. Other women haven’t received such treatment, so why are you being so unreasonable? What, do you think you’re pretty? Why are you f*cking acting so arrogant?”

“I’m not interested in staying here. Who do you think you are?”

“Exactly, you don’t know how to appreciate favors.” Another man said, “Boss Huang gave you face and asked you nicely, but you’re still so disrespectful. Are you not taking Boss Huang seriously? A small actress dares to put on airs in front of us.”

“Women are like this. The more you give them face, the more they walk over you.”

Boss Huang was out with his friends.

He felt embarrassed when he heard their banter.

He had never encountered any problems with women.

He could get any woman he wanted.

But now, not only did Qiao Mianmian reject him, but she also rejected him in front of his friends. This made him indignant and angry.

He felt embarrassed and lost all rationality.

He tightened his grip on Qiao Mianmian's wrist and said fiercely, "Damn it, I gave you face, but you don't want it. I'm talking to you nicely, and you're still not giving me face. Do you have to force me to be rough before you listen?"

"Who do you think you are? Do you really think I'm asking for your opinion?"

"Let me tell you, it doesn't matter if you're willing to stay or not. You're not allowed to leave until I tell you to!"

With that, Boss Huang called his henchman over and said fiercely, "Go and watch at the door, don't let her out."

The two henchmen immediately left the private room and closed the door.

Boss Huang grabbed Qiao Mianmian's arm and pulled her in. "Come here, have a drink with me."

When the others saw this scene, they all clapped. "Boss Huang is awesome."

"Boss Huang is so manly."

"It should have been like this in the first place. How can she be so shameless?"

"Little girl, you'd better know your place. Do you know Boss Huang's status? If you keep him company, you won't have to worry about the industry in the future. Boss Huang can get whatever resources you want. I advise you to be good and not make everyone unhappy."

"Let go of me!" Qiao Mianmian's expression darkened. She shook off Boss Huang's hand and turned to leave.

Boss Huang got angrier.

He could almost hear his friends laughing at him.

Seeing that Qiao Mianmian was already at the door, he flew into a rage and rushed over to grab her again.

Qiao Mianmian dodged and saw Boss Huang rushing towards her. In a moment of panic, she bent down and picked up a bottle on the coffee table and threw it at him.

Bam!

The bottle hit Boss Huang's forehead, opening a wound. Blood flowed down his forehead.

Chapter 1586: Young Master Gong, Is That Lady Someone You Know?

Everyone in the room exclaimed.

They were shocked.

They never expected Qiao Mianmian to throw a bottle at Boss Huang.

Even Boss Huang was shocked.

He widened his eyes and he was stunned for a few seconds before touching his forehead.

When he felt the blood on his forehead, his expression changed. When he looked up at Qiao Mianmian again, his eyes were filled with hatred.

...

In another private room.

Linda waited in the private room for a while. Seeing that Qiao Mianmian wasn't back yet, she was a little worried and took out her cell phone to call her.

Qiao Mianmian didn't pick up.

Linda's expression changed.

She immediately got up and walked out of the private room.

Outside the private room, she saw two tall men in black.

Linda walked over and reached out to open the door.

The two men in black immediately stopped her. "Who are you? What are you doing?"

Linda frowned. Although she was worried about Qiao Mianmian, she still said patiently, "My friend is inside. Move aside, I'm going in to look for her."

"Your friend isn't in there."

The two men quickly knew who she was referring to. "You can leave now."

Linda stood still.

If she'd suspected something had happened to Qiao Mianmian before, she was almost sure now.

Qiao Mianmian was clearly in this private room.

But now, these two men were stopping her from entering.

If they weren't suspicious, why would they stop her?

Linda frowned as she thought about it.

Qiao Mianmian's face was attractive even to women.

If anything happened to her here, the consequences would be unimaginable.

"Get out of the way!" Linda tried to force her way in. She pushed one of the bodyguards and tried to open the door.

The other bodyguard immediately held her down.

Linda struggled and yelled, "Mianmian, Mianmian, are you inside? Let go of me and let me in. What did you do to Mianmian? Do you know whose woman she is? You'll have to bear the consequences if you offend her."

At the corner of the corridor.

A tall figure was escorted over.

The man in the middle was handsome. His facial features were as deep as a knife. His eyes were narrow and deep, and he exuded a luxurious aura.

His expression and his eyes were cold. His handsome and masculine face seemed to have the words "Do not approach" written on it.

The man walked expressionlessly.

When he heard Linda call out "Qiao Mianmian", he stopped in his tracks and looked in the direction of the noise.

A middle-aged man in a suit and tie also stopped and followed his gaze.

He couldn't figure it out and asked curiously, "Young Master Gong, is that lady someone you know?"

Gong Zeli frowned.

On the other side, Linda turned around and saw Gong Zeli standing not too far away. She looked happy and immediately waved at him. "Young Master Gong, Young Master Gong, quickly save Mianmian.

"She was locked in a private room. They aren't letting me in."

Chapter 1587: Kicking Open the Door

Gong Zeli's expression changed as he strode over.

The few people beside him looked at each other for a few seconds and quickly followed.

Linda was about to cry when she saw Gong Zeli walk over.

Thankfully, he didn't ignore her.

Gong Zeli quickly walked towards Linda and asked, "You said Qiao Mianmian is in danger?"

“Yes, Mianmian went into this room and hasn’t come out for a long time. I was afraid something happened to her, so I came to look for her. But they stopped me and didn’t let me in.” Linda was anxious. “Young Master Gong, quickly go in and take a look. Mianmian must be in danger.”

The two bodyguards’ expressions changed when Linda addressed him as Young Master Gong.

When they saw Gong Zeli, their expressions changed again. They immediately let go of her.

These were Boss Huang’s personal bodyguards.

They had attended many dinner parties with Boss Huang before.

Hence, they knew Gong Zeli too.

He was known for being a tyrant in Yuncheng City. He was the kind of person who wouldn’t even acknowledge the heavens when his temper flared up. Moreover, because of the Gong family’s power, not many people could do anything to him.

Boss Huang was powerful.

But compared to the Young Master of the Gong family, he was nothing.

If he offended the Young Master of the Gong family, Boss Huang would be beaten up.

Seeing that Linda knew Gong Zeli, they didn’t dare to hold her back anymore.

“Young Master Gong, this, this is a misunderstanding.” Seeing Gong Zeli’s increasingly cold gaze, the two bodyguards panicked and hurriedly said, “The friend this lady mentioned, she isn’t in the private room. We stopped her not because we didn’t want her to see her friend, but because it was inconvenient.

“Young Master Gong...”

Before the two bodyguards could finish their explanation, Gong Zeli kicked the door open.

The bodyguard’s expression changed.

Seeing Gong Zeli walk into the private room, they wanted to stop him, but they didn’t dare to.

Linda immediately followed Gong Zeli into the private room.

The lights in the private room were dim.

The smell of women’s perfume, alcohol, and cigarettes combined to form an extremely unpleasant smell.

Gong Zeli frowned when he entered the private room.

He saw Boss Huang dragging Qiao Mianmian to the sofa. Boss Huang didn’t know that someone else had entered the room. He grabbed Qiao Mianmian’s wrist tightly and threw her onto the sofa.

Gong Zeli’s expression darkened when he saw this.

The next moment, he appeared behind Boss Huang. Before the people in the private room could see who he was, they heard Boss Huang scream.

Then, he fell to the ground.

“Ah, it hurts. My hand...” Boss Huang rolled on the ground in pain.

Gong Zeli broke one of his hands and kicked him a few more times.

He didn't hold back at all.

Boss Huang screamed and vomited a few mouthfuls of blood. “Help, help!”

Gong Zeli squatted down, grabbed his collar, and punched him a few more times.

Chapter 1588: Was He... Sick?

“How dare you bully her? You're courting death!”

The thought of what he saw made Gong Zeli's blood boil.

He didn't dare to imagine that if he hadn't come here for something... if he hadn't met her...

What would happen next?

At the thought of the possible consequences, his eyes turned red again, and he tightened his grip.

“Ah, don't hit me, don't hit me! Help!” Boss Huang almost fainted after a few punches. He used his hands to cover his bloodstained face and rolled on the ground.

Everyone in the room was shocked.

Someone went forward to stop him, but when he recognized Gong Zeli, his face turned pale.

He immediately went back.

Soon, everyone knew that the man who pinned Boss Huang to the ground was the Young Master of the Gong family, Gong Zeli.

This time, no one dared to help.

Who would dare offend the Young Master of the Gong family?

Boss Huang's screams never stopped.

He was beaten until his face was covered in blood. Then, his voice gradually became softer.

“Gong Zeli, stop hitting me.”

Qiao Mianmian looked at Gong Zeli's bloodshot eyes in horror. He was beating Boss Huang to death as if possessed. Seeing that Boss Huang was gradually losing strength and didn't even have the strength to cry, she was afraid that something would happen if he continued hitting him. She wanted to pull Gong Zeli away.

She'd just grabbed Gong Zeli's arm when she felt him stiffen.

Then, all his actions froze.

Qiao Mianmian was stunned for a while, but she didn't think too much about it. Seeing that he had stopped, she finally heaved a sigh of relief.

She quickly pulled him away. "Don't hit him anymore. If you continue, he will die."

The man who seemed to be possessed by Satan just a moment ago was now a completely different person. Not only did his terrifying aura dissipate, but he was also like an obedient primary school student, obediently letting Qiao Mianmian pull him aside.

At this point, Boss Huang had already fainted.

His bodyguards waited for Gong Zeli to leave before they carried Boss Huang to the hospital.

Qiao Mianmian only let go after the bodyguards sent Boss Huang off.

Gong Zeli seemed to have calmed down. His eyes weren't as red as before, and there wasn't any anger in them.

Qiao Mianmian felt a little afraid when she thought about how he looked just now.

She suddenly recalled that someone said that the Young Master of the Gong family was suffering from mania.

When he was very young, he even hurt people when he fell ill.

Was he... having a relapse?

Qiao Mianmian was a little afraid, but she was also very grateful.

No matter what, Gong Zeli saved her.

If he hadn't appeared in time, Qiao Mianmian wouldn't have dared to think about what would have happened.

Boss Huang lost his rationality after being hit on the head by her. He didn't even care when she said Bai Yusheng was her brother.

"Gong Zeli, are you alright?"

Qiao Mianmian was shocked to see the blood on the back of his hand. "Are you injured?"

Gong Zeli didn't say anything.

His heart was still racing.

He could still feel the warmth of her hand on his arm.

Chapter 1589: Are You... Worried About Me?

He knew she was just stopping him.

But that touch made him unable to calm down.

Qiao Mianmian looked up and saw that he was in a daze.

A little worried, she waved her hand in front of his face. "Gong Zeli, what's wrong? Say something. Are you injured? Do you want to go to the hospital?"

Qiao Mianmian didn't have a good impression of Gong Zeli.

Even though he helped her a few times.

She only had a slightly better impression of him.

When she was with Gong Zeli, she wasn't as relaxed as when she was with Yan Shaoqing and Lu Rao.

She could treat Yan Shaoqing and Lu Rao as friends.

But towards Gong Zeli...

Thinking about his relationship with Shen Rou, Qiao Mianmian couldn't treat him as a friend.

But no matter what, Gong Zeli was injured because of her.

She had to show some concern.

This time, Gong Zeli seemed to have finally heard her. His expression and eyes changed.

He opened his eyes and looked at Qiao Mianmian.

He could see the worry in her eyes.

Even though he knew she was worried about him, his heart still trembled because of her gaze.

He pursed his lips and kept quiet for a few seconds. He looked down at the blood on the back of his hand and casually wiped it. He said calmly, "I'm fine. I'm not injured. This isn't my blood."

"Not your blood. Is it..."

Qiao Mianmian quickly recalled where the blood came from and was slightly relieved. "That's good. I thought you were injured."

Gong Zeli looked down at the blood on the back of his hand and then slowly looked up. Something flickered in his eyes as he looked at her and he said softly, "If I'm injured, will you... worry about me?"

He regretted it the moment the words left his mouth.

Qiao Mianmian was shocked too.

Gong Zeli looked into her eyes and clenched his fists to hide the panic in his heart. "If you don't want to answer, you don't have to. I was just asking."

"I'll worry."

Although Qiao Mianmian felt that his question was a little strange, she couldn't figure out why.

She thought for a while before replying, "You were injured because of me, of course I'm worried."

This was expected.

But Gong Zeli still felt very comfortable and satisfied.

No matter why she was worried about him, he felt that everything was worth it.

He couldn't help but smile. When he looked at her, a hint of gentleness flashed past his eyes, and his tone was so gentle that others couldn't feel it. "Let's leave first and find a new place to talk."

Gong Zeli had just beaten up Boss Huang. Everyone else in the room was so shocked that their faces turned pale.

They were afraid they would become the next Boss Huang.

After all, they'd made a commotion before.

If Qiao Mianmian really wanted to pursue it, they could be considered accomplices.

These people had heard of Gong Zeli's achievements when he was young. Who wouldn't be afraid?

They were even more afraid when they saw how Gong Zeli beat Boss Huang up.

Chapter 1590: That Gong Guy Was Really Ruthless

At that moment, everyone in the private room was silent. No sound of conversation could be heard in the huge private room.

It was so quiet that it didn't seem like an entertainment venue, but a quiet tea room.

Qiao Mianmian was still a little traumatized and wanted to leave the scene immediately. She nodded and said, "Mm."

Linda could tell that Qiao Mianmian was still afraid. She reached out to hold her, and they quickly left the private room.

After they left.

The group of arrogant men finally dared to speak.

The private room finally became lively.

"Why is that woman still related to Gong Zeli? Gong Zeli actually helped her and seemed to listen to her."

"There was a scandal between her and Gong Zeli previously, and it was clarified later. Now it seems like that scandal isn't completely untrue. Gong Zeli is protecting her like this, maybe he really has something to do with her."

"I wonder how Boss Huang is doing. That guy surnamed Gong is really ruthless. Will Boss Huang die?"

"Even if he doesn't, he'll have to lie in the hospital for a while. Boss Huang is really unlucky to have offended Gong Zeli. His hard life is still ahead, and getting beaten up is a small matter."

Everyone fell silent.

That's right.

Getting beaten up by offending the Young Master of the Gong family was a light punishment.

If he still wanted to teach Boss Huang a lesson, Boss Huang's company would probably be ruined.

This was the worst.

It was all Boss Huang's fault for being unlucky and falling for someone related to Gong Zeli.

Many men in the room had their eyes on Qiao Mianmian, but they were too scared to think anymore.

...

After leaving the private room, Gong Zeli got someone to cancel their original plan and drove Qiao Mianmian and Linda to the hospital.

Qiao Mianmian thought he was going to see a doctor, so she silently accompanied him.

Linda was with Qiao Mianmian.

When they arrived at the hospital, the medical staff was waiting outside.

The doctor greeted him respectfully. "Mr. Gong."

Gong Zeli nodded and turned to Qiao Mianmian. "Let them check you."

Qiao Mianmian looked up in shock. "Check me?"

Wasn't Gong Zeli here to see the doctor?

"Mm, let them check you. See if there's an injury."

"I-I'm fine." Qiao Mianmian was a little confused. "There's no need to check."

He appeared in time and Boss Huang didn't hurt her.

"It won't take long." Gong Zeli then instructed the doctor. "Bring Miss Qiao for a full-body checkup."

"Yes, Mr. Gong. Miss Qiao, this way please."

Qiao Mianmian was speechless.

She didn't even have the right to reject him?

She was fine. Why would she go for a full-body checkup?

She wanted to reject him.

But...

The man in front of her had helped her a lot just now, and he did it out of concern. Since she was already at the hospital, it wasn't a big deal to go for a checkup.

It was a physical examination that happened once every six months.

Linda also persuaded her. "Mianmian, go ahead. I'm a little worried too."

"Alright." Qiao Mianmian said helplessly, "Wait for me."

Soon, Qiao Mianmian left with the doctor.
