

Big Shot 2021

Chapter 2021: Be Good, Do It Tomorrow

Mo Yesi pinched her chin and kissed her gently.

“What shower gel do you use? Why does it smell different from mine?”

“How... how is it different?”

They used the same bottle of shower gel.

It was lemon-flavored!

“I smell different.”

Qiao Mianmian was speechless.

“Mo Yesi, I still have to read the script...”

Mo Yesi turned off the bedside lamp and then said seductively, “Be good, do it tomorrow.”

...

The next day.

Qiao Mianmian washed up and went downstairs.

“Young Madam.”

Lei En went forward and asked respectfully, “Young Madam, do you want to have breakfast now?”

Qiao Mianmian nodded, and Lei En immediately got someone to prepare it.

After breakfast, Qiao Mianmian was thinking about going to the Mo Corporation to look for Mo Yesi when she received a call from Linda.

“Mianmian, there’s a charity ball today. Do you want to attend it?”

“charity ball?”

“Mm, it’s Yuewei’s annual charity ball. Many artistes will attend. I’ve received an invitation to attend tonight. It’s about 8:00 PM. It’ll be held for two hours and will end at 10:00 PM.

“Can you go?”

Qiao Mianmian had already told Linda that she wanted to rest for a while.

She instinctively wanted to reject her.

After all, she had already promised Mo Yesi that she wouldn’t take on any jobs for the time being.

But a charity ball...

She hesitated.

Linda seemed to have guessed what she was thinking and continued, "This charity ball is the largest among all the charity banquets. It has the most appeal, so it has a lot of influence."

"My suggestion is that if you have the time, you should attend it. It's only two hours, it won't take up too much time. You can discuss it with Chairman Mo."

"Alright, Sister Xie. I'll tell you when I've decided."

If it was any other party, Qiao Mianmian would have rejected it.

But she knew about Yuewei's charity ball.

Although this charity ball was commercialized, it really helped many people who needed help.

And two hours really didn't take up much time.

Qiao Mianmian thought for a while and decided to ask Mo Yesi for his opinion first.

If he didn't want her to go, she might not go in the end.

Qiao Mianmian got Uncle Li to get the car and then went to look for Mo Yesi.

At the Mo Corporation.

Wei Zheng welcomed her upstairs.

"Young Madam, Chairman Mo is in a meeting. He'll be out in a while." Wei Zheng followed Qiao Mianmian into the office. "Young Madam, what would you like to drink? I'll prepare it for you."

Mo Yesi had called him over to receive her.

Chapter 2022: Why Are You Looking for Mo Yesi?

He was Mo Yesi's special assistant, so he had to be there during the meeting.

Qiao Mianmian smiled and found a seat. "Go to the meeting, don't bother about me. It's not my first time here, I don't need anyone to accompany me. Go out and tell the secretary that I want a cappuccino."

"Alright, I'll let the secretary know."

Wei Zheng left.

Qiao Mianmian took off her shoes and sat cross-legged on the sofa. She then took out her cell phone and opened the script she had downloaded on a reading app.

She was focused on the script when she heard a knock on the door. She thought that the secretary had brought the cappuccino and said: "Come in".

The office door was pushed open.

The secretary walked in.

A strong smell of perfume followed.

Qiao Mianmian frowned and looked up.

She found it strange.

Mo Yesi had a request for his female secretary.

She wasn't allowed to use perfume.

Qiao Mianmian had been here many times before, but she hadn't smelled any perfume on the secretary.

She looked up and saw a woman walking in.

The woman was dressed in a professional blue suit and pants. Her legs were slender, and she was wearing high heels, sporting a good figure.

She was about 1.7 meters tall and looked capable.

She looked like a career woman.

She was holding a briefcase in one hand. When she entered the office and saw Qiao Mianmian sitting cross-legged on the sofa, the woman was obviously stunned.

It took her a few seconds to react. She then looked at Qiao Mianmian's sitting posture and frowned. "Where's Chairman Mo? Who are you? Why are you in Chairman Mo's office?"

Qiao Mianmian was speechless.

She should be the one asking.

Who was this woman?

Why was she in Mo Yesi's office?

Qiao Mianmian blinked. "And who are you? Why are you looking for Mo Yesi?"

The woman frowned even more.

She felt that she was being unruly.

The woman kept quiet for a few seconds and then said unhappily, "I'm here to discuss business with Chairman Mo. I have something to discuss with him. As for what, I'm sorry, it's not convenient to tell outsiders."

Qiao Mianmian was speechless.

Her intuition told her that this woman seemed to be hostile towards her.

Qiao Mianmian had no idea where this hostility came from.

"Oh, I see." Qiao Mianmian nodded and smiled at the woman. "Mo Yesi is still in a meeting, it'll be over soon. Do you want to wait for him? Don't stand on ceremony, find a seat for yourself."

Qiao Mianmian's casual and intimate words seemed to antagonize the woman even more.

The woman's expression stiffened, and she looked at her sharply. "Who are you?"

"Me?"

Qiao Mianmian smiled and didn't reveal her identity. "I'm here to discuss business with him, too. I knew he was in a meeting, so I'm waiting for him in his office."

The woman couldn't help but feel a little hostile.

Looking at how casual she was and how affectionate she sounded, especially when she called Mo Yesi by his name...

Chapter 2023: Could It Be Because of Her Face?

The hostility deepened.

She was still trying to guess Qiao Mianmian's identity.

Now that she heard that she was also here to discuss business with Mo Yesi, her tone couldn't help but turn cold.

She looked at Qiao Mianmian's outfit and then at Qiao Mianmian's beautiful face. A hint of jealousy and dissatisfaction flashed past her eyes.

Where was this girl from?

She looked like an intern who hadn't graduated yet.

The company actually sent such a little girl to discuss business with Mo Yesi?

Did she look like she was here in business?

At this thought, the woman couldn't help but look at her with disdain. "Miss, since you're arranged by the company to talk to Chairman Mo, you represent your company's image."

She glanced at Qiao Mianmian disdainfully and pouted. "Do you think this is your home? Do you think it's appropriate to sit in Chairman Mo's office like this?"

"How is it inappropriate?"

Qiao Mianmian could see the disdain in the woman's eyes. She could also feel that this woman didn't like her.

She didn't expose her true identity. Instead, she smiled and said lazily, "Of course we have to sit. Do we have to stand? Come and sit too. Don't keep standing. Aren't you tired?"

"You..."

The woman frowned. "This is Chairman Mo's office. You're being too casual. Chairman Mo will be angry when he sees you like this."

"Why would he be angry?"

Qiao Mianmian found it amusing when she saw how flustered the woman was.

She rubbed her chin and smiled. "I do this every time I come, and he never said anything about it."

The woman's eyes widened in shock.

She looked at Qiao Mianmian in disbelief. "Y-You always do this?"

"Yes." Qiao Mianmian shook her legs.

"And Chairman Mo didn't say anything?"

"Yes." Qiao Mianmian nodded again.

"..."

The woman examined her again. Her eyes were colder and sharper than before.

Qiao Mianmian didn't know if she was hallucinating, but she felt that the hostility in the woman's eyes had increased.

Qiao Mianmian was confused.

She didn't know this woman.

This was their first time meeting.

She couldn't understand why this woman looked at her as if she was her enemy.

The woman stood there without moving, frowning.

She'd previously come to the Mo Corporation on behalf of her company to discuss matters, so she'd seen Mo Yesi a few times.

Mo Yesi gave her the impression that he was cold and unapproachable.

In her impression, Mo Yesi spoke very little.

He hadn't spoken more than ten sentences to her, and most of them were just a single word.

He was also rather charismatic. Every time she saw him, she didn't dare to look at him because the coldness in his eyes would freeze her.

The woman couldn't imagine it.

How could such a man tolerate another person being so unruly in his office?

Chapter 2024: A Slap on the Face

How could he not mind?

Unless...

The woman's gaze swept past Qiao Mianmian's exquisite face, as well as her fair skin, and a hint of jealousy appeared in her eyes.

But she felt that Mo Yesi couldn't be such a superficial man.

He liked this woman based on her looks.

She felt that he should be a man who valued women's inner qualities and talents more.

After all, no matter how pretty she was, she had no real talent.

With this thought, the woman's expression became better.

Just then, the office door was pushed open.

The woman was amused and thought that Mo Yesi had returned from a meeting.

She quickly adjusted her expression and put on the best smile she could think of. Then, she suppressed her excitement and turned around.

"Chairman Mo..."

Before she could call him, she saw the person walking in and was stunned. Then, she quickly stopped smiling.

It was Mo Yesi's secretary.

He brought Qiao Mianmian coffee.

The woman looked at the coffee in the secretary's hand and thought that it was for her. She smiled and said, "I don't like coffee. I'll lose sleep at night. But I'll have to trouble you. Oh right, when will Chairman Mo's meeting end?"

The secretary was stunned.

But she still replied politely, "Chairman Mo is still in a meeting. It might take another 10 minutes before the meeting ends."

"Oh, I see."

The woman nodded and looked at the coffee in the secretary's hand. She thought for a while and then said, "Forget it, give it to me. It's fine to drink coffee once in a while."

As she reached for it, the secretary couldn't hold it anymore.

"I'm sorry, this isn't for you."

"What... this, this isn't..." The woman was stunned.

The secretary felt awkward and passed the coffee to Qiao Mianmian. "Miss Qiao, your coffee is ready. Try it and see if it's suitable. If it's not, I'll make you another cup.

"Do you need anything else? I'll prepare it for you immediately."

The secretary was very respectful towards Qiao Mianmian.

This was completely different from when she talked to the woman.

The moment the secretary handed the coffee to Qiao Mianmian, the woman's expression changed.

Looking at the secretary's respectful attitude and what she said to Qiao Mianmian, the woman's expression turned even uglier.

She'd been there a few times, but the secretary had never been so polite to her.

She looked at Qiao Mianmian and was about to say something when she heard footsteps behind her.

Then, he heard the secretary call out respectfully, "Chairman Mo."

Mo Yesi was here?

The woman turned around excitedly.

When she saw him, her eyes lit up and she took two steps towards him. "Chairman Mo."

But Mo Yesi didn't even look at her. He just walked past her.

He walked to Qiao Mianmian and picked her up from the sofa, ignoring the other people in the office.

Chapter 2025: That's Chairman Mo's Girlfriend?

He kissed her on the lips. "Are you bored? Have you been waiting for a long time?"

"It's alright, I just waited for a while. What about the meeting? Why did you end it early?"

"My baby was waiting for me, of course I had to end the meeting early." Mo Yesi kissed her again.

Feeling a strong gaze on her back, Qiao Mianmian lightly punched his chest. "Don't be like this, there are others in the office. Put me down."

"Chairman Mo..."

The secretary was already used to their loving ways. She looked at the woman beside her who seemed a little pale and thought for a while before reminding him. "Chairman Mo, Assistant Yang from Tiansheng has been waiting for you for an hour."

Mo Yesi gently placed Qiao Mianmian back on the sofa.

As he turned around and looked at the woman standing behind him, the gentleness and pampering when facing Qiao Mianmian changed to his usual coldness and alienation. "Bring Assistant Yang to the living room. I'll be there in 10 minutes."

"Yes, Chairman Mo."

The secretary walked to the woman and smiled politely. "Assistant Yang, please."

The woman looked at Qiao Mianmian sitting on the sofa barefooted and heard Mo Yesi asking his secretary to bring her to the living room. She couldn't help but feel angry.

"Chairman Mo, I have something important. We..."

"Bring Assistant Yang to the living room." Mo Yesi frowned.

The secretary didn't dare to delay any further and immediately said to the woman, "Assistant Yang, I'll take you to the living room. You can speak to Chairman Mo later."

The woman wanted to say more, but the secretary had already opened the office door and was leading her out.

She looked at Mo Yesi's cold but handsome face and clenched her fists before reluctantly turning and leaving.

...

The moment they left the office, the woman couldn't wait to ask the secretary, "Who was that girl? Do you know her?"

The secretary turned and looked at her, amused.

Every woman who had seen Chairman Mo, especially unmarried women, would be tempted.

After all, how many women could resist such an outstanding man?

But this woman was too obvious.

The secretary sighed and looked at her sympathetically. "That's Chairman Mo's girlfriend. Chairman Mo dotes on her a lot. She's very beautiful, right? If I had such a beautiful girlfriend, I'd definitely pamper her too."

The woman's expression stiffened.

"Chairman Mo's girlfriend?"

"That's right." The secretary pretended not to know what she was thinking and smiled. "His girlfriend often comes here to look for him. Everyone in the office knows her. Miss Qiao is quite a nice person. She's pretty and has a good personality. She doesn't put on airs in front of us."

"We all like her."

"Every time she comes over, Chairman Mo will end the meeting early if he's in a meeting. He doesn't want her to wait for too long. Moreover, Chairman Mo will get us to prepare a lot of food in advance because Miss Qiao eats heartily."

Chapter 2026: Besides Her Face, What Else Was There?

"Chairman Mo really dotes on Miss Qiao. We're all envious of her."

"R-Really?"

"That's right. Chairman Mo looks so cold and indifferent. Back then, we thought he wouldn't pamper women at all. Who knew that such a cold-looking man could make others cry with envy when he pampers his woman."

The woman kept quiet.

The secretary glanced at her and said, "Miss Qiao and Chairman Mo seem to have such a good relationship. They might get married soon."

The woman couldn't hold it in anymore.

“I heard that Chairman Mo’s girlfriend is a female celebrity. Is that true?”

“Yes, Miss Qiao is from the entertainment industry.”

“With Chairman Mo’s family background, it’s impossible for him to marry her. The Mo family is prestigious, they will definitely find him a match.”

How could the secretary not know what she was thinking?

She smiled and shattered the woman’s hopes. “If it was anyone else, they might listen to their family. But Chairman Mo is a very opinionated person. His family can’t control him. If Chairman Mo wants to marry Miss Qiao, it should be possible.”

The woman’s face almost collapsed.

In the living room.

The secretary stopped in her tracks.

“Assistant Yang, go inside and wait. Chairman Mo must have something to say to Miss Qiao. I’ll go back to work first. Assistant Yang, if you want anything, you can come and find me.”

The secretary left.

The woman stood in the empty living room and thought about what the secretary had just said. Then, she thought about how Mo Yesi had hugged Qiao Mianmian affectionately. Her face turned pale.

She never thought about it.

Such a man actually had such a gentle side.

He actually looked at a woman so lovingly.

She thought that such tenderness and affection didn’t exist for Mo Yesi.

But that woman...

Were all men so superficial?

Even Mo Yesi was no exception. He was charmed by a beautiful woman’s appearance?

...

In Mo Yesi’s office.

Qiao Mianmian was still hitting his chest. “What were you doing just now? Your secretary and client are here, don’t you know how to avoid suspicion?”

Mo Yesi held her hand and chuckled. “Why should I avoid suspicion? I’m kissing my wife in my office, what’s there to avoid? It’s the others who should avoid suspicion.”

Qiao Mianmian was speechless.

“I booked a restaurant for tonight. The new chef has good culinary skills. After dinner, I’ll bring you to play something fun.” Mo Yesi told her about the arrangements for the night. “Shaoqing and the rest will be there, too. You haven’t seen them for a long time.”

Qiao Mianmian hesitated to tell him about the charity banquet.

If she was going, she couldn’t have dinner with him.

She couldn’t play with him anymore.

She had to get her hair done a few hours earlier.

Mo Yesi had already arranged everything for tonight. Based on Qiao Mianmian’s understanding of him, he must have spent a lot of effort to arrange everything.

If she didn’t go...

“What’s wrong? Do you have something to say to me?” Mo Yesi raised an eyebrow at her hesitant expression.

Chapter 2027: This Little Thing Really Had Him Under Her Thumb

“There’s something.” Qiao Mianmian bit her lip and hesitated for a few seconds. “But I think you’ll be unhappy if I say it.”

“Mm?”

Mo Yesi smiled. “What is it? Are you trying to tell me you took another job?”

Qiao Mianmian was speechless.

She felt that she couldn’t hide anything from him.

This man could guess what she was thinking.

She pursed her lips and kept quiet.

Mo Yesi frowned.

The man narrowed his eyes. “You took on another job?”

“No, I didn’t...” Qiao Mianmian quickly explained. “It’s not considered taking up a job, it just takes up the night. I might not have time to have dinner with you tonight.”

“What is it?”

Mo Yesi sounded rather calm, but Qiao Mianmian could tell that he was unhappy.

Qiao Mianmian bit her lip. “Sister Xie called me and said that there’s a charity ball tonight. It’s the largest charity ball in the industry, held once a year. Half of the celebrities in the entertainment industry will attend it.”

“This charity event is rather influential, and they invited me. I-I think I have to go. If we can help more people through our artistes, I think it’s rather meaningful.”

“But I haven’t agreed to it yet. I said I wanted to discuss it with you. If you agree, I’ll go. If you don’t, I won’t go.” Qiao Mianmian looked obedient as she threw the decision to him.

Mo Yesi was speechless.

She seemed to respect and value his opinion.

Hence, she left the decision to him.

Mo Yesi also believed that if he didn’t want her to go, she wouldn’t.

But if he really did that, whether she would be happy or not was another matter.

The man was silent for a while. “You really want to go?”

Qiao Mianmian nodded and looked at his expression. “But if you don’t want me to go, then I won’t go. It’s not necessary.”

Mo Yesi wanted to laugh.

She always used this trick on him. She seemed obedient, but in fact, she used this roundabout method to force him to agree.

But Mo Yesi had to admit that he liked it.

If he didn’t, this little thing wouldn’t have successfully used the same method on him so many times.

Just like how she would act coquettishly whenever she made him angry or wanted him to agree to something.

She knew how to use the same method, but it was the same for him.

This little thing knew him well.

“How long?”

“Just a few hours.”

Qiao Mianmian’s eyes lit up when she heard his question. She immediately said, “It just takes up the night. The party will end at ten.

“We can have supper together after the party.”

Mo Yesi could accept it if it was just for the night.

But he furrowed his brows at the thought of his meticulous arrangements. “I can agree to let you go. But how many more such accidents will there be? When I arrange another date, will it also have to be canceled?”

Chapter 2028: I Can Treat You to Anything You Want

“I won’t, I won’t.” Qiao Mianmian immediately promised. “I promise I won’t. Next time, no matter what it is, I’ll reject it.”

“Can you keep your word? Can I trust you?”

“Of course. Hubby, you should trust me more. Am I so untrustworthy in your eyes?”

Mo Yesi asked, “What do you think?”

“I think you should believe me.” Qiao Mianmian snuggled into his arms and sat on his lap. She hooked her arms around his neck and looked at him with soft eyes. “This time, count it as me skipping the appointment. To express my apology, I’ll treat you to a meal tomorrow night, alright?”

“Call Shaoqing and the rest along.

“I haven’t seen them in a while.”

“You’re treating me?”

“Mm, I’ll treat you.” Qiao Mianmian had a huge amount of savings and a lot of real estate now. She felt that she could afford to treat him to even the most expensive meal.

Mo Yesi raised an eyebrow. “What do you want to treat me to?”

“Anything.” Qiao Mianmian patted her chest and said generously, “I can afford anything you want.”

“Mm, you can afford anything?”

“Of course.” Qiao Mianmian smiled and said smugly, “I have a lot of savings now. No matter how expensive the meal is, I’ll be fine.”

“So, I can eat anything I want?”

“Yes.”

“...” Qiao Mianmian looked at the man in front of her speaking seriously but wasn’t serious at all. She didn’t know what to say.

Mo Yesi was really thick-skinned sometimes.

“Alright, go and see your visitor.” Qiao Mianmian pushed him. “Don’t make her wait too long.”

...

In the living room.

“Chairman Mo.”

The woman heard the commotion and turned around. Her heart raced as she saw Mo Yesi walk in.

She tugged at her clothes nervously.

Mo Yesi nodded at her and found a seat.

Then, in a business-like tone, he said, “Have you edited my proposal?”

“Chairman Mo, it’s all been edited. Please take a look.” The woman suppressed her uncontrollable emotions and handed him the proposal.

When Mo Yesi reached out to receive it, the woman's eyes landed on his slender and fair fingers, and she couldn't help but be moved.

Even his hands were so beautiful.

Mo Yesi took the document and flipped through it for two minutes before placing it on the table.

"Let's follow the plan."

The woman looked happy. "Chairman Mo, do you think this plan will pass?"

"Mm."

The woman couldn't help but look smug.

Chapter 2029: She Has a Bad Temper and Easily Becomes Jealous

Everyone knew that Mo Yesi had high requirements for his work.

But she was able to get Mo Yesi to confirm a plan so quickly. This meant that Mo Yesi approved of her ability.

She pursed her lips. "Alright, I'll arrange for this when I get back."

Mo Yesi didn't seem too interested in her words. After confirming the plan, he got up and said, "It's settled, then. Wei Zheng will hand over the follow-up work to you."

With that, Mo Yesi turned and left.

The woman panicked.

It was because of this plan that she was able to meet Mo Yesi directly.

Since the plan was confirmed, she wouldn't be able to see him anymore.

"Chairman Mo."

Seeing that Mo Yesi was already at the door, the woman reached into the pocket of her suit and called out urgently.

Mo Yesi stopped in his tracks.

But he didn't look back.

"Chairman Mo, I-I went overseas for a business trip and went to a local antique shop. There were many good things in the shop, so I bought some gifts for my friends. I felt that a tie clip was suitable for Chairman Mo, so I bought you one.

"I hope Chairman Mo won't mind."

The woman took out a black box from her bag.

It was indeed a tie clip.

She spent a lot of money on it.

A gift for Mo Yesi couldn't be too tacky or too cheap.

She'd shopped at many stores and picked this gift after a few days.

But what she said wasn't entirely true.

She only bought a gift for Mo Yesi, not for her friends.

She said she'd given it to her friends too, just not to reveal her thoughts.

"I don't mind," Mo Yesi said after a moment of silence.

The woman was stunned for a moment before joy filled her face. Just as she was about to speak, she heard Mo Yesi say coldly, "I don't want anything, I have nothing to despise."

"Chairman Mo..." The woman's smile didn't last five seconds before her expression stiffened.

"Assistant Yang, our relationship is only limited to cooperation, we're not familiar enough to exchange gifts. I hope you won't do such things that will cause misunderstandings in the future. I don't mind, but I don't want my baby to misunderstand.

"She has a bad temper and easily becomes jealous. If she misunderstands that I have something going on with another woman, I won't be able to coax her."

With that, Mo Yesi left the room without looking back.

The woman stood rooted to the ground with a pale face.

...

Linda came to pick Qiao Mianmian up after five.

In the car.

Linda told Qiao Mianmian the rest of the arrangements. "I'll do your styling now. After you're done, we'll go to the charity banquet directly. When the time comes, we'll walk the red carpet. Many celebrities will be competing for attention. You have to dress up well tonight.

"This is your first time walking the red carpet. I don't ask for the best, but you have to pass. You can't leave a bad impression."

Qiao Mianmian nodded. "Mm. It's fine, Sister Xie."

"Chairman Mo doesn't have any objections, right?" Linda was more concerned about this. "He doesn't blame me, right?"

"No, he's very supportive of me." Qiao Mianmian lied.

"That's good." Linda was relieved. "I'm just afraid that Chairman Mo will misunderstand me."

Chapter 2030: Actually, He's My Husband

"You've just taken leave and I've arranged another job for you. But after attending this charity banquet, there shouldn't be anything else.

“You can spend more time with Chairman Mo and cultivate your relationship with him.

“Mianmian, I think Chairman Mo is still very concerned about you. I feel that Chairman Mo is very serious about you. You should seize this opportunity. Although the Mo family has a high threshold, anything is possible.

“Cinderella’s story isn’t unheard of in real life.”

Qiao Mianmian was speechless.

Seeing how sincere she was, she resisted the urge to laugh and nodded. “Mm. I know, Sister Xie.”

“Do you really understand what I mean?” Linda was still suspicious.

“Mm, I understand.”

Linda didn’t know that she was already married to Mo Yesi.

So, she was telling her that if she grasped this chance well, she might marry into the Mo family.

Although in real life, it was very unlikely for ordinary people to marry into a rich family, especially the Mo family.

But things were unpredictable.

“It’s good that you understand. Anyway, not everyone has such an opportunity. To be precise, you’re the only woman Chairman Mo had a relationship with so far. So, you must mean something to him.

“Even if, I mean even if...

“Even if you can’t get together in the end, with this special relationship, he won’t treat you badly. Anyway, you want what you need, don’t foolishly think that love is greater than everything. One has to know how to plan ahead. Even if you’re good now, you have to plan for the future.”

“Sister Xie, thank you for telling me so much. But I don’t think I need to do anything.”

“Why?” Linda frowned. “Do you think I’m too realistic and materialistic? But Mianmian, real life isn’t about love. Moreover, Chairman Mo likes you. He’s willing to give you anything you ask.

“If his feelings for you are just words, but he can’t bear to invest in you, then this kind of liking is fake. It’s not that men must be sincere to you, but men who can’t bear to part with you are definitely not sincere.”

“Sister Xie.” Qiao Mianmian smiled at her. “I’m sorry, I’ve been hiding something from you. I didn’t think there was a need to say it, but it seems like there’s no need to hide it from you anymore.”

“You hid something from me?” Linda was stunned.

“Mm. Sister Xie, I told you that Mo Yesi was my boyfriend. Actually, I lied to you.”

Linda was stunned again.

“Not a boyfriend? Could it be...” Linda didn’t finish her sentence.

If he wasn't her boyfriend, then he was her sugar daddy and lover.

This was different from a normal relationship.

But Linda felt that Mo Yesi's attitude towards Qiao Mianmian didn't seem like that of a sugar daddy.

Which sugar daddy would treat his little lover so well?

Moreover, sugar daddies and their lovers usually had a low-profile relationship. How could they be so high-profile?

"Actually, he's my husband."

"What?!" Linda thought she heard wrongly.
