

## Big Shot 2061

### Chapter 2061: An Ulterior Motive

"Hello, Chairman Mo. Are you busy right now? Am I disturbing you?"

A woman?

Qiao Mianmian pricked up her ears.

It was rare for a woman to call Mo Yesi. Only Shen Rou called him in the past.

Qiao Mianmian saw Mo Yesi frown and ask unhappily, "What's the matter?"

"Oh, yes, it's like this. Chairman Mo, I took a look at the proposal today and felt that there are a few areas that can be changed. The revised proposal will be better than before. So, I want to ask Chairman Mo if you have time right now. I can show you the revised proposal."

Qiao Mianmian found the woman's voice familiar.

She suddenly recalled something.

Wasn't this the woman she saw in Mo Yesi's office?

If she wasn't mistaken, the woman was Assistant Yang.

Qiao Mianmian took out her cell phone and saw that it was 10:30 PM.

She was speechless.

Why would a woman ask a man out at such a time? She probably had an ulterior motive.

Qiao Mianmian was rather calm about a woman asking her husband out to "discuss official business". She turned around and looked at Mo Yesi calmly, waiting to see how he would reply.

Anyway, she wasn't worried.

After all, Mo Yesi never made her unhappy when he handled such matters.

He was always quick to cut the Gordian knot.

He even tossed Shen Rou away, whom he'd known for over 20 years.

It would definitely be easier to deal with Assistant Yang.

The next moment, Qiao Mianmian heard her husband's cold voice as expected. "Assistant Yang, do you need me to teach you how to handle work matters? I gave you my cell phone number because it was convenient to communicate at work, not because I wanted you to call me in private."

"Chairman Mo, I-I thought you weren't busy." The woman sounded flustered.

"You thought?" Mo Yesi rebuked her rudely. "Whether I'm busy or not, it's not your personal time to call me. Assistant Yang, I'm married. If you call me at night and ask me out to discuss work, my wife will misunderstand."

"I hope this will be the last time.

"If you don't split the time between work and private matters, I'll get Chairman Yang to change the contract."

"What, you're married?! Isn't that your girlfriend?! How could..." The woman's shocked voice sounded from the phone.

But Mo Yesi didn't intend to explain.

He hung up before she could finish speaking.

He looked down and met Qiao Mianmian's eyes.

"It's an employee arranged by a cooperative company. She just called me because of some work matters." Mo Yesi took the initiative to confess before Qiao Mianmian could ask.

"I didn't know she was so insensible to call at this time."

"The woman who went to the office to look for you today?" Qiao Mianmian thought that this wasn't being insensible. She wasn't really asking him out to talk about work. It was just an excuse.

## **Chapter 2062: Can't You Tell?**

"Mm, it's her."

"I think I heard her asking you out to discuss something?"

"Mm." Mo Yesi frowned. "This won't happen again."

"Mo Yesi, I realized..." Qiao Mianmian placed a hand on his shoulder and rested her head on it. She looked up and blinked. "You have good luck with women."

Mo Yesi frowned.

Qiao Mianmian chuckled. "Can't you tell?"

"Tell what?"

"Assistant Yang likes you. Don't tell me you really can't tell."

"Assistant Yang likes me?" The man frowned even more.

"That's right. No wonder she was so hostile to me today. It's so late, and she asked you out to talk about work. Isn't it obvious enough? Don't tell me you really didn't realize it?"

Mo Yesi kept quiet.

Of course, he felt something.

But he didn't think it was a big deal.

He definitely wouldn't let this become Qiao Mianmian's problem.

He thought that he had already settled it during the day.

He didn't expect Qiao Mianmian to hear this call.

"It doesn't matter what she thinks. I've already made things clear to her. She won't call me again.

"I'll get Wei Zheng to contact her at the company. If you want, I can replace her. She won't appear in the Mo Corporation anymore."

"I don't mind." Qiao Mianmian immediately made her stand clear. "I'm not saying that I mind. And I think it's normal."

"Normal?"

"That's right. My husband is so outstanding, isn't it normal for the opposite sex to like you?" Qiao Mianmian reached out and touched Mo Yesi's handsome face. Her soft fingers stroked his deep brows, his high nose bridge, and finally his thin lips.

She said, "Who asked you to be so good-looking?"

Even after being married to him for so long, she would become smitten with him from time to time.

Not to mention others.

Mo Yesi was too attractive.

In Qiao Mianmian's opinion, besides his bad personality, he was flawless in all other aspects.

His only flaw was his bad personality. No woman could resist such a man.

Hence, Qiao Mianmian wasn't surprised that someone liked Mo Yesi.

On the contrary, Qiao Mianmian would find it strange if he didn't have a single woman trying to woo him.

Mo Yesi was stunned. The man narrowed his eyes and gently pinched her chin. "You really don't mind other women liking me?"

"Mm, I don't mind."

"Do you trust me that much?"

"Mm, I'm at ease."

Mo Yesi was both satisfied and dissatisfied with her answer.

He was satisfied that she trusted him completely.

He was dissatisfied that she trusted him too much. This made him feel that she didn't care too much about him.

Any other woman would definitely be jealous if they knew that another woman liked her husband.

But Qiao Mianmian didn't seem jealous at all.

Mo Yesi felt a little upset.

## Chapter 2063: Can't Tolerate Any Other Woman

"Why? Aren't you worried that I might fall for someone else..."

"No." Qiao Mianmian smiled and said firmly, "Which woman can compare to your wife's beauty? You're already smitten by me, I believe you won't like other women."

"They're not as pretty as me!"

Mo Yesi was speechless.

He chuckled and nodded. "Mm, that's true."

He was indeed captivated by her.

He couldn't tolerate any other woman.

In his eyes, other women were naturally not as good-looking as his wife.

...

After Qiao Mianmian went back, she scrolled through her cell phone and saw the trending Weibo post.

#QiaoMianmianOccupiedTheCPosition was still firmly at the top of the 24-hour trending list.

She clicked on it and saw that the comments were filled with criticism.

And many of the insults were exactly the same.

It was obvious that someone had hired people to defame her.

As someone who was often defamed and had been on the hot searches many times, Qiao Mianmian was very calm when she saw these fake reviewers defaming her.

She sent Qiao Chen a WeChat message.

Qiao Mianmian: [Chen Chen, help me investigate something.]

Qiao Chen replied quickly: [Sister, what's the matter?]

Qiao Mianmian took a screenshot of the trending searches and sent it to him.

Qiao Mianmian: [Find out who's behind this. Is it difficult?]

Qiao Chen replied instantly: [Ok, leave it to me. I'll find out in 10 minutes.]

Qiao Chen said that he would find out in 10 minutes.

In less than 10 minutes, Qiao Mianmian received his WeChat message.

He sent her a document.

Qiao Chen: [Sister, this document contains all the information you want. Open it and take a look. If there's anything else you want me to help you with, let me know. I'll check it all for you.]

Qiao Mianmian opened the document.

When she saw who was behind it, she suddenly felt that she was too kind to Qiao Anxin.

Because she cared about Father Qiao so much, she didn't take it to heart as long as it wasn't something unbearable.

But her patience seemed to be getting the better of her.

Some things weren't easy to do.

But if Qiao Anxin wasn't from the Qiao family and wasn't related to Father Qiao by blood, she wouldn't have to worry so much.

Qiao Mianmian held her cell phone and thought for a while. Then, she rubbed her head. "What are you looking at, so engrossed?"

She looked up and saw Mo Yesi coming out of the bathroom.

He was wearing a black robe with the collar slightly open, showing his chest. His muscles were sexy and smooth.

Qiao Mianmian looked at his well-defined chest muscles and thought that Mo Yesi was really a very self-disciplined man. Whether it was before or after marriage, he maintained his figure very well.

He wasn't like some men who became fat after marriage.

His looks and figure were still the same.

She even felt that Mo Yesi was more charming after marriage.

#### **Chapter 2064: Stay by My Side, Alright?**

He looked more mature.

But this was probably the case.

No matter how she looked at her husband, he looked the best.

Mo Yesi didn't hear Qiao Mianmian's reply. He looked down and met her eyes.

He followed her gaze and couldn't help but smile.

He sat down beside her and pulled her into his arms. "Baby, do I look good?"

Qiao Mianmian snapped back to her senses.

She felt her face burn as she met his teasing gaze.

She... was smitten with her husband again.

"Ahem, you're done."

Qiao Mianmian buried her head in his arms and took a deep breath.

She liked Mo Yesi's scent, especially since he'd just showered. The faint lemon scent was very pleasant.

“Mm.” Mo Yesi looked at the woman in his arms sniffing him like a puppy and found it funny. “Who were you chatting with just now? You were so engrossed.”

“Chen Chen.”

“Chen Chen? What did you talk about?”

“Mo Yesi, can you help me with something?” Qiao Mianmian looked up.

“Mm?”

“I want you to help me find something, but I’m not sure if you can.”

“What is it?”

Qiao Mianmian thought for a while and said, “I want to find some dirt about Qiao Anxin.”

“Just this?” Mo Yesi raised an eyebrow.

“Mm, that’s it.”

“I thought it was something difficult. This is a simple matter. Is there anything else?”

“Not for now.”

Mo Yesi smiled. “Alright, I’ll get Wei Zheng to investigate it for you. Have you thought about how to deal with Qiao Anxin now? Do you need me to help you with this?”

“I’ll do it myself, I should be able to settle it myself.” Qiao Mianmian rolled her eyes and got up. “If I need your help, I’ll let you know. Your hair is still wet, I’ll get a hairdryer for you.”

Mo Yesi stroked his damp hair and nodded. “Alright.”

A moment later.

Qiao Mianmian blew his hair slowly.

The girl’s soft hand gently stroked his head, and the warm wind blew down. Mo Yesi heard her say softly, “When I wasn’t around, did you dry your hair before sleeping? Remember, you have to dry your hair. You can’t sleep with it wet. Otherwise, you’ll definitely have a headache.”

She reminded him like a child.

Mo Yesi didn’t feel that she was long-winded. Instead, he felt warm inside.

After Qiao Mianmian blew his hair for a while, he suddenly called her. “Mianmian.”

His voice was low and gentle.

“Mm,” Qiao Mianmian responded softly.

Mo Yesi turned around and took the hairdryer from her. He turned it off and placed it on the bedside table before pulling her onto his lap.

He rubbed her head and looked at her. “Stay by my side, alright?”

“Stay with me forever and never leave me.”

Qiao Mianmian was stunned.

“Why are you suddenly talking about this?”

“Promise me first.”

Qiao Mianmian said, “...Mm, I promise you. I’ll be with you forever and never leave you.”

Mo Yesi lifted her chin and kissed her.

### **Chapter 2065: She’s Just Bluffing**

He kissed her gently and said, “Baby, don’t leave me. Stay with me forever.”

He was afraid of losing her.

She was the one who let him know what a good thing having a family was.

It was also her who made him used to have someone by his side.

After getting used to having her by his side, he was afraid of losing everything he had now.

Even if what he was worried about didn’t happen.

...

The next day.

Qiao Mianmian woke up and realized that she was still on the trending list.

She thought for a while and sent an explanation.

Qiao Mianmian V: “I didn’t deliberately snatch the C position. The location of the photo was arranged by the staff. I already know who the person behind this is. I advise you to stop early. Otherwise, I don’t mind exposing you.”

A few minutes after she posted it, over a thousand comments flooded the comment section.

“Sister Mianmian, you finally came out to explain. We saw the live stream. The emcee clearly asked you to go over. I don’t know where the haters came from, but they insisted that you deliberately snatched the C position. But don’t worry, our eyes are sharp. We won’t believe the words of those haters.”

“It was arranged by the crew. I don’t know why someone chose to be blind. Now Mianmian said that someone is deliberately setting the pace. I suggest that Mianmian expose the person behind it. They’ve already done this to you, what’s there to be afraid of?”

“That’s right, Mianmian. Who’s behind this? Reveal them.”

The comment section was asking her to expose the person behind it.

Qiao Mianmian was waiting.

She made this post to give the public an explanation.

On the other hand, she also did this as a warning to Qiao Anxin.

Qiao Chen had sent her a lot of evidence last night.

The information in the document was enough to let everyone know what Qiao Anxin did.

Qiao Mianmian gave Qiao Anxin an hour.

If she was still at the top of the trending list an hour later, she would send that document out.

...

Qiao Anxin saw it not long after Qiao Mianmian posted it.

When she saw that already knew who was behind it, she hesitated for a while and didn't take it seriously.

This time, the company she hired was very secretive.

She didn't believe that Qiao Mianmian could find out that she was behind this.

At this moment, the person in charge of the company called.

"Miss Qiao, do you want to continue?"

The company also saw Qiao Mianmian's Weibo post and thought about the power behind her. They were a little afraid.

They were afraid that if Qiao Mianmian found out anything, their company would be affected.

"Of course." Qiao Anxin tightened her grip on the cell phone. "Do you still want more money? I just want Qiao Mianmian's scandal to be at the top of the trending list. It doesn't matter how much money I spend."

"But Qiao Mianmian said that she has found out that we're slandering her. If we continue, will..."

"She's just bluffing. If she really found out, she'd have exposed it already. Moreover, didn't you say that you guys kept it a secret and wouldn't let anyone find out?"

"No one will find out, but..."

"Then continue!" Qiao Anxin gritted her teeth and cut him off. "Money isn't a problem. Just continue defaming her."

"This... Alright."

### **Chapter 2066: What Kind of Mentality Is This!**

An hour later.

Qiao Mianmian saw that not only was she still at the top of the trending list, but it was also increasing.

More and more people were slandering her.

She called Linda.

“Mianmian, I was about to call you. I didn’t expect you to call me first.”

Before she could say anything, Linda continued, “Your trending topic was removed immediately. But not long after, it was uploaded again. I don’t know who’s targeting you this time, but they spent so much effort to put you on the trending list.

“The company has already sent the public relations department to settle it, but they still haven’t removed your trending topic.

“I’m thinking that I might have to trouble Chairman Mo.”

“Sister Xie, I already know who’s behind this.” Qiao Mianmian calmly said, “I called you to settle this matter.”

“You already know who’s behind this?”

“Mm, I’ve gotten someone to check.”

“Who is it?”

“Qiao Anxin.”

Linda was silent for a few seconds before sneering. “It’s her. Is she crazy? She’s biting you like a mad dog. Does she think she can defeat you with this?”

“Of course not. She knows that this alone won’t be a fatal blow to me. But as long as it affects me and makes my life harder, she’ll feel good.”

Linda said, “...What kind of mentality is this!”

“I don’t know. Anyway, she’s always been like this since we were young. She likes to see me unhappy. If I’m unhappy, she’ll feel better.” Otherwise, Qiao Anxin wouldn’t take pleasure in snatching things from her.

Qiao Anxin didn’t like Su Ze.

She snatched him from her mostly because he was Qiao Mianmian’s fiancé.

Taking Su Ze away from Qiao Mianmian gave her a sense of achievement and satisfaction.

It was the same this time.

She just wanted Qiao Mianmian to live a bad life.

She would feel good even if it didn’t work out.

Qiao Mianmian and Qiao Anxin had lived together for so many years, so she naturally knew her half-sister well.

“I think she’s a little crazy. Doesn’t she know your relationship with Chairman Mo? Isn’t she afraid that you’ll find out?” Linda said speechlessly.

Back when she was still Qiao Anxin’s manager, she didn’t appreciate Qiao Anxin’s personality. She felt that Qiao Anxin didn’t have much EQ and wasn’t smart enough.

If it wasn't for Su Ze using Star Splendor's best resources, Qiao Anxin wouldn't have been able to get to where she was today.

It was difficult to be a third-tier actress.

The reason why Qiao Anxin couldn't make it anymore was that she left Star Splendor. No one was willing to spend so many resources on her.

She couldn't rely on herself.

"She probably doesn't think I can find out."

No matter how foolish Qiao Anxin was, she wouldn't be so foolish as to do as she was told.

Linda kept quiet for a while before saying, "What do you plan to do?"

### **Chapter 2067: I Think You Can Give It a Try**

"I have evidence here to prove that Qiao Anxin is behind this. Sister Xie, can you get someone to do it?"

"Of course. If you have concrete evidence, we can do it too."

"Alright, I'll send you the document."

After hanging up, Qiao Mianmian sent the document to Linda.

Linda received it and sent her a WeChat message after 10 minutes.

Linda: [I've finished reading it. Your evidence is very complete. I'll get someone to do it. This time, we have to make sure Qiao Anxin doesn't turn over. Otherwise, she'll cause trouble in the future.]

Qiao Mianmian had no objections.

She was already tolerating Qiao Anxin on account of Father Qiao.

Initially, she didn't mind that Qiao Anxin was up to no good.

But Qiao Anxin didn't think so.

Qiao Mianmian felt that she didn't have to worry anymore.

After all, Qiao Anxin was most likely not Father Qiao's daughter.

Without this relationship, Qiao Mianmian couldn't think of a reason why she had to tolerate her.

Qiao Mianmian's cell phone rang again.

It was Bai Yusheng.

She picked it up. "Brother."

"Mianmian, do you remember when I brought you to see Mo Nan?"

Mo Nan?

Qiao Mianmian quickly recalled.

Bai Yusheng had brought her to see Mo Nan when she was still filming in F City.

Back then, Mo Nan even said that he wanted to create an album for her.

After Qiao Mianmian left F City, she didn't have much contact with Mo Nan.

Bai Yusheng said, "The new show is about to start airing, but the opening theme and the interlude have yet to be done. I mean, do you want to try? Mo Nan said he wrote two good songs, very suitable for my new show.

"He hasn't found a suitable singer yet. I think you can give it a try."

Qiao Mianmian hesitated.

Bai Yusheng continued, "If you agree, we can go over and try it out today. Mo Nan said that he thinks you're very suitable to sing those two songs."

"Can we come back today?"

Mo Yesi wanted to have dinner with her.

She'd already missed the appointment last night.

She couldn't possibly go back on her word.

She felt like she'd gone overboard.

"Of course. It's just a test, it won't take much time. If you're suitable for the songs, the official recording definitely won't be today."

"Alright."

Qiao Mianmian agreed. "Then, let's go now and come back early."

Bai Yusheng chuckled. "You want to come back so soon. Have you made an appointment with my brother-in-law? Are you afraid that you'll delay your date?"

She didn't have anything to be shy about with her brother, so she admitted it directly. "Mm, I've already made an appointment with him for dinner. I've already gone back on my word today, so I can't let him down tonight.

"Otherwise, he'll be angry."

"Alright. Then come back early. Do you want me to pick you up or..."

"No need, let's meet at the airport."

"Alright."

### **Chapter 2068: Gu Sheng**

After they agreed on the meeting point, she hung up and sent Mo Yesi a WeChat message, telling him that she and Bai Yusheng were going to F City to record a song.

After a while, Mo Yesi replied: [Are you coming back tonight?]

Qiao Mianmian immediately replied: [Yes, of course. No matter what happens this time, I won't miss the appointment again.]

Mo Yesi: [Mm, I'll wait for you. Come back early. Be careful.]

Perhaps because he knew that Bai Yusheng was going with her, Mo Yesi was rather relieved.

He didn't say much.

Qiao Mianmian heaved a sigh of relief after hanging up.

Thankfully, Mo Yesi didn't say anything.

After the call, she changed and left.

...

At the airport.

Qiao Mianmian quickly found Bai Yusheng.

"Brother."

Bai Yusheng was sitting in the VIP lounge, reading a magazine.

There weren't many people in the VIP room.

A young and handsome man like him was even more eye-catching.

Bai Yusheng wasn't so decadent. When he shaved, he was still very good-looking.

It was because he felt he didn't look mature enough. He didn't give people enough prestige, so most of the time, he didn't shave.

But today, he had shaved and was wearing a suit and trousers. He looked very handsome, and the gold-rimmed glasses on his nose bridge made him look like a gentleman.

Qiao Mianmian was entranced by her beautiful brother.

The Bai family's genes were the same as the Mo family's. They were definitely outstanding in terms of looks.

Qiao Mianmian quietly walked towards Bai Yusheng. Before he noticed her, she reached out and took the magazine away from him.

Bai Yusheng was shocked.

He looked up and saw Qiao Mianmian smiling at him.

"Naughty girl, are you trying to scare me?"

He sounded like he was scolding her, but his tone was full of affection.

"Brother, what are you reading? You're so engrossed." As Qiao Mianmian spoke, she looked down at the magazine and saw the page he was reading.

It was an interview.

The woman in the magazine looked beautiful and intellectual. She exuded a scholarly aura and looked like a painter.

This profession suited her temperament.

Qiao Mianmian looked at the woman, then up at Bai Yusheng and joked. "Brother, so you're entranced by the beauty. Mm, this beauty is really pretty. Is this your type?"

Qiao Mianmian was just joking.

Unexpectedly, Bai Yusheng's expression changed.

He pursed his lips and didn't say anything. The smile on his face also vanished.

Qiao Mianmian immediately felt that something was wrong with him.

She quickly realized that it had something to do with what she said.

She looked down at the woman in the magazine again and guessed.

Perhaps Bai Yusheng knew her.

Qiao Mianmian quickly changed the topic.

"Brother, it's getting late. Should we go to the security check?"

Bai Yusheng looked up and nodded. "Mm, let's go."

Qiao Mianmian put the magazine down.

Gu Sheng.

She saw the woman's name in the magazine. It was Gu Sheng.

Qiao Mianmian felt that something must have happened between Gu Sheng and Bai Yusheng.

### **Chapter 2069: Do I Look Like Such a Hardworking Person?**

Three hours later, they arrived at F City Airport.

After getting off the plane, Bai Yusheng and Qiao Mianmian went straight to Mo Nan's house.

When they arrived, Mo Nan had just woken up. He opened the door and told them to find a place to sit down before going to take a shower.

Mo Nan was a very talented person.

But he wasn't someone who could take good care of himself.

Qiao Mianmian looked at the pile of takeaway boxes on the coffee table and frowned. She found a trash bag and packed the boxes.

She looked at the floor that had obviously not been cleaned for a long time and couldn't help but sweep it carefully with the broom.

Mo Nan quickly came back after washing up.

Seeing that the living room was much cleaner, Mo Nan was stunned. He turned to look at Bai Yusheng. "You cleaned it?"

Bai Yusheng smiled. "Do I look like such a hardworking person?"

"Then..."

Mo Nan's gaze landed on Qiao Mianmian.

"Ahem! Senior Mo, I saw that the room was a little messy, so I cleaned it up. But don't worry, I placed your things in their previous places."

Mo Nan was stunned for a few seconds before smiling. "I knew it. How could Bai Yusheng be so diligent? Sorry to trouble you. I woke up late today and didn't have the time to tidy the place."

"It's no trouble, I just packed the trash."

Mo Nan stroked his beard and gestured at them. "Come in with me."

He then entered the recording studio.

Qiao Mianmian and Bai Yusheng followed.

Mo Nan took the score off the piano and handed it to her. "Do you know how to read the score?"

Qiao Mianmian nodded. "A little."

Although she majored in Acting, because she liked singing, she also majored in Music.

Naturally, she had read some music scores before.

Mo Nan nodded, his eyes filled with satisfaction. "Very good. Then, take a look at the score first and then try it."

"Mm."

Qiao Mianmian took the score and read it quietly.

After silently humming a rough melody in her heart, she instantly liked Mo Nan's two songs.

It was a beautiful song.

If such a nice tune was coupled with a good melody poem, it would definitely become a popular song with a high voice.

After all, none of Mo Nan's songs were unpopular.

"Senior Mo, I'm done." Qiao Mianmian returned the score after 10 minutes.

"How is it, do you think it's difficult?" Mo Nan asked.

There were a few high notes in his song. It was difficult to sing it without a wide range.

This was also a characteristic of Mo Nan's work.

Each of his songs had a high pitch, and it was very high from the start. It was a test of the singer's standards.

"I think we can try." Qiao Mianmian couldn't say that she was confident. That would make her seem humble.

"Then take a look at the lyrics again. After you're done, we'll start the audition." Mo Nan handed her another few pages.

Qiao Mianmian took them and skimmed through them. Looking up in surprise and admiration, she asked, "Senior Mo, did you write these?"

"Mm. I spent only 10 minutes writing it, so it's a little rough. I'll edit it later." Mo Nan nodded.

### **Chapter 2070: Choosing Her So Quickly**

Qiao Mianmian was really impressed by Mo Nan.

The song was so good, and so were the lyrics.

No wonder everyone said that Mo Nan was a musical freak. He was indeed very talented.

She felt that the lyrics were already very good. There was no need to change them.

Qiao Mianmian looked at the lyrics for a while and sang it in her heart.

"Are you ready?" Mo Nan asked her.

She nodded. "Yes, I'm ready."

"Then, let's begin." Mo Nan sat down in front of the piano and adjusted the tune. His slender fingers skillfully pressed on the keys a few times, and very quickly, a smooth and beautiful sound could be heard.

Qiao Mianmian started singing along.

The first time, she was still a little rusty.

But by the second time, she was in a much better state.

The song ended.

Mo Nan closed the score and got up. He said to Qiao Mianmian directly, "Can you come over tomorrow to officially record the song?"

Qiao Mianmian was stunned.

Mo Nan looked at her confused expression and asked, "Is there a problem?"

"No..." Qiao Mianmian shook her head. "I'm fine. Senior Mo, do you think I sang correctly?"

Qiao Mianmian was stunned because she didn't expect Mo Nan to choose her so quickly.

After all, she felt that her performance wasn't good enough.

She thought Mo Nan would be dissatisfied.

"There's a little problem, but it's not a big problem. I'll teach you how to handle the details when the time comes. Your voice is very good, and your range is very wide. These two songs are very suitable for you."

"Then, it's settled." Bai Yusheng smiled as he walked over and patted Mo Nan on the shoulder. "Old Mo, I knew that Mianmian wouldn't disappoint you. Record these two songs well. This is her first work in the music industry, it's very important to her."

Mo Nan smiled and pushed his hand away. He then walked to the coffee machine and poured a cup of freshly brewed coffee.

Mo Nan was lazy, but he was a very picky person.

For example, when he drank coffee, he only drank coffee brewed from top-notch coffee beans. Moreover, he didn't find it troublesome at all.

He took another glass and handed it to Bai Yusheng.

Bai Yusheng took it and then took a sip. "Tastes good."

"Of course it tastes good. I managed to get these coffee beans five years ago. Only you have such a good taste." Mo Nan took another sip and then said slowly, "Don't you know my ability? I haven't released a song in years. Do you think I'll ruin my reputation?"

"I have nothing to doubt about your ability." Bai Yusheng smiled. "Then, that's it. I'll bring Mianmian over tomorrow to record the songs."

"Mm."

"Mianmian, let's go. We'll come back tomorrow."

...

They left Mo Nan's house.

Knowing that Qiao Mianmian and Bai Yusheng were together, Madam Bai called and said to her son, "Yusheng, are you with your sister? When are you coming back? You and Mianmian can come home for dinner."

"Mom, I can come back, but Mianmian can't."

"Why?"

Bai Yusheng glanced at Qiao Mianmian. "Mom, your daughter and son-in-law have a date tonight, they can't eat with us."
