

Big Shot 1631

Chapter 1631: I'm Worried Something Happened to Luo Luo

"I heard he's from the Mo family's branch family. He must be from a rich family. He's so handsome, rich, and so good to her. She's so lucky."

"What luck? Since he's from the Mo family, do you think she can marry into the family? The Mo family is such a prestigious family, it's impossible to let a small artiste enter."

"That's true. With the Mo family's status, they'd definitely find someone of equal social status." The women who were envious of Qiao Mianmian felt a little better now.

A small artiste like Qiao Mianmian couldn't marry into the Mo family.

No matter how well her boyfriend treated her, he still had to marry another woman.

Cinderella's story was a fairytale, after all.

How could there be so many fairy tales in real life?

But even if she couldn't marry into the Mo family in the future, Qiao Mianmian wouldn't suffer any losses.

It was a good thing to be in a relationship with such an outstanding man.

Moreover, her boyfriend was very generous to her. When they broke up, she probably wouldn't be aggrieved by the compensation.

...

They left the set.

Mo Yesi got Wei Zheng to arrange the restaurant for their date.

It was a restaurant halfway up the mountain. It was a little far from the city and was rather remote.

But the environment was elegant and quiet. Moreover, after dinner, they could watch the stars in the observatory.

Mo Yesi felt that Qiao Mianmian would definitely like it.

After Qiao Mianmian got into the car, she thought about how Jiang Luoli hadn't contacted her for the past few days and couldn't help but feel strange. She sent Jiang Luoli a WeChat message.

Jiang Luoli would complain to her every day.

Even if there was nothing else, they would talk about their daily lives.

But this time, Jiang Luoli hadn't contacted her for two whole days.

Although it wasn't strange, Qiao Mianmian still felt that it wasn't normal.

Jiang Luoli didn't reply to her message.

Qiao Mianmian felt a little uneasy.

She called Jiang Luoli.

A robotic female voice sounded from the phone. "Hello, the number you've dialed is switched off."

Qiao Mianmian felt even more uneasy when she heard that.

Her expression changed.

Beside her, Mo Yesi quickly noticed her abnormality. He stopped the car while waiting for a red light and turned to look at her. "What's wrong? Did something happen?"

Qiao Mianmian nodded. "I'm worried something happened to Luo Luo."

"Jiang Luoli?" Mo Yesi was stunned. "What happened to her?"

Qiao Mianmian bit her lip and said, "I sent her a WeChat message just now, but she didn't reply. I called her, but her phone is turned off."

"So it's because of this." Mo Yesi chuckled. "Isn't this very normal? Perhaps her cell phone ran out of battery. Are you too nervous?"

"No." Qiao Mianmian's voice was firm. "Luo Luo hasn't contacted me for two days. She usually takes the initiative to chat with me every day. Moreover, her cell phone rarely runs out of battery. I just feel that something happened to her."

"Mo Yesi, I'm really worried that something happened to Luo Luo."

"Don't worry." Mo Yesi placed a hand on her shoulder and comforted her. "I'll call Big Brother."

Chapter 1632: He Should Want Her to Help Pay the Money Back

"Mm, then quickly give Big Brother a call." Qiao Mianmian's heart raced as she bit her lip. "I'm really worried about Luo Luo."

Seeing how worried she was, Mo Yesi immediately took out his cell phone and called Mo Shixiu.

Mo Shixiu picked it up after a while.

Mo Yesi went straight to the point. "Brother, have you met Jiang Luoli these last two days? Have you contacted her today?"

"She went back to her hometown, so we haven't seen each other this week. But we did contact each other this morning. Why?"

"Mianmian called her just now, but her phone was switched off. Mianmian was worried about her, so she asked me to call you."

“Turned off?” Mo Shixiu was silent for a few seconds before saying, “Maybe her cell phone ran out of battery.”

“Mm, that’s what I told Mianmian too. She said that Jiang Luoli’s cell phone rarely ran out of battery. She’s worried that something happened to Jiang Luoli. Since you’ve contacted her this morning, it shouldn’t be a problem.”

Mo Yesi hung up.

“Big Brother contacted her this morning, don’t worry. Her cell phone must be out of battery.”

“Is that so?”

Even so, Qiao Mianmian still felt uneasy.

Because every time she contacted Jiang Luoli, her phone was never off.

But Jiang Luoli and Mo Shixiu contacted each other this morning.

Then... it should be fine.

Perhaps she was overthinking.

Jiang Luoli was a smart person and could take good care of herself.

She would call her later. Even if her cell phone was out of battery, it would be charged in a few hours.

...

On the other side.

Mo Shixiu hung up and called Jiang Luoli.

The phone rang, indicating that Jiang Luoli’s phone was switched off.

Mo Shixiu didn’t think it was a big deal to turn off his cell phone.

But Qiao Mianmian said that Jiang Luoli rarely turned off her phone.

For a moment, Mo Shixiu couldn’t settle his work.

He called Assistant Xu into the office.

“Minister.” Assistant Xu said respectfully, “What can I do for you?”

Mo Shixiu pondered for a few seconds and frowned. “What’s my schedule next?”

Assistant Xu immediately reported. “Minister, you have to fly to S Nation tomorrow and go on a business trip for a week. When you return from S Nation, you’ll have a day off.”

Assistant Xu thought that he wanted to arrange a date with Jiang Luoli. He thought for a while and said, “Minister, if you want to cultivate your relationship with Miss Jiang, there’s still time. When the time comes, you can bring Miss Jiang over.”

“It’s not about this.” Mo Shixiu threw a pen on the desk.

“It’s not about this?” Assistant Xu was puzzled. “Then, why did the Minister suddenly ask me about your schedule?”

Mo Shixiu had asked about his schedule previously because of Jiang Luoli.

“Go and find out why Miss Jiang went back to her hometown this time.”

“Yes, Minister. I’ll check immediately.”

Ten minutes later.

Assistant Xu found out what happened and reported to Mo Shixiu. “Minister, I found out that Miss Jiang went back this time because of her brother.”

Jiang Luoli’s brother?

Mo Shixiu knew.

He nodded. “Continue.”

“Yes.” Assistant Xu thought for a while and immediately said, “Miss Jiang’s brother owes someone a sum of money and was locked up in the police station. Her parents called her to ask her to pay his debt.”

Chapter 1633: Book a Flight to Haicheng Immediately

“Owes money? For what?”

“Gambling.”

“How much?”

“10 million.”

Mo Shixiu frowned. “10 million? Why so much?”

This number wasn’t much to him.

But to the Jiang Family, it was an astronomical figure.

He had gotten someone to investigate Jiang Luoli a long time ago.

That was the night he was framed. After meeting Jiang Luoli, Assistant Xu was worried that she was someone arranged by the enemy, so he investigated her carefully.

That was when he found out that Jiang Luoli had a younger brother named Jiang Hai.

Jiang Hai was a money-grubber.

But it was definitely abnormal to owe 10 million yuan.

Given the Jiang Family’s financial situation, Jiang Hai couldn’t owe so much money. Because the Jiang Family couldn’t afford it.

Mo Shixiu realized that this wasn’t a simple matter. His expression darkened as he picked up his cell phone and called Jiang Luoli.

It was still switched off.

His expression turned serious.

“Minister, I found out that someone lent Miss Jiang’s brother 10 million yuan. He lost it all right after he got it. He was then arrested and sent to the police station because he couldn’t pay it back.”

“You mean someone lent him 10 million yuan?”

“Yes.”

“Do you think this is normal?”

“Of course not.” Assistant Xu thought for a while and analyzed. “It’s normal if it’s 10,000 to 20,000 yuan. With the Jiang Family’s family background, they might not even be able to pay a million yuan, let alone 10 million yuan.

“The person who borrowed so much money for Miss Jiang’s brother must have heard about the Jiang Family’s situation and know that they can’t pay it back. So, I think their purpose of borrowing money is to make Miss Jiang’s brother unable to pay it back and then arrest him in the name of not paying the debt.”

“Mm, your analysis is right.” Mo Shixiu tapped his slender fingers on the table. After a few seconds of silence, his eyes turned cold. “But, what’s their purpose in capturing Jiang Hai?”

“I... I don’t know. Does the Jiang family have a feud with someone, so they’re taking revenge?”

“The Jiang Family is ordinary. Someone who can afford 10 million yuan wouldn’t have a feud with them. Moreover, there are many ways to take revenge. There’s no need to use such a method.”

“Minister, you’re right. A family like the Jiangs doesn’t need to put in so much effort. But the person who borrowed the money is indeed targeting the Jiang Family.”

“So, it might not be targeted at Jiang Hai, but at the others in the Jiang Family.” Mo Shixiu’s expression changed.

When something happened to Jiang Hai, the Jiang Family called Jiang Luoli and asked her to go back.

Jiang Luoli had been gone for a few days.

Mo Shixiu pursed his lips and held his cell phone tightly.

He stood up instantly. “Book a flight to Haicheng immediately.”

Assistant Xu was stunned and looked at him in shock. “Minister, you’re going to Haicheng now? But, but you still have to go to S Nation tomorrow. If you look for Miss Jiang now, you won’t have time.

“Minister, if you really miss Miss Jiang so much, I can fetch her back.”

“It’s not because of this.” Mo Shixiu frowned and said seriously, “I’m worried that something happened to Luoli.”

Chapter 1634: How Could It Be You?

“Book the plane tickets immediately, don’t waste any more time. It’s settled, don’t say anymore.”

Assistant Xu was speechless.

Minister, aren’t you being too willful?

At this moment, Assistant Xu felt the power of love.

Their minister was someone who valued his work more than anything else.

Nothing had ever affected his work.

In his heart, work was first, and then came everything else.

Even when he was dating Jiang Luoli, his personal feelings didn’t affect his work.

This was the first time he put his work aside.

Hence, this surprised Assistant Xu.

He never thought that Jiang Luoli’s place in Mo Shixiu’s heart was so important.

Assistant Xu knew very well that once Mo Shixiu decided on something, he wouldn’t be able to persuade him.

Although he didn’t agree with this, he could only follow the instructions and book the earliest flight immediately.

At the same time, he started to formulate an emergency plan. If Mo Shixiu’s schedule changed tomorrow, he could at least deal with it.

There was no need to be so hasty.

...

When Jiang Luoli woke up, she found herself lying on an unfamiliar bed.

The room was also unfamiliar.

Still in a daze, she lay on the bed for almost a minute before slowly waking up.

Her body was still a little weak.

She struggled to sit up.

About a minute later, she remembered what happened before she fainted.

She was called downstairs by Father Jiang.

Mother Jiang made a table of dishes for the first time, picked up food for her, poured water for her, and apologized to her.

Then, she drank the glass of water Mother Jiang gave her...

Jiang Luoli's face turned pale as if her heart had been stabbed by a sharp weapon.

She never expected Mother Jiang to do this to her.

She thought that no matter how biased Mother Jiang and Father Jiang were, she was still their daughter.

They wouldn't do anything overboard.

But now...

Looking at the unfamiliar decor and the closed door, Jiang Luoli smiled mockingly. Her heart felt like it was submerged in ice water.

She still overestimated her parents.

She overestimated her place in her parents' hearts.

The door opened.

Jiang Luoli grabbed the bedsheets tightly and looked at the door guardedly.

A man entered.

The lights in the room weren't turned on, so Jiang Luoli couldn't see what the man looked like. She could only see a rough outline.

It was a tall man.

She bit her lip and looked at the vase on the bedside table. She slowly moved her hand over.

Slap.

The room lit up.

The man turned on the lights.

Jiang Luoli widened her eyes in shock. "Brother Zewen, how could it be you?"

Xie Zewen stopped and looked at her from five to six meters away.

He looked at Jiang Luoli with a complicated expression. A few seconds later, he said, "Luoli, you-you still don't know what happened?"

Jiang Luoli shook her head.

"Brother Zewen, where's this?" Jiang Luoli relaxed when she saw that it was Xie Zewen.

Chapter 1635: Let Us Get Married

Xie Zewen was her childhood sweetheart.

They were in the same school from elementary school to middle school.

When she went to the high school in the city, she and Xie Zewen weren't in the same school.

Jiang Luoli trusted him.

She knew what kind of person Xie Zewen was.

She just didn't understand why he was here.

Where did Father Jiang and Mother Jiang send her after she fainted?

Xie Zewen looked at her and hesitated for a few seconds before saying, "Luoli, your parents handed you to me and asked me to take you away. This is S City, a beautiful and suitable city to live in. I..."

"Brother Zewen." Jiang Luoli frowned and interrupted him. "My parents asked you to take me away, and you agreed to it? Also, why did you bring me here? What did they ask you to do?"

Xie Zewen looked at her silently for a while before saying softly, "Luoli, your parents told me that someone wants to harm you. That person is very powerful and not someone the Jiang Family can go against. If I don't take you away, they won't let you off."

"They said... they said..." Xie Zewen looked up at Jiang Luoli and looked a little uncomfortable. He hesitated for a while before saying, "They said that as long as we get married, they won't make things difficult for you anymore."

Jiang Luoli's expression changed. "Married?"

"Yes, yes." Xie Zewen looked up at her again and clenched his fists. "Uncle and Aunt mean... to get us married and settle down in this city.

"That's why they asked me to take you away.

"This, this will be our new home in the future. Luoli, although I can't give you a rich life, I'll do my best to treat you well."

Jiang Luoli's face turned pale.

She took a deep breath and got off the bed.

Her legs were still a little weak, so she almost lost her balance when she tried to get up.

Xie Zewen immediately went over to help her up.

Jiang Luoli avoided his hand and supported herself against the wall.

"Brother Zewen, are you kidding? How could we get married?" Jiang Luoli was shocked and angry. "I don't know what my parents told you, but I have no intention of marrying you.

"I'm still studying, so I won't consider marriage.

"If you're under some sort of pressure to agree to such an absurd request, then I..."

"No, no one forced me!" Xie Zewen clenched his fists and blushed. He looked at her and then lowered his eyes. "Luoli, actually, when Uncle and Aunt told me about this, I was very surprised.

"I never expected such a good thing to happen to me."

Jiang Luoli widened her eyes. "Brother Zewen, you..."

“Luoli, actually, I... I’ve liked you since we were little.” Xie Zewen was flustered, but he still summoned up his courage and said, “Marrying you and becoming your husband has always been my dream.

“So, I... I did it willingly.

“I heard from Uncle and Aunt that the person who asked you to leave is very powerful.”

Chapter 1636: What She Was Worried About Didn’t Happen

“Luoli, we’re just ordinary people. We can’t beat them. Listen to your parents, alright? I swear I’ll treat you well.

“Even if you don’t like me and don’t want to marry me, it’s alright. We can register our marriage first. I promise that before you completely accept me, I will respect your wishes and not do anything to force you.

“I’m really afraid that you’ll be hurt.”

Jiang Luoli finally understood what was going on.

Everything, including Jiang Hai being set up, was all for her.

And she knew very well who the mastermind was.

She wanted to sneer.

Madam Mo really put in a lot of effort to make her leave Mo Shixiu.

Madam Mo would only be at ease if she married someone.

“Brother Zewen, I’m sorry. I can’t agree to such an absurd request.” Jiang Luoli didn’t hesitate at all and said firmly, “No matter what I have to face in the future, my life is up to me.

“Moreover, marriage is such a big deal. I won’t marry just because of some ridiculous reason.”

Xie Zewen looked hurt.

He wasn’t surprised by Jiang Luoli’s rejection.

But even though he knew that the possibility of her agreeing to it was very low, he still held a trace of hope, thinking that she might agree.

Even if she didn’t like him, as long as she was willing to marry him, he would treat her well for the rest of his life.

Father Jiang and Mother Jiang let him take Jiang Luoli because they knew how he felt about her.

Seeing that Xie Zewen was silent, Jiang Luoli hesitated and slowly walked towards him.

“Brother Zewen, I’m sorry. I’m not saying that you’re bad, it’s just...”

“Luoli, you don’t have to say anymore.” Xie Zewen looked up with a bitter smile. “Actually, it was my wishful thinking. I knew that you would definitely reject me. It’s just that I didn’t hear you reject it personally, so I refused to give up.

“I know what you’re thinking now. Don’t worry, I won’t force you to do anything you don’t want to.”

Jiang Luoli heaved a sigh of relief.

Although she knew Xie Zewen well, people changed.

She was afraid that Xie Zewen would use force on her. Thankfully, what she was worried about didn’t happen.

“Brother Zewen, you’re very good. It’s just that I’ve always treated you as an older brother.” Jiang Luoli thought for a while and said tactfully, “You’re so good, you’ll meet someone who’s really suitable for you.”

Xie Zewen looked at her bitterly.

He wanted to tell her that he’d liked her for more than 10 years.

This was a long time.

Besides her, he had never thought of marrying another woman.

He’d only liked her since he was young.

Actually, there was no one more suitable for him than her. She was the most suitable for him.

If he could be with her, everything would be fine.

But he didn’t say it.

He could tell that Jiang Luoli didn’t have any feelings for him.

Hence, there was no need for him to say such meaningless things. It would only make them feel awkward.

“Mm, I hope so.” He forced a smile and thought about what Father Jiang and Mother Jiang said. “Luoli, what do you plan to do in the future? That person will probably come after you again.”

Chapter 1637: Mo Shixiu Came to Look for Her

Jiang Luoli thought for a while and said, “Brother Zewen, can I use your cell phone?”

She didn’t want to tell Mo Shixiu about some things.

She didn’t want to affect Mo Shixiu’s relationship with his mother.

But now, she felt that she had nothing to worry about.

She was afraid of being bullied.

“Of course.” Xie Zewen immediately took out his cell phone and handed it to her.

“Thank you.”

Jiang Luoli took it and called Mo Shixiu.

But his cell phone was turned off.

Jiang Luoli frowned and called Assistant Xu, but his cell phone was also turned off.

She thought that they might be having an important meeting or on the plane.

Mo Shixiu often flew overseas. It was normal for him to be on a plane.

She then called Mo Shixiu’s house.

Sister Lin’s voice came through.

“Sister Lin,” Jiang Luoli greeted.

Sister Lin was stunned for a while before saying happily, “Miss Jiang?”

“Mm, it’s me.” Jiang Luoli asked, “Sister Lin, did Mo Shixiu go overseas for a business trip? I called him and Assistant Xu just now, but it didn’t go through. It seems his phone is switched off.”

“Ah, Miss Jiang, you finally turned on your phone.” Sister Lin sounded happy. “Mister didn’t go on a business trip. He went to look for you. Assistant Xu is with him. Previously, Mister called you, but your phone was switched off. Mister was very worried about you.

“He was afraid that something happened to you at home and couldn’t contact you, so he went to look for you.

“Judging from the time, Mister should be getting off the plane soon. Call him later, it’ll definitely get through.”

Jiang Luoli was shocked. “He came to my hometown to look for me?”

“Mm.

“Miss Jiang, it’s good that you’re fine. Mister treats you so well. I’ve never seen him care so much about anyone. He put down a lot of things to look for you. In Mister’s heart, nothing is more important than his work.

“But now, Miss Jiang is more important to Mister than his work.”

After hanging up, Jiang Luoli was still in disbelief.

Mo Shixiu actually came to look for her.

He was worried about her because she had turned off her cell phone.

Not to mention Sister Lin, even she hadn’t expected Mo Shixiu to do this for her.

Beside him.

Xie Zewen looked at Jiang Luoli in disbelief.

He was shocked. "Luoli, what's the relationship between Mo Shixiu and the Minister of Security? Their names seem to be the same."

It was normal that not many people knew about Mo Yesi.

But Mo Shixiu often appeared in public, so many people knew about him.

Jiang Luoli turned around and met his gaze.

She hesitated for a while before deciding to tell the truth. "He's the Minister of Security, Mo Shixiu."

Xie Zewen was shocked again. "You know him?"

"Mm, I do."

"What... is your relationship with him?" Xie Zewen had a guess, but he didn't want to believe it.

He didn't think it was possible.

Jiang Luoli was just an ordinary student.

But from her conversation with the person on the phone, she even knew Mo Shixiu's number. Their relationship seemed extraordinary.

Chapter 1638: He's My Boyfriend

Jiang Luoli kept quiet for a while before saying, "He's my boyfriend."

If she didn't know how Xie Zewen felt about her, she might have chosen to hide it.

But now, she felt that it was better to tell him.

This way, he wouldn't have any thoughts about her, and he wouldn't have to waste time on her.

Xie Zewen guessed that Mo Shixiu and Jiang Luoli had an unusual relationship.

But he was shocked upon hearing that Mo Shixiu was Jiang Luoli's boyfriend.

He looked incredulous.

"Mo Shixiu is your boyfriend? Luoli, are you kidding me?"

It wasn't that he didn't believe it, but with Mo Shixiu's status, he was from a completely different world from Jiang Luoli.

With their social status, they would never be able to interact with people like Mo Shixiu.

It was like he lived in the sky.

And they lived underground.

How could Mo Shixiu be Jiang Luoli's boyfriend? This was unbelievable.

How did they get together?

Jiang Luoli looked straight at him and said, "Brother Zewen, I'm not joking with you. He's really my boyfriend. I know many people won't believe this. It's not convenient for me to tell you how I met him, but I won't joke about this."

How could Xie Zewen not know?

He knew that Jiang Luoli wouldn't joke about this.

He just didn't want to believe it.

If Jiang Luoli's boyfriend was just an ordinary person, he still had a chance.

But Mo Shixiu...

How could Xie Zewen not know how outstanding this man was?

This was someone he could never surpass, no matter how hard he tried.

If Jiang Luoli's boyfriend was Mo Shixiu, he wouldn't stand a chance.

"Luoli, have you thought about it?" Xie Zewen kept quiet for a while before looking up. "Your status is too different from his. You... you won't have a good outcome. Do you think he'll marry you? Maybe his parents got someone to do this."

"He's Mo Shixiu, one of the candidates for the next president."

"His wife must be a girl of equal social status to him. Aren't you afraid of getting hurt when you're with him?"

Jiang Luoli smiled. "So what if there's no good outcome? It's enough to be with the person you like, even if it's difficult. Even if an ordinary person is in a relationship, it's not guaranteed to have a good ending."

"There are many unfulfilled relationships."

"So, I don't think there's a need to think so much. I just want to be happy. Brother Zewen, what do you think?"

Xie Zewen looked at her, speechless.

He realized that Jiang Luoli's eyes lit up when she talked about Mo Shixiu.

She really liked him.

Since she didn't care about the future, what else could he say?

"Luoli, since you've made up your mind, then... I wish you happiness."

"Thank you, Brother Zewen."

Xie Zewen kept quiet for a few seconds before asking, "Did Mo Shixiu come to look for you?"

"Mm."

"Then, are you waiting for him here?"

“Mm.”

“Alright, then y-you can wait for him here. You must be hungry after sleeping for so long. I’ll get you something to eat.

“Call me if you need anything. I’ll be outside.”

Chapter 1639: Luoli, Are You Crying?

Xie Zewen left.

Not long after he left the bedroom, Jiang Luoli’s cell phone rang.

She looked down and saw that the number was Mo Shixiu’s. She picked it up immediately.

“Luoli, is that you?”

The man’s cold and familiar voice made Jiang Luoli feel like crying.

She couldn’t help but feel aggrieved when she heard Mo Shixiu’s voice.

The usually calm and composed man sounded a little anxious.

Jiang Luoli could tell that he was worried about her.

“Mo Shixiu.” She bit her lip and called his name softly. Then, her tears fell.

“Luoli, are you crying?” Mo Shixiu sounded more anxious than before. “Where are you now? Are you in danger? Don’t be afraid. No matter where you are, I’ll bring you back.

“I’ve already gone to your hometown and just got off the plane. I can bring you back soon.”

Jiang Luoli couldn’t stop crying.

She didn’t know why she couldn’t control her tears when she heard Mo Shixiu’s voice.

She felt especially aggrieved and upset from the start, but she held back her tears.

She thought she was very strong.

So, her resilience depended on her personality.

“Mo Shixiu.” She wiped her tears and said, “Y-You’re going to make a wasted trip. I’m not in my hometown anymore.”

“Not in your hometown? Then, where are you?”

“I’m in another city. I’m safe now. You don’t have to worry about me.”

“Then, why are you crying? Where are you?”

Jiang Luoli told him the address.

“Alright, wait for me. I’ll be right there.”

...

At Haicheng Airport.

Before Mo Shixiu walked out of the VIP lane, he got Assistant Xu to book another flight.

Assistant Xu hesitated for a while and said, “Minister, you can’t change your schedule tomorrow. Since Miss Jiang said she’s not in danger, Minister doesn’t actually have to go over personally. I can fetch Miss Jiang back. Minister, don’t worry. I promise that Miss Jiang will return to your side unscathed.”

Mo Shixiu shook his head. “I’ll pick her up myself.”

He heard Jiang Luoli crying on the phone.

That was the first time he heard her cry.

She was always carefree in front of him. Mo Shixiu had never seen her cry.

Hence, even though she said nothing, she must have been shocked.

Otherwise, an optimistic girl like her wouldn’t cry so easily.

He said he would pick her up, so he definitely would.

As for tomorrow’s schedule, it wasn’t the most important thing to him.

“Minister, you...” Assistant Xu wanted to persuade him again.

Mo Shixiu glanced at him coldly, and Assistant Xu immediately shut up.

The minister in love seemed like a completely different person.

Sigh, so melancholic.

In the past, he had hoped that the minister would be in a relationship. He was afraid that if he didn’t interact with women for a long time, his sexual orientation would become problematic.

He was also afraid that he would be too focused on work and would be alone in the future.

But now...

Chapter 1640: Sigh, She’s Indeed a Femme Fatale

The minister finally got into a relationship, but Assistant Xu didn’t feel at ease.

He started to worry again.

He was worried that Mo Shixiu, who was in love, would think too highly of his relationship and neglect his work in the future.

No, not in the future.

Mo Shixiu already showed signs of this.

Assistant Xu didn't even dare to think about what Mo Shixiu would become if he and Jiang Luoli were really in the honeymoon period.

Sigh, she was indeed a femme fatale.

Since ancient times, even a hero couldn't resist the charms of a beauty. Even a man like Mo Shixiu, who had been pure for so many years, couldn't control himself once he touched a woman.

Assistant Xu complained in his heart for a while but still booked the plane tickets obediently.

...

Two hours later, Mo Shixiu arrived at Jiang Luoli's city.

Another hour later, he arrived at the district that Jiang Luoli mentioned.

The man's looks were outstanding. Just his height and temperament were enough to attract people.

Even though he was wearing a huge pair of sunglasses that covered half his face, he couldn't help but attract the gazes of the opposite sex.

"Wow, that man looks so stylish."

"Her figure is so good. He's the long-legged type of big brother I like."

"Why do I find him familiar? I think I've seen him somewhere before."

"I find him familiar too."

"Don't you think... he looks like Mo Shixiu?"

"Mo Shixiu? The Minister of Safety, Mo Shixiu? He looks like him, but he's definitely not Mo Shixiu. How could Mo Shixiu come to our neighborhood?"

"Yes, he's just a passerby. But he really looks like Mo Shixiu. I wonder if he would still be so similar after taking off his sunglasses."

At this moment, Mo Shixiu, who was being discussed by a group of women, found the building where Jiang Luoli was in. He entered the elevator and pressed the button.

A minute later, he left the elevator and walked toward Room 1801.

Assistant Xu knocked on the door.

After a while, someone opened the door.

Xie Zewen opened the door with an apron around his waist. When he saw Assistant Xu and Mo Shixiu standing outside, he froze and clenched his fists.

He could tell at a glance.

The man standing behind Assistant Xu was Mo Shixiu.

He'd seen him so many times on television, but it wasn't as shocking as seeing him in person.

Mo Shixiu was even more outstanding in person than on television. The man didn't say a word, but his aura was extremely strong. Xie Zewen only looked up and felt immense pressure.

He immediately looked away.

"Miss Jiang, are you here?" Assistant Xu looked at Xie Zewen and frowned.

He looked up suspiciously and took a closer look at the door number.

After confirming that it was correct, his frown deepened.

Who was this man?

Why was he in the same room as Jiang Luoli?
