

Big Shot 1901

Chapter 1901: I Can't Agree to Your Request

Song Ke was stunned. Her expression changed and she looked at Zhan Bo in a panic. "I, I..."

Seeing her reaction, Zhan Bo understood everything.

"So you really did that? You spread rumors about Mianmian being... Song Ke, how could you go so overboard? Do you know how much those rumors will affect Mianmian?"

"You're also a girl. Why would you do such a vicious thing?"

"Does Mianmian have anything against you?"

"What? Song Ke was the one who spread rumors about Mianmian?" Zhan Bo looked at Song Ke in shock.

"Song Ke, was it really you? Why did you do that?"

Everyone looked at Song Ke.

Song Ke saw the disdain in Shen Fei's eyes, as well as the dissatisfaction and anger in Zhan Bo's eyes. Some looked at her with surprise and disdain.

She bit her lip.

"I know I was wrong," she cried. "I know I was wrong now. I will never do this again. Please give me another chance. I will never do this again."

She was admitting it.

"Song Ke, how could you do such a thing?" Han Yan frowned at her. "You're too much. What's the use of apologizing to us? You should apologize to Qiao Mianmian. She's the one you hurt, not us."

"I'll apologize to her." Song Ke hurriedly nodded. "But can you help me talk to Qiao Mianmian and ask for her forgiveness? I don't want to leave, I can't bear to leave everyone. Please help me ask Qiao Mianmian for forgiveness."

"Ask her to forgive you?" Han Yan was stunned.

"Yes, put in a good word for me. As long as everyone is willing to help me, Qiao Mianmian will definitely forgive me."

"This..." Han Yan didn't dare to act on his own. He turned to look at Shen Fei.

Song Ke also looked at Shen Fei with pleading eyes. "Sister Fei, can you help me? I really know I was wrong. It was just on the spur of the moment, but I regretted it immediately after. Don't all mistakes have a chance to be corrected? Can you give me another chance?"

Shen Fei was silent for a while before rejecting her outright. "I'm sorry, Song Ke, but I can't agree to your request. What you did has indeed hurt and affected Mianmian. Unless Mianmian is willing to forgive you, the rest of us are not qualified to plead for you."

“Sister Fei is right. We can’t agree to your request.” Zhan Bo nodded in agreement.

“Song Ke, you should go apologize to Mianmian yourself.” Su Mufei looked at her sweet face and felt terrified.

Who would have thought that Song Ke was behind that?

Song Ke was stunned and looked at them in disbelief.

Her tears were still hanging in the corner of her eyes. “Sister Fei, I...”

“Alright, you don’t have to say anymore.” Shen Fei didn’t fall for her pitiful act. Her attitude was cold and distant as she said, “I will not plead for you. This has nothing to do with me, so you don’t have to look for me anymore.”

With that, Shen Fei turned around and left.

“I’m sorry, we can’t help you with this.” After Shen Fei left, the others also expressed that they couldn’t help and left one after another.

Song Ke watched them leave one by one with a pale face.

She didn’t expect them to be so heartless.

No one was willing to help her.

Chapter 1902: Song Ke, I Think You’re Really Crazy

She thought that as long as a few people were willing to speak up for her, she could plead with Qiao Mianmian and perhaps stay.

Her face was pale as she stood rooted to the ground. Seeing that Little Xiao and Qiao Anxin had not left, she turned around and grabbed Little Xiao’s hand tightly.

It was like she was grabbing onto a life-saving straw.

“Little Xiao, help me.” The two usually had a good relationship. No matter what, Little Xiao would definitely help her.

Unexpectedly, Little Xiao frowned and took her hand back.

Song Ke looked at her in shock.

Little Xiao took half a step back and kept a distance from her. She said very distantly, “Song Ke, I can’t help you with this matter. Sister Fei is right. This is between you and Qiao Mianmian. The rest of us can’t interfere.”

“I think you should go and apologize to Qiao Mianmian. Maybe she’ll forgive you.”

Little Xiao wasn’t stupid.

She wouldn’t help Song Ke at this time.

Song Ke must have been removed because Qiao Mianmian had found out that she was the one behind it.

Song Ke might even be banned.

If she went to plead for Song Ke at this time, she would be the next one to leave if she was implicated.

Besides, she and Song Ke were just fake sisters.

Hence, when something happened to Song Ke, she only wanted to draw the line between them.

"I still have to go back to my room to pack my luggage. See you in the future." Little Xiao turned around and left.

Seeing how realistic she was, Song Ke was furious. "Little Xiao, you scheming b*tch. If you didn't drive a wedge between us, I wouldn't have such a big opinion of Qiao Mianmian. I can finally see that you used me to deal with Qiao Mianmian.

"Do you think your ending will be any better now that you're kicking me while I'm down? I'll get someone to post those words on Weibo. It was you who taught me how to do it. You're the one who asked me to do it. Do you want to pretend that you've not done anything? Dream on!"

Song Ke finally realized that Little Xiao was using her.

She thought that if she couldn't stay, she wouldn't let Little Xiao stay either.

If she was going to die, she'd drag her down with her.

Little Xiao's face suddenly changed. She stopped in her tracks and angrily said, "Song Ke, what nonsense are you talking about? How can you be like this? Don't randomly put the blame on me. I think you must be crazy to catch someone and bite them."

"Little Xiao, if I'm replaced, you can forget about staying." Song Ke gritted his teeth and said, "After you used me, you want me to pretend that nothing happened? No way!"

Little Xiao was also exasperated. "Song Ke, I think you're really crazy."

Qiao Anxin saw them fighting and smiled. She was about to leave when she saw Qiao Mianmian and Mo Yesi walk in.

Qiao Anxin bit her lip.

At this moment, Song Ke also saw them.

Her gaze first landed on Mo Yesi, then on Qiao Mianmian.

She hesitated for a few seconds before rushing over.

Before she could reach Qiao Mianmian, Mo Yesi blocked her way. Song Ke had just run over when Mo Yesi kicked her away.

She was kicked back a few steps.

After stabilizing herself, she looked at the man who had infatuated her just now with a frightened expression. When she met the man's sharp eyes, her infatuation was instantly cured, and a fearful expression appeared on her face.

Chapter 1903: Are You Actually Standing Up For Such a Woman?

Qiao Mianmian walked out from behind Mo Yesi.

She frowned when she saw Song Ke and Qiao Anxin.

Mo Yesi tilted his head and looked down at her. He wrapped one arm protectively around her waist.

This scene made Qiao Anxin even more jealous.

"Qiao Mianmian." Song Ke came back to her senses and wanted to rush towards her again.

But when she thought about how Mo Yesi had kicked her just now, she stood rooted to the ground in fear.

"Qiao Mianmian, can we talk?" she asked humbly.

"I have nothing to talk to you about." Of course, Qiao Mianmian knew what Song Ke wanted to talk to her about. She already knew that she had been removed from the show.

She had no intention of forgiving her.

No matter what Song Ke wanted to talk to her about, she was not interested.

Song Ke's expression stiffened. She bit her lip and suppressed her humiliation. "Qiao Mianmian, I wanted to apologize to you. I got someone to spread rumors of you on Weibo. I don't like it when you steal my limelight. I don't like people looking at you. I hate it when you're more popular than me.

"I figured if I ruined your reputation and made people think you weren't clean, they'd stop liking you.

"I'm sorry. It's all because of jealousy that I acted on impulse and hurt you. Now that I know I did something wrong, I regret doing it. Please forgive me. I won't do it again.

"I'm sorry. I'm really sorry.

"Please give me a chance to change. As long as you can forgive me, I'm willing to do anything."

Song Ke cried as she spoke as if she had realized her mistake. Her attitude of admitting her wrong was very sincere.

But Qiao Mianmian wouldn't fall for it.

She looked at Song Ke expressionlessly and said indifferently, "If an apology was useful, why do we need the police? Sorry, I don't accept your apology.

"I won't forgive you, either."

Song Ke was stunned.

She probably didn't expect Qiao Mianmian to reject her apology.

She thought that she had lowered herself enough.

Her apologetic attitude was already good enough.

She had begged her so humbly but was still rejected!

Qiao Mianmian ignored her and said to Mo Yesi, "Let's go."

Mo Yesi nodded and walked past Song Ke with an arm around Qiao Mianmian.

Song Ke saw that her hopes of staying had been dashed, and when she thought about how everything that had happened to her now was all because of Qiao Mianmian, new and old grudges welled up inside her. She was furious.

She said hatefully, "Mr. Mo, do you know what kind of person the woman you're hugging is? When you weren't around, she was having as much fun as she could with the men in the production team. The men were all seduced by her. Do you still want to treat such a casual woman as a treasure?"

"She might have cheated on you long ago. Do you still want to stand up for such a woman?"

After knowing Mo Yesi's true identity, Song Ke was even more jealous of Qiao Mianmian.

Why was she not so lucky?

He was the CEO of the Mo Corporation.

Song Ke knew that Qiao Mianmian would never forgive her, so she didn't intend to continue begging her.

But she wouldn't leave just like that.

If she didn't live well, Qiao Mianmian wouldn't live well either.

Chapter 1904: I'll Give You Half an Hour

Wasn't it just because she had a powerful sugar daddy?

If her sugar daddy felt that she was a restless woman, would he still continue to protect her?

Song Ke saw Mo Yesi's expression change.

Delighted, she thought that he had believed her. "Mr. Mo, I'm telling the truth. When you weren't around, Qiao Mianmian really went around seducing men. She..."

However, before she could finish her sentence, someone kicked her leg.

A piercing pain caused her to scream uncontrollably. She was in so much pain that she could not stand up. She held her knee and squatted down with a twisted expression.

Above her head, the man's eyes were as cold as ice. He looked at Song Ke and said coldly, "If you dare to slander her again, I'll make you speechless forever."

It was clearly a threat. Song Ke trembled with fear. She couldn't help but shiver.

If someone else said that, it might just be an empty threat.

But Mo Yesi...

Song Ke wouldn't think that he was just casually threatening her.

The place where she was kicked on the knee swelled up immediately. She was in so much pain that her face turned pale and a cold sweat broke out on her forehead.

She looked up with a pained expression. When she met the man's cold eyes, she couldn't help but shiver.

She was no longer infatuated with Mo Yesi.

There was nothing but fear in her widened eyes.

Mo Yesi was really charming when he wanted to.

But when he was ruthless, people panicked.

Song Ke looked at him with fear in her eyes, not daring to say another word.

However, her eyes were still unwilling.

Hearing the commotion, a staff member immediately ran over.

They were stunned when they saw Song Ke on the ground with her hands on her knee. They looked at Mo Yesi and Qiao Mianmian. "Mr. Mo, Miss Qiao, what happened?"

The staff member didn't know Mo Yesi's real identity.

However, seeing how respectful Zhao Yuan and the producer were around him, their attitude naturally became more respectful.

Mo Yesi looked at Song Ke as if he was looking at an ant and said indifferently, "I'll give you half an hour. After half an hour, I don't want to see this woman again."

With that, he left with Qiao Mianmian.

The staff member was stunned for a moment. When they realized that he was referring to Song Ke, they immediately said to Song Ke, "Miss Song, you heard Mr. Mo's request just now. Please move quickly and leave the premises."

Song Ke's leg was still hurting, and the staff member's merciless expulsion made her furious. She couldn't help but shout, "What do you mean? Why are you urging me to leave?"

The staff member looked at her helplessly and shrugged. "Miss Song, it's not that we want you to leave. It's Mr. Mo's idea. Mr. Mo is the biggest investor for this episode. Even the director has to listen to him. I'm just trying to convey his intentions to you.

"Miss Song, you'd better do as Mr. Mo says. Otherwise, you'll be the one suffering."

It was said that Song Ke was removed because of Mr. Mo.

Furthermore, the production team had been informed to change locations for the filming. It was said that it was also Mr. Mo's idea.

From this, it could be seen that the other party was definitely someone powerful.

Chapter 1905: Who Allowed You to Touch My Things?

For a small artiste like Song Ke, if she didn't know what was good for her, it wouldn't be as simple as just removing her spot on a variety show.

After the staff member finished speaking, he ignored her and left.

Little Xiao and Qiao Anxin had yet to leave when they witnessed the scene of Mo Yesi kicking Song Ke. Both of their expressions turned ugly.

They were a little shocked.

"Song Ke, I think you'd better hurry up and pack up." Little Xiao looked down at her as if trying to persuade her. As if it was for her own good. "That person was right just now. You'd better do as Mr. Mo says, or else you'll be the one suffering."

"Little Xiao, don't f*cking gloat." Song Ke gritted her teeth and glared at her. "Even if I'm unlucky, do you think you'll be any better? And you, too, Qiao Anxin. I can tell what you're thinking. Do you think Qiao Mianmian can't?"

"You lust after her man. Do you think she'll make it easy for you?"

"Just you wait. It's your turn next."

"Is that so?" Regarding her words, Little Xiao indifferently curled her lips. "I'm not as stupid as some people. If you have time to worry about others, you should worry more about your own matters."

After saying that, she left.

After Little Xiao left, Qiao Anxin squatted down and looked at Song Ke lying on the ground in pain. She smiled and reached out a hand.

Song Ke was stunned and looked at her in shock.

Qiao Anxin remained silent.

Song Ke looked at her suspiciously. After hesitating for a few seconds, she reached out.

Qiao Anxin helped her up.

Halfway through, she suddenly let go.

Song Ke fell to the ground again.

Furious, she raised her head and roared, "Qiao Anxin, you..."

Qiao Anxin stood and looked down at her. She smiled coldly and said, "Song Ke, I just want you to get used to the feeling of falling on the ground. Anyway, you're going to fall even harder than this.

"I don't know if I'll have a good life in the future, but I know that you definitely won't have a good one. Do you still want to continue in the entertainment industry? Hehe, keep dreaming."

Qiao Anxin left soon after.

Song Ke was lying on the ground with a pale face. Her knee hurt so much that she couldn't even stand up. In the end, a staff member helped her up.

Song Ke had just returned to her room when she saw two staff members inside. They were packing up her things.

They were almost done packing.

"What are you doing?" Song Ke was so angry that her face turned green.

"Miss Song, we're helping you pack your luggage. We're almost done. Miss Song, come and check if we missed anything. If not, we'll send you off immediately."

"How can you do this?" Song Ke trembled with anger. "Who allowed you to touch my things?"

The two staff members looked at each other and said, "We saw Miss Song fall and couldn't move properly, so we helped you clean up."

Song Ke was speechless.

How could she not know that they were anxious for her to leave?

Everything was because of that man called Mo Yesi.

No one dared to ignore his words.

Chapter 1906: Apologizing on Weibo

"Miss Song, if there's no problem with your luggage, we'll send you off now," the staff member urged again.

This was no different from chasing her away.

It was just a euphemism.

No matter how angry Song Ke was and how much she didn't want to leave, the outcome was not up to her.

...

Song Ke didn't know that it was not a big deal for her to be removed from the variety show.

Not long after she left, the news of her spreading rumors about Qiao Mianmian on Weibo was exposed.

This time, the person who leaked the news was really someone from the production team.

When this piece of news was released, it caused a sensation on Weibo.

Although Song Ke couldn't be said to be very popular, she was still a B-list celebrity. Furthermore, she had become popular through her pure and adorable ways.

Many people were surprised to hear such news.

“No way, Song Ke did it? She doesn’t look like that kind of person. Is this really true?”

“I remember that a lot of people stood up for Qiao Mianmian. Song Ke was the last one, and she only posted on Weibo after a long time. I thought that was a little strange.”

“I didn’t expect this follow-up. Song Ke looks like an innocent and cute girl. If she really did this, then you really can’t judge a person by their appearance.”

“Where did this anti-fan come from to slander our Keke like this? Just a random Weibo post can prove that this is real? Then, I’ll say that I’m dating Zhan Bo now. Does anyone believe me?”

“That’s right. Nowadays, people don’t care about evidence. Do they only rely on their mouth to expose something? How can people believe that? They are obviously trying to defame our Keke.”

“Carry Keke away, Keke won’t be able to date her. Qiao Mianmian is just a D-list actress, what’s there for Keke to spread rumors about her? Someone’s trying to take advantage of this opportunity to defame her. Keke, don’t fall for it.”

Song Ke’s fans had very intense reactions. They crazily scolded the person who leaked the news.

On the other side, Song Ke was sitting on the production team’s bus. After a while, she received a call.

It was her manager.

He wanted her to immediately post an apology on Weibo.

How could Song Ke be willing? Her face was ashen as she said, “What? You want me to apologize to her on Weibo?! Impossible, I won’t do that.”

Once she posted on Weibo, everyone would know that she had spread rumors about Qiao Mianmian.

Then, the persona she created for so many years would collapse.

It was unknown what the other party said, but Song Ke’s expression immediately turned ugly.

After a while, she bit her lip and hung up.

As the Weibo discussion was about Song Ke’s revelation, someone noticed that Song Ke had posted on Weibo.

And it was even an apology post.

Song Ke: “I solemnly apologize to Qiao Mianmian. Due to some conflicts, I got someone to post on Weibo to create rumors. This matter has greatly affected Qiao Mianmian’s reputation. Even though I’ve already refuted the rumors, the damage to her reputation is still there. I’m deeply ashamed of my despicable actions. I apologize to Qiao Mianmian again. I’ll seriously reflect on my actions. I’m sorry, I’m really sorry.”

After Song Ke’s Weibo was posted, it quickly became a trending topic.

When her fans who had criticized the netizens in the comments section saying that the leak was a rumor saw her post, they instantly became mute.

Chapter 1907: A Benefit For His Wife

Song Ke had personally apologized, so how could they continue saying that the leak was a rumor?

The passers-by were shocked.

The fans were also very shocked.

They couldn't believe that their idol was such a person.

"It really was Song Ke. This is too much."

"What feud? Why are you spreading rumors about a girl?"

"I can't believe that the usually kind and beautiful little fairy would do such a despicable and vicious thing."

"The industry is so messy."

"From this moment onwards, I announce that I'm no longer a fan of Song Ke. My idol might not necessarily be an outstanding person, but the most basic form of kindness is necessary."

"I also announce that I'm leaving the fan club. She has really disappointed us."

Not long after Song Ke posted on Weibo, the official Weibo account of The Meaning of Traveling also posted.

The content of the post was to announce that Song Ke would be replaced by a female artiste named Xu Lu. Her status was about the same as Song Ke's, and they were both B-list celebrities.

After this official Weibo post, another round of discussion started.

"Is Song Ke going to die?"

"I don't know if it's cool or not, but I'm sure the persona will collapse anyway."

"Even if she's done for, she's just reaping what she sowed. It's best if this kind of dishonest artiste is banned. If she continues to stay in the entertainment industry, wouldn't she become a tumor?"

Several Weibo posts related to Song Ke were posted consecutively, and her Weibo followers kept decreasing rapidly.

In just ten minutes, she had lost hundreds of thousands of fans.

And the number continued to decrease.

However, this was not the worst for Song Ke.

Because there was still a huge pile of advertisement contracts waiting for her.

She had created a scandal during the signing of the contract and affected the image of the relevant brands. A huge sum of money was waiting for her to pay for the breach of contract.

...

Later, Qiao Mianmian found out that she had to fly to another city to film.

She asked Mo Yesi, "I heard Sister Shen and the rest say that they're going to Weihai to film tomorrow. Mo Yesi, is this related to you? Did you suggest that we change locations?"

"Mm." Mo Yesi didn't hide it from her and admitted with a nod. "I was the one who suggested it. It's not safe here, and the conditions are so bad. I agreed to let you continue filming this show, but I didn't say that you should stay here."

"We can continue filming, but I'll choose the location."

Qiao Mianmian was speechless.

"So you chose the sea? Are they okay with that?"

"I don't know if they have any objections. I don't care, either."

"..."

Okay.

Qiao Mianmian wasn't a hardworking person, so she had no objections if they could go somewhere better.

And she had just found out that Mo Yesi had invested a lot of money into this episode.

As the biggest sponsor, he naturally enjoyed some privileges.

For example, getting benefits for his wife.

"Pack your things," Mo Yesi said as he took out her suitcase.

Qiao Mianmian was stunned. "Pack up? Aren't we leaving tomorrow? Isn't it too early to start packing?"

Mo Yesi turned to look at her and squatted down to open the suitcase. "I've booked a hotel, we won't be staying here tonight. We'll leave after packing up."

As a clean freak, Mo Yesi felt uncomfortable staying here for even a second longer.

If not for Qiao Mianmian, he would never come to such a place.

He never intended to stay in such a place for the night.

Chapter 1908: Slapped in the Face

"Not here?" Qiao Mianmian was stunned again.

"Mm, I don't want to sleep here." Mo Yesi opened the suitcase and was already helping her pack. "We'll go to Ning City. It'll be convenient for you to go to the airport tomorrow."

"But can we do this? Should we apply for leave from the production team?"

"Of course you can do that. I'm now the biggest sponsor of your variety show. Everything I say works."

Qiao Mianmian was speechless.

Alright, although his words were a little arrogant, he was indeed the biggest sponsor now.

Who would dare to disobey him?

Mo Yesi was quick, and Qiao Mianmian didn't bring much luggage with her. In half an hour, she was done packing.

Mo Yesi dragged the luggage with one hand and held Qiao Mianmian's hand with the other.

After coming out, he bumped into Zhan Bo, Su Mufei, and the others.

Usually, they would greet Qiao Mianmian immediately.

But this time, the two of them just stood where they were and had no intention of going forward to greet her.

It wasn't that they didn't want to greet her.

But when they were about to, they were stopped by a cold and unfriendly gaze.

The man's eyes seemed to be saying, "Do not approach us."

His body was also filled with the same cold aura.

Although he didn't say anything, just his eyes were enough to make people feel pressured.

It was probably a kind of powerful aura that a person who had been in a high position for a long time would naturally possess. Ordinary people would involuntarily feel fear upon seeing it.

Mo Yesi led Qiao Mianmian away before they started discussing softly.

"Is that Qiao Mianmian's boyfriend? He doesn't seem like a good-tempered person."

"I heard he's a young master from a wealthy family. It's normal for him to have a temper."

"Don't you guys feel that her boyfriend seems to be a little hostile toward us? That look just now was really scary. But honestly, he's quite handsome. I thought he was a rich man with ordinary looks, but I didn't expect him to be so good-looking."

The others agreed with this point.

Qiao Mianmian's boyfriend was indeed good-looking.

As men, they all thought that her boyfriend was quite good-looking.

Behind them.

A few women from the staff were also discussing softly.

"Wow, Qiao Mianmian's boyfriend is so handsome and has such a good figure. He's also very charismatic."

"Qiao Mianmian is also very beautiful. She and her boyfriend are really a combination made in heaven. Her boyfriend is like a clear stream among the rich second-generation heirs. Finally, not a combination of beauty and a beast."

“Her boyfriend treats her very well. I feel like he has been holding her hand the whole time. He even helped her carry her luggage.”

“Shouldn’t a boyfriend help his girlfriend carry her luggage?”

“I just think that her boyfriend is willing to do this because he likes her a lot. When Han Jiajia went out with her husband, he didn’t help her carry her luggage. In comparison, I think Qiao Mianmian’s boyfriend is really good to her.”

“If he’s not good to her, why would he come all the way here to see her? To be honest, I’m so envious of Qiao Mianmian. Her boyfriend is handsome, rich, and treats her so well. But I can’t be envious. We’re not as good-looking as her.”

“I heard that when her boyfriend first came over today, Qiao Anxin even tried to curry favor with him. But now that she’s been slapped in the face, it’s quite funny.”

Chapter 1909: Mo Shixiu, Aren’t You Too Exaggerated?

“Wasn’t Qiao Mianmian’s ex-boyfriend snatched away by her? Now that the Su family is in dire straits and she’s broken up with Young Master Su, is she trying to use the same trick again? It’s a good thing that he doesn’t like her, so it’s useless even if she has the intention.”

“Of course not. Although they’re sisters, their looks are too different. If I were a man, I’d choose Qiao Mianmian too. Qiao Anxin isn’t ugly, but she’s far from Qiao Mianmian.”

Qiao Anxin heard everything.

She stood at the door with an ugly expression, her gaze following Qiao Mianmian and Mo Yesi as they walked out of the courtyard house. Her fingers tightened on the door frame.

...

Yun Cheng.

Later, Mo Shixiu brought Jiang Luoli back to the Mo Residence.

Before he went back, he called the Old Madam but didn’t say anything. He only said that he wanted to have dinner with Jiang Luoli.

Old Madam was naturally very happy and got someone to help her get up early.

Jiang Luoli had been pregnant for less than two months, so it didn’t show at all.

But Mo Shixiu was still very nervous about her.

She was no longer allowed to wear tight clothes, and she could only wear flat shoes.

On the way there, he repeatedly instructed the chauffeur to drive slowly. As a result, the originally hour-long journey took an hour and a half without traffic jams.

After Mo Shixiu got out of the car, he waited at the side.

Jiang Luoli extended her hand to him, and he immediately held it tightly.

As soon as her feet touched the ground, Mo Shixiu's arm wrapped around her waist tightly. She could hear his gentle voice. "Be careful. Slow down."

The corner of Jiang Luoli's mouth twitched. She turned to look at him. "Mo Shixiu, aren't you exaggerating? Don't be so nervous, okay? You'll make me nervous as well."

Initially, she didn't think much of pregnancy.

She felt that her pregnancy was no different from usual.

However, ever since Mo Shixiu found out that she was pregnant, he had been very nervous.

He didn't allow her to do anything.

It made Jiang Luoli feel like she had become useless.

"Luoli, you're pregnant now. Of course I'm nervous. Do you know that pregnant women are considered high-risk people, especially in the first few months? You have to be careful." As Mo Shixiu spoke, the arm around her waist tightened.

He held her even tighter.

Jiang Luoli: "..."

How did she not know that pregnant women were dangerous?

"Young Master, Miss Jiang, you're back." Uncle Zhang came out to welcome them. When he saw them, he smiled and said, "Old Madam is waiting for you in the hall."

"Uncle Zhang, call her Young Madam from now on."

Mo Shixiu's words stunned Uncle Zhang.

After a few seconds, Uncle Zhang looked surprised and happy. "Congratulations, Young Master. Congratulations, Young Madam. Young Master, does Old Madam know about this?"

"I haven't told Grandma yet." Mo Shixiu smiled. "I'll tell her when we meet later."

"The Old Lady will be very happy to know."

Mo Shixiu nodded and walked forward with Jiang Luoli in his arms. He asked again, "Are Mom and Dad home?"

"Madam and Old Master are both at home," Uncle Zhang replied.

"Really?"

Mo Shixiu frowned slightly and said nothing more.

Chapter 1910: She Didn't Plan on Suffering

When Jiang Luoli heard that Madam Mo was there, her eyes flickered.

Madam Mo strongly opposed her relationship with Mo Shixiu.

But now, not only was she married to Mo Shixiu, but she was also pregnant.

He wondered how Madam Mo would react.

As if guessing what she was thinking, Mo Shixiu turned his head and whispered in her ear, "Luoli, don't worry. I will always be by your side. If you feel uncomfortable staying here, we will leave whenever you want to."

Jiang Luoli looked up at him. After a moment, she nodded. "Yes."

With Mo Shixiu's words, she felt much more relaxed.

If something really made her uncomfortable, she would leave earlier.

...

"Old Madam, Madam, Old Master. Young Master and Young Madam are back."

Uncle Zhang walked into the hall and spoke to the people there.

Jiang Luoli followed Mo Shixiu and saw Old Madam and Madam Mo sitting in the hall.

A man in his forties was also present. He was handsome and refined, and his aura was extraordinary.

The man was sitting with Madam Mo.

Jiang Luoli took a look and knew that this man was definitely her father-in-law.

He looked quite young, so young that Jiang Luoli felt that many girls her age would like him.

He was mature, steady, charming, good-looking, and rich.

This kind of rich and handsome uncle was very attractive to girls her age.

From the looks of it, this father-in-law of hers seemed like an easy person to get along with. He didn't seem as overbearing as Madam Mo.

Old Madam immediately noticed the change in Uncle Zhang's address.

She looked at Jiang Luoli and then at Mo Shixiu. "Shixiu, you and Luoli are... you..."

"Grandma." Mo Shixiu walked forward with Jiang Luoli in his arms. He turned his head and looked at Jiang Luoli with a gentle gaze. He smiled gently and said, "Luoli and I are married. I brought her back today to tell you this."

The old lady had already guessed it.

However, she was still very happy to hear that.

"Then, this is really a happy occasion. It's just that you didn't tell me earlier so that I could prepare a gift for Luoli. Now that you've said it, I can't even think of what to give her."

"No hurry, Grandma." Mo Shixiu smiled again. "You can prepare the gifts slowly. Luoli won't mind."

“Yes, Grandma, you don’t have to give me any gifts.” Jiang Luoli smiled sweetly at the old lady. “With Grandma’s blessings, it’s enough. This is better than any gift.”

Like Qiao Mianmian, Jiang Luoli had a sweet tongue.

They were good at making people happy.

She managed to coax the old lady into a happy mood with just a few words. The old lady smiled and said, “How can that do? Even if you don’t mind, I do. Even if I mistreat anyone, I can’t mistreat my granddaughter-in-law.

“A gift must be prepared. I think I will prepare it according to Mianmian’s specifications. Uncle Zhang, I’ll leave this matter to you. You have to get it done quickly.”

“Yes, Old Madam.”

Jiang Luoli did not decline.

She had heard from Qiao Mianmian before that the Mo family had such rules.
