

## Big Shot 2031

### Chapter 2031: Mianmian, You're Not Joking With Me?

She blinked and asked again, "You said that Chairman Mo is your... husband? Mianmian, is this what you mean?"

"Mm, we're already married." Qiao Mianmian nodded.

Linda was speechless.

She had seen a lot as a top manager.

Nothing could surprise her.

But after hearing Qiao Mianmian's words, she was shocked speechless.

This was unbelievable.

Qiao Mianmian and Mo Yesi were husband and wife?

They were already married?

Her artiste was actually the Young Madam of the Mo family?!

Linda couldn't recover from the shock.

"Mianmian, you're not joking with me?" Linda finally found her voice, but she still found it unbelievable.

Qiao Mianmian looked at her apologetically. "I'm sorry, Sister Xie. I've kept it from you for so long."

"So, you married Chairman Mo before signing the contract?"

"Mm."

Linda was speechless.

"Then, why did you sign the contract? Chairman Mo can easily find a much better manager than me to groom you. Moreover, you're already the Young Madam of the Mo family, why do you still want to enter the entertainment industry?"

Young Madam Mo had everything she wanted.

Why did she come to the entertainment industry to be a newbie?

"Because you looked for me and spoke so sincerely, I thought I could give it a try. As for me entering the entertainment industry, it's because I like acting."

Linda was speechless.

"So you're really the Young Madam of the Mo family?"

"Am I going to be the Young Madam's manager?"

“Sister Xie, no matter who I am, you’re still my manager. You can treat me the same way as before. I didn’t want to say it previously because I was afraid that it would change our relationship.”

Linda felt that she’d rather Qiao Mianmian not tell her about this.

Because when she found out that Qiao Mianmian was the Young Madam of the Mo family, she really didn’t know how to get along with her.

Qiao Mianmian sighed when she saw Linda’s reaction. “I knew I shouldn’t have said it. Then, forget about it. Just take it that I didn’t tell you anything, alright?”

Linda kept quiet for a while before bursting into laughter.

“To think that I was worried about whether you and Chairman Mo would make it to the end. I was really worried for nothing. Now it seems like I picked up a bargain.”

“Mm?” Qiao Mianmian blinked in confusion.

“You’re Young Madam Mo, you have all the resources you want. Your qualifications are good, and your acting is also good. You don’t lack resources, so you’ll definitely be popular in the future.

“I can see your future clearly now. I’ve made it.”

Qiao Mianmian was speechless.

“Now that I think about it, it’s all thanks to Su Ze’s blindness. If he hadn’t gotten together with Qiao Anxin, the two of you wouldn’t have broken up. If you hadn’t broken up, you and Chairman Mo wouldn’t have ended up married.

“It feels like everything has been arranged by fate.” Linda couldn’t help but sigh.

“Qiao Anxin thought that she had found a gem, but she didn’t know that the man she easily snatched away was nothing good. Oh right, Su Ze has returned. He didn’t harass you these few days, right?”

### **Chapter 2032: Chairman Mo Will Definitely Teach Him a Lesson**

Linda mentioned Su Ze because she knew that Qiao Mianmian no longer had any feelings for him.

Hence, she wasn’t afraid that Qiao Mianmian would remember her past.

With Mo Yesi, who would still be interested in him?

Qiao Mianmian didn’t look sad at all. She shook her head and said, “I’ve not met him again.”

“That’s good. I’m just afraid that he won’t give up and will continue to pester you. But he probably won’t dare now. If he dares to pester you, Chairman Mo will definitely teach him a lesson.”

...

The charity banquet was grand.

Qiao Mianmian and Linda went to a stylist, and the stylist got her to pick out the evening dress first.

They were all luxury brands.

In the end, Qiao Mianmian chose a long black dress. It was made of silk and was designed to show off her figure. It had an off-shoulder style and a slightly lower neckline than an ordinary dress, but it didn't appear too revealing.

It was just right.

Moreover, the side of her waist was like a cheongsam, making her legs look even longer.

After picking out the evening gown, she chose a pair of thin and black sandals of the same color. The sandals had a few thin straps that could wrap around her ankles a few times.

The stylist looked at her evening gown and shoes and nodded in approval.

Wearing black at a charity ball would never go wrong.

Black wasn't as eye-catching as red. It might not steal the limelight when walking the red carpet, but as a newbie, it was better to keep a low profile.

It was best to leave the competition to the elderly.

Moreover, although Qiao Mianmian's clothes and shoes weren't very eye-catching, they were definitely suitable.

After choosing the clothes, the stylist started to do Qiao Mianmian's hair and makeup.

As she helped Qiao Mianmian with her makeup, she couldn't help but praise her. "Miss Qiao, your skin is too good. I've done makeup for so many artistes, and your skin is the best. Even without foundation, it's much more exquisite than others."

Qiao Mianmian's skin was like milk.

Young and full of collagen.

Already in her thirties, the makeup artist had lost most of her collagen and was envious.

What made the makeup artist even more envious was that Qiao Mianmian not only had good skin, but her facial features were also exquisite.

Her eyebrows, eyes, nose, and lips looked like they were carefully drawn by an artist. Every part of her face was perfect.

What was even more infuriating was that no one else was as good-looking as her.

She was a natural!

Qiao Mianmian's facial features were well-defined and doing her makeup was effortless. It would take two hours for others, but for her, it was done in half an hour.

After she changed into her evening gown and high heels and walked out of the changing room, Linda's eyes lit up.

At first, when Qiao Mianmian picked out the evening gown, she looked at the style and felt that it wasn't bad.

But now, it was two completely different effects.

Qiao Mianmian's skin was very fair, and the black dress made her skin even fairer.

The dress was designed to show off the wearer's figure, but it was also very picky. As it was a close-fitting design, it wouldn't be good if the wearer was thinner or fatter.

But it was perfect for Qiao Mianmian.

### **Chapter 2033: There's No Value in Taking Photos of Her**

The stylist tied her hair up, revealing her collarbone, causing her slender neck to look even more slender and smooth. She had a standard swan neck, and it was very beautiful.

Her thin ankles were wrapped with thin black ribbons, and her skirt fluttered as she walked.

Even as a woman, Linda was still a little stunned as she looked at Qiao Mianmian.

She... was too beautiful.

She even said to keep a low profile tonight and not be too eye-catching.

But Linda realized something.

Qiao Mianmian couldn't keep a low profile.

She already looked good when she didn't pay much attention to her appearance.

With a little dressing, she was instantly stunning.

She felt that as a newbie, Qiao Mianmian should keep a low profile tonight.

It was better not to dress too high-profile and steal the limelight.

But now, Linda felt that Qiao Mianmian might really steal the limelight tonight.

"Sister Xie, what's wrong? You don't look good?"

Qiao Mianmian looked at Linda in the mirror.

"No."

Linda immediately shook her head. "It's not that I don't look good, you're just too stunning."

She was so good-looking that she even charmed a woman like her.

Qiao Mianmian misunderstood her. "Am I dressed too high-profile?"

Linda shook her head again. "Not high-profile. It has nothing to do with your dressing. You can't keep a low profile with your looks."

That was true.

With such a good-looking face, she would look good even if she was wearing a sack.

Qiao Mianmian said, "...Sister Xie, are you praising me?"

“I’m telling the truth.”

“Then, I’ll attend the gala like this? Is that alright?”

“That’s alright.” Linda looked at her pretty face and felt that there was no need to change dresses.

Moreover, she already knew that Qiao Mianmian was Mo Yesi’s wife.

Even if she was really high-profile tonight and stole the limelight, there was nothing to worry about.

No one could shake this backing.

No one could touch her.

“I seem to be missing something.” Just as she was about to leave, Linda looked Qiao Mianmian up and down again and suddenly realized that her neck was bare.

She wasn’t wearing a necklace.

“Lacking something?” Qiao Mianmian was stunned. “Lacking what?”

“You still need some jewelry.” Linda looked at her neck and said, “A necklace.”

“Forget it.” Qiao Mianmian thought for a while and said, “There’s no need for a necklace. Anyway, I’m not the main character tonight, there’s no need to dress up too formally.”

Many A-list celebrities and famous Heavenly Kings and Queens would appear tonight.

The spotlight would be on them. Not many people would notice her.

She was just a newbie, there was no value in taking photos of her.

“...Alright, then.”

Seeing that Qiao Mianmian wasn’t too bothered by this, Linda didn’t say anything else.

...

Yuewei’s annual charity ball was held at MG TV Station in Yuncheng City.

The reporters and fans gathered on both sides of the red carpet and cheered at the celebrities walking on it.

Luxurious cars stopped outside the venue one after another. All of them were A-list or S-list celebrities.

#### **Chapter 2034: That’s Young Lady Shen**

The reporters frantically pressed on the shutters, and countless flashlights shone on the artistes.

But the professional artistes were unaffected by the flashlights. They even posed for the reporters to take photos.

Perhaps because too many big shots came tonight, the reporters became bored after a while.

They didn’t get anything interesting.

After all, the content of the annual charity ball was similar.

It was basically a fashion show for all the female celebrities. After the charity banquet ended, they would vote for the top ten best-dressed artistes.

Hence, many female artistes would come in revealing dresses to show off.

Initially, these revealing clothes made people feel like they were worth filming.

But as more and more such artistes appeared and were exposed, it became normal.

Just as the reporters were thinking that tonight would probably be the same as before, a slightly unfamiliar figure walked onto the red carpet.

The woman walking the red carpet was wearing a long, eye-catching red dress. Her skin was fair, and she looked good in this bright red dress.

The woman was tall and had beautiful curves. The red dress she chose showed off her figure.

Her face was extremely beautiful and charming. Compared to ordinary female celebrities, she seemed to have a little more charisma.

It was an aura that only existed in a superior environment.

She was born with a sense of superiority.

“Who is that?” A reporter couldn’t help but ask. “She looks unfamiliar. Is she a newbie?”

“What newbie? That’s Young Lady Shen.”

“Young Lady Shen? The one who almost went bankrupt and was rescued?”

“Young Lady Shen is here for the banquet, too. She’s so beautiful. The daughters of rich families are indeed different. They have especially good temperaments.”

“I heard that Qiao Mianmian was also invited tonight. I heard that Young Lady Shen has had a crush on Chairman Mo for many years, but he never accepted her. Even after the Shen family’s incident, the Mo Corporation didn’t help.

“Now that Qiao Mianmian is dating Chairman Mo, isn’t this slapping her in the face? He’d rather choose a newbie with an average family background than her. She must be very angry. Do you think it’ll be exciting if she meets Qiao Mianmian tonight?”

The atmosphere was filled with gossip.

Initially, they didn’t think it was anything special, that it’d be just like the previous years. But now, there were a lot of headlines.

The two people attending the banquet tonight.

One was Mo Yesi’s current girlfriend.

The other was his childhood sweetheart.

If they met at the banquet, it would definitely be exciting.

The man that Young Lady Shen had liked for so many years and couldn't get was taken down by a newbie.

She must be very unhappy with Qiao Mianmian.

"Miss Shen, look over here." The reporter waved his arms and shouted at Shen Rou.

On the red carpet.

Shen Rou turned around and posed for the reporters to take photos.

Shen Rou had outstanding looks and a good figure. She was also from a prestigious family.

### **Chapter 2035: Don't Call Mianmian Black**

She rarely appeared in public before, and this was her first time attending such a gala.

Compared to the top-tier celebrities, Young Lady Shen was now more interesting and newsworthy. At that moment, all the cameras were focused on her.

The focus on Shen Rou was even higher than on the artistes.

On Weibo, the netizens were discussing enthusiastically.

"I heard that Eldest Miss Shen and Chairman Mo grew up together as childhood sweethearts. She has liked Chairman Mo for a long time, but she has always been single. I thought that it was because Eldest Miss Shen wasn't good-looking that Chairman Mo wasn't attracted to her. Isn't she pretty? Her figure is good, too. She's so feminine. Men should like women of this type.."

"She's really beautiful. She's also rich. Her aura and mannerisms are obviously different from female celebrities. She looks so much better. Is there something wrong with Mo Yesi? He's actually not interested in such a beautiful and devoted woman?"

"It's useless to be pretty. Mo Yesi obviously doesn't like her type. Otherwise, he wouldn't be dating Qiao Mianmian. Clearly, he likes girls who look innocent and obedient. Young Lady Shen is too beautiful and mature."

"Hahaha, what's with Mo Yesi's eyes. If I were a man, I'd like this sort of mature woman. Qiao Mianmian is good-looking, but she looks too young. She's like an underage girl. I have no interest in such girls."

"There's no need to flatter her. Eldest Young Lady Shen is not bad, but Qiao Mianmian is also very beautiful. In terms of looks, I think Qiao Mianmian is better. Eldest Young Lady Shen's facial features aren't as exquisite as hers. I'm a girl, so I think I prefer someone like Qiao Mianmian."

"Shen Rou is more feminine, but in terms of looks, she's really not as good-looking as Qiao Mianmian. And from what I know, most men actually like Qiao Mianmian's type. Qiao Mianmian is like every man's first love. Shen Rou will be the man's current red rose, and Qiao Mianmian will be the eternal white moonlight."

“I’m convinced that Shen Rou’s family background is better than Qiao Mianmian’s and she’s more feminine than Qiao Mianmian! But in terms of looks, there aren’t many female artistes in the entire entertainment industry who can take a beating from Qiao Mianmian.”

“Be more low-profile in the comment section. Don’t get Mianmian into trouble. Our Mianmian isn’t comparable to anyone, she’s just herself.”

“Everyone says that the Shen family has fallen, but I think Shen Rou’s dress and jewelry are worth at least eight figures. Indeed, a starving camel is still bigger than a horse. No matter how bad the Shen family is, she still looks like the daughter of a rich family.”

At the venue.

Because of Shen Rou’s appearance, a small climax before the charity banquet started.

After Shen Rou left, the reporters waited for Qiao Mianmian to appear.

They weren’t that interested in other women.

Tonight was Qiao Mianmian’s first red carpet show.

With Shen Rou in front, the reporters were looking forward to Qiao Mianmian’s debut.

They waited for more than 10 minutes.

A black Rolls-Royce stopped at the entrance of the venue.

The driver got off first, then he opened the back door. After a while, a leg came out. The leg wrapped in black was especially eye-catching.

### **Chapter 2036: Qiao Mianmian’s Leg?**

Everyone’s attention was attracted to this leg.

A few seconds later, the person got out of the car.

The moment they saw Qiao Mianmian, the reporters immediately squeezed towards her.

“Wow, it’s Mianmian. She’s so beautiful.”

Qiao Mianmian’s fans were also present.

The moment they saw her, the fans got excited and waved at her. “Mianmian, Mianmian!”

The live broadcast was set.

Qiao Mianmian got out of the car and slowly walked onto the red carpet. The netizens watching the live stream were also excited.

“Qiao Mianmian’s leg? It’s too straight and beautiful.”

“Who said that Qiao Mianmian doesn’t have a feminine aura? This outfit isn’t too feminine, but her aura is so strong.”

“I thought she’d definitely dress like a fairy tonight. I didn’t expect her to be so good at it. Her figure is so proportionate, her skin is so fair.”

“I now believe that someone’s skin can glow.”

“Oh my, Qiao Mianmian’s outfit is too sexy. It’s very different from her usual style. I just realized that her figure is so good, much better than Miss Shen’s.”

“This face, this figure, I can do it!”

“I’m not convinced of anything except Qiao Mianmian’s looks. The camera is so close to her, but her skin is still so smooth and flawless.”

“Her skin is really good.”

“Haha, the fans are so embarrassed. She’s just a 20-year-old girl with good skin and a face full of protein. She can still boast when gets to her thirties.”

“I’m impressed by Qiao Mianmian’s looks. I can be tanned, but she can’t be.”

“Hahaha, how can a woman that Chairman Mo likes not be good-looking? This face, this figure, and this skin, I’m a little envious of Mo Yesi.”

“Qiao Mianmian’s looks and figure are slightly better than Shen Rou’s. But Shen Rou’s set of jewelry wins. I just checked. That set of jewelry is a new set designed by D Nation’s designer, Duban. It’s worth more than 50 million yuan each. It’s the most expensive set of jewelry among everyone attending tonight.”

“Qiao Mianmian doesn’t even have a decent set of jewelry on her. She seems too poor.”

“Isn’t her boyfriend the Chairman of the Mo Corporation? Isn’t he filthy rich? Why didn’t he give his girlfriend any decent jewelry? Didn’t she say that her boyfriend dotes on her and treats her very well?”

Soon, some netizens posted a comparison between Qiao Mianmian’s outfit and Shen Rou’s. They even set up a vote to decide which of the two would win.

Qiao Mianmian had gained a lot of popularity from the variety show she attended previously.

And the variety show was still broadcasting.

The night before, “The Meaning of Traveling” had just broadcasted. Qiao Mianmian’s popularity was currently on the rise. Although she still had many haters, their numbers couldn’t compare to the number of her fans.

A few minutes later, the results were out.

Those supporting Qiao Mianmian were over 80%.

### **Chapter 2037: Qiao Mianmian Was Too Beautiful Tonight**

Shen Rou’s support rate was 50%.

Without a doubt, the netizens agreed that Qiao Mianmian’s outfit tonight was better than Shen Rou’s.

Qiao Mianmian's looks were good.

Although she was so beautiful, she wasn't aggressive.

Hence, girls liked her looks.

She had a face that many men liked.

Although Shen Rou was pretty, her looks were aggressive.

Her looks weren't very friendly to girls.

For men, her looks were a little domineering, and most men preferred women who looked weak.

The fans were naturally happy to see the results.

Some haters couldn't help but sneer.

"What's this? Why are so many people supporting Qiao Mianmian? Are they blind? Shen Rou looks better and has a better temperament."

"Qiao Mianmian must have hired some people to vote for her. Shen Rou's obviously the better-looking one. Her support rate is only 50%, how is that possible!"

"I feel like laughing when I see you praising Qiao Mianmian's looks. It's obvious that her face has undergone plastic surgery, and many places have been touched. So what if she looks good, can she compare to Young Lady Shen's natural looks?"

"That's right. One of my friends is from the plastic surgery field. She told me that Qiao Mianmian's nose and eyes must have been touched, and her jaw must have been shaved too. She even had a lot of injections, thus her fair skin."

"Injections affect fertility. She must have given birth a lot. If she can't give birth in the future, that'll be fun."

Furious, the fans started arguing with the haters in the comment section.

"We're all Qiao Mianmian's fake reviewers. Then, whose fake reviewers are you? Shen Rou's? Do you have evidence? Say that again. Our Mianmian has been a beauty since she was young, alright? Can't you die of being an anti-fan before you start to slander Mianmian's looks?"

"Starting rumors about plastic surgery? Haha, my friend used to be Qiao Mianmian's makeup artist. She told me that Qiao Mianmian is a natural, and her face hasn't changed at all! On the other hand, that Young Lady Shen has a weird mouth and a crooked smile. She just had plastic surgery!"

"Our Mianmian has been beautiful since she was young. I couldn't help but laugh when you said that she had plastic surgery. There's really nothing to criticize anymore. They're starting to bite people like a mad dog."

The comment section was buzzing.

The venue was also in an uproar.

Qiao Mianmian saw many familiar faces.

Shen Fei, Qin Han, Zhan Bo, Su Mufei...

The group of people who had worked together before quickly gathered and chatted like old friends.

“Wow, Sister Mianmian, you’re so beautiful tonight.” Su Mufei blushed when he saw that Qiao Mianmian wasn’t dressed like usual.

Qiao Mianmian usually dressed very casually.

Su Mufei was used to her outfit.

But in a black off-shoulder evening gown and exquisite makeup, Qiao Mianmian suddenly felt different from before. She felt a little foreign. His shyness when facing a beautiful lady reappeared.

She was so beautiful that Su Mufei was embarrassed to look at her.

### **Chapter 2038: Your Boyfriend’s Aura Is Too Strong**

Zhan Bo couldn’t help but tease her. “Qiao Mianmian, not bad. I didn’t expect you to be so feminine. My impression of you is still that of a tomboy. It seems like clothes make the man.”

When they were filming “The Meaning of Traveling”, they often mocked each other.

Qiao Mianmian glared at him. “You mean I wasn’t feminine before?”

“Mianmian, we can still be friends,” Zhan Bo said seriously.

Qiao Mianmian continued glaring at him. “I didn’t expect you to look so manly tonight. My impression of you is still that of a straight man. It seems like clothes make the man.”

“Hahaha.” Zhan Bo laughed. “Same here.”

Shen Fei couldn’t help but laugh as she watched them bicker. “The two of you are really mean to each other.”

The group of them seemed to have returned to the past.

“Qiao Mianmian, you’re not a nice person,” Zhan Bo said.

“How so?”

“You’re Chairman Mo’s girlfriend? You’ve never told us about this.”

“Yes, Sister Mianmian, is this true? Your boyfriend... is really the Chairman of the Mo Corporation?”

The boys were very interested in this.

Chairman Mo had always been a mysterious figure to them.

But this mysterious person suddenly became their friend’s boyfriend.

It felt amazing.

“Mm.” Qiao Mianmian nodded.

“That’s true.” Zhan Bo smiled. “No wonder I felt pressured when I saw him.”

“Yes, Sister Mianmian. I was a little afraid when I saw your boyfriend.”

Qiao Mianmian asked, “...What were you afraid of?”

“Your boyfriend’s aura is too strong. You feel nervous and pressured in front of him. Sister Mianmian, I really admire you. How do you and your boyfriend usually interact? Is his temper good? Has he lost his temper in front of you?”

Su Mufei looked at Qiao Mianmian and felt that she definitely couldn’t control a man like Mo Yesi.

She was too weak.

She was just a docile lamb in front of him.

“We’re a normal couple. He has a good temper. Actually, he’s not as cold as you think. He’s easy to approach.” Qiao Mianmian clarified seriously.

But no one seemed to believe her clarification.

Good temper?

Zhan Bo and Su Mufei looked at each other and recalled their first meeting with Mo Yesi.

The man’s aura was strong and cold.

No matter how they looked at it, he didn’t seem easy to get along with.

On the contrary, it was obvious that he wasn’t easy to get close to.

They couldn’t understand how a little lamb like Qiao Mianmian dared to date Mo Yesi.

Wasn’t she afraid?

...

More and more people entered the hall.

The banquet was scheduled to begin in 10 minutes.

The guests had to find their seats before the banquet started.

Qiao Mianmian thought that she was in the last row, so she went straight there to look for her seat.

The seats were arranged according to the guests’ popularity.

### **Chapter 2039: Did the Organizers Make a Mistake?**

But she couldn’t find her name tag.

She thought she’d missed it and searched again, but she still couldn’t find it.

Just as she was wondering what to do, she heard Zhan Bo's voice behind her. "Qiao Mianmian, what are you looking at so foolishly? The banquet is about to start, why aren't you taking a seat?"

"Zhan Bo, you came at the right time. Can you help me ask someone about my seat?" Qiao Mianmian turned around. Seeing that the banquet was about to start, she was a little anxious.

Zhan Bo raised an eyebrow. "What do you mean?"

Qiao Mianmian frowned. "I didn't find the seat with my name tag."

Zhan Bo was stunned. He looked at Qiao Mianmian's position and found it funny. "You didn't find it in the last row, right?"

"Isn't it?" Qiao Mianmian blinked.

"Of course not. Your seat is in the first row, what are you looking for in the last row?"

"My seat is in the first row?"

Qiao Mianmian thought she'd heard wrong.

"Mm, I saw it just now." Zhan Bo wanted to say that he not only saw Qiao Mianmian's position, but also Shen Rou's.

Coincidentally, Qiao Mianmian's seat was next to Shen Rou's!

Of course, Zhan Bo didn't tell her about this.

Shen Rou and Mo Yesi were childhood sweethearts, and the Shen and Mo families were on par. Shen Rou even liked Mo Yesi...

Qiao Mianmian definitely minded Shen Rou.

"Why am I in the first row? Did the organizer make a mistake?"

No wonder she couldn't find her seat in the last row.

But she shouldn't be in the first row.

As everyone knew, the first row was filled with A-list big shots and the higher-ups of the organizers. It had nothing to do with a newbie like her.

Zhan Bo shook his head. "How could this be wrong? If they arranged for you to be in the first row, then you deserve to be in the first row. Alright, let's go. Quickly."

Zhan Bo could guess the reason.

The main reason Qiao Mianmian was placed in the first row was Mo Yesi.

The organizer must have known that she was Mo Yesi's girlfriend.

Qiao Mianmian looked at the time. Although she still didn't understand why she was sitting in the first row, she didn't harp on it anymore and followed Zhan Bo.

In the first row.

Soon, she found her name tag beside Shen Rou's.

Qiao Mianmian was stunned for a moment before sitting down calmly.

On the other hand, Shen Rou lost her composure the moment she saw Qiao Mianmian.

She had just scrolled through Weibo.

She was a little angry when she saw the results.

She thought that she would be the most outstanding one tonight.

In fact, if not for Qiao Mianmian, she would have been the most outstanding one.

But now, Qiao Mianmian had stolen her limelight.

Even her new set of jewelry from Duban couldn't steal Qiao Mianmian's limelight.

On Weibo, everyone was commenting on Qiao Mianmian's style.

What angered Shen Rou the most was that some netizens said that it was no wonder Mo Yesi chose Qiao Mianmian. Qiao Mianmian was indeed more beautiful than her.

Qiao Mianmian looked at the stage without looking at her.

Shen Rou couldn't take it anymore. "Qiao Mianmian, you really like to join in the fun."

#### **Chapter 2040: Watch Your Face**

Qiao Mianmian was stunned and turned to look at her.

Shen Rou smiled. "You relied on Ah Si to attend this party, right? After all, you're not qualified enough. Tell me, you're the only newbie among all the guests today. Aren't you embarrassed?"

"Shen Rou." Qiao Mianmian smiled and called her name.

"It's been a long time. I don't think we've seen each other since your Shen family's problem. I heard that your family suddenly pulled in an investor and now you're back in the game. Seems like it's true.

"Otherwise, some people wouldn't have the face to see others and would continue hiding at home.."

"How can you be like this?"

Shen Rou narrowed her eyes. "Qiao Mianmian, who are you talking about!"

"Whoever you think it is." Qiao Mianmian looked nonchalant.

"You!"

"Miss Shen, I advise you to watch your expression. After all, there are so many cameras at the scene, and you're already making such a face. Miss Shen's so-called elegant demeanor as a rich young lady is gone," Qiao Mianmian said slowly.

Shen Rou's expression changed as she looked around.

When she saw that there were indeed many cameras, her expression changed again.

Qiao Mianmian ignored her.

A few minutes later, the emcee went on stage and announced the start of the charity banquet.

Typically, such charity banquets would firstly increase its influence and appeal through the artistes before raising a sum of money. The money would then be donated by all the artistes present.

But this didn't have high requirements for the artistes.

Usually, an artiste would auction off a personal item and then donate the money to a charity organization.

These were all processes. Generally, the donated personal items weren't too expensive. It was all about participation.

In such a way, the final buyers were basically the fans.

Some fans bought their idol's personal belongings. An ordinary T-shirt could sometimes be sold for tens of thousands.

For example, Zhan Bo.

He took out a necklace that he'd worn during the previous events. He'd just displayed it when someone outside the live-stream offered 10,000 yuan.

And the necklace's original price was only 1,000 yuan.

Zhan Bo had worn it before, so there was naturally no shortage of rich female fans who spent a huge sum to buy it.

Soon, the bid surpassed 30,000 yuan.

In the end, it was sold for 100,000 yuan.

"Our Zhan Bo's fans are so rich." The emcee was shocked by how generous the Zhan Bo's fans were and couldn't help but sigh. "This necklace was auctioned at a price many times higher than we expected. I hope the results of the auction will get better.

"Let's thank Zhan Bo for supporting our gala and for the donation. This money will be used to help poor children all over the country."

After the emcee shook hands with Zhan Bo and thanked him, Zhan Bo bowed to the people below the stage and then returned.

"Next, let us invite Miss Shen Rou to the stage."
