

## Big Shot 1621

### Chapter 1621: Worried That He'd Be Overcome With Jealousy

She tried to persuade him. "But we'll all be filming, you'll be bored alone. And I won't have time to care about you. You should go back and rest first. I'll call you when I'm done."

Mo Yesi didn't mind. "You don't have to care about me. I'm not a child, I know how to pass the time."

"But..." Qiao Mianmian struggled.

"Baby, you don't have to worry that I'll be bored." Mo Yesi smiled. "When the time comes, you can do your thing. Don't worry about me."

Qiao Mianmian was speechless.

She wasn't worried that he would be bored.

She was worried that he would be jealous.

"Why, you don't want me to stay?" Mo Yesi saw the conflict on her face and frowned. "You don't want the rest of the crew to see me with you?"

"No." Qiao Mianmian immediately denied it. "We've already made it public, and the crew knows that you're here today. What's there to not let others know?"

"Then, why don't you want me to stay?"

Mo Yesi wasn't stupid. He could tell that Qiao Mianmian was finding so many excuses just to stop him from staying.

Qiao Mianmian kept quiet for a while.

A moment later, she seemed to have compromised. She sighed and said, "Alright, you're the one who wants to stay. Anyway, don't be angry later. No matter what I do, it's a job requirement."

Mo Yesi frowned again. "What do you mean?"

"Nothing." Qiao Mianmian blinked. "Alright, it's about time. Let's go."

She didn't intend to tell him now.

She felt that if she told Mo Yesi now, he might make unreasonable requests of Bai Yusheng.

Like changing the script.

She believed he could do this.

...

When Qiao Mianmian and Mo Yesi appeared hand in hand in front of the rest of the crew, everyone looked at them in shock.

Qiao Mianmian made it public on Weibo.

The crew knew that she wasn't single anymore.

And everyone knew that she had a rich and handsome boyfriend.

But Qiao Mianmian brought her boyfriend over so openly.

Some of the female artistes' eyes lit up when they saw Mo Yesi's handsome face.

Someone had posted a picture of Mo Yesi online.

Hence, everyone was familiar with his looks.

But seeing him online was different from seeing him in real life.

The Mo Yesi in the photo was already very charming.

His charm in real life doubled.

It wasn't just the female artistes. The eyes of all the men in the crew lit up when they saw Mo Yesi.

Bai Yusheng was stunned when he saw his sister and brother-in-law appear in front of the crew.

Qiao Mianmian held Mo Yesi's hand and walked towards him.

Bai Yusheng looked at them. "What are you doing?"

"Brother, he wants to stay on set and wait for me to end work. Help me arrange it."

Qiao Mianmian was glad that the director was her brother. Moreover, Mo Yesi and Bai Yusheng had a good relationship.

It was easy to arrange this.

Bai Yusheng was stunned and turned to look at Mo Yesi. "You want to stay on set?"

### **Chapter 1622: Why Do I Need a Reason to Wait for My Wife?**

"Mm."

"If you don't find it boring, then stay. Anyway, I won't be able to care about you when I'm busy."

"I don't need you to accompany me."

"Alright." Bai Yusheng suddenly thought of something.

He also recalled that Qiao Mianmian and Qin Han had two intimate scenes in the afternoon.

Having been friends for so many years, he naturally knew Mo Yesi's personality.

But like Qiao Mianmian, Bai Yusheng didn't intend to tell him now.

Qiao Mianmian didn't tell Mo Yesi that she had an intimate scene with Qin Han in the afternoon because she was afraid that he would be jealous.

Bai Yusheng wanted to watch a good show.

How would Mo Yesi react when he saw Qiao Mianmian's intimate scene with another man?

Bai Yusheng looked forward to it.

"Then, Mianmian, we don't have to bother about him." Bai Yusheng looked at the time on his watch and clapped. "Go and touch up your makeup and familiarize yourself with the script. The next scene will be yours."

Qiao Mianmian nodded and let go of Mo Yesi's hand. "Then, I'll go and touch up my makeup?"

"Mm, go on."

Qiao Mianmian didn't bother with him while she was working. She turned around and went to the dressing room.

Bai Yusheng got someone to bring a chair over and Mo Yesi sat down beside him.

"Why are you suddenly waiting for her at the set? Do you feel threatened by the news online?" Bai Yusheng asked teasingly when he saw Qin Han walking over.

Mo Yesi glanced at Qin Han and said calmly, "What reason do I need to wait for my wife? As for the sense of crisis, no one in your crew can make me feel threatened."

"Is that so?" Bai Yusheng smiled. "That's for the best. It's good that you're confident. Now I'm not worried that you'll be jealous when Mianmian shoots an intimate scene with another man."

Mo Yesi's expression changed.

He narrowed his eyes and frowned. "Mianmian has an intimate scene with another man? Who are you referring to, the male lead?"

Bai Yusheng looked at his expression and found it funny. "Don't you know that all female leads can't avoid intimate scenes with the male lead?"

Mo Yesi frowned.

Of course, he knew.

Was it normal for the male and female leads to not have intimate scenes?

When he accepted Qiao Mianmian as an actress, he was already mentally prepared.

But hearing it from Bai Yusheng made him feel uncomfortable.

Bai Yusheng looked at his expression and continued, "You should know that this is Mianmian's job. If you can't accept it, I suggest you don't stay on set. Otherwise..."

He would be furious when he saw Qiao Mianmian and Qin Han acting intimate.

Mo Yesi frowned. "Did she have an intimate scene this afternoon?"

“Let me think.” Bai Yusheng pretended to think for a while before saying, “I think so. The next two scenes have a lot of intimate contact.”

Mo Yesi’s expression darkened.

He pursed his lips and kept quiet for a while before saying coldly, “Give me the script, let me take a look.”

“The script is our crew’s confidential document, you...”

### **Chapter 1623: Do Whatever You Want to Do**

“Cut the crap, give me the script.”

“Alright, this is what you want to see. Don’t lose your temper when you see it later.”

Bai Yusheng found the script and handed it to him.

Mo Yesi took it but didn’t flip it open. He asked coldly, “Which page of today’s show is it? What’s the plot?”

Bai Yusheng took the script back and flipped it to the page before handing it back to him. “Take a look yourself.”

Mo Yesi’s expression was alright.

Although it was a little cold, Bai Yusheng felt that it was still acceptable.

But less than a minute later.

Mo Yesi’s expression darkened, and Bai Yusheng felt a chill down his spine. He was the closest to him, and his arms were covered in goosebumps.

“You wanted to see it yourself.” He rubbed the goosebumps on his arms. “But you don’t have to care too much. This is an actor’s daily routine. And I’ve already taken your feelings into account. Actually, today’s two scenes are nothing.”

“That’s nothing?”

Mo Yesi closed the script and turned around. “You mean there’s a more intimate scene?”

“Of course.” Bai Yusheng didn’t seem to notice his darkened expression and said seriously, “Ah Si, although you’re not an actor, you should know it’s normal for actors to have intimate scenes when they’re filming. This is Mianmian’s job. No matter what scene she’s filming, it’s just work.

“If you allow her to remain in the entertainment industry and continue being an actress, you have to be mentally prepared to accept that she’ll be filming intimate scenes with other men.

“It’s not the time yet, you can leave before we start filming. Out of sight, out of mind. It’s fine if you don’t see it.

“And I’ve already taken your feelings into account. The two scenes today were meant to be very intimate, but I’ve edited them.”

Despite what he said, Mo Yesi remained silent.

Bai Yusheng patted him on the shoulder. “Brother, take it easy. I know you care about Mianmian, but this is her job. As her husband, you have to support her.”

How could Mo Yesi let it go?

He couldn’t wait to hide Qiao Mianmian from everyone except him.

How could he not mind watching his wife act intimately with another man?

Even though he knew that this was part of Qiao Mianmian’s work.

Just as Bai Yusheng said, he actually knew about this previously.

But he wasn’t there, so he didn’t pay attention.

If he saw it with his own eyes...

He felt that he might not be able to tolerate it.

“Alright, think about it for a while more. My suggestion is that you leave and not create trouble for yourself. Moreover, Mianmian will feel pressured if you stay here and watch.

“Of course, it’s up to you if you want to create trouble for yourself.”

With that, Bai Yusheng ignored him and got up to greet the other actors.

Mo Yesi held the script with a dark expression.

He looked at the male lead of the show, Qin Han. When his gaze landed on his gentle and handsome face, his eyes turned even colder.

He remembered Qiao Mianmian saying that Qin Han was her idol.

Mo Yesi had already checked on him, so he knew what Qin Han looked like.

### **Chapter 1624: Her Boyfriend Is So Petty?**

But seeing that Qin Han looked even better in person, Mo Yesi couldn’t help but feel jealous.

The Tu Yilei from before was just a kid.

Although he was also a danger, Mo Yesi didn’t feel that threatened.

But this Qin Han...

Mo Yesi had to admit that he was handsome.

He wasn't as childish as a high school student. He had the stability and restraint of a mature man and looked gentle.

He looked like a gentleman from an ancient family.

Women liked Qin Han.

Qiao Mianmian was his fan...

The more he thought about it, the more upset he felt.

Although he knew that Qiao Mianmian didn't have any feelings for Qin Han, he couldn't ignore this man.

When Mo Yesi was sizing him up, Qin Han was already sizing him up too.

He knew Mo Yesi too.

But this was his first time meeting him in real life.

Qin Han sized him up and felt that Qiao Mianmian had good taste.

Her boyfriend was indeed outstanding. Not to mention anything else, just his looks alone were better than many people in their circle.

That powerful aura wasn't something an ordinary person could have.

It was the aura of an expert.

A man like him, even if others didn't know his identity, couldn't treat him as an ordinary person.

He didn't look like an ordinary person.

But...

While Qin Han admired Mo Yesi, he also felt a trace of hostility from his eyes.

He frowned in confusion and looked at Mo Yesi for a few seconds before looking away.

Qin Han kept quiet for a few seconds before asking his assistant, "Did you see Qiao Mianmian's boyfriend?"

The assistant was speechless.

Of course he saw it.

He was so big and had such a strong presence. Everyone in the crew must have seen him.

Although he didn't know why Qin Han asked him this, the assistant replied honestly, "Brother Han, I saw it."

"Do you think her boyfriend is hostile toward me?" Qin Han was confused. "Or am I wrong?"

The assistant was stunned.

He turned to look at Mo Yesi and thought for a while before saying, "Brother Han, you're right. I feel it too."

"You felt it too? Then, why do you think her boyfriend is hostile towards me?"

Qin Han couldn't think of a reason.

He hadn't bullied Qiao Mianmian, nor had he had any scandals with her.

Why was her boyfriend hostile towards him?

The assistant thought about it seriously and said, "He's probably unhappy because you're good-looking and you're a couple in the show with his girlfriend?"

Qin Han was stunned.

"Her boyfriend is so petty?" Qin Han had read the script beforehand, so he knew that he and Qiao Mianmian had two intimate scenes this afternoon.

He frowned and looked at Mo Yesi again.

For the first time in his life, he felt immense pressure because he had to film a certain scene.

This pressure wasn't from work.

...

Qiao Mianmian had no idea about what had happened.

She went to the dressing room to change and put on her makeup. After leaving the dressing room, she walked to the filming location.

### **Chapter 1625: You Have to Shoot the Scene in the Afternoon?**

She saw Mo Yesi sitting there.

The man exuded a cold aura, and his eyes were narrowed as if he was thinking about something.

It was probably because he looked so unapproachable that even the people walking past him were a few meters away.

There were still actors filming on the set. Qiao Mianmian's two scenes hadn't arrived yet. While waiting, she walked to Mo Yesi.

As she approached, the man seemed to sense her presence and turned to look at her.

When his gaze landed on her, his aura instantly changed.

His expression was different too.

He was no longer cold and distant. Gentleness and affection filled his eyes.

"Are you bored here alone?" Qiao Mianmian sighed. "I told you to leave, but you didn't want to. It's really boring for you to stay on set, you should..."

“I’m not bored.” Before she could finish, he grabbed her soft hand and held it gently. “With you around, how could I be bored?”

“But...”

Qiao Mianmian squatted down beside him and looked up at him. “I really think you’ll be very bored. And, and...”

“And what?”

Qiao Mianmian pursed her lips and blinked.

“Moreover, I feel a little uncomfortable with you watching me. The production crew has a lounge too. Why don’t you wait for me in Brother’s lounge? I’ll look for you when I’m done.”

Qiao Mianmian didn’t want Mo Yesi to see her acting intimate with Qin Han.

This jealous lover would definitely do something.

What if he did something irrational?

The jealous Mo Yesi was very irrational.

Hence, Qiao Mianmian felt that this could happen.

She had to persuade this man to leave before that happened.

Qiao Mianmian felt Mo Yesi tighten his grip.

“Will you feel uncomfortable if I stay here?”

He was obviously unhappy with this.

The man frowned and pursed his lips. He didn’t seem to be in a good mood.

Qiao Mianmian said, “...Don’t misunderstand, I don’t mean to despise you. I just feel uncomfortable letting my husband watch me act with someone else.”

“The love scene?” Mo Yesi couldn’t help but say sourly, “It’s an intimate scene with someone else.”

Qiao Mianmian said, “...You know? Who told you? Was it my brother?”

Mo Yesi looked unhappy. “It’s not important who told me. Do you have to shoot the scene in the afternoon?”

Qiao Mianmian pursed her lips. “Mm.”

She knew that Mo Yesi would be unhappy.

But this was her job.

Mo Yesi pursed his lips and kept quiet.

After a while, Qiao Mianmian shook his arm. “Are you angry?”

Mo Yesi looked at her quietly.

He wanted to say that he wasn't angry, but he didn't want to lie to himself.

"You're really angry?" Qiao Mianmian shook his arm again and coaxed softly. "Alright, don't be angry. You know that this is just acting. It's not reality. No matter what I do in my acting, it's not true."

### **Chapter 1626: Don't Want to Be the Person You Hate**

"Didn't you say you'd support my work?"

"Mm, I did."

Of course he remembered what he said.

But at that time, he didn't think too much about it.

Moreover, even if he wasn't willing, he couldn't deprive her of her preferences and not let her do what she liked.

That would be too selfish of him.

"Is it too late for me to back out now?"

The man looked serious.

Qiao Mianmian said, "...Hubby, I really like acting."

Mo Yesi kept quiet for a few seconds before sighing and stroking her head. "Alright, I got it."

"So, you don't object?" Qiao Mianmian's eyes lit up again.

Mo Yesi looked at her. "If I object, will you listen to me?"

"Uh..."

"So what's the point of me objecting? Rather than objecting and having you hate me, the best choice is to support you."

"But..." Qiao Mianmian looked at his expression and said, "You don't want me to continue acting, right?"

"Do you want to hear the truth? To be honest, I really don't like it. It's not that I don't like you as an actress, but I don't want to see you interact with other men. I know this is your job, I shouldn't mind it so much, but I can't control my feelings."

"Baby."

Mo Yesi sighed again. "I don't want to become the kind of person you hate."

Hence, even if he didn't like it, he had to tolerate it.

Just because this was what she liked to do.

Qiao Mianmian was about to say something when she heard Bai Yusheng rushing her. "Mianmian, get ready. It's your turn."

Qiao Mianmian looked at Mo Yesi deeply. "I'm going over?"

Mo Yesi nodded. "Mm, go on."

Seeing that he had no intention of leaving, Qiao Mianmian didn't say anything else. When it was her turn, she didn't delay and immediately went to find a seat.

When she went over, Qin Han was already standing.

Qiao Mianmian thought that with Mo Yesi around, she wouldn't be able to perform well.

But that didn't happen.

Before the performance, she felt a little uncomfortable.

But as soon as Bai Yusheng shouted, she and Qin Han immediately got into their characters. Besides their acting, they had no time to pay attention to anything else.

Qin Han was just like Qiao Mianmian.

When it came to acting, he would focus on it and wouldn't be distracted by anything else.

The performance went smoothly as usual.

The only thing that made Qin Han feel different was that he felt a chill on his back.

He didn't know where the cold air came from, but it kept blowing on his back.

When the intimate scene was taken.

The male lead played by Qin Han and the female lead played by Qiao Mianmian had a fight because of a misunderstanding. The female lead wanted to leave in a fit of anger, but the male lead chased after her and hugged her from behind.

The female protagonist struggled, and the male protagonist hugged her even tighter.

Mo Yesi had seen this scene in the script.

Hence, when he saw Qiao Mianmian's female lead arguing with Qin Han's male lead, Qiao Mianmian turned around and ran away. When Qin Han chased after her, Mo Yesi suddenly stood up.

"Wait, don't shoot it first."

### **Chapter 1627: What She Was Worried About Happened!!**

He walked towards Bai Yusheng.

Everyone looked at him in shock.

Qiao Mianmian and Qin Han couldn't continue acting.

The two of them returned to reality after a while. Qiao Mianmian looked at Mo Yesi in shock.

She didn't know what he wanted to do.

Bai Yusheng frowned unhappily. "Mo Yesi, what do you mean?"

Mo Yesi glanced in Qin Han's direction and said calmly, "I think we can use a substitute for the later scene."

"Use a substitute?" Bai Yusheng frowned even harder. "You mean to find a substitute for Mianmian? Mo Yesi, are you here to cause trouble?"

Mo Yesi said, "I'm serious."

Bai Yusheng was speechless.

He wanted to scold him.

He knew that this guy wouldn't be able to sit still.

He really didn't know why he was staying here. He was just looking for trouble.

"Are you kidding me? How could it be so easy to find a substitute that resembles Mianmian at a time like this? I've already told you, if you can't stand it, don't force yourself to look. Now that you've seen it, are you sure you're not here to cause trouble?"

Bai Yusheng couldn't tolerate his work progress being interrupted, and it was because of someone's jealousy.

"I didn't say to find a substitute for Mianmian." Mo Yesi was still calm. He placed his hands in his pockets and looked at him. "What do you think of me?"

Bai Yusheng frowned. "You? What do you mean?"

"I'm about the same height and figure as the male lead. I think I can be his substitute."

"Are you crazy?!" Bai Yusheng finally understood what he meant and was shocked. "You want to be Qin Han's substitute? Mo Yesi, do you know how to act? Are you kidding me?"

"I'm not in the habit of joking. I'll film the last scene." Mo Yesi didn't sound like he was discussing it with him.

Bai Yusheng was speechless.

"It's decided. I'll go change with him."

Mo Yesi didn't care whether Bai Yusheng agreed or not. He turned around and walked towards Qin Han.

As a senior in the industry, he had won several Best Actor awards at such a young age. Qin Han was already past the stage of being nervous when he saw someone.

But in front of someone with such a strong aura like Mo Yesi, even if he was the Best Actor, he couldn't help but feel nervous.

At this moment, as the Best Actor, he no longer had his usual composure. He was so nervous that he looked like a student who had seen a teacher.

“Mr. Qin.”

Mo Yesi stopped beside Qiao Mianmian and wrapped an arm around her waist.

He looked at Qin Han and said, “Mr. Qin, you don’t have to do the last scene. Let me do it. Mr. Qin, you don’t have any objections, right?”

Qin Han was stunned.

Qiao Mianmian looked up in shock. “Mo Yesi, what are you doing? Stop fooling around...”

“I’m not.” Mo Yesi looked down at the woman beside him. “I’ve already told the director that I’ll be Mr. Qin’s substitute and complete this scene with you.”

Qiao Mianmian was speechless.

### **Chapter 1628: Mo Yesi’s Feelings**

She knew that Mo Yesi would react to her intimate act with Qin Han.

But she didn’t expect him to make such a request.

He would be Qin Han’s substitute!

Was he serious?

Qiao Mianmian looked at him in shock. “Mo Yesi, don’t joke around. You’re Qin Han’s substitute? But you don’t know how to act.”

“I’m not.”

The man looked down at her seriously. “I’ve seen the scene, I think I can do it.”

Qiao Mianmian was speechless.

“But...”

“Since Mr. Mo is willing to be my substitute, I can’t ask for more.” Qin Han suddenly said, “Then, according to Mr. Mo’s wishes, Mr. Mo will complete the next scene for me. I don’t have any problems here. Mianmian, what do you think?”

Qin Han felt Mo Yesi’s hostility towards him.

Now, he was sure that Mo Yesi was really hostile towards him.

He must have known that it was going to be an intimate scene between him and Qiao Mianmian.

That was why he made such a request.

He was a possessive man.

But Qin Han could understand.

Mo Yesi wasn't from their circle, so it was normal that he couldn't accept his girlfriend acting intimate with another man.

If it was him.

If it was someone he liked, even if he knew it was for work, he would mind.

Hence, Qin Han was a little surprised by Mo Yesi's request, but he quickly understood.

On the contrary, Qiao Mianmian felt embarrassed.

She looked at Qin Han apologetically. "Brother Han..."

Qiao Mianmian didn't want to affect the progress of the entire crew because of her.

But Mo Yesi's actions would definitely affect it.

Qiao Mianmian had a terrible headache.

She didn't know what to do with him.

He would get angry again if she talked about him.

"Mianmian, it's alright with me," Qin Han said magnanimously. "I think we'll do as Mr. Mo says. Since he says it's fine, it should be fine. Let him try it. It won't take too much time."

"Mr. Mo." Qin Han turned to Mo Yesi. "Shall we change now?"

Mo Yesi kept quiet and looked down at Qiao Mianmian.

Qiao Mianmian was speechless.

What else could she say?

She knew Mo Yesi too well.

If she didn't agree, she probably wouldn't be able to coax him for a month.

Qin Han and Bai Yusheng had agreed, and she was the only one against it. It seemed like she really wanted to shoot that intimate scene with Qin Han.

"Go ahead." Qiao Mianmian had no choice but to compromise.

Mo Yesi nodded at Qin Han and followed him to the changing room.

...

A moment later, Mo Yesi changed into Qin Han's clothes.

He was about the same height as Qin Han, about the same weight, and about the same hairstyle.

Without looking at his face, his back view was really similar to Qin Han's.

Bai Yusheng stared at Mo Yesi for a few seconds before giving him a thumbs up.

Because he didn't want his wife to film an intimate scene with another actor, he actually did it himself. Besides Mo Yesi, there was probably no one else.

Seeing how much he cared about Qiao Mianmian, Bai Yusheng felt that he had nothing to worry about. It seemed like Mo Yesi had put in much effort.

### **Chapter 1629: Qiao Mianmian Really Didn't Know Him Anymore**

He cared more about Qiao Mianmian.

He didn't have to worry about her suffering anymore.

As for the future...

With the Bai Family backing Qiao Mianmian, if Mo Yesi dared to treat her badly, he, as her brother, would be the first to not let him off.

"I have to film this scene well." Bai Yusheng sighed. "After all, this is Chairman Mo's first performance. If it wasn't for Mianmian, I wouldn't have the chance to see it."

Bai Yusheng was teasing, but he was also speaking the truth.

If it wasn't for Qiao Mianmian, Mo Yesi wouldn't be doing this.

"Mo Yesi, can you really do it?" Qiao Mianmian pulled Mo Yesi aside and whispered. "Acting isn't as simple as you think."

Mo Yesi pursed his lips. "Baby, don't say I can't do it."

Qiao Mianmian was speechless.

"I'll try my best. It shouldn't be a problem."

Qiao Mianmian was skeptical.

He was a complete layman without any relevant experience.

She seriously suspected that something would happen to him.

"Mianmian, are you ready?"

Bai Yusheng urged, "Everyone, get into position when you're ready. We have to finish these two scenes today. Don't waste any more time."

"Director, I'm done." Qiao Mianmian didn't care if Mo Yesi was alright. She responded to Bai Yusheng and walked towards the filming location.

Mo Yesi followed her.

He had no experience in acting.

This was his first time acting.

Although he wasn't experienced, he knew what was going on.

Moreover, the person acting with him was his wife, so it wasn't difficult to act intimate.

Before the shoot, Bai Yusheng told him the rough way to perform. After a few minutes, the shoot officially began.

Qiao Mianmian thought it would take at least five or six NGs, and maybe even more.

After all, Mo Yesi was a noob in acting.

But she didn't expect the shoot to go so smoothly.

There was an NG.

But he only NG-ed three times before passing.

This was a very good performance for someone who had never acted or learned any relevant knowledge.

Even Qiao Mianmian was shocked by his performance.

Qiao Mianmian sized Mo Yesi up.

"What's wrong, Baby?" Mo Yesi couldn't help but ask. "Why are you looking at me like that? Don't you know your husband?"

Qiao Mianmian really didn't know him.

She bit her lip. "Mo Yesi, have you really never learned acting before?"

Mo Yesi chuckled. "Of course not. Why would I learn this?"

Qiao Mianmian knew that he wasn't lying.

She was just curious.

How could a person who had never learned anything perform better than some actors who had learned relevant knowledge?

It wasn't because of her.

Mo Yesi's two scenes just now were really better than many of the male idols in the industry.

Those fresh meat celebrities had the same expression from start to finish.

Many lines were counted.

Not only was Mo Yesi good at his lines, but he also memorized every word correctly.

In any case, his performance was beyond Qiao Mianmian's expectations, as well as Bai Yusheng and the rest.

**Chapter 1630: I Wonder How Long This Love Will Last**

Qin Han said to his assistant, "It's better than I thought."

The assistant nodded in agreement. "It's not bad. Although it's not as good as Brother Han's performance, it's not too bad. As long as it's not too bad and doesn't ruin Brother Han's reputation."

Qin Han smiled.

He looked at Mo Yesi, who was not too far away, and thought that with Mo Yesi's qualifications, he would definitely be a powerful opponent in the entertainment industry.

But even as a side family member of the Mo family, he was still a noble.

In the eyes of ordinary people, being an artiste was a very glamorous and profitable career.

But in the eyes of the true aristocrats, they were still not presentable.

Hence, even if he was just a side family member of the Mo family, it was impossible for him to enter the entertainment industry.

Bai Yusheng was an exception.

Moreover, Bai Yusheng was a director, not an artiste.

At this thought, Qin Han couldn't help but worry for Qiao Mianmian.

Could Qiao Mianmian marry into a family like the Mo family?

Mo Yesi seemed to like her a lot now, but he wondered how long this affection would last.

He didn't want to lose her like the other rich playboys.

"How was it, Honey? Did I do well?" Mo Yesi asked Qiao Mianmian.

Qiao Mianmian nodded. "Mm, not bad."

Mo Yesi immediately said, "If there's such a scene in the future, I can still be a substitute."

Qiao Mianmian was speechless.

"Alright, alright. You have nothing to do here. The two of you can go on your date." Bai Yusheng let Qiao Mianmian know in advance as he watched the two of them whispering to each other.

Normally, even after Qiao Mianmian's scenes were done, she would wait for the entire crew to wrap up before leaving.

But today, Bai Yusheng didn't mind letting his sister and brother-in-law leave early.

They were newlyweds and still needed to nurture their relationship.

As an older brother, he naturally had to create opportunities for them.

Mo Yesi wasn't polite at all. He held Qiao Mianmian's hand and said, "Mm, then I'll take her away."

“Go, go, go.” Bai Yusheng waved his hand as if he was chasing them away. “Hurry up and leave. My actors can’t even perform well if you stay here. All of them are so scared by you that they can’t even remember their lines. Don’t come again if there’s nothing else.”

Qiao Mianmian was speechless.

Mo Yesi still looked indifferent, as if he didn’t take Bai Yusheng’s criticism seriously.

He nodded. “Then, we’re leaving. Mianmian, let’s go.”

Qiao Mianmian left with him.

After they left.

A group of actresses and female crew members gathered and started discussing.

“Qiao Mianmian’s boyfriend is so jealous. In order to prevent Qiao Mianmian and Qin Han from filming an intimate scene, he actually acted as Qin Han’s substitute in those scenes. Gosh, this is too sweet and torturous.”

“How is it sweet? I think that man is too possessive. I don’t like possessive men. You can be controlled at any time and have no freedom.”

“You have to like someone very much to be so possessive. Anyway, I think it’s sweet. I just want to find someone who can control me.”

“Why is my focus different from yours? I think Qiao Mianmian’s boyfriend is too handsome. He’s even more handsome than Qin Han!”

“Someone even said that her boyfriend was a terrible old man. I didn’t expect him to be so young and handsome. Sigh, I’m so envious.”
