

Big Shot 2111

Chapter 2111: She Hadn't Even Touched Him

When Father Qiao asked this, Qiao Chen also looked at Mo Yesi. The young man's expression was calm, but his hand was clenched nervously.

No one wanted more for him to be normal again than himself.

"Mm, Chen Chen's surgery will be done by me. The chances of recovery are 90%. If the surgery is successful and the postoperative recovery is good, this illness can be completely cured." Mo Yesi nodded.

"Then, there's a 10% chance of failure?" Even though the chances of recovery were as high as 90%, Father Qiao was still a little worried.

"Actually, 90% is already very high. In fact, the possibility of him being cured is 100%. The reason why it's 90% is just to be careful and prevent any accidents."

Mo Yesi explained patiently, "I'll be the chief surgeon. I won't let anything happen."

As if sensing Qiao Chen's worry, Mo Yesi turned around and comforted him. "This is just a small operation, it's very simple. You don't have to worry. With your current condition, you can undergo surgery anytime."

"Brother-in-law, I believe you." Qiao Chen nodded.

With Mo Yesi's words, Qiao Chen was completely at ease and stopped thinking about it.

To him, the heavens were already treating him well.

This was a surprise from God.

He shouldn't expect too much.

After all, if someone was too greedy, God might take back the preferential treatment.

...

Upstairs.

When Lin Huizhen went upstairs to put her things, she bumped into Qiao Anxin, who had just walked out of her room.

She immediately pulled her aside.

She then took out the watch Mo Yesi gave Father Qiao and said in a low voice, "Anxin, look at this watch. This is their birthday gift to your dad. How much is this watch worth?"

Lin Huizhen didn't know much about watches, but she knew that they were very expensive.

Qiao Anxin looked down and was shocked.

She said, "This is Qiao Mianmian's birthday gift to Dad?"

"I guess so." Lin Huizhen nodded.

Qiao Mianmian and Mo Yesi were married.

Mo Yesi's gift was the same as if Qiao Mianmian was gifting him.

"How much is this watch worth? Your dad said it's very expensive, but he wasn't willing to accept it."

"It's pretty expensive." Qiao Anxin bit her lip and felt uncomfortable. After a while, she said, "How can a watch that costs close to 20 million not be expensive? Moreover, this is a global limited edition. It's not something that can be bought with money."

She sounded jealous.

Even when she was with Su Ze, he had never given her such an expensive gift.

But now, Qiao Mianmian could buy such an expensive gift so easily.

To the current Qiao Mianmian, a watch worth 20 million was nothing.

She was the daughter of the Bai family and the Young Madam of the Mo family.

Her wealth was inexhaustible.

What was even more infuriating was that she actually married Mo Yesi and became his wife.

She hadn't even touched the man she yearned for day and night, but he had become Qiao Mianmian's husband.

The thought of Qiao Mianmian lying on the same bed with Mo Yesi every night and doing such intimate things made Qiao Anxin's eyes burn with jealousy.

Chapter 2112: That Slut Can't Compare to Me

Her eyes were red with jealousy, and they looked scary.

"20 million!?" Lin Huizhen was shocked. She looked at the watch carefully and then clenched it tightly.

"This watch is actually so expensive? No wonder your dad said it's too expensive. What limited edition did you say it was? It can't be bought with money?"

"Mm, global limited edition. The people who can buy it are all extraordinary."

"In that case, if we sell this watch, we can get a pretty sum?" Lin Huizhen's eyes lit up.

Qiao Anxin sensed that something was amiss and looked up. "Mom, why are you asking this?"

"It's nothing." Lin Huizhen snapped out of her daze and said casually, "I was just asking. Since this watch is so valuable, I thought I'd keep it in the safe."

"I'll put this watch away now, you can go downstairs." As Lin Huizhen spoke, she sized Qiao Anxin up and down. "The dress you're wearing today is very nice."

"Really?" Qiao Anxin was happy to hear that. "Mom, do you really think I look good in this dress?"

“Mm, not bad.” Lin Huizhen nodded. “Your makeup looks pretty good today. Anxin, are you going out?” she couldn’t help but ask.

Qiao Anxin glanced downstairs and touched her face. “It’s Dad’s birthday today, why would I go out? Mom, who do you think looks prettier today, me or Qiao Mianmian?”

“I look prettier than her, right?”

This was Qiao Anxin’s most expensive dress.

She usually couldn’t bear to wear it.

But she took it out when she found out that Mo Yesi was coming to their house today.

Lin Huizhen was stunned.

After a while, she looked up at Qiao Anxin. “Anxin, you’re not going out today, why are you dressed so formally? What’s there to compare between you and Qiao Mianmian? In Mom’s eyes, you’re definitely the prettiest.”

Qiao Anxin was obviously dissatisfied with this answer.

She said impatiently, “Mom, why do you care so much? Who said I can’t dress up at home? That slut Qiao Mianmian is back today, I definitely can’t lose to her.

“Just say that I’m prettier than her.”

“Of course you’re prettier. My daughter is so beautiful today, how can that slut compare?”

Qiao Anxin was elated.

She twirled her skirt around and looked smug. “That slut can’t compare to me. I’ll go downstairs now.”

With that, she turned around and went down the stairs.

Lin Huizhen stood there and watched her leave.

She knew her daughter well.

Hence, Lin Huizhen could tell what Qiao Anxin wanted to do.

In terms of looks, even if Lin Huizhen felt that her daughter was the best, she had to admit that Qiao Anxin couldn’t compare to Qiao Mianmian.

That slut Qiao Mianmian’s face was beautiful.

She was a vixen.

Chapter 2113: She Looked at Mo Yesi Blankly

However, although her daughter didn’t have much of an advantage in terms of appearance, she didn’t have to lose to that slut.

The little slut still had nine years of feelings for Su Ze.

Didn't Su Ze cheat on her, too?

No matter how beautiful a woman was, men would get sick of her one day.

After all, novelty was short-lived.

In this world, there was no cat that didn't cheat.

If her daughter could seduce Second Young Master Mo, it would be more profitable than being an artiste.

The Second Young Master of the Mo family could give them anything they wanted, and they would be able to live in luxury for the rest of their lives.

Lin Huizhen got excited.

...

Qiao Mianmian, Mo Yesi, and the rest were sitting in the living room talking to Father Qiao.

The few of them chatted, and the atmosphere was rather harmonious.

Until a voice suddenly interrupted.

"Sister, Brother-in-law, you're back. Chen Chen is back, too."

Qiao Anxin came down the stairs. Just as she was about to enter the living room, she took a deep breath and tugged at her collar. She then touched her hair and walked forward.

When she saw Mo Yesi sitting on the sofa, her heartbeat quickened uncontrollably.

He was the most outstanding man she'd ever met.

And the one that moved her the most.

If she hadn't met Mo Yesi, she wouldn't have known that such a perfect man existed.

Qiao Anxin seduced Su Ze only because she liked to snatch Qiao Mianmian's things.

Moreover, Su Ze was the Young Master of the Su Corporation. She'd just entered the entertainment industry then, so, if she could hook up with him, she'd be able to get a lot of good resources.

Hence, after some consideration, she made a move on Su Ze.

But she didn't love him.

She wasn't attracted to him.

But she was tempted the moment her eyes landed on Mo Yesi.

After that, she couldn't forget him and dreamed of him almost every night.

But now, the man she wanted was sitting right in front of her. No matter how much Qiao Anxin tried to remain calm, her fingers started trembling.

Father Qiao looked up and frowned when he saw her expression.

He sized her up and frowned. "Anxin, are you going out?"

Qiao Anxin snapped back to her senses when she heard Father Qiao's voice.

"Dad, it's your birthday today. I want to celebrate it with you at home." Qiao Anxin looked away from Mo Yesi reluctantly, but her eyes were still on him.

"Really?" Father Qiao frowned again. "Then why are you dressed like this? Why are you dressed like you're going to a banquet?"

With that, he looked at her high heels and continued, "Also, why are you wearing high heels at home? Don't you find it uncomfortable? Change into something more comfortable."

Qiao Anxin's expression stiffened.

Her outfit today was full of tricks.

She wasn't willing to change.

She bit her lip and mumbled, "Dad, who said we can't wear high heels at home? I like it. I don't think there's a problem."

Father Qiao wasn't stupid.

Qiao Anxin had a past record.

He knew his younger daughter very well.

Father Qiao could tell from the way Qiao Anxin looked at Mo Yesi that something was wrong.

Chapter 2114: You're Being Biased Towards Sister

Looking at her outfit, he had a rough idea.

Father Qiao had initially objected to Qiao Anxin being with Su Ze. But when he found out that she was carrying his child, he had no choice but to accept it.

He knew that Qiao Mianmian had suffered a lot.

Hence, he never agreed to Qiao Anxin marrying Su Ze.

Although Qiao Anxin was his biological daughter, Father Qiao couldn't tolerate it happening again.

After realizing what Qiao Anxin was thinking, his expression darkened. "Change immediately. Why are you dressed like this at home! Change your shoes and clothes, now!"

"Dad." Qiao Anxin called out pitifully. "What's wrong with my outfit? Why do I have to change it? I don't want to. I think I'm fine like this."

She spent the whole afternoon dressing up.

How could she change it so easily?

She didn't see Mo Yesi often, so she had to seize this opportunity.

"You still think it's good to dress like this at home?" Father Qiao's expression was stern; he was already angry. He slammed his palm on the coffee table. "How do you look at home? Go change immediately. If you don't want to, then go upstairs and don't come down."

Seeing that she was still standing there, Father Qiao got even angrier. "Did you hear me!"

Qiao Anxin's face turned green.

"Husband, it's your birthday today. It's such a joyous occasion, why are you throwing a tantrum at the child? Don't anger yourself." Lin Huizhen came down the stairs and hurriedly walked over.

She walked to Father Qiao's side and said gently, "Anxin was thinking about your birthday today, that's why she dressed up. Isn't it good for the child to dress up nicely? She doesn't mind wearing high heels or dresses.

"You really don't have to be angry over this."

In the past, Father Qiao would listen to Lin Huizhen's advice.

But this time, his expression didn't soften.

Father Qiao said coldly, "At home, you have to act like you're at home. Who are you putting on makeup for? Why isn't Mianmian like this, too? Bring her upstairs and change her clothes immediately. Otherwise, she'll stay upstairs and not come down again."

Lin Huizhen rarely saw Father Qiao so domineering. "Husband."

"What are you waiting for?" Father Qiao looked at Qiao Anxin again and frowned. "Bring her back upstairs. Don't come down until she's changed!"

Qiao Anxin's face turned pale...

Lin Huizhen's expression darkened.

A few seconds later, she tugged at Qiao Anxin. "Anxin, it's your dad's birthday today. Don't make him unhappy. Mom will take you upstairs to change your clothes and shoes."

Qiao Anxin was unwilling.

She looked as if she was about to cry. "Mom, why do I have to change? Isn't Sister wearing a dress, too? Why can she wear a dress, but I can't? Dad, you're being biased. You're biased towards Sister!"

Her eyes reddened.

She rubbed her eyes and complained, "Sister don't have to change, why should I!"

Chapter 2115: You Can't Be Too Anxious

"Are you going or not!" Father Qiao stood up in anger and pointed at her. "Is your sister dressed like you? Take a good look at what you're wearing. Do you think it's appropriate?"

Qiao Anxin was indignant and wanted to rebut.

“Alright, Anxin, don’t make your dad angry on his birthday. He asked you to change, so do it.” Lin Huizhen held her back and persuaded her. “You have so many clothes, it’s alright. Don’t say anymore.”

“But Mom...”

“Alright, enough. I’ll go upstairs with you.” Lin Huizhen was afraid that Qiao Anxin would say something to anger Father Qiao again, so she quickly dragged her upstairs.

...

Upstairs.

Qiao Anxin was furious. “I think Dad is biased. How am I not suitable? Why can Qiao Mianmian wear a dress, but I can’t! He’s biased, biased!

“Am I still his biological daughter!

“Qiao Mianmian has nothing to do with him, but he treats her better than me. Is he senile!”

“Lower your voice!”

Lin Huizhen quickly covered her mouth. “They’ll hear you.”

“Hmph. So what if they hear me?” Qiao Anxin pushed her hand away and said angrily, “Did I say anything wrong? I’m his biological daughter, but he treats an outsider better than he treats me.

“I even wonder if I’m his biological daughter!”

Lin Huizhen’s expression changed.

Qiao Anxin didn’t notice Lin Huizhen’s sparkling eyes at this moment.

“Alright, don’t bother about what your dad thinks. He told you to change your clothes, so just do it.” Lin Huizhen pursed her lips and regained her composure. “Don’t go against him today. Don’t rebut him.”

Qiao Anxin looked down at her dress and felt indignant.

She dressed like this to attract Mo Yesi’s attention.

How could she attract him if she was dressed normally?

This dress was very tight and showed off her figure, making her look very sexy.

Men liked sexy women.

Back then, she seduced Su Ze step by step.

Mo Yesi was different from other men, but every man had similar problems. Not many men could resist a sexy woman flirting with them.

Qiao Anxin was confident in her looks.

Moreover, if a man chose a woman based on her looks, Su Ze wouldn’t have been seduced by her.

Qiao Anxin looked reluctant.

Lin Huizhen tried to persuade her again. "If you don't change, your dad won't let you go downstairs. Do you want to stay here upstairs?"

Qiao Anxin was obviously unwilling.

She had been upstairs all this while, so how could she have the chance to interact with Mo Yesi?

"Anxin, Mom knows what you're thinking. But this matter can't be rushed. I don't think Mo Yesi will so easily take the bait. You can't be too anxious."

Qiao Anxin looked up in shock. "Mom, you..."

"You're my child, how could I not know what you're thinking?" Lin Huizhen looked at her. "Mo Yesi is indeed an outstanding man. If you can get together with him, I won't lack anything in this lifetime."

Chapter 2116: What's Wrong?

"But I don't think he's a superficial man. Your efforts on Su Ze might not be useful on him. It might even make him have a bad impression of you."

Qiao Anxin pursed her lips and kept quiet.

She didn't have to hide her feelings from her mother.

Seeing that she had agreed, Lin Huizhen sighed and said, "That's I told you not to go against your dad. Do you think your dad can't tell? Why did you think he asked you to change clothes?"

"Anxin, you're too anxious and too obvious."

"I don't think we can rush this. You have to think of another way to deal with Mo Yesi."

"Mom." Qiao Anxin kept quiet for a while before suddenly grabbing Lin Huizhen's hand and saying agitatedly, "Help me think of a way. I like Mo Yesi, I really like him."

"If I can be with him, I'm willing to pay any price."

Lin Huizhen frowned. "Anxin, you..."

"If I can't be with him, what's the point of living?" Qiao Anxin grabbed Lin Huizhen's hand tightly and mumbled to herself. "I really like him. Mom, I love him so much. I really want to be with him."

"If Qiao Mianmian can do it, why can't I?"

"I don't want anything anymore. As long as I can be with Mo Yesi, I don't want anything. I just want to be with him." She seemed a little crazy.

Lin Huizhen had never seen her like this.

She could tell.

Her daughter really liked Mo Yesi.

She'd never seen her so obsessed with Su Ze before.

But it wasn't strange. Lin Huizhen thought about Mo Yesi's handsome face. It was a good thing she was old. If she was 10 years younger, her imagination would be running wild.

Qiao Mianmian was really lucky.

She managed to seduce such a man.

She was now the daughter of the Bai family, and even her family background was compatible with Mo Yesi's.

It was a little difficult to steal him from her.

But in this day and age, as long as the hoe was good, there was nothing that couldn't be stolen.

"Anxin, listen to Mom." Lin Huizhen patted her daughter's head and said gently, "This matter can't be rushed. You're my daughter, of course I'll help you. Now, change your clothes and shoes. As for the rest, we'll discuss it slowly.

"No matter how anxious you are, you can't snatch him today, right?"

"In my opinion, it's really inappropriate for you to dress like this."

Qiao Anxin widened her eyes. "What's wrong?"

"Think about Qiao Mianmian's usual style. That little vixen doesn't usually dress like this. This means that Mo Yesi definitely doesn't like this style. If you want Mo Yesi to notice you, you have to be like that little vixen and dress more obediently and innocently.

"I think Mo Yesi likes the obedient and pure type. Otherwise, why wouldn't Young Lady Shen catch his eye?"

Qiao Anxin's eyes lit up.

"Mo Yesi likes pure and obedient women..." She repeated this sentence softly as if she suddenly understood something. "Mom, I got it.. I know what to do."

Chapter 2117: His Silly Sister

Lin Huizhen looked at her suspiciously. "Really?"

"Mm, I know what to do." Qiao Anxin smiled excitedly as if her wish had been fulfilled. "I know what to do now. I'll definitely snatch Mo Yesi from Qiao Mianmian.

"She lost to me in the first place. Whether it's Su Ze or Mo Yesi, as long as it's someone by her side, they'll be mine in the end. She can't win against me. So what if she's the daughter of the Bai family now? I want her to know that if she loses to me one day, she's destined to lose to me forever."

As long as she could snatch Mo Yesi, as long as she could become the Young Madam of the Mo family, so what if Qiao Mianmian was the daughter of the Bai family?

In terms of status, she wouldn't lose to Qiao Mianmian.

She could also become a member of the upper-class society and make everyone envious.

With Mo Yesi, she'd have everything.

Qiao Anxin clenched her fists.

No matter what, she had to get Mo Yesi.

She had never wanted anything so badly in her life.

If she couldn't have Mo Yesi, she would go crazy!

...

Seeing Qiao Anxin being pulled away by Lin Huizhen, Qiao Chen frowned and turned to look at Qiao Mianmian, who showed no reaction.

Perhaps his sister was too magnanimous.

Qiao Chen felt like Qiao Mianmian didn't notice anything.

Qiao Chen couldn't help but worry when he thought about Su Ze and his big sister.

Although he felt that his brother-in-law's standards weren't that low and he definitely wouldn't fall for a woman like Qiao Anxin, Qiao Chen still had to be cautious.

In the past, he also felt that Su Ze wouldn't like Qiao Anxin.

But in the end...

Qiao Anxin was too shameless. She would do anything to achieve her goals.

His sister would definitely be at a disadvantage in this aspect.

Qiao Chen felt that he had to remind her.

Otherwise, his silly sister would have her husband snatched by Qiao Anxin.

Qiao Chen stood up.

He left first and sent Qiao Mianmian a message: [Sister, come over for a while. I have something to tell you.]

Qiao Mianmian's cell phone rang and she saw Qiao Chen's message. She looked in the direction he left and turned to Mo Yesi. "Stay here and chat with Dad for a while. I'll be back soon."

Mo Yesi nodded. "Mm."

...

Qiao Mianmian quickly found Qiao Chen.

"Chen Chen, what do you have to say to me?" He even called her to a place with no one around.

“Sister.” Qiao Chen sighed. “You saw Qiao Anxin just now, right? Don’t you think she was a little strange?”

“Qiao Anxin?” Qiao Mianmian blinked. “What’s wrong with her?”

Qiao Chen was speechless.

He knew that his sister was slow to react.

“Sister, can’t you tell that Qiao Anxin has feelings for Brother-in-law?” Qiao Chen felt that since his sister was so silly, there was no need to beat around the bush. It was better to be direct.

Qiao Mianmian was stunned.

Qiao Chen glared at her and said, “Look at what she’s wearing today. She’s wearing a low-cut and tight dress at home. The dress is so short, and she’s wearing high heels and heavy makeup. Isn’t she trying to seduce Brother-in-law?”

Chapter 2118: He’ll Be the First to Teach Her a Lesson!

When Qiao Anxin seduced Su Ze, she was always wearing heavy makeup, just like now.

Hence, her intentions were easy to recognize.

Moreover, her eyes were still glued to Mo Yesi. After coming down from upstairs, she had been staring at Mo Yesi without looking at anyone else.

It was obvious.

Father Qiao probably saw it, too.

That was why he insisted that Qiao Anxin go upstairs to change.

Only his silly sister seemed to know nothing.

Qiao Chen didn’t know what to say about her.

She’d already suffered at Qiao Anxin’s hands once and was still so magnanimous.

“Sister, Qiao Anxin definitely has feelings for Brother-in-law. You have to be careful. Brother-in-law is a hundred times better than Su Ze. If she could make Su Ze fall for her back then, I don’t believe she can’t do the same to Brother-in-law.

“Didn’t you see that her eyes were glued to Brother-in-law just now? She kept staring at him. How shameless!” Qiao Chen’s eyes were filled with disgust. He hated Qiao Anxin to the core.

This time, if Qiao Anxin dared to steal his sister’s man again, he would be the first to teach her a lesson!

In the past, he couldn’t even protect himself, let alone others.

Hence, he couldn’t do many things.

But it was different now.

He now had the ability to protect the people he cared about.

Hence, he would never allow Qiao Anxin to hurt his sister again.

Qiao Mianmian blinked. "You're talking about this? I know."

"You know?" Qiao Chen was stunned.

"Mm, of course I know." Qiao Mianmian pursed her lips. "Your sister isn't a fool. How can't I even tell such an obvious thing? I've long known Qiao Anxin's feelings for your brother-in-law."

Qiao Chen was speechless.

Alright, he took back his previous opinion.

It seemed like his sister wasn't that silly.

He relaxed a little and said, "It's good that you know. I was afraid you didn't know anything."

"Don't worry. Your brother-in-law doesn't have such bad taste. He's not someone who can't resist temptation like Su Ze. Qiao Anxin's tricks are useless on your brother-in-law." Qiao Mianmian was very satisfied with her husband.

When she was betrayed by Su Ze, she thought men were all the same. She felt that there was no good man in this world.

But Mo Yesi changed her mind.

She was willing to trust him.

She wasn't afraid of the same thing happening.

She felt that even if the whole world betrayed her, she firmly believed that Qiao Chen and Mo Yesi wouldn't.

They were the two people she trusted the most.

If they betrayed her, she probably wouldn't trust anyone for the rest of her life.

Qiao Chen looked at her disapprovingly and reminded her. "Of course, I know that Brother-in-law wouldn't fall for her. But Qiao Anxin has no bottom line. Who knows what she'll do? You can't let your guard down, anyway."

"I know." Qiao Mianmian looked at the youth in front of her who was looking at her with concern. She tiptoed and patted his head. "You also have to be careful. You have to take good care of yourself and not fall into danger."

Chapter 2119: Never Seen Someone More Shameless Than Qiao Anxin

"Discuss everything with your brother-in-law. He has more social experience than you and can help you analyze many problems. I'm worried that you can't win against Second Madam alone."

"Mm." Qiao Chen was like a gentle, big-sized dog. When Qiao Mianmian touched his head, he narrowed his eyes and said obediently, "Sister, I'll listen to you."

...

Qiao Anxin came downstairs after changing.

Seeing her outfit, Qiao Chen couldn't help but frown.

This time, Qiao Anxin wasn't wearing revealing clothes or any makeup.

On the contrary, she was dressed very simply. She changed into a fresh floral dress and a loose cream sweater.

Her hair was down, too.

Her makeup was also light. She'd wiped off her eye shadow and mascara, and the lipstick had changed from the bright red to a gentle rose color.

She looked like a college student.

This wasn't the usual Qiao Anxin.

Qiao Chen found her familiar.

He stared at Qiao Anxin for a while, then looked at Qiao Mianmian, suddenly realizing where he got the familiar feeling from.

Qiao Anxin's style was Qiao Mianmian's usual style.

Even her hair and makeup were similar to Qiao Mianmian's.

Was Qiao Anxin imitating Qiao Mianmian?

Qiao Chen felt like a dog.

He knew that Qiao Anxin was going to do something shameless again.

But he didn't expect her to imitate his sister!

Did she think that this would draw his brother-in-law's attention?

Qiao Chen had never seen anyone more shameless than Qiao Anxin.

But what made Qiao Chen feel better was that Mo Yesi didn't even look at her.

Mo Yesi's eyes were on Qiao Mianmian.

No wonder his sister was so confident.

Mo Yesi and Su Ze were indeed different.

Qiao Anxin dressed up according to Qiao Mianmian's usual style, but when she realized that Mo Yesi didn't even look at her, she couldn't help but feel a little anxious.

She wondered if Mo Yesi hadn't noticed it.

With that thought in mind, she walked to Mo Yesi and picked up a teacup beside him. "Brother-in-law, your tea is cold. I'll get you some hot water."

Mo Yesi finally looked up at her.

Elated, Qiao Anxin immediately put on a gentle and obedient smile similar to Qiao Mianmian's.

Mo Yesi's gaze landed on her for a few seconds.

Qiao Anxin was even more elated, thinking that he was attracted to her.

She pursed her lips and was about to say something when Mo Yesi sneered. "You're no different from a clown."

But Qiao Anxin's expression stiffened.

She knew what Mo Yesi was referring to.

She stood there with a stiff expression.

Mo Yesi said coldly, "I don't like others touching my things without permission. Since you've touched my teacup, take it away.. I don't want it anymore."

Chapter 2120: You Can't Be Jealous of Her

Qiao Anxin's expression stiffened.

She bit her lip, about to cry.

Mo Yesi didn't give her any face.

Qiao Anxin had never met such a man.

Men would always have some tender feelings for women.

Besides Mo Yesi, no one else would treat her so coldly.

"Anxin, didn't you say you were going to show off a little tonight? Come with me to the kitchen. It's getting late, it's time to prepare dinner." Lin Huizhen quickly tried to smooth things over and dragged Qiao Anxin towards the kitchen.

...

In the kitchen.

Lin Huizhen closed the door and frowned. "Anxin, what's wrong with you? Didn't I tell you not to be anxious? Can't you control yourself?"

"Mom, what's wrong with me? I was just pouring him a cup of tea." Qiao Anxin was aggrieved. "Didn't you say that he likes obedient and pure women? But he just said that I'm a clown.

"He laughed at me!"

“How could he not say that in front of that slut? I already told you not to be anxious. Now that the slut is here, even if he really has feelings for you, he can’t show it.

“Moreover, you’ll make that slut suspect you.

“Haste makes waste. Mo Yesi isn’t such an easy man. He’s different from Su Ze. Think about his status. What kind of woman has he not seen before? If you try to please him like this, he won’t like you.

“Men are all the same. The easier it is to get, the less you take it seriously. Don’t let him think that you’re an easy woman.”

“Then, what should I do?” Qiao Anxin said angrily. “I don’t usually get the chance to see him.”

“If you want this man, you have to build a good relationship with Qiao Mianmian first.” Lin Huizhen said with an experienced tone, “Only by building a good relationship with her will you have more opportunities to see Mo Yesi in the future.”

Qiao Anxin’s expression darkened. “You want me to please that slut?”

“Mom knows that’s hard for you, but didn’t you say that you want to be with Mo Yesi? You have to give up some things. Think about which is more important,” Lin Huizhen advised.

Qiao Anxin bit her lip and kept quiet.

She understood the logic.

But to apologize to Qiao Mianmian?

Qiao Anxin was unwilling.

She hated Qiao Mianmian.

She wanted her to bow down to Qiao Mianmian.

But...

She wavered again at the thought of Mo Yesi.

She would never give up on him.

Which was more important, her pride or the man she wanted?

Qiao Anxin thought of Mo Yesi’s handsome face and felt that self-esteem wasn’t so important anymore.

If lowering her head to Qiao Mianmian could let her have Mo Yesi, what did self-esteem matter?

...

Qiao Anxin came out of the kitchen and saw Qiao Mianmian and Mo Yesi sitting together in the living room. She clenched her fists in jealousy.

One day, the person sitting beside Mo Yesi would be her.

As she thought about this, she suddenly heard a cold voice. “Qiao Anxin, don’t look anymore.. You can’t be jealous of her.”
