

Big Shot 1951

Chapter 1951: Baby, Welcome Home

“Is it true that you two are back together?”

Qiao Mianmian looked at the reporters and calmly replied, “There’s no rekindling of an old flame, it was just a chance encounter. He and I will never get back together. The news on Weibo isn’t true, I hope everyone won’t believe the rumors.”

However, the reporters were clearly not satisfied with this answer.

They continued to ask, “Was it just a chance encounter? But isn’t this too much of a coincidence? The person who leaked the news said that you guys acted intimate. Because she was afraid that you guys would find out, she didn’t dare to continue taking photos. What do you have to say about this?”

The reporter’s question was a little aggressive.

Qiao Mianmian took a deep breath to calm herself down. “Only a coincidence. If anything you say can be used as evidence, does that mean that all the scandals in the entertainment industry don’t need proof anymore? You reporters can just fabricate some news and release it, and you don’t have to pursue the truth anymore?”

Her question rendered the reporters speechless.

“Besides.” Qiao Mianmian smiled and continued casually, “Everyone knows that I have a boyfriend. My boyfriend is handsome, rich, gentle, and considerate. He’s a hundred times better than my scumbag ex-boyfriend. Do you think I’m blind to be interested in a piece of rock instead of a gemstone?”

Rock?

The reporters looked at each other in shock.

After all, they felt that as public figures, even if they really thought that way, very few people would say it out loud.

To say that her ex was a lousy rock.

When Qiao Mianmian mentioned Su Ze, she didn’t hide the disgust in her eyes at all and was captured by the reporters.

Even the reporters could tell that she really hated Su Ze.

Under such circumstances, reconciliation was naturally impossible.

Therefore, it was impossible for the “rekindle of old flame” to be real.

“Sorry, my boyfriend is still waiting for me. Please make way, I don’t want him to wait too long.”

After answering the reporter’s question, Qiao Mianmian took a few steps forward and saw a familiar figure standing not far away.

The man had outstanding looks and charisma. Standing in the crowded hall, he was like a beautiful scenery, making people notice him immediately.

Every girl passing by would glance at him.

When Qiao Mianmian saw Mo Yesi, he seemed to sense something and looked up.

Their eyes met, and, after a few seconds, Qiao Mianmian saw him walking towards her.

She smirked and walked towards him.

Qiao Mianmian had just walked over when the man grabbed her waist and pulled her into his embrace.

His domineering and clear breath entered her nose.

Qiao Mianmian's heart instantly calmed down when she smelled his familiar scent.

She leaned into the man's embrace and closed her eyes to rest her head on his chest. Listening to his strong heartbeat, she felt as if everything in the outside world was blocked out. At this moment, she could only see and feel him.

Mo Yesi hugged her and kissed the top of her head. "Baby, welcome home."

Chapter 1952: Don't You Have Anything to Ask Me?

When the reporters behind Qiao Mianmian saw this, they quickly started taking photos.

After seeing Mo Yesi in person and seeing the scene of the two of them hugging, the reporters were convinced that someone was deliberately spreading rumors on Weibo.

Because the difference between Su Ze and Mo Yesi was too great.

The disparity was so great that it was simply incomparable.

Mo Yesi was very handsome and charismatic. He was even more outstanding than the photos that were previously exposed.

Su Ze was nothing compared to him.

Indeed, if she dated such a handsome and rich boyfriend, as long as the woman wasn't stupid, it was impossible for her to reconcile with her ex.

And anyone could tell that Qiao Mianmian was very close to her boyfriend.

...

They left the airport.

After getting into the car, Mo Yesi did the same as before. He leaned over to fasten Qiao Mianmian's seatbelt and patted her head. "Are you tired? If you feel sleepy, you can sleep in the car for a while."

Qiao Mianmian woke up early today.

The gathering last night lasted until very late, so she was a little sleepy now.

However, she still had something on her mind and did not want to sleep.

After Mo Yesi said that, he looked down at her and was stunned for a moment. He smiled dotingly. "What's wrong? Why are you looking at me like that? Don't you know your husband?"

Qiao Mianmian looked at him. "Mo Yesi, don't you have anything to ask me?"

Mo Yesi raised his brows. "Hm? What do you want me to ask you?"

Qiao Mianmian felt that Mo Yesi should have seen the scandal between her and Su Ze.

But he said nothing.

He had no intention of asking her about it.

As if he knew nothing.

Qiao Mianmian felt that with Mo Yesi's character, he wouldn't be able to keep his cool if he really saw that scandal.

He had always minded Su Ze.

Otherwise, he wouldn't have sent him to Country F.

He was so calm. Did he really not see it?

"Mo Yesi, didn't you see the news?"

"What news?"

"About Su Ze and me." Qiao Mianmian simply said it herself. "Last night, our production team went to a hotel for a meal and I met Su Ze there. I spoke to him and was photographed."

Qiao Mianmian spoke frankly.

There was nothing between her and Su Ze, and she didn't need to hide anything.

She told Mo Yesi everything that happened last night.

After that, she looked at his expression and pretended to be angry. "What do you think is wrong with those reporters? Is there something wrong with their eyes? My husband is so handsome, rich, gentle, and considerate. He's an exceptional man that's extremely hard to find. I saved the galaxy in my past life to finally meet such an exceptional man. If I don't cherish such an exceptional treasure, would I reconcile with a jerk who hurt and betrayed me?"

"It's not like I have a screw loose in my head. I don't enjoy recycling trash."

Even if Qiao Mianmian was open about it and wasn't afraid that someone would spread rumors about her, she still felt that Mo Yesi wouldn't believe them easily.

But she knew that with his personality, even if he knew that nothing was going on between her and Su Ze, he would definitely feel uncomfortable seeing that piece of news.

So, she had to say something nice to coax this petty man.

Mo Yesi was easy to coax. As long as she acted coquettishly and said something nice, he would be fine.

Chapter 1953: Mo Yesi Still Has Such Confidence

As expected, when she said that, a smile appeared on the man's handsome face.

He was obviously pleased by her words.

Qiao Mianmian pressed on and kissed him on the cheek. "Hubby, you're the best man in the world. After marrying you, I won't fancy any other man.

"I'm not blind. Even if I really want to cheat on you, I should at least find someone similar or better than you, right? But how can there be someone better than you in this world? Don't you think so?"

She then blinked and looked at him affectionately.

Mo Yesi frowned when he heard the word "cheating", but after she finished speaking, his expression darkened.

Her face brightened immediately.

"I didn't suspect you." He patted Qiao Mianmian's head and said gently, "I saw what you said on the way here. Don't worry, I didn't believe a word they said."

Qiao Mianmian was stunned. "You've seen it?"

"Yeah."

"You really didn't suspect anything?"

"Heh." The man chuckled and said in a contemptuous tone, "How can a woman who has been loved by a lion take a fancy to a wild dog? Su Ze has never been a threat to me."

Mo Yesi was confident.

Su Ze was no longer a threat to him.

Qiao Mianmian would never fall for Su Ze after following him.

Qiao Mianmian was speechless.

Su Ze was never a threat to him?

Who was the man who used to mind Su Ze so much and get jealous over him?

Qiao Mianmian couldn't be bothered to expose him, as long as he believed that there was nothing between her and Su Ze.

Nothing else mattered.

"But we still have to investigate this matter properly." Mo Yesi narrowed his eyes and said coldly, "We have to find out who secretly took your photo."

Qiao Mianmian didn't retort.

She also wanted to know who had secretly taken those photos and sent them to the media.

This matter was not difficult to investigate.

She had even guessed who it might be.

The person who took the photo was also at the hotel last night. Since they secretly took a photo of her and Su Ze, they must have known about her relationship with him.

Last night, after Qiao Mianmian returned to the room, she remembered that Qiao Anxin wasn't there.

Not long after she returned to the private room, Qiao Anxin returned.

All sorts of analyses were put together, and the answer was obvious.

But since Mo Yesi said he wanted to investigate, she would let him.

Although the matter between her and Su Ze was false, Qiao Mianmian still felt that she should clarify things when she saw that the trending topic was getting more and more heated.

Otherwise, this matter would only become more and more ridiculous.

After pondering for a moment, she posted on Weibo.

Qiao Mianmian V: "There's no such thing as a 'rekindle of old flame'. It's just a rumor. Please delete all the untrue comments on the post about this rumor. Otherwise, I'll file a lawsuit."

Qiao Mianmian posted on Weibo, and her fans replied excitedly.

"Mianmian, you're finally willing to clarify things. We knew that you wouldn't get back together with Scumbag Su."

"Supporting Sister Mianmian to use legal weapons to protect her rights."

"Sister Mianmian, although I like you a lot, if you get back together with Scumbag Su, I won't like you anymore."

Chapter 1954: Did You Already Guess It Was Her?

"They're becoming crazier and crazier. Do they think they can't find anything to defame our Mianmian? Are they starting to make up things without caring about anything else?"

"Sister Mianmian, you must get along well with your boyfriend. I went to the airport to see you today. You were especially beautiful and nice to your fans. I want to be your fan for the rest of my life."

In the past, if there were rumors about female celebrities, many of them would say the same thing as Qiao Mianmian.

That they would file a lawsuit or something.

But not many news blogs would take it seriously.

But not long after Qiao Mianmian posted on Weibo, the netizens realized that many news agencies had deleted her post.

Some news agencies not only deleted the news but also sent her a formal apology letter.

The netizens became excited.

“Qiao Mianmian is indeed different. The moment she made that statement, all the news agencies immediately deleted it. This is the first time I’ve seen a news agency so afraid of a female artist.”

“She’s already sued a few media outlets before and won against all of them. Those media outlets are all gone now. I guess these news outlets are afraid that they’ll be the same as them. After all, Qiao Mianmian doesn’t just talk. She has a very capable boyfriend.”

“Supporting normal rights. To be honest, these news agencies have no bottom line in order to attract attention. They only rely on a photo to spread rumors. There’s no truth to speak of at all. It’s good that Qiao Mianmian is punishing them.”

“That piece of news was too fake. It was just the two of them standing together and talking, and it was said that they had rekindled their old flame. Qiao Mianmian’s current boyfriend crushes her ex in all aspects. It’s not like she has a brain problem, why would she reconcile with her ex?”

With Qiao Mianmian’s statement, the news outlet deleted the Weibo post. Coupled with the photo of Qiao Mianmian and Mo Yesi hugging at the airport, not many people believed the news of her and Su Ze “rekindling their old flame”.

As long as she wasn’t blind, the netizens felt that Qiao Mianmian wouldn’t abandon a super handsome man like Mo Yesi and get back together with Su Ze.

They were just photos.

The difference between Su Ze and Mo Yesi was like heaven and earth.

Su Ze looked like he wasn’t even qualified to carry Mo Yesi’s shoes.

One had fish eyes, the other was a pearl, and it was the highest quality pearl.

The difference was too great.

Hence, no one believed that Qiao Mianmian would “rekindle her old flame” with Su Ze.

Even the rumors about Qiao Mianmian and Gong Zeli were more believable.

After all, Gong Zeli was pretty good in all aspects. Many people thought he could have a scandal with Qiao Mianmian.

This storm quickly subsided.

Mo Yesi got someone to investigate, and it wasn’t long before they found out who the person who took the photo was.

He got someone to check the hotel’s surveillance footage from last night and saw Qiao Anxin hiding in a private room.

Mo Yesi watched the footage.

He then passed the phone to Qiao Mianmian and said, "Take a look."

She took it and looked at it for a while before looking up at him.

Seeing that she wasn't surprised at all, Mo Yesi raised his eyebrows. "Did you already guess it was her?"

Chapter 1955: It's All Because of Mo Shixiu

"Mm." Qiao Mianmian nodded. "It was not hard to guess."

"Then, what do you plan to do?"

Qiao Mianmian thought about it and said, "I'll think about it. I'll tell you when I've thought it through."

"Okay."

Mo Yesi handed the decision to her.

If it were him, he wouldn't let Qiao Anxin have any chance of escaping.

But Qiao Anxin was from the Qiao family.

Mo Yesi felt that it was better to leave this matter to Qiao Mianmian.

If she didn't handle it well, it wouldn't be too late for him to take action.

...

On the first day back in Yun Cheng, Qiao Mianmian lay in bed the whole day.

She had been busy for half a month and could finally have a good rest. The first day was spent in bed.

She slept for the entire day. The next day, after she was fully revived, she went to Mo Shixiu's place to see Jiang Luoli.

Jiang Luoli was very happy to know that she had returned to Yun Cheng.

Ever since she got pregnant, Mo Shixiu had restricted her movements a lot, so Qiao Mianmian didn't ask her to meet outside. Instead, she went to look for her.

Now that Jiang Luoli was going out, a bunch of people would be following her.

Mo Shixiu was extremely nervous.

Jiang Luoli wasn't used to having people following her around. Hence, she rarely went out ever since she got pregnant.

Usually, she would just stroll around the back garden of Mo Shixiu's manor.

Or when Mo Shixiu was free, he would take her out for a walk.

Hence, when she found out that Qiao Mianmian had returned to Yun Cheng, she was overjoyed and had Sister Lin prepare everything to receive her.

She had even gone outside to wait for Qiao Mianmian.

Jiang Luoli walked over as soon as the car stopped.

Sister Lin followed closely behind her. Seeing how anxious she was, she quickly reminded her, “Young Madam, please wait.”

The passenger door opened and Qiao Mianmian got out of the car.

“Baby, you’re finally back. I missed you so much.” Jiang Luoli grabbed her hand and hugged her.

“Luo Luo, I missed you too.” Qiao Mianmian held her hand and looked her up and down carefully. In the end, her gaze fell on her flat stomach, and she reached out to touch it gently. “Has my little nephew been well-behaved recently? He didn’t torment his mother, right?”

Jiang Luoli was about to speak when Sister Lin came forward to support her. She sighed and said, “Second Madam, our Young Madam has been tormented recently. She doesn’t have a good appetite and eats very little. She vomits several times a day. Don’t you think that Young Madam has lost some weight?”

Qiao Mianmian looked at Jiang Luoli and realized that she had indeed lost some weight.

But she looked fine.

Qiao Mianmian frowned slightly. “Luo Luo, is your appetite bad?”

Jiang Luoli pursed her lips. “It’s all because of Mo Shixiu.”

“Brother?” Qiao Mianmian was puzzled. “What does it have to do with him?”

“Because he doesn’t allow me to eat what I like.” Speaking of this, Jiang Luoli couldn’t help but complain to her best friend. “He found me a few nutritionists and said that I have to follow the diet they prepared for me. You know, those nutritionists eat very light food, and they also don’t eat much. I don’t even like what they allow me to eat, so how can I eat it?”

“Young Madam, Sir is doing this for the good of you and your child.” Sister Lin couldn’t help but speak up for Mo Shixiu.

Chapter 1956: Heinous Criminal

“Sir is concerned about you. Now that you’re pregnant, you naturally can’t be as casual as before. Moreover, the food Sir doesn’t allow you to eat is mostly junk food. It isn’t good for you and the baby.”

“I know.” Jiang Luoli pursed her lips again. “I didn’t say that he’s bad. But, I eat bland food every day, and my mouth is about to become bland. I really don’t have much of an appetite.

“I really want to eat hotpot, barbecue, crayfish, spicy hotpot. Baby, I drool just thinking of the hotpot we often eat.” Jiang Luoli had a bitter expression on her face and looked like she had nothing to live for.

She finally had someone to talk to, and she couldn’t stop holding Qiao Mianmian’s hand.

“Do you know? I’ve asked the doctor. It’s not a problem to eat these types of food occasionally. But Mo Shixiu, that stubborn man, doesn’t allow me to eat them. He even told me that there are parasites in these things. It’s not good for me to eat them.

“But even if there are, they were killed by the high temperature. We ate so much before, but nothing happened.

“Not only does he not let me eat what I want to eat, but now, I don’t even have the freedom to go out and play. I’m a pitiful worm that has lost my freedom. If I had known this would happen, I wouldn’t have gotten pregnant with his child.”

Jiang Luoli listed Mo Yesi’s crimes one by one as if she was counting them.

In her description, Mo Shixiu seemed to have become a heinous criminal.

Qiao Mianmian laughed. “Brother is just worried about you. He’s worried about you because he’s responsible for you.”

“I know.” Jiang Luoli frowned. “But I really don’t have any freedom now. You don’t know how bored I am. He doesn’t have time to accompany me every day. Luckily, you’re back. You won’t be leaving soon, right?”

“I don’t know yet.” Qiao Mianmian shook her head. “My manager hasn’t informed me about my schedule yet. But I’ll be with you for the next few days in Yun Cheng, alright?”

“I do hope that you can spend more time with me. However, you and Prince Charming are separated more often than not. How can I selfishly occupy your time? Even if I want to keep you, Prince Charming will definitely not agree.

“Alright, alright. I’m already very happy to be able to see you now. If you’re free, you can come to visit me once in a while. I’m already very satisfied. Let’s not stand here. Let’s enter the house first.”

...

“Baby, this is a biscuit that I baked myself. Try it and see if it tastes good.”

Jiang Luoli took out a plate of freshly baked biscuits from the kitchen and handed it to Qiao Mianmian.

“You baked these yourself?” Qiao Mianmian was a little surprised when she saw the decent-looking biscuits.

After all, the Jiang Luoli she knew wouldn’t do such a thing.

“Yeah, I learned this from Sister Lin. Didn’t I tell you? I’ve been bored to death recently. Anyway, I don’t have anything to do at home every day, so I’m just wasting my time.”

Qiao Mianmian took one and tasted it. It actually tasted pretty good.

“How is it? Is it delicious?” Jiang Luoli sat down beside her.

Chapter 1957: Young Madam, Madam Is Here

“Mm, it’s quite delicious.” Qiao Mianmian picked up another piece and turned to look at Jiang Luoli.

“Luo Luo, does Brother spend a lot of time with you at home?”

“Him?” Jiang Luoli thought for a while and said, “As you know, he’s always been very busy. But ever since I got pregnant, he started taking some time out of his busy schedule to accompany me. But it’s impossible for him to stay at home every day to accompany me.”

Qiao Mianmian knew Jiang Luoli’s personality.

Therefore, she could imagine how bored she had been recently.

Jiang Luoli wasn’t the kind of person who could calm down. It was indeed torturous for her to stay at home every day with nothing to do.

“Don’t tell me he doesn’t allow you to go out?” If that was the case, Qiao Mianmian felt that it was too exaggerated.

“No,” Jiang Luoli said honestly. “I can go out, but a lot of people follow me when I do. I don’t feel free at all.”

“Big Brother must be worried about you. I heard that the baby needs special attention during the first three months. It’ll get better then. Now that you’re pregnant, he’s worried about letting you go out alone.”

“I know, I don’t blame him. That’s why I’m so bored now.” Jiang Luoli sighed softly and said with a worried expression, “When I think that my life will be like this for the next few months, I feel so hopeless.”

Qiao Mianmian didn’t know how to comfort her.

After all, it was unrealistic for Mo Shixiu to stay at home with Jiang Luoli every day.

But if she did stay at home every day, she definitely wouldn’t be able to take it.

“Luo Luo, I think after these three months have passed, you can have a good talk with Big Brother.”

“That seems to be the only way.” Jiang Luoli sighed again.

“Young Madam, this is a freshly made bird’s nest.” Sister Lin walked over with a porcelain bowl in her hand.

Jiang Luoli looked up and frowned. “Must I eat it?”

“Young Madam, eating more bird’s nest will make the baby’s skin fairer.”

Jiang Luoli took it helplessly.

She stirred the soup with a spoon and complained to Qiao Mianmian. “I’m sick of this stuff. I eat it every day. God knows how much I want to eat hotpot now.”

Despite her complaints, she still took the soup spoonful by spoonful.

When Sister Lin was putting away the dishes, a maid came over and said, “Young Madam, Madam is here.”

Jiang Luoli and Qiao Mianmian looked up at the same time.

“Madam is here?” Jiang Luoli was stunned.

Only Madam Mo could be called Madam by the maids.

But, what was Madam Mo doing here?

Since Jiang Luoli moved to Mo Shixiu’s place, this was the first time Madam Mo visited.

Sister Lin’s expression changed. She turned to look at the maid. “Madam is here? Did Madam come alone?”

“Madam came alone.”

Sister Lin was surprised because Madam Mo rarely visited.

Because most of the time, Mo Shixiu wasn’t at home.

“Did Madam say the motive of her visit?” Sister Lin asked again.

The maid shook her head.

She had just finished asking when she heard the voices of several maids in the living room. “Hello, Madam.”

Sister Lin turned around and saw Madam Mo walking in.

She hurried forward and greeted her respectfully, “Hello, Madam.”

Chapter 1958: I’ll Go With You

Madam Mo nodded lightly and walked past her.

Jiang Luoli and Qiao Mianmian also stood up and looked at Madam Mo silently.

The two daughters-in-law did not call her when they saw her, but Madam Mo was surprisingly not angry.

She walked up to them and glanced at Qiao Mianmian before turning to Jiang Luoli with a smile. “So the two of you are together. I was worried that Luoli would feel lonely and bored without anyone to accompany her. It seems like I was worrying for nothing.”

“Second Madam just arrived, too,” Sister Lin said with a smile. “Madam, Sir is working outside and will only be back later. Are you going to eat here tonight? I’ll inform the kitchen beforehand.”

“No need. I’ll go back after sitting for a while. I’m not here for Shixiu. I’m here to see Luoli.”

Madam Mo’s words stunned Qiao Mianmian and Jiang Luoli.

Both of them felt a little horrified at Madam Mo’s words.

Especially Jiang Luoli.

She knew how much Madam Mo disliked her.

Even though she was pregnant with the Mo Family's flesh and blood, she did not think that Madam Mo would be willing to accept her just because of this.

She could feel that Madam Mo still didn't like her.

In her eyes, she was still a scheming woman who seduced her son and used unscrupulous means to get herself pregnant with her son's child.

Therefore, when she heard that Madam Mo had come to see her, Jiang Luoli was only surprised and didn't have any other emotions.

She didn't think that Madam Mo came to visit her because she cared about her.

"Luoli, stop standing. You're pregnant now. Sit down quickly." Madam Mo appeared very concerned about her.

However, the more she acted like this, the more Jiang Luoli felt that there was something wrong with her. She couldn't help but feel wary and guarded.

Fortunately, Qiao Mianmian and Sister Lin were around, so she wasn't too worried about Madam Mo's tricks.

Jiang Luoli knew that Madam Mo was acting. Although she didn't know why, she cooperated with her.

She pursed her lips and smiled sweetly at Madam Mo, appearing obedient and sensible. "Thank you, Mom."

Madam Mo's expression froze for a moment before returning to normal.

She looked at her stomach and asked with concern, "Luoli, how have you been? Are you feeling unwell? Did you go to the hospital for a checkup? How is the baby?"

Jiang Luoli looked at Qiao Mianmian and smiled. "The doctor said to wait until the end of the month for a checkup."

"Oh, is that so?" Madam Mo obviously couldn't find anything to say, but she forced herself to find a topic to talk about. After she finished speaking, she remained silent for a while before saying, "Let me know when you go to the hospital. I'll go with you."

Jiang Luoli's eyes flickered, but she still nodded obediently. "Okay."

"I brought some supplements. You can get the kitchen to prepare them for you tonight. If you're bored here alone, you can stay at the old residence for a few days. Grandma talks about you all day. She's worried that you won't be well taken care of here alone.

"Luoli, are you really not going to consider staying at the old residence for a while?"

Chapter 1959: Would She Really Care About Me That Much?

That day when Mo Shixiu brought her back to the Mo Residence, Madam Mo had mentioned this matter.

At that time, Jiang Luoli thought that Madam Mo was just acting and pretending to care for her. She didn't really want her to stay at the Mo Residence.

But now that Madam Mo mentioned this matter again, Jiang Luoli felt that something was wrong.

Madam Mo really wanted her to move to the Mo Residence.

However, Jiang Luoli didn't think that she was really worried about her and wanted her to move over.

Although she didn't know what Madam Mo's motive was, she was still wary of her.

She directly rejected Madam Mo's suggestion.

.

She smiled and said, "Mom, I'm living quite well here. Sister Lin has been taking care of me and there are many people at home. Don't worry."

Since she wasn't willing to go, Madam Mo couldn't force her either.

However, after Jiang Luoli tactfully rejected her, Madam Mo's expression clearly turned ugly.

"Yes, Madam." Sister Lin glanced at Madam Mo's expression and smiled. "Madam, don't worry. Everyone here will do our best to take care of Young Madam."

"Of course I'm not worried." Madam Mo curved her lips, but there was no smile in her eyes. "I'm just suggesting that she can stay wherever she likes."

...

Madam Mo didn't stay for long. She left before half an hour had passed.

After she left, Jiang Luoli frowned and asked Qiao Mianmian, "Baby, what do you think she meant? Why does she want me to move in with them so badly?"

"Is she worried about your baby? Will she be able to see you every day after you move in and take care of you?" Qiao Mianmian analyzed for her.

"I think so, too. But do you think that's possible? It's not like you don't know... how much she doesn't like me. Would she really care about me that much?"

Jiang Luoli was referring to Madam Mo.

Qiao Mianmian fell silent.

Actually, she didn't believe that Madam Mo would really care so much about Jiang Luoli.

After Jiang Luoli rejected Madam Mo's suggestion, Qiao Mianmian saw that her expression had darkened.

Obviously, Madam Mo did not ask Jiang Luoli to move in with her out of concern.

Then, why did Madam Mo do it?

Qiao Mianmian couldn't think of a reason, and neither could Jiang Luoli.

Even Madam Mo's sudden change in attitude was something they couldn't figure out.

After thinking about it, it should be because of the baby.

"You also think it's impossible, right?" Jiang Luoli smiled, but her eyes were mocking. "She has always looked down on me. Even though I'm pregnant now, she still looks down on me.

"I can feel it.

"But that's nothing." Jiang Luoli smiled again and said indifferently, "As long as Mo Shixiu treats me well."

...

Qiao Mianmian had wanted to stay over for dinner at Jiang Luoli's place, but her plans changed after Linda called her.

At a café.

Qiao Mianmian walked into a private booth and Linda waved at her.

She sat down and removed her mask. "Sister Xie."

"Mianmian, I originally wanted to give you a few more days off, so that you can spend more time with President Mo. However, the television drama you're starring in is about to start airing soon, so you have to cooperate with the production team in the publicity these few days. This is your upcoming schedule, take a look."

Chapter 1960: Is President Mo In His Office?

Linda handed her a stack of the printed schedule.

Qiao Mianmian took it and flipped through it for a while. She realized that she was going to be promoting her new drama for the rest of the month, and she had an event tomorrow.

Then, she would attend other events.

Yesterday, Mo Yesi had told her that he would bring her abroad for a few days when he was free.

She agreed.

The two of them had even decided on where to go.

Qiao Mianmian even looked at a travel guide to prepare for the trip abroad.

.

Now that the trip was dashed, she definitely did not have time to play anymore.

"What's the problem?" Linda asked. "Can you work with the timing?"

If it were any other artiste, Linda would have already settled this matter.

But Qiao Mianmian's identity was special.

Hence, when Linda arranged her schedule, she would ask for her opinion first.

Qiao Mianmian was silent for a while.

As the female lead, she had to attend the promotional event for the new drama.

Moreover, this was a drama directed by her own brother, so she couldn't miss it.

On the other hand, this was also her first television drama. It was extremely important to her.

So no matter the reason, she couldn't be absent.

She considered for a moment, then nodded. "Yeah, I'll go."

Yep.

When she got back, she would have to coax Mo Yesi again.

"Alright, then go back and take a good look at the schedule. Call me if there's anything. One more thing. Phoenix In Flight's production team sent me the script. I'll send it to your email in a while. Take a good look at the script when you're free.

"This movie is very important to you. Being selected is also proof of your ability and luck. You must try your best to act well."

"I know, Sister Xie."

"Fine, I won't take up your time. You can have a good time with President Mo today. You will be busy again in the coming days."

...

After the discussion, Qiao Mianmian left the café and took a taxi to the Mo Corporation.

After arriving at Mo Corporation, she walked into the lobby and removed her mask and sunglasses.

She frequented the Mo Corporation and most of the Mo Corporation's employees recognized her. The employees who passed by her stopped in their tracks and greeted her respectfully, "Hello, Miss Qiao."

Qiao Mianmian nodded and smiled at them.

The male employees looked at her for a few seconds. Their faces burned and they quickly lowered their heads.

President Mo's girlfriend was really good-looking.

And she was the type that most men would like.

When she smiled just now, they both felt like they were in love.

However, no matter how tempted they were, it was useless. This was President Mo's woman; who would dare to compete with him?

Wasn't that courting death?

Besides, everyone knew that President Mo treasured his girlfriend.

Qiao Mianmian took the elevator to the 37th floor.

As soon as she stepped out of the elevator, she saw Wei Zheng standing outside.

Wei Zheng was stunned when he saw her. He greeted her respectfully, "Young Madam."

Qiao Mianmian nodded. "Wei Zheng, is President Mo in his office?"

"President Mo is here, but..." Wei Zheng looked in the direction of Mo Yesi's office and hesitated.

"What is it?"

"President Mo's in a meeting with someone right now."

"So it's not convenient for me to see him now?"

"No, he's not someone important. Young Madam, you can go in. It's fine."
