Chapter 2081: He Wouldn't Bicker With a Fool

Wei Zheng was speechless.

Damn it.

He'd been with Mo Yesi for so many years, but this was the first time someone questioned his ability.

He was so angry that all sorts of insults were about to come out of his mouth. He thought for a while and swallowed them back.

Damn it, forget it. He wouldn't argue with a fool.

But he definitely couldn't tolerate this.

Wei Zheng took a deep breath. He felt that he shouldn't be too direct, but he felt that there was no need to save face for the other party.

"Assistant Yang, don't you know?" Wei Zheng's tone turned cold.

The woman was stunned. "Know what?"

Wei Zheng resisted the urge to roll his eyes. "Chairman Mo doesn't want to see you at all, so he left everything to me. Assistant Yang, Chairman Mo is already married. Young Madam is beautiful and gentle. Chairman Mo likes her very much.

"Chairman Mo cares about Young Madam the most. Young Madam is a precious gem to him. He pampers her the most."

Wei Zheng continued expressionlessly, "Chairman Mo is afraid that Assistant Yang's actions will cause Young Madam to misunderstand and won't see Assistant Yang again. If you think I'm incapable and don't want to talk to me, I think your company can arrange for someone else to talk to me."

Wei Zheng ignored her and entered the elevator.

The woman was left standing outside stiffly.

...

Qiao Mianmian walked into Mo Yesi's office and sat down at his desk.

She usually waited for Mo Yesi while playing with her cell phone.

She hadn't noticed what was on his desk.

Hence, she was stunned to see her photo on the table.

It was a selfie she took.

It was a selfie she posted on Weibo.

Mo Yesi actually printed it into a photo and placed it on his desk.

This wasn't the only thing that shocked Qiao Mianmian.

She saw a stack of papers on Mo Yesi's desk. There was a ring on the paper. It was a simple-looking diamond ring.

Qiao Mianmian picked it up.

This was... drawn by Mo Yesi?

Mo Yesi knew jewelry design?

Qiao Mianmian recalled that Mo Yesi had said before that he knew a lot of things.

If this was drawn by him, he was indeed talented.

Qiao Mianmian looked at the diamond ring drawing. She quite liked it. She thought that if she could turn this drawing into a physical object, it would definitely be beautiful.

The Mo Corporation had a jewelry company.

Qiao Mianmian thought that Mo Yesi might be involved in the company's jewelry design, too. This ring was probably a new product designed by him.

Although the final product wasn't out yet, she felt that this design would definitely sell well.

There wasn't just one diamond ring on the drawing. Qiao Mianmian flipped through it and realized that Mo Yesi had designed more than ten rings.

And every design was beautiful.

He wasn't inferior to professional jewelry designers.

Beauty was in the eye of the beholder. She felt that Mo Yesi's jewelry wasn't inferior to some international masters.

Chapter 2082: There's a Price to Pay For Everything

She seemed to have really married a capable husband.

Was there anything Mo Yesi couldn't do?

Qiao Mianmian studied the things on Mo Yesi's desk for a while. Just as she picked up her cell phone to check the time, the screen suddenly lit up, and an unknown number flashed.

Qiao Mianmian picked it up.

The moment the call went through, an angry voice sounded. "Qiao Mianmian, you're too cruel. How could you do this to me?"

"You were the one who got someone to upload those scandals on Weibo, right? Do you know that you'll ruin me by doing this? Qiao Mianmian, how could you be so cruel?!"

"You vicious woman!"

It was Qiao Anxin.

Qiao Mianmian found it funny.

“I’m vicious?” Qiao Mianmian couldn’t help but laugh. “Qiao Anxin, anyone can say such things, but you don’t have the right. You know very well what you’ve done to me. I just did the same.

“You deserve this.

“It wasn’t me who ruined you. It was you.”

Qiao Anxin was silent for a few seconds.

“Yes, Qiao Mianmian. I admit that I paid for you to appear on the trending search. But are you doing this to me just because I did something that didn’t affect you at all? Even if I made a mistake, it wasn’t very serious. But now, you’re trying to kill me. Aren’t you too ruthless?

“Actually, you’ve wanted to do this for a long time. You even hypocritically promised Dad that you wouldn’t make things difficult for me again. Qiao Mianmian, you’re too disgusting!” Qiao Anxin clenched her teeth.

Qiao Mianmian laughed out of anger. “You think that what you did doesn’t affect me because I found a way to solve it. If I was just a newbie without any background, would you still think the same?

“Qiao Anxin, it’s not that I want to kill you. It’s just an eye for an eye. I’m just returning what you’ve done to me in the same way. I promised Dad that I wouldn’t make things difficult for you, but that was based on the fact that you wouldn’t provoke me again.

“You’ve been hiding behind my back and doing this to me time and time again, and you expect me to not hold it against you? Do you think I’m a fool, or do you think that no one will find out what you’ve done, so you’re so fearless?

“It’s precisely because of Dad that I tolerated you time and time again. Otherwise, do you think I’d only settle scores with you now?”

“Again and again? I-I only did it this time!” Qiao Anxin sounded flustered.

“Qiao Anxin, do you really think that no one can find out what you’ve done?” Qiao Mianmian didn’t want to talk nonsense with her anymore. “There’s nothing more to say between us. I let you off before because I didn’t want to upset Dad.

“But now, I won’t be merciful to you anymore.”

“Qiao Mianmian, w-what do you mean!”

“Qiao Anxin, you have to pay the price for everything. Everything that happens from now on is your punishment. I won’t show you mercy anymore.” Qiao Mianmian hung up.

Chapter 2083: I Wish I Could Kill Her

On the other side.

Qiao Anxin heard the disconnected tone and screamed. “Qiao Mianmian, what right do you have to treat me like this, you evil woman. You ruined me, I won’t let you have it easy!

“Bitch, slut!

“Qiao Mianmian, I hate you!

“Ahhh, slut, slut!” Qiao Anxin threw her cell phone against the wall and screamed.

“Qiao Mianmian, you slut!”

“Anxin, Anxin, what’s wrong?”

Outside, Lin Huizhen heard the commotion and rushed into the room.

She was shocked to see Qiao Anxin squatting on the ground, panting and pale.

“Anxin, what’s wrong? Don’t scare Mom.” Lin Huizhen squatted down and reached out to help Qiao Anxin up.

“Mom, I hate Qiao Mianmian. I hate her to death.” Qiao Anxin looked up and grabbed Lin Huizhen’s arm tightly. “I really hate her, why didn’t she die!

“Why would a slut like her live in this world?”

“Anxin, what nonsense are you talking about!” Lin Huizhen hurriedly covered her mouth and turned around. She heaved a sigh of relief when she saw that no one was standing outside.

She helped Qiao Anxin up and closed the door.

Then, she returned and said in a low voice, “Anxin, we’re at home. It wouldn’t be good if your dad heard what you said.”

“So what if he hears!” Qiao Anxin bit her lip and said fiercely, “Qiao Mianmian isn’t his biological daughter. Now that she’s been acknowledged by the Bai family, she doesn’t take him seriously at all. I’m his biological daughter. Is he going to fight with his own daughter over someone who isn’t related to him by blood?”

Lin Huizhen was stunned.

“Then, you have to be careful. Your dad still dotes on her. If he heard what you said, he’ll definitely be unhappy. Anxin, what happened? You’re scaring Mom.”

“Mom.” Qiao Anxin took a deep breath and said with eyes full of hatred, “That slut Qiao Mianmian ruined me. She got someone to release my scandals and even hired someone to defame me online. How am I going to survive in the industry in the future?”

“She wants to kill me!

“I hate this slut so much, I can’t wait to kill her.”

Lin Huizhen’s expression changed and she immediately asked, “You said that Qiao Mianmian got someone to release your dirt on the Internet?”

“That’s right, this slut is trying to kill me!”

“Did those scandals affect you a lot?”

As Lin Huizhen's main source of income, she had always been very concerned about Qiao Anxin's career development.

She immediately tensed up.

"It's not that." Qiao Anxin gritted her teeth. "Maybe I won't be able to survive in this industry anymore."

"Is it that serious?" Lin Huizhen widened her eyes. "Then, what will you do in the future? You can't work in this industry anymore?"

"The slut won't let me off. She'll definitely deal with me even more harshly. She has Mo Yesi and the Bai family backing her now. I'm not her match at all!"

Chapter 2084: Never Bow to Her Again

Qiao Anxin's eyes were filled with jealousy.

She felt that God must be blind.

Otherwise, why would he treat Qiao Mianmian so well?

Giving the little slut such a good man like Mo Yesi was enough to make people envious.

But He actually also gave her such a good background.

They had grown up in the Qiao family and had the same background. Qiao Mianmian had lost to her.

But now, why was she the one losing?

Why did Qiao Mianmian suddenly become the winner in life?

Qiao Mianmian was better than her in every aspect.

She would never be able to surpass her status as the daughter of the Bai family.

She was indignant.

God was biased towards that slut!

Lin Huizhen was stunned for a while.

"Why did she suddenly become like this?" Lin Huizhen's first thought wasn't that her daughter's future was ruined, but that if Qiao Anxin couldn't stay in the entertainment industry anymore, she definitely couldn't earn money anymore.

What would she do if Qiao Anxin couldn't earn money?

Could she still maintain her current life?

Father Qiao's company couldn't earn much money now. If her only daughter couldn't earn money...

Lin Huizhen panicked at the thought of not being able to fork out money in the future.

"How would I know? That slut just doesn't want me to lead a good life and wants to kill me." Qiao Anxin didn't tell her what she'd done to Qiao Mianmian.

“She must remember what happened in the past.” Lin Huizhen frowned.

“Mom, what should I do now?” Qiao Anxin said angrily. “That slut wants to kill me. I don’t want to leave the entertainment industry. If I do, what should I do in the future? What else can I do?”

“Mom, help me think of something. No matter what, I can’t leave the entertainment industry.” Qiao Anxin grabbed Lin Huizhen’s shoulder agitatedly.

“Anxin, calm down.” Lin Huizhen was a little dizzy from the shaking. She quickly held her down and said, “Don’t worry, Mom will definitely help you think of a way. This matter isn’t difficult to resolve.”

Qiao Anxin’s eyes lit up.

“Mom, do you have a way to help me?”

Lin Huizhen nodded and said, “It’ll be your dad’s birthday in a few days. Qiao Mianmian will definitely be back by then. She’s always listened to your dad. If you get your dad to plead for you, it should be fine.

“Say something nice and she probably won’t make things difficult for you anymore.”

“Mom, are you saying that I have to lower my head to her?” Qiao Anxin’s voice was sharp and her reaction was huge. “I won’t lower my head to that slut!”

“Anxin!” Lin Huizhen’s expression darkened. She then tried to persuade her patiently. “You know that Qiao Mianmian isn’t someone we can deal with now. Are you refusing to bow to her even with your career in the line? Compared to your career and future, a moment of pride is nothing. As long as Qiao Mianmian is willing to stop making things difficult for you, it’s fine even if you apologize.”

“No, I don’t want to!” Qiao Anxin pushed Lin Huizhen away and gritted her teeth. “I won’t apologize to this slut anymore. I won’t bow down to her even if I die! If you want me to apologize to her, you might as well kill me!”

Chapter 2085: Tell Me, Which Is Your Favorite?

“Then, don’t you want your career and future anymore?” Lin Huizhen was furious.

“I’ll think of something myself.” Qiao Anxin suddenly thought of someone, and her eyes lit up again.

“What can you do? Anxin, listen to me, just...”

“Mom, I have something on. I have to go out immediately. I won’t be back for dinner tonight. You and Dad don’t have to wait for me.”

Before Lin Huizhen could finish her sentence, Qiao Anxin pushed her away and rushed out of the room.

“Anxin, Anxin...” Lin Huizhen called her from behind. She stomped her feet in anger as she watched her leave the bedroom without looking back.

...

Qiao Mianmian waited for more than half an hour before Mo Yesi finally returned.

The man walked in front of her and pulled her into his arms. He hugged her and kissed her. "I'm sorry, Baby. Something cropped up at the last minute, so I made you wait for a while."

"Are you bored?"

Qiao Mianmian chuckled. "I'm not bored at all. I found something fun while I was waiting for you."

"Mm?" The man raised his brows and smiled. "What did you find fun?"

"This." Qiao Mianmian gently pushed him away and walked to the desk to pick up the stack of paper.

"Mo Yesi, did you draw this?"

Mo Yesi looked at the album in her hand and smiled. "Mm, I drew it. What do you think?"

"I think it's pretty good." Qiao Mianmian looked at her extraordinarily handsome and multi-talented husband and praised him generously. "It doesn't lose out to professional jewelry designers at all. Is this a new product you designed for the next season for your jewelry company? You didn't even tell me that you know jewelry design. Could it be that many of the jewelry from the jewelry stores under the Mo Corporation was personally designed by you?"

Mo Yesi didn't answer her question. Instead, he took the album from her and flipped through a few pages before asking, "You've finished looking at the album? Which ring do you think is the best? What's your favorite?"

"I think they're all pretty."

"You must have a favorite, right?" Mo Yesi handed her the album. "Tell me, which one is your favorite?"

Qiao Mianmian thought that he wanted to hear her opinion.

This was normal.

Mo Yesi's jewelry was all for women.

Since it was designed for female consumers, it was normal to ask for her opinion.

Qiao Mianmian flipped through the album again and picked out her favorite.

The reason it was so difficult to choose was that she felt that all the designs were pretty, but it was difficult to choose the one that she felt was the best.

Mo Yesi looked at the diamond ring she picked out. The man looked at her with gentle eyes. "You like this one?"

"Mm." Qiao Mianmian nodded. "Actually, I think every design looks good. But this one is my favorite."

"Mm, good taste. It seems like we have the same taste."

Qiao Mianmian was stunned. "Huh?"

Mo Yesi smiled. "I think this model suits you best, too. Since you like it the most, it's settled."

"Settled?" Qiao Mianmian was stunned again. "Settled what?"

“Of course it’s your wedding ring.”

“Wedding ring?” Qiao Mianmian was even more confused.

Chapter 2086: The One and Only Treasure in the World

“Mm, a wedding ring.”

“Didn’t you design these rings for the company?”

Mo Yesi smiled and rubbed her head. “Who told you that? The company has a designer, I don’t have to worry about this.”

“Then, the rings in this album...” Qiao Mianmian blinked and widened her eyes. “Are they all wedding rings designed for me?”

“If it wasn’t for you, why would I go to all this effort?” Mo Yesi pulled her into his arms and pinched her nose. “Before the wedding, all of this has to be prepared. I’ll compensate you for everything I owe you.

“I wanted to design our wedding ring myself. Baby, this is the wedding ring I designed for you. It will be unique in this world.”

Qiao Mianmian looked at him and blinked. “Hubby...”

She wrapped her arms around Mo Yesi’s neck and rubbed her head against his chest. “Hubby, you’re so good to me. You even designed a unique ring for me. What should I do for you?”

“I don’t seem... capable of anything.”

She felt that Mo Yesi was at a disadvantage.

He was such an outstanding man, but she wasn’t that outstanding.

He could do anything.

But she... knew nothing.

Mo Yesi chuckled. “You don’t have to do anything. Baby, you’ve already given me a unique and precious gift.”

“Really? What did I give you?” Why didn’t she know?

The man lowered his head, and his eyes were so deep and dark that Qiao Mianmian’s heart raced.

He whispered in her ear, “My baby is the one and only treasure in the world. With you, I’m the happiest man in the world.

“You gave me the best and most precious thing in the world: the best wife. So, you don’t have to do anything for me anymore. You’ve done enough.

“I’m already satisfied.”

“Mo Yesi, you...” Qiao Mianmian was stunned.

She didn’t expect him to be referring to her.

“Baby, as long as you stay by my side and accompany me, this is the best repayment.” Mo Yesi lifted her chin and kissed the corner of her lips. “I don’t need anything else.”

The kiss was long.

Qiao Mianmian’s cheeks were red as she leaned against his chest.

“Yan Shaoqing invited us for dinner tonight. Do you want to go?” Mo Yesi’s voice was a little hoarse.

Qiao Mianmian panted for a while before calming down.

“Is he treating? Let’s go, then. I haven’t seen him in a while.”

“Mm, I’ll let him know.”

Mo Yesi took out his cell phone and called Yan Shaoqing.

“I’ll go with your sister-in-law tonight. Don’t bring any random people. Mm, I’m hanging up. Remember, don’t bring those messy women.”

Mo Yesi hung up quickly.

He looked at Qiao Mianmian. “He booked the place. It might take us 40 minutes to get there if we leave now.”

Qiao Mianmian nodded. “Let’s go now.”

Chapter 2087: Don’t Let Her Come Up Again

They left the office hand in hand.

When the elevator stopped, the door opened and a woman walked out.

Qiao Mianmian was stunned to see who walked out of the elevator.

Mo Yesi’s expression darkened.

“Chairman Mo.”

The woman saw him and quickly walked towards him.

“Chairman Mo, are you going out now? I have a proposal here that you have to take a look at personally. I...” The woman’s eyes lit up when she saw Mo Yesi, and her expression was a little agitated.

But when she saw Mo Yesi and Qiao Mianmian holding hands, she frowned and pursed her lips unhappily.

It was like seeing her husband with a mistress.

She had completely forgotten that they were legally married, and she was just an unrelated person.

Mo Yesi interrupted her coldly. “Who asked you to come up? Didn’t Wei Zheng tell you that you have to hand over everything to him in the future? You don’t have to look for me anymore.”

The woman was stunned for a moment. When she met his cold gaze, her heart skipped a beat and she inexplicably panicked.

She opened her mouth to explain. "Chairman Mo, I..."

"Chairman Mo."

Qiao Mianmian turned around and saw Wei Zheng running over.

Seeing the woman standing at the elevator, his expression changed. "Why are you here! Didn't I tell you that Chairman Mo doesn't see you again? Don't you understand?"

After scolding the woman, he immediately turned around and hurriedly explained to Mo Yesi, "Chairman Mo, I told Assistant Yang not to look for you anymore. I don't know why she still came up."

Mo Yesi said coldly, "If this happens again, you don't have to come to work anymore. Take her away now."

Wei Zheng's expression changed. "Yes, Chairman Mo. I promise I won't let this happen again."

The woman's face stiffened.

She clenched the document in her hand and looked hurt. "Chairman Mo..."

Mo Yesi said coldly, "Wei Zheng."

"Assistant Yang, please leave immediately." Wei Zheng's expression darkened when he saw that the woman was still standing there. "If you still refuse, I'll have to get the security officers to chase you away."

The woman was still staring at Mo Yesi.

Wei Zheng frowned and saw that Mo Yesi's expression had darkened further. He didn't hesitate anymore and immediately called for security.

He then said, "Bring Assistant Yang down and inform the front desk. Don't let her come up again."

The security officers were efficient.

As soon as Wei Zheng finished speaking, a few security officers walked over, grabbed the woman's arms, and dragged her into the elevator.

The woman was still struggling. "Let go of me. What are you doing? I'm here to discuss business with Chairman Mo. What right do you have to treat me like this?"

"Let go of me! Chairman Mo, how could you treat your partner like this!"

"Let go of me, let go of me!"

Soon, the elevator doors closed.

The woman's voice faded.

Chapter 2088: That Means That You Care About Me

“Chairman Mo.” Wei Zheng turned around and said apologetically, “I really didn’t expect Assistant Yang to be so persistent.”

“I told her that Chairman Mo wouldn’t see her again, but she still...

“Chairman Mo, this is my mistake. If Chairman Mo wants to punish me, I’ll accept it.”

Wei Zheng didn’t expect Assistant Yang to be so thick-skinned.

He had made things clear enough, but she still came to look for Chairman Mo.

Moreover, Young Madam was present.

No wonder Chairman Mo was so angry.

If Young Madam misunderstood and got upset because of this, things would become serious.

Mo Yesi looked at him coldly. “It’s not entirely your fault. Forget it this time. If something like this happens again, I won’t let you off.”

“Yes, Chairman Mo.” Wei Zheng wiped the cold sweat off his forehead. “I promise this won’t happen again.”

“Replace Assistant Yang.” Mo Yesi frowned.

“Yes, Chairman Mo. I’ll call Chairman Chen immediately.”

Ding!

Mo Yesi’s private elevator arrived.

Mo Yesi didn’t say anything else and led Qiao Mianmian into the elevator.

Wei Zheng wiped the cold sweat off his forehead.

Damn.

He was almost harmed by Assistant Yang.

In the elevator.

Mo Yesi looked at Qiao Mianmian, who had been silent the whole time. After a while, she still didn’t ask him anything.

He couldn’t hold it in anymore.

“Baby, don’t you have anything to ask me?” he asked.

Qiao Mianmian looked up at him. “No.”

Mo Yesi was speechless.

“Really?”

Qiao Mianmian thought about it seriously and shook her head. “No.”

“...”

Qiao Mianmian looked as if nothing had happened, but Mo Yesi was not so calm. He frowned. “You don’t need me to explain?”

“Explain?” Qiao Mianmian blinked at him. “You mean... about Assistant Yang?”

Mo Yesi replied. “...Mm.”

Qiao Mianmian thought for a while and said, “Didn’t you already explain it to me? She’s just someone doing business with you, nothing else. I know she’s interested in you, but I also know that you’re not interested in her at all.

“So, I don’t need you to explain anything to me. And I know that you didn’t even allow her to look for you. She insisted on coming up to see you. This isn’t your fault. I’m not such an unreasonable person.

“Even if I was jealous, I wouldn’t be so unreasonable.”

Mo Yesi kept quiet for a while before sighing.

“Baby, I hope you can be unreasonable and jealous of me.”

He wished that she wasn’t as calm and rational.

She was too calm and rational, making him feel that she didn’t care about him enough.

Because he could be calm and rational in everything except for things related to her.

Unless he didn’t care enough about her.

Qiao Mianmian was stunned. “If I act unreasonable with you, won’t you find me annoying?”

“No.” Mo Yesi rubbed her head. “I’ll be happy. That means that you care about me.”

Chapter 2089: This Is Your Legal Right, Mrs. Mo

“Alright, then. You said to Wei Zheng to replace Assistant Yang, right?”

“Mm.”

“Then, can I make a request?”

“Mm? What request?”

“Since you want to replace her, don’t put another female employee in her place. Otherwise, I’m afraid it’ll be another Assistant Yang.”

Qiao Mianmian felt that it was entirely possible.

Thankfully, she had a very self-aware and well-behaved husband.

She wasn’t worried at all.

Otherwise, given his looks, he’d probably attract countless bad girls. How could she handle it?

She wouldn't have made such a request otherwise.

She felt that this request was unreasonable.

Since Mo Yesi had already said so, she didn't have to worry anymore.

With that, she wondered if Mo Yesi felt that she was being unreasonable.

"Mm, alright."

The next moment, Mo Yesi said with a smile, "In the future, when the Mo Corporation deals with other companies, I won't interact with female employees anymore. What do you think?"

Qiao Mianmian was speechless.

She stared at him, trying to figure out what he meant.

After looking at him for a while and confirming that he meant what he said, Qiao Mianmian felt a little uneasy. "Isn't my request too much?"

"Not at all." Mo Yesi smiled as if he was in a good mood. "You should make more requests like this in the future. This is your legal right, Mrs. Mo."

Qiao Mianmian was speechless.

Alright, she would try her best to be unreasonable in the future.

...

At the appointed place.

The waiter led them to a private room.

The moment the door opened, Qiao Mianmian heard Yan Shaoqing's laughter. "After dinner, I have plans for the show. The new beauties at the clubhouse are of good quality. Their looks and figures are top-notch. I'll take care of them tonight. Please have fun."

Another smiling voice sounded. "Second Yan, I think you're itching for a beating. If you want to play, go ahead. I'm not interested. Ah Si is bringing Sister-in-law tonight. Do you think he's interested in another woman?"

"Aiya, you guys are so disappointing. We can't just sit in the private room tonight. That's so boring."

Outside the private room.

Mo Yesi pushed the door open and walked in with Qiao Mianmian. He snorted. "It's boring. I think some people are itching for a beating. It's time to let go."

"Second Bro, Sis-in-law!" Yan Shaoqing turned around and saw Qiao Mianmian and Mo Yesi walking into the private room. He immediately stood up and greeted them.

He smiled cheekily and said, "Second Bro, I'm just kidding. When have I ever disobeyed your instructions? Look, I didn't bring anyone tonight as per your request."

He looked like he was asking for praise.

Like a primary school student waiting for his teacher's praise.

Mo Yesi rolled his eyes. "You seem unhappy?"

"No, no." Yan Shaoqing immediately shook his head. "How could I dare to be unhappy with Second Bro? I just think it's pretty good. It's good to have a meal with just the few of us. If there are outsiders around, it's hard to say. Hahaha.

"Sis-in-law, I haven't seen you in a while, but you're getting more and more beautiful." Yan Shaoqing looked at Qiao Mianmian in shock. With Mo Yesi around, he didn't dare to look too much and quickly looked away.

Chapter 2090: Her Heart Was Harder Than a Stone

His second brother was a jealous lover.

He was afraid that he would be in danger.

But even though Yan Shaoqing paid attention to act courteously, he still felt a cold gaze on him.

He looked up and saw Mo Yesi looking at him unhappily.

Yan Shaoqing was speechless.

Why was Second Bro looking at him like that?

He didn't say anything wrong.

He didn't glance at anything he shouldn't.

"Ahem, well..." Yan Shaoqing was a little flustered by his gaze. He covered his mouth and coughed twice before quickly changing the topic. "Second Bro, come in and sit down first. You and Sis-in-law weren't here, so Lu Rao and I haven't ordered anything yet. If Sis-in-law is hungry, you can order some snacks to fill her stomach.

"Second Bro, let me tell you. The signature dish here, the Eight Treasures Chicken, is top-notch. It tastes better than any hotel's Eight Treasures Chicken I've ever eaten. Since you're here today, you must try this signature dish. I heard it's a secret recipe of the ancient palace. The chef is a descendant of the former imperial chef.

"Their dishes are all passed down from their ancestors. It's impossible to make it taste like that outside. Oh right, Sis-in-law, you have to try their palace's secret cosmetics soup. Many socialites and rich ladies order this soup. I heard it's very nourishing and beneficial to women."

Yan Shaoqing started introducing the food.

He was definitely an expert in eating and playing.

It could be said that not only in Yuncheng City but also in many other places, anything he recommended was definitely good.

Qiao Mianmian smiled. "Sure."

Yan Shaoqing was stunned for two seconds.

A figure appeared in his mind.

That damn woman was so sweet when she smiled.

She was so innocent and harmless.

But she just looked innocent.

Her heart was harder than a rock.

He couldn't feel anything.

When Yan Shaoqing realized that he was thinking about that damn woman again, his expression changed. He clenched his teeth and cursed in his heart.

What was there to miss about such a woman!

Yan Shaoqing could have any woman he wanted.

Why was he thinking about a woman who didn't care about him at all?

...

After they were seated, Yan Shaoqing took the menu and introduced each dish.

He was even more professional than the waiter.

"Sis-in-law, you have to try this dish.

"And this dish is the most suitable for women.

"I think this dessert is good, too. Girls like it. Do you want to try it?"

Qiao Mianmian listened attentively.

When Yan Shaoqing asked if she wanted to try it, she agreed.

At first glance, Yan Shaoqing looked like a salesperson, while Qiao Mianmian looked like a completely brainwashed customer.

Lu Rao watched from the side and couldn't help but smile. "I think it's a waste of talent if Shaoqing doesn't do multi-level marketing. If he does it, he'll definitely be one of the best in this industry. Or this restaurant will hire him as a waiter. I think the sales will increase by more than half."
