

Big Shot 1601

Chapter 1601: Miss, Who Are You Looking For?

In other words, he didn't see Qiao Mianmian being bullied by Boss Huang, but a girl.

He would definitely help.

Now that this was mentioned, the ambiguous relationship between Qiao Mianmian and Gong Zeli was exposed.

Gong Zeli's deliberate hurtful comments were also reversed.

At the same time.

A large number of netizens flooded the official Weibo account of the agency that Boss Huang was managing and scolded him.

"Your boss is a pervert, do you know that?"

"Hurry up and close your lousy company. Don't let your boss continue to harm girls."

"Is Boss Huang dead today? If not, I'll ask tomorrow."

"Your boss is dead meat. Do you know who Mianmian's backing is? Your lousy company is going bankrupt."

On Qiao Mianmian's Weibo, many fans were commenting about her.

"Mianmian, are you alright now? It was really thrilling last night. Thankfully, Young Master Gong appeared in time."

"Mianmian must be scared. (Hug), our fans will always be with you."

"Where's your boyfriend? Come to Mianmian's side now and comfort her."

Qiao Mianmian heaved a sigh of relief when she saw that the public opinion was getting better.

No wonder the Gong Corporation was able to turn the tables around.

"You met Boss Huang at the KTV last night?"

Qiao Mianmian turned around and saw Bai Yusheng.

His expression wasn't too good. "You were bullied at the KTV? Why didn't you tell me?"

Bai Yusheng was also in this industry.

Of course, he knew what kind of person Boss Huang was.

Hence, when he found out that Qiao Mianmian was bullied by Boss Huang, he was furious.

Qiao Mianmian kept her cell phone. "I think the matter has been resolved. I didn't want to make you worry. Brother, don't worry. I'm fine now."

Bai Yusheng's expression was still a little cold. "That old thing actually dared to bully you. I won't let him off."

Qiao Mianmian kept quiet.

She suddenly recalled Mo Yesi telling her that Bai Yusheng was especially good at controlling the stock market.

He was the one who caused the Shen Corporation's stock price to plummet.

It was also because of that incident that the Shen family was unable to recover.

Now, he said that he wouldn't let Boss Huang off.

The news of Boss Huang's company's stock price plummeting would probably spread in a few days.

Qiao Mianmian didn't stop her brother from standing up for her.

She couldn't.

If Gong Zeli hadn't appeared in time last night, she didn't want to think what would have happened.

...

Gong Corporation building.

Shangguan Qing was wearing a red mini-skirt and 10-centimeter heels as she got out of a red Ferrari with a lunch box in her hand.

She carried the lunch box and walked into the Imperial Palace Building.

At the front desk.

The few employees at the front desk saw that she was dressed well and asked politely, "Miss, who are you looking for?"

"I'm looking for Brother Zeli. Is he in the office?" Shangguan Qing sized up the girls at the front desk and frowned, feeling a little uncomfortable.

Why did all the female employees in Brother Ze Li's company look like foxes?

They didn't look like well-behaved women.

She had to tell Brother Zeli to change these restless women.

Chapter 1602: Since When Did Chairman Gong Have a Fiancée?

Although she wasn't with Gong Zeli yet, with Madam Gong's words, Shangguan Qing already saw herself as half a lady boss.

"Miss, are you looking for Chairman Gong?"

Hearing her address Gong Zeli so intimately, the receptionist was stunned and sized her up again.

Shangguan Qing raised her chin. "That's right. Is he in the office?"

"Chairman Gong is here, but..."

"But what?" Shangguan Qing looked a little impatient.

"Miss, do you have an appointment? If you do, I can help you confirm it. If Chairman Gong agrees, you can go up."

"Do I need an appointment to look for Brother Zeli?" Shangguan Qing's expression darkened. "Do you know who I am?"

The few receptionists looked at each other for a few seconds before shaking their heads. "Miss, may I know what your relationship with Chairman Gong is..."

Shangguan Qing said arrogantly, "I'm Brother Zeli's fiancée."

"You're Chairman Gong's fiancée?!" The female employees were shocked.

Since when did Chairman Gong have a fiancée?

But looking at Shangguan Qing's dressing and temperament, they felt that she wasn't lying.

Shangguan Qing looked like a rich girl.

They thought that maybe Gong Zeli really had a fiancée.

After all, it was normal for him to have a fiancée at his age.

Not all wealthy families were high-profile and would publicize this.

"Of course I'm Brother Zeli's fiancée. Why, do you think I'm lying? Do you want me to call Brother Zeli in person and let you confirm it?"

Shangguan Qing lied and said that she was Gong Zeli's fiancée because she felt that she would definitely marry him in the future.

Hence, she had to let these restless women know her identity.

She didn't want them to have any designs on Gong Zeli.

None of the female employees suspected that she was lying.

They were even more polite to Shangguan Qing now.

"Miss, please go up. Chairman Gong is upstairs."

Shangguan Qing snorted, turned around, and left proudly.

After she left.

The female employees started discussing.

"Is that really Chairman Gong's fiancée? Wouldn't it be bad if we just let her up?"

"I guess so. It doesn't look like she's lying."

"Didn't Chairman Gong like Miss Shen? Why would he be engaged to another woman? I thought he would definitely marry Miss Shen in the future."

"The Shen Family can't do it anymore. Even if Chairman Gong still likes Miss Shen, his family won't agree to it."

"That's true. The Shen Family now can't even take the better families, let alone our Chairman Gong."

...

When Gong Zeli heard the knock, he thought it was his assistant and said, "Come in."

The office door was pushed open.

The sound of high heels on the ground could be heard, and then a soft voice sounded. "Brother Zeli."

Shangguan Qing walked into the office with the lunch box. When she saw Gong Zeli, her heart raced and she called out to him.

At the black desk.

Reading a document, the man stiffened and slowly looked up.

Chapter 1603: I Have a Woman I Like

The man's expression changed when he saw Shangguan Qing standing in the office.

"Why are you here? Who let you up?" Gong Zeli's cold voice was laced with anger.

Shangguan Qing was stunned. She glanced at his expression and felt a little guilty.

"Brother Zeli, can't I come and see you?" She bit her lip and sounded aggrieved. "I thought you must be working hard at the company, so I personally made some soup and brought it over."

"This is my first time cooking."

At this point, Shangguan Qing felt even more aggrieved.

"In order to make soup for you, I even scalded my fingers." As she spoke, she showed the blisters on her fair fingers. "Brother Zeli, these blisters hurt. But for you, it's all worth it."

"Brother Zeli, this is my first time cooking. Try this soup. How does it taste? I'll get you a bowl, alright?"

Shangguan Qing thought about what Madam Gong said, that Gong Zeli liked gentle and virtuous women, so she wanted to show this side to him.

She ignored Gong Zeli's dark expression and walked to the desk, putting the lunch box down.

Just as she was about to open it, she heard an extremely cold voice. "Take your things and leave my office."

Shangguan Qing looked up in shock. “Brother Zeli.”

Gong Zeli’s expression was extremely cold. “You didn’t hear me clearly? Do you want me to say it again? *Leave—my—office—immediately.*”

“Brother Zeli.” Shangguan Qing widened her eyes in shock. “I-I came especially to see you.”

“Shangguan Qing.” Gong Zeli looked annoyed. “I thought I made myself clear, and you should know it too. It seems like I have to tell you again.

“I don’t care what the Gong family and your Shangguan family think. I will never listen to them. I won’t marry anyone unless it’s the woman I choose. I’m not interested in you. You’re not my type.

“No matter what you do, it won’t change anything.

“So, I advise you not to do these meaningless things anymore. I don’t want to make things too ugly. Don’t look for me again, and I won’t see you again.

“You can leave now.”

Shangguan Qing looked at him in disbelief.

“Brother Zeli, is what you said true? You really... don’t like me?”

But Madam Gong had said that she was his type.

Gong Zeli’s eyes were cold and distant. “I’m not interested in you. Don’t waste your time on me. It’s meaningless.”

Afraid that she would continue to pester him, Gong Zeli decided to not leave her any hope. He said coldly, “I have a woman I like. Besides her, I won’t marry another woman. She’s the only woman in my heart, and I can’t tolerate another woman. Shangguan Qing, you’re not bad yourself. Find a man suitable for you and stop wasting your time on me.”

With that, he called his assistant in.

“Send Miss Shangguan out. Also, inform the Human Resources Department and the Finance Department that all the front desk employees have been dismissed. If anyone dares to let anyone up again, fire them immediately.”

Gong Zeli didn’t look at Shangguan Qing anymore and went back to work.

Chapter 1604: This Is My Business, It Has Nothing to Do With You

Shangguan Qing’s face went pale.

“Brother Zeli, do you really have someone you like?” She clenched her fists in disbelief.

Gong Zeli didn’t even look up. “I’ve already made myself clear. You can leave now.”

“Who’s it? Who’s she?”

Shangguan Qing refused to believe it.

She didn't believe that there was anyone more suitable than her.

"Is it Shen Rou?" Shangguan Qing suddenly thought of someone, and her expression darkened.

How could she have forgotten about Shen Rou?

Shangguan Qing had always thought that no woman was better than her.

But she was convinced by Shen Rou.

But that was before the Shen family fell.

Shen Rou's and the Shen family's situation wasn't good anymore.

Was he still in love with her?

Seeing his cold expression, Shangguan Qing felt a blow to her heart. She couldn't help but ask, "Brother Zeli, is the woman you like Shen Rou? But the Shen family is no longer worthy of the Gong family. You can't be together. Uncle will also not agree to you being with her.

"I heard from my dad that the Shen family might go bankrupt this time. Even the Mo family didn't interfere with the Shen family's matters. Brother Zeli, are you thinking of taking over the Shen family's mess?"

"This is my business, it has nothing to do with you."

Gong Zeli frowned. Having obviously run out of patience, he said to his assistant, "What are you still standing there for? Escort her out."

"Yes, Chairman Gong."

Seeing Gong Zeli's expression change, the assistant dared not delay any further. He immediately turned to Shangguan Qing and said, "Miss, please follow me out. Don't disturb Chairman Gong's work."

Shangguan Qing pursed her lips and looked awful.

She wanted to flare up.

But she recalled what Madam Gong had said. Gong Zeli liked gentle and virtuous women. He liked obedient and clever girls, and he disliked aggressive and violent girls.

Although Shangguan Qing was full of anger, she held it in to not leave a bad impression on him.

"Then, Brother Zeli, I-I'll take my leave first. Don't work too hard. I made soup for you, drink some when you're free. That soup is very nourishing, it's me..."

"Take it away." The man didn't even look up.

"What?"

"Take what you brought with you. I don't need it."

The assistant saw a pink lunch box on the desk and immediately picked it up. "Miss, is this yours?"

Shangguan Qing bit her lip and her eyes turned red.

She was the only daughter of the Shangguan family and had been pampered since she was little.

Besides Gong Zeli, she had never felt aggrieved before. She felt so aggrieved and upset now.

The men around her all flattered her.

Only Gong Zeli didn't take her seriously.

But she liked him. No matter how cold he was to her, she still liked him.

She still wanted to marry him and become his wife.

Shangguan Qing stood there and looked at Gong Zeli with reddened eyes for a while. She then reached out and took the pink lunch box from the assistant, turned around, and ran away.

Gong Zeli never looked up at her.

...

Shangguan Qing left the Gong Corporation building and cried in the car for a while.

Chapter 1605: Intentionally Made Someone Popular

She couldn't figure it out.

What was wrong with her? Why was Gong Zeli so cold to her?

This was the first time she cooked for a man, but he despised her so much.

Besides him, she hadn't done this for any other man.

But he didn't appreciate it at all.

Shangguan Qing had never suffered such setbacks and grievances before. She cried all alone in the car.

Her eyes were red and swollen from crying when her cell phone rang.

It was from one of her best friends.

Shangguan Qing wiped her tears and picked it up.

"Qingqing, you told me that your family and the Gong family are trying to set you up with Gong Zeli. Are you two together now?"

Hearing that name, Shangguan Qing's heart ached again. She bit her lip and said sadly, "Why are you asking this?"

"Qingqing, are you crying? Did you see the news today?" Her best friend was shocked to hear her sobbing.

Shangguan Qing wiped her tears. "What news?"

“It’s the scandal between Gong Zeli and that newbie in the entertainment industry. But don’t be too upset. After all, it’s just a scandal, it might not be true. Perhaps that newbie wants to ride on his popularity and deliberately let others hype it up.”

Shangguan Qing was stunned.

A few seconds later, she reacted and her expression turned awful. “You’re saying that Brother Zeli has a scandal with a newbie in the entertainment industry?”

“Why, you don’t know about this?”

“I don’t know. I don’t care about the entertainment industry.”

“Then, you can go take a look now. If you wait any longer, you might not be able to see anything. Gong Zeli is rather protective of that newbie and removed all the trending topics related to her. I’ve seen it; that newbie’s name is Qiao Mianmian. She’s really good-looking.

“Not only did she have a scandal with Gong Zeli, but she also had a scandal with Bai Yusheng and Tu Yilei. Even Qin Han had a scandal with her. In any case, she doesn’t look like a good person. Maybe she wants to rely on her looks.

“Moreover, this isn’t the first time Gong Zeli has been involved in a scandal with her. There have been a few rumors about it before. Because of her, Gong Zeli hit the CEO of a management company at a KTV last night and caused him to be hospitalized. Qingqing, I’m calling to tell you that if you really get together with Gong Zeli, you have to watch out for this vixen.”

After hanging up, Shangguan Qing opened Weibo with a terrible expression.

She had a Weibo account, but she rarely logged in.

After entering Weibo, she followed what her best friend said and searched for “Gong Zeli and Qiao Mianmian’s scandals”.

Soon, many related Weibo posts appeared.

After more than 10 minutes, Shangguan Qing found Qiao Mianmian’s Weibo.

Qiao Mianmian’s Weibo profile picture was of a cat. She clicked on her Weibo profile and found a few selfies.

Qiao Mianmian was practically bare-faced in the photos.

And it was taken without any filters.

Not many female celebrities could do this.

And not many female celebrities dared to post their untouched up selfies.

But because of this, Shangguan Qing was so jealous that her expression changed.

Other female celebrities’ bare-faced photos were very different from when they wore makeup.

Chapter 1606: Is She Qiao Mianmian?

Hence, female celebrities rarely revealed their bare faces.

But Qiao Mianmian's bare face was a bonus.

They were both women, so Shangguan Qing could tell that Qiao Mianmian was really bare-faced.

She tightened her grip on the cell phone and looked at the beautiful woman in the photo.

She always thought that the woman Gong Zeli liked was Shen Rou.

So, she was a newbie in the entertainment industry.

Just like her best friend said, this newbie was a vixen.

Wasn't she seducing men everywhere?

She could seduce anyone.

But if she dared to seduce Brother Zeli, she wouldn't be polite.

...

After settling the hot searches, Qiao Mianmian continued filming.

During the break, as she read the script, a crew member walked towards her.

The employee stopped in front of her. "Miss Qiao, someone is looking for you."

Qiao Mianmian looked up from the script. "Someone's looking for me?"

"Yes."

"Have you asked who it is?"

"There are two ladies. They said they're Miss Qiao's friends."

"My friends?"

Qiao Mianmian frowned.

She closed the script.

As soon as she did it, she saw two women walking towards her.

They were very young and dressed like daughters from rich families. They even had a crew member with them.

"Are the two ladies you mentioned them?"

Seeing the two girls walk towards her, Qiao Mianmian asked the staff.

"Yes."

The employee's answer made Qiao Mianmian even more confused.

She didn't know them.

Soon, the two girls stopped in front of her.

One of the girls was wearing a pink dress and holding the latest luxury brand platinum bag. She looked extremely arrogant as she stood in front of Qiao Mianmian and looked down at her. "Is she Qiao Mianmian?"

The girl looked at her with disdain.

The crew member who brought them over was stunned. Just as he was about to introduce them, Qiao Mianmian said, "I'm Qiao Mianmian. May I know why you're looking for me?"

The woman in the pink dress raised her hand.

Qiao Mianmian was experienced. The moment she saw her raise her hand, she immediately got up and moved to the side.

The girl's hand landed on empty air.

She looked at Qiao Mianmian angrily. "You shameless vixen, how dare you avoid me."

Qiao Mianmian's expression darkened.

Nana's expression also turned cold. She immediately walked forward and glared at them. "Who are you, are you sure you didn't recognize the wrong person? This isn't a place for you to throw a tantrum. If you continue like this, I'll call the security officers over."

"Move aside, let that vixen Qiao Mianmian speak up." The girl in pink was Shangguan Qing's friend. She came with Shangguan Qing and said that she wanted to help her friend teach Qiao Mianmian a lesson.

Her face was a little awful.

Facing Nana's questioning, she arrogantly pointed at Nana's nose and said, "Who are you, still protecting that vixen? This has nothing to do with you. Quickly get out of the way, or I won't be polite to you anymore."

Chapter 1607: Try to Hit Her

Nana pointed a finger at her. "Then, what are you? This is the set, not a place for you to throw a tantrum. Mianmian isn't a vixen, you're the vixen."

The woman in pink was also a rich girl.

She was like a high school gangster.

How could she tolerate Nana scolding her like this?

Her expression changed as she reached out to slap Nana.

However, her hand was grabbed by someone.

Qiao Mianmian walked out from behind Nana.

The woman in pink's face scrunched up in pain as she struggled to free her hand.

"Ah, it hurts. B*tch, let go!"

She struggled even harder when she saw who it was.

Qiao Mianmian sneered. After struggling for a while and seeing that she was crying from the pain, she let her off.

The woman staggered two steps back and almost fell to the ground.

Fortunately, Shangguan Qing held her.

After she steadied herself, she looked at her red wrist and gritted her teeth. "Qingqing, this vixen is too arrogant. You can't let her off."

Shangguan Qing couldn't tolerate seeing her best friend being bullied like this.

She turned around and looked at Qiao Mianmian with a dark expression. "You're just a newbie in the entertainment industry, how dare you be so arrogant? Do you believe that I can get someone to ban you with just one sentence?"

"Do you think you can do whatever you want just because you seduced a few men with your looks?"

"Do you know who we are?"

Qiao Mianmian looked at her coldly. "I don't care who you are or why you're here. Now, please leave immediately, or I'll get someone to chase you away."

"Are you crazy?" Shangguan Qing didn't know about Qiao Mianmian's background and only thought that she was a newbie who could be bullied easily.

Qiao Mianmian's attitude was extremely arrogant.

She had to teach this arrogant vixen a lesson.

"You shameless woman, who gave you the guts to be so arrogant?! Do you know who I am? How dare you talk to me like this?"

Qiao Mianmian was expressionless. "Of course I know who you are."

Shangguan Qing was stunned for a while before saying coldly, "Since you know who I am, why don't you kneel and kowtow to Bao'er and me? If your attitude is good enough, I might forgive you this time.

"Otherwise, you won't be able to bear the consequences!"

"It seems like Fourth Hospital's door wasn't closed properly, that's why you came out. Nana, quickly call the hospital and tell them that their patient came to our set. Get them to arrange for someone to bring these two patients back."

Nana cooperated. "Alright, I'll call immediately."

It took Shangguan Qing a few seconds to realize that Qiao Mianmian was calling them crazy.

Fourth Hospital was a very famous psychiatric hospital.

Qiao Mianmian was calling them crazy.

Both of them looked awful.

“B*tch, you’re courting death!”

Shangguan Qing was so angry that she wanted to hit Qiao Mianmian.

“You’re the one courting death. You dare to touch her?” Bai Yusheng suddenly appeared and grabbed her hand.

Chapter 1608: I Must Teach You a Lesson Today

Shangguan Qing’s eyes reddened from the pain. She looked up and was about to scold him when she saw that it was Bai Yusheng. Stunned, her eyes widened in shock.

“Brother Yusheng?”

Bai Yusheng frowned and said coldly, “Who are you, why are you shouting?”

“Brother Yusheng, it’s me, Qingqing. Shangguan Qing. Do you remember? We ate together.”

Shangguan Qing?

Bai Yusheng naturally had no impression of her.

But he had an impression of the Shangguan Family.

He stared at Shangguan Qing for a few seconds before letting go.

Upon gaining her freedom, Shangguan Qing immediately pointed at Qiao Mianmian’s nose and scolded her. “Brother Yusheng, is this shameless woman your actress? Get her to leave the set immediately and stop using her.”

Bai Yusheng’s expression darkened. “Shangguan Qing, watch your mouth. This is my set, no one is allowed to cause trouble here.”

“Brother Yusheng, are you bewitched by her? You’re actually speaking up for her. Do you know how shameless this woman is? Not only did she seduce you, but she also wants to seduce Brother Zeli. Brother Zeli is my man, how can I tolerate a shameless slut like her? If I don’t teach this slut a lesson, she won’t know her place.

“I don’t want to cause trouble on your set, but I have to teach this slut a lesson today.”

Shangguan Qing felt that something was wrong. She looked up and saw Bai Yusheng looking at her coldly.

She couldn’t help but shiver.

“Qiao Mianmian is my sister. Are you deliberately disrespecting the Bai Family by saying this to my face?”

Shangguan Qing’s expression changed. “Brother Yusheng, isn’t her surname Qiao? How could she be...”

“I don’t care what your relationship with Gong Zeli is. My sister isn’t interested in him. If you dare to slander Mianmian again and say anything bad about her, I’ll make you leave here crying. Also, don’t call me Brother Yusheng anymore. I, Bai Yusheng, don’t have a wild sister like you. Don’t try to get close to me.

“I have a sister, and she’s ten thousand times better than you.”

Shangguan Qing’s expression darkened.

She slowly turned around and looked at Qiao Mianmian. “The sister you’re talking about is her? Bai Yusheng, do you know that she...”

“Shut up.”

Bai Yusheng said sternly, “If you say anything bad about her, I’ll rip your mouth off.”

Shangguan Qing widened her eyes in shock and fear.

Bai Yusheng wasn’t a gentle and approachable person.

But he was very gentlemanly towards women.

Shangguan Qing couldn’t believe he would say such a thing.

Bai Yusheng turned around and instructed his assistant. “Call the security officers over and chase them out.”

They asked.

Hence, he wasn’t giving them any face.

Shangguan Qing’s face turned pale.

Soon, the assistant called a few security officers over.

Shangguan Qing yelled, “Bai Yusheng, you’re treating the daughter of the Shangguan Family like this because of a woman. I’ll definitely tell my dad about this and get him to tell your parents.

“Just you wait.”

Bai Yusheng replied coldly, “Go ahead.”

Then, he got the security officers to take her and the other woman away.

Chapter 1609: The Gong and Shangguan Families Might Have Plans for an Alliance Marriage

“Sort of.” Bai Yusheng watched as Shangguan Qing left. “The Shangguan Family isn’t in Yuncheng City, but they have a lot of power in other places. Our family has some dealings with the Shangguan Family, so we’ve met a few times in the past.

“The girl just now should be the only daughter of the Shangguan Family. They only have this one daughter, so they dote on her very much. This also raised her arrogant, domineering, and lawless personality. She must have had some misunderstanding about you, that’s why she came to look for you.”

Bai Yusheng quickly recalled the scandal between Qiao Mianmian and Gong Zeli and said, “She must have seen the scandal between you and Gong Zeli online. I heard that the Shangguan Family wants to develop in Yuncheng City, and they have moved here.

“It seems like the Gong and Shangguan families are planning to have a marriage alliance. Otherwise, Shangguan Qing wouldn’t have come to the set.”

Qiao Mianmian nodded.

So, she was an arrogant rich girl.

She thought about Shangguan Qing’s personality and Gong Zeli’s personality. It seemed like she could already see their marriage in chaos.

But...

Didn’t Gong Zeli like Shen Rou?

He probably wouldn’t like a girl with Shangguan Qing’s personality. Moreover, Qiao Mianmian didn’t think that Gong Zeli would be willing to listen to his family’s arrangements.

If he didn’t like Shangguan Qing, even if his family arranged a marriage for him, he wouldn’t agree.

Qiao Mianmian thought about her scandal with Gong Zeli and felt a little upset.

She didn’t know why people always said that she had an ambiguous relationship with him.

“I’ll talk to the Shangguan Family about this.” Bai Yusheng looked serious. “No matter the reason she came to the set to cause trouble, if she dares to treat you like this, I want the Shangguan Family to give us an explanation.”

“Brother, there’s no need. She’s already gone. She didn’t cause me any substantial harm. There’s no need to affect the relationship between the Bai and Shangguan families over such a small matter.”

After knowing that the Bai and Shangguan families had business dealings, Qiao Mianmian felt that it was better to avoid trouble.

She didn’t want to affect their business relationship over this matter.

It wasn’t serious enough.

“Why not?” Bai Yusheng was firm. “How could the daughter of the Bai Family be bullied by the daughter of the Shangguan Family? Don’t bother about this. I know what to do.”

“But...” Qiao Mianmian still wanted to persuade him.

“Alright, Mianmian. Your next scene is about to begin. Get ready.” Bai Yusheng didn’t give her any chance to reject him, turned, and left.

Qiao Mianmian was speechless.

Forget it.

If her brother wanted to stand up for her, then let him.

Since he wasn't worried about affecting their business, she didn't have anything to worry about.

It was good to clarify things with the Shangguan Family.

Qiao Mianmian didn't want Shangguan Qing to come looking for her again. It wasn't that she was afraid of her, but that she couldn't be bothered to deal with such nonsense.

...

Shangguan Qing's incident was like a small episode. Although it affected Qiao Mianmian, it wasn't much.

But when Gong Zeli found out that Shangguan Qing went to look for Qiao Mianmian, he was furious.

Madam Gong called him and asked him to come home for dinner.

After knowing that Shangguan Qing would be around, Gong Zeli agreed.

Chapter 1610: Young Master's So Good-Looking

At night, Gong Zeli drove back to the Gong Residence.

Like Mo Yesi, he had his own place.

He only went home occasionally.

Madam Gong only had one son, Gong Zeli.

Hence, she had pampered and doted on him since he was little. Gong Zeli didn't come home often, and Madam Gong would make all sorts of preparations when he did.

"Madam, Young Master is back."

Just as Madam Gong was greeting them in the kitchen, a housemaid entered and reported.

"Zeli is back?" Madam Gong looked happy and called for the kitchen. "Young Master is back, hurry up. Bring out a bowl of the soup I made. Let him drink it to relieve the heat."

"Oh right, Qingqing." Madam Gong turned to look at Shangguan Qing and held her hand. "Bring the soup to Zeli later."

Shangguan Qing was also very happy to know that Gong Zeli was back. But when she thought about his coldness and alienation towards her yesterday, she felt a little uneasy.

"Auntie, will Brother Zeli be unhappy to see me in your house?"

"How could that be?"

Madam Gong smiled and said, "He'll only be happy. Moreover, you're my guest, why do you care if he's happy or not?"

"But..." Qiao Mianmian's face appeared in Shangguan Qing's mind.

Qiao Mianmian, that vixen.

As the rumors said, she and Bai Yusheng had something going on.

Yesterday, Bai Yusheng actually protected her and said that she was his sister.

That slut was using her looks to seduce men.

Shameless!

Slut!

Gong Zeli was her man. She wouldn't let him be seduced by any vixen.

She had to find a chance to teach that shameless slut a lesson.

"Just listen to me. Don't you want to marry Zeli?"

Shangguan Qing immediately nodded. "Of course."

"Then listen to me. I won't hurt you."

Shangguan Qing pursed her lips and nodded shyly after a few seconds of silence.

...

"Hello, Young Master."

When Gong Zeli walked into the living room, all the housemaids greeted him respectfully.

After greeting him, one of the maids secretly looked up and then looked away.

Young Master was really good-looking.

Even though they'd been in the Gong Residence for many years and had seen Gong Zeli many times, their hearts would still flutter every time they saw him.

Everyone knew that Gong Zeli had a bad temper.

Everyone in the residence knew this.

Hence, the servants were respectful and afraid of him. But this didn't stop them from being smitten by him.

Besides personality.

Gong Zeli did have a beautiful face.

He looked like Madam Gong.

And Madam Gong, like Madam Mo, was a socialite.

Gong Zeli walked to the lobby and looked around. He found a housemaid and asked, "Where's Madam? Why isn't she here?"

The housemaid replied, "Madam is preparing dinner for Young Master."

"Why go through so much trouble? Just get the kitchen to prepare something."

Just as Gong Zeli finished speaking, he heard Madam Gong's voice behind him.

She greeted him affectionately. "Zeli, you're back. Are you hungry? Are you thirsty?"

Shangguan Qing followed behind her holding a bowl of soup.
