

Big Shot 1701

Chapter 1701: There's No Need for any Restraint

Qiao Chen's mind was blank. "You have to leave?"

Shen Xin nodded. "My family has arranged everything. I can't be willful.

"Qiao Chen, you know my family's situation very well. My parents are already working hard for this family. I don't want them to worry about me anymore. Our family will probably fall just like this. There's no hope of getting back up."

"Shen Xin, I begged Brother-in-law for you." Qiao Chen didn't want her to misunderstand. "Maybe it's because of my sister. Brother-in-law..."

"I know you must have helped." Shen Xin interrupted him before he could finish. "Actually, I can understand why Brother Yesi isn't willing to help. The Shen Corporation has suffered too many losses and needs too much capital. From Brother Yesi's point of view, it's normal that he isn't willing to take this risk.

"Moreover, my sister did some bad things to your sister previously. I can see that Brother Yesi dotes on your sister very much, so I can understand. Our family falling to such a state can't be blamed on anyone. The company's internal problems haven't been resolved, so it's only a matter of time before it goes bankrupt.

"It's just because the stock price suddenly fell that we went bankrupt."

"You don't blame my brother-in-law?"

"Mm, it's not strange. If the Shen Corporation had good management, even if they met with difficulties, they could solve it themselves. Not being able to solve it this time means there's a problem with their management. Even if your family helps, they might still face the same problem in the future."

Shen Xin smiled as if she didn't care about all this wealth. "Anyway, to me, as long as our family is still around, it's enough."

Qiao Chen knew that he couldn't keep Shen Xin.

His heart felt empty as if a part was missing. "Then, where are you transferring to?"

Shen Xin was silent for a while. "It's better not to know. Qiao Chen, I hope to leave cleanly. I hope that after I leave Yuncheng City, I can live a new life. As for everything here, it will become a beautiful memory in the future."

Since it was impossible between them, Shen Xin didn't want to give herself any hope.

She didn't want to give him any hope.

She knew very well what it felt like to yearn for someone.

She'd suffered for three years and didn't want Qiao Chen to walk her old path.

He didn't have deep feelings for her, so as long as she left, he wouldn't have to wait long before he forgot about her.

And she would try her best to forget him.

Hence, there was no need for them to be tied down. Forgetting each other was the best choice.

Qiao Chen clenched his fists and kept quiet.

Shen Xin pursed her lips and kept quiet for a few minutes.

"I'm a little sleepy." Shen Xin broke the silence. "Qiao Chen, thank you for coming to see me. You'd better go back quickly. It's not good to let others find out that you're not around."

Shen Xin yawned as she spoke, looking really tired.

Qiao Chen moved slightly, and his lips parted. He had a lot to say.

But in the end, he swallowed his words.

"Alright." He spoke again with a hoarse voice. "Rest well, then. You can tell me when you're leaving, right?"

Meeting her gaze, he pursed his lips and smiled bitterly. "We're classmates, it shouldn't be a problem for me to send you off."

Chapter 1702: She and I... Are Impossible

Shen Xin hesitated for a few seconds before telling him the date of her departure.

...

After leaving the hospital and getting into the car, Qiao Chen looked a little dazed.

Even the chauffeur could tell that something was wrong.

"Young Master, are you alright?"

Qiao Chen shook his head. "I'm fine."

"But you look a little tired? Are you going back to the Mo Residence now, or the Zhushui Villa?"

Zhushui Manor was Mo Xingshu's farmstead and Qiao Chen's second home.

Qiao Chen looked tired. "To Jingyang Road."

The small apartment he bought was on Jingyang Road.

Besides Qiao Mianmian, he hadn't brought anyone else there.

It was his private space.

Whenever he was troubled, he would go there.

“Jingyang Road? Alright, I’ll send you there right away.” Although the driver was puzzled, he didn’t dare to ask further after seeing his expression.

This Little Master seemed to have a good personality.

He was always gentle and polite to his employees.

But the chauffeur was often in charge of fetching Qiao Chen, and he was good at reading people. He could naturally tell if Qiao Chen was really gentle.

This Young Master seemed to have a good temper.

But it wasn’t that easy.

If he became unhappy, he would lose his temper.

...

At the banquet.

Qiao Mianmian sent Qiao Chen a WeChat message to ask about Shen Xin.

After a while, he replied: [The doctor said that her condition isn’t very serious. She’ll be fine after resting in the hospital for a while.]

Qiao Mianmian was relieved to see his reply.

She’d seen Shen Xin a few times, and because she had a good impression of her, she didn’t want anything to happen to such a beautiful and cute girl.

Qiao Mianmian: [You’re still in the hospital?]

Qiao Chen: [I’m leaving.]

Qiao Mianmian looked at the time and was a little surprised. [Why didn’t you stay in the hospital for a while more? Girls’ hearts are very fragile at such times, and they need someone to care for and take care of them. If you don’t do something now, when are you going to?]

After knowing her brother’s feelings for Shen Xin, Qiao Mianmian was more direct.

Qiao Chen replied a few minutes later.

[She said she was tired, so I left. Moreover, I don’t think there’s a need for me to show off.]

Qiao Mianmian could tell that something was wrong.

She quickly asked: [Why? Don’t you like her?]

Qiao Chen: [Sister, when Shen Xin’s leg recovers, she’ll leave Yuncheng City. I listened to your suggestion and asked her to stay, but she said she has to listen to her family’s arrangements. She and I... are impossible.]

Qiao Mianmian was shocked.

When Qiao Chen talked to her previously, she knew that the friend he was talking about was definitely Shen Xin.

She guessed that Qiao Chen would ask her to stay.

But she hadn't expected this outcome.

Qiao Chen: [Sister, I'm not coming back. If there's anything, please help me settle it.]

Qiao Mianmian guessed that he was in a bad mood.

After replying, she felt a little hungry and picked up a plate of desserts.

She looked up and saw Tang Ya sitting opposite her holding a glass of red wine.

Chapter 1703: It's Too obvious

"Miss Qiao, can I sit here?" Tang Ya swirled the wine in her glass and asked with a smile.

Qiao Mianmian nodded. "Mm."

She wasn't familiar with Tang Ya.

Hence, she nodded and looked away.

But she could feel that Tang Ya was sizing her up.

Qiao Mianmian pretended not to know and continued eating.

Tang Ya sized her up with interest. She couldn't help but admire her when she saw how calm she was.

She looked like a weak and silly girl, but her personality and looks were different.

But this was good too.

If she was really an idiot, she would find it meaningless.

She preferred a challenge.

"Miss Qiao." Tang Ya could tell that Qiao Mianmian didn't want to talk to her, but she didn't mind. She took the initiative to talk to her. "Madam Mo mentioned you previously. I thought Miss Qiao was an unreasonable person, but today, it seems like Miss Qiao isn't like what Madam Mo said. Could it be that Miss Qiao and Madam Mo have some conflict, so Madam Mo said that to you?"

Qiao Mianmian looked up.

There was a hint of surprise in her eyes.

Tang Ya looked straight into her eyes and smiled. "Although it's my first time meeting Miss Qiao and I don't know you well, I think I can tell your personality from your looks.

"Miss Qiao looks very gentle. You seem to be a very kind person."

Qiao Mianmian looked at her in shock for a few seconds, pursed her lips, and said calmly, "Miss Tang is talking about my mother-in-law behind her back, aren't you afraid that I'll turn around and tell her? I think my mother-in-law has a good relationship with you, it's not good for you to speak about her behind her back."

Qiao Mianmian was surprised that Tang Ya would say this.

This was equivalent to badmouthing Madam Mo.

Qiao Mianmian could tell that Madam Mo liked Tang Ya very much. She looked at her with admiration.

This was the same as when she liked Shen Rou.

The fact that Madam Mo brought Tang Ya home at such a banquet showed that she valued her.

But Tang Ya's performance...

Qiao Mianmian wasn't stupid. She quickly felt that Tang Ya was trying to sow discord between them.

Madam Mo might have said this before.

But Tang Ya told her again.

It was too obvious.

Qiao Mianmian looked at Tang Ya again.

"I believe Miss Qiao isn't such a person." Tang Ya didn't panic at all. She still looked calm and elegant as she pursed her lips and smiled. "Moreover, I'm just telling the truth. How did it become a bad thing?"

"If I add fuel to the fire and say something untrue, that would be bad."

Qiao Mianmian's expression didn't change. After looking into her eyes for a few seconds, she said calmly, "But Miss Tang, since you told me that my mother-in-law is unreasonable, you should know I would definitely become unhappy with my mother-in-law after hearing this.

"Miss Tang is my mother-in-law's friend. Is it a good idea to sow discord between her and her daughter-in-law?"

Chapter 1704: The Type She Hated the Most

Tang Ya was stunned for a moment before smiling again. "Miss Qiao, you're overthinking it. I don't mean it that way. Actually, you and Madam Mo are already at odds with each other. There's no need for me to drive a wedge between you. I said that because I really think Miss Qiao is a good person. I think Madam Mo must have misunderstood you, which is why your relationship isn't harmonious.

"I hope to find the problem and help you solve it.

"You're family, after all. It's not good to be so strained."

Qiao Mianmian didn't believe her.

She didn't believe that an outsider was so concerned about her family matters.

It was the first time she met Tang Ya, so she didn't know her well.

But Qiao Mianmian trusted her instincts.

She didn't feel good about Tang Ya.

Although Tang Ya looked gentle and polite, her gaze made Qiao Mianmian uncomfortable.

Coupled with what she said and did now.

Qiao Mianmian was almost sure there was something wrong with her.

She wondered where Madam Mo got to know her and even brought her home.

"Miss Tang, you don't have to worry about our family matters." Qiao Mianmian spoke again. "You'd better mind your own business. I think my mother-in-law really appreciates you, that's why she brought you to this banquet. No matter what, Miss Tang shouldn't have done this behind her back.

"I won't tell my mother-in-law about this, but Miss Tang doesn't have to worry about our family matters." Qiao Mianmian stood up and left.

Tang Ya clenched her wine glass.

This Qiao Mianmian wasn't so easy to fool.

She thought that since her relationship with Madam Mo was already so strained, it would be useful to sow discord.

But she didn't fall for it.

It seemed like it wasn't easy to sow discord between her and Mo Yesi.

At this thought, Tang Ya pursed her lips and looked awful.

She took a deep breath and drank the red wine in one gulp. She felt a little better.

So what if it was difficult?

No one could stop her.

Not long after Qiao Mianmian left, Tang Ya was about to leave too.

Just as she was about to get up, she saw a shadow.

She looked up and saw a handsome smiling face. The man's eyes were slender and long, his nose bridge was straight, and his lips were curled up in a devilish arc. He looked very indecent.

He was like a playboy.

"Hi, Beauty, can we get to know each other?" Yan Shaoqing raised his wine glass and sat down directly beside her. He looked at Tang Ya with his peach blossom eyes and said, "Let me introduce myself first. My name is Yan Shaoqing, and the Chairman of the Yan Corporation is my Big Brother. I'm 24 this year, and I'm 1.84 meters tall. My current relationship status is single. Beauty, I think you're my type. Shall we get to know each other?"

Tang Ya frowned.

She hated men like Yan Shaoqing.

She immediately turned cold and wanted to leave.

Chapter 1705: Beauty, Can We Get to Know Each Other?

Just as she was about to flare up, she suddenly thought of something and her expression changed. She changed her mind and sat down steadily.

“Yan Corporation? You’re Young Master Yan?” Tang Ya was no longer as disgusted with Yan Shaoqing. She smiled, seemingly interested in him.

Yan Shaoqing smiled. “Yes. Beauty, can we get to know each other?”

Tang Ya looked at him and smiled. “I just arrived in Yuncheng City, so I don’t know many people. Of course, I don’t mind having more friends.”

“Then, beauty, let’s have a drink and add each other on WeChat?” Yan Shaoqing waved his wine glass and cell phone. “When we’re free in the future, let’s hang out together. Yuncheng City is my territory. If you’re willing, I can be your guide for free.

“There’s nothing I don’t know about good food and having fun.

“I promise you’ll be happy here.”

Tang Ya thought for a while and smiled. “Sounds good.”

“How is it, are you tempted?” Yan Shaoqing smiled. “Actually, we can arrange to meet tonight...”

Tang Ya’s expression darkened for a few seconds but quickly returned to normal.

She pushed Yan Shaoqing’s smiling face away, leaned back, and said, “I’m not free tonight. Another day.”

“Is that so?” Yan Shaoqing was still smiling cheekily. He sighed softly as if he was regretful. “What a pity. I wanted to ask Beauty out for supper after the banquet, but it seems like I can’t.”

Tang Ya suppressed her anger and disgust and smiled. “Yes, I can’t tonight.”

“Then, we’ll have to do it another day.” Yan Shaoqing sighed again. “Don’t tell me you have something on another day?”

Tang Ya continued, “That’s hard to say. I don’t know if anything else will come up.”

“It’s alright.” Yan Shaoqing leaned towards her shamelessly. His handsome face was magnified several times, and his eyes were full of frivolity. “I’m willing to wait. We can arrange to meet whenever Beauty is free.

“As long as Beauty says the word, I can spare some time for you.”

Tang Ya clenched her fists and smiled insincerely. “Then, I’ll have to trouble Young Master Yan.”

“Shh.” Yan Shaoqing narrowed his eyes and said affectionately, “Don’t call me Young Master Yan, it’s too distant. You can call me Shaoqing or Ah Qing.”

Tang Ya was speechless.

She had heard of Young Master Yan’s style.

Now that she looked at it, it was exactly as the rumors said. She was even more disgusted.

If it wasn’t for her plan, she wouldn’t have bothered with such a man.

...

After the banquet ended, Qiao Mianmian and Mo Yesi didn’t stay in the Mo Residence and left with the others.

After getting into the car, Qiao Mianmian was still thinking about Tang Ya.

Mo Yesi saw that she was distracted and asked concernedly, “What’s wrong? Did something happen? Why didn’t you say anything after getting into the car?”

“Mm, I encountered something.”

Chapter 1706: What Good Would Doing This Do to Her?

Qiao Mianmian didn’t tell Madam Mo about Tang Ya’s instigation.

She knew very well that the reason Tang Ya dared to tell her those things was that she didn’t fear her telling Madam Mo.

Given her current relationship with Madam Mo, Madam Mo wouldn’t believe her at all.

On the contrary, she would think Mianmian was trying to sow discord.

Hence, she wouldn’t go to Madam Mo.

But she could tell her husband about this.

Mo Yesi turned around and looked at her deeply. “What is it?”

“Do you remember Tang Ya? The woman Mom brought back.”

Mo Yesi frowned and shook his head. “I can’t remember what she looks like. Why? What happened to you has something to do with her?”

Qiao Mianmian asked, “...You don’t remember what she looks like?”

Although Tang Ya wasn’t a stunning beauty, she wasn’t ordinary.

In fact, Qiao Mianmian had a deep impression of her.

Tang Ya’s temperament was very unique, and it added a lot to her less outstanding facial features.

Qiao Mianmian recalled that this was the second time she saw Tang Ya.

The first time was in a hospital.

Mo Yesi raised an eyebrow. "Mm, I can't remember."

He really couldn't remember.

He'd seen Jiang Luoli a few times, and he could only remember her face because she was Qiao Mianmian's best friend.

The only woman he remembered was Qiao Mianmian.

Qiao Mianmian said, "...Alright, then you should remember that Mom brought someone home tonight."

"Mm." Thankfully, Mo Yesi didn't mention it this time. Otherwise, she wouldn't know what to say next.

"I think she's trying to get close to the Mo Family." Qiao Mianmian told him her speculation. "Although I don't know what her motive is, I think there's something wrong with her."

Mo Yesi wasn't surprised. "Why do you think so?"

"Because she came to look for me today."

Qiao Mianmian told Mo Yesi about Tang Ya finding her and sowing discord between her and Madam Mo.

"I think she's trying to sow discord. But she was obviously brought back by Mom. I can't guess why she did that."

Mo Yesi kept quiet for a while before nodding. "Mm. Baby, your analysis is right. She must be trying to sow discord."

"But why?" Qiao Mianmian was confused. "What good would it do her?"

"Since Mom brought her back, it means they have a good relationship. Why did she deliberately try to sow discord?"

"I don't know." Mo Yesi reached out to hold her. "But no matter what her motive is, we just have to be careful. At least we've already sensed that she's up to no good, so we have to be more careful of her in the future."

"No matter what scheme she comes up with, we can just ignore it."

"Mm." Qiao Mianmian leaned against his chest and felt that his words made sense. She nodded and said, "You're right, we can just ignore it. She tried to sow discord with me today and probably is a little angry that I didn't fall for it."

"My baby is so smart, how could you be easily fooled by others." Mo Yesi placed his hand on Qiao Mianmian's head and rubbed it gently. "She's wrong if she thinks you're one of those stupid and gullible women."

Chapter 1707: Willing to Endure

“Even I lost to you, let alone others.”

Qiao Mianmian was speechless.

Why did she feel like she was being flirted with again?

“You lost to me?” She raised her head and looked at the man’s handsome face with her dark eyes. When she met those deep eyes full of gentleness and love, her heart started beating faster.

Mo Yesi looked down at her, curled the corners of his lips, and said with a hushed voice, “Mm, I’ve fallen completely from body to heart. But it was entirely voluntarily and willingly.”

Qiao Mianmian was stunned. Her heart pounded even faster.

What if her husband was flirting with her all the time?

I needed help... stat!

...

A few days after the shoot, Qiao Mianmian and Qin Han’s “If You Can’t Love” trailer was officially released. The date of the show’s release was also set.

The official trailer was over 10 minutes long. After it was broadcasted, the response was unanimous.

Because of Qin Han and Director Bai Yusheng’s drama, coupled with Qiao Mianmian, who was a trending topic, the focus was especially high. Once the clip was released, it was reposted by fans and passersby.

The show hadn’t even started broadcasting, but it was already trending on the news.

Qin Han was a top-notch actor, so his acting skills were well-known.

Some of the supporting actors were also capable with many works under their belts, and their performances were as stable as ever. Only Qiao Mianmian, the “flower vase actress” who’d been slandered countless times and relied on her connections to get the role, was praised on the hot searches.

Some passersby expressed that Qiao Mianmian’s acting was seriously incompatible with her appearance.

Because her looks were standard.

As for the other female actresses in the industry, they were really pretty.

But Qiao Mianmian was an “antique vase” with good looks and acting skills.

Not only was it beautiful, but it was also very useful.

Her fans naturally praised her.

The passersby said, “Initially, I wasn’t interested in this show because the female lead was Qiao Mianmian. But after watching the trailer, I feel it is worth watching.”

“What’s going on, am I crazy? I actually feel that Qiao Mianmian and Qin Han are a couple. Someone come and scold me, how can I have such thoughts!”

“It looks pretty good. Qiao Mianmian has a fairy-like personality while Qin Han is cold and domineering. I find their characters and storyline interesting. The domineering CEO is in love with the cold little fairy?”

“Gosh, Qin Han is so good at being a boyfriend. The wall against the wall is so sexy. Ahhh, I want to be pinned against the wall by him.”

“I’m actually looking forward to the main show. I think it’s best not to take sides so easily before really understanding it. Back then, I said that Qiao Mianmian didn’t have acting skills and got the female lead role purely because of her connections. Now, it doesn’t seem like that. At least, I think her acting is pretty good.”

“I’m not exaggerating. Her acting is really good. She’s still a newbie, and it’s already very good that she can act so well with a Movie King like Qin Han. Qin Han doesn’t praise people easily, and he has praised Qiao Mianmian’s acting several times. I don’t think he said good things for Qiao Mianmian because someone forced him to. I think he really admires this junior.”

Chapter 1708: Qiao Anxin Was Scolded

“After watching the trailer, I feel that Qiao Mianmian was able to get the role of the second female lead in ‘Phoenix in Flight’ on her own. She must have fought for it herself. Her performance in many places is rather stunning. As a newbie, I feel that she’s really not bad.”

Previously, during Qiao Mianmian’s shoot, the crew had also released some scenes.

But it was just a few short clips.

They didn’t include the parts where Qiao Mianmian’s acting was the best.

But this time, the official trailer was filled with all sorts of exciting scenes. And the time was long enough, much better than before.

It was obvious how good Qiao Mianmian’s acting was.

She even made it to the trending searches with a few tearful scenes.

Qiao Mianmian’s crying scene was one of her best performances. She was able to get the role because her crying scene gave her overall performance more points.

She was lucky that time.

If it was any other film, her performance might not have impressed the director and scriptwriter, much less get the scriptwriter to get her the second female lead role.

“Qiao Mianmian’s crying scene is too infectious. I actually cried watching it.”

“Compared to the actresses who pretended to cry after using so many eye drops shows that her crying scene is really not bad. At least, she really cried, and her emotions were well expressed.

“I think her acting is a hundred times better than Qiao Anxin’s. I heard that she’s been in the industry for a few years, and even Qiao Anxin, who isn’t very capable, can become a first-tier actress. If someone was willing to groom her, she would have become popular long ago.

“Didn’t they say that Su Ze cheated on her? Back when Qiao Anxin signed with Star Splendor, all of the company’s resources were given to her alone. This Qiao Anxin is really shameless. Not only did she steal her sister’s man, but she also attacked her career.

“If it wasn’t for her, I think Qiao Mianmian would have become popular long ago.”

“But Qiao Anxin made a statement saying that she didn’t know that Qiao Mianmian and Su Ze were already together. She was also deceived by Su Ze.”

“Pfft, how could anyone believe such a flawed lie? Qiao Mianmian and Su Ze have been together for two years, but she hasn’t seen her boyfriend or family in the past two years? How could Qiao Anxin not know that her sister was in a relationship? How could she not know who her sister’s boyfriend was?”

“That’s right. That statement is so fake, I don’t believe a word of it. How could an artiste with such immoral values not be banned?”

Qiao Anxin followed Qiao Mianmian to the hot searches.

But Qiao Mianmian was praised.

“Qiao Anxin’s mistress” and “Qiao Anxin and Su Ze” were all over the internet.

Qiao Anxin had initially made a statement and spent money to clear her name, but very few people brought it up.

On the hot searches this time, the matter of her cheating on her sister was discussed by netizens again.

Qiao Anxin was so angry when she saw the trending topics.

Now that she was with Quan Dong, she had a new management agency. Naturally, she had a new manager.

The new manager was called An Lin.

Qiao Anxin immediately called An Lin.

“An Lin, get the public relations department to remove the trending topics.” Quan Dong had already promised her that he would get her a spot on that variety show.

Chapter 1709: She’s So Ruthless!

In order to appear on that variety show, she endured her disgust and accompanied those old men.

Qiao Anxin’s stomach churned at the thought.

She already felt disgusted enough to accompany those old men.

Who knew that they were not only old and ugly but also perverted.

Qiao Anxin looked down at the marks on her arms and neck and bit her lip.

She didn't want to think about that night anymore.

It was the most humiliating night of her life.

It wasn't easy for her to get these resources. She couldn't let those trending topics mess it up!

Qiao Anxin hated Qiao Mianmian to the core.

This must be her doing.

Otherwise, why would someone mention her and Su Ze for no reason?

The little b*tch already had the status of the daughter of the Bai Family and had such an outstanding boyfriend like Mo Yesi, but she still wouldn't let her off.

She wanted to kill her!

She was so heartless!

But at this point, Qiao Anxin didn't think that if Qiao Mianmian really wanted to kill her, she wouldn't have to resort to such means.

It was easy for Qiao Mianmian to deal with her now.

By then, even her backing, Quan Dong, wouldn't be able to take care of her!

But Qiao Anxin's rationality had been clouded by her hatred for Qiao Mianmian. She wouldn't even think about this.

"I've already gotten the company's public relations department to settle it." An Lin received her call and said a little unhappily, "The company has just decided to let you go on a variety show to increase your popularity and audience affinity. It's very disadvantageous for you to create such news at this time.

"When the time comes, the show will consider the artiste's image. If they refuse you, you'll suffer a huge loss.

"Do you know how many artistes in the company are fighting for this slot?"

Qiao Anxin was already unhappy when she saw the trending topics. Now that An Lin talked about this, she was even more upset.

She took advantage of her relationship with Quan Dong and naturally didn't care about An Lin, a small manager.

She said coldly, "What do you mean by 'don't create bad news'? Do you think I want to be on the news? Aren't I asking you to solve the problem now? As a manager, isn't this what you should do?"

"I chose you as my manager so that you can help me solve this kind of problem. You just have to settle the trending issue. You don't have to worry about anything else."

An Lin kept quiet for a while before saying, "I'll settle the trending topic. Anyway, don't create any negative news before you appear on the show."

“You went on the trending list this time because of Qiao Mianmian. We don’t know if she got someone to do it. If she did, this matter would be a little tricky.”

Qiao Anxin got even angrier when she heard this. “Besides this slut, is there any other possibility? I don’t care how tricky it is, you have to settle this.

“If you can’t even solve a trending topic, then your ability as a manager must be questioned!”

Qiao Anxin hung up without giving An Lin a chance to reply.

Chapter 1710: Shen Fei Might Even Go

Hanging up and turning around, she picked up her bag and took out a palm-sized doll.

A few needles could be seen stuck on the doll.

Qiao Anxin took out a needle and stabbed it into the doll’s heart.

Her eyes were filled with hatred, and her expression was ferocious. She gritted her teeth and growled. “Qiao Mianmian, slut, go to hell, go to hell!

“You’ll die a terrible death!

“B*tch, I’ll curse you every day. You’ll definitely die a horrible death! I’ll wait for that day!”

...

Qiao Mianmian wasn’t interested in Qiao Anxin being on the hot searches.

After all, Qiao Anxin was someone she didn’t care about.

In her eyes, Qiao Anxin was just a clown.

As long as she didn’t jump too hard, Qiao Mianmian wouldn’t do anything to her.

But if she was aggressive, it was easy to deal with her.

After leaving Star Splendor, Qiao Anxin was like a dog that had lost its owner.

It wasn’t as good as before.

She heard that even some third-tier brands were unwilling to endorse her.

The entertainment industry was full of newbies.

Qiao Anxin relied on Star Splendor’s resources to get to the top.

She was too weak without it.

And now, it was impossible for her to find another company that was willing to support her like Star Splendor.

Qiao Anxin’s trending topics quickly faded.

Quan Dong was one of the most powerful figures in the entertainment industry. It was easy for him to settle such a small trending topic. But the way he solved Qiao Anxin's trending topic was to get the other artistes in the company to get on the trending list.

Using the scandals of those small artistes to suppress Qiao Anxin's trending topics.

The poor little artistes were sacrificed because they didn't bring enough benefits to the company.

After suppressing the trending topics, Quan Dong found high-quality fake reviewers to help Qiao Anxin with her scandals. After a few days, the trending topics were completely suppressed.

The trending topics this time were like bubbles that didn't affect her at all.

Qiao Mianmian, on the other hand, gained a lot of new fans because of her acting.

With a single trailer, her fans increased by more than 500,000.

Qiao Mianmian had wanted to rest for two months after this new drama wrapped up.

But she'd only rested for a week when Linda called her and said that she'd helped her take on a variety show.

It was a very popular variety show, and many companies were fighting to get their artistes on it.

As all the artistes on that variety show had gone viral, that variety show was also nicknamed "Star Creation".

Everyone wanted to appear on this popular show.

Many A-list celebrities were fighting for a slot.

"Mianmian, it wasn't easy for the company to get this slot. Our company only has one quota. Who knows how many people want to go? I've asked around, maybe even Shen Fei will go."

Qiao Mianmian didn't expect Linda to sign another variety show for her so quickly.

She knew about this variety show because she'd seen it before.

It was indeed very popular with high viewership ratings. The artistes who appeared on that show all became popular.
