

Big Shot 1741

Chapter 1741: That Person Is Indeed Mo Yesi

If the projects that the Shangguan and Mo families discussed were successful, they would earn tens of billions of yuan a year.

He actually canceled it for a woman...

"Have you checked? Is that celebrity really Mo Yesi's girlfriend?"

"Yes, I'm certain." Xu Jie confirmed. "Mo Yesi even registered a Weibo account for her and publicly announced their relationship. Also, someone took photos of them going on a date."

"I saw the photo, it was indeed Mo Yesi."

Shangguan Hua's expression turned serious.

"According to what you said, it might really be because of this." Shangguan Hua frowned. "Don't touch that little celebrity for the time being. Wait for me to clarify this in the afternoon."

In Shangguan Hua's opinion, if Mo Yesi really canceled the cooperation because he wanted to stand up for that celebrity, it wouldn't be difficult to settle this matter.

When the time came, they could set up a meal and let the small celebrity meet his daughter. They could just shake hands and make peace.

Mo Yesi probably didn't really value that celebrity.

He just felt that it was embarrassing to touch him.

Hence, he definitely didn't really want to cancel the cooperation.

He was just putting on a front. He just needed to give him a way out.

At this thought, Shangguan Hua felt more at ease.

He really valued this cooperation, so he didn't want anything to go wrong with it.

If the Shangguan Family wanted to enter Yuncheng City's market, cooperation with the Mo Corporation was paramount.

...

On the other side.

After Qiao Mianmian and Linda parted ways, she went to the Mo Corporation to look for Mo Yesi.

Everyone in the Mo Corporation knew her and would politely greet her when they saw her.

Qiao Mianmian didn't tell Mo Yesi she was coming as she took the elevator straight to the 37th floor. When she walked out of the elevator, she bumped into Wei Zheng walking over with a document bag.

Wei Zheng quickly greeted her. "Hello, Young Madam."

Qiao Mianmian smiled and nodded. "Is Mo Yesi busy?"

Wei Zheng smiled. "Chairman Mo is in the office. Young Madam can go look for him."

Qiao Mianmian nodded and walked towards the office.

When she entered the office, Mo Yesi was signing the documents with his head buried in them. Qiao Mianmian gently closed the door. When she turned around, she met a pair of deep smiling eyes.

The man at the desk looked at her affectionately. "Why didn't you tell me you were coming?"

"It's not my first time here, what are you saying?" Qiao Mianmian couldn't help but smile as she walked towards him.

Mo Yesi hooked his finger at her. "Come here."

Qiao Mianmian had just walked over when he reached out and hugged her.

The man leaned into her hair and took a deep breath. He hooked his arm around her waist and chuckled. "I heard from Lei En that you went out a long time ago. What did you do? Did you go out with Jiang Luoli again?"

"I met Sister Xie and signed the contract for that variety show. Sister Xie told me we're going to Ning City to start filming in three days."

"So soon?" Mo Yesi frowned, obviously unhappy about separating from her.

"Mm, I didn't expect it to be so soon."

The man pursed his lips and kept quiet.

Chapter 1742: Cancel It If You Think It's Not Suitable

Qiao Mianmian hugged his neck and shook it gently. "You're unhappy?"

"No." Mo Yesi looked at her delicate face and sighed. "I'm just worried about you. Do you have to go?"

"I've already signed the contract." Qiao Mianmian blinked and said coquettishly, "Hubby, don't worry. I promise you that I'll take good care of myself, alright?"

"If I really can't do it, I won't."

Mo Yesi sighed again. "You won't listen to me even if I tell you not to go. Alright, promise me that you'll take good care of yourself."

"Mm, I will."

"Then, go on with your work, I won't disturb you anymore." Qiao Mianmian let go of him and jumped off his lap. "I'll sit at the side to not affect your work. When you get off work, let's go watch a movie, alright?"

"There's a new domestic cartoon series with a good reputation. I want to take a look."

“Alright.” Mo Yesi’s eyes softened. “I’m glad you arranged it.”

“Then, I’ll go play some games.”

Qiao Mianmian sat down on the sofa and took out her cell phone.

Hearing her say that she was going to play games, Mo Yesi thought of the little boy who called her sister in the game previously and couldn’t help but cough. “Actually, I don’t have much work to do today, it’s alright to do it later. Didn’t you want me to play with you? I’ll accompany you.”

Qiao Mianmian opened the game interface. “Really?”

“Mm, really.” He didn’t want his wife to call someone else Little Brother in the game.

Qiao Mianmian said, “...You’re at work.”

“I’m the boss. I can do whatever I want in my company.”

Qiao Mianmian was speechless.

Suddenly, someone knocked on the door.

Wei Zheng entered.

When he saw Qiao Mianmian, he first called her Young Madam, then turned to look at Mo Yesi.

“Chairman Mo, Heng Yuan Corporation’s Chairman is here. He said he wants to talk to you about you canceling the cooperation. He’s waiting downstairs now. Does Chairman Mo want to see him?”

Mo Yesi’s voice was cold. “Shangguan Hua is here? Didn’t I say that I won’t see anyone from Heng Yuan Corporation in the future?”

“Yes, I’ll inform the front desk immediately.”

After Wei Zheng left, Qiao Mianmian couldn’t help but ask, “Who’s Shangguan Hua? Is he related to Shangguan Qing?”

She asked this because the Shangguan surname wasn’t common.

“He’s Shangguan Qing’s father.”

“Shangguan Qing’s father?” Qiao Mianmian was stunned. “So, the Mo Corporation and the Shangguan Family have a partnership? And you canceled it? Why?”

Qiao Mianmian quickly wondered if it was because of her.

Because Mo Yesi had previously said that he wanted to stand up for her.

Wei Zheng said that Shangguan Hua was waiting downstairs, but he refused to see him.

Mo Yesi said casually, “We did work together before. We were just in contact and canceled it when we felt it wasn’t suitable.”

Qiao Mianmian was suspicious. “Is that so? Isn’t it because of me?”

“Mm, that’s what I said. Baby, such things happen often in business. Don’t overthink it. It has nothing to do with you.” Mo Yesi knew Qiao Mianmian’s personality, that’s why he said that.

She would feel bad if she found out he did it because of her.

Chapter 1743: I’ll Skin Her Alive

In the lobby downstairs.

Shangguan Hua looked awful after being rejected. He asked the receptionist with a dark face, “You didn’t tell your Chairman Mo who I am?”

The receptionist knew his identity and was very polite. “Mr. Shangguan, Chairman Mo knows your identity.”

“And he still refuses to meet?”

“Yes, Chairman Mo said he won’t see anyone from Heng Yuan Corporation.”

Shangguan Hua’s face darkened.

“Chairman, why don’t... we go back first.” Xu Jie saw that he was so angry and carefully said, “Perhaps Chairman Mo’s anger hasn’t subsided. When we go back, you can ask Miss about this too. Only then can you find a solution.”

No matter how angry Shangguan Hua was, he had no choice but to go back.

If he stayed, it would only embarrass him further.

He didn’t expect Mo Yesi to be so disrespectful. He was already sincere enough to come personally, but he was still rejected.

Shangguan Hua’s expression darkened. “Back to the office.”

“Yes, Chairman.”

“Wait.”

“Chairman, do you have any other instructions?”

“Get Qingqing back. I want to know what happened.”

...

Shangguan Qing was still having a tea party with a group of socialites when Xu Jie found her.

These socialites were all in the same circle, so they naturally heard about the marriage between the Shangguan and Gong families.

They naturally knew that Gong Zeli attacked Shangguan Qing because of a newbie in the entertainment industry.

Many of these socialites had designs on him.

They naturally didn’t have a good impression of this “love rival”.

But although they didn't like Shangguan Qing, they were still polite to her and pretended to be close sisters.

After all, although Shangguan Qing was the youngest, she had the best family background among them.

"Qingqing, you don't pay attention to entertainment news often, so you definitely don't know that Qiao Mianmian likes to seduce men everywhere. Previously, there was a very popular young hunk called Tu Yilei who also spread rumors about her. For her, that young hunk even suffered a sulfuric acid splash."

"That's right. This news was sensational. To be able to get a man who relies on his looks to make a living to shield her from sulfuric acid, how good are her seducing skills?"

"Her relationship with Qin Han is also ambiguous. I heard from a friend that Qin Han took special care of her during the filming period. Very different from the way he treats other actresses. Although the two of them kept denying it, there's no smoke without fire. I don't believe there's nothing between them."

"I think she's a loose woman. Any actor who has worked with her has been seduced by her."

"Yes, I heard she's good at flirting. Anyway, the men around her have all been in scandals with her. This kind of woman is too disgusting. She seduces men everywhere she goes. Perhaps she really is a vixen."

"Young Master Gong is about to get engaged to Qingqing. Qingqing, aren't you worried at all about letting such a vixen stay by Young Master Gong's side?"

"If this vixen dares to seduce my man, I'll skin her alive."

Shangguan Qing was still angry, and her expression darkened when she heard these socialites' words.

Everyone knew she was getting engaged to Gong Zeli.

Chapter 1744: I Don't Care to Bicker With an Actress

But everyone knew that Gong Zeli was charmed by a vixen.

He even hurt her because of that vixen.

Thinking of that video, Shangguan Qing felt utterly embarrassed.

And all of this was because of that vixen called Qiao Mianmian. She wouldn't let her off!

Shangguan Qing was furious, but she pretended to be disdainful. "She's just an actress. Brother Zeli only treats her as a plaything. It's fine for men to play outside occasionally. They'll come back when they're done.

"I don't care to argue with an actress. It's embarrassing."

One of the socialites looked at her and covered her mouth. "It's really just a thing. But Qingqing, you can't be too careless. They're from the lowest class, and they don't have any shame or self-esteem. They're different from us. In order to get to the top, those women can do anything."

"Yeah, Qingqing, you'd better be careful."

“That kind of woman is easy to deal with. Get someone to teach her a lesson and give her a good beating. Let’s see if she dares to use those tricks again.”

Speaking of Qiao Mianmian, these socialites were full of disdain.

In their eyes, Qiao Mianmian was just a lowly actress who they could bully as they wished.

Shangguan Qing didn’t take Qiao Mianmian seriously. She sneered. “Of course I’m going to teach her a lesson. It’s just too easy. I want this vixen to never have the chance to seduce men again.”

“No way. Qingqing, are you... going to silence her?” The few socialites were shocked.

“Silence her?” Shangguan Qing bit her lip as a vicious look flashed across her eyes. “That’s too easy on her.”

The few socialites saw her ferocious expression and looked at each other for a few seconds. At that moment, they actually felt a little afraid.

At this moment, a waiter knocked on the door.

When the door opened, Shangguan Qing saw Xu Jie walking in and frowned. “Assistant Xu, why are you here?”

Xu Jie said respectfully, “Miss, Chairman has something urgent to discuss with you. Please follow me immediately.”

“Something urgent?” Shangguan Qing was a little unhappy. “What urgent matter? What is it?”

Xu Jie scanned the room and looked at the other ladies. He then said softly, “Chairman didn’t go into detail. He only said that it’s something important. He told me to bring you back immediately after I found Miss.

“Chairman is still waiting. Miss, come with me.”

Shangguan Qing frowned.

Just then, her cell phone rang. She saw that it was Shangguan Hua and picked it up. “Dad.”

They didn’t know what Shangguan Hua said, but Shangguan Qing’s expression changed. After hanging up, she stood up reluctantly. “I have something on. You guys can have fun. I’ll ask you out another day.”

...

Shangguan Qing followed Xu Jie to Heng Yuan Corporation.

Upstairs.

She pushed the door open and saw Shangguan Hua sitting inside. “Dad.”

She walked towards him and asked, “Dad, Assistant Xu said that you have something urgent to talk to me about. What is it?”

When Shangguan Hua saw his precious daughter, he didn’t smile or shout.

Chapter 1745: Do You Know Who She Is?

Seeing that his expression was serious, Shangguan Qing was stunned. "Dad, what is it?"

"I saw you on the news," Shangguan Hua said seriously. "What's going on between you and that actress called Qiao Mianmian?"

Shangguan Qing's eyes widened in shock. "Dad, did you call me back because of this? You saw the trending topic?"

"Qingqing, answer my question." Shangguan Hua asked again, "What happened between you and that actress? What's her relationship with Gong Zeli? Why did you have a conflict in the mall yesterday?"

Shangguan Qing thought that he saw the news and wanted to stand up for her.

Afraid that he would look for Gong Zeli, she hurriedly said, "Dad, Brother Zeli was bewitched by that vixen. He didn't really want to do that to me. It's all that vixen's fault. Don't blame Brother Zeli."

Shangguan Hua looked at his disappointing daughter angrily. "Gong Zeli hit you, and you're defending him."

"Because it wasn't Brother Zeli's fault." Shangguan Qing gritted her teeth. "He was just bewitched by that vixen. If it wasn't for that vixen, Brother Zeli wouldn't have treated me like that."

"Vixen? You mean that actress called Qiao Mianmian?"

"Yes, her."

Shangguan Qing gritted her teeth as she spoke about Qiao Mianmian. "She shamelessly seduced Brother Zeli. Dad, you have to stand up for me and teach that vixen a lesson."

Shangguan Hua wasn't as simple-minded as Shangguan Qing.

After a simple analysis, he felt that Qiao Mianmian wouldn't seduce Gong Zeli.

It was possible if Qiao Mianmian's boyfriend was another man.

But not Mo Yesi.

That was impossible.

No woman could fall for another man after having a boyfriend like Mo Yesi.

Hence, this must be a misunderstanding.

His willful daughter had caused trouble for him.

Because she was his only daughter, Shangguan Hua naturally doted on her like a precious gem. He couldn't bear to say anything harsh to her since she was young.

Although he knew that his daughter was being spoiled too much.

But he felt that given the status of the Shangguan family, he could be more willful.

In any case, even if Shangguan Qing caused trouble, it was just some small trouble that he could solve.

But this time, for the first time in his life, Shangguan Hua felt that he shouldn't have indulged her Qing so much.

"What vixen? Do you know who she is?" Shangguan Hua thought of the canceled projects and couldn't help but get angry. "You didn't even get to the bottom of this and caused me so much trouble. Do you know what trouble you've caused me this time!"

Shangguan Qing was stunned for a few seconds. "Dad, isn't she just a small actress? Could she have a powerful background?"

Shangguan Hua got even angrier. "She's the girlfriend of the Chairman of the Mo Corporation, Mo Yesi! Now that you've offended her, Mo Yesi wants to stand up for her and canceled all collaboration with our company."

Chapter 1746: I'd Rather Die Than Apologize to That Woman!

"What did you say?!" Shangguan Qing's eyes widened in shock. "Y-You're saying that vixen is Chairman Mo's girlfriend? W-Who did you hear that from? How could it be true?"

"She, she's just a lousy actress. Also, if she's really Mo Yesi's girlfriend, why hasn't she publicized their relationship?"

Shangguan Qing refused to believe it.

Chairman of the Mo Corporation?

How could such a distinguished man think highly of a small actress and make her his girlfriend?

Shangguan Hua was so angry that he slammed the table. "Can't I even find out about this? She's an actress, yes, but she has someone backing her up, and this person is someone we can't afford to offend. Now, because of your willfulness, do you know how many losses you've caused the company?"

Shangguan Qing bit her lip and refused to believe it. "Even if she's really Mo Yesi's woman, she can't be a serious girlfriend. Maybe he's just playing with her."

"Dad, you're taking her too seriously."

Shangguan Hua was about to die of anger. "Do you know that Mo Yesi canceled our cooperation because he wanted to stand up for her? Do you know that this cooperation is very important to the company?"

"Whether she's Mo Yesi's girlfriend or not, apologize to her immediately."

"What?!" Shangguan Qing was in disbelief. "Dad, you want me to apologize to that vixen?"

"If you don't apologize for the trouble you've caused, what will the company do?" Shangguan Hua's tone was rarely firm. "This matter is settled. I'll arrange a meal, and you can have a good talk with them."

"Stop calling her a vixen. No matter her identity, she has someone backing her now. Even if you look down on her, don't be so obvious."

"I don't want to apologize to her."

Shangguan Qing reacted strongly. "Why should I? I didn't do anything wrong. Dad, I was the one who was bullied and wronged by them, and now you want me to apologize to that vixen. I won't apologize to her even if I die.

"She's just a lowly actress, she's not worthy!"

Shangguan Hua couldn't help but flare-up. "I used to let you do whatever you wanted. You caused trouble everywhere, and I cleaned up your messes. It seems like I spoiled you, that's why you're so insensible. Do you think I'm discussing this with you? Whether you're willing or not, you have to apologize to her!

"If the company's project can be salvaged, that's fine. If it can't, I'll cancel all your benefits in the future!"

Shangguan Qing was so angry that her face turned purple. "I'd rather die than apologize to that woman!

"I will never apologize to her. Not in this lifetime."

Shangguan Qing turned around and ran out of the office.

Outside.

Xu Jie immediately entered the office after Shangguan Qing left.

Seeing how angry Shangguan Hua was, he quickly said, "Chairman, your health is more important. Don't be too angry."

Chapter 1747: Do You Feel Bored?

Shangguan Hua was so angry that he threw the documents on the floor. "I spoiled her too much. This daughter was raised for nothing!"

"Chairman, Miss is still young."

"Young? She's already an adult! I won't let her have her way this time. Call the bank immediately and get them to block all of her access cards."

...

Mo Yesi got off work early.

He and Qiao Mianmian found a place to eat and then went to watch a movie.

Mo Yesi wasn't interested in anime or anything.

But if Qiao Mianmian liked it, he would gladly accompany her.

To him, whether the movie was good or not wasn't important. The person beside him was more important.

With someone you like, even the most boring thing would feel good.

In the VIP room they booked, Qiao Mianmian was lying in his arms. Mo Yesi was holding a bowl of popcorn and feeding her one every now and then.

Qiao Mianmian finished watching the entire movie.

At this moment, she pulled Mo Yesi aside excitedly and discussed the plot with him. "I didn't expect Guoman to do so well. There are a few explosive points that really make my blood boil. These two hours were worth it."

Mo Yesi listened to her quietly and nodded. "Mm, not bad."

"You think it's good, too." Qiao Mianmian had no idea he didn't watch the movie at all. While she watched the movie, he watched her. She thought that Mo Yesi really liked this movie and discussed it with him excitedly. "No wonder the reviews are so good. I felt that the last part was especially touching, and I almost cried. What do you think?"

The last part?

Mo Yesi recalled the plot and nodded. "Mm, it's rather touching."

Qiao Mianmian continued discussing with him.

After leaving the theater and getting into the car, Qiao Mianmian saw that it was still early and suggested. "Let's not go back first. I want to find a place to walk around, is that alright?"

"Alright," Mo Yesi replied gently. "Where do you want to go?"

"How about we go to the riverside?" Qiao Mianmian thought for a while and smiled. "The night breeze is blowing, it must be very comfortable to walk along the riverside."

...

Half an hour later, they reached the river.

After parking the car, Mo Yesi led Qiao Mianmian out.

There weren't many people on the riverside, and the lights were dim, so no one noticed them. Qiao Mianmian took off her mask.

Mo Yesi held her hand and walked slowly along the river.

Qiao Mianmian asked as she walked, "Mo Yesi, are you bored?"

"Mm?"

"Just taking a walk with me."

"No." Mo Yesi smiled. "I like it a lot. If you like it, I can come with you every day."

"Won't you find it troublesome?"

"No, I'll be very happy." Mo Yesi stopped in his tracks and looked down at the woman beside him. In the dark, his eyes seemed to ripple with gentleness. "Baby, do you know that this used to be a scene I fantasized about?"

“I didn’t expect it to become reality.”

Qiao Mianmian blinked. “Mm? What scene did you fantasize about?”

Mo Yesi tidied her hair. “I fantasized about walking hand in hand with the woman I like one day.”

Chapter 1748: Do You Really Have No Memories?

“We walked slowly and talked about many small things in our daily lives. Those things were very warm and beautiful.

“Just like we are doing now.

“Baby, I used to think that such a scene would only be my fantasy for the rest of my life. It would never be realized.” Mo Yesi’s eyes were gentle. He pinched Qiao Mianmian’s chin and said, “Until I met you.

“So, I’m especially grateful to God for arranging for you to be by my side and fulfilling my dream.

Qiao Mianmian looked at him blankly, and her eyes suddenly moistened. “Mo Yesi, I’m especially grateful to God. If I say that I’ve fantasized about this before, would you believe me?”

“I believe you.”

Mo Yesi held her hand and kissed the back of it. “So, we’re destined to be together. God has already arranged everything. You’re destined to be my wife.”

...

They strolled along the river for a while.

The night breeze blew gently. There weren’t many people around, and it was very quiet.

Both of them enjoyed this quiet and beautiful moment. After walking for a while, Qiao Mianmian pulled Mo Yesi’s arm gently.

The man beside her immediately stopped and looked down at her.

“Mo Yesi, I’m tired. Carry me.” Qiao Mianmian whined.

Mo Yesi squatted down in front of her.

Qiao Mianmian lay on his back, and he helped her stand up slowly.

Qiao Mianmian wrapped her arms around his neck and smelled the light and pleasant scent of shampoo on his hair. “Mo Yesi, do you remember when I was filming in F City, we also took a walk by the river? I was tired too, and you carried me.”

“Mm, I remember.” Mo Yesi carried her and walked slowly. “I remember everything.”

Qiao Mianmian smiled sweetly. “Really?”

“Mm.”

“Then, I’ll test you.”

“Alright. How do you want to do it?”

“Let me ask you, do you remember the first time we met?”

Mo Yesi paused.

After about a minute, Qiao Mianmian heard his reply. “Mm, I remember. Mianmian, do you mind if others lie to you?”

“Someone lied to me?” Qiao Mianmian was stunned for a few seconds. “That depends on who did it. If it’s someone who doesn’t care, they won’t be very angry. If it’s someone who cares, they’ll probably mind it.”

“Why are you suddenly asking me this?” She smiled and joked. “Are you hiding something from me?”

She was just joking.

But she felt the man tense up.

After a while, she heard Mo Yesi say, “When do you think you saw me for the first time?”

“Mm?” Qiao Mianmian blinked and felt that his question was a little strange. “Don’t tell me you don’t remember. The first time we met was when I went to your company to look for you and begged you to help Chen Chen with his surgery.”

“Do you really have no memory of me before this at all?”

“What?” Qiao Mianmian was confused. “What memory? Mo Yesi, what are you trying to say?”

He hadn’t told her about that night.

But Mo Yesi never intended to keep it from her.

He was just wondering how he should tell her.

Chapter 1749: That’s Mo Yesi’s Father?

Tonight seemed like the right time.

Since they were already on this topic, Mo Yesi decided to tell her about that night.

He was about to say something when his cell phone rang.

Qiao Mianmian jumped off him and got him to answer the call.

Mo Yesi looked at her and hesitated for a few seconds before taking out his cell phone.

He picked it up immediately.

Qiao Mianmian’s expression changed when she saw that.

After he hung up, she quickly asked, “What’s wrong? Who called you? Is it something urgent?”

“Mianmian, we have to go to the hospital immediately.” Mo Yesi’s expression was a little serious, and there was even a hint of panic in his eyes. He held Qiao Mianmian’s hand and hurriedly walked back. “It’s Uncle Zhang. He said that Grandma accidentally fell from upstairs and is still unconscious.”

Qiao Mianmian was shocked. “Grandma fell from upstairs? How could this be?”

“In the past, she would get someone to support her when she went downstairs. I don’t know what happened today, but she didn’t call anyone and went down alone. Her legs were inconvenient, and she accidentally tripped while going down the stairs.

Qiao Mianmian could feel that Mo Yesi was very worried and afraid.

Because his hand was trembling.

Mo Yesi and Old Madam had a deep relationship. Now that Old Madam was unconscious, no matter how calm he looked, he would definitely be worried and afraid.

Even Qiao Mianmian was worried.

Old Madam treated her well. After what happened, she was afraid something would happen to Old Madam.

She held Mo Yesi’s hand tightly. “Then let’s go to the hospital. I believe Grandma will be fine. She’s such a good person, God will definitely protect her.”

...

Mo Yesi and Qiao Mianmian rushed to the hospital.

After getting out of the car, the two of them ran to the inpatient department and arrived at the VIP ward where Old Madam was staying. Uncle Zhang was waiting for them outside.

Seeing Qiao Mianmian and Mo Yesi, Uncle Zhang went forward and said, “Second Young Master, Second Young Madam.”

Mo Yesi asked anxiously, “How’s Grandma?”

“Old Madam hasn’t woken up yet. But the doctor said that her life isn’t in danger. Second Young Master and Second Young Madam don’t have to worry too much.”

Qiao Mianmian heaved a sigh of relief.

No matter what, it was best if her life wasn’t in danger.

Mo Yesi seemed more at ease now.

He led Qiao Mianmian into the ward.

Qiao Mianmian saw two people standing by the bed.

One was Madam Mo, and the other was a stranger.

The man she’d never seen before looked a little like Mo Yesi. He was in his forties, and he exuded elegance and charisma.

Just as Qiao Mianmian was guessing his identity, she heard Mo Yesi call out, "Dad, when did you come back?"

Qiao Mianmian looked at the middle-aged man in shock.

That was Mo Yesi's father?

That was her father-in-law?

This was the first time Qiao Mianmian saw her "legendary" father-in-law, Mo Yunchen, after she married Mo Yesi.

Qiao Mianmian knew that Mo Yunchen wasn't old. After all, Mo Yesi was only in his twenties.

Chapter 1750: Afraid That She Would Bully Qiao Mianmian?

But seeing Mo Yunchen in person, she still felt that her father-in-law looked too young and handsome.

He was a very charming and mature man who could attract young girls.

Although he was already at the age of a father-in-law.

But even a 20-year-old girl would fall for him.

Mo Yunchen turned around when he heard Mo Yesi's voice. He exchanged glances with him and then looked at Qiao Mianmian.

After a few seconds, Mo Yunchen looked away. "I just came back and heard that something happened to your grandma. Aren't you going to introduce her to me? Is this girl beside you my daughter-in-law?"

"Mm. Dad, this is Mianmian." Mo Yesi saw that Qiao Mianmian was a little reserved and squeezed her palm. "Mianmian, call him Dad. Don't be nervous in front of your own family."

Qiao Mianmian also told herself that she didn't have to be nervous. But this was the first time she saw Mo Yunchen, and she didn't know what her father-in-law was like. Hence, it was impossible for her to be calm.

But Mo Yunchen wasn't a difficult person to get along with.

Qiao Mianmian grabbed Mo Yesi's hand and called out, "Dad."

Mo Yunchen nodded and looked gentle. "Today's situation is special, and I didn't have time to prepare any gift. I'll make it up to you when we get back."

With that, he looked at Mo Yesi again. "The doctor said that your grandma is lucky. Thankfully, she's fine this time. She just suffered some external injuries. Your grandma is old, you and your brother should go home more often."

"I know." Mo Yesi looked at the old lady lying on the hospital bed with worry in his eyes. "Since Grandma is fine, why isn't she awake yet? Did the doctor say when she will wake up?"

"She fell down the stairs and had a slight concussion. She might be unconscious for a while."

Mo Yesi nodded.

Old Madam was so old, and she'd fallen down the stairs. It was already very lucky that she only suffered some external injuries.

Since the doctor said that she was fine, they could rest assured.

But his heart ached when he saw how pale and haggard Old Madam looked.

Mo Yesi only talked to Mo Yunchen when he entered the room.

Madam Mo, who had been neglected, stood at the side with an awful expression and bit her lip.

Mo Yunchen looked at his wife and said, "Ah Si, come out with me. I have something to ask you."

He then walked out of the ward.

Mo Yesi hesitated. "Mianmian, I'll go out for a while. Do you want to go out with me?"

Mo Yunchen called Mo Yesi out to talk to him alone. How could Qiao Mianmian follow him?

She shook her head. "Dad has something to tell you, right? Go quickly. I'll accompany Grandma here."

"Then you..." Mo Yesi looked at Madam Mo and nodded. "Mm, accompany Grandma, then. I'll be back soon."

Madam Mo was furious.

This was nothing.

Was he afraid that she would bully Qiao Mianmian?

She was his biological mother, the one who had raised him.

But now, he was loyal to his wife. His wife was more important than her.

If she had known that he would forget his mother after getting married, she wouldn't have given birth to this unfilial son!
