

Big Shot 2011

Chapter 2011: Ah Si, What Do You Want to Do?

“Grandma, Mom.”

Qiao Mianmian took out two boxes from the bag she was holding and handed one to Old Madam. “This is a gift I brought back. I hope you’ll like it.”

Qiao Mianmian bought these gifts from Y City.

“A gift?” Old Madam received the box happily. “You only just got back, what gift did you prepare?”

Qiao Mianmian nodded and said softly, “It’s not anything expensive. It’s just that when I was in Y City, I saw some unique things and bought some. Grandma, don’t mind it.”

“I don’t mind. It’s good enough that you have this intention.” Old Madam took the box and opened it with a smile.

Qiao Mianmian really didn’t buy anything expensive.

Because she felt that the Mo family didn’t lack anything.

Hence, she bought something special.

She bought Old Madam a scarf embroidered with a few crepe myrtle flowers.

Embroidered scarves were sold everywhere.

But this embroidery was different.

“The embroidery is really nice. I like this flower, too.” Old Madam wasn’t unhappy just because she received a worthless scarf. On the contrary, she quite liked it.

“Mianmian, Grandma likes it very much. You’ve put in a lot of effort.”

Old Madam’s attitude made Qiao Mianmian feel that her previous worries were a little “petty”.

“As long as Grandma likes it.” Qiao Mianmian handed another box to Madam Mo. “Mom, this one’s for you.”

Madam Mo looked up calmly.

She was obviously uninterested in her gift.

But since Mo Yesi and Old Madam were standing at the side, she still reached out to receive it.

She handed it to the housemaid. “Keep it.”

She had no intention of opening it.

Mo Yesi frowned. “Mom, aren’t you going to open it and see what it is?”

“No need, I’ll open it later.”

Mo Yesi frowned again, his expression a little dark. His thin lips moved as if he wanted to say something.

Qiao Mianmian tugged at his sleeve. "Mom said she'll open it later. The gift is for her, she can open it anytime she wants."

"Mom, let's get down to business."

Madam Mo looked at Qiao Mianmian and said coldly, "Ah Si, your grandma did ask you to come back for something. Your grandma and I saw the news. They said that you broke up with the Gong Corporation and took back all the cooperation between the Mo and Gong corporations. Is that true?"

Old Madam looked at him.

"Ah Si, is what your mom said true?"

Mo Yesi smiled calmly and nodded. "Mm, it's true."

Old Madam was stunned and her expression changed.

Madam Mo said, "I thought it was the media being unscrupulous again. I didn't expect it to be true. Ah Si, what are you trying to do? We and the Gong family have always been on good terms, and our cooperation has always been good. Why are you doing this?"

Chapter 2012: There's No Smoke Without Fire

"Do you know how much losses we'll suffer if you do this?"

"Of course I know." Mo Yesi's expression was still calm. "I know what you're thinking about. Mom, Grandma, I know what to do with the company, you don't have to worry."

"Ah Si, do you know what you're doing?" Madam Mo asked angrily.

"Of course I know. Since the company has been handed to me, it's my own business. Grandma, why are you worrying about this? Are you worried that I can't manage the company well?"

"Don't you know what your grandson is capable of?"

Old Madam was silent for a while.

"Ah Si, of course I know what you're capable of. Otherwise, your dad wouldn't have handed the company to you. But isn't this too sudden? Our families have always been on good terms, why did things suddenly become so tense?"

"You should tell us why."

"What else could it be for?" Madam Mo glared at Qiao Mianmian and said in an unfriendly tone, "I saw on the news that it was because of Mianmian. It said that the Gong family's devil is interested in Mianmian and Ah Si did this because of her."

"Ah Si, Mianmian, shouldn't you tell us the truth?"

Madam Mo's words were targeted at Qiao Mianmian.

Qiao Mianmian was about to say something when Mo Yesi grabbed her hand.

He held her hand and looked up at Madam Mo. "Mom, don't you see that the media is reporting nonsense just to attract attention? I thought that outsiders wouldn't understand, so I didn't believe such a ridiculous rumor. Why are you starting to believe such nonsense?"

Madam Mo was stunned. Seeing how protective her son was of Qiao Mianmian, she felt jealous.

She had given birth to him after 10 months of pregnancy.

But now, he had forgotten his mother.

Madam Mo was both disappointed and angry.

"There's no smoke without fire." She said coldly, "With such a rumor, it means that this might be true. Otherwise, why did they spread it? Ah Si, I know you're defending your wife, but you have to see the truth for what it is.

"Everything you do affects the company's future development. You can't make decisions based on personal feelings. Our Mo and Gong families have been on good terms for so many years. How are we going to get along with each other in the future if you do this?

"How can you be so impulsive?"

Mo Yesi frowned. "I've already said that this has nothing to do with Mianmian. Mom, if you don't believe me, why would you believe those rumors? The Mo and Gong families' relationship is private, but the Mo Corporation canceled their cooperation with the Gong Corporation because of business considerations. It has nothing to do with anything else."

"But..." Madam Mo didn't believe him and wanted to retort.

"Enough. Wenpei, stop talking."

Old Madam said in a low voice, "I believe in Ah Si. He has always had his own considerations and has never made us worry."

"But Mom..."

"Alright, you should trust your son and daughter-in-law."

"But what about the relationship between us and the Gong family?" Madam Mo was obviously unwilling to let it go. "Won't the two families become enemies in the future?"

Chapter 2013: I Won't Let You Off

Old Madam was about to speak when a housemaid walked over.

"Old Madam, Madam, the Shangguan family is here."

Old Madam was stunned. "The Shangguan family? Why are they here?"

Mo Yesi narrowed his eyes when he heard that.

"Quickly, invite them in." The Mo family wasn't familiar with the Shangguan family. One was in Yuncheng City, and the other was in another city.

But because they'd met a few times, they knew each other.

However, their relationship was very ordinary..

The Shangguan family was also prominent, so Old Madam spoke politely.

Soon, she heard footsteps.

A petite female voice sounded. "Dad, why do you have to make me come here? I've told you, I have something on later. I've made an appointment with a friend..."

"Shut up." An angry voice reprimanded the girl. "Be good and apologize to him later. If you don't do this well, I'll deduct all your allowance."

"Dad!"

"I told you to shut up. Behave yourself later. If you cause any trouble, I won't let you off."

Old Madam frowned when she heard the conversation.

Qiao Mianmian looked up and saw a couple walking in.

She didn't know the man, but she knew the woman.

It was Shangguan Qing.

Shangguan Qing looked reluctant, as if she was being forced to do something.

Although Qiao Mianmian had never seen the man beside her, she heard Shangguan Qing call him Dad.

This man must be her father.

They looked alike.

Shangguan Hua walked in with Shangguan Qing.

Shangguan Qing suddenly saw Qiao Mianmian sitting on the sofa. Stunned, her eyes widened in shock.

"Qiao Mianmian, why are you here!"

Shangguan Hua frowned.

"Qingqing, you haven't greeted Old Madam and Madam Mo. What did I tell you before we came? Why are you yelling!"

"No, Dad." Shangguan Qing pointed at Qiao Mianmian and said angrily and in shock, "Do you know that Brother Zeli refuses to agree to the marriage because of this vixen? She's a shameless woman who specializes in seducing other men."

Besides Madam Mo, Old Madam and Mo Yesi's expressions darkened.

Especially Mo Yesi.

Old Madam threw the cup of tea that the housemaid brought over onto the ground.

The sound of the teacup hitting the ground stunned Shangguan Qing.

She looked up and saw Old Madam looking at her coldly. Her heart skipped a beat.

She couldn't make a sound.

"Where did this wild girl come from? How dare she say that to Young Madam Mo?!"

Old Madam knew Shangguan Hua, so she actually knew Shangguan Qing's identity.

She said that on purpose.

"What, this vixen is the Young Madam of the Mo family? Are you mistaken? She's just a lowly actress, how could she be the Young Madam of the Mo family?" Shangguan Qing was in disbelief.

She said excitedly, "You must be mistaken."

"How dare you!" Old Madam's expression darkened. "Uncle Zhang, get someone to chase this unruly girl out immediately."

Chapter 2014: I've Never Taught You to Say Such Mean Words

"Old Madam, please calm down. I'm Shangguan Hua of the Shangguan family. This is my daughter, Shangguan Qing." Seeing that Old Madam was angry, Shangguan Hua scolded this daughter of his in his heart a thousand times. He turned around and slapped her.

Bam!

Shangguan Qing's face swelled up quickly.

She covered her face in pain and looked up at her father in disbelief. "Dad, you, you hit me!"

"You're asking for a beating!" Shangguan Hua hit his daughter in the face and hurt himself, but he had to show his attitude to Old Madam and the rest of the Mo family. "I've never taught you to say such mean words. Where are your manners?"

"Did I say something wrong!" Shangguan Qing got even more agitated. "She's a fox..."

"Shut up!" Shangguan Hua was afraid that his daughter would say something wrong again. He slapped her again and said angrily, "How did you talk to Young Madam Mo? You're really infuriating."

"Dad, you hit me again!" Shangguan Qing couldn't believe that her father would slap her twice.

She turned around and glared at Qiao Mianmian. "I wasn't wrong. She was shameless, to begin with. She seduced Brother Zeli!"

Shangguan Qing didn't believe that Qiao Mianmian was the Young Madam of the Mo family.

She had gotten someone to investigate it before.

The Qiao family was just an ordinary family. At most, they were nouveau riche.

Qiao Mianmian's family background wasn't even presentable.

Even if she had a rich boyfriend, he'd just play around with her.

Hence, Shangguan Qing didn't take Qiao Mianmian seriously at all.

But she suddenly saw Qiao Mianmian in the Mo Residence.

Old Madam Mo even said that she was Young Madam Mo.

This shocked Shangguan Qing.

If Qiao Mianmian was Young Madam Mo, then her so-called boyfriend...

Shangguan Qing suddenly recalled that Qiao Mianmian had a boyfriend from the Mo family.

Could it be that her boyfriend wasn't from the side family?

Shangguan Qing called Qiao Mianmian a vixen, causing Old Madam's expression to turn awful.

Qiao Mianmian was now the Young Madam of the Mo family.

Shangguan Qing was insulting the Mo family in their own residence.

How could she tolerate this?

Regardless of whether the situation was cleared or not, she already detested Shangguan Qing.

Old Madam looked amiable and had no temper.

But Qiao Mianmian was one of the people she liked.

Old Madam was no longer kind to Shangguan Qing.

Old Madam's expression was very gloomy. She looked at Shangguan Qing with disgust and said angrily, "Mr. Shangguan, is this the upbringing of your Shangguan family? Your daughter has no manners at all and keeps insulting my granddaughter-in-law. Does your Shangguan family think that our Mo family is easy to bully!"

"No, Old Madam, don't be angry. I didn't mean that at all." Shangguan Hua saw that Old Madam's expression was so awful, grabbed Shangguan Qing, and walked forward. He said anxiously, "Old Madam, I brought my daughter here today to apologize to Young Madam Mo.

"There was a misunderstanding between my daughter and Young Madam Mo, and some unpleasant things happened previously."

Chapter 2015: Send Them Off

"That's why I brought her here to apologize to Young Madam Mo.

"Qingqing, hurry up and apologize to Young Madam Mo!" Shangguan Hua pushed Shangguan Qing towards Qiao Mianmian.

How could Shangguan Qing apologize to her?

She was about to retort when she heard a cold voice. "No need. Mr. Shangguan said that he brought your daughter to apologize to me, but I think you brought her here to scold me again.

"It's bad enough that you scolded me on the set, but now you're scolding me at home. Even if Mr. Shangguan and Miss Shangguan look down on me, you can't treat my family like this. It's alright to slap my face, but to slap my family's face..."

Qiao Mianmian said coldly, "That won't do..

"Your daughter is full of nonsense. I suggest that Mr. Shangguan take your daughter to the hospital immediately. It might be too late if you delay."

Old Madam was a little surprised by Qiao Mianmian's words, and then looked at her in admiration.

She thought that her granddaughter-in-law would be soft and easy to bully.

She was a little surprised by how things were handled.

Old Madam was relieved.

She liked a soft and obedient granddaughter-in-law.

But Old Madam hoped that the obedient granddaughter-in-law would still have some opinions and temper. Only then would she be able to resolve the matters at the crucial moment.

After all, she was going to be the head of the household in the future. It wasn't good to be too soft-hearted.

Shangguan Hua and Shangguan Qing's expressions changed.

"Uncle Zhang, send them off!" Qiao Mianmian didn't care what the father and daughter were thinking and immediately chased them out.

Uncle Zhang was very cooperative. He immediately went forward and said respectfully, "Yes, Second Madam."

"Mr. Shangguan, Miss Shangguan, our Second Young Madam doesn't want to see you anymore. You should leave."

Although the Shangguan family was also prominent, this was Yuncheng City.

Moreover, the Shangguan family was not as powerful as the Mo family.

Otherwise, Shangguan Hua wouldn't have brought Shangguan Qing to the Mo Residence to apologize.

But his plan was ruined by Shangguan Qing.

Shangguan Hua came here because he found that anyone who the Shangguan family talked to would reject him immediately.

Moreover, they wouldn't give any reason. They just said that they had no intention of working with them.

One or two times was okay.

But in the past few days, more than ten companies were like this.

Shangguan Hua knew that this was abnormal.

He got someone to investigate and finally found out the reason.

It turned out that no company in Yuncheng City was willing to work with the Shangguan family because someone gave them an ultimatum.

And the person who did that was none other than Chairman Mo.

The Mo Corporation was the boss of Yuncheng City.

No one dared to offend them.

No one dared to disobey Mo Yesi.

Shangguan Hua felt that Mo Yesi was still angry with the Shangguan family because of what happened previously.

It was all because of Shangguan Qing.

That was why Shangguan Hua brought her to the Mo Residence.

He hadn't achieved his goal. How could he leave so easily?

Chapter 2016: The Lesson Was Too Light

"Chairman Mo, I brought Qingqing here this time because I wanted her to apologize to your wife. Chairman Mo, Qingqing is young and insensible. I've already punished her previously. I'll punish her properly when we get back. Chairman Mo and Young Madam Mo, please be magnanimous and forgive her this time."

Mo Yesi looked at him coldly. "Young and insensible? So she can insult my wife?"

"No, Chairman Mo..."

"Shangguan Hua, you'd better take good care of your daughter. Otherwise, someone will help you discipline her. If it was someone else, she probably wouldn't be standing here safe and sound." Mo Yesi glanced at Shangguan Qing.

His gaze made Shangguan Qing feel as if she had been thrown into a pool of ice. Coldness seeped into her bones, and she couldn't help but tremble. Fear emerged uncontrollably.

Shangguan Hua was also frozen by this gaze.

"Chairman Mo, what do you mean?"

Mo Yesi glanced at him coldly and then instructed Uncle Zhang. "Uncle Zhang, what are you still standing there for? Didn't you hear what Young Madam said just now?"

"Mr. Shangguan, Miss Shangguan, please." Uncle Zhang was no longer as polite as before. He gestured for them to follow him.

It was no different from chasing them out.

“Chairman Mo...”

“Mr. Shangguan, please.” Uncle Zhang didn’t give him another chance to speak. Just as he said the word “please”, bodyguards walked in and pincered Shangguan Hua and Shangguan Qing.

The situation was obvious.

If they refused to leave, the bodyguards would chase them away.

Even if Shangguan Hua was unwilling to leave, he couldn’t ignore his pride and let the Mo family’s bodyguards chase him out.

“Chairman Mo, Young Madam Mo, I know you’re still angry. I’ll definitely get Qingqing to apologize to Young Madam Mo someday.”

With that, Shangguan Hua grabbed Shangguan Qing’s arm and said, “Qingqing, let’s go.”

“But Dad...” Shangguan Qing looked at Qiao Mianmian in shock. She couldn’t understand why a lowly actress would suddenly become the Second Young Madam of the Mo family.

“Let’s go!”

Shangguan Hua grabbed her arm and dragged her away.

A moment later, the hall returned to silence.

“Old Madam, have some tea to cool down.” Uncle Zhang took a cup of tea from a housemaid and handed it to Old Madam. He said slowly, “Don’t let anger consume you because of such a person. It’s not worth it.

“I’ll go and lecture the people downstairs later. I won’t let them in anymore.”

Old Madam took the teacup and sipped it. As she listened to Uncle Zhang’s gentle persuasion, she slowly calmed down.

But she was still angry. “Who does the Shangguan girl think she is? How dare she bully my granddaughter-in-law? Does she think the Mo family is easy to bully?”

“Grandma, don’t be angry. I’ve already taught them a lesson.”

Mo Yesi narrowed his eyes. “But the lesson was too light.”

Qiao Mianmian’s heart warmed when she saw how angry Old Madam became and how protective Old Madam was of her.

She thought that Old Madam would suspect her and Gong Zeli after hearing what Shangguan Qing said.

Chapter 2017: I Won’t Tolerate It

But Old Madam still defended her.

Qiao Mianmian felt lucky.

Mo Yesi was very protective of her.

Old Madam was also protective of her.

Even if she couldn't gain the favor of everyone in the family, it was enough for her.

"Grandma, don't worry. I won't let anyone bully me. If anyone bullies me, I'll definitely retaliate." Qiao Mianmian walked to the Old Madam and squatted by her feet. She looked up at her and said softly, "Uncle Zhang is right.. Grandma, don't be angry at someone unworthy. If your health suffers, our hearts will ache."

Old Madam liked her obedient look.

She patted her head. "Mm, I like the way you handled it. As the Young Madam of the Mo family, you don't have to tolerate them, especially when others don't take you seriously.

"If you tolerate it, they will only think that the Mo family is easy to bully.

"When it's time to teach others a lesson, show them the Mo family's dignity."

Qiao Mianmian was still wondering if what she did was inappropriate.

If the Shangguan and Mo families had a good relationship, wouldn't her actions affect their relationship?

But Old Madam actually praised her.

This gave Qiao Mianmian more confidence.

At least she would know what to do when she encountered such situations in the future.

"Grandma, don't you blame me for chasing the guests away?"

"They're not guests. Our Mo family doesn't have such guests. Even if you didn't do this, Grandma would have gotten someone to chase them away. So, you did very well. Grandma doesn't blame you."

"Hmph."

The happy atmosphere was ruined by a cold snort.

Madam Mo said sarcastically, "Mom, didn't you hear what the Shangguan girl said?"

Old Madam turned around.

Madam Mo added, "Previously, the rumors online were all fake. But now that they've come knocking, it seems suspicious. Would they have said those words otherwise?

"Even if those words aren't nice, they can't be fake.

"I don't expect Ah Si's wife to be a virtuous lady, but at least she has to be clean and not ruin our reputation. Mianmian, shouldn't you explain this to us?"

Madam Mo looked at Qiao Mianmian sharply.

“Wenpei, what are you doing?” Old Madam frowned.

“Mom, I’m responsible for the Mo family and Ah Si. Mianmian is Ah Si’s wife now, and she’s also a member of the Mo family. A married woman has to watch her words and actions. I believe there’s no smoke without fire. I just want to know what the matter that Shangguan girl was talking about is.

“If she can’t explain herself, I won’t tolerate it.”

Qiao Mianmian stood up.

“Mom, there’s nothing between me and Gong Zeli. Shangguan Qing saw some scandals between me and Gong Zeli and decided there was something between us. But those scandals were originally written by the unscrupulous media.”

Chapter 2018: Is This How He Talks to Me?

Qiao Mianmian was explaining to Old Madam rather than Madam Mo.

She did have some scandals with Gong Zeli.

Shangguan Qing had caused trouble again.

Although Old Madam’s attitude towards her hadn’t changed, and she seemed to trust her, it was inevitable that she would waver after hearing too many rumors.

Qiao Mianmian didn’t care what Madam Mo thought, but she didn’t want Old Madam to misunderstand her.

Unexpectedly, Madam Mo only sneered after hearing her explanation. “Is that so? Rumors aren’t made up out of thin air, right? It’s fine if it’s just once, but it’s been so many times. Is there really nothing wrong?”

Madam Mo seemed a little aggressive.

.

Qiao Mianmian frowned and was about to speak when Mo Yesi grabbed her hand and stood in front of her. He said coldly, “Mom, I trust my wife. Are you trying to force her to admit something by questioning Mianmian like this?”

“What do you mean? I just want to know what happened. I’m doing this for your own good.”

“If you were really doing this for my sake, you wouldn’t treat Mianmian like this. You were unhappy with Mianmian’s family background previously and were very picky. Mianmian’s current family background is enough to match our Mo family, but you’re still unhappy with her.

“I thought you’d change your mind. It seems like I was wrong.

“Since you can’t even trust me, don’t bother about me and Mianmian in the future.”

“W-What do you mean?” Madam Mo was furious.

"You can understand it in whatever way you want." Mo Yesi turned around and said to Old Madam, "Grandma, Mianmian just came back today and hasn't had much rest. If you don't have anything else, I'll take her upstairs to rest."

"Go, go." Old Madam waved her hand. "Let Mianmian have a good rest."

"Mianmian, let's go."

Mo Yesi didn't bother about Madam Mo anymore. After informing Old Madam, he led Qiao Mianmian upstairs.

"Mom, look..."

Madam Mo was furious. "Look at his attitude. I'm his biological mother. Is this how he talks to me?"

Old Madam couldn't even be bothered to talk to her.

"It's not like you don't know how much Ah Si loves his wife. You're talking about his wife like this in front of him, do you think he'll still have anything good to say to you? Wenpei, you'd better be careful. You'd rather believe the nonsense outside than your son and daughter-in-law. If you continue being like this, your two sons and daughters-in-law will become enemies with you in the future."

"You'll only be happy if you ruin this family."

"Mom, you know that I'm doing this for Ah Si's sake. What do you mean by I'd rather believe in the nonsense outside? Aren't you worried?"

"Worried about what?"

"Aren't you worried that she and Gong Zeli..."

"Shut up." Before she could finish, Old Madam scolded her. "I know what kind of person my granddaughter-in-law is. I don't want to hear these rumors from you again. Uncle Zhang, I'm tired. Help me upstairs."

Old Madam didn't want to talk to Madam Mo anymore.

Because she felt that Madam Mo was hopeless.

Her daughter-in-law wasn't smart.

Her son was to blame.

He had pampered her for so many years.

Chapter 2019: Why Aren't You Asking Me Why I Called for You?

Soon, Uncle Zhang helped Old Madam upstairs.

Only Madam Mo and the housemaids were left in the living room.

Madam Mo was still sitting in her original seat with an awful expression.

She didn't think she was wrong.

On the contrary, she felt aggrieved.

She was devoted to her two sons, but both of them were unhappy with her because of women.

Madam Mo felt especially upset.

No one could understand her..

...

Upstairs.

Mo Yesi was afraid that Qiao Mianmian would be unhappy, so he immediately comforted his wife after closing the door.

"Mianmian, don't take Mom's words seriously." Mo Yesi sighed and said gently, "She doesn't know you, so she suspected you after seeing those rumors. But Grandma and I believe you."

"I actually don't care about this." Qiao Mianmian smiled and hugged him. "As long as my husband trusts me."

"Of course I believe you. Don't I know what kind of person my wife is?"

Mo Yesi lowered his head and kissed her forehead. "If a couple doesn't even have this bit of trust between them, what's the point?"

"Do you want to rest for a while? I'll call you at dinner."

Qiao Mianmian slept in the Bai Residence, so she wasn't sleepy now.

She shook her head. "I'm not tired. I'll read the script for a while. Sister Xie sent me the script for the movie. I was too busy to read it."

Knock, knock, knock.

Someone knocked on the door.

Mo Yesi looked up and heard the housemaid say, "Second Young Master, Old Madam wants you to go to her room."

Mo Yesi was stunned.

A few seconds later, he turned to Qiao Mianmian and said, "Then, read the script. I'll go to Grandma's."

"Alright."

...

"Grandma, are you looking for me?"

Mo Yesi entered the Old Madam's room and saw her watering the flowers by the window.

The few pots of orchids on the window sill were all raised by Old Madam herself. They were blooming now, and there was a faint fragrance of orchids in the room.

Mo Yesi walked in. Old Madam was still watering the flowers calmly, not saying anything.

Mo Yesi wasn't in a hurry. He stood at the side and watched as Old Madam watered the flowers.

He even praised her. "Grandma, these orchids are really well taken care of."

"It's all because I have nothing to do. I can grow them meticulously with so much time on my hands."

"Not necessarily."

Mo Yesi didn't suck up to others.

But he would still flatter his wife and grandmother sometimes.

He smiled and said, "Some people raise them meticulously, but they aren't so good-looking. It's not easy to raise the orchids so well."

After watering the flowers, Old Madam turned around slowly and looked at her grandson. She smiled and asked, "Why aren't you asking me why I called for you?"

"Because Grandma will say it when you want to."

"You brat..."

Old Madam extended her hand and Mo Yesi helped her to the sofa.

"You're so smart, you must have guessed why I'm looking for you. Then, I won't beat around the bush. Ah Si, what's going on between you and that brat from the Gong family? Why did things turn out this way?"

"I think there must be a reason. Although you said it's out of business considerations, the Mo Corporation has never encountered anything that needs to be canceled since we started working together. Grandma doesn't believe you're using this reason to patronize me."

Chapter 2020: Alright, Go Accompany Your Wife

The two families had always been on good terms. Now that something like this happened, Old Madam couldn't possibly ignore it.

She didn't believe Mo Yesi's reason.

Hence, she called him over and asked him privately.

Mo Yesi looked at Old Madam and kept quiet for a while.

"Mm, there's a reason."

Mo Yesi didn't intend to hide it from her. "Grandma, this is indeed related to Mianmian."

"Really?" Old Madam was stunned for a while before her expression changed. "What has it got to do with Mianmian?"

“Grandma should know about the marriage between the Gong and Shangguan families.”

Old Madam nodded. “I’ve heard of this.”

“The two families intended to marry each other, and Shangguan Qing was very willing to marry Gong Zeli. But he rejected her. Mianmian had some scandals with him previously, and Madam Gong and Shangguan Qing blamed her for him rejecting the marriage.

“So, when Mianmian went to a mountain village to record a show, they arranged for a local bachelor to scare Mianmian. Of course, that person didn’t succeed.

“After he was arrested, he confessed to being ordered by Madam Gong and Shangguan Qing.

“Grandma, they used such a vicious method on Mianmian. If I tolerate it and pretend nothing happened, who am I? Mo Yesi? Would you be willing for your grandson to be so heartless?”

“What, they actually did this to Mianmian?” Old Madam was shocked.

“Canceling the cooperation with the Gong Corporation is partly to vent Mianmian’s anger. On the other hand, it’s also because some of the cooperation between us has indeed gone wrong. Only by terminating the cooperation in time can the losses be minimized.

“I didn’t decide on impulse. Grandma, the moment you and Dad decided to hand the Mo Corporation to me, I knew what kind of responsibility I had to bear. Don’t worry, I know what I’m doing. I won’t risk the Mo Corporation’s future.”

Old Madam was silent for a moment before nodding. “I’m naturally at ease with you. They have indeed gone overboard, but I don’t think you should be too harsh on this matter. The person who did wrong is Madam Gong. You have to punish the Gong family, but you have to know when to stop.

“Even if we can’t be friends in the future, we shouldn’t be enemies.”

“Mm, I know, Grandma.”

“Alright, go accompany your wife.”

...

Later, Qiao Mianmian and Mo Yesi left after having dinner.

Back at Lu Shan Courtyard.

Qiao Mianmian took a shower, changed into comfortable home clothes, and then lay on the bed reading her script.

“Phoenix in Flight” was written by a top scriptwriter in the industry. The quality was guaranteed.

Qiao Mianmian was fascinated by the script.

So much so that she didn’t realize there was another person beside her.

It wasn’t until the side of the bed sank in and the faint scent of shower gel entered her nose that she reacted and turned her head.

“Mo Yesi, mm...”
