

Big Shot 1651

Chapter 1651: I Really Didn't Pick the Wrong Person

It took only half a day to finish the original plot.

The final scene had a sweet ending.

Qin Han's male lead took a blow for Qiao Mianmian's female lead and was sent to the hospital.

The female protagonist cried outside the operating room and almost fainted.

Fortunately, the doctor came out and told her that the male lead was out of danger.

Then, the male lead recuperated in the hospital.

On the day he was discharged from the hospital, he proposed to the female lead with the help of a group of friends.

The female lead agreed.

Then, the male and female leads hugged each other happily. The camera zoomed out and showed the ending.

When Bai Yusheng said "OK, the show is over", Qiao Mianmian slowly released Qin Han.

"Brother Han, thank you for your care and support these few months. You've taught me a lot. It was my honor to work with you."

The wrap-up meant that the crew members were about to separate.

After spending a few months together, Qiao Mianmian formed a good relationship with many people in the crew. She really couldn't bear to part with them.

Especially Qin Han.

To her, Qin Han was her senior and teacher.

As a senior, Qin Han had taken good care of her for the past few months. She couldn't bear to part with such a good senior.

After a few months together, they developed some feelings for each other.

"It's nothing." Qin Han smiled. "Among all the actresses I've worked with, you're the easiest to work with. If I have the chance in the future, I'd like to work with you in another show."

"I should be the one saying this." Qiao Mianmian quickly said, "If only I had the chance to work with you in the future."

"There will be."

Qin Han looked at her and said firmly, "Work hard."

"Mm, I'll work hard."

After chatting for a while, Qiao Mianmian turned around and walked toward Bai Yusheng.

“Brother, I want to see the replay of the last scene.”

Bai Yusheng nodded and gestured for her to sit beside him.

Qiao Mianmian sat down and looked at it for a while. She couldn’t help but sigh. “Before we wrapped up, we were looking forward to it. But now that we’re done, we can’t bear to leave.”

“It’s always like this.” Bai Yusheng smiled and said, “This time, we finished much faster than I expected. Under normal circumstances, it should have been another half a month before the shoot ended. You guys performed too well, reducing the time by so much.

“Especially you, Mianmian.”

Bai Yusheng wasn’t stingy with his praise for his sister. “Your performance every day surprised me. I felt that you improved every day. Your performance today was especially good. I really didn’t choose the wrong person.”

“Brother, do you really think I’m good, or are you saying this just because I’m your sister?”

“Of course it’s because you really did well,” Bai Yusheng said seriously. “Even if you’re my sister, if you don’t perform well, I’ll still scold you. But if you perform well, you should be praised.”

Qiao Mianmian smiled. “In that case, I appreciate it.”

“Mm, this is your first television drama. Your performance is already very good. I see a shadow of someone in you.”

“Who?”

“Shen Xing,” Bai Yusheng said. “Back then, Shen Xing was very talented in acting, so she won a few Best Actress awards early on.”

Chapter 1652: Qiao Anxin Dared to Follow Quan Dong for Fame

“In my opinion, you’re a little better than Shen Xing back then.”

This compliment made Qiao Mianmian feel a little giddy.

“Brother, don’t praise me anymore.” She covered her slightly hot face. “If you praise me like this again, I’ll be really embarrassed. How could I dare to compare to Senior Shen?”

“Why not?”

Bai Yusheng patted her on the head and said affectionately, “My sister is more qualified than anyone else.

“After this shoot, you can give yourself a break. Don’t rush to take on another job. You and Ah Si are newlyweds, you need more time to develop your relationship. It’s not good if you film outside all year round.”

Although her career was important, Bai Yusheng still hoped that his sister's family would be harmonious.

"Mm, I know." Qiao Mianmian nodded obediently.

Seeing her like this, Bai Yusheng's heart softened. He couldn't help but reach out and touch the top of her head. "Mom talks about you all day. When you go back, find a time to come home."

"Mm."

Madam Bai had no time to stay in F City.

But even though she wasn't around, her calls never stopped coming.

Qiao Mianmian video chatted with her for more than an hour every day, and Madam Bai called her at least two times a day.

"Oh right, your sister..." Bai Yusheng frowned. "Did she change targets again?"

"Huh?"

"I heard she was with Boss Huang, but I saw her entering the entertainment venue with another man last night," Bai Yusheng said in disdain.

Thankfully, Qiao Mianmian wasn't affected by that woman.

Qiao Mianmian quickly regained her composure.

Qiao Anxin was someone who would do anything to achieve her goals.

Back when she hooked up with Su Ze, besides wanting to snatch him from her, the main reason was that Su Ze could groom her.

After the Su Corporation was acquired, Su Ze was assigned elsewhere.

Then, she went under Boss Huang.

Now that Boss Huang had fallen, wasn't it normal for her to change her target?

She just didn't know what kind of man she'd picked this time.

Just as Qiao Mianmian was thinking this, she heard Bai Yusheng say, "The person she's following this time isn't good. She's very daring. I think she'll definitely suffer a lot in the future."

"Who is she following?" Qiao Mianmian couldn't help but ask.

"Quan Dong. This person is known to have mental problems. A few female artistes that have been with him were sent to the hospital."

Quan Dong?

Qiao Mianmian was no stranger to this name.

Quan Dong had a lot of power and influence in the entertainment industry.

As long as he was willing to groom someone, they would definitely succeed.

Just as Bai Yusheng said, this person was a pervert.

Qiao Mianmian heard that a few female artistes were tortured by Quan Dong. Although they managed to get good resources, they still paid a huge price.

She really didn't want her life anymore.

...

After the filming was completed, the production crew held a wrap-up party and posted a picture of the actors on the official Weibo.

Every actor posted a picture.

Qiao Mianmian also posted one.

Qiao Mianmian V: [We're finally done. After spending a few months together, everyone is like family. I can't bear to part with them. I have to especially thank Senior Qin Han. I have so much to say, thank you very much.]

Chapter 1653: Qiao Mianmian's Backing

Qin Han reposted it.

Qin Han V: [You're welcome. You're the one who performed well. My help is just icing on the cake. Actually, I believe many people will cherish talent if they can meet outstanding juniors. I hope that your future will be better. Good luck.]

Qin Han's fanbase was huge.

And most of his fans were loyal.

Hence, after he posted on Weibo and expressed his admiration and support for Qiao Mianmian, his fans also reposted her post.

Showing their support for their idol.

The person Brother Han admired was definitely outstanding.

Brother Han was supportive, so were they.

Hence, many of Qin Han's fans started promoting Qiao Mianmian's new show. They said that it wasn't easy for newbies and asked everyone to support Qiao Mianmian.

Not long after Qiao Mianmian appeared on the hot searches, the Huacheng International Film Corporation released a Weibo post on the annual movie, "Phoenix in the Air".

It was a Weibo post that confirmed the list of actors.

The female lead was Shen Fei.

The male lead was Jiang Wen.

The second female lead was Qiao Mianmian.

The third female lead, a popular female star.

The second and third male leads were also popular artistes in the industry.

In this movie, even the guest actors were second-tier.

Amongst the A- and B-list celebrities, a newbie like Qiao Mianmian was especially eye-catching.

What was even more eye-catching was that she was playing the second female lead role.

Once the post about the cast list was released, the comment section exploded.

Almost everyone was talking about Qiao Mianmian.

“The second female lead, Qiao Mianmian? Are you kidding me? She’s just a newbie, what right does she have to be given such an important role? First, she acted with Best Actor Qin Han, and now she’s playing the second female lead in such an important movie? Damn, her backing is too strong. Is she going to use all the big shots as her backers?”

“I’ve seen the list of actors. Besides Qiao Mianmian, the worst one is a C-list actress. And she’s just a supporting character. I’m sure Qiao Mianmian got the role through her backing. Otherwise, she wouldn’t have gotten the second female lead role.”

“Yeah, the third female lead is an A-list celebrity. What is she?”

“She must have used her background. It’s great to have a rich and powerful boyfriend. She can get whatever resources she wants. I’m glad that my goddess Shen Fei is still the female lead and hasn’t lost her role.”

“Do you think she doesn’t want to steal Shen Fei’s role? She doesn’t dare to. An actress with both fame and ability has to be the female lead of such a big movie. If a newbie like her takes the female lead role, she’ll definitely be scolded like a dog. Shen Fei’s fans aren’t to be trifled with. No matter how good her boyfriend is, Shen Fei is the top sister in this industry.”

“If she didn’t steal Shen Fei’s role, then she must have stolen someone else’s role. I really detest this kind of person. In the past, our company also had such a parachutist. He didn’t have any ability and even gained an important position. It’s really disgusting.”

Qiao Mianmian’s Backing # quickly made it to the trending list.

As a newbie like Qiao Mianmian stood out too much among the big shots, no one believed that she got the role on her own.

Chapter 1654: Her Act Involved Public Anger

They all thought that she used her backing.

Most people detested such behavior.

In an instant, Qiao Mianmian became the target of public criticism.

At this point, someone realized that Qiao Anxin's Weibo was updated too.

And the content of the update was related to Qiao Mianmian's trending.

Qiao Anxin V: [I saw someone's trending searches. I'm not sure if she got the role through connections. I just want to say that I was there that day too. A lot of people were waiting in line for the audition. She came last, but the staff directly let her go in first. Moreover, she went in with Shen Fei. I don't know how she passed.]

Not everyone went for the audition that day.

After Qiao Anxin posted this, some of the cast members also posted about it.

Although she didn't say it explicitly, she was implying that Qiao Mianmian was indeed involved.

Hence, the netizens cursed even more.

Some netizens even asked the crew of "Phoenix in the Air" to remove Qiao Mianmian from the roster. They said that with her popularity and qualifications, she wasn't qualified to play such an important role.

The third female lead was an A-list actress named Song Lu.

When Song Lu found out that Qiao Mianmian was the second female lead, she was especially unhappy.

She was the third female lead.

Without Qiao Mianmian, the second female role would definitely be hers.

Although they were all supporting roles, the second and third female roles had completely different scenes.

Song Lu was angry. Seeing that Qiao Mianmian's matter was trending, and other artistes came out to complain, she couldn't help but comment on Weibo.

Song Lu V: [I've prepared for a long time for the role I like, but in the end, I can't beat someone with a backing. Mm, power is really useful.]

Song Lu didn't directly point it out.

But after Qiao Mianmian made it to the hot searches, her post made people think that it was Qiao Mianmian who stole her role.

Because with Song Lu's status, she could totally be the second female lead.

She was the third female lead.

But the second female lead was given to a newbie like Qiao Mianmian.

Obviously, Qiao Mianmian took her role.

Not only did she get the role with her backing, but she also got her role.

This behavior angered everyone.

Song Lu's fans felt indignant for their idol.

“Qiao Mianmian is so disgusting. She stole Lu Lu’s role.”

“This kind of woman who steals other people’s resources by sleeping around is too disgusting. Doesn’t anyone care?”

“Who cares? Even Qin Han is praising her on Weibo. Do you think he really admires her? It’s all because of her power.”

“Sigh, my heart aches for Qin Han and Lu Lu, whose role has been taken away by her. Her backing is too powerful. Lu Lu is just a small artiste, how can she compete with Qiao Mianmian’s backing?”

“Previously, she snatched Little Xiao’s endorsement, then snatched Huang Yilin’s female lead role, and now she’s stealing our Lu Lu’s role. Why is this woman so cheap? She always likes to snatch other people’s things.”

Lu Lu’s fans scolded Qiao Mianmian in the comment section.

Some passersby also commented and attacked Qiao Mianmian.

Chapter 1655: Mianmian, How Are You Going to Reply?

At that moment, Qiao Mianmian seemed to have returned to the time when she was embroiled in scandals and was scolded by the netizens.

Qiao Mianmian knew that she was on the hot searches again, and it was because she got the second female role in the movie. She was on her way to the party.

After the filming ended, Bai Yusheng invited the entire crew out for dinner.

She was in the same car as Bai Yusheng.

Nana was the first to find out about it. After looking at it for a while, she handed her the cell phone angrily.

“Mianmian, your stepsister is defaming you online again,” Nana said angrily. “Isn’t she saying that you got the role through connections?”

As Qiao Mianmian’s assistant, Nana knew that Qiao Mianmian didn’t get the role because of her connections.

But Qiao Anxin’s post practically confirmed it.

Coupled with Song Lu’s Weibo post, Qiao Mianmian looked more guilty.

“And that Song Lumo, what does she mean? Is she saying that you stole her role?”

“She and Qiao Anxin are in cahoots. Did they agree to deal with you?”

Qiao Mianmian took the cell phone and looked at it for a while with a calm expression.

She wasn’t surprised that Qiao Anxin would do such a thing.

As for Song Lu, Qiao Mianmian felt that there was nothing to be angry about.

As a newbie, she couldn't believe that she could get the second female role.

Song Lu probably really thought that she snatched her role.

"Mianmian, how are you going to respond?" Nana looked at her calm expression and said anxiously to her, "The netizens seem to believe them now. They think that you used your connections to snatch Song Lu's role.

"Public opinion isn't in your favor."

Qiao Mianmian had just finished filming.

The drama was going to be broadcasted soon.

As the female lead, if she caused any bad news during this period, it would affect the ratings.

Even if the male lead was Qin Han.

If most people found the female lead annoying, even with Qin Han around, the audience wouldn't be convinced.

Qiao Mianmian knew the pros and cons, so she had to settle this.

But she couldn't think of a concrete response.

She was about to send Linda a message when she heard Nana exclaim, "Ah!"

"Mianmian, Shen Fei spoke up for you."

Nana stared at her cell phone screen in shock.

Qiao Mianmian was stunned. "Shen Fei spoke up for me?"

"That's right. Shen Fei just posted on Weibo. She spoke up for you." Nana followed Shen Fei on Weibo, so she saw her post immediately.

"Look, Shen Fei is speaking up for you. Mianmian, are you on good terms with her? Shen Fei rarely interferes with others' matters."

Qiao Mianmian looked down at the cell phone screen and saw Shen Fei's Weibo post.

Shen Fei V: [I saw some comments. I didn't want to be a busybody, but the rumors are getting out of hand. As someone who knows the situation, I really can't hold it in anymore. Without any backing and any fighting for the role, Qiao Mianmian got the second female role all on her own. I auditioned with her. I know best how she performed.]

Chapter 1656: Shen Fei Helped Her

[Every role chosen by the director has been considered over and over again. The type of role the director gives you means that the role is suitable for you. Snatching the role might happen in other production teams, but it is impossible in our production team. Unless the director likes you, no amount of connections will work.]

Shen Fei had a unique personality and was independent.

She was different from other artistes in the industry. She dared to say anything.

But she rarely spoke up for anyone.

Unless they were good friends.

This was the first time she spoke up for a newbie.

As Shen Fei never liked to interfere in others' matters, the situation quickly turned around after she spoke up for Qiao Mianmian.

People trusted Shen Fei more than Qiao Anxin.

"I choose to believe in Shen Fei. Everyone is saying that Qiao Mianmian has a backing and that she didn't get the role with her own abilities. Just because she's a newbie, can't she act as the second female lead? I've seen the clip of her drama, her acting is really good."

"Sister Fei rarely speaks up for anyone, and she hates people with connections. I choose to believe Sister Fei."

"I'm on Shen Fei's side too. Why can't newbies get the second female lead role with their own abilities? Previously, many newbies got the female lead role. Why didn't anyone say that they used their connections, but when it comes to Qiao Mianmian, it becomes stealing roles?"

"She's probably jealous that Qiao Mianmian found a rich, powerful, and super handsome boyfriend. I don't believe anyone else, but what Sister Fei says is true."

"I won't say much. Stand by Shen Fei."

"Stand by Shen Fei+1."

Shen Fei was definitely a capable actress. Her acting and reputation were especially good.

Song Lu and Qiao Anxin's fans combined weren't as many as Shen Fei's.

Looking at Shen Fei's post, Song Lu felt a little guilty.

Not long after, some netizens realized that Song Lu had deleted her post.

Only Qiao Anxin was still holding on.

Many netizens went to her Weibo and asked her what she thought of Shen Fei's words.

Qiao Anxin replied: [I can only say that she has a lot of power. Even the Movie Queen has to side with someone in order to please her.]

Before Qiao Anxin replied, she forgot something.

Shen Fei's fans weren't to be trifled with.

She was just referring to Qiao Mianmian.

But with Shen Fei involved, Shen Fei's fans quickly went to her comment section to tear her apart.

“My Sister Fei is different from you. You need to rely on kneeling to stay in the industry. With Sister Fei’s current status, she doesn’t need to kneel and lick anyone.”

“You shameless third party, where did you get the courage to spread rumors about Sister Fei? Sister Fei said that she didn’t use her backing, so that means she didn’t do so. You even said that Sister Fei wants to curry favor with others. Do you think Sister Fei is a spineless coward?”

“Sister Fei wasn’t involved at first. You and your sister can tear each other apart however you want. We’re just enjoying the show. Why the hell did you drag Sister Fei into this? Do you believe that the Feeling Army will drown you in our saliva?”

“This is the third party who cheated on her sister’s man? How shameless. The woman who stole her sister’s man is still defaming her on the Internet. You mean you went for the audition that day too? You didn’t get it on the list of actors, right? You’re jealous of your sister and want to defame Qiao Mianmian online?”

Chapter 1657: Reversal of Public Opinion

Qiao Anxin was instantly scolded by Shen Fei’s fans.

Qiao Anxin was a typical bully.

She didn’t dare to offend Shen Fei’s fans.

Hence, she didn’t dare to rebut them.

Her fans weren’t as strong as Shen Fei’s. Soon, the comment section was filled with Shen Fei’s fans.

Not long after Shen Fei posted on Weibo, the scriptwriter also did it.

The screenwriter’s Weibo account was named “Yu Yu has to work hard today”. [It was my suggestion to choose Qiao Mianmian as the second female lead. Back then, the director arranged another role for her, but I felt that her appearance and performance were more suitable for the second female lead, so I strongly advocated giving her the second female lead role. The script was written by me, so no one knows every role better than me. If Qiao Mianmian had to go backstage, then she had to go backstage through me. After all, I liked her at first glance.]

The post by the scriptwriter was a slap in the face to those who said that Qiao Mianmian got the role from the backstage.

The scriptwriter chose Qiao Mianmian for the role, who could say anything about it?

Soon, the negative comments about Qiao Mianmian became favorable to her.

Shen Fei and the screenwriter’s posts were more useful than Qiao Mianmian saying anything.

Qiao Mianmian watched as her matter was resolved in just 10 minutes.

She took back the phone.

She was surprised that Shen Fei and the scriptwriter stood up for her.

Although Shen Fei and Qin Han knew each other, Qiao Mianmian didn't think that Shen Fei would help her just because of that.

She wasn't related to Qin Han.

She met Shen Fei and the scriptwriter for the first time during that interview.

Hence, Qiao Mianmian was really surprised that they would help her.

But no matter what, Qiao Mianmian was still grateful that someone helped her solve this problem.

She immediately logged into her Weibo account and reposted Shen Fei and the screenwriter's posts.

Qiao Mianmian V: [Thank you, seniors. And thank you for your recognition. I will do well.]

Shen Fei replied in her comment section.

Shen Fei: [I admired your performance that day. Do your best, prove yourself with your abilities.]

The scriptwriter replied.

Yu Yu has to work hard today: [The second female lead singer is tailor-made for you. I believe in my judgment, you won't disappoint me.]

Qiao Mianmian was overjoyed to receive their approval.

Her mood was quickly restored.

Her fans cheered for her on Weibo too.

"Wow, Mianmian is amazing. She got such a good role with her own abilities. We're proud and happy for you."

"Good luck, Mianmian. I'm looking forward to your new work."

"Our Mianmian is good-looking, has a good personality, and has amazing acting skills!"

"Mianmian, you can do it. We will always support you. The more haters there are, the more it means that you're going to be popular soon. Don't you feel happier now?"

Qiao Mianmian read the private messages from her fans one by one. Seeing so many cute fans cheering her on warmed her heart.

Even if 80% of the people didn't like her.

The remaining 20% liked her, and she felt that the world was still beautiful.

...

On the other side.

Qiao Anxin slammed her cell phone on the table when she saw that the public opinion on Weibo was gradually turning in Qiao Mianmian's favor.

Chapter 1658: She Didn't Want to Be That Pitiful

How could this be?

Why was this little slut so lucky?

Shen Fei actually stood up for her, and the scriptwriter even said that Qiao Mianmian was the second female lead she picked.

The public opinion was already bad for that slut.

But the moment Shen Fei and the scriptwriter appeared, the situation changed.

The negative comments about that slut were gone.

Qiao Anxin couldn't take it lying down.

She didn't understand why that slut was so lucky.

Qiao Anxin knew what kind of person Shen Fei was. This had nothing to do with Shen Fei at all. She could have stood up for her.

There was no such thing as being forced by power.

There was no such thing as trying to please Qiao Mianmian.

With Shen Fei's personality and her current status in the entertainment industry, she didn't need to please anyone.

And that movie scriptwriter was famous for being cold and aloof. Because her scripts, whether it was a movie or a television drama, they exploded with every statistic. Even if she had a bad temper, she didn't lack people begging her to write their script.

She didn't lack money or fame.

Like Shen Fei, she didn't need to gain resources by pleasing others.

Hence, they had to be willing to help Qiao Mianmian.

But why?

Why would Shen Fei be willing to help a newbie?

She didn't have much of a relationship with Qiao Mianmian.

Thinking about it, Qiao Mianmian was the only one with good luck.

Qiao Anxin didn't know that Qiao Mianmian's audition was a success.

She only found out today when she saw the list of actors posted on the official account.

She hadn't even auditioned, but that slut Qiao Mianmian could get the second female lead role.

Qiao Anxin knew what the second female lead role meant.

After that movie, Qiao Mianmian's value would be completely different.

As for her.

Qiao Mianmian's resources were getting better, but hers were getting worse.

It wasn't easy to connect to a B-list commercial now.

Most of the scripts given to her were online dramas for silly and sweet female leads. There wasn't even one television drama.

If this continued...

She had been struggling to maintain her status as a first-tier actress, but she would soon fall to the second-tier, the third-tier...

Then, she would be forgotten by the audience.

Qiao Anxin was terrified.

She didn't want to be forgotten.

She didn't want to become such a pitiful person.

As long as she could become popular, she would pay any price.

She'd already lost to that slut in other aspects.

She couldn't lose to that slut in her career.

Qiao Anxin bit her lip with eyes full of ambition.

The bathroom door opened.

A skinny man about 1.8 meters tall walked out.

The man was wrapped in a towel. He wasn't very handsome, but he looked very masculine.

Especially the scar that ran from his forehead to the corner of his eye was even more vicious. This man was obviously not someone to be trifled with.

Qiao Anxin immediately adjusted her expression and walked towards him with a smile.

"Young Master Quan." She walked to the man and greeted him.

Quan Dong reached out and pulled her into his arms. "Can't wait?"

Chapter 1659: A Few Business Partners Have Taken a Liking to You

"Young Master Quan, you're so mean." Qiao Anxin playfully punched the man's chest. "I didn't mean that."

Qiao Anxin looked delicate and pretty.

She looked so charming.

If it was a man with little experience in love, he would definitely be charmed by her appearance.

But Quan Dong was a veteran.

Looking at the woman in his arms pretending to be shy and innocent, the corners of his lips curled up in disdain. Then, he carried her horizontally without any emotion in his eyes.

...

Two hours later.

Quan Dong was leaning against the bed frame and smoking.

“Young Master Quan, there’s been a rather popular variety show recently. I heard that the variety show is selecting the next episode’s guest. I don’t have much work on hand, can you arrange for me to be in the next episode?”

Qiao Anxin knelt beside him and massaged his legs.

Quan Dong had a cigarette in his mouth. “Which variety show?”

“The Meaning of Traveling.” Qiao Anxin’s answer was immediate. With that, she massaged Quan Dong’s legs even harder. “There are five slots for each episode. I heard that three male and three female guests have already been chosen. Two slots are left.

“This show is very popular. The artistes who appear on it are all first- and second-tier. Moreover, some newbies became popular through this show. In short, being able to go on this variety show is very helpful to increase your fame.

“Young Master Quan, I want to go on this variety show.” Qiao Anxin looked up pitifully. “Can you arrange for me to go? I really want to go.”

Quan Dong was more powerful than Boss Huang.

He was the big brother of the entertainment industry.

Hence, even though everyone knew that Quan Dong was a pervert and that it was dangerous to follow him, many women who wanted to be popular still followed him.

Qiao Anxin was one of them.

She was willing to pay any price to be popular.

“You want to go?” Quan Dong took a puff, lowered his head, and blew a puff of smoke on her face.

Qiao Anxin started coughing.

Coughing until her eyes were red, she nodded vigorously. “Mm, I want to go.”

“It’s not impossible.” Quan Dong narrowed his eyes.

Qiao Anxin was elated. “Young Master Quan, is this a promise?”

Quan Dong smiled. "A few business partners have taken a liking to you. Help me receive them and sign the contract. I'll let you go on the variety show, then."

Qiao Anxin was stunned.

She widened her eyes in disbelief. "Young Master Quan, w-what did you say? You want me to accompany someone else?"

Quan Dong looked at her shocked expression and smiled. "The opportunity is right in front of you. It's up to you whether you can grasp it or not. I won't force you.

"I hate forcing others. If you're unwilling to do this, I can always find someone else."

Qiao Anxin paled.

She knew that Quan Dong wasn't a good person.

Compared to Boss Huang, Quan Dong was more dangerous and cruel.

Boss Huang was just a little perverted in some ways. At least her life wouldn't be in danger.

Chapter 1660: The Man Who Really Touched Her

But Quan Dong was a ruthless character.

If it wasn't for Boss Huang, Qiao Anxin wouldn't have thought of following Quan Dong.

She had no choice now.

Quan Dong had a lot of good resources. As long as she was willing to give it her all, she wouldn't have to worry about anything.

But now...

She hesitated.

She knew what Quan Dong meant.

He definitely didn't mean what he said.

No matter how willing Qiao Anxin was, she still hesitated.

Accompanying a person and accompanying a few people was very different.

But she knew very well that if she didn't agree to it, she wouldn't be able to appear on the variety show.

A lot of artistes must want to appear on that variety show. If Quan Dong found someone else...

Qiao Anxin couldn't bear to reject him given her current situation.

If she missed this opportunity, she might not have such a good opportunity next time.

As long as she could get on that variety show, she would have a chance to make a comeback and even have a better career.

As long as she became popular, she wouldn't have to worry about good resources coming her way.

By then, she wouldn't have to follow a pervert like Quan Dong.

A moment of sacrifice in exchange for a bright future.

After weighing the pros and cons in her heart, she finally made up her mind and gritted her teeth. "Alright, Young Master Quan. I... I'll go! As long as I go, will I be able to go on the variety show, 'The Meaning of Traveling'?"

"Of course." Seeing she was willing, Quan Dong finally smiled. He reached out and lifted her chin, looking at her as if she was an obedient dog. "It's just a spot on a variety show. As long as you're obedient, I'll have plenty of resources for you in the future.

"If you follow me obediently, I'll naturally make you popular."

Seeing the smile on his face, Qiao Anxin felt a chill down her spine.

At this moment, she finally realized how ruthless Quan Dong was.

To him, she was just a plaything.

That was why he could give her away so easily.

Even Boss Huang wouldn't give her away so easily.

Qiao Anxin never thought of being by his side for a long time.

She looked down at the bruises on her body and made up her mind to leave Quan Dong as soon as possible.

At this point, her jealousy and hatred towards Qiao Mianmian deepened.

Why was Qiao Mianmian able to find such a good man? Why did she have to stay with a scum like Quan Dong?

One day she would get everything she wanted.

Mo Yesi.

Qiao Anxin repeated the name over and over again.

She still remembered the first time she saw Mo Yesi.

She dreamt of him for a while.

This was the man who really moved her.

She followed Su Ze mostly because he was eligible to give her what she wanted.

And she liked to steal Qiao Mianmian's things.

Whether it was an object or a person.

As long as it was Qiao Mianmian's, she felt especially good.

She actually didn't have many feelings for Su Ze.
