Chapter 1661: Why Was She Drunk Like This

But Mo Yesi was different.

This man was different from any other man she'd ever dreamed of.

She really liked him.

She really envied Qiao Mianmian.

If she could be with Mo Yesi for just one day, she would feel so blissful.

Why was Qiao Mianmian able to get everything she wanted so easily?

She was really indignant.

Qiao Mianmian, just you wait. You won't always be so lucky.

One day, I'll step on your head and take off your halo.

And the man beside you will be mine sooner or later!

...

10 PM.

Qiao Mianmian, who was celebrating the wrap-up of the filming with the crew, was half drunk and collapsed on the sofa.

A few minutes later, the door opened.

A tall figure walked in.

The man entered the private room and looked around. When he saw Qiao Mianmian sleeping in the corner, he frowned and quickly walked over.

"Mianmian?"

Mo Yesi walked to the corner and called out to Qiao Mianmian.

The sleeping girl did not respond.

Mo Yesi smelled the alcohol on her and frowned harder.

He turned around and looked at Bai Yusheng coldly.

"You're still here, why is she so drunk?"

"I didn't expect her alcohol tolerance to be so bad." Bai Yusheng pursed his lips and felt a little regretful.

"She said she had no problem drinking two glasses. I thought that since today is a special day, it was fine to let her drink a little. I didn't expect her to get drunk after just one glass.

"If I'd known that her alcohol tolerance was so low, I wouldn't have let her drink."

Mo Yesi rushed over after receiving Bai Yusheng's call.

After hearing his explanation, Mo Yesi turned around and picked Qiao Mianmian up.

The girl's body was soft and light as a feather.

"I'll settle this with you in the future."

With that, Mo Yesi left with Qiao Mianmian.

There weren't many people in the private room.

Just Bai Yusheng, Qin Han, and a few important crew members.

Bai Yusheng rubbed his nose and sighed.

His brother-in-law was too protective of his wife.

Qin Han looked at him for a while and smiled. "Director Bai and Mr. Mo seem to be very good friends?"

"I guess so." Bai Yusheng had a good relationship with Qin Han, so he was willing to tell him some things. "I've known him for six to seven years."

Qin Han was a little surprised. "So, Director Bai and Mr. Mo already know each other. You introduced Mianmian to him?"

"No, they already knew each other before I met her."

"I heard that Mr. Mo is a relative of the Mo Family?" Qin Han asked curiously. "Is that true?"

"Relative?"

Bai Yusheng smiled.

"Isn't it?" Qin Han looked at him.

"Of course not." Bai Yusheng thought for a while and smiled. "If we have to talk about it, he's a direct relative."

"Direct?" Qin Han was shocked.

A direct relative of the Mo Family...

Everyone knew that the Second Master of the Mo Family had no descendants.

Thus, the direct relative could only be the Mo Family's Old Master.

The Mo Family's Old Master had two sons.

Chapter 1662: I Didn't Expect His Identity

The eldest son, Mo Shixiu, was the next presidential candidate.

The second son was Mo Yesi, the youngest CEO in the history of the Mo Corporation.

Mo Shixiu often appeared on the news. Qin Han knew what he looked like.

But he didn't know what the low profile Second Young Master Mo looked like.

Qin Han tried to figure out Mo Yesi's identity and was even more shocked.

"He's from the Mo Corporation..."

"Yes." Bai Yusheng nodded before Qin Han could finish his sentence. "Just as you guessed."

Qin Han saw the look in his eyes and knew that he shouldn't continue.

But Bai Yusheng should have guessed what he was thinking.

This proved that his guess was true.

The media was speculating that Mo Yesi was from the Mo Family's branch family.

But he was actually the Chairman of the Mo Corporation.

Who would have thought?

No wonder Boss Huang's company was banned.

No wonder the Su Corporation was suddenly acquired by the Mo Corporation.

No wonder Qiao Mianmian's scandals were quickly suppressed.

If he was the Mo Corporation's Chairman, he was indeed capable enough to do this easily.

"I didn't expect this." Qin Han was shocked.

But he felt that he shouldn't be so shocked.

He should have known his true identity.

In that case, Qiao Mianmian really didn't get the resources through connections.

Her boyfriend was Mo Yesi.

What kind of resources could she not get?

It wasn't impossible for her to be the female lead.

Although Qin Han was shocked to know about this, he wasn't so worried about Qiao Mianmian anymore.

With Mo Yesi as her backing, her future in the entertainment industry would be easier.

Mo Yesi could settle anything for her.

...

Mo Yesi left with Qiao Mianmian.

In the car park, he placed Qiao Mianmian in the backseat. He was afraid that the temperature in the car was too low, so he covered her with a thin blanket.

He drove all the way back to the apartment.

When they arrived, Qiao Mianmian was still sleeping soundly.

Mo Yesi got off first and then carried her out.

She still lingered with the odor of alcohol.

Mo Yesi looked at the girl sleeping soundly in his arms and frowned. He was unhappy with Bai Yusheng again.

He actually made his wife so drunk.

He was too incompetent.

Mo Yesi carried Qiao Mianmian into the house. As she was still unconscious, he had no choice but to carry her into the bedroom. After changing her into her pajamas, he gently placed her on the bed.

He then went to the bathroom to get some hot water and a wet towel. He then brought the towel to the bedroom to wipe her face and hands.

Qiao Mianmian didn't feel anything.

The two glasses of red wine allowed her to sleep until the next day.

...

When Qiao Mianmian woke up, she saw that the seat beside her was empty.

But there was still traces of warmth on it.

After a night of hangover, her head still hurt. She rubbed her forehead and slowly sat up.

She had no memory of how she came back last night. She looked at her pajamas and couldn't remember when Mo Yesi changed her clothes.

Those two glasses of red wine were too powerful.

Qiao Mianmian rubbed her aching forehead and swore that she would never drink so much again.

Chapter 1663: Thank You, Hubby!

She rubbed her forehead and sat up for a while before slowly getting off the bed and washing up.

After washing up, she walked out of the bedroom to look for Mo Yesi.

As she walked out of the bedroom, she smelled a fragrance coming from the kitchen.

The kitchen door was half-closed.

Qiao Mianmian walked over lightly, stopped at the door, and looked into the kitchen.

Then, she saw Mo Yesi wearing an apron with his sleeves rolled up.

Qiao Mianmian widened her eyes in shock.

In the kitchen, the man was wearing a white shirt with his sleeves rolled up to his elbows. He was wearing a pink apron and was cooking something with a spatula.

There was a pot on the stove.

The pot was steaming.

Qiao Mianmian stood at the door for a while before coming back to her senses. She pushed open the kitchen door and entered.

“Mo Yesi, are you... making breakfast?” Qiao Mianmian saw another pot of porridge.

Mo Yesi was frying an egg.

He rarely went into the kitchen and had no experience in cooking.

Hence, the fried egg in the pot was a little burnt.

But this was already good enough for someone who had never cooked.

“You’re awake.” Mo Yesi heard her voice and turned to look at her. He reached out and gently pinched her cheek. “I made porridge, fried a few eggs, and heated milk. Wait for a few more minutes, it’ll be done soon.”

Qiao Mianmian looked at him blankly. “You can cook?”

“Not much.” Mo Yesi said honestly, “I just learned it. Simple ones should be fine, but more complicated ones might take a while.”

“Why do you want to cook your own breakfast?”

“You were drunk last night.” The man looked at her with his deep eyes and said gently, “You’ll feel better after getting up early and having some porridge.”

“So, you specially made this breakfast for me?”

“Mm.”

Qiao Mianmian’s heart warmed as she thought about how this man who had been pampered since young was actually willing to do such things for her. She couldn’t help but throw herself into his arms.

She was touched. “Thank you, Hubby!”

Mo Yesi smiled and gently pushed her away. “I smell like oil and smoke, don’t hug me. Why are you thanking your husband? You’re my wife, shouldn’t I take care of you?”

“There’s not much I can do for you now, but I’ll do whatever I can for you.”

“Hubby...”

Qiao Mianmian was moved to tears.

Mo Yesi smiled and looked at her tenderly. "Mm, if you're touched, call me Hubby more. I like it."

"Why are you so good to me?" Qiao Mianmian bit her lip. "I don't even know if I deserve it."

"Aren't you silly?" Mo Yesi pinched her cheek again. "You're my wife. If I don't treat you well, who do I treat well? Everything I do is because you're worth it."

"Speaking of which, how could I find such a good wife?"

Qiao Mianmian was even more touched.

Mo Yesi was really...

Which woman wouldn't fall for him?

Chapter 1664: Doting to the End

Not only was he gentle and rich, but he was also thoughtful and doting.

Qiao Mianmian couldn't find a single flaw in him.

She couldn't find any dissatisfaction.

She thought that all her good luck in life was probably focused on finding her husband.

"Alright, Baby, go out and wait obediently." Mo Yesi's heart skipped a beat when he saw how obedient she was. He couldn't help but lower his head and hold her soft face. "I've placed the milk on the table. Drink it first to warm your stomach."

"If you're uncomfortable, I'll make you some hangover soup."

"I'll get the rice out first." Qiao Mianmian felt embarrassed that she wasn't doing anything.

Although Mo Yesi doted on her, she couldn't take it for granted.

"No need." The man insisted on pampering her to the end and wouldn't let her do anything. He pressed her shoulder and pushed her out of the kitchen. "You don't have to do anything. Just wait outside."

Qiao Mianmian was speechless.

"I can get a bowl of rice..."

It wasn't anything troublesome.

She wasn't the kind of rich missy who'd been served since she was little. She wasn't used to being waited on without doing anything.

"I'll get it." Mo Yesi didn't give her a chance. "You were so drunk last night, you must still be unwell. Listen to me, go out and wait, alright?"

Qiao Mianmian was speechless.

Seeing how insistent he was, she could only nod. "Alright, then. Call me if you need any help."

Not long after Qiao Mianmian left, Mo Yesi came out with breakfast.

He made porridge, fried a few eggs, and fried a plate of vegetables.

The eggs were a little mushy, and the vegetables had been fried for too long. The color wasn't good.

"Just eat it." Mo Yesi also felt that his two dishes didn't look too good. After placing them on the table, he pursed his lips and said, "They don't look good, but I tried them just now. The taste isn't too bad.

"It should be edible."

"It's already very good." Qiao Mianmian picked up her chopsticks and picked up some vegetables. After tasting it, she praised. "It tastes pretty good."

Mo Yesi sat down beside her and looked at her suspiciously. "You really think it tastes good?"

"Mm, really." Qiao Mianmian nodded and looked into his eyes. "If this is your first time, I think it's already very good. My first time cooking, I almost burned the kitchen."

"That's good." Mo Yesi felt very satisfied. "I'll learn a few more dishes in the future. I should be able to cook better next time."

"Actually, you don't have to cook yourself. Aren't there many chefs at home? It's the same if you let the chef cook." Qiao Mianmian wasn't the kind of person who wanted him to cook personally just to prove how much Mo Yesi liked her.

She felt that Mo Yesi had been pampered since young and rarely did such things. There was no need to deliberately make him do it just to show her importance.

The Mo Family didn't lack chefs.

It didn't matter to her whether he did it or not.

Of course, Qiao Mianmian was really happy that he cooked for her.

"How is it the same?" Mo Yesi placed an omelet on her plate. "The chef made it, not me."

"But, don't you find it troublesome?"

The man looked at her tenderly and said, "Of course not."

Chapter 1665: You Will Always Be My Baby

"I'm willing to take care of you. I like doing it. This isn't a problem for me."

Qiao Mianmian was touched again.

She still felt that she was unworthy.

Her husband was too nice.

How lucky was she to have met Mo Yesi in this lifetime?

And how lucky she was to be his wife.

“Mo Yesi, I’m afraid...” Qiao Mianmian bit her lip and said softly.

Mo Yesi was stunned. “What are you afraid of?”

Qiao Mianmian looked at him. “I’m afraid that you treating me so well now, I’ll get used to your kindness and become spoiled in the future.”

“Then let me spoil you.”

“But if I’m spoiled, my temper might not be so good, and you might not like me so much. Then, you won’t treat me as well as you do now. Then, I’ll feel disappointed and sad.”

If she hadn’t been pampered and loved by him, she wouldn’t care about the difference.

But he treated her so well now. If he was a little colder one day, she wouldn’t be able to accept it.

She would be upset.

“There won’t be such a day.” Mo Yesi reached out and patted her head gently. “You’ll never change. I just want to spoil you. You can throw a tantrum in front of me. I like your good and bad sides.

“I know that even if I swear to you now, you might not be at ease. But Mianmian, you’re really special to me. This is something no other woman can do for me.

“You’ll be my baby for the rest of your life.”

“Mo Yesi...”

Qiao Mianmian teared up again.

“Alright, Baby, don’t let your thoughts run wild.” Mo Yesi leaned in and placed her hand on his face. “If you’re worried that I’ll have a change of heart in the future, you can actually consider doing something to keep my heart.”

Qiao Mianmian was stunned. “What is it?”

“Give me a baby.” Mo Yesi’s eyes were half-serious and half-joking. “With a baby, you definitely won’t think about this anymore.”

Qiao Mianmian was speechless.

She realized that Mo Yesi really wanted a child.

He mentioned it the last time.

He mentioned it again as a joke.

If her career was stable and she wasn’t young anymore, she was willing to give birth to a child for him.

But...

Qiao Mianmian liked Mo Yesi and was willing to give birth to a child that belonged to them.

But not now.

She knew that Mo Yesi was testing her and knew that her rejection would disappoint him. She steeled her heart and said, "I'm still young and not ready yet. Let's talk about babies in the future."

The man didn't look disappointed. He smiled and nodded. "You've already told me that I was joking with you. Alright, let's eat."

"Mm." Qiao Mianmian didn't continue.

She knew that Mo Yesi didn't mention it casually.

But since she couldn't give him a baby now, she'd better not mention it.

...

Qiao Mianmian had nothing to do for now.

Linda didn't have anything for her to do.

According to her, many advertisers and television stations had invited her.

But Linda rejected it.

Because those commercials were all for small brands.

Chapter 1666: Sister, I Know What to Do

The invitations for television programs were all average.

This wouldn't help Qiao Mianmian's popularity much.

It might even lower her status.

There was no need to go for some small benefits.

Hence, Qiao Mianmian was free for the rest of the day.

She decided to take a break and spend some time with Mo Yesi.

They parted not long after they got married.

She wasn't a good wife.

Once she accepted another job, it would be another few months of separation.

Hence, she had to cultivate their relationship now.

After the meal, Qiao Mianmian followed Mo Yesi back to Yuncheng City.

After returning, she called Qiao Chen and asked him to have dinner together.

Qiao Mianmian was about to hang up and he called out to her. "Sister."

"Mm, Chen Chen, is there anything else?"

Qiao Chen hesitated for a while before saying, "Sister, there's something I don't know how to handle. I want to ask for your advice."

Qiao Mianmian took out a set of pajamas from the closet and prepared to take a shower.

She walked towards the bathroom. "Go on."

"Sister." Qiao Chen kept quiet for a while as if he had something to hide. After about a minute, he said, "If, if someone you care about is about to leave, but you really want her to stay, what would you do?"

Qiao Mianmian stopped in her tracks. "Someone I care about?"

"Mm. Are you just going to watch her leave, or do you ask her to stay?"

Someone Qiao Chen cared about?

Qiao Mianmian felt that Qiao Chen cared about her the most.

But he wasn't talking about her.

Qiao Mianmian suddenly recalled the previous time she picked him up.

She could already guess who Qiao Chen was referring to.

Qiao Mianmian thought for a while before replying, "That depends on how important that person is to you. If she's very important, her departure will make you sad. I think you can ask her to stay.

"If she isn't very important to you, her departure won't make you too sad. Then, there's no need to keep her."

Qiao Chen fell silent again, as if deep in thought.

After a while, he said, "Then, I feel sad at the thought of her leaving. Is this very important?"

"Of course."

Qiao Mianmian already knew that Qiao Chen liked Shen Xin.

But from what he said, he liked Shen Xin even more than Qiao Mianmian thought.

Qiao Mianmian didn't like Shen Rou.

But she had a good impression of Shen Xin.

She wasn't the sort to dislike her sister just because she hated Shen Rou.

No matter what Shen Rou did, Shen Xin was innocent.

Hence, she wouldn't be biased against Shen Xin just because of her personal feud with Shen Rou. She wouldn't stop Qiao Chen from interacting with her.

"Chen Chen, if you really think she's so important to you, Sister's suggestion is that you try to make her stay. No matter what her final choice is, if you ask her to stay, at least you won't have any regrets.

"If you let her leave just like that, you'll definitely regret it in the future."

After another minute of silence, Qiao Chen said hoarsely, "Sister, I know what to do."

Qiao Mianmian hung up and heard a voice behind her. "Who called you? Chen Chen?"

Chapter 1667: So, You Don't Objection?

"Mm."

Seeing that Mo Yesi was walking towards her, Qiao Mianmian thought for a while and looked at him.

"Mo Yesi, I want to ask you something."

"Ask me what?" Mo Yesi walked to her side and gently pulled her into his arms. Seeing that she was holding her pajamas, he raised an eyebrow and smiled. "You want to shower?"

"Mm."

"Together?"

Qiao Mianmian said, "...Be serious, I still have questions to ask you."

Mo Yesi smiled again and stopped joking with her. "Alright, I'm serious. Tell me, what do you want to ask me?"

"I think Chen Chen likes a girl."

"Mm?"

"I think that girl should be Shen Xin." Qiao Mianmian paused and looked up. "Mo Yesi, if Chen Chen and Shen Xin date, will you object?"

Mo Yesi was stunned. "Chen Chen and Shen Xin dating?"

"Mm."

Mo Yesi didn't answer immediately. He thought for a while before replying, "What's there to object to? That's his choice."

The last time Qiao Chen pleaded for the Shen family, he'd already guessed that he liked Shen Xin.

"So, you don't object?"

"Mm, I don't object." Mo Yesi smiled. "I know what you really want to ask. But Shen Rou is Shen Rou, and Shen Xin is Shen Xin. Actually, Shen Xin is a good girl. In the past, there was still a gap between her and Chen Chen, but now, this gap doesn't exist anymore."

"It should be said that there's a gap between her and Chen Chen's status now."

"What you should be worried about isn't us objecting, but others."

"Others?" Qiao Mianmian blinked. "You mean... the rest of the Shen Family?"

"Mm." Mo Yesi nodded. "According to my understanding of Shen Rou, she has a lot of hatred towards you now. Her parents probably have a lot of hatred towards the Mo Family too. Even if Chen Chen is willing and we don't object, the Shen Family might."

Qiao Mianmian kept quiet for a while.

Shen Rou hated her to the core, and Qiao Chen was her brother.

And the Shen Family definitely had complaints about the Mo Family because of their lack of help.

Just as Mo Yesi said, she should be worried that the Shen Family would object.

Qiao Mianmian felt bad for her brother.

Qiao Chen had already sacrificed his dream and done something he didn't like.

If he had to give up the person he liked...

The more she thought about it, the more her heart ached.

"Don't think too much." Mo Yesi patted her head. "I believe Chen Chen will make his own choice. I also believe that Shen Xin is a girl with her own opinions and won't completely listen to her family. As long as both sides are firm, there's still a chance.

"Chen Chen now can protect Shen Xin."

Qiao Mianmian felt much better.

Yes, as long as Qiao Chen and Shen Xin were firm, anything was possible.

Just like how Madam Mo wasn't satisfied with Jiang Luoli.

But she and Mo Yesi were already married.

Mo Shixiu didn't break up with Jiang Luoli because of Madam Mo's dissatisfaction.

"Chen Chen isn't a child anymore. Let him handle some things himself."

"Mm, alright."

...

Qiao Chen's birthday was coming soon.

This year's birthday was meaningful to him.

It was his 18th birthday.

In addition to the coming-of-age ceremony and the fact that Qiao Chen had just returned to the Mo Family, Mo Xingshu owed him a lot and wanted to make it up to him. Hence, he was prepared to hold a grand birthday party for him.

Chapter 1668: I Heard Shen Xin Is Transferring

The Mo Family had invited many prominent figures in Yuncheng City, and Qiao Chen had also invited many classmates. They were all friends of his.

The day he received the invitation, his classmates found out that Qiao Chen was actually the Young Master of the Mo Family.

But his surname was Qiao.

Moreover, Qiao Chen didn't seem like a rich young master in any aspect. As a result, he was very popular among girls in the school, and many boys in the school rejected him.

"Qiao Chen, are you really the Young Master of the Mo Family?" A boy who was especially close to Qiao Chen asked in shock.

He and Qiao Chen had been classmates for a few years and had a good relationship, but he never saw Qiao Chen as a rich young master.

Of course, Qiao Chen was good-looking, charismatic, and fair.

He did look like a pampered young master.

But Qiao Chen was just good-looking.

From his performance all these years, his family didn't have much money.

If he was the Young Master of a rich family, he wouldn't be dressed so ordinarily.

But the banquet was held in the Mo Family.

If he wasn't the Young Master of the Mo Family, he couldn't possibly be impersonating him.

Qiao Chen smiled at him. "Mm."

"But, but you used to..."

Qiao Chen smiled again. "I only found out recently."

The classmate was stunned. "Only recently..."

He quickly swallowed his words.

What else could it be?

It could only be that he hadn't grown up in the family.

Now, the Mo Family must have found him.

"I really didn't expect it." The classmate looked at him and muttered, "My classmate and good friend is actually the Young Master of the Mo Family. Our class has Miss Shen, and now there's Young Master Mo."

The classmate looked up at Qiao Chen and hesitated.

"Qiao Chen, do you know something?" the student asked after a few seconds of silence.

Qiao Chen looked at him. "What is it?"

“It’s about Shen Xin.” Knowing that Qiao Chen didn’t like Shen Xin that much, he paused for a while before continuing, “I heard that she’s transferring schools. You don’t have to worry about her harassing you anymore.”

Actually, this classmate didn’t hate Shen Xin.

On the contrary, he felt that she was a good girl.

As the daughter of the Shen Family, she wasn’t as arrogant and unreasonable as other rich ladies.

Shen Xin didn’t put on airs in front of them.

Moreover, Shen Xin had good grades, good looks, and a good family background.

Such a girl was a goddess in their eyes.

When they found out that Shen Xin was pursuing Qiao Chen, they thought that he would definitely agree.

After all, Shen Xin was so eligible and took the initiative to pursue him. Which boy could resist such a girl?

But Qiao Chen unexpectedly rejected her.

And Shen Xin had unexpectedly pursued him for three whole years.

Qiao Chen seemed uninterested in her.

He wondered how he would feel now that Shen Xin was leaving.

Chapter 1669: The Fallen Phoenix

He should be happy. After all, he seemed to be very annoyed with Shen Xin.

Qiao Chen’s expression froze for a few seconds. He stopped flipping the book and said calmly, “Mm, I heard.”

Shen Xin was the one who told him about it.

The classmate glanced at Qiao Chen’s expression and saw that he was still expressionless. He couldn’t help but sigh and say, “Actually, I think Shen Xin is pretty good too. Although she’s the daughter of the Shen Family, she doesn’t have any airs.

“She’s not annoying.

“Speaking of which, she’s rather pitiful. She used to be a rich young lady with high status, and she definitely had a bright future. But the Shen Corporation is about to close down, and it’s no different from bankruptcy. She’s no longer the enviable young lady of the Shen Family.

“Look at those classmates who used to support her. They’re not playing with her anymore. They even look down on her.

“Those who tried so hard to pursue her and saw her as a goddess have stopped pursuing her.

“She fell from heaven to the ground.

“If it wasn’t for her strong mentality, I would have been depressed. I guess her transfer has something to do with their family’s current situation.”

The classmate talked for a while, but when he saw that Qiao Chen still didn’t react, he thought for a while and said, “Qiao Chen, don’t misunderstand. I’m not speaking up for Shen Xin. I know you don’t like her, and you’re annoyed that she keeps pestering you. I just feel that Shen Xin is quite pitiful now.”

Qiao Chen pursed his lips and was about to speak when he saw a familiar petite figure walk over.

“Shen- Student Shen Xin.” The male student blushed when he saw Shen Xin walking over and greeted her nervously.

Even if the Shen Family had fallen.

Even if Shen Xin became a fallen phoenix.

But no matter how difficult it was, a phoenix was still a phoenix.

These male students had always treated Shen Xin as a goddess. Now that they saw her again, they were still nervous and shy.

Shen Xin nodded at him and turned to Qiao Chen. “Qiao Chen, it’s your birthday today, right?”

Qiao Chen looked at the girl in front of him. “Mm.”

“I heard you’re having a birthday party tonight, right?”

“Mm.”

“I’m here to ask, do I have a chance to attend your birthday banquet?” Shen Xin asked as if she was joking. Her tone was relaxed, but the hand hanging by her side was clenched tightly. She wasn’t as calm as she looked.

Qiao Chen’s lips moved. A few seconds later, he said, “If you’re willing to come, of course, you’re welcome.”

“Of course I’ll go. As long as you’re willing to let me go, I’ll definitely go.” Shen Xin smiled and looked much more relaxed. “Then, I’ll wish you a happy 18th birthday in advance, because there will definitely be many people celebrating your birthday at the banquet. I’m afraid I won’t have the chance to say this to you.

“I hope that you can be happy forever. I hope that you can continue to be happy and healthy. I hope that you won’t have any setbacks in your life in the future. I hope that without me, this annoying person, around you, a girl that you like in all aspects will appear.

“Qiao Chen, I hope you can be happy.”

Chapter 1670: He Seemed Used to Being Troubled by Her

Qiao Chen frowned. "Shen Xin, you..."

"Alright, don't bother about me. I just said it casually. There will definitely be a lot of people tonight, so let me give your present in advance." Shen Xin took out a box from her bag and handed it to him. "This is my birthday gift. It's not very expensive, I hope you don't mind."

She paused for a while and then said half-jokingly, "If you really dislike it, you can throw it away too. But don't throw it away in front of me, alright? We've been classmates for a few years, consider it giving me some face."

Qiao Chen pursed his lips and frowned at her.

Shen Xin didn't care if he was willing to accept it. She stuffed the box into his hand and left the classroom quickly.

After she left, some of the surrounding classmates started discussing. "Shen Xin is really thick-skinned. Now that the Shen Family is in such a state, she's still clinging onto Qiao Chen."

"Of course. Qiao Chen is Young Master Mo now. The Shen Family is about to go bankrupt, she must want to find herself a sugar daddy. What better backing than Young Master Mo?"

"I really didn't expect Qiao Chen to be the Young Master of the Mo Family. Didn't they say that his family doesn't have much money?"

"Even more girls must like Qiao Chen now. He's so handsome, and he's even the Young Master of the Mo Family. In the past, he was very cold and didn't like anyone. Now, he probably has even higher standards. With his status, he definitely has to find someone of equal social status. If the Shen Family wasn't in decline, Shen Xin and Qiao Chen's family backgrounds would be quite compatible. But now, Shen Xin isn't worthy of Qiao Chen."

"Qiao Chen is actually the Young Master of the Mo Family? Sob, I can't love him anymore."

Qiao Chen listened to them discussing Shen Xin. They were all saying unpleasant things.

He didn't look too good.

"Sigh." The student beside him sighed and said, "Shen Xin is so pitiful now. Did you hear that? They're all scolding her. In the past, they used to support Shen Xin in all sorts of ways. I really can't stand their faces."

"I can understand why Shen Xin is transferring schools now. If I was in her place, I wouldn't be able to stay too."

"Sigh, I think Shen Xin really likes you. I know you don't like her, but don't throw away her gift. It's her heart, after all. If you don't like it, you can give it to me."

Qiao Chen glared at the person beside him. "I didn't say I didn't want it. Also, I never said I hated Shen Xin."

Why did everyone think that he hated Shen Xin?

Shen Xin had said the same thing before.

But he'd never hated her.

In the beginning, he felt that she was a little annoying, but he only felt that she caused trouble for him.

After that, he became used to being bothered by her.

He hadn't always rejected her because he hated her.

He had never thought of dating at this age.
