

Big Shot 1611

Chapter 1611: Should I Not Be Here?

Her heart raced uncontrollably as her gaze landed on him.

Gong Zeli knew that Shangguan Qing was there tonight.

Hence, he wasn't surprised to see her standing behind Madam Gong.

His gaze went past Madam Gong and landed on Shangguan Qing. He narrowed his eyes and said with a faint smile, "Mom, there's a guest at home tonight?"

Madam Gong sensed his gaze and looked behind her. She then smiled and said, "Yes, your Sister Qingqing is here. She heard that you were coming back tonight and made soup for you early in the morning. This child is really thoughtful. She has never cooked before, and she spent a lot of effort to make this soup for you."

Madam Gong winked at her.

Shangguan Qing immediately understood and walked towards Gong Zeli with the bowl of soup. "Brother Zeli, you must be thirsty. This soup is iced, have a taste."

Gong Zeli looked down and didn't take it.

Shangguan Qing was still holding the bowl. She held it for a while, but Gong Zeli still didn't take it. Her expression stiffened.

"Brother Zeli..." She couldn't help but call out.

"Zeli, this is the soup that Qingqing made for you. Quickly take it and have a sip." Madam Gong couldn't help but say when he showed no reaction.

Gong Zeli looked up, but he still didn't reach out to take the bowl. His tone was obviously distant. "Miss Shangguan, I've troubled you. But I'm not thirsty, you should drink it yourself."

With that, he walked past her.

Shangguan Qing looked awful as she held the bowl of soup.

Madam Gong glanced at her and quickly comforted her. "Qingqing, Zeli might really not be thirsty. Hand the bowl to the servants, we'll have dinner first."

Shangguan Qing bit her lip. "Auntie, does Brother Zeli not like me here? I-I shouldn't have come."

"Who said so?" Madam Gong patted her head and comforted her gently. "Qingqing, don't let your thoughts run wild. He's usually like this, it's not because of you. Alright, come with me."

Shangguan Qing felt aggrieved, but she didn't want Madam Gong to think that she was petty.

She had no choice but to follow her to the dining room.

...

Gong Zeli changed and went downstairs.

Madam Gong and Shangguan Qing were already sitting at the dining table.

When Madam Gong saw him, she waved at him. "Zeli, come and sit here."

She got Gong Zeli to sit beside Shangguan Qing.

Gong Zeli glanced at her and smiled. He then sat opposite them.

Madam Gong frowned, but she didn't say anything.

Shangguan Qing could tell that Gong Zeli was avoiding her. She bit her lip and felt wronged. Her eyes reddened.

A moment later.

The servant served dinner.

The table was filled with Gong Zeli's favorite dishes.

Madam Gong picked up some food and placed it in his bowl. She looked at him lovingly and said, "Zeli, try this. I remember you like this dish a lot. Try it and see how it tastes."

Gong Zeli picked up his chopsticks and took a bite.

Madam Gong immediately asked, "How is it? Is it good?"

"Mm, it's alright."

"Try this dish now." Madam Gong picked up another dish and placed it in his bowl.

Chapter 1612: I'm Telling the Truth, Why Should I Apologize?

Under her expectant gaze, Gong Zeli took another bite.

With just a taste, he felt that this dish wasn't on the same level as the previous one.

"How is it? Is it good?" Madam Gong asked again.

Beside him, Shangguan Qing looked at him expectantly.

Gong Zeli immediately understood what was going on.

He put down his chopsticks and picked up the napkin on the table, wiping his lips slowly.

"Mom."

After a while, Gong Zeli stopped her when Madam Gong was about to get him more food.

He narrowed his eyes and said coldly, "You don't have to spend so much effort on this. I came back today to tell you in person not to try to matchmake me and Shangguan Qing."

"I'm not interested in women like her."

Looking at Shangguan Qing's pale face, Gong Zeli didn't care about her feelings as he continued coldly, "What? The daughter of the Shangguan Family can't be married off, so you're trying to promote her to our Gong Family?"

"Zeli, what are you saying?" Madam Gong's expression changed immediately. She frowned and said, "How could you say something so overboard? Hurry up and apologize to Qingqing."

"Apologize?"

Gong Zeli looked at Shangguan Qing expressionlessly and said with disgust in his eyes, "I'm speaking the truth, why should I apologize? Shangguan Qing, I thought I'd made things clear enough to you. Do you think this harassment is useful?"

"My marriage can't be decided by anyone but myself. Do you think it's useful to please my mom and marry into the family?"

Madam Gong's expression was awful. "Enough, Zeli. Don't say anymore."

"Qingqing is a guest. I invited her to our house. How could you say such things to her?"

"Guest?" Gong Zeli sneered. "That's your guest, not mine. If she's around in the future, you don't have to call me back."

"Also."

Gong Zeli narrowed his eyes and looked at the pale Shangguan Qing coldly. "Shangguan Qing, I'm warning you. If you dare to look for Qiao Mianmian again, don't blame me for being nasty."

Shangguan Qing had been enduring it.

But she couldn't take it anymore.

She looked up with reddened eyes and said angrily, "So the rumors online are true. Do you really like that woman?"

"She's just a small actress who has flirted with so many men. What's so good about her? Brother Zeli, even if you still like Shen Rou, she's better than that kind of woman. You..."

Bam!

The sound of glass hitting the ground was followed by a piercing scream. "Ah!"

There was a shattered wine glass beside Shangguan Qing's feet.

And the red wine spilled all over her.

The cup flew past her and almost hit her face.

Shangguan Qing widened her eyes in shock.

The man's eyes and his aura were extremely cold.

His gaze was as sharp as a knife.

Shangguan Qing only exchanged a glance with him before looking away fearfully.

Thinking about the wine glass that almost hit her face, she trembled in fear and hugged Madam Gong's arm tightly. "Auntie, I'm so scared. I want to go home."

Chapter 1613: She's Second Young Master Mo's Girlfriend

Madam Gong was shocked by Gong Zeli's actions.

She knew her son well.

Although he had a bad temper, he was still gentlemanly in front of girls.

Moreover, the Shangguan and Gong families were friends.

He shouldn't treat Shangguan Qing like this.

"Qingqing, don't be afraid. Auntie is here, he won't dare to do anything to you." Madam Gong comforted Shangguan Qing. She then looked up and glared at her son. "Zeli, you're too much. You actually hit a girl. You disappointed me today.

"Apologize to Qingqing now."

Gong Zeli sneered. "If she wasn't a girl, I wouldn't have just given her a verbal warning. Mom, let me tell you one last time.

"Don't interfere in my matters."

With that, Gong Zeli left the dining room.

Madam Gong and Shangguan Qing, who was still panicking, watched as he left without looking back.

After Gong Zeli left.

Shangguan Qing burst into tears.

She was crying from fear.

Madam Gong quickly comforted her.

But the more she comforted her, the harder she cried.

"Auntie, Brother Zeli has fallen for that vixen. He actually hit me because of that vixen. Auntie, you have to uphold justice for me." Shangguan Qing leaned on Madam Gong and cried hard.

Madam Gong was stunned. She wiped the tears off her face and asked, "Qingqing, you said that Zeli has fallen for a vixen? Who is this vixen you're talking about?"

"Who else could it be? It's that actress called Qiao Mianmian."

Shangguan Qing sobbed and gritted her teeth as she talked about Qiao Mianmian. "That vixen not only seduced Brother Zeli, but she also seduced Bai Yusheng. I heard that she has a very ambiguous relationship with the male actor on the set. How could Brother Zeli fall for such a woman!"

Madam Gong's expression darkened.

She frowned. "Zeli fell for an actress? When did this happen, why didn't I know?"

"Auntie, you don't even care about the entertainment industry, of course you don't know." Shangguan Qing saw that Madam Gong was still confused. She quickly took out her cell phone and found a photo of Qiao Mianmian for her to see.

She pointed at the photo and said fiercely, "It's this vixen!"

Madam Gong looked down and found her familiar at first glance. After taking a closer look, her expression changed.

"Qingqing, are you sure Zeli likes her?"

"I'm sure!" Shangguan Qing gritted her teeth. "I wasn't very sure at first. But you saw how protective Brother Zeli was of her just now. If he didn't like this vixen, would he protect her like this?"

Madam Gong frowned. "Qingqing, are you mistaken? I've seen this girl before. She's Second Young Master Mo's girlfriend, how could she possibly seduce Zeli? If you cannot prove it, you'd better not say anything."

"What?!"

Shangguan Qing widened her eyes in shock. "Auntie, you're saying that this actress is Second Young Master Mo's girlfriend?"

Madam Gong attended the banquet the Mo Family held for Qiao Chen that night.

He'd seen Qiao Mianmian at the banquet.

Although they'd only met once, Madam Gong had a deep impression of Qiao Mianmian because of her outstanding appearance.

She still remembered what she looked like.

Chapter 1614: He Didn't Listen to Her

Shangguan Qing refused to believe it.

That vixen was actually Second Young Master Mo's girlfriend?

How was this possible?

Wasn't it said that the two Young Masters of the Mo Family weren't attracted to women, especially the Second Young Master? It was said that he had misogyny and couldn't even touch women.

That's why he was still single after all these years.

This was why many women in the circle coveted him, but they didn't think too much about it.

Because it wasn't realistic.

No matter how good he was, what was the point if he didn't like women?

How could a man with misogyny have a girlfriend?

"Mm, I saw her at the banquet with Zeli that time." Madam Gong looked at Shangguan Qing deeply and thought for a while before saying, "Qingqing, our Gong Family and the Mo Family have a good relationship. Since Mo Yesi brought her home for the Mo Family's banquet, he must value her very much. Now that the matter has been clarified, don't let your thoughts run wild."

Madam Gong was actually worried that Shangguan Qing would cause trouble for Qiao Mianmian again.

Just as she said, the Gong and Mo families had a good relationship.

If Shangguan Qing married into the Gong Family in the future, she couldn't offend the Mo Family.

This would affect their relationship.

Madam Gong was reminding Shangguan Qing to stop causing trouble.

But Shangguan Qing didn't listen to her.

She didn't take it seriously.

In her opinion, even if Qiao Mianmian was Mo Yesi's girlfriend, so what if he brought her home?

A lowly actress.

How could Second Young Master Mo really marry her?

It was just because of her face.

But men had a fresh period. No matter how beautiful a woman was, it wouldn't matter if she was around for a long time.

Without a good family background, she was just a plaything.

Just like the pampered cats and dogs, their status was always low.

The Mo Family was the most prestigious family in Yuncheng City. How could they allow a lowly actress to enter their ranks?

Thinking of this, Shangguan Qing didn't take Qiao Mianmian seriously anymore.

On the surface, she was dealing with Madam Gong, but in her heart, she wanted to find a chance to teach Qiao Mianmian a lesson.

She didn't believe it.

She was just a small actress, what else could she do?

"Auntie, I got it. Don't worry, I won't let my thoughts run wild again." Shangguan Qing put on an obedient look to please her.

Madam Gong was very satisfied with her attitude.

She took Shangguan Qing's hand and patted it gently. "Qingqing, I thought that no matter what, Zeli wouldn't do something so ungentlemanly. But he actually..."

Madam Gong sighed. "I feel bad for letting you suffer so much. I thought that our families knew each other well, and you're such an outstanding child. If you can be with Zeli, it'll be over.

"But Zeli went overboard today. Even Auntie doesn't want to forgive him for what he did. If you're disappointed in him and don't want to be with him anymore, Auntie understands."

"Auntie, I don't blame Brother Zeli," Shangguan Qing immediately said.

Chapter 1615: It Must Be Because of Qiao Mianmian

"Maybe Brother Zeli encountered something troubling today and is in a bad mood. That's why his temper is bad.

"Or maybe he misunderstood me.

"In any case, I can understand. I won't give up on him just because of this. Auntie, I-I still want to be with Brother Zeli. I want to marry him. I'm not afraid of anything. I'm just afraid that he likes someone else and doesn't want to be with me."

Shangguan Qing's eyes turned red.

Madam Gong immediately comforted her. "How could that be? Qingqing, you're so good. As long as you're willing to persevere, Zeli will definitely feel your sincerity. Auntie will also help you and make him like you sooner.

"Only you are the most suitable for Zeli. Auntie doesn't like other girls."

Because of what Madam Gong said, Shangguan Qing felt a little smug.

Yes, she was the most suitable for Gong Zeli.

In terms of family background, looks, and other qualities, she was the most suitable for Gong Zeli.

Hence, the position of Young Madam could only be hers.

"But Brother Zeli doesn't seem to like me..."

"It's alright, child. Feelings can be nurtured. Back then, your uncle and I didn't have feelings for each other from the start. They were slowly nurtured. Aren't your uncle and I rather loving now?

"If you want to get Zeli's heart, you have to be patient. I've said it before, he has no lack of girls around him since he was little. He's just passive in relationships, and he needs the other party to take the initiative.

"Chase after him and hold on for a while. He's not made of steel, how can he remain indifferent?"

Even though Shangguan Qing had been traumatized by Gong Zeli, she never thought of giving up.

She'd liked him for so many years.

Of course, she wouldn't give up so easily.

Besides Gong Zeli, she had never thought of marrying another man.

“Auntie, I’ll work hard.” Shangguan Qing took a deep breath and clenched her fists. “I’ll definitely work hard to make Brother Zeli like me.”

...

Qiao Mianmian and Gong Zeli’s time on the hot searches passed very quickly.

She thought that this matter was over and didn’t take it to heart.

But when she opened her eyes the next day, she saw a piece of news.

It was about Boss Huang’s management company.

The news said that Boss Huang’s company was suddenly found to have a problem with taxes. The company was temporarily under investigation. If it was confirmed that Boss Huang evaded taxes, he might even be arrested.

Because of this, Qiao Mianmian was trending again.

The netizens on Weibo were discussing how Boss Huang’s company had no problems before, but it suddenly had a problem now.

Everyone knew that Qiao Mianmian was harassed and molested by Boss Huang at the KTV that night.

After he was exposed for harassing her, a problem with the company’s taxes arose.

What a coincidence.

Wasn’t it obvious that someone wanted to stand up for Qiao Mianmian?

And this person was most likely Qiao Mianmian’s mysterious boyfriend.

The netizens left comments on Mo Yesi’s Weibo.

“@Nameless, are you trying to protect your wife? Boss Huang’s company was found to have tax issues. Did you do it?”

Chapter 1616: Qiao Mianmian’s Rich Boyfriend

“Wow, this is too much. Are you really taking revenge for Qiao Mianmian in Boss Huang’s company?”

“Hahaha, I’m relieved to see that Mianmian’s boyfriend is so protective of her.”

“Wow, I’m so envious. I thought I was reading a domineering CEO novel. I wish I had such a domineering and loving boyfriend.”

“So, has anyone found out Nameless’s identity? We seriously suspect that he’s the one who acquired the Su Corporation. If he can casually acquire a company, he must be very impressive.”

“Let me reveal a secret to everyone. Qiao Mianmian’s boyfriend is indeed extraordinary. Everyone knows about the Mo Family, right? I heard that he’s from a branch family of the Mo Family. His family is considered a pretty good branch.

“The Mo Family’s branch family? I think this information is plausible. If he’s from the Mo Family, we can understand why Young Master Yan and Young Master Gong know him. Wow, I’m so envious of Qiao Mianmian. Her boyfriend is handsome, rich, and comes from a rich family. He dotes on her so much. She must have saved the galaxy in her previous life.”

“I don’t know about anything else, but I know that no one would dare to do anything to Qiao Mianmian.”

“Boss Huang just flirted a little and the company was investigated immediately. Who else dares to go against the rules?”

Soon, because of the netizens’ heated discussion, Mo Yesi also went on trending.

#Nameless and the Mo Family’s relationship

#Qiao Mianmian’s rich boyfriend

#Nameless’s identity revealed

Mo Yesi instantly occupied three trending topics, even more than Qiao Mianmian.

The trending topics were all about his identity.

The most reliable explanation was that he was a relative of the Mo Family.

No one expected Mo Yesi to be the new Chairman of the Mo Corporation.

After all, many people had heard of that rumor.

Second Young Master Mo wasn’t interested in women.

He was never seen with a woman by his side.

Hence, no one thought of Mo Yesi’s identity as the Chairman of the Mo Corporation.

Moreover, to them, the members of the Mo Family’s branches were also very powerful.

“Mianmian, have you seen the hot searches on Weibo? They’re all speculating about your boyfriend’s true identity.” Nana liked to gossip, and she always scrolled through Weibo when she was free. Hence, she knew almost everything that happened on Weibo.

Qiao Mianmian nodded. “Mm, I saw it.”

She never thought that the netizens would be so curious about Mo Yesi’s identity.

They were so curious that just discussing his identity alone made three trending topics.

Actually, Nana was rather curious too. She gossiped for a while and then asked, “Mianmian, the Internet says that your boyfriend is from the Mo Family. Is that true? Of course, I’m just asking casually. If you find it inconvenient to answer, don’t bother about me.”

"It's not inconvenient. The netizens are right," Qiao Mianmian said.

"They guessed right? Then, your boyfriend is really from the Mo Family?" Nana widened her eyes.

Qiao Mianmian thought for a while and nodded.

Mo Yesi was indeed from the Mo Family.

Hence, this wasn't wrong.

Nana was envious.

The Mo Family was indeed very powerful.

He was rich, handsome, and came from a prestigious family. Most importantly, he valued and pampered Qiao Mianmian.

Who wouldn't want such a boyfriend?

But Nana felt that some things couldn't be envied.

Chapter 1617: Let Them Watch

First of all, she didn't have Qiao Mianmian's looks.

As a woman, she felt that Qiao Mianmian was too beautiful.

Only an outstanding man was worthy of a fairy.

Hence, Qiao Mianmian was actually very compatible with her boyfriend.

Moreover, Qiao Mianmian's boyfriend's status was a good thing. In that case, the men in the industry wouldn't dare to have any ill intentions towards her.

He could prevent that from happening again!

...

It was lunch break.

Qiao Mianmian was having her lunch in the van.

After lying down for a while, she received a call from Mo Yesi.

She picked it up and heard the man say, "Where are you? I'm at the set."

Qiao Mianmian immediately got up.

She rubbed her eyes and looked out of the window. "You're in F City?"

"Mm."

"You're on our set now?"

"Mm."

“...Where are you? I’ll look for you.”

Mo Yesi gave her the address.

Qiao Mianmian immediately got out of the car to look for him.

It wasn’t difficult to find him.

Because wherever Mo Yesi appeared, he would be the center of attention.

Qiao Mianmian followed the address he gave her and saw people crowding around.

They were the female crew members.

Qiao Mianmian quickened her pace and saw Mo Yesi leaning against a silver Lamborghini.

The man was dressed in a white shirt and black trousers. The sleeves of his shirt were rolled up, revealing a simple and elegant watch on his wrist.

The shirt and pants were the simplest.

But they looked especially good on him.

The man’s long legs were crossed casually, but his powerful aura was undeniable.

A group of female crew members stood a few meters away from him secretly sizing him up.

Mo Yesi was good-looking and had a good figure.

Wherever he was, he would attract the attention of the opposite sex.

When Qiao Mianmian walked over, she heard a few female employees covering their mouths and exclaiming, “So handsome.”

The man had no expression on his face. His gaze was cold and distant, and he exuded a cold aura.

But the moment he heard the familiar footsteps and looked up at Qiao Mianmian, his cold aura vanished.

The ice in his eyes melted.

The female crew members were shocked.

Seeing Qiao Mianmian, Mo Yesi got up and walked towards her.

Qiao Mianmian had just reached him when the man reached out and pulled her into his arms.

He didn’t mind that they were being watched.

Qiao Mianmian fell into his arms and smelled his familiar scent. She blushed and pushed him gently.

“Mo Yesi, let go of me. People are watching.”

“Let them watch.”

“...Aren’t you embarrassed?”

Mo Yesi didn't care at all. "What's there to be embarrassed about?"

Qiao Mianmian was speechless.

The few female crew members smitten with Mo Yesi were instantly tortured.

They knew their place.

The main character was already here, and the two of them were so intimate. How could they stand there and watch?

Chapter 1618: I'm Wrong, I Repent

After a moment of jealousy, they left.

When no one else was around, Mo Yesi became even more unrestrained.

He pinched Qiao Mianmian's chin and leaned towards her. "Baby, don't you owe me an explanation?"

Qiao Mianmian blinked. "I owe you an explanation? What explanation?"

The man narrowed his eyes and said unhappily, "Why didn't you tell me that you were harassed that night? Did you think that someone could help you solve the problem, so you don't need me anymore?"

Although it was a question, Qiao Mianmian could hear the unhappiness and jealousy in it.

She was stunned for a few seconds before laughing. "You're not angry about this, are you? I didn't tell you because I didn't think it was necessary. Someone harassed me, but thankfully, Gong Zeli appeared in time, so nothing bad happened.

"What's the point of telling you?"

"After that, because the matter was resolved, I didn't feel the need to tell you."

Qiao Mianmian looked at his expression.

"Are you really angry about this?"

Mo Yesi narrowed his eyes. "Remember what you promised me?"

Qiao Mianmian knew what he was about to say.

She blinked innocently. "I remember. I promised to tell you no matter what happened."

"So you still remember."

Mo Yesi pursed his lips and frowned. "Did you do it?"

Qiao Mianmian replied, "...No.

"I'm sorry, I was wrong. I repent." She admitted her mistake with a good attitude. "I've realized my mistake now. I'll reflect on myself and never make the same mistake again.

“No matter what happens in the future, whether it’s resolved or not, I’ll tell you.”

Mo Yesi was speechless.

He didn’t know what to say.

If he blamed her again, it would seem like he wasn’t magnanimous enough.

“Should I believe you?”

“Of course.” Qiao Mianmian hugged him and said softly, “It’s true this time. Believe me again, alright? I won’t keep things from you anymore. Moreover, I didn’t tell you because I was afraid you’d worry.

“You were out on a business trip, I didn’t want to distract you.”

Mo Yesi was no longer angry.

He just felt uncomfortable that she kept it from him.

How could he not know that she didn’t want him to worry?

He sighed and pinched her face helplessly. “If there’s a next time, I’ll tie you to me and won’t let you go anywhere. I won’t have to worry about you all day.”

Qiao Mianmian was speechless.

“Alright, alright. This matter has come to an end. Have you eaten? Do you want me to accompany you? Also, have you finished work? Why are you here? Are you tired? Do you want to rest? Do you want to return to Yuncheng City today?”

Mo Yesi chuckled. “Mm, I’ve eaten. I’m done with work for now.”

Chapter 1619: Open It and See if You Like It

“I missed you, so I came over. I’m a little tired, but all the fatigue is gone when I see my baby. I won’t be going back today, I’ll stay here with you.”

The man patiently answered her every question.

Qiao Mianmian smiled.

They hadn’t been apart for long.

Although Qiao Mianmian was filming in a foreign land, Mo Yesi often came to accompany her.

This time, it was probably the longest they’d been apart, almost 10 days.

Qiao Mianmian felt like she hadn’t seen Mo Yesi for a long time.

She hoped that he would stay today.

“Really?”

“Mm, I’m not going back.”

“I should be able to wrap up early today.” Qiao Mianmian’s eyes lit up. “When I’m done, I’ll take you around tonight. I’m very familiar with F City now, I know what’s good and fun here.”

Mo Yesi smiled and said, “Alright.”

“I’ll treat you to dinner tonight.” Qiao Mianmian said excitedly, “I know a good restaurant. Can we go there tonight?”

“Mm, just arrange it.”

“Then, that’s settled. I’ll take you shopping after we’re done. There’s an alley here, and all kinds of lanterns are hung at the shops at night. The alley is also very vintage and unique. Do you want to go shopping?”

“Alright.”

“After shopping in that alley, we can go to the snack street next door. Let me tell you, there are many kinds of snacks on that street, and they all taste good. Also...”

“Baby, stop for a while.” Mo Yesi interrupted her. “There’s no rush. We can discuss it later. Why don’t you ask me if I brought you a gift?”

“A gift?” Qiao Mianmian blinked.

“Mm, a gift.” Mo Yesi pinched her face and looked at her lovingly. “Other women’s husbands have to bring gifts when they go overseas for work. Have you never thought of getting me to bring you a gift?”

Qiao Mianmian was speechless.

She hadn’t thought about it.

She didn’t know that her husband had to bring gifts from overseas.

Qiao Mianmian was stunned for a while before coming to a realization.

She looked up and smiled. “Hubby, did you bring me a gift?”

“I did, but some people don’t seem to be looking forward to it. Do you want me to give you this gift or not?”

“Yes, yes.” Qiao Mianmian immediately shook his arm. “Who said I’m not looking forward to it? I’m looking forward to it. Quickly take it out and let me see what you brought me.”

Mo Yesi was just teasing her. He quickly took out a box from his pocket.

He handed it to Qiao Mianmian. “Open it and see if you like it.”

It was obvious that there was jewelry inside.

Qiao Mianmian opened it and saw a bracelet inside.

It was a diamond-studded bracelet. It was simple and suitable for daily wear.

Qiao Mianmian liked it very much.

Mo Yesi had bought her expensive jewelry before.

But Qiao Mianmian kept it away.

As jewelry was too expensive, she was always worried that she would lose it, so she simply put it all away.

Mo Yesi probably knew why she did that, so the bracelet he bought this time was suitable for daily wear. It didn't look expensive.

Chapter 1620: You're Chasing Me Away?

She didn't know that every piece of jewelry Mo Yesi bought for her wasn't cheap.

She thought it was cheap.

"You like it?" Mo Yesi smiled and took the bracelet from her. "I'll put it on for you."

Qiao Mianmian nodded and extended her hand.

Mo Yesi put the diamond-studded platinum bracelet on her wrist. "Mm, I knew this bracelet would suit you."

Qiao Mianmian had small bones and fair skin. The thin platinum bracelet looked good on her wrist.

Mo Yesi especially picked the bracelet for her after attending an event.

It wasn't cheap.

There were only a few in the world.

And it wasn't even listed.

But Mo Yesi didn't intend to tell Qiao Mianmian the price of the bracelet. If she knew, she would definitely take it off and lock it away.

"Thank you, Hubby. This bracelet is very beautiful. I like it very much." Qiao Mianmian knew that she had to be sweet-tongued when accepting things from others. Mo Yesi smiled when she called him Hubby.

"As long as you like it."

He had spent a lot of effort to get this bracelet.

Qiao Mianmian looked at the sparkling diamond on the bracelet and asked, "How much did you pay for this bracelet?"

"It wasn't expensive. 70,000 to 80,000 yuan."

Mo Yesi felt that if he quoted a price that was too low, Qiao Mianmian definitely wouldn't believe it.

As expected, Qiao Mianmian didn't doubt his words.

It wasn't cheap for an ordinary person.

But for Mo Yesi, it was really cheap.

Qiao Mianmian kept the bracelet.

...

The crew didn't have a long lunch break. Qiao Mianmian thought that Mo Yesi would leave when she went back to work.

But the man didn't seem to have any intention of leaving.

Qiao Mianmian couldn't help but ask, "Mo Yesi, aren't you leaving?"

The man raised an eyebrow. "You're chasing me away?"

"No... I'm going to film soon."

"Mm, I know."

"Then, you..."

"I'll go with you."

Qiao Mianmian was shocked.

"You're coming with me?"

"Why, I can't?" Mo Yesi smiled. "I just thought about it. It's meaningless to go back alone. I might as well stay with you on set and leave with you when you're done."

Qiao Mianmian realized that he was serious.

She was speechless.

The thought of Mo Yesi staying on set to watch her act with another man made her feel strange.

And she started to worry.

She remembered that she had two intimate scenes with Qin Han in the afternoon. They had physical contact.

There was a scene where Qin Han hugged her.

There was another scene where Qin Han would knock her down.

This was nothing.

She and Qin Han were a couple who liked each other in the show, so it was inevitable that they had some intimate scenes.

But with Mo Yesi around.

If he saw her being intimate with Qin Han.

Qiao Mianmian couldn't even imagine it.

Mo Yesi's jealousy would probably soar.

He would be jealous of any man she spoke to.

Not to mention if she filmed an intimate scene with another man.

Qiao Mianmian didn't want him to stay.
