

Big Shot 2121

Chapter 2121: Ha, Who Do You Think You Are?

“Qiao Chen, what are you doing here?” Qiao Anxin turned around and saw Qiao Chen standing outside the kitchen. She frowned and said in an unfriendly tone, “Were you eavesdropping on me?”

Qiao Chen couldn't hide the disgust in his eyes. He resisted the urge to roll his eyes and said coldly, “Do you think everyone likes to do such things?”

Qiao Anxin's expression darkened.

She turned green. “Qiao Chen, what do you mean? Who likes to eavesdrop? Don't be sarcastic!”

Qiao Chen sneered. “Sarcastic? Isn't what I said the truth? You've already done it yourself, why are you afraid of others saying it?”

“You!” Qiao Anxin pointed at him. “Qiao Chen, don't go overboard.”

“No matter how much I go overboard, I won't be as shameless as you. Are all the men in the world dead? Why do you have to stare at the men around my sister? Qiao Anxin, I'm warning you. If you continue to stare at my brother-in-law, don't blame me for being nasty.

“This time, don't even think about stealing my brother-in-law from my sister.”

Qiao Anxin was stunned.

She looked at Qiao Chen's cold eyes and panicked, but then quickly calmed down.

“What are you talking about? Get out of my way, I'm not interested in listening to your nonsense.”

Qiao Anxin wanted to push him away, but Qiao Chen grabbed her wrist.

He looked at her coldly and warned her. “I don't care if you really don't understand or if you're just pretending. If you dare to do anything to hurt my sister again, I won't let you off.”

“Let go of me!” Qiao Anxin's face was scrunched up in pain. Shaking off Qiao Chen's hand and looking down, she saw that a red mark had appeared on her wrist.

She bit her lip and glared at Qiao Chen.

She didn't expect this sickly person to be so strong.

Her hand almost broke.

Qiao Anxin had designs on Mo Yesi, but she definitely wouldn't admit it.

Qiao Chen was just guessing. As long as she didn't admit it, what could he do to her?

She didn't take Qiao Chen's warning to heart.

He was just a sickly child adopted from an orphanage, she didn't care about him.

She looked at Qiao Chen's angry expression and couldn't help but smile. "Qiao Chen, I think you should take care of yourself first. You won't let me off? Ha, who do you think you are? Even if I really did something, what can you do to me?"

"Do you think you can be like Qiao Mianmian and suddenly become a rich young master? Wake up. You're an orphan that nobody wants. If your parents were rich and powerful, would they send you to the orphanage?"

"You're destined to be a pauper for the rest of your life. Your biological parents are just paupers of the lower class. Ah, I seem to have accidentally revealed something." She covered her mouth as if she had accidentally said something she shouldn't have, and a hint of panic appeared on her face.

Then, she looked at Qiao Chen apologetically. "Ah, Chen Chen, you won't be sad, right? Actually, being an orphan isn't a big deal. Don't feel inferior. After all, this isn't something you can decide, right?"

Chapter 2122: Just a Clown

"You're much luckier than those who grew up in the orphanage with broken arms and legs. After all, your limbs are still fine. It's just a little heart problem. You won't die anytime soon. If you pay more attention, you can live for a few more years."

Qiao Anxin looked at Qiao Chen's darkened expression and smiled viciously. "Chen Chen, are you angry? You should thank me. If it wasn't for me, would you know your true background?"

"Do you think Dad isn't close to you enough? This is normal. After all, you're not his biological son."

"I know this fact will make you feel bad, but people have to face reality. You'd have to know about this sooner or later. It's better to know sooner, don't you think?"

Qiao Anxin felt very happy to see Qiao Chen suffer.

She couldn't do anything to Qiao Mianmian, but she wouldn't tolerate this sickly person.

She knew that Qiao Mianmian cherished her brother. Hence, she vented all her anger on him.

With that, she crossed her arms and looked at Qiao Chen with disdain.

Qiao Chen was angry at first.

But looking at Qiao Anxin's smug expression, he found it funny.

He didn't have to fight with her now.

In his eyes, Qiao Anxin was just a clown.

The pitiful one was Qiao Anxin, not him.

Qiao Chen smiled.

"What are you laughing at?" Qiao Anxin also smiled. "Do you also think you're a joke?"

"Ha." Qiao Chen chuckled again and looked at her calmly. "I'm laughing at how pathetic some people are. They don't even know it."

“I’m pathetic? What a joke. No matter how pathetic I am, I’m still better than an orphan.” Qiao Anxin’s words were especially vicious. “At least, I know who my biological parents are. Unlike some people who don’t even know who their biological parents are.

“But I don’t think you should know. Maybe your biological parents are street sweepers.”

“Is that so?” Qiao Chen’s expression was still calm. “In that case, it’s really sad.”

Qiao Anxin smiled. “You finally realize how pathetic you are.”

“No, I mean you.” Qiao Chen looked at her sympathetically. “Qiao Anxin, are you sure you know who your biological parents are?”

“What do you mean?” Qiao Anxin frowned.

Qiao Chen smiled. “Didn’t you say that it’s sad that you don’t even know who your biological parents are? I think so. Sister and I aren’t from the Qiao family, but are you sure you’re from the Qiao family?”

Qiao Anxin’s expression changed.

She frowned and narrowed her eyes. “Qiao Chen, what do you mean?”

“If you want to know what I mean, ask your mom. Ask her who your biological father is. Are you a ‘Qiao’ or not?”

Qiao Chen didn’t care about Qiao Anxin’s reaction and left.

Qiao Anxin stood rooted to the ground with wide eyes. She thought about what Qiao Chen said and her face turned pale.

Chapter 2123: Did She Know Something?

What did Qiao Chen mean?

Was he saying this on purpose because he was shocked by her revelation?

That must be it.

That was why he said that.

She didn’t have to care about what this sick person said.

But Qiao Chen’s words had already affected her.

Hence, when Lin Huizhen came out of the kitchen and asked her what she was doing, Qiao Anxin asked, “Mom, have you done anything to let Dad down?”

Lin Huizhen’s hand trembled.

“Y-You girl, what are you saying? What triggered you to ask such a strange question?”

Qiao Anxin stared at her. “Just answer my question. Have you done anything to let Dad down?”

Qiao Anxin couldn’t help but notice her mother’s reaction.

She saw guilt and panic in Lin Huizhen's eyes.

This wasn't a normal reaction.

It was as if... her secret had been discovered.

Qiao Anxin's expression darkened as she thought about what Qiao Chen said and how Lin Huizhen avoided her gaze.

She clenched her fists and asked, "Did you really do something wrong to Dad?"

"What nonsense are you talking about!" Lin Huizhen flew into a rage. "What's wrong with you? I've already told you not to let your imagination run wild. Alright, I'm still busy, I don't have time to talk to you about this.

"If you have nothing to do, help me bring the dishes out."

With that, Lin Huizhen returned to the kitchen.

Her expression changed the moment she turned around.

Panic and confusion appeared in her eyes.

She had done it very discreetly.

She hadn't told anyone about it.

But why did Qiao Anxin ask that?

No, that was impossible.

Lin Huizhen bit her lip and immediately dismissed this thought.

She hadn't revealed anything to Qiao Anxin, how could she know?

But if she didn't know... why did she suddenly ask?

Qiao Anxin looked even worse as Lin Huizhen walked into the kitchen.

She hadn't taken Qiao Chen's words seriously.

But Lin Huizhen's reaction made her suspicious.

Did that sick person really know something?

...

After a while, it was time for dinner.

At the dining table.

Father Qiao blew out the candles and cut the birthday cake. Everyone at the table clinked glasses and said "Happy birthday!" to him.

Father Qiao looked at the people around him. His wife, his son, his daughter, and his son-in-law.

He was happy at this moment.

Nothing made him happier than a harmonious family.

Hence, when Qiao Mianmian toasted him, he raised his glass and looked at Qiao Anxin. Then, he looked back to Qiao Mianmian and said in a comforting tone, "Mianmian, Dad is very happy that you and Yesi came back to celebrate my birthday.

"You know, to me, seeing our family happy is the best gift.

"Dad knows that there are still some conflicts between you and Anxin that haven't been resolved. Dad knows that you've always been a magnanimous person. Anxin did do some bad things, but she got the punishment she deserved.

"So, can you give Dad some face and not argue with her?

"From now on, our family will be fine. I'll discipline Anxin and won't let her do anything bad."

Chapter 2124: I Can't Do This

Lin Huizhen had talked with Father Qiao.

Although Father Qiao knew that Qiao Anxin had done something bad, she was still his biological daughter. He couldn't possibly just let her suffer.

Although Qiao Mianmian was his adopted daughter, Father Qiao knew very well that she was very filial to him.

That was why he pleaded for Qiao Anxin.

Father Qiao thought that this was the last time.

If Qiao Anxin continued to do bad things in the future, he wouldn't care anymore.

Qiao Mianmian held her wine glass with a disappointed expression.

At the same time, she felt cold.

She thought that if Father Qiao still pleaded on Qiao Anxin's behalf despite knowing everything, it would really disappoint her.

She pursed her lips and kept quiet for a few seconds before asking, "Dad, you asked me to forgive Qiao Anxin. Then, do you know what she did to me?"

Father Qiao was stunned. He looked at Qiao Mianmian's expression and hesitated for a while before saying, "I know a little."

"You know, but you still want me to forgive her?"

Qiao Mianmian didn't give Father Qiao any face this time. She said coldly, "Dad, if you want me to do something else, as long as I can help you, I'll do my best.

"But I can't do this.

“No matter how forgiving and magnanimous I am, it’s impossible for me to pretend that nothing happened after being schemed against time and time again. It’s fine if you think I’m petty, or that I’m not humane enough, but I can’t fulfill your request.”

Father Qiao’s expression stiffened.

He thought Qiao Mianmian wouldn’t reject him.

He raised her.

But even if Qiao Mianmian rejected him, he couldn’t say anything.

He knew very well that Qiao Anxin had gone overboard.

It was normal for Qiao Mianmian to refuse to forgive her.

But Lin Huizhen panicked at Qiao Mianmian’s attitude.

She thought that, as it was Father Qiao’s birthday, Qiao Mianmian wouldn’t reject his request.

She didn’t expect Qiao Mianmian to reject him so directly.

She didn’t give Father Qiao any face.

If it was in the past, Lin Huizhen would’ve scolded her.

But now, she didn’t dare.

Qiao Mianmian was no longer the person she used to be.

Qiao Mianmian’s words were enough for them.

Lin Huizhen didn’t dare to offend her and could only curry favor with her.

She immediately turned around and gave Qiao Anxin a look.

Then, she smiled and said, “Mianmian, Anxin is young and insensible. She did something wrong. Your dad said just now that we’ve already punished her, and she won’t dare to do anything rash in the future.

“Don’t stoop to her level.

“I’ll get Anxin to apologize to you now.”

She then said coldly, “Anxin, hurry up and apologize to your sister! Promise her that you won’t make her angry again.”

Qiao Anxin bit her lip. She looked as if someone was forcing her to die on the battlefield.

Chapter 2125: Do You Have to Force Her to Death?

Of course, she wasn’t willing to apologize to Qiao Mianmian.

She never felt like she’d done anything wrong.

She was capable of getting Su Ze because Qiao Mianmian wasn’t charismatic enough to keep him.

As for the rest... it was just a competition between peers.

Even if she didn't do it, someone else would.

She wasn't the only one defaming her.

It was all Qiao Mianmian's fault.

"Anxin, what are you waiting for? Apologize to your sister." Lin Huizhen urged Qiao Anxin when she saw that she didn't react. "Tell your sister that you're wrong, that you won't do it again."

Qiao Anxin reluctantly looked at Qiao Mianmian and apologized perfunctorily. "Sister, I'm sorry. I was insensible and did something wrong in the past. I know my mistake now. Forgive me, I won't do it again."

"That's right, Mianmian. Just forgive Anxin." Lin Huizhen immediately said, "You're sisters, family. Isn't there a saying that says that everything is peaceful in the family? You're magnanimous, so forgive her."

"It's your dad's birthday, everyone should be happy."

"Anxin, give your sister a toast." Lin Huizhen poured a glass of wine and stuffed it into Qiao Anxin's hand. She gave her a look and said, "There's no deep hatred between sisters. Drink this glass of wine and let it go."

Qiao Anxin still looked reluctant.

But at the thought of Mo Yesi, she bit her lip and slowly raised her glass.

"Sister, I'm sorry. Please forgive me."

Qiao Mianmian watched their performance expressionlessly.

She looked down at the glass of red wine in Qiao Anxin's hand. After a few seconds, she slowly looked up. "If an apology is useful, why do we need the police? I'm sorry, I won't accept your apology. You should drink this glass alone."

Qiao Anxin was stunned.

Lin Huizhen was stunned, too.

They didn't expect Qiao Mianmian to be so disrespectful.

Especially Qiao Anxin.

She was furious.

She had already apologized to this slut, but the slut actually rejected her.

Her hand was trembling.

"Mianmian, do you think Anxin's apology is not sincere enough? Then, tell me, what do you want her so that you forgive her?" Lin Huizhen didn't expect this situation and was a little anxious. "What do you want to let Anxin off?"

“You’ll only be satisfied if you force her to death.”

“Even if you and Anxin aren’t related by blood, you grew up in the Qiao family, right? If the Qiao family didn’t raise you, would you be where you are today? Would you have the chance to acknowledge your biological parents?”

Qiao Mianmian was about to say something when Qiao Chen said coldly, “Aunt Lin, you’re wrong. Weren’t you and your precious daughter always forcing my sister? Why didn’t you think you were forcing her to death?”

“Also, even if we’re indebted to the Qiao family, it has nothing to do with you and your precious daughter. The people who raised us are our adoptive parents. Your precious daughter did so many things to hurt us, and now she wants us to forgive her with a simple apology?”

Qiao Chen sneered. “How can there be such a good thing in this world?”

Chapter 2126: They’re All Bullying Me

“Speaking of sincerity...”

Qiao Chen looked at the mother and daughter, whose faces were as black as the bottom of a pot, and smiled. “If Qiao Anxin can kneel on the ground and kowtow to Sister a few times, slap herself a hundred times, and then record an apology video and post it on her Weibo, admitting that she did those dirty things, perhaps Sister can forgive her.”

“Sister, what do you think?” Qiao Chen asked Qiao Mianmian.

“Mm, you’re right.” Qiao Mianmian nodded and said, “It sounds more sincere this way. If she really does it, I’ll consider forgiving her.”

“Qiao Anxin, did you hear that? Sister said that if you did what I said, she might forgive you.” Qiao Chen smiled. The handsome young man had an angelic face, but he was smiling like a little devil now. “Didn’t you sincerely want to apologize to Sister? Now that we’ve made the request, quickly do as we say.”

“Qiao Chen, you!” Qiao Anxin glared at him.

Qiao Chen crossed his arms and smiled at her.

“What’s wrong? I’m pleading on your behalf. Do you really know what you did wrong? Then apologize sincerely. These requests aren’t too much, right?”

Qiao Anxin was furious.

She was humiliated by the siblings.

She looked at Qiao Chen’s cheeky smile and thought about the humiliation she’d suffered. Her blood rushed to her head, and she impulsively raised her hand to slap his face.

“Don’t you dare!”

But before she could slap him, Qiao Mianmian grabbed her wrist.

Qiao Anxin bit her lip and looked up.

But when she saw Qiao Mianmian's cold eyes, she was stunned.

Qiao Anxin couldn't help but feel intimidated by her cold eyes.

She even forgot to resist.

Qiao Mianmian looked at her coldly. "Try touching Chen Chen."

Besides Mo Yesi, Qiao Chen was the person Qiao Mianmian cared about the most.

Although the siblings weren't related by blood, their relationship was better than if they were.

Like Qiao Chen, Qiao Mianmian felt that she wasn't capable of protecting the person she cared about.

But now, they were capable.

They could protect each other.

Qiao Anxin wanted to hit Qiao Chen in front of her?

If her slap really landed on his face, Qiao Mianmian would definitely slap her twice in retaliation.

"Dad, look at them!" Qiao Anxin was shocked by Qiao Mianmian's attitude. She looked at Mo Yesi, who was sitting beside Qiao Mianmian, and thought about Qiao Mianmian's current status. Not even daring to fight back, she instantly started crying.

"They're all bullying me. Dad, you saw it with your own eyes. They're all bullying me.

"Dad, you have to stand up for me."

"Husband, this..."

Lin Huizhen covered her face with her hands and started sobbing. "Husband, it's your birthday today. I wanted everyone to celebrate it with you. But now... it's meaningless. If I'd known, I wouldn't have called them back."

Chapter 2127: Why Are You Still Pretending to Be Innocent!

"It's my fault. I thought that even if we're not related by blood, since we've lived together for so many years, we're better than blood-related relatives. I only now realize that outsiders are still outsiders. It's impossible for us to be a family.

"Did you see that? This is how you raised your daughter. You raised an ingrate."

Lin Huizhen could tell that it was useless to use Father Qiao to plead for Qiao Anxin.

She was so passionate and nice at first because she needed help.

She still wanted to get some benefits from Qiao Mianmian.

But now, she knew that this wasn't realistic.

Thus, she stopped trying to please her and started crying.

Father Qiao was in a good mood before, but now that things had turned out this way, how could he still be in the mood to enjoy his birthday? Hearing Lin Huizhen and Qiao Anxin's cries, he slammed his palm on the table. "Enough, stop making a scene."

But Lin Huizhen and Qiao Anxin cried even louder.

"Husband, are you going to watch outsiders bully your daughter?" Lin Huizhen was tearing up. "You heard what they said. If they respected you, would they say such things?"

"They're already bullying Anxin in front of you. Aren't you going to do something about it?"

"I've said enough, stop crying." Father Qiao was so angry that his chest was heaving. "You all said you wanted to celebrate my birthday, is this how you do it? I think all of you want to anger me to death."

"Dad." Qiao Mianmian saw that Father Qiao was so angry that his face had turned green. A little worried about his health, she walked over to support him.

"Dad, I'm sorry." Qiao Mianmian hadn't expected things to turn out this way. "It's all our fault for ruining your birthday."

"Qiao Mianmian, stop pretending to be a good person." Qiao Anxin's eyes were red with hatred. "What are you pretending for? You're the daughter of the Bai family now, do you still think highly of the Qiao family?"

"If you weren't afraid of others calling you ungrateful, you'd probably want to cut ties with our Qiao family immediately."

"Ask yourself, do you still think the Qiao family is your family?"

"You did this on purpose. Why are you still pretending to be innocent!"

Qiao Mianmian slowly turned to look at her expressionlessly.

Qiao Anxin met her gaze and felt a little guilty.

But she refused to admit it. "Am I wrong? You're not a relative. I used to think that we were at least from the same father. But now, you have nothing to do with the Qiao family anymore."

"You'd better go back and be a rich young lady. Don't pretend to be sentimental."

"Anxin, shut up." Father Qiao's chest was heaving. "I know what kind of person your sister is. Don't talk nonsense anymore."

"Dad, am I wrong? She's the daughter of the Bai family, not the Qiao family! With her biological parents' love, you're nothing."

"Does she still take your words seriously?"

Chapter 2128: He's Deliberately Framing Me!

Father Qiao wanted to scold Qiao Anxin, but Lin Huizhen added, "Husband, Anxin is right. She's now the daughter of the Bai family and the Young Madam of the Mo family. Her status is very high."

“What are we?”

“If it was in the past, would she not listen to you? She really doesn’t take you seriously now.

“So, why did you waste more than 10 years of your time raising someone else’s daughter? You spent time, energy, and money on her, but what did you get in return?”

Father Qiao frowned.

“Aunt Lin, you’re right.” Qiao Chen suddenly smiled. “Since Aunt Lin thinks that it’s a waste of time and effort for Dad to raise someone else’s daughter, then I want to know...”

“Chen Chen!”

Qiao Mianmian realized what he wanted to say and immediately shook her head. “Don’t say it.”

Qiao Chen hesitated.

Lin Huizhen continued to yell. “What are you trying to say? Am I wrong? Didn’t your dad raise two ingrates? Back then, not only should he not have accepted Qiao Mianmian, but he also shouldn’t have brought you back from the orphanage.”

Father Qiao’s expression changed when he heard that.

“Are you crazy?” He turned around and glared at her.

“What else can’t I say?” Lin Huizhen wiped her tears and said hatefully, “Do you think this ingrate will be filial to you just because you don’t say it?”

“He only recognizes Qiao Mianmian now. We’re nothing to him now that he has a rich young lady as a sister.”

Qiao Chen looked at Lin Huizhen and smiled.

He gently pulled Qiao Mianmian’s hand away. “Even if Sister and I aren’t children of the Qiao family, at least Dad knows about this. Aunt Lin, you’ve kept it from Dad for so many years and raised your daughter with someone else. Do you think you’ve let Dad down?”

Qiao Chen didn’t want to say it.

But Lin Huizhen insisted on forcing him to say it.

He didn’t want to say it because today was Father Qiao’s birthday.

Qiao Chen didn’t want to upset Father Qiao on such a day.

But he never expected things to turn out this way.

Father Qiao was shocked.

Lin Huizhen widened her eyes in disbelief.

A few seconds later, her expression changed from shock to panic.

She looked at Father Qiao in panic. "Husband, don't listen to his nonsense. He's deliberately framing me!"

"Chen Chen, even if you're unhappy with Aunt Lin and Anxin, you shouldn't say such things." Father Qiao was shocked at first, but after a while, his expression darkened. "You're too much!"

"I'm not talking nonsense." Qiao Chen's expression was very calm. "I won't talk nonsense about this. Whether I'm framing Aunt Lin or not, won't we know after a paternity test? If I'm deliberately framing her, I'm willing to kneel down and apologize to Aunt Lin.

"But what if Aunt Lin not only has someone outside, but she also raised her and that wild man's daughter in the Qiao family, can you tolerate this?"

"I don't want to see you being deceived anymore."

Chapter 2129: He's Talking Nonsense, He's Framing Me

Father Qiao's expression changed again.

He knew his adopted son very well.

Hence, he knew very well that Qiao Chen wouldn't say anything he wasn't sure of.

Father Qiao suddenly recalled something suspicious.

Back then, he had some doubts, but in the end, he decided to trust Lin Huizhen.

Now that he thought about it...

Seeing that Father Qiao was starting to believe Qiao Chen's words, Lin Huizhen panicked again.

"Husband, don't believe him!" She yelled. "He's talking nonsense. I didn't do anything of the sort. I really didn't.

"Qiao Chen has ulterior motives. He wants to break our family apart. He wants our Qiao family to have no peace. Husband, don't you know how I treat you? Anxin is your daughter. Qiao Chen is framing me!

"He's up to no good! Husband, don't fall for his tricks."

Father Qiao pursed his lips and kept quiet.

It was fine if he didn't think about it. But once he did, he couldn't control his thoughts anymore.

For example, Qiao Anxin didn't look like Father Qiao at all.

Also, when Qiao Anxin was born, Lin Huizhen told him that she was a premature baby.

But at that time, Qiao Anxin looked healthy.

Back then, Father Qiao had his doubts.

It was obvious that premature babies were different from babies that were born on their due dates.

But because the nurse had told him that Qiao Anxin was indeed a premature baby, even though he had some doubts, he still believed her.

He felt that the nurse wouldn't lie to him.

But now that he thought about it, was it possible that the nurse lied to him?

This wasn't impossible.

"Husband, you can't possibly believe him, right?" Lin Huizhen panicked when she saw that Father Qiao didn't say anything. She reached out to pull him. "Husband, he's talking nonsense. He's framing me.

"I've never done anything to let you down. Husband, you have to believe me. Do you really want to doubt me just because of a few words from Qiao Chen?"

Father Qiao pushed her away.

"Husband." Lin Huizhen took two steps back and looked up at Father Qiao in disbelief. "You don't really believe him, right?"

Father Qiao looked awful.

If Qiao Chen wasn't lying, then this woman who had been by his side for so many years had really betrayed him.

Not only did she betray him, but she also let him raise her and that wild man's daughter.

At the thought of being treated like a fool, Father Qiao looked at Lin Huizhen angrily. "Back then, I asked you why Anxin was born prematurely. What did you tell me?"

Lin Huizhen was stunned.

"Back then, you said that Anxin was fatter than most babies, so even if she was premature, she was about the same as a normal baby.

"Although I had my doubts, I didn't believe you would betray me. So, even if someone suggested that I do a paternity test, I didn't agree. Now, it seems like I trusted you too much. That's why I've been fooled by you for so many years.

"You said you didn't betray me, then let's do a paternity test."

Chapter 2130: Qiao Chen Knew Her Secret!

As soon as Father Qiao said that, he saw Lin Huizhen's face turn pale.

His heart sank.

"Husband, y-you want to do a paternity test?" Lin Huizhen looked as if she had been wronged. Her eyes reddened and tears rolled down her cheeks. "You don't believe me? Husband, I really didn't do anything to let you down.

"You don't believe me, but you take an outsider's words seriously."

Seeing how sad she was, Father Qiao wavered.

But his suspicion didn't go away, he had to find out.

Especially when it concerned the Qiao family.

Qiao Anxin was his only daughter.

If he didn't get to the bottom of this, he would have a knot in his heart.

What really made Father Qiao determined to investigate this matter was that Qiao Chen was the one who said it.

He wouldn't believe anyone else.

But Qiao Chen never lied.

At this thought, the wavering gaze in Father Qiao's eyes quickly disappeared.

He looked at Lin Huizhen, whose eyes were red and swollen from crying. His attitude was unprecedentedly domineering. "If you want to prove your innocence, then do a paternity test. If Chen Chen slandered you, I'll naturally give you an explanation.

"But if you really betray me." Father Qiao clenched his fists. "I won't let you off easily."

Seeing his domineeringness, Lin Huizhen panicked.

She thought that Father Qiao wouldn't suspect her anymore if she showed weakness and cried.

Because that's what always happened.

But she didn't expect it to be useless this time.

Father Qiao still insisted on doing the paternity test.

It was all because of Qiao Chen.

Lin Huizhen didn't know how Qiao Chen learned about this. She turned around and glared at him.

The secret she'd kept for so many years was revealed by this short-lived ghost.

Lin Huizhen would never do a paternity test.

She didn't dare to go.

Because what Qiao Chen said was true.

Qiao Anxin wasn't Father Qiao's daughter, but her lover's.

Back then, for materialistic reasons, she chose Father Qiao, who was rather rich and had good qualities.

But after marrying him, she didn't completely cut ties with her lover.

Lin Huizhen liked her lover.

But she was a practical woman who prioritized her interests.

Her lover wasn't as rich as Father Qiao. In order to live well in the future, she chose to marry Father Qiao.

But on the other hand, she was still thinking about her lover after their marriage. Her lover was also thinking about her, so the two of them got together again.

Then, Qiao Anxin was conceived.

That was when Father Qiao went overseas and she was with her lover.

Later, Lin Huizhen went to the hospital to check on her period and realized that it wasn't the right time. Hence, she lied to Father Qiao that Qiao Anxin was a premature baby.

Back then, her relationship with Father Qiao was very good. They were newlyweds, so when she said that the baby was born prematurely, Father Qiao believed her.

After that, Father Qiao never suspected her again.

Lin Huizhen thought that this matter was over.

Father Qiao would never find out the truth.

She didn't expect Qiao Chen to know her secret!

"Aunt Lin, didn't you say that I was slandering you? It's time to prove your innocence. As long as you do a paternity test, we'll know who lied." Qiao Chen looked at her fearlessly.
