

## Big Shot 1991

### Chapter 1991: Are You Really Going to Force Me to Turn Against You?

“Get another investment. Help me arrange a meeting with President Zhang of Minxing Bank. Also, ask President Wang of Shengxing Bank to have lunch with me tomorrow afternoon. Inform the public relations department to keep this matter under wraps. Don’t let anyone know.”

“Yes, Chairman Gong. But this matter is huge. It’ll be difficult to keep it a secret.”

“Then, get them to keep an eye out. If there’s any movement, suppress it immediately.” Gong Zeli’s voice was gloomy. “If they can’t even do such a simple thing, they don’t have to stay in the Gong Corporation anymore.”

Feeling the cold aura around Gong Zeli, the assistant lowered his head and quickly said, “Yes, Chairman Gong. I’ll do it right away.”

Soon, the assistant left.

Gong Zeli’s gaze landed on the stack of documents on the table again. He pursed his lips and picked it up.

*Mo Yesi, are you really going to be so heartless?*

...

Qiao Mianmian was very busy for the next week.

She went everywhere to promote her new show.

She had to attend some shows and events in between. Anyway, she was so busy that she practically ran outside every day.

In the past, no matter how busy she was, she would video call Mo Yesi for an hour before bed.

It was already late when she was free.

When she returned to the hotel, she was so tired that she didn’t even want to remove her makeup. She chatted with Mo Yesi for at most 10 minutes before turning off the video call.

Fortunately, the promotion was effective.

The new show hadn’t even officially started airing, but it was already trending on Weibo. Many netizens were saying that they couldn’t wait to see the new show.

Qiao Mianmian was so busy that she didn’t realize that someone was unhappy.

She’d only chatted with Mo Yesi for five minutes before hanging up. The man on the other end looked at the screen with a dark expression.

“Second Bro, what’s wrong? Sis-in-law hung up on you so quickly?” Yan Shaoqing looked at the man beside him, whose expression was a little dark. “Second Bro, don’t be unhappy. Maybe Sis-in-law is really tired.”

“Moreover, haven’t you two been married for so long? You talk every day. It’s alright to talk less. Why didn’t I realize that Second Bro is so clingy?”

Yan Shaoqing knew that Mo Yesi was alone at home recently, so he asked him out.

Mo Yesi was in a private room at the clubhouse when they started the video call.

Not only was Yan Shaoqing present, but so was Lu Rao.

Because Mo Yesi didn’t allow Yan Shaoqing to call women over, only the three of them were in the room.

Yan Shaoqing kept saying that he was bored to death, but he didn’t dare to get a female companion to accompany him.

After all, he didn’t dare to go against Mo Yesi’s wishes.

They had seen the video call between Mo Yesi and Qiao Mianmian.

Mo Yesi was normal at first, but after Qiao Mianmian hung up, his expression changed.

Yan Shaoqing was an observant person and immediately guessed the reason.

Mo Yesi glared at him. “No one will think you’re a mute if you don’t speak.”

“Second Bro...” Yan Shaoqing looked aggrieved. “You didn’t allow me to get a beauty to accompany me.”

### **Chapter 1992: This Is Discrimination, Serious Discrimination!**

“Only the three of us are here. You’re not letting me speak. Do you want us to sit here all night?”

“Moreover, I’m not the only one who thinks you’re too clingy to Sis-in-law. Lu Rao, tell me, do you think so too?”

Lu Rao glanced at him. “You’re not married, what do you know? When you have a wife in the future, you might be even more clingy than Ah Si.”

Yan Shaoqing said, “Pfft, I wouldn’t be like this. Didn’t you hear that marriage is the grave of love? How many people can remain in their honeymoon phase after getting married? Moreover, Lu Rao, you don’t have a wife. You’re so understanding.

“If I don’t understand, how can you?”

Lu Rao smiled. “Who told you I don’t have a wife?”

“Damn.” Yan Shaoqing jumped up from the sofa. “What do you mean?”

“Exactly.” Lu Rao smiled again.

“Don’t tell me you’re married?” Yan Shaoqing widened his eyes in disbelief. “You don’t even have a girlfriend, how can you be married? I don’t believe it.”

Lu Rao rolled his eyes at him and said calmly, "It doesn't matter if you believe it or not. Since this was mentioned, I'll let you know in advance. You should have time for my wedding at the end of next month, right? Remember to come."

"Damn!" Yan Shaoqing was stunned. "You're really married? Are you kidding? Who are you married to? Why didn't you tell us about this? Are you really talking about marriage?"

"What do you think?" Lu Rao said.

"But why did you get married without a word?" Yan Shaoqing was still in disbelief. "You didn't reveal anything to us. Who is the bride? Do we know her? Does your family know about this?"

"I didn't tell you because she and I went to get our marriage certificate yesterday. She's just a teacher from an ordinary high school, you don't know her. Even my family only found out about this yesterday, but they liked her and accepted us.

"I'll bring her out to meet you guys someday. She's timid and shy. Yan Shaoqing, you have to behave yourself and not bring anyone you shouldn't."

Yan Shaoqing was speechless.

Why did they all look at him with disdain?

Mo Yesi didn't allow him to bring women.

Lu Rao didn't allow him to bring women.

Moreover, the reason was the same. Their little cutie would be unhappy if she saw them.

Yan Shaoqing was furious.

Would he bring an indecent woman?!

This was discrimination!

"Lu Rao, you're really married?" Mo Yesi was also shocked by this news.

"Mm." Lu Rao smiled. "I didn't think of getting married so soon. But plans can't keep up with changes. But I'm willing to accept such changes now. Ah Si, I finally understand why you married Mianmian so quickly.

"If I meet the right person, I'll want to settle her down as soon as possible. Otherwise, what if someone else takes her away?"

Mo Yesi smiled. "It's not bad to settle it early. I have to congratulate you."

### **Chapter 1993: Aren't You Sad?**

"Thanks." Lu Rao picked up a glass of wine from the coffee table and raised it.

Mo Yesi also picked up a glass of wine and clinked it with Lu Rao's.

Yan Shaoqing was speechless.

He suddenly realized that he was the only unmarried one among them.

And he didn't even have a girlfriend.

He looked at the two of them clinking glasses and couldn't understand what was going on. "Are you guys crazy? Why are you getting married so early? How hard are you guys trying to jump into the grave? I don't want to get married so early. I want to have enough fun first.

"Just wait and see. You'll definitely regret getting married early."

The moment he said that two cold eyes landed on him.

Lu Rao sneered. "What do you know as a single dog? I think you want to do it, but the person you want to get married to refused you. You don't even have the right to enter the grave. Don't you feel sad?"

"Damn, Lu Rao! Damn you!" Yan Shaoqing stomped his feet. "Take it back. We can still be brothers. Otherwise, I'll..."

"What about you?" Lu Rao sighed. "I'm just speaking the truth. Tell me, you're known as an expert in love, why can't you even get a woman?"

"You've been chasing her for more than half a year. I advise you to forget it. If you can't get her after so long, it means that she's really not interested in you. The more you pester her, the more disgusted she'll be. Get it?"

Yan Shaoqing gritted his teeth and was about to retort when he heard Lu Rao's last sentence. He pursed his lips and swallowed his words.

He sat back down.

Then, he picked his wine glass and started drinking.

Seeing his reaction, Lu Rao thought for a while and persuaded him again. "Really, you'd better let go. If she has any feelings for you, she wouldn't be so indifferent after so long. I know this is a little difficult, but there's nothing that time can't solve."

Yan Shaoqing remained silent.

As his buddy, Lu Rao couldn't take it anymore and tried to persuade him.

But he wasn't Yan Shaoqing, so he couldn't make a decision for him.

Hence, he could only persuade him.

Whether Yan Shaoqing would listen or not was none of his business.

Lu Rao only said a few words.

Sometimes, it was easy to say things that weren't personally experienced.

If he encountered a situation like that, he couldn't guarantee that he would handle it rationally.

"Ah Si, I didn't want to be a busybody, but I still want to ask, what's going on between you and Zeli?" Lu Rao looked at Mo Yesi and hesitated for a while before asking.

The Mo and Gong corporations canceled their cooperation.

Many people outside didn't know about this.

But they had already heard about it.

The moment Lu Rao asked this, the atmosphere changed.

Mo Yesi's expression darkened.

Yan Shaoqing hesitated for a while before asking, "Yes, Ah Si, what exactly happened? Why did you suddenly cancel your cooperation with the Gong Corporation? Could it be that Fourth Bro... did something overboard and made you angry?"

### **Chapter 1994: What a Coincidence, We Meet Again**

Yan Shaoqing knew how Gong Zeli felt about Qiao Mianmian.

If their partnership with the Gong Corporation was canceled because of Gong Zeli, Yan Shaoqing felt that the situation was very serious.

With Mo Yesi doing this, the Mo and Gong families wouldn't be able to get along like before.

Their relationship might fade away.

And Mo Yesi and Gong Zeli's relationship might also fade away.

They had grown up together and had known each other for many years. Yan Shaoqing didn't want this to happen.

"You don't have to know the reason." Mo Yesi had no intention of explaining. "If you're with him in the future, don't call me out. We're no longer brothers."

This was too serious.

Yan Shaoqing turned around and looked at Lu Rao for a few seconds. He mustered up his courage and said, "Ah Si, you're being too serious. We've been buddies for so many years, what can't we say to each other? We can solve it together."

"That's right, Ah Si," Lu Rao said. "If you do this, we won't be able to be brothers. What exactly happened that made you do this? Is there no room for negotiation?"

Mo Yesi's expression turned even colder. "There's no room for negotiation. You don't have to persuade me, I know what I'm doing."

"Ah Si..."

"Alright."

Mo Yesi stood up with a dark expression. "You don't have to say anything more. You guys play on your own, I'll go back first."

With that, he turned around and left the private room, not caring about the other two's reactions.

Yan Shaoqing and Lu Rao frowned as they watched him leave.

Yan Shaoqing frowned. "Lu Rao, what do you think is going on between Ah Si and Fourth Bro? It's not like there wasn't a fight before, but why is it so serious this time?"

"He really left no room for negotiation.

"Fourth Bro has known us for many years. If he and Ah Si really fall out, the rest of us won't be able to do well in the future."

"I guess this has something to do with Qiao Mianmian. Ah Si is only so irrational when it comes to her. I think it's better to ask Zeli directly instead of Ah Si.

"Let's see if there's a chance to salvage the situation after we get to the bottom of it."

"That's the only way." Yan Shaoqing sighed. "Sigh, how did this happen? I'll ask Fourth Bro. I have something else to ask him, too."

...

Mo Yesi walked out of the private room and was about to head home.

He walked to the elevator and saw a woman walking out.

Mo Yesi didn't look at her and was about to enter the elevator.

"Mr. Mo." A woman's voice sounded beside him.

Mo Yesi turned around and saw a familiar face.

It was the woman who had just walked out of the elevator.

The woman looked at him and smiled. "Mr. Mo, what a coincidence. We meet again."

Mo Yesi recognized her, but he didn't say anything. He just looked at her expressionlessly.

"Mr. Mo, don't you remember me?" The woman didn't seem to mind. She smiled and said, "I'm Tang Ya. I'm friends with your mother. I've been to your house once."

### **Chapter 1995: Don't Act So Familiar With Me in the Future**

Mo Yesi recognized her.

When Madam Mo brought Tang Ya back to the Mo Residence for the first time, he felt that there was something wrong with her.

At that time, he paid more attention to her.

Hence, he recognized her.

But Tang Ya was a stranger to him, so he didn't intend to greet her even if he recognized her.

Now that Tang Ya had introduced herself again, Mo Yesi simply nodded. "Miss Tang."

He was about to enter the elevator and she called him again.

“Mr. Mo.”

“Miss Tang, is there anything else?” Mo Yesi sounded a little impatient.

“Mr. Mo, I just wanted to tell you that you should go back and visit Madam Mo when you’re free.” Tang Ya’s voice was soft and gentle, and she didn’t mind his coldness. “Madam Mo is always talking about you. She cares a lot about you. Mr. Mo, you don’t have to be angry with your mother.”

“My relationship with my mother is our family’s business. It has nothing to do with an outsider like you.”

In the face of Tang Ya’s kind persuasion, Mo Yesi was cold and said without giving her any face, “Miss Tang, it’s best you don’t get involved in other people’s family matters. Moreover, I’m not familiar with you, so it’s not appropriate for you to say this to me.”

Tang Ya’s calm expression cracked.

Her expression stiffened for a few seconds.

“Mr. Mo, I only meant well. Your mother and I are friends, so I can’t bear to see her depressed all day. If Mr. Mo thinks I’m being nosy, I won’t say it again.”

“You’re really nosy.” Mo Yesi narrowed his eyes and said coldly, “It’s good that you realize this. Don’t act so familiar with me in the future.”

With that, he turned and entered the elevator.

The elevator doors closed.

Tang Ya bit her lip and her expression darkened.

This Mo Yesi...

She took a deep breath and tried to suppress her anger.

She had learned to control her emotions many years ago.

Few people could anger her anymore.

She thought that she was already good at managing her emotions.

But she was easily angered by Mo Yesi.

He didn’t behave normally.

No one else would have said that to her.

He didn’t show any mercy.

It seemed like the information she found out was accurate. Second Young Master Mo was cold and had a bad temper. He wasn’t someone who liked to play by the rules, so he was also a difficult person to deal with.

Tang Ya stood at the elevator with a dark expression for a while. Just as she turned around, another elevator stopped.

The woman in the elevator was stunned to see her. "Miss Tang."

Tang Ya looked up and saw Shen Rou walking towards her. She said calmly, "Did you see anyone you know downstairs?"

"Someone I know?" Shen Rou was stunned. "Who?"

"Mo Yesi just went down. You didn't see him?"

Shen Rou's expression changed.

She shook her head.

Tang Ya turned around and said, "Let's go."

"Alright." Shen Rou wasn't as arrogant as before. She spoke very politely to Tang Ya. When Tang Ya said to leave, she immediately followed her.

They walked to a private room and entered it.

### **Chapter 1996: I Advise You to Grab Your Popcorn And Watch the Spectacle**

The matter between the Gong and Mo corporations was finally resolved.

Although Gong Zeli was prepared and had been getting the public relations department to suppress the news, it was such a huge matter.

The first person to expose this was an employee who claimed to be working at the Gong Corporation.

Initially, the netizens didn't believe it.

Because the Gong and Mo families were long-time friends and the two families had been working together for so long, not many people would believe it if someone suddenly said that the two families canceled all their partnerships.

But later, many people revealed that the project between the corporations had indeed been suspended. Some netizens started to believe it and found a lot of evidence.

The netizens realized that all the cooperation between the Gong and Mo families had been suspended.

Both families were top-notch enterprises in Yuncheng City.

It wasn't halted because of money.

It would be a huge loss if they suddenly stopped working together.

To halt the cooperation while ignoring these losses was concrete evidence that both families had fallen out.

This matter was rather sensational.

The netizens started discussing fervently.

"Damn, this wave seems very powerful."

“The Gong and Mo families fell out?! Weren’t the two families doing well? I heard that the young masters of the Gong and Mo families are very good friends. Why did they suddenly fall out?”

“I just came back from District T. Believe it or not, this happened because of a woman. And you definitely won’t believe who she is!”

“Damn, my sister upstairs, finish your sentence. Who is this woman you’re talking about? Please tell me, alright?”

“I just went to District T to enjoy the spectacle as well. I’ve attached the link. Go take a look yourself. The popcorn was so sweet and delicious. It’s the most shocking one of all the popcorn I’ve eaten recently. Believe me, when you finish watching the spectacle, your mind will definitely be filled with ‘holy shit’.”

The person sent a link to the comment section.

Many netizens clicked on it.

After a while.

The netizens came back to comment.

“Damn, damn, I’m back. I advise you guys to watch that melon. It’s really exciting!”

“So, Qiao Mianmian’s boyfriend isn’t actually a relative of the Mo family, but the Young Master of the Mo family. No wonder he has so much power. He bought over the Su Corporation when he said he wanted to.”

“That’s right. No wonder Yan Shaoqing and the other rich second-generation heirs followed him the moment he registered on Weibo. They even reposted his Weibo and called him Big Brother. It wouldn’t be strange if he’s the Second Young Master of the Mo family.”

“Am I the only one who thinks Qiao Mianmian is a b\*tch? She’s already with Mo Yesi and has an ambiguous relationship with Young Master Gong. Now that the two men’s relationship is so strained because of her, they can’t even be brothers anymore. She’s a femme fatale.”

“Uh, that’s my dream. Think about it, two super handsome guys, rich and handsome, willing to treat you well, and even fighting for you. This experience is really good.”

“I don’t think it’s Qiao Mianmian’s fault. Maybe she didn’t do anything. Her face is really attractive to men. My brother said that Qiao Mianmian is the type that many straight men like. I think she’s very beautiful.”

#

### **Chapter 1997: You’re Not Willing to Answer?**

“The comments are too unfriendly. Do women have to be so mean to other women? Isn’t the so-called ambiguous relationship between Qiao Mianmian and Gong Zeli all created by the media? She publicized her relationship very early on. Just based on this point, I feel that she’s very responsible. It’s not her fault that she’s good-looking and others like her. Why is it all her fault?”

“I think Qiao Mianmian is really impressive. It’s definitely impressive for two outstanding men to do this for her. If she produces a book that teaches us to flirt, I’ll definitely be the first to buy it.”

“If these rumors are true, Chairman Mo is really angry for a beauty. If a man treats me like this, I’ll die without regrets.”

“If Qiao Mianmian’s boyfriend is really the Chairman of the Mo Corporation, then I think she’s too low-profile. She didn’t say anything even with such an impressive boyfriend.”

“Previous poster, it’s not that she didn’t want to say it, but she didn’t have the right to. If she wanted to make it public, was he willing to let her do it? The man is the Chairman of the Mo Corporation, how can he be serious with a small artiste like her? What boyfriend? It sounds nice. I think he’s her sugar daddy.”

The netizens were in an uproar.

#GongCorporationAndMoCorporation’sBreakUp

#QiaoMianmian’sBoyfriend’sRealIdentity

#Qiao MianmianFemmeFatale

These were the top three trending topics.

...

Qiao Mianmian was doing the last round of publicity for the new show in Y City.

She had just left the venue when she saw many reporters outside.

The reporters swarmed Qiao Mianmian when they saw her.

“Qiao Mianmian, what do you think of today’s news? Is what was revealed true? Was the breakup between the Mo and Gong corporations really because of you?”

“Qiao Mianmian, is your boyfriend really the Chairman of the Mo Corporation?”

“Qiao Mianmian...”

Qiao Mianmian was surrounded by reporters.

Numerous microphones and recorders were pointed at her, and the lights kept flashing.

“Make way, don’t squeeze in.” Nana reached out to protect her.

But the reporters didn’t care. They all wanted to get first-hand news. “Qiao Mianmian, please answer our questions. Is the news true? Did the Gong and Mo corporations terminate their cooperation because of you?”

Qiao Mianmian was stunned as she looked at the agitated reporters.

How did they know about this?

Moreover, how did they know Mo Yesi’s true identity?

“I’m sorry, I can’t answer anything now. I’ll explain it to everyone later.” Qiao Mianmian didn’t know what had happened, so she definitely couldn’t answer their questions.

She just wanted to find out what had happened.

After saying that, she lowered her head and apologized. “I’m really sorry. Please make way. Let us out.”

The reporters couldn’t get the information they wanted. How could they let her go?

“Qiao Mianmian, are you admitting that you’re not willing to answer?”

“So, are the rumors online true? Did Young Master Mo and Young Master Gong really have a conflict and terminate the cooperation between the two families because of you?”

“I’m sorry, I don’t know anything. I really can’t answer.” Qiao Mianmian was forced back step by step by the reporters. Just as wondering what to do, a hand reached out from behind her and she bumped into a hard embrace.

A familiar scent surrounded her.

She looked up in shock.

The man’s handsome features entered her eyes. She widened her eyes and murmured, “Mo Yesi, why are you here...”

Mo Yesi didn’t say anything. After embracing her, he looked at the group of reporters coldly.

“If you have any questions, you can ask me..” He said coldly, “Make an appointment with my assistant first. I’ll choose a time to answer you.

“But before that, if you continue to harass my woman like this, I won’t let you have the chance to interview her in the future.”

The moment Mo Yesi appeared, the group of reporters pressing Qiao Mianmian a moment ago was shocked by his aura. For a moment, no one dared to step forward.

They were asking Qiao Mianmian about Mo Yesi.

Now that the main character had appeared, no one dared to ask anymore questions.

Mo Yesi left with Qiao Mianmian.

The reporters didn’t dare to block them anymore. They automatically made way and watched them leave.

After they left, a group of reporters snapped photos of their backs.

Although they didn't get the information they wanted today, Mo Yesi's arrival was enough for them to write a very juicy piece of news.

...

Qiao Mianmian was still in a daze after getting into the car with him.

She turned to look at the man beside her and blinked. "Mo Yesi, why are you here? Aren't you at work today?"

Uncle Li was sitting in the front row.

After Mo Yesi got into the car, Uncle Li asked, "Young Master, where are we going?"

"To the airport."

"Airport?" Qiao Mianmian was stunned. "No, my luggage is still at the hotel. I..."

"Get your assistant to pack it for you."

"Alright." Qiao Mianmian didn't harp on this anymore. She took out her cell phone and called Nana. After saying a few words, she hung up.

She repeated her question. "You haven't answered me. Why are you here?"

"I came to look for you, of course." Mo Yesi looked at her expressionlessly. "Otherwise, why do you think I came?"

"I thought you might be on a business trip..."

"Mm, I'm on a business trip. I came to look for you, right?"

Qiao Mianmian was speechless.

Why did she sense a hint of unhappiness in his tone?

It was as if he had something against her.

She thought for a while and felt that she didn't do anything to anger him.

Was he unhappy because of what the reporters said?

"That's not what I meant. It's just that I haven't seen you in a long time. I'm a little surprised to see you all of a sudden."

"Mm." Mo Yesi nodded and smiled. "As you know, we haven't seen each other in a long time."

Qiao Mianmian was speechless.

There was something wrong with his tone.

It sounded normal, but from her understanding of him, Qiao Mianmian felt that he was unhappy.

#

## Chapter 1999: He Really Seemed to Be Sticking to Her

And it was because he was unhappy.

After confirming this, Qiao Mianmian glanced at the man's expression and carefully said, "Mo Yesi, are you angry? Did I do something to make you unhappy?"

"You can tell me directly."

Mo Yesi kept quiet for a while. "You don't know why I'm unhappy?"

Qiao Mianmian was silent for a while, too. Then, she looked at his expression and slowly said, "Is it because of the news today?"

When she called Nana, she saw a post.

Then, she roughly knew what the reporters were talking about.

Because of those scandals, she and Gong Zeli were in another scandal.

.

She knew what he was thinking.

It was normal for him to feel uncomfortable.

Qiao Mianmian guessed that he was unhappy because of this.

"I don't know why the news came out. I..." She tried to explain.

"It has nothing to do with the news." Mo Yesi didn't know what to say.

She really didn't know why he was unhappy.

So...

Was he only sulking?

He was so angry that he deliberately ignored her.

She thought that no matter how slow she was, she should be able to sense his emotions. But she didn't.

Until now, she still didn't know anything.

Mo Yesi felt even more upset.

After all this time, he was the only one paying attention to her.

And she was obviously heartless.

"It's not because of the news?"

As expected, Qiao Mianmian looked even more confused. She blinked innocently. "Then, why? Mo Yesi, why are you angry? Tell me."

“Is it because someone saw me talking to Gong Zeli in Ning City? I can explain this. I didn’t know that he would also go there. Moreover, it was a coincidence that we met. I...”

“Qiao Mianmian, are you trying to anger me to death?” Mo Yesi took a deep breath and told himself silently, “My wife is mine, I have to pamper her even if I have to kneel.”

“I-I really don’t know why you’re angry.” Qiao Mianmian looked even more innocent and aggrieved. “Tell me.”

Mo Yesi was speechless.

Forget it, he shouldn’t have expected anything.

“I’m not angry.”

“But you said you were angry.”

“I said it casually, you don’t have to take it seriously.”

“But you’re really angry.” Qiao Mianmian blinked. “I know I must have angered you somehow. Tell me. If I did anything wrong, I’ll apologize to you, alright?”

“You’re not saying anything. I don’t know what you’re angry about.”

“You didn’t do anything wrong.” Mo Yesi rubbed his temple. He recalled Yan Shaoqing saying that he was too clingy and didn’t think much of it. But now that he thought about it, he really seemed to be sticking to her.

He always missed her when she wasn’t around.

He felt like something was missing.

Especially when he fell asleep at night.

He wasn’t used to living without her.

But she didn’t seem to be like this.

### **Chapter 2000: Pretend I Didn’t Say Anything**

She was fine without him.

He was the one more attached to this relationship.

He knew this wasn’t good.

He never expected himself to be like this.

The word “clingy” could actually be used on him.

Actually, Qiao Mianmian didn’t do anything wrong. She just wasn’t as clingy as other women.

That was why he felt neglected.

“Baby, you didn’t do anything wrong. It’s my fault. I didn’t manage my emotions well.”

He knew that she was busy.

He knew that she didn't mean to neglect him.

But he was still angry with her because he felt that she didn't care enough about him.

This was no different from those unreasonable women.

Qiao Mianmian was still confused.

Mo Yesi patted her head. "It's alright, just pretend I didn't say anything."

Qiao Mianmian was speechless.

She could tell he was angry, but he refused to tell her the reason.

It was said that women were hard to read.

She felt that Mo Yesi was the same.

She couldn't even guess why he was angry with her.

But since he didn't want to say it, Qiao Mianmian didn't ask further.

"You really aren't angry?"

"Mm." Mo Yesi nodded.

He was angry at himself.

"Really?"

"Mm."

"Alright." Qiao Mianmian nodded.

She changed the topic. "Have you seen the posts on Weibo? The netizens seem to have discovered your true identity."

"So be it," Mo Yesi said nonchalantly. "It doesn't affect me, but it does seem to affect you a little. Have you thought of how to respond to this?"

Mo Yesi had always wanted to make their relationship public.

He chose to hide his identity because he wanted to cooperate with her.

In fact, now that his identity was exposed, Mo Yesi was secretly happy.

This was a good thing for him.

In the future, everyone would know that Qiao Mianmian was his woman.

He wanted to see who else dared to covet her.

Qiao Mianmian lowered her head and thought for a while. "I'll give Sister Xie a call first."

After all, Linda was her manager.

Qiao Mianmian had to discuss some things with her. She couldn't do whatever she wanted.

Although, Linda couldn't do anything to her.

She quickly picked up the call.

"Mianmian, did you see the news?" Linda asked.

"Mm, I saw it."

"Have you thought about how to respond?"

"I'm still thinking about it. Sister Xie, how do you think I should respond?"

Linda was silent for a while.

"Chairman Mo's identity being exposed doesn't actually have any negative impact on you. On the contrary, now that everyone knows that he's your boyfriend, it's a good thing for you. What you need to settle is another matter.

"But this isn't easy to resolve unless both sides clarify it."

Linda was referring to Gong Zeli and Mo Yesi's friendship breaking up because of her.

"Eh..." Linda suddenly exclaimed.

"Sister Xie, what's wrong?"

"Gong Zeli clarified it on Weibo." After a few seconds, Linda said, "Then, this matter can be resolved. Let Chairman Mo post on Weibo to clarify it, and this matter will pass."
