

Big Shot 1641

Chapter 1641: I'll Take You Away Now, Let's Go Home

What if this traumatized him?

Hence, Assistant Xu looked at Xie Zewen with hostility.

"Luo Li's here." Xie Zewen took a deep breath and mustered his courage to look at Mo Shixiu again. He hesitated for a while and asked softly, "May I ask if the gentleman behind is Mr. Mo Shixiu?"

Mo Shixiu looked at him and nodded. Anxious to see Jiang Luoli, he asked directly, "Mister, are you Luoli's friend? I'm very worried about her. Can I go in and look for her?"

Even though Mo Shixiu was in a high position, he didn't show any superiority in front of Xie Zewen.

He stood outside and didn't enter without Xie Zewen's permission.

Xie Zewen felt this too.

Mo Shixiu's behavior made him even more upset.

He had to admit that this was a very outstanding man.

If he was Jiang Luoli, who would he choose?

The answer was obvious.

In front of a man like Mo Shixiu, could women still see other men?

Xie Zewen finally gave up.

He stood aside and gave up. "Of course, Luoli is inside. Mr. Mo, please come in."

With his permission, Mo Shixiu didn't delay for a second. He nodded and immediately entered the room.

He saw Jiang Luoli walking out of a bedroom.

Their eyes met.

Jiang Luoli stared at him for a few seconds before running towards him.

"Mo Shixiu."

She cried out in an aggrieved voice and hugged him tightly.

Mo Shixiu would usually push her away if someone else was around.

Deep down, he was a rather conservative person and felt that public intimacy wasn't good.

But at this moment, Mo Shixiu hugged the girl tightly.

Jiang Luoli leaned against his chest and heard his steady heartbeat accelerate.

She smelled the familiar scent of the man and felt a sense of security return. The uneasiness in her heart vanished.

Mo Shixiu really came to look for her.

At this moment, Jiang Luoli felt extremely at ease in his arms.

She knew that as long as Mo Shixiu was by her side, no one could hurt her.

He would protect her well.

Even if they hadn't been together for long, even if she didn't know this man very well.

But she trusted him.

"Luoli, don't be afraid." Mo Shixiu hugged the girl in his arms and felt at ease.

On the plane, he thought of countless possibilities.

Every possibility scared him.

Although he wouldn't leave her no matter what happened, if she was hurt, it wouldn't be easy to make up for it.

But thankfully, nothing happened.

She looked fine and was in his arms.

"Luoli, don't be afraid. I'm already by your side. With me around, no one can hurt you." Mo Shixiu reached out and patted her head. His voice was unprecedentedly gentle. "I'll take you away now. Let's go home."

Chapter 1642: He Was So Gentle

"Mm." Jiang Luoli nodded and hugged him tightly. "Mo Shixiu, why are you here? You're not resting today, right?"

Mo Shixiu smiled. "Mm, there's something. But it's not too important."

Assistant Xu was speechless.

Minister, say it again?!

Not very important?

Are you sure???

It was very important.

"Then, wouldn't I be delaying your work?" Jiang Luoli leaned against his chest for a while and slowly looked up. She said apologetically, "Actually, you didn't have to come. I'm not in any danger. You didn't have to come personally."

"If I delay your work, I'll feel guilty."

After all, Jiang Luoli knew what kind of boyfriend she had.

It was different for Mo Shixiu to delay his work.

“There’s no delay.” Mo Shixiu’s voice was extremely gentle. “If I didn’t come personally, I wouldn’t feel at ease. Even if I didn’t come, I wouldn’t be able to focus on work.”

Jiang Luoli’s heart trembled.

She looked at the gentle man in front of her and felt her heart race.

At this moment, she thought that even if she and Mo Shixiu didn’t have any future together, it was worth it to be able to date him.

She didn’t know if she would regret it if they separated.

But if they separated now, she would definitely regret it!

Hence, she decided to follow her heart.

She didn’t want to think about the future.

Xie Zewen followed Assistant Xu in.

But he stopped at the door.

He looked as they hugged each other and couldn’t describe how he felt.

They looked very compatible.

Moreover, Mo Shixiu’s attitude towards Jiang Luoli was different from what he imagined.

He thought...

Mo Shixiu and Jiang Luoli’s relationship was definitely not equal.

In this relationship, Jiang Luoli must have put in more effort. And because of her status, she must be inferior.

But that wasn’t the case.

Mo Shixiu seemed to care a lot about Jiang Luoli.

Jiang Luoli didn’t appear humble in front of him.

They were equal.

In front of Jiang Luoli, Mo Shixiu was just an ordinary man who cared about his girlfriend.

Xie Zewen’s heart ached even more.

He wanted Jiang Luoli to be happy.

But seeing her so happy made him sad.

Because the man who gave her happiness wasn’t him.

Assistant Xu was a very observant person, so he naturally saw Xie Zewen’s unusual reaction.

He turned around and patted Xie Zewen on the shoulder. He lowered his voice and said, "Bro, don't think about it anymore. Jiang Luoli is Minister's woman. You can't win against him.

"Give up. As Minister's woman, her horizons have been broadened. Besides him, she won't like any other man."

Xie Zewen was speechless.

How could he not know?

This man was really annoying.

"Don't be too sad. After all, losing to our Minister isn't embarrassing."

Chapter 1643: Tell Them She's My Girlfriend

Assistant Xu thought for a while and felt that his words were a little overboard, so he comforted him again. "You and the minister are too different in terms of strength. Miss Jiang will definitely choose the minister. This isn't because you're poor, but because you can't compare to our Minister."

Xie Zewen was speechless.

Please shut up, alright?

"Sigh, I can tell that you like Miss Jiang a lot. But don't think about it anymore. You and Miss Jiang have no fate in this lifetime. If there's a next lifetime... Forget it. If there's a next lifetime, Miss Jiang will still be with our Minister. She can only be our Minister's woman.

"Anyway, don't keep thinking about this person."

Xie Zewen was speechless.

This person was so annoying.

In the past, he often saw him going to various places with Mo Shixiu on television. He looked very serious.

Was he such a person in private?

He really couldn't judge a book by its cover.

...

Mo Shixiu flew back and forth several times. When he arrived at Jiang Luoli's city, it was already very late.

He didn't have time to bring Jiang Luoli back to Yuncheng City.

This was the first time Mo Shixiu felt threatened by Jiang Luoli's situation and wasn't willing to let her go back alone.

He got Assistant Xu to give Jiang Luoli a week off.

Jiang Luoli's internship period was approaching, and she rarely went to school now. Moreover, Mo Shixiu wanted to help her take leave. Not to mention a week of vacation, even a year of vacation was easy.

Assistant Xu applied for leave and told Mo Yesi.

With that, he hesitated and asked, "Minister, you've helped Miss Jiang take a week off. Are you planning to take her on a business trip?"

In the study room of the hotel.

Mo Shixiu was reading a document. He looked up at him and nodded. "Mm, I have such a plan. So, arrange it and change my schedule to two people."

Assistant Xu was speechless.

Mo Shixiu really made this decision.

At that moment, his expression was a little indescribable.

He realized that what he was worried about was already happening.

Their wise minister, who never took women seriously, was really blinded by love.

From the moment he put down everything and came here to look for Jiang Luoli, to the moment he decided to take her overseas for a business trip, all these actions were abnormal.

This was something he would never have done in the past!

Jiang Luoli was really impressive.

How long had she been with their minister? How could she be so obsessed with him?

"Minister, are you sure you want to bring Miss Jiang along? If that's the case, I'm afraid it'll be inconvenient for your upcoming schedule. Moreover, you have a few private banquets on your trip this time. When the time comes, are you going to bring Miss Jiang along too?"

"If anyone asks about your relationship with Miss Jiang, you..."

Mo Shixiu didn't hesitate. "I'll introduce her to them as my girlfriend."

Assistant Xu was speechless.

Forget it, pretend he didn't ask.

He'd already decided to bring her over, so he definitely hadn't thought of hiding her.

Those private banquets were said to be private, but in fact, the people there were of special status.

No female companions were allowed to attend the banquet.

Chapter 1644: This Flattery

Except for family members.

If Mo Shixiu wanted to bring Jiang Luoli along, it meant that she was his family.

Was he... planning to marry Jiang Luoli?

Assistant Xu felt that he should be more respectful to Jiang Luoli in the future.

Otherwise.

If that girl really flirted with the minister, would his assistant have a good life?

"I got it, Minister. I'll arrange it immediately."

Assistant Xu left the study and saw Jiang Luoli walking over with a cup of coffee.

"Miss Jiang."

Assistant Xu was even more polite and respectful now that he knew how important Jiang Luoli was to Mo Shixiu.

He subconsciously treated Jiang Luoli as his future wife.

Given the minister's personality, as long as Jiang Luoli didn't cause any trouble, she had a high chance of marrying him in the future.

Even if her family background wasn't good enough for the minister.

But as long as the minister acknowledged her, it was useless even if Madam and the rest disagreed.

Just like how Second Young Master married an ordinary girl first.

These two brothers had their own opinions.

People who were determined wouldn't break up because of their family's objections.

After all, they weren't relying on the Mo Family now. The Mo Family relied on them to become stronger.

This was different from those rich playboys who relied on their families to lead a superior life.

"Assistant Xu, is Mo Shixiu still busy?" Jiang Luoli made a cup of coffee and wanted to give it to Mo Shixiu.

Although Mo Shixiu came to look for her despite his busy work, he went back to work after confirming her safety.

Knowing that he was busy, Jiang Luoli didn't dare to disturb him. She handed the freshly brewed coffee to Assistant Xu. "Give this coffee cup to him."

"Miss Jiang, bring it in." Assistant Xu didn't reach out to take it.

"I'd better not disturb him."

"No, no." Assistant Xu immediately said, "When Miss Jiang goes in, the minister will only be happy to see you. When he's happy, he has more motivation to work. When he has more motivation to work, his

efficiency will also increase. So, not only will Miss Jiang not disturb him, but she will also increase his efficiency. Miss Jiang doesn't need to give him any coffee. You're the Minister's stimulant."

"..."

Jiang Luoli's lips twitched.

Why did she feel like Assistant Xu was suddenly flattering her?

Was she hallucinating?

Although Assistant Xu treated her rather well after she officially dated Mo Shixiu.

But he didn't flatter as much as he was flattering her now.

"Come, come, Miss Jiang, quickly go in. The minister needs your coffee now."

Assistant Xu even opened the door.

Jiang Luoli was speechless.

This wasn't an illusion.

Assistant Xu was really flattering her.

This flattery made her feel greasy.

Jiang Luoli looked at him and thought for a while before walking in with the coffee.

After she entered, Assistant Xu closed the door gently and walked out of the presidential suite.

Chapter 1645: Of Course I Learned It for You

Jiang Luoli entered the study and saw Mo Shixiu focused on his work.

He didn't even look up when she entered.

Jiang Luoli didn't want to disturb him.

Mo Shixiu had wasted a lot of time because of her.

She placed the coffee on the table and was about to leave.

Just as she turned around, she heard Mo Shixiu's clear voice behind her. "You made me coffee?"

Jiang Luoli turned around and saw him take a sip of the coffee.

"Mm, I made this. How does it taste?"

Sister Lin used to brew coffee at his place.

Jiang Luoli had learned it from her.

Although the taste wouldn't be exactly the same as Sister Lin's, she felt that it shouldn't be too far off.

She knew nothing about his work.

She couldn't even share his burden.

She could only make him some coffee and supper.

Mo Shixiu took a sip and smiled. "It's good. How did you know I like black coffee?"

"Sister Lin told me."

"So, Sister Lin taught you to brew it? This coffee tastes like Sister Lin's coffee."

Jiang Luoli nodded. "Mm, Sister Lin taught me."

Mo Shixiu smiled again and took two sips before looking up at her. "Why did you want to learn how to make coffee from Sister Lin?"

"Of course it's for you," Jiang Luoli said straightforwardly.

Mo Shixiu was stunned. The man's handsome and noble face immediately heated up. He lowered his head and pretended to cough twice to cover his strange expression. "Y-Yes."

Jiang Luoli nodded. "Mm, I learned it for you, of course. I don't like bitter coffee. Sister Lin said you liked it, so I learned it from her when I had nothing to do. That way, I can make coffee for you when she's not around."

The man's face was already a little hot, but after hearing her words, the heat on his face deepened.

It wasn't like other women had never confessed to him.

But he felt nothing for them.

But Jiang Luoli's words affected him greatly.

She was still confessing to him, but he couldn't maintain his composure anymore.

"Do you really think it tastes good?"

"Mm, it's pretty good."

Jiang Luoli smiled and said, "Then, I can make you coffee in the future. Alright, continue with your work, I won't disturb you anymore. I'll go out first. Don't work too late. Work is important, but your health is more important."

"Let me know if you're hungry. I saw some ingredients in the kitchen. They can be used for supper."

Mo Shixiu looked down and nodded. "Mm."

He thought for a while and asked, "You can cook?"

"Of course." Jiang Luoli raised her chin. "This is a life skill that everyone has to learn. I knew how to cook when I was still in junior high school. But I don't cook that much now, so my culinary skills got rusty. But I'm fine with basic homemade dishes."

Mo Shixiu smiled. "This is indeed the most basic life skill. But there aren't many girls who can cook now."

"Then, are you happy?"

Chapter 1646: How Could a Man Like Mo Shixiu Not Make Women Fall for Him?

The man looked up in confusion. "Mm?"

Jiang Luoli smiled at him. "Because you found a virtuous girlfriend like me. Not only can I make you coffee, but I can also cook for you in the future. Aren't you happy?"

Mo Shixiu was stunned for a few seconds before he chuckled. "Mm, happy."

Jiang Luoli couldn't help but smile too.

"Alright, I won't disturb you anymore. Go on with your work."

"Luoli." Mo Shixiu flipped the document in his hand and looked up.

Jiang Luoli blinked and looked at him. "What's the matter?"

"You said... you can make me supper?" Mo Shixiu's eyes were filled with anticipation.

Jiang Luoli nodded. "Yes. Are you hungry now? I can make it for you now. But I can't do it if it's too complicated. I only know how to make noodles. If you don't like it..."

"I like it." Mo Shixiu interrupted her before she could finish. "No matter what you do, I like it."

Jiang Luoli was elated.

She smiled sweetly. "Alright, wait for me. I'll make it now. There's seafood in the fridge, can I make seafood noodles?"

"Alright." Mo Shixiu looked at her gently. "I'll eat whatever you cook."

Jiang Luoli looked into his gentle eyes and her heartbeat quickened.

He had every right to make women fall for him.

He had such a handsome face, and he was smiling so gently at her. Even his tone was so gentle.

How could she resist such a man?

This was her ideal type.

She wondered if she saved the universe in her previous life.

That was why God was so nice to her and arranged such a good man like Mo Shixiu to be by her side.

...

Jiang Luoli came out of the study smiling.

She was in a good mood.

Even though so many terrible things happened previously, they didn't affect her.

Until she received a call from Mother Jiang.

“Jiang Luoli, what’s wrong with you? I entrusted you to Zewen for your own good. Why did you let him come back alone? Don’t you know that the person you provoked is someone our Jiang Family can’t afford to offend? Are you trying to make the family suffer now?”

Jiang Luoli didn’t expect Mother Jiang to call her.

And she even criticized her.

“I only know now that your brother’s matter is because of you. Tell me, what trouble did you cause outside to harm our family like this? You caused trouble for them to look for you, why did you harm your brother?”

“Let me tell you, if Xiao Hai gets hurt because of you again, I’ll never forgive you.

“Come back now and get the marriage certificate with Zewen, do you hear me!”

Jiang Luoli kept quiet and waited for her to finish.

“Jiang Luoli, did you hear what I just said?” Mother Jiang didn’t hear her response and got even angrier.

“Don’t play dead. Come home quickly, do you hear me!”

“Ms. Lin, are you done?”

Chapter 1647: You Want to Leave Now?

Jiang Luoli’s voice was surprisingly calm and cold. “I heard everything you said. I’m telling you now, I won’t go back to that so-called home.”

“What did you say?” Mother Jiang was like a cat whose tail had been stepped on. “Say it again, what did you mean?”

“What do you mean you won’t come back? Do you not want your home anymore?”

Jiang Luoli sneered. “When you made your choice, you didn’t treat me as your daughter. In your eyes, only Xiao Hai is your child. As for me...

“I’m dispensable.

“Since I’m dispensable in your hearts, what’s the point of me returning to that so-called home?”

“The only thing I should be thankful for now is that you handed me to Brother Zewen and not another man. Otherwise, who knows what would have happened to me.

Mother Jiang didn’t expect her to say this.

After a while, she said angrily, “What’s wrong with Zewen? Our families have known each other for many years, and you grew up with him. He’s such an outstanding child, how is he not good enough for you? Do you really think that you’re a big star just because you went to some Film Academy?”

“I saw that the child was reliable, and our families knew each other well, so I entrusted you to him. How could you say that I didn’t treat you as a daughter? Jiang Luoli, do you have a conscience? I gave birth to you after 10 months, suffered difficult labor, and raised you. Is this how you repay me?”

"If it wasn't for you, would our Jiang Family have gotten into such trouble?"

"You don't care anymore?! Do you have a conscience!!"

Jiang Luoli's voice was still very calm. "I'll settle this. If there's nothing else, I'll hang up."

She hung up before Mother Jiang could respond.

She then blocked her number.

After doing all of this, her eyes and nose suddenly felt a little sour.

She couldn't completely ignore it.

She was still sad about her parents' favoritism.

Even if they had been so biased for more than 10 years.

But she had lived in the Jiang Family for so many years.

Even if she didn't seem to care, how could she really not do so?

Jiang Luoli felt terrible and wanted to talk to someone.

She called Qiao Mianmian.

...

It was already very late when Qiao Mianmian received Jiang Luoli's call.

She was already asleep when her cell phone vibrated.

She took the cell phone and saw that it was an unknown number. She wanted to hang up, but her fingers accidentally clicked on the "Accept" button.

A familiar voice sounded. "Baby, it's me."

"Luo Luo?" Qiao Mianmian looked at the time. It was already 1 AM.

She looked at the man sleeping soundly beside her. Not wanting to disturb him, she tiptoed out of bed and went to the balcony to answer the call.

"Luo Luo, what's wrong? Are you crying?"

In the afternoon, she contacted Jiang Luoli and was relieved to know that Mo Shixiu had found her.

But now she was worried after hearing Jiang Luoli crying on the phone.

Chapter 1648: I'm Afraid She'll Be Even More Ruthless Next Time

"Baby, are you asleep? Did I wake you up?"

Qiao Mianmian slept early because of the shoot. When Jiang Luoli called her, she was sleeping very soundly.

But she lied. "I just lay in bed for a while, I'm not fully asleep yet."

"Where's Prince Charming, is he with you?"

"Mm, he's asleep. So I went to the balcony to answer your call." The temperature in the morning was a little cold. The wind blew on Qiao Mianmian's face, blowing away her sleepiness.

"Luo Luo, it's so late, why aren't you asleep?" Qiao Mianmian sounded worried. "Did something happen? Is Mo Shixiu with you?"

"I can't sleep." Jiang Luoli kept quiet for a while before saying, "He's with me, and it took him a lot of time to look for me. He's still busy in the study. Baby, are you sleepy now?"

Qiao Mianmian realized that Jiang Luoli had something to say to her, so she said, "I'm not tired, I slept very early today. Luo Luo, do you have something to tell me?"

"Mm. I don't know if I should tell you, but besides you, I don't know who else to talk to. Baby, I want to tell you something. I want you to counsel me."

Jiang Luoli kept quiet for a few seconds before continuing, "Baby, you know that Xiao Hai was arrested because he owed someone a sum of money. But do you know who set him up? Although I don't have complete evidence, I'm sure she was the one who set him up."

Qiao Mianmian was confused. "Who?"

"Madam Mo."

Madam Mo?!

Qiao Mianmian was shocked for a few seconds. "She did it? So she set up a trap to capture Xiao Hai, and her target was actually you? She wanted to use Xiao Hai to force you to leave Mo Shixiu?"

"More or less. But her methods are more powerful than you think. She didn't use Xiao Hai to force me to leave Mo Shixiu directly because she knew that her son had the ability to return the 10 million yuan. She threatened my parents to help her solve the problem.

"If I agreed to leave Mo Shixiu, I might go back on my word.

"But if I marry another man, she won't have anything to worry about."

Qiao Mianmian was shocked again. "You mean, she forced you to marry someone else?"

"She looked for my parents, but I don't know what she said to them. In any case, my parents wanted me to marry another man for Xiao Hai. Thankfully, that person was a neighbor I knew since I was little. Otherwise, I don't know what I would have faced when I opened my eyes.

"Mianmian, do you think I should tell Mo Shixiu about this?"

"If I tell him, which side will he stand on?"

"If he sides with his mother, do you think we will break up?"

Mo Shixiu treated her very well.

But Jiang Luoli wasn't confident that he would stand on her side.

After all, Madam Mo was his biological mother.

Mo Shixiu must be filial.

Jiang Luoli never expected him to fall out with Madam Mo because of her.

Qiao Mianmian thought for a while before saying, "Luo Luo, if you're asking for my opinion, I think you can tell him. This time, Madam Mo didn't succeed, but it's hard to say what will happen next time. You can't fight Madam Mo alone.

"I'm afraid she'll be even more ruthless next time.

"Only by letting Mo Shixiu know about this matter and letting him settle it can it be resolved. Even if it isn't resolved, with his ability, he can protect you.

"I believe he's not filial to the degree you're thinking. He'll definitely stand on your side.

"When I first got together with Mo Yesi, we were worried about the same thing. But his performance didn't disappoint me. I believe Mo Shixiu is the same. He definitely won't be confused just because Madam Mo is his mother."

Chapter 1649: This Is Good, Treat It as a Test

"If he's really biased towards Madam Mo, then you must indeed reconsider your relationship."

It was an unequal relationship.

With the huge disparity in their statuses, if Mo Shixiu wasn't on her side, this relationship would be difficult to carry on.

And it wouldn't end well.

If Mo Shixiu couldn't give Jiang Luoli happiness, Qiao Mianmian naturally didn't want them to continue being together.

This wouldn't be the last time.

If Madam Mo failed the first time, there would be a second and a third time.

If Mo Shixiu didn't protect Jiang Luoli, she would be in danger.

Jiang Luoli kept quiet for a while before saying, "Mm. Baby, I know what I should do. Actually, when I first got together with Mo Shixiu, I knew that we would definitely face some problems in the future. But I didn't expect it to come so early.

"That's good too. Let's take it as a test.

"If we can pass, then we will continue to be together. If we can't pass, it's good to break up early. Anyway, our relationship isn't very deep now. If we separate... it won't be too hard," Jiang Luoli said casually.

But how could Qiao Mianmian not know what she was feeling?

Mo Shixiu was Jiang Luoli's ideal type.

If they really separated, Jiang Luoli would definitely be upset.

Moreover, this was Jiang Luoli's first relationship, and the meaning was very different.

Hence, Qiao Mianmian still hoped for a good outcome.

"Luo Luo, have a good talk with Mo Shixiu."

"Mm, I will. Baby, are you filming tomorrow? Go to sleep quickly."

"What about you? Aren't you sleeping?"

"I'm not sleepy. I'm going to the kitchen to make supper for Mo Shixiu. Baby, I'm hanging up. Good night, have a good dream."

"Alright, good night. Call me if you need anything."

"Mm."

Qiao Mianmian hung up and thought for a while. Just as she was about to return to the room, she saw Mo Yesi standing behind her.

Shocked, she lightly punched his chest. "You're awake? When did you wake up? Why were you so quiet? You scared me."

Mo Shixiu held her soft hand and smiled. "I just woke up. It's not that I was silent, but you were too engrossed in your conversation and didn't notice me. Who called you at this time, Jiang Luoli?"

"Mm."

"Why is she calling you at this time?"

Qiao Mianmian hesitated for a while before looking up at him. "Mo Yesi, do you know what happened to Luo Luo's brother this time? He owed someone money and was caught at the police station."

Mo Shixiu knew that she wasn't asking casually. "Did she say something to you?"

"Mm, Luo Luo called to tell me something."

"What is it?"

Knowing that Mo Yesi wasn't filial to the extreme, Qiao Mianmian didn't hide it from him. "Luo Luo told me that her brother was set up by someone. And the person behind it... might be Mom."

Mo Yesi was stunned. "Mom set this up?"

"Mm. She did this to separate Luo Luo and Big Brother. She was already very dissatisfied with my family background back then, but you took the initiative to register our marriage, so she couldn't stop you in time. But Luo Luo and Big Brother aren't married yet, and she definitely doesn't want Luo Luo to marry Big Brother."

Chapter 1650: If It Was Me, I'd naturally Be on Your Side

In fact, even if she and Mo Yesi got their marriage certificate first, Madam Mo hadn't given up.

After they got married, she still tried to force her to break up with Mo Yesi.

Not to mention Jiang Luoli.

Madam Mo valued family status so much that she definitely didn't want Jiang Luoli to marry Mo Shixiu.

Mo Yesi narrowed his eyes and kept quiet for a few seconds. He then walked into the house with her in his arms. "Does Big Brother know about this?"

Qiao Mianmian shook her head. "Luo Luo hasn't told him yet. She called me to ask for my opinion. Should I tell Big Brother about this?"

"Then, what did you suggest?"

"I told her to tell him." Qiao Mianmian didn't hide it and said honestly, "Luo Luo definitely can't beat Mom. Mom wants her to break up with Big Brother. If she doesn't succeed this time, she definitely won't give up."

"Only by letting Big Brother know about this can he protect Luo Luo."

"Moreover, this happened because of him. He should know about it."

"Do you I'm right?"

They entered the bedroom.

Mo Yesi put Qiao Mianmian on the bed and looked down at her. "Your suggestion isn't a problem. We have to let Big Brother know about this. You're right, Jiang Luoli isn't Mom's match. She can only be protected if Big Brother knows about this."

"Don't you think I'm being selfish?" Qiao Mianmian looked up at him.

"Selfish?" Mo Yesi smiled. "Why?"

"I asked Luo Luo to tell Big Brother about this on purpose. It may cause a conflict between Big Brother and Mom."

Mo Yesi was stunned. He then smiled and pinched her cheek. "I know what kind of person my wife is. I know you're worried about Jiang Luoli's safety."

The man's absolute trust made Qiao Mianmian feel sweet inside.

She smiled. "Then, do you think Big Brother will be on Luo Luo's side or Mom's? What do you think?"

Mo Yesi sat down beside her and patted her head. "Big Brother and I have similar personalities. I only know that if it was me, I'd naturally side with you."

"If they're all people I care about, I've always chosen the side of reason."

"Moreover, Mom is wrong this time."

“Then, I’m relieved.” Qiao Mianmian sighed. “This is the first time Brother and Luo Luo encountered trouble in their relationship. I really hope they can have a good ending. It would be a pity if they break up for this reason.”

“There will be good results.”

Mo Yesi pulled her into his arms and kissed her on the forehead. “There’s only one reason why Big Brother and Jiang Luoli would break up.”

Qiao Mianmian blinked and asked curiously, “What reason?”

“Jiang Luoli doesn’t want to be with him. As long as she still wants to be with Big Brother, they won’t separate.

“So, you don’t have to worry about her.

“It’s getting late, you have to wake up early tomorrow morning. Go to sleep.”

Qiao Mianmian looked at the time. It was indeed getting late.

She nodded. “Mm.”

...

The next morning, Qiao Mianmian went to the set.

Mo Yesi woke up early and drove her.

This was the last day of filming.

After today, Qiao Mianmian’s first show officially ended.

On this day, everyone was in high spirits and working efficiently.
