

## Big Shot 1681

### Chapter 1681: You're the Best

Her "because you're my husband" was full of trust.

The discomfort in his heart vanished instantly.

Why did he have to prove that she cared about him?

If one day she was jealous and worried about him?

At that time, it could only prove that he didn't give her a sense of security.

"Oh right, you haven't told me about your birthday gift to Chen Chen," Qiao Mianmian asked curiously.

Mo Yesi smiled and let go of her. "It's an admission notice."

"Admission notice?" Qiao Mianmian was even more curious now. "What admission notice?"

Qiao Chen hadn't taken the college entrance examination.

And even if he did, it wasn't Mo Yesi who would send him the admission notice.

"The gaming team."

"Gaming team?" Qiao Mianmian was stunned. "But Chen Chen told me that he's going to work at Second Uncle's company after graduation. Where would he have the time to go to the gaming team?"

"He doesn't have to be in the team."

Mo Yesi patiently explained to her, "He's considered an especially hired member of the gaming team. As long as he has the time, he can go to the team anytime. You told me that being a professional gamer is Chen Chen's dream. What I can do is try my best to fulfill his dream.

"I think even if Chen Chen can't participate in professional competitions like normal players, he's happy to be in the team occasionally."

"Mm, you're right."

Qiao Mianmian finally knew why Qiao Chen was so happy.

This birthday gift was indeed very meaningful to him.

She could tell from Qiao Chen's reaction that he was pleasantly surprised.

Qiao Mianmian didn't expect Mo Yesi to be so thoughtful.

This gift wasn't necessarily very expensive, but it was definitely Qiao Chen's favorite birthday gift.

Not only was this man meticulous in her matters, but he was also very attentive to Qiao Chen.

Qiao Mianmian knew that Mo Yesi loved her.

He knew that Qiao Chen was very important to her, so he treated him as a brother.

She was a little touched and couldn't help but throw herself into his arms. She wrapped her arms around his neck and said softly, "Hubby, you're so good. You're so good to Chen Chen and me. Why am I so lucky to find such a good husband like you?"

"I'm so happy."

Mo Yesi felt very comfortable.

He lowered his head, pinched her chin, and kissed her on the lips. "Is Hubby good to you?"

"Yes!" Qiao Mianmian nodded. "Hubby's the best."

The smile in his eyes deepened.

"How good?"

"The best Hubby in the world."

To Qiao Mianmian, bootlicking wasn't difficult at all.

And it didn't cost much.

Hence, she bootlicked Mo Yesi more often.

Anyway, it wasn't embarrassing to curry favor with her husband.

"Say it again."

"Hubby, you're the best."

### **Chapter 1682: What If She Felt Like She Was Being Displayed?**

Jiang Luoli had gone overseas with Mo Shixiu, so she naturally couldn't attend Qiao Chen's birthday banquet.

Thus, she called Qiao Mianmian.

Qiao Mianmian picked up the phone, and Jiang Luoli's bright voice was heard. "Baby, are you with Chen Chen now? I called him just now, but it didn't go through. Tell him that I'm overseas and can't find time to attend his coming-of-age banquet. As for his birthday gift, I can only give it to him when I'm back."

Qiao Mianmian was about to speak when she heard another voice.

It was a man's voice.

"Be careful, watch the road."

Qiao Mianmian was shocked to hear this voice. "Luo Luo, was that... Big Brother?"

Jiang Luoli didn't tell Qiao Mianmian about her and Mo Shixiu going overseas.

Hence, Qiao Mianmian had no idea.

“Mm, it’s him.” Jiang Luoli smiled. “I’m with him.”

“Isn’t Big Brother overseas?”

Qiao Mianmian saw Mo Shixiu on the news last night.

Did Mo Shixiu bring Jiang Luoli along with him on his trip?

“Mm, he’s overseas on a business trip. I’m with him this time.”

Qiao Mianmian was a little shocked. “He took you on a business trip?”

Jiang Luoli sounded a little helpless. “That’s right. I thought it wouldn’t be good and told him not to bring me along, but he insisted. So, I had to accompany him.”

Qiao Mianmian was speechless.

What should she do?

Mo Shixiu’s actions surprised her.

It was unbelievable that someone as strict and meticulous as him would bring his girlfriend on a business trip.

She was worried about Mo Shixiu’s feelings for Jiang Luoli before.

But now she had nothing to worry about.

It was obvious he liked Jiang Luoli.

At least, Jiang Luoli was very important to him.

Qiao Mianmian couldn’t help but tease her. “Luo Luo, you’re so charming. It’s not easy to get Big Brother to do such a thing for you. Big Brother loves you so much. I think I’ll be able to eat your wedding cake soon.

“Do you think I should start calling you Sister-in-law now to familiarize myself with it? Otherwise, I won’t get used to calling you that.”

Jiang Luoli was indeed a little shy.

“Baby, what are you talking about? I’m still young.”

Qiao Mianmian chuckled. “I think as long as you agree, Big Brother will immediately get married to you.”

On the other side.

Beside Jiang Luoli, Mo Shixiu heard Qiao Mianmian’s teasing. He looked down at the girl beside him and thought that if she proposed marriage now, he would indeed immediately get a marriage certificate with her.

Although they hadn’t known each other for long and it was too early to get married, he was ready to get married anytime.

Jiang Luoli obviously didn't want to get married so early. Mo Shixiu heard her reply. "I haven't thought about it yet. Let's talk about it in the future."

After a while, Jiang Luoli hung up.

She kept her cell phone and turned to look at the man beside her. "Mo Shixiu, let me ask you a question."

In a manor in S Nation.

Mo Shixiu had some time to spend with Jiang Luoli in the manor.

The two of them walked slowly along a small stream in the manor. Mo Shixiu was much taller than Jiang Luoli. Thus, he had to slow down in order to let the girl beside him keep up with his pace.

### **Chapter 1683: Did She Look for You in Private?**

"Mm, ask away." He stopped and turned to look at the girl beside him.

Jiang Luoli looked at him and said, "What do you think if I say we get married now?"

"Marry now?"

"Mm, now."

Mo Shixiu didn't answer immediately. He thought for a while before saying, "Maybe not now."

Jiang Luoli was shocked.

Although she didn't intend to get married at such a young age, Mo Shixiu's rejection still upset her.

She was stunned for a few seconds before asking slowly, "Why? Is it because you don't want to get married?"

"No, if you want to get married, I have no problem."

"But you said no..."

"I said no because I can't get married to you right now. I have to go back as soon as possible," Mo Shixiu answered her question seriously. He paused and continued, "But if you're really anxious, there's a way."

Jiang Luoli was speechless.

So that was what he meant!

She'd misunderstood him just now, thinking that he wasn't willing!

She immediately felt better.

Regardless of whether she was willing to get married now, Mo Shixiu's attitude satisfied her.

"There's no rush." She pursed her lips and smiled. "I said I was just asking."

Stunned, Mo Shixiu raised an eyebrow. "Just asking?"

"Mm." Jiang Luoli nodded. "I don't intend to get married so soon. We haven't been together for long, it's too early to get married. Moreover..."

She looked at him and hesitated.

"Moreover?" Mo Shixiu asked.

Jiang Luoli hesitated for a while before saying, "Moreover, your mom definitely won't agree to me marrying you. She'll definitely object to our marriage."

"My mom?" Mo Shixiu was silent for a few seconds. "Luoli, I'm not a child anymore. I've been an adult for a long time. I make my own decisions. Even my mom can't control who I want to marry in the future.

"Whether she agrees or not, it won't affect my decision."

In other words, no one could control him if he wanted to marry her.

"Then, what if..." Jiang Luoli hesitated. Should she tell Mo Shixiu what Madam Mo did to her? She hesitated for a few seconds and looked straight into his cold and dark eyes. "If I told you that your mom did something bad to me to stop us from being together, will you believe me?"

Mo Shixiu was stunned. Then, his expression became a little serious.

"Does the previous incident have anything to do with my mom?" Mo Shixiu had someone investigate and knew that Jiang Hai owed someone money because someone set him up.

Now that Jiang Luoli mentioned it, he quickly guessed it.

After all, Madam Mo had been against him being with Jiang Luoli from the start.

Jiang Luoli kept quiet.

Mo Shixiu knew the answer.

He narrowed his eyes and his expression darkened. "What exactly happened? What did my mom do to you? Did she look for you in private?"

Jiang Luoli looked at him and said, "Mm, she looked for me before. She offered me 10 million yuan to leave you."

#### **Chapter 1684: Never Allow Her to Hurt You Again**

"But..." She smiled and continued, "I told her that 10 million is too little. Your net worth is so high, she should at least add another two zeros. She seemed very angry and felt that I was greedy, so the matter was dropped.

"After that, she probably felt that negotiation was useless, so she targeted my family. She got someone to set Xiao Hai up and he was sent to the police station. When my parents were most anxious, she called them and told them that she could help get Xiao Hai out.

“Her condition was for my parents to find me a man and marry me off as soon as possible.”

Seeing Mo Shixiu’s increasingly gloomy expression, Jiang Luoli smiled and said mockingly, “The man you saw previously was my neighbor. Our families have known each other since we were young. My parents drugged my food and handed me to him.

“Brother Zewen is a good person, so he didn’t do anything to hurt me. I’m really grateful to him.”

There was another meaning behind her words.

If her parents hadn’t handed her over to Xie Zewen, she didn’t know what would have happened to her.

And such luck wouldn’t come every time.

If Madam Mo did something to her again, she might not be so lucky.

Madam Mo didn’t succeed this time. So, she would definitely be even more ruthless next time.

Mo Shixiu was a smart person, so he naturally understood what she meant.

His expression was a little cold. “Why did you only tell me this now?”

Jiang Luoli looked at him. “I’ve been wondering if I should say it. No matter what, she’s your mother. I don’t want to affect your relationship with her. But I’m really afraid that she’ll do something even worse to make me leave you.

“She’s the distinguished Madam Mo, rich and powerful. It’s easy to deal with a little girl like me. Mo Shixiu, I’m really afraid. I just want to live a peaceful and stable life. I hate living in fear every day.”

“I understand.” As soon as she said that, she felt a warmth in her palm. She looked down and saw that Mo Shixiu was holding her hand.

The man looked at her coldly. “I won’t let what you’re worried about happen. From now on, I’ll arrange for someone to protect you. Also, my mom...”

He frowned and said, “I’ll talk to her. I won’t let her hurt you again.”

His words comforted Jiang Luoli.

He trusted her and never doubted her.

He wasn’t biased just because Madam Mo was his biological mother.

“What do you want to talk to her about?”

“Of course it’s about you. I won’t let her interfere in my love life anymore.”

Jiang Luoli kept quiet for a while and pursed her lips. “What if she doesn’t agree to us being together?”

“Mo Shixiu, will you break up with me because of this?”

Mo Shixiu didn’t hesitate and replied quickly, “Then, I don’t have to bother about her thoughts and opinions. If I can’t even decide on my wife and have to listen to my parents’ opinions, I’m not worth being with you.”

Wife...

Jiang Luoli's heartbeat accelerated.

In his heart, she was already his wife.

### **Chapter 1685: I Like You More and More**

"Luoli, I'm sorry." Mo Shixiu looked at her steadily. "I've let you suffer."

Jiang Luoli was stunned. "Why are you apologizing to me?"

"I didn't handle it well. If I could settle your relationship with Mom, those bad things wouldn't have happened. I didn't expect her to ask you to leave me privately, nor did I expect her to do something so overboard just to make you leave me."

Jiang Luoli looked at the humble man and felt warm and sweet inside.

In other people's eyes, Mo Shixiu was high and mighty, cold and unapproachable.

He was like a god in the eyes of ordinary people.

Jiang Luoli used to think the same way.

She felt that she could never touch Mo Shixiu.

A relationship could only exist in her dreams.

Before this, she never dreamed that she and Mo Shixiu would be a couple one day.

This man, who used to be unreachable to her, had now become her boyfriend.

She felt like she was dreaming.

This dream was too beautiful. She woke up without thinking.

At this moment, Jiang Luoli even felt that if this person was Mo Shixiu, she could even marry him earlier.

Because she knew very well.

She couldn't possibly wait for a better man than Mo Shixiu.

"Mo Shixiu." Jiang Luoli's heart skipped a beat. Under his slightly stunned gaze, she reached out and hugged him.

With her slender arms around his waist, she could feel Mo Shixiu's body stiffen for a few seconds.

Jiang Luoli buried her head in his chest and chuckled.

This 30-year-old man.

His reaction was always like this.

He really didn't know how he felt that night.

No wonder he performed so badly. It was because he had no experience.

Jiang Luoli found it unbelievable.

How could such an outstanding man like Mo Shixiu not have dated a girl before her?

She didn't believe it at first.

She only believed that he had never been in a relationship before.

Although he looked cold, he was actually very pure.

He blushed from her teasing.

Jiang Luoli liked to tease him too.

She hugged him even tighter and said with a smile, "Mo Shixiu, I realized something."

The girl leaned against him, speaking softly.

Mo Shixiu looked down and smelled the faint fragrance of flowers. The fragrance of her hair lingered in his nose. His heart suddenly beat faster and his voice was a little dry. "What?"

Jiang Luoli looked up at him and said, "I think I like you more and more."

Mo Shixiu was stunned. A few seconds later, a faint blush appeared on the man's handsome and fair face.

His eyes flickered. "Luoli, you..."

"What about you?"

Jiang Luoli blinked and looked straight at him. "Do you like me more and more?"

"Luoli, I..." Mo Shixiu was always calm and composed in everything. But this girl made him feel flustered and helpless.

He couldn't answer for a moment.

### **Chapter 1686: If You Don't Answer, It's a Tacit Agreement**

Seeing how sly and cheeky she was, his heartbeat quickened.

She looked good when she smiled.

It felt warm and wonderful.

His heart raced when she smiled.

"Alright, you don't have to answer. I already know." Jiang Luoli couldn't help but laugh when she saw how nervous the man was. "You must like me more and more, right? After all, I'm so beautiful and cute. It's normal for you to fall for me."

Mo Shixiu was speechless.

“If you don’t answer, it’s a tacit agreement.”

“...”

Mo Shixiu still didn’t say anything.

He felt that Jiang Luoli was indeed pretty and cute.

He couldn’t help but like her.

Initially, he wanted to date her out of responsibility.

But now, his desire to be with her had nothing to do with that.

“You’ve really fallen deeply in love with me.” Jiang Luoli touched her face. “I knew it. You can’t resist my charm.”

Mo Shixiu was speechless.

Everyone loved her.

Thankfully, she was thick-skinned enough to say it.

But he didn’t want so many people to like her.

It was enough that he liked her.

“Mo Shixiu, why aren’t you saying anything?” Jiang Luoli pouted unhappily and glared at him. “Do you think I’m overthinking, so you don’t want to talk to me? Do you not like me at all?”

Mo Shixiu quickly said, “No.”

“No? So you like me?”

“...”

“Say something? Do you like me or not?” Jiang Luoli asked.

It wasn’t easy to force a man like Mo Shixiu to say that he liked her.

She had been with him for a while.

He treated her very well and was willing to give her many things. It wasn’t too much to say that he doted on her.

But Jiang Luoli had never heard him say that he liked her.

Mo Shixiu was a little helpless. His face burned as he pursed his lips and said uncomfortably, “I do.”

Jiang Luoli felt sweet inside.

She wrapped her arms around his neck and quickly pecked him on the lips.

“Mm, I like you too.”

Mo Shixiu was stunned.

Jiang Luoli blinked innocently. "What? You don't like it?"

"...No."

"So, you like the way I treat you?"

"...Luoli."

Mo Shixiu blushed. He didn't know what to do with her.

Because she was his girlfriend.

It was normal for her to be intimate with him.

He couldn't possibly keep a distance from his girlfriend.

But this was the first time he met a girl like Jiang Luoli.

This was the first time he was teased by a girl.

And it was his turn to tell her he liked her.

"Tell me." Jiang Luoli giggled. "Do you like me or not?"

Mo Shixiu had no choice but to reply. "Mm."

#### **Chapter 1687: I'll Treat You Even Better**

"Then you like me." Jiang Luoli chuckled again. "I knew it. Mo Shixiu, besides me, you can't let other women treat you like this, got it?"

Jiang Luoli was also possessive.

If she was sure that Mo Shixiu was her man, she wouldn't allow other women to covet him.

She knew how good he was.

Other women would definitely be attracted to the man she liked. Even though Mo Shixiu wasn't the sort of man who would flirt around, he couldn't resist women taking the initiative to approach him.

In the face of her domineeringness, Mo Shixiu's eyes were full of indulgence. He smiled and replied, "Alright."

Jiang Luoli was speechless.

Damn it, her heart was racing again.

Could Mo Shixiu stop smiling at her so flirtatiously?

Did he know how attractive his smile was?

As his girlfriend, she couldn't resist it anymore.

She swallowed and tried her best to control herself. She kept telling herself that she shouldn't be so smitten in front of her boyfriend.

“Mo Shixiu, will you agree to anything I tell you?” From the beginning of their relationship until now, this man had been very obedient to her. No matter what request she made, he wouldn’t reject it.

Jiang Luoli felt that if this continued, she might be spoiled by Mo Shixiu.

“Mm.” Mo Shixiu nodded. “As long as I can do it for you.”

He would agree to anything.

Since they were already together, he would do his best to treat her well.

He was willing to do anything for her.

Jiang Luoli smiled.

“Mo Shixiu, I realize that I like you a little more than before.” Jiang Luoli hooked her arms around his neck and smiled at him. “Continue treating me so well. If I fall in love with you one day, you won’t be able to shake me off.”

“Is that so?” Mo Shixiu smiled and looked at her gently. “Then, I know. Will you fall in love with me faster if I treat you better?”

Jiang Luoli was stunned.

Mo Shixiu smiled again. “If that’s the case, I’ll treat you better and make you fall in love with me sooner.”

Jiang Luoli was speechless.

Why did she feel like she was being teased?

...

At the Mo Family’s banquet.

As the host, Qiao Chen was brought to meet the elders by Mo Xingshu.

Mo Xingshu intended to groom Qiao Chen to be his successor. From now on, he would help him expand his network.

He introduced many partners to Qiao Chen and expressed his importance to them.

He brought Qiao Chen around and saw that Qiao Chen kept looking at the hall’s entrance. He thought for a while and patted him on the shoulder. “Chen Chen, what are you looking at? Are your guests still not here?”

Mo Xingshu had long realized that Qiao Chen wasn’t in the right state of mind.

He was just being perfunctory.

His mind wasn’t on the banquet tonight.

Mo Xingshu could tell that he was waiting for someone, so he asked directly.

Qiao Chen was stunned and slowly retracted his gaze from the entrance. He kept quiet for a while before saying, "It's nothing. Dad, are we done talking? Can I make a call?"

### **Chapter 1688: She Must Be Sick**

After a few rings, the other party picked up.

The girl's soft and sweet voice sounded a little surprised. "Qiao Chen, is that you?"

"Mm, it's me." Qiao Chen looked at the time on his wrist and looked at the darkening sky.

He kept quiet for a while before asking softly, "Shen Xin, you... are not coming tonight?"

Shen Xin was silent for a while before replying, "Today is your 18th birthday, so I have to attend your birthday party no matter what. But something happened to me, so I can't go.

"I'm sorry, Qiao Chen." Shen Xin coughed a few times.

Her voice sounded a little hoarse and different from usual.

Qiao Chen pursed his lips and suddenly felt disappointed.

But when he spoke, his tone didn't reveal any abnormality. "Is that so? I just felt like I didn't see you tonight, so I called to ask. Since you have something on, then go on. I'm hanging up."

"Mm. Happy birthday, Qiao Chen." Shen Xin coughed a few times as she spoke.

Qiao Chen finally realized that something was wrong.

He frowned. "Are you sick?"

Shen Xin kept quiet for a while before saying casually, "I think I caught a cold. I'll be fine after taking some medicine. Are you concerned about me?"

Qiao Chen frowned again and pursed his lips. A few seconds later, he said, "Don't think too much. I'm just asking casually."

"Ha." Shen Xin laughed. "I knew I was overthinking. You must need to deal with a lot of people at the banquet. You must be very busy, so I won't disturb you.

"I'll hang up first."

Qiao Chen didn't want to hang up.

He still had a lot to say.

For example, he wanted to ask when she would transfer schools.

For example, he wanted to ask her where she was going.

He wanted to ask her if she could stay.

Many words were already in his mouth, but he hesitated to say them.

He wondered what position he should take to keep her.

He'd hurt her for three whole years.

Now that he wanted her to stay, what would she think of him?

Moreover, if she was already determined to leave, would she stay just because he asked her to?

Qiao Chen thought about it.

Before he could decide what to do, he heard Shen Xin say softly, "Goodbye, Qiao Chen. You have to take good care of yourself in the future. Also, you have to be happy."

Qiao Chen realized that Shen Xin was about to hang up and panicked. Just as he was about to speak, he heard another woman's voice. "Miss Shen, don't play with your cell phone. You're badly injured now, you should rest."

"I'm sorry, Head Nurse. I received a call from a friend. I'll hang up immediately."

"Wait." Qiao Chen's expression changed. Before Shen Xin hung up, he stopped her and frowned. "Shen Xin, what's wrong? Are you in the hospital now?"

If it was just a small cold, there was no need to go to the hospital.

Moreover, the head nurse on the other end of the line said that it was a serious injury. It was just an ordinary cold, how could it be serious?

Qiao Chen felt that Shen Xin was hiding something from her.

### **Chapter 1689: Qiao Chen, You'll Misunderstand Me**

But her illness was definitely not an ordinary cold.

Shen Xin seemed a little stunned. After a few seconds, she said in a relaxed tone, "Didn't I say that I had a cold? That's why I went to the hospital to look for a doctor."

"But you're in the hospital."

"Mm, I have a slight fever, so I got an injection."

Her tone was too casual.

It really sounded like a cold.

But Qiao Chen didn't trust her anymore.

He clenched his fists and said, "You're lying to me. It's definitely not a cold. Tell me what happened."

She must have encountered something that prevented her from attending his banquet.

Although Qiao Chen kept his distance from her over the years, he realized that he knew Shen Xin very well.

Shen Xin liked him a lot. She was even infatuated with him.

That's why she pursued him for three years despite how cold he was to her.

Shen Xin couldn't possibly miss his birthday party because of a minor cold.

Even if she had a serious cold, she would definitely find a way to go.

She couldn't come. There was only one possibility, and that was that her illness was so serious that she couldn't get out of bed.

At this thought, Qiao Chen's heart started racing.

"Qiao Chen, I'm really fine." Shen Xin obviously didn't want to tell him the truth. "I really have a cold. The head nurse told me to stop playing with my phone. I'm hanging up. You..."

"Hospital address, room number."

"Qiao Chen?"

"I don't want to repeat myself. Shen Xin, give me your current address."

"I..."

"If you don't tell me, I'll go to every hospital."

"But your party isn't over yet."

"It's not important. Birthdays are held every year."

Shen Xin kept quiet for a while. "Qiao Chen, you'll make me misunderstand."

Qiao Chen was stunned. "Misunderstanding what?"

Shen Xin: "I'll wonder if you like me a little and care about me."

Qiao Chen fell silent.

"I'm really fine. Qiao Chen, have a good birthday. I really have to hang up." Shen Xin hung up.

Qiao Chen's expression was tense. He stood there for a while before turning around and walking back to the lobby.

He found Mo Yesi.

"Brother-in-law, can you do me a favor?"

It was rare for his brother-in-law to take the initiative to look for him for help, so Mo Yesi naturally agreed to everything.

He smiled and took a glass of red wine from Qiao Mianmian, warning her not to drink it again.

"What is it?"

Qiao Chen pursed his lips and hesitated for a few seconds before saying slowly, "A friend of mine is hospitalized. I want to visit her at the hospital. But I don't know which hospital she's at."

“Friend? What friend?” Mo Yesi asked. “You mean you want me to help you investigate someone? In that case, you have to tell me if your friend is a man or a woman. What’s her name?”

Qiao Chen’s expression changed. He kept quiet for a while before saying, “It’s, it’s Shen Xin.”

He felt his face burn.

“Shen Xin?” Mo Yesi smiled and exchanged glances with Qiao Mianmian. “Shen Xin is sick? You’re going to see her now?”

### **Chapter 1690: She Had an Accident**

At first, Qiao Chen felt embarrassed.

But there was nothing to be embarrassed about.

More importantly, he was worried about Shen Xin.

He wanted to see her as soon as possible.

Qiao Chen knew that Mo Yesi knew what he was thinking about.

Hence, he didn’t hide his feelings from him.

“Mm, Brother-in-law, I’m going out now. Can you help me find out which hospital Shen Xin is at?”

“You don’t have her number?”

Qiao Chen said, “...She won’t tell me.”

The more Shen Xin was unwilling to tell him, the more worried Qiao Chen was.

If he didn’t take a look now, he might not be able to sleep tonight.

Mo Ye nodded. “This is very simple. Wait for me, I’ll get someone to investigate immediately.”

It was easy for Mo Yesi to find out which hospital Shen Xin was in.

In less than five minutes, he got Wei Zheng to find out which ward Shen Xin was in and why she was hospitalized.

He told Qiao Chen what he found.

Qiao Chen’s face was a little pale. When he spoke, his voice trembled a little. “She, she was in a car accident?”

“Mm.” Mo Yesi looked at him and said, “But her life isn’t in danger. Her leg is just broken. She should be fine after staying in the hospital for a while.”

“Broken...” Qiao Chen’s heart tightened.

No wonder she couldn’t attend his birthday party.

Her leg was broken, how could she come?

But she told him she just had a cold.

She didn't want to tell him the truth because she didn't want him to worry or because she didn't feel the need to.

Was it because she had given up on him and didn't want to have anything to do with him?

She even said goodbye to him.

Thinking about it now, Qiao Chen felt that Shen Xin had already given up on him.

He used to treat her coldly and alienate her because he didn't want to give her any hope.

But now...

At the thought that she might really have given up on him, he didn't feel relaxed at all. Instead, his heart felt empty, as if something important had been lost.

"Shen Xin's leg is broken? So serious." Qiao Mianmian was a little surprised, too. She looked at Qiao Chen and said, "Chen Chen, you and Shen Xin are classmates, after all. She was hospitalized after a car accident. As classmates, you should visit her."

Qiao Mianmian said this because she knew Qiao Chen was definitely going to see Shen Xin.

She was just finding a more suitable reason for him.

When Qiao Chen found out about Shen Xin's accident, his mind was no longer on the banquet.

Although Mo Yesi sounded nonchalant, he was still worried.

Unless he saw with his own eyes that Shen Xin was fine.

Otherwise, he wouldn't believe anyone if they told him her injury wasn't serious.

"Mm, Sister, Brother-in-law, I'm going to the hospital to visit her. If Dad asks, tell him I'm visiting a friend at the hospital. Tonight... I probably won't be coming back."

"Go on." Mo Yesi nodded. "I'll handle the rest, don't worry."

"Thank you, Brother-in-law!"

...

After she hung up, Shen Xin lay on the bed in a daze.
