Chapter 2051: She'd Never Forget It

Qiao Anxin widened her eyes in shock. "Su Ze?"

"Qiao Anxin, are you free now? Let's find a place to talk." Su Ze's voice was cold.

Qiao Anxin had already forgotten about this person while Su Ze was in Country F.

She was still a little dazed when she heard his voice again.

When those bad memories flooded her mind, she gripped her cell phone tightly. "Su Ze, how dare you call me? We've already broken up, I have nothing to talk to you about now."

She was about to hang up.

Su Ze was such a jerk!

He went to look for Qiao Mianmian the moment he returned.

Did he look for her because Qiao Mianmian ignored him?

But she didn't like Su Ze anymore!

Moreover, this jerk caused her to lose a child. She would never forget this.

She would never forgive him.

"Wait!" Su Ze quickly stopped her. "If you know what I want to talk to you about, you'll be interested. Qiao Anxin, from what I know, you haven't been doing anything for the past two days. You're just idling at home. Am I right?"

Qiao Anxin was stunned.

Su Ze said, "I have what you need. Let's talk."

"Su Ze, what do you want to talk to me about?" Qiao Anxin resisted the urge to hang up.

"It's not convenient to talk over the phone. Come out, we can talk in person.

"I'm waiting for you at a cafe at 33 XX Street. I've booked a private room, you can just say my name."

Su Ze hung up.

Qiao Anxin frowned.

She naturally didn't want to see him.

But Su Ze said that he had what she wanted...

She heard a knock on the door.

The next moment, the door was pushed open.

Lin Huizhen walked in with a bowl of soup.

“Anxin, Mom made this soup for you. Drink it while it’s hot.”

Entering the bedroom and seeing that Qiao Anxin was about to leave, she asked, “Are you going out?”

“Mm, I have something to attend to.”

Lin Huizhen’s face lit up when she heard that. She quickly asked, “Did you get a job?”

Before Qiao Anxin could say anything, she said, “Anxin, you can do your work now. Don’t be picky. It’s not like before when you could still choose. It’s always right to take the job first.”

Qiao Anxin had nothing to do these few days.

Lin Huizhen watched anxiously.

She could only rely on her daughter now.

Whether she could lead a good life or not depended on her daughter.

Hence, Lin Huizhen was even more anxious than Qiao Anxin.

She was afraid that Qiao Anxin would be idle for a long time.

And Qiao Anxin had been banned before.

Lin Huizhen was afraid that she would be banned again.

Qiao Anxin was already frustrated, and hearing these words made her even more upset. Her face darkened. “What do you know, what do you mean ‘don’t be picky’? With my current reputation, how am I not qualified to be picky?”

Chapter 2052: Stop Talking!

Lin Huizhen went silent.

She held the bowl of steaming soup and stood there helplessly for a while before saying, “Anxin, I know you don’t like what I’m saying, but I have to be honest. In the past, with Su Ze supporting you in his company, you could do whatever you wanted. But it’s really different now...

“That slut Qiao Mianmian is doing well now. She won’t let you have an easy time. We used to have a lot of grievances with that slut. You’re in the entertainment industry with her, so she has to suppress you.

“It’s hard for anything good to come to you.

“Mom’s doing this for your own good. That’s why I’m advising you to take the job first. No matter what, it’s better than staying idle at home.. You said that the industry is very competitive. If you do nothing for a while, you might be replaced by a newbie.”

Qiao Anxin was furious.

Like a cat whose tail had been stepped on, she exploded. “Don’t talk to me about that scumbag Su Ze. He and Qiao Mianmian aren’t good people. Mom, do you think I lost to that slut Qiao Mianmian?”

Before Lin Huizhen could say anything, Qiao Anxin gritted her teeth. "I won't lose to her, I definitely won't lose to her! No matter what, I won't lose to that slut."

"But Anxin..."

Lin Huizhen looked at her daughter's ferocious expression and hesitated for a while before saying, "I think you should give in. I don't like that slut too, but she's really not someone we can deal with."

"She's the daughter of the Bai family now. One word from her and we'll be in trouble. If your dad wasn't around, that slut would have already attacked us."

"It's your dad's birthday in a few days. I plan to get him to call Qiao Mianmian back for a meal. When the time comes, you can apologize to her at the dining table. Your dad can help you say a few more words. I'm sure she won't make things difficult for you in the future."

"What?!"

Qiao Anxin looked at her mother in disbelief. "Mom, you want me to apologize to Qiao Mianmian? Are you still my biological mother?"

"I'm saying this because I'm your biological mother. Anxin, be realistic." Lin Huizhen sighed. "The Qiao family is getting worse by the day. Your dad's health is deteriorating, too. Our family can only rely on you now."

"If you get banned again, what will happen to our family?"

"If you can soften up and reconcile with Qiao Mianmian and let her help you, your future will be much easier."

"Impossible." Qiao Anxin was so angry that her face turned pale. "Mom, I won't give in to that slut."

"Anxin..." Lin Huizhen tried to persuade her.

Qiao Anxin waved her hand in frustration. "Stop talking!"

She slapped the bowl to the ground, causing the hot soup to splash onto Lin Huizhen's pants.

Qiao Anxin's expression changed. She looked at the porcelain bowl on the ground and then up at her mother's stiff expression. After a few seconds of silence, she said, "I have something on, I'll go out first." Then, she walked past her pale-faced mother and left the bedroom.

Father Qiao heard the commotion and saw the mess on the ground. He frowned and asked, "What happened?"

"It's alright, I accidentally dropped the bowl." Lin Huizhen quickly hid her expression and called a housemaid to clean the room.

Chapter 2053: His Feelings for Qiao Chen Weren't as Deep as His Feelings for Qiao Mianmian

"I heard you and Anxin fighting over something." Father Qiao frowned. "Where's Anxin?"

"She said she had to go out."

Lin Huizhen held Father Qiao's hand and hesitated for a while before saying softly, "Husband, it's your birthday in a few days. What do you want to do about it?"

"It's meaningless to celebrate birthdays every year. Moreover, we're already so old, what's there to celebrate?" Father Qiao said calmly.

"How can that do?" Lin Huizhen said. "It's precisely because you're old that you have to celebrate your birthday. Not only do you have to celebrate it, but you also have to celebrate it grandly. How can you not celebrate your birthday every year?"

"Husband, that's what I plan to do. I'll cook something good for you. We'll have a good meal together. And I think we should call Mianmian back, too. I haven't seen her in a long time. You must miss her, too."

"No matter what, she should come back for your birthday."

Father Qiao was stunned when he heard her mention Qiao Mianmian.

Lin Huizhen had been by his side for many years, so she knew what he was thinking.

If he didn't say anything, it meant that he didn't object.

Lin Huizhen smiled and said, "Father and daughter don't have overnight grudges. Mianmian has always been a filial child. As long as you're willing to ask her to come back, she definitely won't reject you. Husband, if you don't feel comfortable asking, I can talk to Mianmian."

Father Qiao kept quiet for a while before saying, "I don't want to bother about these trivial matters. You can do as you deem fit."

"Alright. Leave everything to me." Lin Huizhen thought for a while and asked, "Then, should we get Chen Chen to come back as well? Speaking of which, I haven't seen him in a long time. Although Chen Chen isn't our biological child, we've raised him for so many years and have feelings for him. I think we should also ask him to come."

Father Qiao frowned and kept quiet for a while.

He liked Qiao Chen less than he liked Qiao Mianmian.

He brought Qiao Chen back from the orphanage because he needed a son.

Father Qiao had a very traditional mindset. He believed that the Qiao family business would be passed down to his son in the future.

No matter how good his daughter was, her future child was still an outsider.

Hence, he just wanted to groom a successor.

Moreover, Qiao Chen grew sick too. Father Qiao felt that his hopes of grooming a successor had been dashed, and his feelings for Qiao Chen faded.

So much so that Qiao Chen hadn't returned to the Qiao family for almost a year. He hadn't called Qiao Chen to come back.

Father Qiao didn't have deep feelings for Qiao Chen, but he had raised him for more than 10 years, so he didn't object to Lin Huizhen's suggestion.

"Mm, it's up to you." He said, "Let's just have a simple meal as a family. There's no need to prepare anything else."

Lin Huizhen smiled. "Alright. Don't worry, I'll arrange everything."

Father Qiao nodded and said, "I'm sleepy, I'm going to sleep."

Father Qiao stopped after taking two steps.

He thought for a while and turned to look at Lin Huizhen. "Just call Chen Chen. I'll call Mianmian."

Lin Huizhen smiled and nodded. "Got it."

It was best that Father Qiao called Qiao Mianmian.

In that case, Qiao Mianmian would definitely come back.

Lin Huizhen knew her very well.

As long as Qiao Mianmian was willing to celebrate Father Qiao's birthday, things would definitely be easier.

Qiao Mianmian was no longer the poor girl she used to be. She was now the daughter of the Bai family. As long as she agreed to help, the Qiao family's future wouldn't be too difficult.

Chapter 2054: Why Are You Mentioning Qiao Mianmian?

Qiao Anxin walked into a cafe wearing a mask.

"Hello, Miss. Are you alone?"

The waiter greeted her warmly.

Qiao Anxin said with a low voice, "A Mister Su booked a private room here. Is he here?"

"Mr. Su? Yes, Mr. Su arrived 10 minutes ago. Miss, please follow me."

The waiter led Qiao Anxin to a private room. "Miss, Mr.. Su is inside."

Qiao Anxin pushed the door open and walked in.

The waiter closed the door after she entered.

"Anxin, long time no see."

Su Ze sat on the light blue sofa holding a cup of coffee. He took a sip and looked up at Qiao Anxin with a warm smile.

Qiao Anxin was shocked.

Su Ze had changed a lot.

When she saw the news on Weibo previously, she felt that Su Ze had changed a lot.

But Qiao Anxin was still shocked when she saw him.

Compared to before, Su Ze was very different.

Like he was a completely different person.

Qiao Anxin almost didn't recognize him.

She widened her eyes and looked at the dark-skinned man sitting on the sofa. "Su Ze?!"

Su Ze smiled at her shocked expression. "We've been together for a few years. You don't know me anymore?"

Qiao Anxin was stunned. She looked at his pathetic state and recalled what he'd done to her previously. She couldn't help but mock him. "Look at your state, I think even Qiao Mianmian might not recognize you."

Su Ze's expression changed.

His gaze turned cold. "Why are you mentioning Qiao Mianmian?"

"Why? Can't I mention her?" Although Su Ze was no longer Qiao Anxin's target, the most precious years of her youth were given to this man. The man she thought was under her thumb told her time and again that the woman who truly lived in his heart was still Qiao Mianmian.

It was as if she'd thought that she'd won a battle but suddenly realized that she'd lost.

How could she feel good?

Even though she hadn't really loved Su Ze, and she wasn't interested in this man who had lost his value, she still minded it when she saw how much he still loved Qiao Mianmian.

Su Ze looked at her coldly. "Do you still mind Mianmian?"

"Mind her?" Qiao Anxin sneered. "What do I mind?"

"Of course you mind." Su Ze sneered. "She's doing better than you now. She has everything you want. Qiao Anxin, I know you. You must be feeling upset now. Are you going crazy with jealousy every day?"

Chapter 2055: Do You Have What I Want?

Qiao Anxin's expression changed. "Su Ze, you!

"You're here to talk about this?" Qiao Anxin's face was pale. "Then, it seems like we have nothing to talk about. I was really crazy to come. I should have known that there was nothing to talk about with a jerk like you."

She prepared to leave.

"Qiao Anxin, don't you want to get out of this situation?" Su Ze stopped her.

Qiao Anxin stopped in her tracks.

Su Ze added, "We can work together."

Qiao Anxin stood at the door for a while before slowly turning around.

She looked at him expressionlessly. "Cooperate? How? Su Ze, you can't even protect yourself now, right? What's the point of working with you?"

Su Ze's expression stiffened, but he quickly smiled. "You don't believe me?"

"It's not that I don't believe you." Qiao Anxin looked at him and said bluntly, "I'm speaking the truth. The Su Corporation was acquired by the Mo Corporation, and you were sent to Country F by Mo Yesi. Although you said you were going to manage the branch company, you know very well whether you have the power.

"You don't even have a decent job now, how are you going to work with me? Do you have what I want?"

"Of course I do." Su Ze's expression was a little awful after being belittled by her. He said in a low voice, "I won't bother about the Su Corporation anymore. I've already resigned. Mo Yesi won't be able to control me anymore.

"I have a new company now, and I'm planning to sign some artistes. If you're willing to come to my company, I can give you all the best resources."

"What?! You opened a new company?"

"That's right." Su Ze was full of ambition as he talked about his new company. "Although it's just been established, I can guarantee that it'll surpass Star Splendor in the future.

"If you're willing to sign a contract with me, you'll be the most valuable among the first batch of artistes. How about it, do you want to consider it?"

Qiao Anxin looked at him suspiciously.

"From what I know, the Su family doesn't have much money after the Su Corporation was acquired. And you still have money... to open a company? Where did you get the resources?"

"Qiao Anxin, you don't trust me, but you should trust the Gong family's capability."

"The Gong family?!" Qiao Anxin was shocked.

"That's right, the Gong family." Su Ze smiled coldly. "You must have heard about the breakup between the Gong and Mo families. Now that the two families are like fire and water, they've become enemies.

"Gong Zeli opened a new entertainment company and intends to snatch the market share of the Mo Corporation's entertainment company. Now, I'm the main person in charge of this new company. Gong Zeli has given me most of his rights.

"So, you don't have to worry about resources. The company is backed by the Gong Corporation. As long as you work hard, you can get all kinds of resources."

Qiao Anxin was tempted.

“But why would Gong Zeli...” She hesitated for a while before saying, “Hasn’t he always been helping Qiao Mianmian? He handed the company to you to manage, and you want to sign with me. Does he not mind?”

“He just wants to deal with Mo Yesi.

“Gong Zeli and Mo Yesi have known each other for many years and have always been good friends. How did things suddenly turn out like this? Everyone says that their relationship broke because of Qiao Mianmian. It seems like Qiao Mianmian is really a femme fatale.” Qiao Anxin’s eyes were filled with jealousy.

Chapter 2056: He Couldn’t Let Qiao Mianmian Marry Mo Yesi

Whether it was Gong Zeli or Mo Yesi, both of them were every woman’s dream.

As long as one of them took a liking to you, you would be at the peak of your life.

Qiao Mianmian was such a slut, but she could make two outstanding men fall for her with just her looks!

“This has nothing to do with Mianmian.” Su Ze’s expression darkened. “The woman Gong Zeli likes is Shen Rou. If they really did this for a woman, that woman isn’t Mianmian.”

“Ha.” Qiao Anxin couldn’t help but laugh mockingly when she saw how hard he was defending Qiao Mianmian. “Su Ze, you haven’t given up on Qiao Mianmian? You weren’t Mo Yesi’s match in the past, and now you’re even less qualified to compete with him.

“I think you’d better not think about that.. It’s impossible between you and Qiao Mianmian. She definitely won’t like you now.”

Qiao Mianmian was Su Ze’s sore spot.

Su Ze’s expression darkened. “This has nothing to do with you.”

“I’m just reminding you out of goodwill.” Qiao Anxin’s eyes were filled with malice. “Do you know that Qiao Mianmian is no longer the same as before? Now that she and Mo Yesi are compatible, they might get married soon.”

“What do you mean?” Su Ze’s expression changed.

Qiao Anxin smiled coldly. “Do you know that the Bai family has been looking for a lost daughter? Now, they’ve found her. The daughter the Bai family has been looking for is actually Qiao Mianmian.

“Qiao Mianmian’s net worth has skyrocketed, and she’s now the daughter of a prestigious family. Even if you, Su Ze, were still that glorious Young Master Su, you still wouldn’t be worthy of her. Moreover, the Su family is no longer in its glory days. Do you think she still likes you?”

“Do you think it’s possible?”

Su Ze was shocked. “What did you say? Mianmian is the daughter of the Bai family?”

“Yes. With her current status, it won’t be difficult for her to marry into the Mo family. That’s why I said she might marry Mo Yesi soon. Su Ze, give up. She won’t belong to you anymore.”

Qiao Anxin was actually provoking him.

She could tell that Su Ze hadn’t given up on Qiao Mianmian.

He’d been greedy for Qiao Mianmian’s beauty.

Now that he knew that Qiao Mianmian was the daughter of the Bai family, he was even more worried.

“I’ll consider the contract. I’ll give you an answer when I’m done looking at it.”

Qiao Anxin looked at the dazed Su Ze, smiled coldly, and then left the private room.

Su Ze watched her leave, but his mind wasn’t on her.

He kept thinking: Maybe she’ll marry Mo Yesi soon.

Su Ze knew that Qiao Mianmian and Mo Yesi were still together.

But he kept feeling that they would eventually break up.

The gap between their families was too huge.

The Mo family would never let Qiao Mianmian in.

He always thought that he and Qiao Mianmian could be together again.

But if Qiao Mianmian really became the daughter of the Bai family...

Su Ze’s confidence vanished.

He started to panic.

At this moment, he only had one thought in his mind: He couldn’t let Qiao Mianmian marry Mo Yesi.

He had to stop it.

Chapter 2057: Is Your Husband So Unpresentable?

The charity banquet ended.

Qiao Mianmian saw that Mo Yesi had called her two minutes ago and immediately called him.

The call was picked up instantly.

The man’s low and magnetic voice entered her ears. “The banquet is over?”

“Mm, it just ended.” Qiao Mianmian recalled that Wei Zheng said he was coming to pick her up and asked, “Is it over on your side? Where are you now?”

“I’m at the car park of the broadcasting station. Wait for me, I’m going up.”

“You’re coming up?” Qiao Mianmian looked at the crowd and quickly said, “No need, I’ll look for you in the parking lot.”

.

“I’ve already on the way.”

Qiao Mianmian heard the sound of a door closing and then of leather shoes stepping on the ground.

“Find a place and wait for me. Tell me where you are, and I’ll be right there.”

“But there are still many people in the venue. And many reporters haven’t left.” If Mo Yesi came to look for her, he would definitely be surrounded.

Mo Yesi chuckled. “Is your husband so unpresentable? Do I make you feel ashamed?”

“...No.”

“Then, what are you afraid of?” Mo Yesi’s tone was a little casual. “It’s not the first time they took photos of me. Now that everyone knows that you’re my woman, do I still have to hide it when I fetch you home?”

“...No.”

“So, what are you worried about, Baby?”

“...Alright, come up then. I’ll wait for you in the venue.”

After a while, Qiao Mianmian hung up.

Mo Yesi hadn’t come up yet. Qiao Mianmian wanted to find a place to sit and wait for him, but she was quickly surrounded by reporters.

“Miss Qiao, can you accept our interview? It won’t take up too much of your time.”

These reporters were rather nice.

It wasn’t like the time in Y City, where they didn’t care if she was willing or not and just directly attacked her.

Mo Yesi was still a few minutes away. Qiao Mianmian thought for a while and nodded. “Sure.”

“Alright. Miss Qiao, I would like to ask if you have anything to say to everyone on Weibo about you snatching the C position?”

Qiao Mianmian was speechless.

Why was she on Weibo so quickly?

Qiao Mianmian had thought that someone would make an issue of this.

But she didn’t expect it to be so soon.

She was already on Weibo’s hot searches.

She had expected this, so she wasn't too surprised.

She thought for a while and then looked up calmly at the camera. "I didn't want to take that position, it was the production crew who arranged it. I know that with my qualifications, I actually don't even have the qualifications to go on stage. It's already an honor to be able to take a picture with so many outstanding seniors. I didn't even think about snatching the C position.

"So, when the emcee told me to stand there, I hesitated and felt that it wasn't appropriate.

"But the group photo was about to start. I couldn't possibly make everyone wait for me.

"I hope everyone doesn't read too much into this. I really didn't take that position on purpose."

The reporter nodded and asked another question.

"Miss Qiao, we all know that your boyfriend donated 300 million yuan to the charity ball on your behalf. Did you discuss this beforehand?"

Chapter 2058: Is He Here for Qiao Mianmian?

Qiao Mianmian looked straight at the camera and replied, "No, I didn't know he would do that. I was also very surprised when Assistant Wei appeared."

The reporter nodded and asked, "Now that everyone knows that Chairman Mo is your boyfriend, we can tell that Chairman Mo values you a lot. You've been together for a while, and your relationship has been stable. So, I want to ask, how far have Chairman Mo and Miss Qiao's relationship progressed? Has Chairman Mo brought Miss Qiao back to meet his parents? Do you have plans to get married?"

Qiao Mianmian smiled and thought for a while before looking up at the camera again. "I think we should just let nature take its course. We didn't deliberately discuss marriage, because I don't think there's anything to discuss."

"Marriage is a matter of course. When your relationship reaches that point, you'll naturally want to get married."

"I wonder if Miss Qiao saw a vote on Weibo."

.

"What vote?"

"A vote about your outfit tonight. Someone compared you and Miss Shen's outfit. In the end, your support rate was much higher than Miss Shen's. Then, we all learned that Miss Shen and Chairman Mo have known each other for many years. You're Chairman Mo's girlfriend, so does Miss Qiao know Miss Shen privately?"

Qiao Mianmian looked at the reporter and smiled.

These reporters really knew how to ask questions.

Anyone could tell that she barely interacted with Shen Rou.

It was obvious that they weren't on good terms.

The reporters must have known about this too, but they pretended not to know and asked her this question on purpose.

Because such questions would be popular on the Internet.

Qiao Mianmian could understand that the media was like this.

If it was just some basic questions, not many people would be interested.

The media had to eat, too.

Hence, as long as it wasn't too much, she would usually answer.

"Mm, I guess," Qiao Mianmian answered honestly. "But I'm not too familiar with her."

"Miss Qiao, what do you think about the voting? The netizens think that your outfit is better."

This question.

Qiao Mianmian looked at the reporter who was trying to incite a fight and smiled. She replied calmly, "I don't have any opinion. I think every female guest tonight is very beautiful. Everyone is different. I don't think there's anything to compare.

"Such a vote is actually meaningless. I believe that most of the people who voted for me are my fans. In the eyes of the fans, of course, their idol is the most good-looking. But this doesn't mean that others lost to you."

The reporters wanted to ask more, but they suddenly heard someone exclaim softly, "Mo Yesi is here."

The reporters surrounding Qiao Mianmian turned to look at the entrance.

She got excited.

"It's Mo Yesi, it's really him."

"Is he here for Qiao Mianmian?"

The moment Mo Yesi appeared, the reporters were even more excited than when they saw a big celebrity.

They all turned their cameras towards him.

After all, big celebrities could often be photographed.

But that wasn't the case for Mo Yesi.

Chapter 2059: My Money Is My Girlfriend's Money

Qiao Mianmian looked over and saw Mo Yesi walking towards her.

The man was dressed in a suit. He was tall and handsome, and his cold aura made people afraid to approach him.

His expression was cold and distant, but when he saw Qiao Mianmian, an affectionate smile immediately appeared on his originally expressionless face.

He quickened his steps towards her.

Qiao Mianmian was about to say something when Mo Yesi held her hand, interlocking his fingers with hers.

“Baby.” Mo Yesi turned around and said gently, “Let’s go.”

Qiao Mianmian was a little embarrassed to be stared at by reporters. She pursed her lips and nodded.

Mo Yesi held her hand and turned to leave.

He didn’t seem to care about the gazes around him. He held Qiao Mianmian’s hand tightly and walked out of the venue.

“Chairman Mo, please wait.”

A reporter stopped them.

Mo Yesi stopped in his tracks.

The reporter jogged over. When Mo Yesi looked down at him, he took a deep breath and mustered his courage. “Chairman Mo, are you here to pick Miss Qiao up?”

Mo Yesi smiled. “What do you think?”

The reporter was stunned and rubbed his hands nervously. “Chairman Mo, you donated 300 million yuan to the charity banquet tonight. You...”

Before the reporter could finish, Mo Yesi interrupted him. “I didn’t donate the 300 million, it was my girlfriend. Don’t get it wrong.”

The reporters were stunned again.

“But you didn’t...”

“My money is my girlfriend’s money.” Mo Yesi turned around and looked at Qiao Mianmian. “I’ll manage our money for her. I’ll pay for whatever she wants.”

The reporters were speechless.

The group of people standing behind him was speechless.

Some female artistes exclaimed in envy.

“Qiao Mianmian’s boyfriend spoils her too much.”

“Shen Rou is here, too. I wonder how she feels after hearing this.”

“Didn’t Mo Yesi see her? Why didn’t he greet her? I heard that the Mo family didn’t help the Shen family previously. Is the relationship between the two families bad?”

At this moment.

Shen Rou saw Mo Yesi holding Qiao Mianmian's hand tightly. He didn't even look at her and just led Qiao Mianmian away. She bit her lip and clenched her fists.

Mo Yesi's gaze towards Qiao Mianmian and his words were like a knife to her heart.

He treated her so well.

He made everyone envious of Qiao Mianmian.

Everyone was laughing at her.

The person he loved the most seemed to be her.

But the cruelest person was him.

...

They left the party.

Mo Yesi only let go of Qiao Mianmian after they got into the car.

In the car, Uncle Li asked, "Chairman Mo, Young Madam, where are we going next?"

"Home."

"Yes."

The temperature in the car was suitable.

Mo Yesi took off his coat and draped it over Qiao Mianmian.

"I'm not cold." She looked at the suit and was about to take it off when Mo Yesi grabbed her hand.

Chapter 2060: You're Not Allowed to Take It off Anymore

The man looked at her and said domineeringly, "Put it on."

"But I'm not cold."

"Even so."

Qiao Mianmian was speechless.

Was this man being unreasonable?

She already said she wasn't cold, but he still insisted on her wearing his coat.

"Put it on," Mo Yesi repeated. He even helped her put on the coat and buttoned the suit.

All the buttons were buttoned.

Qiao Mianmian was completely wrapped in his large suit jacket.

Mo Yesi was satisfied to see her wrapped up tightly.

He reached out to adjust the collar of his suit and patted Qiao Mianmian's head. He then said word by word, "You're not allowed to dress like this anymore."

Qiao Mianmian was speechless.

"I don't like you revealing too much skin."

"..."

"You can only wear it for me to see. If you dare to do this again, I'll lock you up and not let you go anywhere. Understand?"

"..."

Qiao Mianmian found his comments funny.

"Mo Yesi, do you know that you're being a pervert?"

"Pervert?" Mo Yesi raised an eyebrow. "Baby, what do you mean?"

"Search it yourself."

"It doesn't matter. In any case, did you hear what I said just now? You're not allowed to dress like this anymore. If you attend any activities, you have to take a picture of yourself before you go."

Qiao Mianmian was speechless.

"Also." Mo Yesi raised her hand and pinched the bracelet on her wrist. He frowned and said, "You're not allowed to give this bracelet to anyone. Only you can have my gift. Do you hear me?"

"Why didn't you tell me the price of this bracelet?" Qiao Mianmian glared at him. "Why did you tell me that this bracelet was cheap? I really believed it."

If she really sold it at a very low price, she would probably cry when she found out the truth.

"If I told you how much this bracelet was worth, would you still wear it?" Mo Yesi asked.

"Uh..." Qiao Mianmian shook her head.

If she knew that the ordinary bracelet was worth more than 10 million yuan, she definitely wouldn't wear it.

She was afraid of losing it outside.

"Now do you see why I didn't tell you?" Mo Yesi pinched her cheek gently. "You're not allowed to take it off anymore. No matter how expensive it is, it's for you to wear. If you don't want to wear it after buying it, it's a waste of money."

"Don't keep anything I give you locked away in the future."

"You're the daughter of the Bai family, the Second Young Madam of the Mo family, and the wife of me, Mo Yesi. You have to know that you can use even the most expensive things with a clear conscience because you have the right."

“Oh.” Qiao Mianmian nodded. “I got it.”

Mo Yesi’s cell phone suddenly rang.

He took it out and looked at it for a few seconds before answering the call.

He didn’t turn on the speaker, but it was very quiet in the car. Qiao Mianmian was sitting beside him, so she could clearly hear a woman’s voice coming from the phone.
