

Big Shot 2041

Chapter 2041: Please Clap for Miss Shen!

Shen Rou got up elegantly under everyone's gaze. Before going to the stage, she even looked down at Qiao Mianmian with a hint of smugness and provocation. Then, she turned and walked towards the stage.

"Miss Shen, this way please." The emcee led her to the stage.

Shen Rou was wearing a red dress, and her figure was graceful. She was extremely beautiful.

Even the emcee couldn't help but take a few more glances at her.

After Shen Rou stood up, the emcee smiled and said, "Miss Shen, may I know what your personal item is?"

Shen Rou looked around the stage and smiled. She then reached out and took off her necklace.. Then, under the emcee's astonished gaze, she took off her diamond ear stud.

She placed the jewelry on the auction stage.

"I'll donate a set of jewelry."

The next moment, she heard a sound in the quiet venue.

The emcee was stunned for a few seconds looking at the jewelry on the stage, not being able to hide her surprise. "Miss Shen, are you going to auction this set of jewelry?"

Other people took out their cheap belongings.

Basically, the most expensive one wouldn't exceed 100,000 yuan.

But Shen Rou's jewelry was worth tens of millions.

This was Duban's new design. It wasn't fully released yet, and it was limited worldwide.

It wasn't easy to buy.

No one would auction such expensive jewelry.

Hence, the emcee's first reaction was to wonder if Shen Rou had made a mistake.

"Miss Shen, all the money from the auction will be donated to our charity banquet. Are you sure?"

"Of course I know." Shen Rou looked at the crowd's reaction and then at the emcee. She smiled elegantly and said, "I know the process of the auction very well. I hope that I can contribute to the poor families all over the country. Although my ability is limited and I can't help everyone, I'll do my best at this charity event. I believe that as long as we have the heart, this world can become better.

"Everyone can show a little love, then this world will be filled with love."

Clap clap clap clap.?

The emcee applauded her words. “Miss Shen said it very well, very well. This is the meaning of our charity banquet. As long as one person gives a little love, this world will become better.

“Everyone, please clap for Miss Shen!”

The audience applauded.

Shen Rou stood on stage, smiling. She felt that something she’d lost was slowly returning to her.

She finally became the center of attention again.

She had finally returned to being the Young Lady of the Shen family.

This familiar feeling caused her to regain her confidence.

She smiled and looked down at Qiao Mianmian.

Qiao Mianmian was next.

She wanted to see how Qiao Mianmian was going to compete with her!

...

At this moment.

The live stream was also in an uproar.

“Damn! Young Lady Shen is Young Lady Shen. Her actions are indeed different.”

Chapter 2042: What’s the Point of Flattering and Trampling on Each Other?

“This set of jewelry must be worth tens of millions of yuan. Moreover, it might not even be bought with money now. She actually auctioned it off just like that. Too impressive.”

“I just checked the price. Damn, this set of jewelry costs more than 50 million. She’s actually willing to auction it off. She’s too rich.”

“This amount of money isn’t much to Young Lady Shen. To be able to donate 50 million yuan as a set of jewelry, it seems like the Shen family has indeed recovered from their financial crisis and regained their former glory.”

“At this moment, I think Shen Rou is stunned. She’s so good-looking, has a good background, and graduated from a famous school. Not only is she talented and beautiful, but she’s also so loving. Ahhh, she’s too perfect. I announce that Shen Rou is now my goddess!”

“To be honest, what exactly is Mo Yesi thinking? I’m just a woman, but I feel that Shen Rou is perfect. If I were a man, I’d be happy to marry such a perfect wife. Qiao Mianmian is only a little good-looking, but in terms of family background and talent, she can’t compare to Shen Rou in any aspect.”

“That’s right. Qiao Mianmian can only fight in looks, she can’t compare to Shen Rou in other aspects. Shen Rou attended a top-notch overseas university, how could a trashy school like Yuncheng City Film Academy compare? One is a rich young lady from a prestigious family, and the other is in the entertainment industry. Shen Rou can crush her in all aspects. If it wasn’t for Mo Yesi, Qiao Mianmian

wouldn't be qualified to stand by Shen Rou's side. But most men are superficial and like to look at their faces. I can only say that Chairman Mo is the same."

"Shen Rou's looks aren't bad. I like her looks. She's elegant and comes from a rich family. Moreover, she's very attractive. She's not like Qiao Mianmian, who looks so petty and poor. Her face looks so sad."

"What's the point of praising and trampling on her? If you're praising Shen Rou, then praise her. What's the point of dragging Mianmian into this? Would it kill Shen Rou's fake reviewers not to bring Mianmian along? So what if you're praising Shen Rou to the skies? Mo Yesi still doesn't like her. He likes our Mianmian the most!"

"That's right. I realized that Shen Rou's fake reviewers always rely on our Mianmian to create topics. She's so impressive, what's there to compare with our Mianmian? She's the best in the world, right? Any man should bow down to her. Otherwise, they're all blind."

"If you don't want to date her, please don't blindly lead the conversation! Even if Shen Rou is good, it has nothing to do with our Mianmian! In our eyes, Mianmian's the best!"

"I'm looking forward to seeing what Qiao Mianmian will put up for auction. Shen Rou's jewelry is worth tens of millions. As Mo Yesi's official girlfriend, she can't do any less."

"Hehe, Shen Rou is the Young Lady of the Shen family. It's easy to donate 50 million yuan. As for Qiao Mianmian, although she's a legitimate girlfriend, who knows if Mo Yesi would be willing to spend money on her? She isn't even wearing any decent jewelry. I feel like she's not very important to him."

The netizens were discussing excitedly.

Because they knew that Shen Rou was Mo Yesi's childhood sweetheart, and seeing that she had donated 50 million yuan, many people were interested in what Qiao Mianmian would put on auction.

Chapter 2043: About to Lose to the Childhood Sweetheart

They couldn't wait to see what she would donate.

If it wasn't as good as Shen Rou's set of jewelry, she would just be embarrassing herself.

The set of jewelry Shen Rou donated was worth more than 50 million yuan.

If Qiao Mianmian wanted to save face, she would either donate something similar or something more expensive.

Without Mo Yesi's support, she probably wouldn't be able to fork out so much money.

It seemed like the real girlfriend was going to lose to the childhood sweetheart tonight.

The set of jewelry was quickly sold for 53 million yuan.

Duban's set of jewelry was a global limited edition set. There was no need to worry about not being able to sell it.

"Thank you for your support, Miss Shen. Let us thank you again with applause."

The emcee announced that the 53 million yuan from Shen Rou's jewelry would be used for charity in the future.

"Thank you, everyone. And thank you for giving me the chance to help the poor children." Shen Rou bowed humbly to the people below the stage and then walked down gracefully.

She returned to her seat.

She stopped when she passed by Qiao Mianmian and then sat down.

On stage, the emcee read out the next person's name.

Celebrities also loved gossip.

Hence, many people knew about the triangle between Qiao Mianmian, Shen Rou, and Mo Yesi.

When Qiao Mianmian got up and walked towards the stage, everyone looked at her.

Like the netizens in the live stream, everyone couldn't wait to see what she would donate.

With Shen Rou's 50 million, if she donated something too ordinary, she definitely wouldn't be able to save face.

It cost a lot of money to maintain her image.

She might not be able to.

On stage.

Qiao Mianmian looked at the pairs of eyes waiting to watch a show and felt amused.

She could guess what they were thinking.

Everyone was probably waiting to see what she would donate next.

Shen Rou was one of them.

Everyone probably thought that she would compete with Shen Rou to win.

If Qiao Mianmian could win if she really wanted to.

It wasn't difficult for her to fork out 50 million yuan.

She could donate a sum of money directly, and even more than Shen Rou.

But Qiao Mianmian had no such intention.

She didn't think that her face was important, nor did she think that if she donated less than Shen Rou, she would lose to her.

She wasn't interested in competing with Shen Rou over this.

To her, winning or losing wasn't important.

Hence, when the gossipy emcee asked her what she was going to donate to the auction, Qiao Mianmian smiled and took the bracelet off her wrist.

The bracelet was given to her by Mo Yesi.

Back then, Qiao Mianmian saw that this bracelet didn't look very expensive and was low profile, so she kept it on.

She placed the bracelet on the display table. "This is a bracelet I like very much. It was given to me by a friend of mine. If you like it, you can bid for it."

Chapter 2044: This Bracelet Is Worth More Than 10 Million?!

The emcee looked at the bracelet and quickly recognized it.

This bracelet was also very expensive. It was designed by a very famous jewelry designer. Just a bracelet alone was worth more than 10 million yuan.

Although it couldn't be compared to Shen Rou's 50 million yuan, it was still very expensive jewelry.

"Miss Qiao, what's your bid?" the emcee asked.

Qiao Mianmian thought for a while and said, "10,000 yuan."

When Mo Yesi gave her this bracelet, he said it didn't cost much.

Qiao Mianmian looked at the simple design and guessed that it was about 10,000 yuan..

"10,000?!"

The emcee was shocked.

She was putting the initial bid of 10,000 yuan for a bracelet worth 10 million yuan?

The emcee felt like she was hallucinating. "Miss Qiao, did you just say 10,000 yuan?"

"Yes." Qiao Mianmian was stunned by the emcee's reaction and wondered if she'd raised the price.

The original price of this bracelet wasn't even 10,000 yuan?

"Is there a problem?" she asked.

The emcee was speechless.

Was there a need to ask?

He looked at Qiao Mianmian's confused expression and seriously suspected that she didn't know how much this bracelet cost.

The original price was up to her.

But Qiao Mianmian's price was abnormally low.

“Miss Qiao, did you just say that your friend gave you this bracelet?”

Qiao Mianmian nodded.

The emcee continued, “Then, did your friend tell you how much this bracelet is worth?”

Qiao Mianmian shook her head.

The emcee said, “So, you don’t know the price of this bracelet, right?”

“Mm.”

That was right.

The emcee looked at her confused expression and smiled. “Miss Qiao, if this bracelet is authentic, it’s worth more than 10 million. Do you want to reconsider?”

“This bracelet is worth more than 10 million yuan?!” Qiao Mianmian was shocked by the emcee’s words.

The bracelet that she thought was worth at most 10,000 yuan was actually worth more than 10 million yuan?!

In the live stream.

Qiao Mianmian’s reaction when she heard the price of the bracelet was very interesting.

“Hahaha, Qiao Mianmian is too damn cute. She’s selling a bracelet worth 10 million yuan for 10,000 yuan?”

“The friend she’s talking about should be her boyfriend. I guess the plot is like this. When her boyfriend gave her the bracelet, he told her that it wasn’t expensive, just about 10,000 yuan. Then, she took it seriously.”

“Hahaha, damn it!! Thankfully, the emcee knows her stuff. Otherwise, if she really sold this bracelet for tens of thousands of yuan, wouldn’t she cry when she finds out the truth?”

“If someone wants to cry, it’s her boyfriend. He spent over 10 million to give his girlfriend a gift, but it was sold for tens of thousands of yuan.”

“Mianmian is too cute. Only she can do something so silly.”

“Who said that her boyfriend couldn’t bear to spend money on her? He just gave her a bracelet worth more than 10 million yuan. How’s that?”

“Am I the only one who thinks Qiao Mianmian is acting? How could she not know the true price of the bracelet? She’s obviously using this method to gain attention. She’s really an actress.”

“Even if she really donates the bracelet, it’s only about 10 million yuan.”

Chapter 2045: Her Reputation Would Definitely Be Stained

“It’s still incomparable to Shen Rou’s 50 million.”

“Shen Rou won.”

...

At the venue.

Qiao Mianmian thought that the bracelet Mo Yesi gave her wasn't expensive, so she wore it every day.

If she knew the real price, she couldn't bear to wear it.

If the bracelet was bought by Mo Yesi for over 10 million yuan, he must have picked it for her.

Qiao Mianmian hesitated.

She was afraid that Mo Yesi would be unhappy if she sold the bracelet.

Just as she was hesitating, the netizens in the live stream started discussing again.

"Initially, she thought that it was worthless, so she donated it. Now that she finds out that the bracelet is worth more than 10 million, she can't bear to donate it? Hahaha, that's all she has. This is the typical attitude of a commoner. She really can't compare to a rich girl."

"Shen Rou donated a set of jewelry worth over 50 million yuan without any heartache. But Qiao Mianmian..."

"The person above, can you not think so badly of others? I think she's hesitating because she knows her boyfriend gave her a very expensive gift. She's afraid that her boyfriend will be unhappy if she donates it just like that. It's not that she can't bear to donate it!"

"Hahaha, if you can't bear to, you can't bear to. You have to find so many excuses. Don't you think what you said is funny? You think the gift isn't worth anything, so you can auction it as you wish. Now that you know it's valuable, you can't auction it as you wish? So, you're saying that Qiao Mianmian judged her boyfriend's feelings for her based on money?"

"The commenter above is so funny. We're all adults, what's there to measure if we don't look at money? Do you think I love you? I'll say it again, just because a man is willing to spend money on you doesn't mean he loves you. But if he can't bear to spend money on you, then he definitely doesn't love you!"

"If it's material, then it's material. Why do you have to come up with so many high-sounding reasons? Can't you just say that you like money? If you're honest, someone might even admire you. If you force it, it'll only make people feel disgusted!"

"Everyone, pay attention. The haters are out and about, and they're trying to defame Mianmian again. This time, we will fight you to the end! Don't even think about hurting her!"

The live stream was in an uproar.

At the venue.

"Miss Qiao, have you decided?" Qiao Mianmian's long silence made the emcee feel a little awkward.

Under such circumstances, it was understandable if she suddenly didn't want to donate.

After all, this bracelet was expensive.

Not many people were as generous as Shen Rou.

But it was awkward to back out now.

It was hard to get off the tiger.

After all, so many people were watching. Moreover, so many netizens were watching the live stream.

If she really went back on her word, her reputation would definitely be stained.

Qiao Mianmian knew this very well.

That was why she hesitated.

Just as she decided to donate it, she suddenly heard a voice from below the stage.

“Miss Qiao’s bracelet won’t be auctioned. She’ll donate 300 million yuan to contribute to the charity.”

Qiao Mianmian was shocked.

Chapter 2046: This Plot Is Too Romantic

This voice...

She looked down and saw Wei Zheng walking towards the stage.

Wei Zheng’s appearance shocked everyone.

The emcee on stage was also shocked.

Looking smug and thinking that she’d won, Shen Rou turned pale the moment he appeared.

Wei Zheng slowly walked onto the stage.

“Mister, you...”

The emcee was still in a daze.

Who was this?

.

Where did he come from?

Why was he on stage?

“I’m Wei Zheng, the special assistant of the Chairman of the Mo Corporation.” Wei Zheng introduced himself as he walked towards Qiao Mianmian.

Qiao Mianmian was also confused.

When he approached, she asked, “Wei Zheng, why are you here?”

Qiao Mianmian’s first reaction was to quickly search the stage again.

Did that mean Mo Yesi was here too?

“Chairman Mo asked me to come.” Wei Zheng looked down at the stage and then up at Qiao Mianmian. He smiled and said, “Chairman Mo said that the bracelet is a love token he gave Miss Qiao. It has extraordinary meaning. Miss Qiao, you mustn’t auction it off.

“Chairman Mo is willing to donate 300 million yuan on Miss Qiao’s behalf to contribute to tonight’s charity banquet.

“Chairman Mo has already gotten someone to send the details to the charity banquet’s donation account. The relevant personnel will know after checking the accounts.”

300 million...

300 million yuan...

Everyone started discussing.

This should be the highest individual donation in so many years.

Shen Rou’s 50 million was already surprising.

And now, another 300 million.

“Miss Qiao, Chairman Mo wanted to come personally. It’s just that he had something on at the last minute and couldn’t come, so he got me to come. Chairman Mo said that he’ll come and pick Miss Qiao up after the banquet. He told Miss Qiao not to go back alone. Don’t forget that you guys have agreed to have supper together.”

Qiao Mianmian was speechless.

“Miss Qiao, I’ll get going first.”

Wei Zheng turned around and left the stage.

Even after he left, the emcee was still a little confused.

Below stage.

Shen Rou’s expression was awful.

She felt as if someone had slapped her.

And in front of so many people.

She was extremely embarrassed and furious.

She even felt that Mo Yesi did it on purpose.

He wanted to embarrass her.

Initially, she was the one in the limelight, successfully attracting everyone’s attention.

But now, because of Wei Zheng’s appearance, because of the 300-million-yuan donation, and because of Mo Yesi’s public protection and love.

Everyone was focused on Qiao Mianmian.

Then, what had she done?

Was he setting Qiao Mianmian up?

...

In the live stream.

Wei Zheng's appearance made the netizens uneasy.

"Am I reading a domineering CEO novel? This plot is too romantic. The female lead is about to be slapped in the face, and the male lead arranged for his assistant to save the situation. Not only did he save the female lead's face, but he also slapped the second female lead's face?!"

"The show is too exciting!"

Chapter 2047: I'm So Envious!

"This is the most exciting charity banquet I've ever seen. Hahaha, there's so much gossip tonight. As a bystander, I'm very satisfied."

"Who said that Mo Yesi couldn't bear to spend money on Qiao Mianmian? Come out and step forward. This sort of boyfriend who casually gives a bracelet worth millions and donates hundreds of millions on his girlfriend's behalf is the best. I want one, too!!"

"Mo Yesi really pampers his girlfriend! He treats Qiao Mianmian so well! I'm so envious!"

"I'm so jealous!"

"Is it the trend to lure dogs in and kill them first? That's too much. Awoo!"

"Another boyfriend. I covered my mouth and told myself not to cry, but I still ended up with lemon-flavored tears."

"So that bracelet is a love token. Mo Yesi is probably watching the gala, too. When he saw that his girlfriend almost donated the love token, he was so shocked that he immediately sent his assistant to stop her. Hahaha, I find this scene so funny."

"I really have to hand it to Qiao Mianmian. She almost auctioned off her love token. I think if Mo Yesi gives her anything in the future, he'll definitely tell her the price. Otherwise, she might treat something that costs tens of millions as a few thousand yuan."

"To be honest, her bracelet doesn't look luxurious. I thought it wasn't expensive. I was also shocked at the price."

"So, did the girlfriend win the competition against the childhood sweetheart?"

...

Qiao Mianmian got off the stage.

She could feel a strong gaze on her.

Qiao Mianmian knew who was looking at her.

She sat down without any reaction.

As soon as she did, she heard a low voice beside her. "Qiao Mianmian, do you have to compete with me? If you win, what can you get?"

"Is this fun?"

Qiao Mianmian turned around.

Shen Rou looked at her sharply. "Qiao Mianmian, do you think this is fun? Are you showing off to me?"

Qiao Mianmian was speechless.

She pouted. "I'm not that bored. Don't think everyone is as boring as you."

"Isn't it?" Shen Rou was a little agitated.

If it wasn't for the fact that she was still at the venue, if there weren't so many cameras facing her, and if there weren't others around, she wouldn't be able to control her emotions.

She lowered her voice and said coldly, "Aren't you trying to use this method to suppress and embarrass me? Aren't you trying to prove how much Mo Yesi cares about you and make me jealous of you?"

Qiao Mianmian was speechless.

She found it funny. "Shen Rou, can I trouble you not to overreact? What good is it to me to suppress and embarrass you? Do I need to prove to you how much my husband loves me and make you jealous of me?"

"Don't think so highly of yourself. To me, you're no different from anyone else. You've nothing to do with me. We're just acquaintances, not even ordinary friends."

Chapter 2048: If This Isn't Showing Off, What Is It?

"So, you think I did this on purpose just to prove to someone who has nothing to do with me?"

Shen Rou's face turned pale before turning green. "You know very well whether you did it or not. Qiao Mianmian, do you think you've won? If it wasn't for Mo Yesi, what would you be?"

Qiao Mianmian smiled. "So what? It's not embarrassing to rely on my husband."

Shen Rou's face turned even paler.

Even though she wasn't obsessed with Mo Yesi anymore.

But this was the man she'd liked for over 20 years.

She couldn't let it go completely.

.

In Shen Rou's opinion, Qiao Mianmian was just showing off.

She knew that she liked Mo Yesi for so many years, but she still said this to her.

Wasn't this showing off?

This slut!

...

The auction was over, and the banquet was about to end.

In the end, the emcee called some people to take a picture on stage.

Generally, those who were called up for a group photo were top-notch in the industry, be it in terms of fame or experience.

They were either seniors or newbies.

Shen Fei, Zhan Bo, and Qin Han were called up.

Shen Rou, who wasn't from the industry, was also called up.

Qiao Mianmian was still in a daze when the emcee called her name.

The emcee called her a few times before she realized that it was her.

She got up and pointed at herself. "Are you calling me?"

"Yes, Miss Qiao. Please come up for a photo," the emcee said politely, smiling.

Although Qiao Mianmian was a newbie, the organizer had already informed them that this newbie needed special treatment.

She couldn't be treated like a newbie.

Moreover, Mo Yesi had donated 300 million yuan on Qiao Mianmian's account. She was the artiste who donated the most at the charity banquet. Just based on this point, she would definitely be invited for the photo.

Qiao Mianmian felt uncomfortable when she was called on stage.

She could guess why a newbie like her could take a picture with so many big shots.

She wanted to keep a low profile, so she hid in a corner after going on stage.

An inconspicuous place.

"Miss Qiao." At this moment, the emcee called her. "Why are you standing there? Come over here."

The emcee waved at her and pointed to a seat.

Qiao Mianmian looked where he was pointing at. It was actually a C position.

The so-called C position was the most eye-catching spot in the middle of the first row. Usually, those standing at the C position were seniors with prestige in the industry.

No newbie would stand at the C position.

Hence, when Qiao Mianmian saw the emcee asking her to stand at the C position, she was stunned and hesitated.

It wasn't right for a newbie like her to be in the C position.

Even a new A-list celebrity didn't take this position.

Everyone knew where they stood.

Qiao Mianmian was very conscious too, so she chose to hide in the corner.

"Miss Qiao." Seeing that she wasn't moving, the emcee called her again. "Come over here. Your seat is here."

Qiao Mianmian looked at the obvious spot and felt conflicted.

Chapter 2049: What Right Does She Have to Stand in the C Position?

Previously, a female artiste deliberately stood in the C position at an event. Later on, she was scolded badly by the other artistes' fans. She even released a video apologizing, but the fans still refused to accept it. They continued to scold her and directly shut her out.

Qiao Mianmian remembered that this female artiste left the industry.

At this thought, Qiao Mianmian was a little afraid of the so-called "C position".

She didn't want to be scolded by other fans like that female artiste.

She had already seen how crazy fans were.

As she hesitated, the emcee walked towards her and asked, "Miss Qiao, do you have any questions?"

Qiao Mianmian nodded.. "Did you make a mistake? That seat isn't mine, right?"

"That's your seat." The emcee smiled and explained, "Miss Qiao is the person who donated the most at our party, so it's normal for you to be in the C position. Miss Qiao, we're about to take a big picture, come with me."

Qiao Mianmian was still a little hesitant.

But seeing that everyone was waiting for her, she didn't want to waste any more time. Although she still felt that it was a little inappropriate, she still followed the emcee.

She'd thought that Shen Rou would also be in the C position.

After all, she had donated a lot of money.

But when Qiao Mianmian went over, she realized that Shen Rou didn't receive the same treatment as her. Her position wasn't bad, but it wasn't a C position.

At this moment.

The live stream was also very lively.

Because Qiao Mianmian was a newbie, some netizens started criticizing her.

"Qiao Mianmian is too self-conscious. She's just a newbie, but she actually went to the C position. What right does she have to be in the C position? What are her achievements, what about her works? What right does she have to be treated the same as Shen Fei and the rest?"

"That's right. I'm shocked. What right does she have to be in the C position? She really doesn't know her place."

"It's already very nice being able to take a picture with so many seniors. As a newbie, she really doesn't follow the rules."

"Pfft, Qiao Mianmian is so shameless. In order to be in the limelight, she went to fight with the seniors for the C position. I think that Chairman Mo is blind. He actually took a liking to such a scheming woman. Young Lady Shen is so outstanding, who knows how many times better than this scheming bitch. How can his taste be so bad?"

"She's just a passerby, she doesn't stand on anyone's side. As a newbie, Qiao Mianmian really shouldn't fight for the C position. She's obviously doing this because Chairman Mo is her backing, so no one dares to do anything to her. She's trying to get more attention, but such behavior is really revolting."

"Oh my, she's openly fighting for the C position. She really doesn't want her face anymore. I'll like to see how her fans are going to spin this in her favor. Do you think she was forced to stand there?"

The live stream was filled with scolding.

They were all criticizing Qiao Mianmian.

As a newbie, it was very scandalous of her to snatch a position that didn't belong to her.

Moreover, there were always haters defaming her.

They wouldn't let go of such an opportunity.

"I believe Mianmian must have a reason for doing this! Don't worry, Mianmian will definitely give us an explanation."

"Mianmian didn't go there herself. The emcee asked her to."

Chapter 2050: Send Her to Hell

"Didn't you see that the emcee went to look for her?"

“The haters insist on being blind, what can we do? We all saw it, the emcee asked Mianmian to go over, she didn’t go herself! At first, Mianmian was standing in a corner, she didn’t mean to snatch the C position!”

“I saw it, too. After going on stage, Qiao Mianmian chose to stand in the most inconspicuous place. I think the emcee asked her to stand there.”

“Haha, Bitch Qiao’s fans are trying to help her again? Even if the emcee asked her to go over, does she not know if she can stand in that position? Maybe she’s just being polite. I didn’t expect her to be so thick-skinned and actually go over.”

“That’s right. Maybe the emcee was just being polite. After all, Mo Yesi donated 300 million yuan, so she had to be polite. The emcee didn’t expect her to actually take the C position.”

Qiao Mianmian was trending because she was in the C position..

It wasn’t known if it was because someone hired the Internet Water Army, but in any case, the popularity she’d accumulated from participating in the variety show had been ruined because of this. When she clicked on the trending searches, it was filled with criticism.

...

At the Qiao house.

Qiao Anxin scrolled through Weibo and saw that Qiao Mianmian was on the trending list. She smiled.

A call came in.

She picked it up.

The person on the other end said, “Miss Qiao, Qiao Mianmian is already on Weibo’s hot searches. Do you still want to continue with the relevant data?”

“Yes.” Qiao Anxin pursed her lips and took a deep breath. “Send her to hell.”

“You might have to pay more. As you know, once her public relations team is activated, it’ll be difficult for us to continue.”

“It doesn’t matter, as long as you can keep her negative news going.”

“Alright, Miss Qiao. Our team will do it immediately.”

After the person hung up.

Qiao Anxin looked at the screen again.

She knew that it was impossible to defeat Qiao Mianmian with just this negative news.

Qiao Mianmian had Mo Yesi and the Bai family behind her. These two powerful backers could protect her well.

There was a lot of negative news about Qiao Mianmian on the Internet.

But every time, someone would help her settle it.

It would be the same this time.

But even if she couldn't defeat her immediately, as long as the negative news affected her, Qiao Anxin felt that the money was well spent.

Why was her life so smooth?

After Qiao Anxin was done, she found Quan Dong's number in her contact list.

She hesitated.

She had nothing to do these few days.

She could tolerate it if it was just for a while.

But she was afraid of being so free.

Quan Dong's company didn't lack artistes. Qiao Anxin was afraid that she would be forgotten by him.

Just as she was about to call Quan Dong, her cell phone rang.

It was an unknown number.

Qiao Anxin picked it up.

"I'm Su Ze."

A man's voice sounded on the phone.
