

Big Shot 1891

Chapter 1891: Should I Change My Mind?

This suited Mo Shixiu's style of doing things.

Since Jiang Luoli was pregnant, Mo Shixiu would definitely want a child.

Since he wanted a child, he couldn't let the child be born in a single-parent family.

Therefore, once Jiang Luoli got pregnant, he would definitely marry her.

Besides, he had already planned to marry her regardless of whether she was pregnant or not.

They were just bringing the wedding date forward.

Mo Yesi was very happy for Mo Shixiu.

"Mo Yesi, I'm so happy." Qiao Mianmian was still in a state of agitation as she held his hand.

"This is indeed a joyous occasion." Mo Yesi smiled. "Isn't it a wonderful thing for you to have your best friend become your sister-in-law?"

"Yes, it's especially wonderful. No, I have to call Luo Luo immediately and ask her about it."

Qiao Mianmian was in no mood to eat. She immediately called Jiang Luoli.

...

On the other side.

Jiang Luoli had just finished her bird's nest porridge when Qiao Mianmian called.

Qiao Mianmian's excited voice came through the phone. "Luo Luo, I just received your WeChat message. I'm so happy for you. The doctor said that the baby is a few months old. Is it a boy or a girl?"

Jiang Luoli chuckled. "The baby isn't even two months old, and you can't tell his gender yet. Aren't you recording a show? Aren't you supposed to keep your phone? Why are you still calling me?"

"I'm recording today. Mo Yesi came to look for me, so I took a day off."

"Did Prince Charming go over to look for you?" Jiang Luoli pursed her lips and smiled. "Did he see the news? I knew it. If Prince Charming saw it, he would definitely be worried about you."

"Yes, I'm having dinner with him outside now."

"Luo Luo, have you really registered your marriage with Big Brother?"

There was a light knock on the door. Sister Lin walked into the bedroom to pick up the empty bowls. She was holding a plate of cut fruits for Jiang Luoli to eat.

Jiang Luoli touched her stomach and gestured for Sister Lin to put the fruit on the bedside table.

After Sister Lin put it down, she turned and left the bedroom.

Jiang Luoli took a peeled grape from the plate and continued chatting with Qiao Mianmian. "Mm, we've registered our marriage. I didn't want to do it so early, but he insisted on getting it today. Can you understand the feeling of going from a young girl to a young married woman all of a sudden? I haven't recovered yet."

"Does that mean I should change my way of addressing you?" Qiao Mianmian joked. "You're my sister-in-law now. Do I have to call you sister-in-law from now on?"

Jiang Luoli felt a little embarrassed to be called sister-in-law.

"Baby..."

"Luo Luo, I'm really happy. I'm just waiting for you to give birth to my little nephew. You and Big Brother are so good-looking. The baby you give birth to will definitely be very beautiful. It's best if it's a little princess. That way, I can buy her many pretty dresses and hair clips."

Jiang Luoli also hoped that she was pregnant with a girl.

She had grown up in a family that valued males over females and had never been truly loved by her parents.

If she had a daughter in the future, she would definitely dote on her like a princess.

Chapter 1892: Do You Like It or Not?

She would never let her daughter suffer any grievances.

"I also hope to be a girl, but whether it's a daughter or a son, I'll still dote on them. Baby, what about you?"

"Me?" Qiao Mianmian was stunned. "What about me?"

"When are you planning to have a baby? Have you told Prince Charming about this? Or have you been focusing on your career and not having a baby for now?"

"I'll leave it to fate and let nature take its course."

"Alright. Anyway, Prince Charming is still young. You guys can wait for a few more years."

The two chatted for a while before hanging up.

Jiang Luoli had just put down her phone when the bedroom door was pushed open.

She thought it was Sister Lin.

"Sister Lin, stop making me food. I'm not hungry at all."

"Is that so? I even went to buy some candied plums that I heard pregnant women like to eat. Can you only eat it when you're hungry?" The man's clear and pleasant voice carried a faint smile.

Jiang Luoli was stunned. She looked up and saw that the person who walked in was Mo Shixiu. She was stunned again.

"Mo Shixiu, why are you back so soon?"

Mo Shixiu walked towards her carrying a bag.

After he walked to the bed, he sat down at the head and handed the bag to her. "Yeah, I came back once I was done. These are candied plums I bought for you. They all say pregnant women like to eat this. Try it and see if you like it."

Jiang Luoli had just reached out to take the candied plums when Mo Shixiu lowered his head to hold her face and gently kissed her forehead. He said gently, "How do you feel? Do you feel uncomfortable anywhere?"

Jiang Luoli was so shocked that she almost dropped the candied plums she had just received.

She was stunned for a few seconds. She reached out and touched the place where Mo Shixiu had kissed her. Then, she slowly raised her head as if she had seen something unbelievable. She was extremely surprised. "Mo Shixiu, you have changed."

"Huh?" Mo Shixiu smiled gently. "What changed?"

"You've become more proactive." Jiang Luoli looked at the man's handsome face that could make one's heart beat abnormally. A smile appeared on her lips. "You weren't like this in the past. Did Assistant Xu teach you again?"

Jiang Luoli wouldn't believe it if he didn't have anyone guiding him.

Mo Shixiu himself could not have changed for no reason.

"Really? You think I've changed?"

"Yes."

Mo Shixiu smiled. His clear eyes were full of gentleness. "Then, do you like this change or not?"

"I like it." Jiang Luoli didn't shy away and reached out to hug his neck. She lowered his head and kissed his slightly cold lips. "I like it very much. I hope you can be more proactive in the future. That would be even better."

Mo Shixiu was stunned for a moment. Then, he closed his eyes and gently responded to her kiss.

The two of them only had a brief taste.

After they separated, he pressed his forehead against hers and said in a slightly hoarse voice, "Okay. I'll become what you like me to become."

Jiang Luoli's eyes were still a little dazed.

She felt that Mo Shixiu was really tempting her more and more.

The longer she stayed by his side, the more charismatic he became.

She was more and more attracted to him.

Any woman would be attracted to a man like Mo Shixiu.

Because he was really too good.

She felt so lucky to have met him and married him.

God did not give her happiness in certain aspects but compensated her in another way.

Chapter 1893: I Will Never Betray You in This Life

He had given her the best husband in the world.

She felt very happy now.

She had a new family and a loving husband. Soon, she would have a cute baby.

Getting married and having children at this age was not her plan.

But now, she really liked this accident.

“Mo Shixiu.” Jiang Luoli leaned into his arms and called him softly.

“Yes.” Mo Shixiu lowered his head and waited for her to speak with gentle eyes.

Jiang Luoli reached out to hold his face. “Will you always be so good to me?”

“Yes,” Mo Shixiu answered without hesitation.

“You won’t change?”

“I won’t.”

“If you don’t like me one day...”

“That day will never come.” Mo Shixiu interrupted her. “Luoli, you don’t have to worry about these things. I’m the one who should worry, not you.”

“What are you worried about?”

Mo Shixiu was silent for a few seconds before saying, “I’m just as worried as you are.”

“Are you worried that... I won’t like you one day?”

“Yeah.”

Jiang Luoli: “...”

She had no idea that he would be so worried.

She had thought that this was just her worry.

After all, their conditions were too different. His conditions were too good, while hers were too bad.

“Then, you don’t have to worry about it.” Jiang Luoli held his face and said, “Because this day will definitely not come.”

She only knew that her feelings for him were getting deeper and deeper.

She liked him more and more.

Mo Shixiu was stunned. A smile appeared on the man's handsome face, and a gentle smile emerged in his eyes. "Can I interpret this sentence as a confession?"

"Of course you can." Jiang Luoli did not avoid his gaze. She looked at the man in front of her steadily. "Mo Shixiu, are you stupid? If I didn't like you, would I marry you? Although I like good-looking men, I'm not willing to marry someone just because of his looks."

The man's gaze became even gentler.

"Luoli." He gently called her name and held one of her hands. He solemnly promised, "I will treat you well. I will never let you down in this life."

"Yes, I believe you." Jiang Luoli smiled sweetly and made a promise to him. "Mo Shixiu, I will treat you well too. If you don't let me down, I will never let you down in this life. But if you let me down, I will definitely leave you."

"I will leave you without hesitation. I will never look back."

Even if her heart broke into pieces, she would leave without hesitation.

Her love world was very small and she could not tolerate any betrayal.

...

After dinner.

Qiao Mianmian brought Mo Yesi around the town.

"It's getting late. We'll go back now. Pack your things." Mo Yesi brought her up again.

"Mo Yesi, I really want to stay and continue participating in this show." Qiao Mianmian decided to have a good talk with him. She didn't want to leave just like that. "Can I stay? I promise that nothing dangerous will happen again. Can you just let me stay here? I really don't want to leave just like that."

She looked at him pitifully and said, "Mo Yesi, you're the best. Just let me stay, okay?"

Chapter 1894: I Will Only Compromise This Once

"I can really protect myself."

"What happened this time was an accident. It will never happen again."

Mo Yesi pursed his lips and looked a little unhappy. "So, you're not going back with me?"

"It's not that I don't want to go back with you, but I've already signed a contract, so I have to be responsible. If I leave just like that, the filming for these few days will be canceled. I'll be irresponsible and also delay everyone's time."

"Even if I go back with you and choose another variety show, it's hard to guarantee that there won't be any accidents."

Qiao Mianmian felt like Mo Yesi was treating her like a greenhouse flower.

He was too worried about her.

She knew that it was because he cared about her.

But being overly concerned sometimes made her feel a little pressured.

Like now.

He insisted on taking her back home.

Because he felt that it was dangerous for her to continue staying here.

But Qiao Mianmian didn't think so.

She believed that Third Chen had been captured and would not be released anytime soon.

Moreover, the production team had already strengthened the security. The same thing would definitely not happen again.

"So, you just won't leave with me, right?" The man's face and voice were tense. He was obviously angry.

Qiao Mianmian was silent for a while before taking a deep breath. "Mm, I don't plan on leaving. I want to stay and continue recording the show."

She knew that Mo Yesi would definitely be angry, but she had her own opinions.

Some things she wanted to decide for herself.

Mo Yesi did not look good.

The man's face darkened and he pursed his lips as if he was suppressing something.

Just as Qiao Mianmian thought that he might explode and turn around to leave, he said, "Alright, you can stay."

Qiao Mianmian looked at him in surprise. "Really?"

Mo Yesi still looked unhappy. "Will you leave with me if I don't agree?"

Qiao Mianmian fell silent.

"I can let you stay, but you have to agree to my conditions."

"What conditions? Tell me." Qiao Mianmian felt that everyone should take a step back.

Since Mo Yesi had taken a step back, she should do the same now.

As long as his request was not unacceptable, she would agree to it.

"If there are any more accidents, stop the recording and go back immediately. As long as there is one more time, I don't care if you are willing or not. I don't care if you will blame me. Even if I have to force you, I will bring you back.

"Qiao Mianmian, this is my bottom line.

“I will only compromise this once.”

“Okay.”

Qiao Mianmian nodded. “I promise.”

“Remember what you promised me.” Mo Yesi pursed his lips and thought to himself that he was the one who married her. No matter what, he always had to pamper her. He reached out and pulled the little woman into his arms, pinched her chin, and said domineeringly, “One more time, then you must come back with me. If you don’t, I’ll knock you out and carry you away.”

Qiao Mianmian was speechless.

Knock her out and carry her away?

This was too scary.

But at least he wouldn’t force her to leave.

Qiao Mianmian relaxed.

She took the initiative to hold his arm and leaned against him like a little bird resting on a tree branch. She said in a soft voice, “Alright, alright, I understand. When the time comes, you don’t have to knock me out. I’ll go back obediently by myself. I heard there’s a Tree of Marriage in this town. It’s said to be very efficacious. Shall we go over and take a look?”

Chapter 1895: Replace Song Ke

It was her day off, anyway.

Qiao Mianmian wanted to relax.

“The Tree of Marriage?”

“That’s right. The Tree of Marriage has been growing for more than a hundred years. It’s very effective to make a wish there. Anyway, there’s nothing to do. Let’s go and take a look.”

Mo Yesi didn’t believe this at first.

But even if it was superstition, he was still willing to make this trip if it could strengthen his relationship with her.

“Alright.” He looked down at Qiao Mianmian as she leaned on his shoulder and spoke softly to him. His heart softened and he smiled. “Then, let’s go over now.”

Qiao Mianmian hooked his long fingers and held his hand playfully. “Mm, let’s go!”

On a small building nearby.

On the second floor near the window, Gong Zeli looked at the two of them holding hands and walking away slowly with a dark expression.

His aura suddenly turned cold, scaring everyone sitting opposite him.

The man asked nervously and carefully, "Mr. Gong, is there something that you're not satisfied with?"

Gong Zeli slowly retracted his gaze.

He said with a gloomy expression, "Have you done what I asked you to do?"

The person opposite him replied respectfully, "I'll do what Mr. Gong instructed immediately. Don't worry, Mr. Gong. He won't come out again."

"That's good," Gong Zeli said with a vicious look in his eyes. "Let the people inside take good care of him."

"Yes."

The waiter brought the dishes they had ordered and placed them on the table. Gong Zeli stood up.

The person was stunned and also immediately stood up.

Gong Zeli stood there, not daring to sit anymore.

He said cautiously, "Mr. Gong, you are..."

Gong Zeli's mind replayed the scene he had just witnessed.

That scene was like a thorn in his heart. As long as he breathed, it would hurt him.

He didn't want to think about it, but he couldn't help himself.

As if he was torturing himself, he replayed that scene in his mind over and over again.

Without a word, he turned around and left.

The person was stunned. He wanted to chase after him, but after thinking about it, he did not dare to.

...

When the executive director of "The Meaning of Traveling" received the notification, she said angrily at the start, "Replace Song Ke? Do you know how big of an impact it would have on the show if the guest is changed now? This means that all the filming for the last few days would be canceled. This will seriously delay the production team's work progress and also delay the work progress of all the guests!"

"Do you know how many losses there will be?"

"If your reason can't convince me, I definitely won't agree."

After a while, the executive director's expression changed.

"What? CEO Mo? Is this his intention?"

"Alright, I understand. I'll get someone to inform Song Ke immediately."

After hanging up, the executive director was still in a state of shock. It took her a long time to recover.

She was the executive director of The Meaning of Traveling.

She had the biggest say in every guest selection.

Therefore, even though she knew that the station head had requested to remove Song Ke, she did not agree immediately.

Removing a guest at the last minute had a huge impact on the entire episode. If it wasn't for special circumstances, she wouldn't have agreed.

When she found out that this was the Mo Corporation's CEO's intention and that the Mo Corporation had bought the broadcasting rights for "The Meaning of Traveling", she was shocked for a long time.

Chapter 1896: Change Now?

She never expected that the person who requested Song Ke to be removed would be President Mo.

No matter how much she disagreed, she had to remove Song Ke.

Because no one could offend the Mo Family.

A small television station dared not.

Regardless of whether Mo Yesi's request was reasonable, they had to follow his instructions.

The executive director was about to call her subordinates to inform Song Ke when her cell phone rang again.

It was the person who called just now.

The person on the other end of the line said a few more words, and the director frowned. "What, change the location? Change now?"

"That's not it. We've already made prior arrangements for our shoot. We haven't even prepared anything yet, so how are we going to change locations? Where are we going? Don't try to come up with all sorts of things. Isn't that making things difficult for us?"

After a while.

The director was shocked again.

"Alright, I understand. I'll arrange it immediately."

The call ended.

The director was still in shock.

She was still surprised by what she had just learned.

She had been wondering why Song Ke had suddenly been removed and why she had been informed to change the filming location.

So it was all because of that newbie called Qiao Mianmian.

Mo Yesi was actually her boyfriend.

Removing Song Ke was because she was probably the one who spread the rumor that Qiao Mianmian was raped by Third Chen.

The change of locations was also related to him.

Although Third Chen had been arrested, Mo Yesi felt that this remote mountain village was no longer safe and didn't want his girlfriend to stay here anymore.

Everyone knew that changing places at the last minute was a very troublesome matter.

Not only would it delay the progress of the entire production team, but it'd also cost a lot of money.

However, this was Mo Yesi's request, and even the station head did not dare to reject it. Furthermore, Mo Yesi was the one who would bear all the expenses.

Many people said that Qiao Mianmian's boyfriend was unreliable and that the two of them wouldn't last long.

After all, one was a newbie in the entertainment industry while the other was a young master from a wealthy family. Their statuses were not compatible.

They said that he was just playing around with her. When the novelty passed, he would replace her.

But as a woman, the director was a little envious of Qiao Mianmian.

He had already taken it so seriously. How was this just for fun?

Even if they would be separated in the future, at least he really doted on her now.

...

When Song Ke was informed that they would be terminating her collaboration with "The Meaning of Traveling", her reaction was huge. "The program team has decided to disqualify me as a guest? Why? Who made this decision? Why did they cancel the collaboration?"

Seeing that she was so agitated, the staff member quickly explained, "Miss Song, this is our director's idea. She said that after filming for a few days, after observation, she felt that Miss Song was not very suitable for our show.

"Of course, we broke the contract first. Miss Song can ask us to pay the penalty later.

"My message has been delivered. Miss Song, if you have any other questions, you can ask our director."

After saying that, the staff member left.

Song Ke stood in the room with an ugly expression.

How could she accept leaving the show now?

To be able to appear on this variety show was an opportunity that she had spent a lot of effort to fight for. This was a great opportunity for her to become famous.

Chapter 1897: Good Luck

She would definitely not accept the production team terminating the contract unilaterally.

She was about to go ask the executive director for clarification when her phone rang.

It was a call from her sugar daddy.

Song Ke picked it up immediately. Before her sugar daddy could say anything, she started crying pitifully. "Darling, I've been bullied. Sob, sob, sob. You have to help me."

"You idiot, didn't I warn you repeatedly not to offend Qiao Mianmian? Song Ke, did you take my words to heart? You stupid woman, not only did you seek death yourself, you even caused me so much trouble. You even have the face to tell me that you've been bullied. I usually turn a blind eye to you causing trouble everywhere you go. But don't you know what kind of person you can provoke and what kind of person you can't? If you want to die, then die alone. Don't drag me down with you."

Song Ke was delighted at her sugar daddy's call. She wanted to complain to him and ask him to help her settle the matter.

Unexpectedly, her sugar daddy scolded her harshly.

Song Ke had never been scolded like this by her sugar daddy before.

After he became her sugar daddy, she was very pampered. Her sugar daddy would always grant her requests.

He had never said anything harsh to her.

This was the first time she had been scolded by her sugar daddy. Furthermore, she had been scolded so badly that she was stunned.

She was still in a daze.

"Darling, darling—"

"Shut up!" Her sugar daddy was furious and scolded her fiercely again. "You jinx, you've gotten me into big trouble now. Don't call me again. I have nothing to do with you anymore."

"Darling, what's wrong with you..." Song Ke panicked at her sugar daddy's attitude. If he didn't care about her anymore, what would she do in the future?

"You still have the cheek to ask me what's wrong?" He was even more furious as he roared at her. "Just because of you, this jinx, my company is now in trouble. Can a jinx like you afford to provoke CEO Mo's woman?"

It was Qiao Mianmian...

Did she find out about that?

That was why the production team suddenly canceled their collaboration with her?

Song Ke panicked. "Darling, you, don't ignore me. I know I was wrong, I know I was wrong now. I won't mess with Qiao Mianmian again."

"It's too late! I've already told you so much. Did you hear me? You've already offended him, and you've also caused trouble for me. I'm already f*cking unable to protect myself because of a jinx like you. How can I care about you?"

"Good luck."

Her sugar daddy hung up the phone angrily.

Song Ke's face turned pale when she heard the disconnected tone.

Even her sugar daddy refused to care about her anymore and hurriedly tried to cut ties with her.

She suddenly recalled Qiao Anxin's words.

She would be banned if she offended Qiao Mianmian.

Although she was not officially banned yet, she was already panicking.

Her sugar daddy no longer cared about her and she was removed by the production team. If she was really banned in the future, there was basically no chance for her to make a comeback.

This was a devastating blow to any artiste.

When Song Ke thought of this terrifying outcome, she was so frightened that her face lost all color.

Chapter 1898: The Director Said This Place Is Not Suitable for Filming the Show

She didn't want to be banned. She didn't want to leave the entertainment industry.

It wasn't easy for her to get to where she was now.

She quickly realized that if she wanted to stay in the entertainment industry, there was only one way.

She had to get Qiao Mianmian's forgiveness. If Qiao Mianmian could forgive her, she wouldn't be banned.

...

No secrets were hidden in the same production team.

Very soon, the news of Song Ke being removed and having to be replaced with another guest was known by most people.

Su Mufei, Zhan Bo, and the others naturally knew as well.

"What's going on? How did Song Ke suddenly get removed? Did something happen to her?" Su Mufei's mind was relatively simple, so he hadn't thought of some things.

But Qiao Anxin, Zhan Bo, and the rest had already guessed the reason.

Song Ke definitely did not leave because of him.

It was impossible for the production team to replace the original guest for no reason unless there was a reason that they had to.

The moment Qiao Mianmian's boyfriend arrived, Song Ke was removed.

The reason was not hard to guess.

Qiao Anxin was over the moon when she heard about this.

Song Ke, that woman who overestimated herself, should just leave!

Little Xiao also guessed the reason.

It was not surprising that Song Ke was removed.

That man was the CEO of Mo Corporation.

It would be a piece of cake to replace a small celebrity on the show.

Back then, she was almost frozen.

But after this incident, she understood that Qiao Mianmian was someone she couldn't offend.

Otherwise, she would be the next one to leave.

Little Xiao didn't have any works recently, so she needed exposure. The reason why she participated in this program was that she hoped to restore her former popularity through the program.

"I'm not sure." Qiao Anxin knew the reason, but she pretended to be as innocent as Su Mufei.

"Something must have happened for her to be removed all of a sudden. Ask Song Ke."

As they were talking, Zhao Yuan walked in.

Seeing them standing in the yard, he was stunned. He went forward and said happily, "You're all here. Then, I don't have to call you all. I'm here to inform you of something."

Everyone thought he was going to talk about Song Ke leaving, but he talked about something else.

"Today's shoot will end here temporarily, and I'll give you guys half a day off. You guys must be very tired these few days, so just have a good rest. Tomorrow, we're going to film somewhere else. You guys collect your things tonight and sleep early. Tomorrow morning, we'll gather at the airport at nine."

Everyone looked surprised.

Shen Fei frowned and asked directly, "Change locations? Does that mean we're flying to another city tomorrow?"

"Yes." Zhao Yuan looked at everyone's reaction and touched his nose. He lowered his voice and coughed lightly. "The director said that this place is not suitable for filming the show, so there isn't much material to shoot. So, we'll go somewhere else.

"Also, this is actually good news for all of you. The conditions at the place we're going to tomorrow are much better than here. When the time comes, you won't have to work so hard on your missions. It'll be much easier."

Even though he spoke so well, everyone was still dumbfounded.

Chapter 1899: They'll Be Enjoying Themselves

"Why did you suddenly decide to change locations? Didn't the contract we signed say that this episode would be filmed here?"

"Didn't I just say that the director doesn't think there's enough material to shoot here?"

"We can't finish filming one episode of the show, and the quality isn't very good. That's why we decided to change locations at the last minute.

"Everyone should believe in the director's ability. She must be thinking of the episode's quality, that's why she made such a decision. Every episode of 'The Meaning of Traveling' has the highest viewership rating among all the television stations at the same time period. Our goal is to do the best program, the most exciting program, that's why the director strives for perfection. Do you all understand what I'm saying?"

As Zhao Yuan spoke, even he believed his own words.

The others naturally believed him as well.

To them, this was not unacceptable. Besides, Zhao Yuan had said that the other filming location was much better than this one.

If that was the case, they would be more than happy to change locations.

"Brother Zhao, where are we going tomorrow?" Su Mufei was more interested in this matter.

In any case, as long as he didn't have to continue doing missions, he was fine with anything.

"We'll go to Weihai tomorrow."

"Weihai?" The others were stunned. They looked surprised. "The new filming location is in Weihai? Which town or village is it under Weihai?"

"Not anywhere else, just Weihai," he said.

Zhao Yuan thought that the production team wanted to arrange for them to go to another village.

After all, the previous few episodes were filmed in villages.

From the viewership ratings, the viewers loved to see celebrities going to the countryside to do farm work and suffer hardships. Therefore, they had taken the same route for the past few episodes.

After all, such a safe route could guarantee high viewership ratings.

But now, the higher-ups had instructed them to film this episode somewhere else.

And they couldn't make the guests suffer.

When Zhao Yuan was notified of the new filming location, he thought that he had heard wrongly.

Not only was the new filming location not in a village with poor conditions, but it was also arranged to be in a tourist city.

The guest rooms were also very good.

It was a villa area in a tourist attraction, and it was a high-spending place.

Of course, this was not arranged by the production team.

One must know that a villa in that area cost more than 100,000 yuan per night.

They would be there for about 20 days.

The production team wouldn't be so generous as to spend a few million on the guests.

Most importantly, the show's main theme was to make the guests suffer!

Arranging for the guests to stay in a villa that cost more than 100,000 yuan a night. How could it be hard?

They'd be enjoying themselves.

Zhao Yuan found such an arrangement unreasonable, and the director was naturally unwilling.

But there was no other way.

The director had said that this was the Mo Corporation's CEO's intention. The accommodation fees, plane tickets, and mismanagement fees for the production team would all be reimbursed by the Mo Corporation. The production team wouldn't suffer any losses.

This was definitely a good thing for the guests.

But it was difficult for the director.

Because the director didn't even know what to do with the show now.

Zhao Yuan looked at their shocked and confused expressions and decided to tell them everything. "The filming location is in Weihai. You'll be staying at the Heron Island Manor. When the time comes, all of you will be staying in a villa.

"The villa has four floors, enough for ten of you."

Shocked again, everyone turned to look at each other for a few seconds. Su Mufei asked in disbelief, "Brother Zhao, you're not lying to us, right? We'll be staying in a villa?"

Chapter 1900: You Have to Help Me

The difference was too great.

They were still living in the courtyard house in the village.

But they would go to a luxurious villa tomorrow?

Was the production team messing with them?

“Why would I lie to you? I already said that the conditions are much better than now. Alright, are you happy now?”

“I’m happy. Of course I’m happy.” Su Mufei’s face was filled with joy. “I can even fly over right now.”

The others naturally had no objections.

Although everyone had their doubts and were wondering why the sudden change of locations, the new location was many times better than the one they were in now. Who would object?

They were all eager to leave immediately.

After Zhao Yuan finished with his announcement, he looked at everyone and said, “Since none of you have any objections, it’s settled then. Remember, we’ll go to the airport at nine o’clock sharp tomorrow morning. You can arrange the rest of your time freely. If you want to go around and play, don’t go alone or go too far. Try to come back before dark.”

“Got it, Brother Zhao.”

Zhao Yuan nodded. “I’ll get going, then. If you need anything, look for me.”

After Zhao Yuan left.

They couldn’t help but discuss this change.

“Why do you think we’re suddenly changing locations for the shoot? I don’t really believe the reason Brother Zhao gave us. This has never happened before. Why did they suddenly change locations for this episode?”

“Could it be because of Song Ke?”

“It has nothing to do with her, right? Even if they remove Song Ke, there’s no need to change the location.”

“Then, why?”

“Alright, no matter what the reason is, we’ll just cooperate with the production team.” Actually, Shen Fei had already guessed that Qiao Mianmian had something to do with it.

The moment Mo Yesi arrived, Song Ke was first removed, then the location of the filming was changed.

It was probably because of Qiao Mianmian.

Mo Yesi knew about Third Chen and was worried about Qiao Mianmian staying here, so he asked the production team to change locations.

And he had chosen a very nice place.

He probably felt that the village was not safe and was afraid that the same thing would happen again, so he changed the filming location to a tourist city.

Shen Fei didn’t know Mo Yesi’s true identity.

However, to be able to get the entire production team to agree to change the filming location, one could imagine that his identity was definitely not simple.

It was definitely not just a rumor on the Internet.

“Sister Fei.”

As the few of them were talking, a soft voice sounded.

Shen Fei turned around and saw Song Ke walking towards them with red eyes.

“Sister Fei, Little Xiao, Han Yan...” Song Ke walked over. Her eyes were red, and she looked pitiful. As soon as she spoke, tears flowed out of her eyes. “You must help me.”

Everyone knew that Song Ke had been removed from the show.

And they also knew that it was most likely related to Qiao Mianmian.

So, when they saw Song Ke’s expression, they remained silent.

If Song Ke had really done that, then she had indeed gone overboard.

She had asked to be removed. She didn’t deserve sympathy.

Shen Fei hated people who used underhanded methods behind people’s backs the most. She looked at Song Ke coldly. “Help you? What did you do to deserve our help?”

“I, I...” Song Ke looked at everyone and bit her lip. She had a look of disbelief on her face.

“Song Ke, did you do that?” Zhan Bo asked directly. “Did you create rumors about Mianmian behind her back?”
