Chapter 1591: Don't Dare to Continue Thinking Anymore

Linda thought about what happened just now. Although she was a little afraid of Gong Zeli, she still gathered her courage and said, "Young Master Gong, thank you for what you did just now. If you hadn't appeared in time to help Mianmian, the consequences would be unimaginable."

Gong Zeli only looked away after Qiao Mianmian left.

He turned to look at Linda coldly. "There's nothing to thank me for. But I don't want to see this happen a second time. Since she's your artiste, you have the responsibility to protect her.

"If I wasn't there tonight, do you think you can bear the consequences?"

Linda was shocked.

The consequences...

She couldn't afford it.

Hence, she was glad that she'd met Gong Zeli at such a crucial time and he prevented the terrible consequences.

"Young Master Gong is right." Linda was a little afraid of Gong Zeli's gaze. She looked down after a few seconds and didn't dare to look at him again. "Mianmian is my artiste, I have the responsibility to be responsible for her safety. I really didn't do well today, not going with her.

"I'll be more careful in the future."

Gong Zeli knew that Linda couldn't be blamed for this.

Even if she was with Qiao Mianmian, it wouldn't have stopped Boss Huang.

Thankfully, Qiao Mianmian was fine now.

He was just a little afraid when he thought about it, so he blamed it on Linda.

"Why were you guys going on the KTV tonight? How is it related to that Huang guy?"

Linda told Gong Zeli everything.

"I didn't expect that Boss Huang was so lecherous. If Young Master Gong hadn't appeared in time, Mianmian might have..."

Linda immediately stopped when she saw Gong Zeli's darkened expression.

Because at that moment, she felt a terrifying murderous aura from him.

Linda looked at Gong Zeli's scary expression and felt weird.

Actually, she already felt strange in the KTV.

When Gong Zeli saw that Qiao Mianmian was being bullied by Boss Huang, he seemed to have lost his mind and went forward to hit Boss Huang.

He was heavy-handed.

If Qiao Mianmian hadn't stopped him, he might have really killed Boss Huang.

Linda knew that Gong Zeli and Mo Yesi were friends.

Hence, it was normal for him to help when his brother's woman was being bullied.

But Gong Zeli's help was different from a normal friend's.

Her intuition told her that Gong Zeli treated Qiao Mianmian... differently.

Qiao Mianmian was fine, but she was sent to the hospital for a checkup.

This concern was beyond that of a normal friend.

Linda didn't dare to think further.

She felt that Gong Zeli wasn't so foolish. She was probably overthinking.

Perhaps... he was taking care of Qiao Mianmian only because he had a good relationship with Mo Yesi.

...

Qiao Mianmian was fine, to begin with, so she was naturally fine after the checkup.

She took the report from the doctor and walked out of the diagnosis room.

When she reached the door, she bumped into someone.

Qiao Mianmian immediately apologized. "I'm sorry, I'm sorry."

"It's alright, I should be the one apologizing. Miss, I didn't hurt you, did I?"

Chapter 1592: She Didn't Seem to Like Him That Much

A gentle and pleasant voice sounded above her head.

Qiao Mianmian looked up and saw a woman in a black Hepburn mini-skirt standing in front of her. She was about 24 or 25 years old and not particularly beautiful, but her temperament was very good.

She looked like a well-versed lady.

It was strange.

The woman wasn't very beautiful, but she had an attractive aura.

Qiao Mianmian couldn't help but look at her.

"I'm fine. I accidentally bumped into you. Are you alright?"

The woman smiled and shook her head.

Qiao Mianmian felt bad and apologized again before leaving.

When she left the diagnosis room, the woman was still standing at the door, looking at her back in deep thought.

Qiao Mianmian...

They finally met.

She was the woman who captivated Mo Yesi.

She was indeed beautiful.

But she believed that just being beautiful wasn't enough to take down a man like Mo Yesi.

Qiao Mianmian was already a distance away, but she could still feel a gaze following her.

She couldn't help but turn around and saw that the woman she'd bumped into was still standing there looking at her.

That gaze was strange.

Qiao Mianmian frowned.

She was sure she didn't know that woman.

But the way that woman looked at her gave her the illusion that they knew each other.

A few seconds later, the woman finally retracted her gaze and walked into the treatment room.

Qiao Mianmian didn't think too much about it. Although she felt that this woman was a little strange, she didn't take it to heart and turned to leave.

A few minutes later, she found Gong Zeli and Linda.

"Mianmian, are you alright?" Linda asked.

Qiao Mianmian shook her head. "I'm fine."

Gong Zeli was relieved to hear that.

"Mr. Gong, I've already been checked. The doctor said that I'm very healthy and there's nothing wrong with me." Qiao Mianmian looked at Gong Zeli, who was waiting by the side, and picked up her cell phone to look at the time. She then said, "It's getting late. Mr. Gong, you should have something else to do, right? Go on with your work, Sister Xie and I are going back."

At this moment, Gong Zeli's cell phone rang.

He picked up the call. After a while, Qiao Mianmian saw that his expression had darkened, and his eyes were filled with impatience.

"I told you, I'm not interested in her.

"If you bring her to me again, don't blame me for being rude to her.

"I don't need anyone to worry about me. I'm hanging up. Don't call me again."

Gong Zeli's expression was dark.

He pursed his lips and looked unhappy.

At this moment, another subordinate walked over and whispered into his ear.

Gong Zeli looked up at Qiao Mianmian. "I have something on, I can't send you back. You..."

"It's alright, go on with your work. Sister Xie can send me back."

"Yes, Young Master Gong, I can send Mianmian home."

Gong Zeli pursed his lips.

He was a little upset that Qiao Mianmian agreed so quickly.

She still didn't seem to like him.

...

At the Gong Family.

Madam Gong didn't look too good after Gong Zeli hung up.

Chapter 1593: Don't Let Her Think of Giving Up

Beside her, Shangguan Qing saw her expression and asked with disappointment, "Aunt, is Brother Zeli not coming back?"

Madam Gong turned around, held her hand, and sighed. "I'm afraid he won't be coming back today. He encountered an important matter at work and has to settle it personally, so there's no choice.

"Qingqing, you're so understanding. I'm sure you can understand. To men, their career is very important."

Even if Shangguan Qing was unhappy, she had to pretend to be considerate and sensible. She held back her unhappiness and nodded. "Aunt, I understand."

"What a good child." Madam Gong praised her. "Zeli needs a gentle, sensible, and thoughtful woman by his side. If you two could be together, that would be great. I wouldn't have to worry about him not having a woman to take care of him in the future."

Shangguan Qing was elated to hear that. She said shyly, "Aunt, I-I'm willing to take care of Brother Zeli. But... he seems to have someone he likes already.

"Even if I'm willing to take care of him, he doesn't need me."

"Who said that?" Madam Gong immediately said. "Qingqing, you're such a gentle, kind, and cute girl. Everyone likes you. Who wouldn't like you? It's not that your Brother Zeli doesn't like you, it's just that he always hates us interfering in his relationship matters.

"So, no matter how good you are, he's still against it.

"It's not that he doesn't like you, but he's protesting to me and his dad in this manner."

Shangguan Qing was a little stunned.

“Is that so?” She was elated. “Brother Zeli said that he doesn’t like me because of you and Uncle?”

“Mm, he’s my son. How could I not understand him?”

Madam Gong lied to her.

In fact, she knew very well that Gong Zeli wasn’t interested in Shangguan Qing.

But Madam Gong couldn’t say that to her.

She was very satisfied with Shangguan Qing.

The Shangguan Family was slightly inferior to the Gong Family.

But apart from the fallen Shen Family, they were the most compatible family with the Gong Family.

The Yan, Mo, and Lu families were naturally compatible with the Gong Family, especially the Mo Family.

But none of them had daughters.

Shangguan Qing was the only daughter of the Shangguan Family and she had been pampered since she was young.

Her personality was a little different.

But this was nothing to Madam Gong.

This girl was smitten by her son. She had a bad temper, but in front of her son, she was definitely a good girl.

Hence, Madam Gong had to calm Shangguan Qing down and prevent her from giving up.

“Then, then, even if Brother Zeli likes me, he’ll deliberately show that he doesn’t like me because he’s angry with you?”

“Mm.” Madam Gong lied without batting an eyelid. “Qingqing, the girl Zeli liked since he was young is your type. So, how could he not like you? Believe me, he’s lying and deliberately going against me and your uncle.

“Auntie will definitely call him back tomorrow night. You two should spend more time together and develop your relationship. Anyway, the daughter-in-law that Auntie has chosen is you.”

Chapter 1594: I Hope You Can Take the Initiative

With Madam Gong’s words, Shangguan Qing had more confidence in herself.

She knew it. How could Gong Zeli not like her?

Every man that Shangguan Qing liked would bow down to her in the end.

Although Gong Zeli was different from the men who supported her previously, he was more handsome, had a higher status, and had a more arrogant personality. But wasn't it a sense of achievement to conquer such a man?

Besides her, who else could be so compatible with him?

She'd been determined to marry him since she was little.

How could she give up on him so easily?

She was definitely going to be the Young Madam of the Gong Family!

"Qingqing, Zeli has been spoiled by girls since he was little. He's very proud when it comes to women. He has never taken the initiative to pursue any girl. Even if he meets the girl he likes, he won't take the initiative.

"So, Auntie hopes that you can take the initiative. As the saying goes, there's a mountain of difference between a man and a woman. If you can take the initiative, I believe Zeli will be more passionate about you."

Shangguan Qing bit her lip and said shyly, "B-But I don't know how to take the initiative. Auntie, I-I've never taken the initiative to pursue a guy."

"It's not difficult."

Madam Gong held her hand and taught her gently. "Men all like virtuous women. You can occasionally cook for him and send him to the company. You can often send him messages and call him to show concern. He'll know how you treat him."

"Can I do this?"

"Of course. He's my son, don't I know him well enough? Zeli likes gentle and virtuous women."

"But I don't have Brother Zeli's cell phone number."

"Auntie will give it to you, and also his WeChat account. This way, it'll be easier for you to interact with each other in the future. With more interactions and more time to get to know each other, he'll slowly become warmer towards you."

Shangguan Qing nodded enthusiastically.

...

On the other side.

Qiao Mianmian and Linda went home early because of Boss Huang.

She received a video call from Mo Yesi the moment she got home.

Qiao Mianmian opened the door, turned on the lights, changed into her slippers, and placed the keys on the shelf.

She clicked on the video as she walked in.

A second later.

An extremely handsome face appeared on the screen. The man's facial features were well-defined as if they were carved by a knife. He looked so good even without makeup that it made people's hearts tremble.

Qiao Mianmian walked to the living room and sat on the sofa. She grabbed a pillow and hugged it, leaning lazily against a corner.

"Just got home?" Mo Yesi asked gently.

"Mm." Qiao Mianmian reported her schedule for the night. "After work, I invited Sister Xie and Brother to have a meal. Then, Sister Xie and I sang for a while and went home."

She didn't tell Mo Yesi about Boss Huang.

Since the matter was already resolved and she wasn't hurt, Qiao Mianmian didn't tell him, lest he became worried.

"We should have a meal to celebrate." Mo Yesi had just taken a shower, and in the video, he was wrapped in a towel. There were still water droplets on his body, and he was drying his hair with a towel.

Chapter 1595: Looks Like I Have to Get Prepared

Even if the person in the video was her husband.

Even though this wasn't the first time Qiao Mianmian saw him like this, she still felt her heart race as she looked at his perfect figure.

Mo Yesi's figure was even better than the models on the runway.

If this man wasn't already her husband.

If she hadn't seen this scene many times.

Qiao Mianmian felt that she wouldn't be able to resist it.

"If I wasn't on a business trip, I would've come to celebrate with you."

"Are you on a business trip?" Qiao Mianmian noticed that he was in a hotel.

"Mm, I'll be out for a few days. I'll look for you after this business trip."

"Chen Chen's birthday is in a few days." Qiao Mianmian thought for a while and said, "Let me go back. Let's celebrate Chen Chen's birthday together."

"Chen Chen's birthday?"

"Mm."

"Isn't your birthday coming soon?"

"Mm."

Qiao Mianmian and Qiao Chen were born in the same month, and their birthdays were only 10 days apart.

Mo Yesi nodded and smiled. "It seems like I have to prepare in advance."

Qiao Mianmian smiled. "What's there to prepare? Birthdays are held every year, it's not a special day. I want to pick a gift for Mom on her birthday. My birthday is her day of suffering."

Mo Yesi chuckled. "This is our first birthday together. It's very meaningful, so we have to give you a good present. As for choosing one for Mother-in-law, it's only right. Let's pick it together."

Qiao Mianmian couldn't help but laugh when she heard him call her mother "mother-in-law". "You call her mother-in-law so smoothly."

"Your mother is naturally my mother-in-law. What's there to be embarrassed about? I was wondering if I should find a time to sweep my other mother-in-law's grave? You haven't officially introduced me to her."

Mo Yesi was referring to Qiao Mianmian's adoptive mother.

She was also one of Qiao Mianmian's closest relatives.

Qiao Mianmian realized that she hadn't brought Mo Yesi to visit Madam Qiao's grave.

They were already married.

She should have brought Mo Yesi to pay respects.

They chatted for more than an hour before ending the video call.

...

Qiao Anxin received the news that Boss Huang had been beaten up to the point of having a concussion and quickly found someone to understand the situation.

She couldn't help but panic when she found out that Boss Huang was hospitalized because of Qiao Mianmian.

Gong Zeli beat him up.

This meant that Mo Yesi and Bai Yusheng would know about this soon.

Qiao Anxin thought about the consequences and turned pale.

She had just gotten close to Boss Huang and gotten some resources.

If anything happened to him, would she have a good time?

She was now under Boss Huang's name. If anything happened to him, she would definitely be affected.

She'd lost her chance to audition and wanted to get Boss Huang to make an exception for her. Who knew that something like this would happen?

Qiao Anxin had just finished a job.

Song Fang said, "The rest of the company has already gone to the hospital to visit him. You should go too."

Chapter 1596: I Want to Teach That Bitch a Good Lesson

If it wasn't for the benefits, Qiao Anxin wouldn't care about Boss Huang's life.

She had no choice but to give herself to Boss Huang for her future.

But deep down, she was disgusted by him.

But no matter how disgusting it was, she had to do it on the surface.

Everyone else in the company had gone to visit, so of course, she also had to.

...

Before Qiao Anxin went, she already knew that Boss Huang was beaten up badly.

But when she saw how swollen his face was, she was still shocked.

She turned around and looked at Song Fang in fear.

Song Fang was shocked too. She didn't expect Boss Huang to be beaten up so badly.

It seemed like the Young Master of the Gong Family was really ruthless.

After seeing Boss Huang, they understood why people said that they would rather offend the King of Hell than the Young Master of the Gong Family.

Because offending the Young Master of the Gong Family might cause you to meet the King of Hell!

Boss Huang woke up. He was probably still in pain and kept screaming.

His eyes were small.

After being hit, his eyes became swollen and only a slit was left.

His face was swollen, and his facial features seemed to have sunk into his flesh.

Qiao Anxin was disgusted, but she suppressed it and walked over to him. "Chairman Huang, it's Anxin. I'm here to see you. How do you feel now?"

Boss Huang looked up at her.

Qiao Anxin sat down on the bed and picked up a glass of water from the bedside table. She asked gently, "Chairman Huang, do you want some water? I'll feed you."

Boss Huang shook his head.

Qiao Anxin asked again, "Do you have anything you want to eat? I'll get someone to get it for you."

Boss Huang still shook his head.

Qiao Anxin frowned. Just as she was thinking about what to say next, Boss Huang suddenly reached out and grabbed her hand.

Qiao Anxin was shocked. "Chairman Huang..."

"Y-Your sister..." Boss Huang couldn't even speak properly. "Why didn't you tell me she's related to Gong Zeli?"

"Is, is she Gong Zeli's woman?"

Qiao Anxin was stunned and wanted to retract her hand, but Boss Huang grabbed it tightly.

She wondered where Boss Huang got his strength from.

He looked half-dead, but his grip on Qiao Anxin's hand was especially strong.

"That, that slut!" Boss Huang clenched his teeth and said fiercely, "It's all because of her. I-I'm so unlucky. I-I won't let that slut off."

Qiao Anxin's eyes lit up.

"You're her sister. Y-You have to find a way to ask that slut out." Boss Huang's expression was ferocious. "I want to teach that slut a lesson."

"If you settle this for me, you'll be the company's top star in the future. I'll give you all the company's resources."

Qiao Anxin's eyes lit up.

"Chairman Huang, is what you said true?"

If she became the company's top star in the future, she wouldn't have to worry about resources anymore.

More importantly, she couldn't do anything to Qiao Mianmian.

If someone wanted to deal with Qiao Mianmian, she would definitely support it.

Qiao Anxin understood Boss Huang.

If Qiao Mianmian landed in his hands...

A trace of viciousness and satisfaction flashed past Qiao Anxin's eyes. She couldn't wait to see that day.

Chapter 1597: Gong Zeli Hit Someone

When Qiao Mianmian woke up the next day, she realized that she was on the hot searches again.

Moreover, she was trending with Gong Zeli.

#Gong Zeli and Qiao Mianmian

#Gong Zeli Hits Someone

#Qiao Mianmian appears at a nightclub and is harassed

Someone took a video of Gong Zeli hitting someone and posted it on Weibo.

The lights were dim, but Gong Zeli and Qiao Mianmian could still be recognized.

In the video, Boss Huang's cries could be heard.

The account of the person who posted the video had the caption: The Young Master of the Gong Family got angry because of a beauty and beat her aggressor in public.

The Weibo account with the video was called an upright person. It was a small account that had just been registered that day.

They must have been in the room too.

This video quickly went viral.

Gong Zeli's identity was originally a hot topic. With the label "rich second-generation heir hitting someone", the topic was immediately brought up.

Moreover, Qiao Mianmian was involved.

She had been appearing on the hot searches recently, so she was easily noticed.

Moreover, Gong Zeli hit someone because of her.

They already caused a scandal in the past, so this attracted even more attention.

A so-called insider revealed that Gong Zeli hit someone because of Qiao Mianmian. He even said that Gong Zeli was crazy and everyone in the room was shocked by him. No one dared to stop him, and it was Qiao Mianmian who managed to stop him.

"Do you know that with Young Master Gong's personality, no one dared to hold him back when he got angry? But Qiao Mianmian pulled him back and told him not to fight anymore. And he really stopped."

"Thinking about the rumors between the two of them in the past, and after clarifying that they were friends, I feel that there might really be something between them. Anyway, Gong Zeli's reaction is like his woman was bullied, not just because of friendship."

"Gong Zeli is too scary in the video. Did he relapse? Did he kill that person?"

"I think so too. He could have killed him."

"Too scary. Although he's handsome and rich, no one dares to marry him. If I marry him, will I be beaten to death because of some fight in the future? I'm afraid of death. No matter how good this man is, I'll stay away."

"Why did no one stop him? Everyone just watched."

"Didn't someone say they were all shocked? He doesn't have much rationality during his relapses, right? What if they went to help and got hit?"

"I feel like Gong Zeli was too agitated. He really doesn't seem like an ordinary friend. Previously, I thought that he and Qiao Mianmian had an ambiguous relationship, but now it seems like..."

“Gong Zeli and Qiao Mianmian’s boyfriend know each other, right? If he has an ambiguous relationship with Qiao Mianmian, wouldn’t he be stealing his buddy’s girlfriend?”

The two trending topics #Gong Zeli Hits Someone and #Qiao Mianmian and Gong Zeli’s ambiguous relationship got higher and higher on the trending list. Soon, they reached the top three trending topics in 24 hours.

Chapter 1598: Can’t Be Affected Because of Him

If it was just Qiao Mianmian’s own scandals, she wouldn’t care too much.

After all, this wasn’t the first time she’d been defamed.

But with Gong Zeli involved and many people misunderstanding him, she couldn’t sit back and do nothing.

Especially when she saw the Weibo posts about Gong Zeli being sick and bullying others, Qiao Mianmian felt that she had to clarify this matter.

She told Linda about it.

Linda was there last night too, so she knew the truth.

“We have to clarify this matter. Otherwise, someone will definitely make an issue out of it. It won’t have a good impact on you and Young Master Gong. How about this, let the Public Relations Department handle this. Huan Yu will post on Weibo to clarify.”

“Don’t you need me to do anything?”

“Not for now. Wait for the company’s post.”

“Alright.”

Linda said she could settle it, so Qiao Mianmian didn’t harp on it.

...

Gong Zeli saw the news too.

In the luxurious office.

Gong Zeli leaned against the black leather chair and narrowed his eyes. After listening to his assistant’s report, his eyes turned cold.

The assistant said, “Chairman Gong, should we get the public relations department to settle this? If the public opinion continues to spread, it will affect you.”

The man’s handsome face was nonchalant as he scoffed. “Affect, affect what?”

“Someone on Weibo is trying to frame you. If we don’t explain it, it’ll affect your reputation. Moreover...”

Gong Zeli looked up. "Moreover what?"

"It will affect the lady with you."

Gong Zeli's expression changed slightly.

He never thought of giving the public an explanation, but now...

If this would affect Qiao Mianmian, he had to reconsider.

He didn't care what others thought of him.

But Qiao Mianmian was an artiste.

She was a public figure, her image couldn't be affected.

She couldn't be affected by him.

After a moment of silence, Gong Zeli changed his mind. "Then, let the public relations department handle it."

"Yes, Chairman Gong. I'll get it done right away."

The assistant left quickly.

Gong Zeli took out his cell phone and checked Weibo. When he saw the comments about his ambiguous relationship with Qiao Mianmian, he pursed his lips and read them a few times.

His intention was to help her.

But he seemed to have brought her trouble.

He didn't care what others said about him, but he didn't want others to say anything bad about her.

Her cell phone rang.

Gong Zeli picked it up a few seconds later.

"Fourth Bro, what happened on Weibo? Did you hit someone?"

Gong Zeli guessed that Yan Shaoqing was calling because of this. "Mm, it's what you saw."

"You were with Sis-in-law last night?"

"I went over to discuss something. I didn't know she was there."

"Weibo said that you hit someone because of Sis-in-law. Is that true?"

"Mm, a jerk was bullying her. I couldn't sit back and do nothing."

"Which jerk? Boss Huang?"

"Mm."

"Damn, did that old thing eat a bear's heart and leopard's guts? He actually dared to bully Sis-in-law. Good beating. I wasn't there. If I was, I'd have given that old thing a good beating too."

“But...” Yan Shaoqing changed the topic

Chapter 1599: Forget Her Soon

“Just say it.” Gong Zeli raised an eyebrow impatiently. “I hate it when people stammer to me.”

“...Alright, I’ll get straight to the point.” Yan Shaoqing wasn’t someone who liked to beat around the bush. “Fourth Bro, did you see the news about you and Sis-in-law on Weibo?”

“Do you know... what the netizens said about you two?”

Gong Zeli narrowed his eyes. “Mm, I’ve seen it.”

“You’ve seen it? What do you think?”

“What do I think?” Gong Zeli pursed his lips and sounded nonchalant. “What they said isn’t true, why bother?”

Yan Shaoqing said, “We all know that those things aren’t true. But, do you think it’s good to let others spread rumors about you and Sis-in-law? If Second Bro sees that, do you think he won’t have any thoughts?”

“Then, what do you want me to do?” Gong Zeli got up and walked to the French window. He pulled the curtains open and let some sunlight shine into the room. He narrowed his eyes and looked at the world outside. “Send a Weibo message to clarify, or call Ah Si to explain?”

Yan Shaoqing was speechless.

“Fourth Bro, I just feel that you should interact less with Sis-in-law in the future. You shouldn’t meet her so often. As time passes, you might... be able to like her less. In the video taken online, your reaction was really too extreme. No wonder the netizens thought too much.

“Even the netizens think too much. What do you think of Second Bro?”

“If you think this is difficult, I’ll find a few more beauties to distract you?”

“No need.”

Gong Zeli rejected Yan Shaoqing’s suggestion.

He frowned and said unhappily, “I’m not interested in those women now.”

It was only now that Gong Zeli realized that liking someone meant losing all interest in the opposite sex.

He didn’t want to know another woman.

His mind and heart were filled with one person.

He couldn’t leave any space for anyone else.

He even felt disgusted whenever he recalled his past.

“But you...”

“I know how to handle my own matters. Do you have anything else?”

“...No.”

“I’ll hang up, then.”

“...Alright, I’ve already said what I needed to say. Since you know what to do, I won’t continue. Let me say it one last time. Fourth Bro, you really don’t have any feelings for Sis-in-law. Just forget her.”

Yan Shaoqing hung up.

Gong Zeli listened to the disconnected tone on his cell phone and looked out the window at the tall buildings, cars, and pedestrians. He stood by the French window for a long time.

Forget her.

It was easy to say.

He had tried it before.

But how could he forget her so easily?

...

Later on, Huan Yu’s official Weibo posted a clarification.

The statement said that Qiao Mianmian was in danger and Gong Zeli helped her out of it. The two of them appearing at the same KTV was also a coincidence. It wasn’t prearranged. The netizens weren’t to spread rumors. Otherwise, Huan Yu would sue the Weibo accounts that created serious rumors.

Not long after Huan Yu’s statement was released, Gong Corporation’s official Weibo also posted a statement. It was basically the same as what Huan Yu said.

Chapter 1600: He Wasn’t a Bad Person

They said that Gong Zeli helped his friend out because he saw she was being bullied.

Then, the KTV staff also posted on Weibo to clarify what happened.

“I was the waiter in charge of the private room service that night. I saw that Miss Qiao was harassed by a male customer at that time. She wanted to leave, but that male customer used violence to force her to stay and even wanted to do something bad to her. Young Master Gong saw that Miss Qiao was being bullied and went up to help. It was that male customer who kept attacking Young Master Gong, so Young Master Gong attacked him.

“Young Master Gong was trying to stop him. He didn’t mean to hurt him.”

A few minutes later.

Someone revealed Boss Huang’s identity.

At the same time, it also revealed that Boss Huang used his identity to sleep with the female artistes under his company.

It also included Boss Huang's special hobbies.

And how he ruined a few female artistes.

Public opinion instantly changed.

"Damn, that Boss Huang is too perverted and disgusting. Thankfully, Young Master Gong appeared in time. If Qiao Mianmian landed in his hands, the consequences would be unimaginable."

"I can prove that the news is true. That Boss Huang is really perverted. I heard from one of my sisters that she met him during an audition. He got her assistant to hint to my sister that if she wanted to pass the audition, she should go to the hotel to look for him.

"Of course, my sister didn't go, but a girl with my sister went. She came back the next day covered in bruises.

"Young Master Gong has to teach this black sheep a lesson. He deserves it."

"Everyone says that Gong Zeli has a bad temper and disregards his family when he's sick. Actually, there are only two cases of him hitting someone. When he was young, he didn't hit his classmate for no reason. I heard that it was because a male classmate bullied a girl, and he couldn't bear to watch it. Speaking of which, it's about the same reason as this time. He hit him because he helped someone else."

"I've heard about that. A friend of mine used to be in the same school as Gong Zeli. She said the same thing as you. Gong Zeli hit that boy because he wanted to help a girl in the class."

"Wow, so Gong Zeli is a good man."

"He's not a bad person, to begin with. It's just that many people are jealous and afraid of him because of his good family background. That's why there are so many bad rumors about him. Compared to those profligate sons who rely on their family background to be lawless, he's considered pretty good among the rich."

"In that case, he's a very righteous person. Shouldn't those who spread rumors about him and Qiao Mianmian delete their posts?"

Many netizens who claimed to be from the same school and class as Gong Zeli appeared and said that he had a strong sense of justice since he was little and liked to fight for justice.

He helped Qiao Mianmian partly because she was his friend.

On the other hand, he couldn't bear to see girls being bullied by men.
