

## Big Shot 2071

### Chapter 2071: Qiao Mianmian Suspected of Cheating With Bai Yusheng?!

"Date?" Madam Bai sounded a little disappointed. "Alright, since they have a date, then forget it. Let me talk to Mianmian."

Bai Yusheng handed the cell phone to Qiao Mianmian. "Mom wants to talk to you."

Qiao Mianmian took the cell phone and called sweetly, "Mom."

"Mianmian..."

Madam Bai rambled on for half an hour before hanging up.

"Mianmian, don't think that Mom is sticking to you. Ever since I sent you out but didn't find you back, Mom has been blaming herself. She was always worried that you weren't doing well. She looked for you for so many years and finally found you, so she hoped that you could stay by her side at all times.

"She wants to make it up to you and take care of you."

"Brother, I understand." Qiao Mianmian nodded.

"Mm, it's good that you understand. If you're not so busy, you should come home more often. Mom misses you all day."

...

Back in Yuncheng City.

Qiao Mianmian never expected to be on the hot search again.

And the reason was that someone took photos of her and Bai Yusheng at the airport.

In the photo, she and Bai Yusheng were very intimate. Bai Yusheng stroked her head and looked down at her with a loving smile.

She smiled sweetly at him.

Just looking at the photos, those who didn't know would definitely think that they were a couple.

#Qiao Mianmian and Bai Yusheng appeared at the airport, behaving intimately like lovers

#Shocked! Qiao Mianmian suspected of cheating with Bai Yusheng?!

Qiao Mianmian was speechless when she saw the trending topics.

She felt like she was always on the hot searches list these days.

Others had to rely on their agency to get on the trending list.

She didn't spend a single cent, but she was trending almost every day.

Those who didn't know would definitely think that she was spending money to promote herself.

But the truth was that she didn't want to be on the hot search at all. There was basically nothing good about it. Every time she was on the hot search, there was negative news.

Qiao Mianmian was already traumatized.

Her first reaction was to wonder if she had been defamed again.

But she didn't expect it to be a scandal between her and Bai Yusheng.

No wonder she felt that someone was watching them at the airport.

It turned out that she wasn't hallucinating. Someone was really staring at her.

Qiao Mianmian thought for a while and called Bai Yusheng.

"Brother, someone took a picture of us at the airport today. It's trending now. Someone said I cheated with you." Qiao Mianmian asked him directly, "Brother, should we clarify things?"

Qiao Mianmian realized.

Ever since she gained an older brother, she didn't like to use her brain.

In the past, she would definitely find a way to settle this herself.

Now, she asked Bai Yusheng.

Anyway, as his sister, she didn't need to solve her brother's problem.

"Mm, I saw it," Bai Yusheng said. "Let me clarify it."

"Brother, how are you going to clarify this?"

"By telling the truth, of course. I can't let the netizens who don't know the truth think that you've cheated. Anyway, leave this to me. Go on a date with Ah Si, don't be affected by this."

"Oh, alright."

Qiao Mianmian didn't know what Bai Yusheng meant by telling the truth.

### **Chapter 2072: It Has Nothing to Do With Me**

Was he going to reveal that they were siblings?

Qiao Mianmian had never thought of revealing that she was the daughter of the Bai family.

She didn't want to be too high-profile.

She felt that there was no need to make this public.

But if Bai Yusheng wanted to clarify their relationship, Qiao Mianmian wouldn't stop him.

She didn't intend to make it public.

But now, everyone felt that she had cheated with Bai Yusheng. She couldn't possibly let others misunderstand her relationship with him.

Bai Yusheng told her not to bother about it. Thus, after hanging up, she didn't bother about it anymore.

There was a lot of scolding on Weibo.

"Damn, it really is Qiao Mianmian and Bai Yusheng. Their actions are too intimate. This head-to-hand action is something only couples do."

"Previously, there were rumors that Qiao Mianmian and Bai Yusheng had an ambiguous relationship, but this matter was quickly suppressed. Hence, it wasn't exposed. At that time, I thought it might be a rumor, but now it seems like it's true?!"

"The people in the photo are indeed Bai Yusheng and Qiao Mianmian. I saw them at the airport, too. They were chatting and laughing, and their actions were very intimate. They looked like a couple. Is there anything wrong with Qiao Mianmian? Her boyfriend is Mo Yesi, isn't he enough to satisfy her? She actually cheated on him."

"Let me count how many men she has been involved in scandals with. Tu Yilei, Qin Han, and Gong Zeli. I think she has been involved in a scandal with Zhan Bo, too. And now Bai Yusheng? Is she going after all the male idols?"

"I see Qiao Mianmian trending on Weibo every day! Can't her team stop doing this? Can't Weibo block all news about her? I really don't want to see her trending again. I'm going to puke."

"They do look intimate in the picture. But I don't think Qiao Mianmian is so silly. If she really cheated on her boyfriend, she wouldn't be so blatant."

"Perhaps she thinks that no one will suspect her and is being so daring on purpose. Otherwise, how are these photos going to be explained? Normally I wouldn't believe that Bai Yusheng is having an ambiguous relationship with her, but I've never seen him treat other women like this."

...

In S City, on an international flight.

The woman sitting by the window was wearing an exquisite branded suit. Her makeup and hair were exquisite, and she exuded an elegant and refined aura.

The woman saw the familiar name on Weibo and stopped scrolling.

When she saw the headline, the woman's hand stiffened. After reading the news and seeing the photos, she clenched her fists.

Sensing that she was in a strange mood, the woman sitting beside her turned to look at her and followed her stunned gaze to the Weibo post.

The woman frowned.

After hesitating for a few seconds, she said cautiously, "Sheng Sheng, this kind of news is just entertainment. It's not the truth."

"True. But it has nothing to do with me." Gu Sheng locked her cell phone and looked up. "I just scrolled through Weibo and accidentally saw it. I was just curious."

“Even if it’s true, it’s normal.” Gu Sheng paused and smiled even more calmly. “He’s not young anymore. It’s time to find a girlfriend.”

### **Chapter 2073: It’s Better to Forget Each Other Than Remember Each Other**

“Sheng Sheng, Young Master Bai wouldn’t like such a girl. Moreover, Young Master Bai has been alone for so many years. You’re the one in his heart...”

“Xiao Nuan!” Gu Sheng’s expression changed. “Don’t say anymore. I’ve said it before, he has nothing to do with me. The current Gu Sheng has nothing to do with Bai Yusheng anymore. Don’t talk about him anymore.

“This topic is over. I’m sleepy, I want to sleep for a while.” With that, Gu Sheng pulled the thin blanket over her and closed her eyes.

Her companion looked at her slender back and sighed.

Bai Yusheng was Gu Sheng’s reverse scale.

Gu Sheng would explode at the mention of him.

But the more it was like this, the more it proved that Gu Sheng hadn’t let go of Bai Yusheng.

If she really had, she would have been calm when talking about him.

Not like this.

As for Bai Yusheng...

He probably hadn’t completely let go of Gu Sheng, either.

Otherwise, he wouldn’t have been single all these years.

Many people thought that Bai Yusheng had high standards and didn’t like anyone, thus the reason why he was single.

But few knew that Bai Yusheng had someone in his heart.

Not many people knew about Bai Yusheng and Gu Sheng.

If Gu Sheng still liked Bai Yusheng and Bai Yusheng still liked Gu Sheng, it would be a sad thing.

They liked each other, but they couldn’t be together.

Was there anything more tragic than this?

Hence, she would rather Gu Sheng forget about Bai Yusheng.

It was also better for Bai Yusheng to forget about Gu Sheng.

It was better to forget each other than to remember each other.

But...

Did Bai Yusheng really forget about Gu Sheng and found someone else?

She saw that in the photos, Bai Yusheng and the girl were indeed very intimate. More importantly, Bai Yusheng looked at the girl with a gentle and loving gaze. It was obvious that their relationship wasn't ordinary.

That girl was very beautiful.

Even more beautiful than Gu Sheng.

And so young...

Some actresses had scandals with Bai Yusheng before, but it was different this time.

Those were just rumors.

This time...

The girl in the photo was so beautiful.

It wasn't impossible for Bai Yusheng to fall for her.

What about Gu Sheng?

...

On the other side.

After receiving Qiao Mianmian's call, Bai Yusheng used his Weibo account to post a clarification.

Bai Yusheng V: "I actually didn't know that being intimate with my sister can be described as cheating. Mianmian keeps a low profile and doesn't want to publicize many things, but it seems like it's better to be high-profile. At least she won't have scandals with her brother."

Bai Yusheng rarely posted on Weibo.

He usually only did it when promoting his shows.

A few minutes later, thousands of comments appeared.

Then, the entire Weibo was paralyzed for a few minutes.

When it recovered, everyone was shocked.

"What?! Biological brother?! Is that what he means? Qiao Mianmian and Bai Yusheng are biological siblings?!"

"??? Bai Yusheng and Qiao Mianmian are siblings?! What's going on?!"

"Director Bai, you mean Qiao Mianmian is your biological sister? We didn't get it wrong, right?!"

#### **Chapter 2074: Damn, They're Actually Biological Siblings**

"Is there a class representative to translate it? I think this Weibo post has a lot of information."

“Could it be that someone saw their relationship and used this to clear their name? Don’t you think it’s too fake? Two unrelated people suddenly became biological siblings?! Who would believe that? Do you think everyone is brainless!!”

“I remember something a friend of mine told me before. Bai Yusheng seemed to have said that Qiao Mianmian was his sister. But it seems like they’re cousins. Is this considered kinship?”

“I heard that the Bai family has a little missy who has been wandering around. Qiao Mianmian... can’t be that little missy, right?!”

“What little missy? Why haven’t I heard of her? Please explain!”

“Director Bai, shouldn’t you explain your relationship with Qiao Mianmian?”

Bai Yusheng’s post caused an uproar among the netizens.

This was like breaking news.

Just a second ago, she was accused of cheating.

The next second, they became siblings?!

The netizens were clamoring for Bai Yusheng to explain what he meant and what his relationship with Qiao Mianmian was.

After more than 10 minutes, Bai Yusheng sent another Weibo post: “Mm, sister, biological. Same father, same mother. Is everyone clear?”

This Weibo post caused another uproar.

“Damn, they’re siblings. Doesn’t that mean that Qiao Mianmian... has become the daughter of the Bai family?!”

“So, everyone thinks that Qiao Mianmian’s family background is average, but she’s actually the little princess of the Bai family. We all thought she and Mo Yesi were a match made in heaven. There’s no such thing as a match made in heaven! As expected, Cinderella’s story only exists in fairy tales. This is the real life I’m familiar with.”

“That’s not right. How could Qiao Mianmian and Bai Yusheng be biological siblings? One’s surname is Bai, and the other’s surname is Qiao. Aren’t Qiao Anxin and Qiao Mianmian sisters? Then, is Qiao Anxin also the daughter of the Bai family? I have to sort out their relationship. Why do I feel so confused?”

“Let me guess. Didn’t they say that the Bai family has a little missy who has been living outside? That little missy should be Qiao Mianmian. This can also explain why her surname is Qiao, but she and Bai Yusheng are biological siblings. She was probably adopted by the Qiao family, and she and Qiao Anxin aren’t blood-related sisters. Hence, Qiao Anxin is the true daughter of the Qiao family, while Qiao Mianmian was adopted.

“Now, this poor girl has been found by the Bai family. Didn’t Bai Yusheng say that Qiao Mianmian is rather low-profile, so not many people know about this? If it wasn’t for this trending topic, he definitely wouldn’t have said it.”

“So Qiao Mianmian is really the little princess of the Bai family?! Damn, they said she had a sugar daddy previously, but now these rumors are gone. The little princess of the Bai family is rich, why would she need a sugar daddy?”

“If Qiao Mianmian is really the little princess of the Bai family, then I think she’s really very low-profile. Previously, she didn’t expose her identity even after so many scandals about her being a kept woman. And those scandals about her snatching the C position, is there a need for the little princess of the Bai family to do that?”

### **Chapter 2075: Gosh, What’s Happening Today?**

“She entered the entertainment industry purely out of interest. Whether she’s popular or not doesn’t affect her much.”

“That’s true. Even if she’s a top actress in the entertainment industry, that’s nothing compared to being the little princess of the Bai family. She doesn’t have to fight for the C position just to gain attention.”

“God, my idol is actually a real princess?! As Mianmian’s fan, I suddenly feel honored. My idol is too awesome!”

“Those who support Shen Rou think that she comes from a good family. But the Bai family is better than the Shen family. In terms of family background, Qiao Mianmian’s family is better than Shen Rou’s.

“Someone even said that Qiao Mianmian’s family background isn’t good enough for her boyfriend. I don’t think anyone will say anything in the future.”

#The daughter of the Bai family revealed her identity

Bai Yusheng’s two posts caused such commotion that the entire Weibo system was paralyzed for nearly 10 minutes.

Then, the top five trending topics were occupied by him and Qiao Mianmian.

Before the netizens could recover from their shock, a few new posts were exposed.

“The mastermind behind Qiao Mianmian’s scandal has finally been exposed. The truth will definitely shock you!”

“In the real world, someone revealed that Qiao Anxin controlled Qiao Mianmian to snatch the C position behind the scenes. It was all because of a woman’s jealousy.”

“Shocking! The pure goddess Qiao Anxin’s private life is terrible. She’s been at the hotel with different men for three consecutive days, and the men are all married.”

“Her image is ruined! The private life of the pure goddess is in a mess. Netizens saw Qiao Anxin accompanying two middle-aged men into the hotel room and stayed for the whole night.”

Suddenly.

Several negative news about Qiao Anxin were exposed.

Under normal circumstances, this news would definitely be sensational.

But today...

With two more breaking news, the netizens were much less shocked by Qiao Anxin's scandals.

"Gosh, what's happening today? Why are there so many melons to eat? Did we discuss this beforehand? As a bystander, this is the first time I'm so full! Today's melons are really delicious."

"I didn't expect Qiao Anxin to be such a person. Although she and Qiao Mianmian aren't related by blood, they must have grown up together. She's really too despicable to mess with her sister behind her back. Is it because of jealousy? Qiao Mianmian comes from a better background and has such a good boyfriend. Now that her career is developing better than hers, she must be jealous. That's why she did this behind her back."

"Am I the only one who thinks Qiao Anxin deserves it? She snatched Qiao Mianmian's boyfriend previously and even tried to suppress her. Now that the tables have turned, it's her turn to be unlucky. To be honest, it's rather satisfying to see her like this."

"Wow, Qiao Anxin is so disgusting. She usually looks so innocent, I didn't expect her to be with so many men..."

"I realized that the personas of the artistes who like to establish their own personas have all collapsed. It seems like it's better not to establish a persona casually."

"To be honest, do you really think Qiao Anxin is a good woman to steal someone else's boyfriend? I don't think it's strange at all."

### **Chapter 2076: The Real Princess**

"The moment it was revealed that Qiao Anxin was slandering Qiao Mianmian behind her back, Qiao Anxin's scandals were exposed. Why do I feel like her scandals were Qiao Mianmian's retaliation?"

"Even if Qiao Anxin's scandals were leaked by Qiao Mianmian, it's not surprising. The first to flirt is cheap. She's using such underhanded means behind her back. If I were Qiao Mianmian, I'd retaliate too. Moreover, Qiao Mianmian is the little princess of the Bai family now. Isn't Qiao Anxin overestimating herself?"

"Qiao Mianmian was defamed. I've seen Qiao Anxin's scandals, and they're full of evidence."

"Qiao Anxin probably won't be able to clear her name this time."

"I'm not interested in Qiao Anxin. Is there anyone who wants to tell me about the Bai family? Is Qiao Mianmian really the daughter of the Bai family?"

...

It was very lively on Weibo.

Qiao Mianmian only found out about Bai Yusheng's two posts after receiving Linda's call.

Linda was shocked. "Mianmian, is it true? You're the little princess of the Bai family? Bai Yusheng is your biological brother? Tell me, is this true?"

"Mm, Sister Xie. It's true."

"It's actually true?! So, you're really the little princess of the Bai family?! Oh my God, my artiste isn't just the Young Madam of the Mo family, but also the little princess of the Bai family?! Qiao Mianmian, tell me, are you hiding anything else from me? You might as well tell me at once, in case my heart suffers a huge blow next time. I'm afraid my heart won't be able to take it."

Qiao Mianmian was speechless.

"No. I'm not hiding anything else from you."

"Really?" Linda sounded unconvinced.

Qiao Mianmian nodded. "Mm, really."

"I believe you."

"Mm?" Qiao Mianmian blinked. "Sister Xie, what did you believe?"

Linda said, "I finally believe that you're in the entertainment industry because you like acting. You're the little princess of the Bai family and the Young Madam of the Mo family. If you didn't really like acting, would you be in the entertainment industry?"

"Becoming the daughter of a rich family or the Young Madam of a rich family is a hundred times better than being an artiste."

"It's all over Weibo now. You're the party involved, I think you should post an explanation."

After chatting with Linda, Qiao Mianmian opened Weibo.

After reading the two posts and some netizens' comments, she thought for a while and reposted one.

Qiao Mianmian V: "Mm, this is my brother, the kind with the same parents. Please don't spread rumors about me and my brother anymore, it's really awkward."

"Wow, Mianmian finally responded on Weibo."

"Our Mianmian is really the little princess of the Bai family."

"Mm, Sister Mianmian, we all know. The unscrupulous media is really annoying. They love to spread rumors. They definitely won't dare to spread rumors about you in the future. You're the little princess of the Bai family. If anyone dares to spread rumors about you, show them the spirit of a little princess."

"I think we should call her Princess Mianmian in the future. After all, our Mianmian is a real princess."

In the comment section, a group of fans started calling her "Little Mianmian". Qiao Mianmian was embarrassed.

She didn't want too many people to know about this previously because she didn't want to be too high-profile.

But now... the whole Internet knew about it.

She probably couldn't keep a low profile anymore.

### **Chapter 2077: Future Madam President**

Qiao Mianmian saw her own news and Qiao Anxin's.

When she saw Qiao Anxin's other scandals, she quickly guessed who exposed them.

...

At the Mo Corporation.

Qiao Mianmian walked into the lobby as usual.

But she felt that the employees looked at her differently this time.

They greeted her politely before.

But this time, they seemed even more polite.

Her attitude was already very good previously, but this time, it was even better.

A few of the receptionists were gossiping.

"I didn't expect Chairman Mo's girlfriend to be the daughter of the Bai family. Isn't that better than Miss Shen's background? This way, she and Chairman Mo are a match made in heaven. Then, she and Chairman Mo are going to get married."

"I was wondering why Chairman Mo would date a small celebrity. So, she's the daughter of the Bai family. I guess entering the entertainment industry is just a hobby."

"Then, I think Miss Qiao is more suitable for Chairman Mo than Miss Shen. She's prettier than Miss Shen and comes from a better family. She's quite compatible with Chairman Mo in terms of qualifications. Under similar family backgrounds, and seeing that Chairman Mo likes her so much, I think they might get married soon."

"Then, won't Miss Qiao be our Madam President soon? You have to be more polite the next time you see her."

"Shh, don't say anymore. I saw Miss Qiao!"

A few female receptionists were busy gossiping when they saw Qiao Mianmian walking over.

"Hello, Miss Qiao."

"Hello, Miss Qiao."

They quickly greeted her politely.

They used to be very polite to Qiao Mianmian.

After all, Qiao Mianmian was Chairman Mo's girlfriend. Although they might break up in the future, they couldn't neglect her before that happened.

Now that they knew that Qiao Mianmian was the daughter of the Bai family, they thought that Qiao Mianmian had a high chance of becoming their Madam President. Facing Qiao Mianmian now, they treated her as the future Madam President.

Naturally, they were even more polite and respectful.

Qiao Mianmian nodded.

Before she could ask anything, a receptionist immediately said, "Miss Qiao, Chairman Mo isn't in the office right now. He just went out to settle something."

Qiao Mianmian was stunned.

"Mo Yesi isn't in the office?"

"Yes, Chairman Mo left an hour ago."

Qiao Mianmian didn't call Mo Yesi before coming.

Hence, she didn't know that Mo Yesi wasn't in the office.

She turned around and called him.

Soon, the call went through.

"Mo Yesi, when are you coming back to the office?" Qiao Mianmian spoke to her as she walked towards the elevator. "I came to the office to look for you. Your employee said you went out to do something."

"You're in the office?"

"Mm, I just arrived."

"Then, wait for me for half an hour. In at most half an hour, I'll be done."

"Alright, I'll wait for you in your office."

Qiao Mianmian hung up and entered the elevator.

She had just pressed the button when the elevator door opened again.

Someone walked in.

The elevator was huge, but when she saw someone walk in, Qiao Mianmian subconsciously stepped aside.

### **Chapter 2078: Identify Your Identity**

"Thank you." The woman had just thanked her when she looked up and saw that it was Qiao Mianmian. Her expression changed. "Why is it you..."

Qiao Mianmian looked up, too.

She was stunned to see her.

The woman instantly showed disgust and hostility. "You're here for Chairman Mo? Didn't Chairman Mo tell you that he went out to discuss something with Chairman Yang?"

Before Qiao Mianmian could say anything, the woman asked, "Are you and Chairman Mo really married?"

The woman was practically questioning her.

Qiao Mianmian found it funny.

This woman was just someone Mo Yesi had interacted with at work. She had some work dealings with him. Speaking of which, she had nothing to do with him.

But now, this woman was using such a questioning tone.

It made Qiao Mianmian feel as if she was the third party.

Under normal circumstances, even if this woman really had feelings for Mo Yesi, shouldn't she immediately give up on those thoughts after knowing that he was married?

No matter how much a normal person liked someone, they wouldn't think about doing anything after knowing that they were married.

But this woman wasn't normal.

Otherwise, she wouldn't have asked such a question.

She wouldn't treat her like this.

Qiao Mianmian looked at this woman who clearly hadn't given up on her husband. Her expression and voice were calm. She even smiled at her. "Didn't my husband make things clear to you last night? Didn't Miss Yang hear it?"

The woman's expression changed.

The woman looked at her with suspicion. "Chairman Mo is really married? How is that possible? He must be lying to me. I don't believe it. How could Chairman Mo be married?"

Qiao Mianmian was amused. "Why not? Why can't Mo Yesi get married?"

"Of course not." The woman sounded certain. "If Chairman Mo really married you, why didn't anyone know about it? Why didn't he disclose his married identity?"

"And is it so easy to marry into the Mo family? To rich families, female celebrities like you aren't even presentable. How could Chairman Mo's parents agree to him marrying you?"

"We didn't publicize it because I didn't want to. I've never felt that my profession is anything special. I don't steal, I work hard to earn money with my own abilities. No matter which industry it is, it's worthy of respect."

Seeing that the woman's expression was getting worse, Qiao Mianmian smiled and said coldly, "Assistant Yang, I hope you can recognize your identity. Don't worry about things you shouldn't."

"W-What do you mean?" The woman turned pale.

Qiao Mianmian looked at her and said bluntly, "My husband has already told you very clearly that he's married. Assistant Yang should know how to keep a distance from a married man. Do you think it's appropriate to ask a married man out at night?"

"My husband was afraid that I'd misunderstand and told me he'd ask Chairman Yang to send another person in your place."

### **Chapter 2079: The Aura Was Instantly Different**

"I thought about it and felt that I should save some face for you, so I didn't get him to replace you.

"But if you still don't realize it, there's no need to give you any more face.

"Also, since you know that I'm Young Madam Mo, you should be more polite when talking to me. My temper isn't as good as you think. If you make me unhappy, I might get your boss to fire you.

"Do you think your boss would offend me for a mere assistant?"

After Qiao Mianmian said that, the woman's expression changed from anger and disdain to shock and fear.

"Y-You..." She looked at Qiao Mianmian with a pale face.

Initially, she thought that Qiao Mianmian looked like a weak and easy to bully girl.

Hence, she didn't take her seriously.

Unexpectedly, her face changed in the blink of an eye. Her words had a viciousness that didn't match her looks.

Qiao Mianmian's aura changed instantly.

Her face was still the same, and she still looked like a little girl.

But her gaze was completely different. The coldness in her eyes made the woman feel a chill down her spine. It was so cold that she had goosebumps all over.

The little girl she didn't take seriously a moment ago now made her feel afraid.

Especially when Qiao Mianmian looked at her like she was Mo Yesi.

"Also..."

Qiao Mianmian looked at the elevator and said coldly, "Assistant Yang, you should take the elevator next door. This is reserved for the CEO. Please take a good look before entering the next elevator.

"If there's nothing else, please leave."

Qiao Mianmian's expression was very polite, but her tone wasn't polite at all.

The woman's expression turned awful.

She then noticed that the elevator she entered today was indeed different from the previous one.

It looked much more spacious and imposing.

She saw Qiao Mianmian standing in the elevator and didn't notice anything else.

This was the President's personal elevator?

She was hurt by Qiao Mianmian's words. She wanted to retort, but when she looked up and saw Qiao Mianmian's cold gaze, she couldn't say a word.

She couldn't believe it.

How did this weak and easily bullied girl change so quickly?

Moreover, Qiao Mianmian's expression and eyes resembled Mo Yesi's.

She didn't seem angry, and her expression was calm.

But it was scary.

Scarier than if she was angry.

The woman left the elevator dejectedly.

After she left the elevator, Qiao Mianmian pressed the button for the top floor. Soon, the door closed.

The woman was still standing outside the elevator, thinking about what Qiao Mianmian had just said to her.

She didn't understand why she was intimidated by a little girl.

Obviously, even if Mo Yesi really married that girl, he wouldn't value her.

### **Chapter 2080: Was He Really Afraid That His Wife Would Misunderstand?**

She didn't believe that it was that girl's request to keep their marriage a secret.

She was just a newbie in the entertainment industry, and her family didn't have a good background. If she could marry Mo Yesi, she would be like a sparrow that became a phoenix.

Under such circumstances, she couldn't wait for the whole world to know that she'd married into the Mo family.

And she even took the initiative to keep it a secret?

These words were enough to coax others.

But she wouldn't believe it.

Just as she was thinking this, her cell phone rang.

A news post popped up.

The woman took out her cell phone and looked down. A few seconds later, her eyes widened as she stared at the news on the screen. Her face turned pale.

“The daughter is back! The newbie in the entertainment industry, Qiao Mianmian, has changed and become the daughter of the Bai family.”

The woman was in disbelief.

Her face turned even paler after reading the news.

Just a second ago, she thought that because of her poor family background, the newbie in the entertainment industry who she was sure wouldn't marry into the Mo family was actually the daughter of the Bai family?

How did that newbie with no family background suddenly become the daughter of the Bai family!

If that was really true...

Then, it wasn't strange that she could marry into the Mo family.

When the woman saw the news, she was first shocked, then disappointed, and then afraid.

She was afraid that Qiao Mianmian would really get her boss to fire her.

The Madam of the Mo Corporation wanted to fire a small employee, so her boss naturally wouldn't offend her for an assistant.

“Assistant Yang? What are you doing here?”

A voice suddenly sounded behind her, startling the fearful woman.

The woman turned around and patted her chest when she saw Wei Zheng. “Assistant Wei, it's you. Why are you walking so quietly? You scared me.”

Wei Zheng looked at her.

What did she mean by that?

She was clearly thinking too much.

The woman was shocked by Wei Zheng and quickly looked behind him.

Disappointment flashed past her eyes when she didn't see the person she wanted to see. “Assistant Wei, is Chairman Mo not back yet?”

Wei Zheng had been with Mo Yesi for so many years and had met many women who had feelings for him.

He could tell at a glance what this woman was thinking about his boss.

Recalling what Mo Yesi had told him, he narrowed his eyes and coughed lightly. “Chairman Mo has something to attend to. Assistant Yang, Chairman Mo said that I'll be in charge of the cooperation in the future. Don't look for him anymore.

“If you want anything, just tell me. It doesn’t matter if Chairman Mo is in the company.”

The woman’s expression stiffened and she clenched her fists.

She called Mo Yesi last night, and he refused to see her today.

Was he really afraid that his wife would misunderstand?

Did he care so much about his wife?

“But I really have to talk to Chairman Mo.” The woman pursed her lips and spoke to Wei Zheng in a domineering tone. “It’s not that I don’t trust Assistant Wei’s ability, but there are some things that I’m afraid Assistant Wei won’t be able to handle.

“This cooperation is very important to both our companies. I only believe in Chairman Mo’s ability.”
