Chapter 1961: You Know Very Well What I Mean

Qiao Mianmian looked doubtful. "Really?"

Wei Zheng nodded. "Yes."

"Alright, I'll go look for him now." Qiao Mianmian nodded and walked towards Mo Yesi's office.

Wei Zheng frowned as he watched her leave.

Just now, when he went to President Mo's office, he saw that Young Master Gong was also inside.

The office door was ajar.

He heard President Mo and Young Master Gong quarreling.

And the reason for their argument was because of Young Madam.

That was why he hesitated just now. He didn't know if it was appropriate for Qiao Mianmian to go over right now.

...

Qiao Mianmian walked to Mo Yesi's office and saw that the door was open. She was about to enter when she heard two familiar voices.

One was Mo Yesi.

The other voice belonged to Gong Zeli.

"Ah Si, it's my mom's fault this time. But you caused a scene at my house and scared her so much that she's bedridden. You've also stopped collaboration with the Gong Corporation. Are you still angry?"

"Do you really want to declare war on the Gong's?"

"Calm down?" Mo Yesi sneered. "Do you think I can calm down? No matter who treats my wife like this, I won't be able to calm down. Brotherly ties? It's precisely because we've been brothers for so many years that I've held back and not gone too far.

"Otherwise, do you think your Gong Family would only suffer such a small blow?"

"Speaking of brotherhood, Gong Zeli, do you think you have considered our brotherhood?"

"Ah Si, what do you mean?"

"You know very well what I mean. If you cared about our brotherhood, you wouldn't have some thoughts. I've already warned you several times, but you clearly didn't listen to me.

"What use do I have for such a brother?"

Qiao Mianmian was confused.

Mo Yesi had been to the Gong Residence?

And he even scared Gong Zeli's mother into bed?

He even terminated his collaboration with the Gong Corporation?

What was going on?

Why was she completely unaware of all this?

They continued.

Gong Zeli was silent for a long time before speaking again, "Ah Si, I know I shouldn't have those thoughts, but I have my reasons."

"Reasons?" Mo Yesi's voice was cold. "What reason could make you have such dirty thoughts about your brother's wife? I'd like to hear your reason."

Outside the door.

When Qiao Mianmian heard Mo Yesi say that Gong Zeli had feelings for her, her eyes widened in surprise.

Even though she had already felt that Gong Zeli was treating her differently, she never expected Mo Yesi to know about it.

Furthermore, Gong Zeli admitted it directly.

Qiao Mianmian was stunned for a long time.

She couldn't figure it out.

Why was Gong Zeli interested in her?

Hadn't he always liked Shen Rou?

He had liked Shen Rou for so many years. Could he easily change his mind and fall for another woman?

Could it be that he had a change of heart because the Shen family had fallen?

This was impossible.

Chapter 1962: I Made a Huge Mistake

Even if Qiao Mianmian didn't know Gong Zeli well, she didn't think he was such a person.

Whether it was Mo Yesi, Gong Zeli, or Yan Shaoqing...

They didn't care about a woman's family background.

Qiao Mianmian was still in shock when she heard Gong Zeli's voice again. "Ah Si, I fell into the pool ten years ago and Shen Rou saved me. You all know about this, right?"

"What are you trying to say?"

“Actually, I didn’t like Shen Rou. It should be said that I never liked her. But that night, when I saw her swimming towards me in desperation, I was moved.

“I always remembered that feeling. It was also because of that that I mistakenly thought that I liked her..

“Even when I realized that I didn’t have feelings for her, I hypnotized myself over and over again and told myself that I liked her. If I didn’t like her, why would I have fallen for her that night?

“But later, I realized that I was wrong. I made a huge mistake.

“That night, I actually got the wrong person. I actually mistook my savior for someone else. I even got the wrong person for a whole ten years. Ah Si, the person who moved me that night wasn’t Shen Rou, but Qiao Mianmian.

“The person who saved me that night was Qiao Mianmian. Shen Rou lied to me. She lied to me for ten years.

“I’m not only interested in Qiao Mianmian now. I’ve been interested in her since that night ten years ago.”

Bam!

The door was pushed open, and Qiao Mianmian looked into the office in shock.

The two men looked at her in surprise.

“Mianmian, when did you get here?” A few seconds later, Mo Yesi walked over to Qiao Mianmian and held her hand.

Gong Zeli’s expression changed when he saw Qiao Mianmian.

But soon, it returned to normal.

However, his gaze dimmed when it fell on their interlocked hands.

Qiao Mianmian quietly let Mo Yesi lead her to the sofa.

He sat down beside her and caressed her head. “How long have you been here? Why were you standing outside without saying anything? Didn’t you say you were going to have dinner at Big Brother’s tonight?”

Qiao Mianmian looked up at him and then at Gong Zeli. After a moment of silence, she said softly, “I arrived a while ago. I thought you were talking to someone, so I didn’t want to disturb you.”

“Wait a minute, I’ll be done soon.” Mo Yesi pinched her chin and kissed her gently.

Qiao Mianmian felt a strong gaze on her.

She thought about the other person in the office and wanted to push Mo Yesi away, but she recalled what she had just heard and retracted her hand.

Mo Yesi pinched her chin and kissed her for a while as if they were alone.

After a while, he seemed to remember the other people in the office and let go of her.

He looked up and saw Gong Zeli standing there with a dark expression. He smirked and said, "If there's nothing else, you can leave now."

Gong Zeli pursed his lips and stood still.

Mo Yesi smiled again, but his eyes turned cold. "Why, do you have something else to say? Didn't I make myself clear?"

Chapter 1963: I've Already Avenged You

He could be fine, but Qiao Mianmian couldn't.

Her mind was filled with questions.

She had to get to the bottom of this, or she wouldn't be able to sleep today.

"Hm? He said many things. Which one are you referring to?" Mo Yesi sat down beside her and pulled her into his arms.

"Why did you cancel your collaboration with the Gong Corporation?" Even though Qiao Mianmian wasn't very clear about business matters, she knew that Mo Yesi's decision would definitely affect the Mo Corporation.

The Gong Corporation and the Mo Corporation were both big enterprises in Yun Cheng.

The two families had always worked together.

.

If they were to cancel all of their cooperation now, the losses would be unimaginable.

What exactly happened to make Mo Yesi make such a decision?

His actions not only affected the Mo Corporation but also himself.

His years of brotherhood with Gong Zeli were over just like that.

"You want to know why?"

"Mm." Qiao Mianmian nodded and looked at him seriously. "I want to know the reason. Is this... related to me?"

She had heard some general information from outside.

Although she didn't know what exactly happened, she was sure that it had something to do with her.

So, she had to know the truth.

Mo Yesi looked at her in silence for a few seconds before telling her the truth. "Yes, this is indeed related to you."

"What does it have to do with me?"

Mo Yesi looked straight into her eyes. "Someone was behind Third Chen's incident. Otherwise, he wouldn't be so bold."

Qiao Mianmian's expression changed when she thought of that night.

She quickly guessed some things from what he had said.

"The mastermind... is Madam Gong?"

"Mm." Mo Yesi nodded.

Qiao Mianmian was stunned. "But why would Madam Gong do that? I don't even know her."

"Baby, you don't know her, but she knows you."

"She knows me?" Qiao Mianmian was confused. "But how?"

"There were rumors about you and her son." Mo Yesi paused for a moment before continuing, "Actually, it's nothing much. It's not the first time Gong Zeli has been involved in a scandal with someone. It's just that when the Gong and Shangguan families were preparing for a marriage alliance, your existence got in their way.

"In addition to Shangguan Qing's hostility towards you, that's why this happened."

Qiao Mianmian looked at him in shock.

She thought that the incident with Third Chen was coincidental.

But was Madam Gong behind that?

Just because Madam Gong saw the scandal between her and Gong Zeli and thought that she would affect the marriage alliance between the Gong and Shangguan families, she treated her in such a vicious way?

Qiao Mianmian was shocked at first, then she felt angry.

She was lucky that night because she woke up from thirst.

But what if she hadn't?

If she hadn't woken up, the consequence would have been that she'd have been drugged by Third Chen and slept soundly without knowing what had happened.

At this thought, Qiao Mianmian trembled with anger.

Mo Yesi patted her shoulder gently. "Don't be angry. I've already avenged you. The Gong family will pay for this."

Chapter 1964: He's Not Innocent At All

So, Mo Yesi did not hesitate to go against the Mo Corporation's interests and cut off all ties with Gong Zeli because of her?

Qiao Mianmian didn't know what others would do when faced with such a situation.

But Mo Yesi's actions touched her.

"But Mo Yesi..."

She was a little worried. "Is this really a good idea? The Gongs and the Mos have been friends for many years. If Grandma and the rest find out what you did..."

"Even if Grandma knows, she won't say anything." Mo Yesi interrupted her gently. "The Mos and the Gongs have been friends for many years. But because of this, it's even more unforgivable for them to do that.

"I'm sure Grandma will support me.."

"But if you do this, won't it affect the Mo Corporation greatly? Will the corporation lose a lot of money because of this?"

"There will be some losses, but you have to believe in your husband's ability." Mo Yesi laughed softly, his deep eyes filled with love. "I will earn it all back. And compared to the Mo Corporation's losses, the Gong Corporation's losses will be even greater.

"Otherwise, how could we make them pay the price?"

"But this was done by Madam Gong, and Gong Zeli didn't know about it. Wouldn't this implicate the innocent?"

"Innocent?" Mo Yesi seemed to have thought of something and his eyes turned cold. "He's not innocent at all. Ever since he started harboring dirty thoughts about you, he has nothing to be innocent about."

Qiao Mianmian looked a little uncomfortable when he mentioned it.

After all, being liked by her husband's best friend was not something to be happy about.

"Gong Zeli..." Qiao Mianmian bit her lip and hesitated for a few seconds before asking softly, "He said I saved his life. What's going on? Why don't I remember saving him?"

And it was ten years ago.

She thought back and couldn't remember such a thing.

She wasn't so young that she couldn't remember.

If she had really saved Gong Zeli, she should have remembered.

Mo Yesi was silent for a moment. "You want to know?"

"Mm." Qiao Mianmian nodded. "Can you say it? If not, then forget it."

"There's nothing to hide." Mo Yesi was silent for a while more. He reached out to stroke her soft hair and recalled what happened that night. "That day was Gong Zeli's birthday. We were invited to attend his birthday party.

"At the banquet, he got into an argument with Shen Rou over something and left in anger.

“When we found him later, he was picked up from the pool. He said that he accidentally fell into the pool and it was Shen Rou who saved him. If not for her, he would have died.

“Because of this, he has always been grateful to Shen Rou. He has been very good to her all these years.

“As for the person he got the wrong person and said that you were the one who saved him that night, I only just found out about it. So, I don’t know why he said that you saved him.

“Don’t you remember anything?”

Speaking of which, ten years ago the Qiao family wasn’t that bad.

Although they were not wealthy, they still had some money.

That night, the Gong family held a banquet and invited many people. The Qiao family might have been among the invited.

Chapter 1965: This Is Also a Job Requirement

Qiao Mianmian was confused. “I don’t know. I don’t remember at all. Could he have gotten the wrong person?”

“Maybe. Or maybe you’ve forgotten.” Mo Yesi narrowed his eyes, hoping that Gong Zeli had recognized the wrong person.

Because Gong Zeli felt that Shen Rou had saved her, he had been very tolerant and doted on her all these years.

If Qiao Mianmian was the one who saved him, Mo Yesi would never accept another man treating his wife well.

“I think he must have gotten the wrong person.” Qiao Mianmian recalled what had happened ten years ago. “I didn’t even attend his birthday banquet. How could I have saved him?”

“Well, he must have made a mistake. Alright, let’s not talk about these unhappy things. Weren’t you accompanying Jiang Luoli? Why are you here?”

“Urgh...”

Qiao Mianmian thought of the new drama meeting she was going to attend tomorrow. She hesitated for a moment before saying carefully, “Hubby, can I discuss something with you?”

Mo Yesi looked down and raised an eyebrow. “I don’t think this is a good thing.”

This little rascal would only take the initiative to call him “hubby” when she had something to beg him for or when he was angry.

Although he knew that what she was about to say was definitely not something good, or at least something that he could not accept, Mo Yesi still rubbed her head and said with a smile, “Alright, what is it?”

“If it’s not too much, I’ll agree to anything.”

"It's not too much." Qiao Mianmian put her arms around his neck. "Didn't we agree yesterday to go overseas for a few days when you're free?"

"Yeah."

"Sister Xie came looking for me this afternoon. She said that my new drama will start broadcasting soon."

"Yeah."

"As you know, this is my first television drama, and I'm the female lead. When a new drama starts airing, there will be some publicity. Sister Xie told me that I might have to go to various places to promote my new drama for the next half a month."

"Yeah."

"So..." Qiao Mianmian looked at the man's calm expression and felt a little guilty. She paused for a moment before saying, "We might not be able to go overseas anymore. I have to promote the new drama tomorrow."

"Yeah."

Qiao Mianmian was speechless.

"Hubby, are you angry?" She shook his arm. "This is also a job requirement. If I was just an insignificant supporting role, it didn't matter if I went or not. But I'm the female lead, I have to go."

"Besides, this is a drama directed by my brother. I have to support him no matter what."

"However, the initial publicity will be out of town. I'll be back in Yun Cheng in a few days. By then, I can go home at night."

"I know we've already agreed on a time, and you won't be able to go because of me, so you'll definitely be unhappy. But, there's nothing I can do. Hubby, you understand, right?"

"When I'm done this time, I'll definitely accompany you!"

Qiao Mianmian looked carefully at the man's expression.

Mo Yesi was expressionless.

She didn't know if he was angry or not.

After all, this man went expressionless when he got angry.

She called out softly, "Hubby?"

Chapter 1966: A Petty Man Who Cares About His Face

"You just came back and you're going out again?"

“I don’t want to go out, either. I want to rest, too.” Qiao Mianmian bit her lip and said pitifully, “But this was arranged by the company, I can’t not listen to it. When I’m free next time, I’ll definitely make it up to you.”

“Yes, so work is more important than your husband?” The man’s voice and expression were calm, but his tone sounded unhappy.

Qiao Mianmian could understand.

If it were her, she would definitely be unhappy.

They were still in the honeymoon period, but she had been busy outside all year round and did not have much time to stay at home.

Hence, she felt that she had gone overboard..

And because of that, she lowered her stance.

“Of course not, work is not as important as you. You’re the most important because you are a gentle, thoughtful, and considerate husband. There’s nothing more important than you in this world.

“If you don’t want me to go, then I...” Qiao Mianmian bit her lip and glanced at him. “Then I won’t go.”

Mo Yesi almost burst out laughing at her cheekiness.

First, she praised him in all sorts of ways.

Then, she expressed that she wouldn’t go if he didn’t want her to go.

Under such circumstances, if he really did not let her go, wouldn’t he be selfish, petty, and not considerate enough?

Moreover, she said that this was her first television drama.

It was obvious how important it was to her.

She really wanted to go.

If he really did not allow her to go, he would definitely become a villain in her eyes.

Even though Mo Yesi wasn’t satisfied with his wife’s high-intensity work arrangements, he still had to support her.

Besides, this drama was directed by Bai Yusheng.

If he didn’t let Qiao Mianmian go, he would offend both of them.

“You’ve already given me so many compliments. If I don’t let you go, won’t it seem like I’m despicable? You can go if you want, but you have to tell me your schedule every day. Also, remember what you said. Once this matter is over, you have to rest for a while.”

Mo Yesi pushed a strand of hair away from her forehead and continued, “Baby, I support your work, but you have to think about your husband too. I don’t want us to be separated for 365 days a year, do you understand?”

“Understood, understood!” Qiao Mianmian heaved a sigh of relief.

She immediately raised three fingers and promised, “When this is over, I’ll tell Sister Xie not to take on any jobs for the time being. I’ll take a good rest.”

Mo Yesi nodded.

“So, you’re not angry now?” Qiao Mianmian asked.

The man looked down at her. “When did I get angry? Am I that petty?”

Qiao Mianmian was speechless.

He was clearly angry, yet he refused to admit it.

What a petty and prideful man!

“Fine, fine. You’re not angry. I was wrong. I thought you were angry.”

No matter what, as long as he agreed to her request.

She had just coaxed Mo Yesi when her phone rang.

Qiao Mianmian took it out and saw that it was Bai Yusheng.

“It’s Brother. Probably for tomorrow’s promotion.” Qiao Mianmian answered the call after informing Mo Yesi.

Chapter 1967: It Was Actually For Her

“Brother.” She picked up the call and called out obediently.

“Mianmian, do you know that our drama is going for publicity tomorrow?” Bai Yusheng asked gently.

“Yes, I know. Sister Xie has already given me the schedule.”

“Well, it’s good that you know. I’m just reminding you not to forget about tomorrow’s publicity. This is your first television drama and it’s very important to you, so I got someone to do some publicity for the new drama. It’s good for you to do more publicity.”

Qiao Mianmian was stunned. “Brother, is this all because of me?”

.

She thought about it. It seemed like Bai Yusheng had never really promoted his television dramas in the past.

The name “Bai Yusheng” meant that the quality of the show was guaranteed.

Every drama directed by him was good.

Therefore, there was no need for any publicity.

This time, it should be Bai Yusheng's first time promoting his drama, but it was for her.

It was only right for him to dote on his sister.

Qiao Mianmian was very touched.

"Yes." Bai Yusheng smiled and said, "This is your first television drama. It means a lot to you. I have to promote it well."

"Brother." Qiao Mianmian felt warm inside. "You're so good to me."

"What nonsense are you saying? You're my sister. If I don't treat you well, who should I treat well?"

"Brother..."

"Mianmian, Mom said she hasn't seen you in a long time. She misses you. Can you and Yesi come home for dinner tonight? It's true that we haven't seen each other in a long time."

Qiao Mianmian thought about it and turned to Mo Yesi. "Brother wants us to have dinner at the Bai Residence tonight. Is that okay?"

Mo Yesi nodded. "No problem."

Qiao Mianmian then replied, "Alright, we'll go over tonight."

"Okay, I'll let Mom know. Let's talk when you get home."

"Okay."

After hanging up, Qiao Mianmian turned to Mo Yesi and said, "I'm going to be very busy for the next two weeks. I have to leave early tomorrow morning. I want to visit Chen Chen before dinner tonight. I don't know how he is, I'm a little worried about him."

"Don't worry, Chen Chen is doing very well." Mo Yesi smiled. "I just met him a few days ago. I think he's doing quite well. However, it's been a while since you two saw each other. I'll get Wei Zheng to send you over."

"Okay, let's go home when I'm back."

"Alright, go ahead. I still have something to do, I'll finish it first."

...

It wasn't the weekend, and Qiao Chen was still in class.

When Qiao Mianmian saw him, Qiao Chen was wearing his school uniform and had a warm smile on his handsome face. He called her "Sister" and hugged her.

Like a dog that hadn't seen its owner for a long time, he rubbed his head against Qiao Mianmian and said coquettishly, "Sister, I haven't seen you in a long time. I missed you."

Qiao Mianmian hugged him back. "Chen Chen, I missed you too."

“Sister, why are you looking for me at this time?” Qiao Chen let go of her. The young man didn’t look too good, but he seemed better than before.

And Qiao Mianmian felt like he had gained some weight.

She was a little relieved.

Qiao Mianmian had always been worried about Qiao Chen returning to the Mo family.

Chapter 1968: It wasn’t as bad as she thought

She was afraid that Qiao Chen wouldn’t be used to it.

She was also afraid that someone would bully Qiao Chen.

But looking at Qiao Chen now, he seemed to be in a good state.

It was not as bad as she thought.

“Your brother-in-law and I are going to the Bai family for dinner tonight. I have to promote the new drama for the next half a month, so I’ll definitely be busy by then. So I just need to make time to visit you. Otherwise, we’ll have to wait a long time for our next meeting.”

“Sis, are you busy with work again? Didn’t you just finish recording your variety show? Your company doesn’t give you a break.”

.

“That’s right. It’s not that the company doesn’t want to give me a break, but I happen to have a new drama that I need to promote, so I don’t have much time to rest. I just wanted to see if you’ve been doing well recently.”

“I’m fine.” Qiao Chen smiled. “I eat well and sleep well. I’m happy every day. There’s nothing wrong with that.”

“Look, I’ve gained a few pounds recently.” Qiao Chen pinched his face.

“Mm, you did gain some weight.” Qiao Mianmian pinched his cheek and smiled. “As long as you’re happy, I hope you can live happily every day. But if you’re unhappy, you have to tell me.”

“Chen Chen, we’re siblings. No matter if we’ve returned to our biological family or not, you’re still my younger brother in this lifetime.”

“Sister, you’ll always be my sister. In my heart, you’ll always be my biological sister.” Qiao Chen held Qiao Mianmian’s hand, his eyes glistening with tears.

Qiao Mianmian reached out to touch his head. “Mm, we’ll always be siblings. So you can tell me anything. I don’t want you to keep anything to yourself.”

“It’s sad to suffer alone.”

“If that’s the case, my heart will ache.”

“Sister, I know.” Qiao Chen nodded.

“Are you used to your new home now? How is Second Uncle treating you?”

“I’m already used to it. Dad treats me quite well too. He already feels guilty towards my mom, so he has always wanted to make up for the regrets in his heart through me. On the contrary, he treats me too well. I’m not used to it.”

“Then... what about Second Madam?” Qiao Mianmian thought about what Second Madam had done to Qiao Chen’s birth mother and asked worriedly, “Did she do anything bad to you?”

“Her?” Qiao Chen smirked, his eyes filled with disdain. “I know all her tricks. Sister, don’t worry, I can handle it.”

Qiao Mianmian was afraid that he would underestimate his opponent.

“You still have to be more careful. Don’t take it lightly. It’s good to be confident, but it’s also not good to be too confident. Be careful not to fall into someone else’s trap. Second Madam’s mind isn’t as simple as you think.”

“Mm, Sister, don’t worry. Don’t you still have Brother-in-law? Brother-in-law will help me too. I know what to do. I’ll protect myself. But you...” Qiao Chen said, frowning slightly. “I see that your circle is very messy. There are always people defaming you, so you have to be more careful. Protect yourself.”

Qiao Mianmian smiled. “That’s how the entertainment industry is. This means that your sister is famous. If I’m not popular, who would want to bother with me? Don’t you see that those big stars have a lot of dirt on them? And the more popular they are, the easier it is for others to defame them.”

Qiao Chen was speechless.

He sighed. “It’s fine if I just criticize you. I’m just afraid that what happened the last time would endanger your safety. You don’t even know that I was worried to death when I found out that you went on a show with Qiao Anxin.”

Chapter 1969: He values her and her family

“I was afraid she might do something to hurt you.”

“Qiao Anxin? She probably wouldn’t do something so stupid now. She knows what the consequences will be. She wouldn’t dare.”

The most she could do was defame her online.

For example, spreading rumors about her rekindling her relationship with Su Ze.

Based on her understanding of Qiao Anxin, she didn’t dare to do anything else.

“You can’t be too careless. Even a rabbit will jump over a wall when it’s anxious. You’re better than her in everything right now, so she must be very jealous. Oh right, you mustn’t let her come into contact with brother-in-law. Otherwise, with her nature, she’ll definitely have designs on brother-in-law.”

“Brother-in-law is a thousand times better than that scumbag Su Ze.”

Qiao Mianmian was speechless.

She wanted to say that Qiao Anxin was already tempted.

"I'm definitely not worried about your brother-in-law." Qiao Mianmian never had to worry about such matters. "I believe his standards aren't that low."

"That's true. Brother-in-law's taste can't be that low."

"Alright, I've wasted quite a bit of your time. You should go back to class." Qiao Mianmian looked at her brother a little unwillingly and reached out to touch the big boy's head. "Chen Chen, take care of yourself and protect yourself too. You must live well so that Sister can rest assured."

"Elder Sister, I'll take good care of myself. It's the same for you. You have to take good care of yourself too. However, I'm not worried about these problems. With Brother-in-law around, he'll definitely take good care of you. I remember that it's Brother-in-law's birthday soon, right?"

"Yes. Soon."

"Then I have to prepare a birthday present for brother-in-law. I wonder what he likes."

"Whatever you prepare, your brother-in-law will like it. No matter what it is, just prepare it with all your heart."

...

After visiting Qiao Chen in school, Qiao Mianmian went back to look for Mo Yesi.

When she arrived at the Mo Corporation, Mo Yesi had just finished his work.

He picked up his car keys from his desk and walked out with Qiao Mianmian in his arms. "I can't go to my parents-in-law's house empty-handed. What do you think I should buy for them?"

"There's no need to buy anything, right?"

"That won't do. If we go empty-handed, your parents will think that I'm rude. Let's go to the mall and buy some gifts."

Bai Yusheng said that Father Bai had also returned.

Qiao Mianmian had never met Father Bai before, so she was still a little nervous and nervous.

She did not know anything about the man who was her biological father.

However, there was a hint of anticipation in this nervousness.

After leaving the Mo Corporation, they went to a nearby shopping mall.

Mo Yesi chose a watch for Mr. Bai and a set of jewelry for Mrs. Bai. He even bought a suit for Bai Yusheng.

"Why did you give my brother a gift?"

"Your brother is my brother-in-law. It's only good for me to build a good relationship with him."

“ ... ”

...

After leaving the mall, the two of them returned home loaded.

Qiao Mianmian didn't even ask how much Mo Yesi had spent.

Anyway, it was definitely a painful number.

However, thinking that the money was spent on her parents, she could still accept it.

What was even more commendable was that Mo Yesi had such intentions.

He valued her and her family.

Half an hour later, the black Rolls-Royce stopped outside the Bai family mansion.

Mrs. Bai had already come out to wait.

As soon as he saw their car stop, he immediately stepped forward.

Chapter 1970: She Doesn't Need Any Work

As soon as Qiao Mianmian got out of the car, Madam Bai grabbed her hand excitedly. “Mianmian, you're finally back. Are you hungry or thirsty? I've prepared a lot of delicious food for you. You haven't been home for a long time, so you can't leave early today.”

“Your father came back from overseas. He knows that we've acknowledged you and has always wanted to meet you.”

“Why are you so thin? Is it because you can't eat or sleep well outside? I knew it. You must be having a hard time outside. If you lack money, you can tell me. I can give you as many mothers as you want. Why do you have to work so hard?”

“Or let your father give you an easy job in the company. It's better than your current job.”

“Mom.” Qiao Mianmian knew that Madam Bai felt sorry for her, but she still said helplessly, “I'm not short of money. I'm not doing this job because I'm short of money. I'm doing it because I like this job, so it's fine even if it's a little tough.”

“But Mom will feel sorry for you.” Madam Bai touched Qiao Mianmian's face and said, “If you like acting, you don't have to work so hard. Let your brother find you a few easier films.”

“Mom, I...”

“Mom, Mianmian likes to work hard on her own, and she likes her results. Otherwise, I can find some movies and television dramas that can easily make money for her. If you arrange everything for her, she won't be happy.”

“Just let her do it herself.”

Mo Yesi got out of the car and walked over to Qiao Mianmian.

“Yes, Mom, I like to fight for myself.” Her husband spoke up for her, and Qiao Mianmian immediately nodded in agreement. “I like to use my own abilities to get what I want. Only then will I feel a sense of accomplishment and satisfaction.”

“If it’s easy and you can’t obtain it with any effort, then you won’t feel so good.”

“So, you don’t have to worry about me. Let me fight on my own, okay?”

The white-haired man was silent for a while before he sighed softly. “You’ve already said so. What else can I say? I just feel sorry for you. I can’t bear to see you so tired.”

Madam Bai couldn’t bear to let Qiao Mianmian suffer even a little bit after finally finding her precious daughter.

She couldn’t wait to give Qiao Mianmian everything in the world.

Mrs. Bai’s heart ached when she saw that her precious daughter had lost weight because of filming.

She didn’t want Qiao Mianmian to work so hard.

She just hoped that Qiao Mianmian would be like the daughters of her close friends, able to stay at home and take care of herself.

Work What

Whether it was the Mo Family or the Bai Family, they could give her the best material life.

She didn’t need any work.

Madam Bai wanted her daughter to stay at home and be a worm, but Qiao Mianmian wasn’t interested.

“Mom, I don’t feel tired.” Qiao Mianmian smiled. “When I’m working, I’m happy even if I’m tired. Besides, I’m not always working. I have times to rest too. When I’m resting, you can help me nourish my body.”

“Of course I have to nourish it well.” Madam Bai’s eyes were full of heartache, as if Qiao Mianmian had gone to do some hard labor. “So Mom made a very nourishing soup in the kitchen tonight. You should drink more later.”
