

## Big Shot 2131

### Chapter 2131: Go to the Hospital and Do a Paternity Test

Lin Huizhen trembled with anger.

Why wasn't Qiao Chen dead yet!

If he was dead, this wouldn't have happened.

"Qiao Chen, don't slander me." Qiao Anxin ran to Father Qiao with a pale face and held his hand as she cried. "Dad, don't believe them. How could Mom betray you? They're trying to drive a wedge between us."

"Dad, how could you doubt Mom?"

"Mom and I are your family. We're the ones who are true to you. Would you rather trust outsiders than us?"

Father Qiao looked at her teary face.

Qiao Anxin really didn't resemble him in any way.

She had traces of Lin Huizhen, but she didn't carry any traces of him.

At the thought that Qiao Anxin might not be his daughter, Father Qiao felt a little alienated.

He looked at her and said, "Anxin, go to the hospital and do a paternity test."

"Dad!" Qiao Anxin widened her eyes in disbelief.

Father Qiao said without hesitation, "Everything will be clear after the paternity test."

"No, I don't want to go." Qiao Anxin cried. "I don't want to do a paternity test. I'm your daughter. Why must you treat Mom and me like this just because of Qiao Chen?"

"Who's your real family!"

"Qiao Ruhai, you're too much." Lin Huizhen hugged Qiao Anxin as they cried. "How could you treat your wife and daughter like this? You're insulting me and Anxin."

"Anxin is your biological daughter. She doesn't need a paternity test. I won't let her do it."

"That's not up to you. This paternity test must be done!"

As a man, he already suspected that he'd been cheated on. Father Qiao couldn't possibly let this matter go.

"If Father-in-law wants to do a paternity test, I can bring you to the hospital now. Or, if you need a doctor to come over, I can call one from the hospital."

Mo Yesi, who had been silent all this while, looked at the mother and daughter crying and said slowly, "I believe Chen Chen wouldn't lie about this. Such a lie isn't reliable. If what Chen Chen says is true, then Father-in-law has to know the truth."

"Dad, actually..." Qiao Mianmian sighed. "Actually, we already knew about this. We didn't want to hurt you and make you sad, so we didn't tell you."

"Chen Chen didn't intend to say it, but Aunt Lin's words were too aggressive, so he chose to retaliate."

"Qiao Mianmian, you're slandering me!" Qiao Anxin said agitatedly. "Do you have any evidence? Do we have to believe it just based on your words?"

"Of course there's evidence."

Qiao Mianmian was worried that Father Qiao would be too angry, so she kept it from him.

But now that Qiao Chen had said everything, she had nothing to worry about.

Qiao Mianmian took out her cell phone and searched for the messages that Qiao Chen had sent her.

They contained photos of Lin Huizhen meeting another man in private and acting intimate with him.

### **Chapter 2132: Get Out, Get Out of the Qiao Family Now!**

Most importantly, Qiao Anxin looked like that man.

"Dad, take a look at these photos." Qiao Mianmian handed her cell phone to Father Qiao. "This is all evidence. We can't be 100% sure that Qiao Anxin is Aunt Lin and this man's daughter, but Aunt Lin did let you down."

Father Qiao took the cell phone from her.

He looked awful after seeing just two photos.

His hands shook as he looked at the photos.

He knew the man in the photo.

He'd even seen that man at his wedding with Lin Huizhen.

Back then, Lin Huizhen introduced him as her distant cousin.

Father Qiao trembled with anger.

When he saw that the man in the photo bore a 50-60% resemblance to Qiao Anxin, he almost vomited blood.

His daughter didn't resemble him. She resembled another man.

Many photos even showed him acting intimate with his wife.

The paternity test hadn't been done yet, but Father Qiao was sure that Qiao Anxin wasn't his daughter.

The wife he'd loved for so many years had betrayed him.

The daughter he'd loved for so many years wasn't his.

It seemed like everyone knew about this.

He was like a fool who had been kept in the dark for so many years!

Father Qiao almost had a heart attack.

He looked at Lin Huizhen with bloodshot eyes.

Lin Huizhen looked down at the photo on the cell phone and her eyes widened in shock. The next moment, she looked up with a pale face.

"Husband, I-I..."

"Bitch!" Father Qiao was so angry that his face turned green. He slapped her hard on the face. "I trusted you so much. All these years, I've given you good food and good clothes, and I've never been stingy with money. Is this how you treat me?"

Lin Huizhen yelped.

She got up from the ground and hugged Father Qiao's leg. "Husband, listen to me. Those photos aren't real. They, they were photoshopped. They're framing me.

"I swear, I've never done anything to let you down.

"They're maligning me!"

"Get lost, you slut!" Father Qiao didn't believe her anymore and kicked her away. "Slut, you're still trying to lie to me."

The kick landed on Lin Huizhen's chest, causing her to pale from the pain.

Qiao Anxin screamed and squatted down to help her. "Mom, Mom, are you alright?"

Lin Huizhen was speechless from the pain.

Qiao Anxin helped her mother to her feet. She looked up and cried. "Dad, how could you do this to Mom!"

"I'm not your dad, and you're not my daughter." Father Qiao was furious when he saw Qiao Anxin's face. "Lin Huizhen, before I lose my rationality, take your daughter and get lost.

"Don't let me see you two again!

"Get lost, get out of my house immediately!"

"Dad..."

"Don't call me Dad anymore. I'm not your Dad. I'll say it again. Both of you get lost immediately. Do I have to kick you out for you leave?" Father Qiao picked up a bottle of red wine on the table and smashed it, causing the red liquid to spill on the ground.

**Chapter 2133: I'll Make Sure You Die a Horrible Death**

He held the broken bottle and glared at Lin Huizhen and Qiao Anxin.

“Scram!”

Qiao Anxin took a step back.

She looked at the furious Father Qiao, then at Qiao Mianmian and Qiao Chen. She suddenly sneered.

“Qiao Mianmian, is this what you wanted to see?”

Qiao Mianmian looked at her coldly. “It was your mom who caused all this. She let Dad down. We just wanted him to know the truth.”

“Qiao Mianmian, you’ll die a terrible death!” Qiao Anxin gritted her teeth and cursed. “You’ll definitely die a terrible death.”

As soon as she finished speaking, she felt as if she was being targeted by a death god.

A chill spread throughout her body.

She looked up and met Mo Yesi’s cold gaze.

The man’s dark and cold eyes seemed to freeze her.

Afraid, she didn’t dare to say another word.

She felt that if she did, Mo Yesi would destroy her.

“If you dare to hurt her at all, I’ll make sure you die a horrible death.” Mo Yesi’s voice was so cold it seemed like it came from hell.

Qiao Anxin’s body stiffened and her face went pale.

...

After a while, Qiao Anxin and Lin Huizhen left the Qiao Residence.

As soon as they did, Father Qiao slumped on the chair as if all his energy had been drained.

His face was pale and his lips were trembling.

He hadn’t calmed down.

This incident was a huge blow to Father Qiao.

He couldn’t accept it.

He’d been betrayed by the person he trusted the most.

And in such a way.

No man could accept this.

Father Qiao looked a little haggard because of his poor health. After being dealt such a blow, his face grew even paler. He looked at least five years older.

He sat on the chair with a pale face and a heaving chest.

"Dad, are you alright?" Qiao Mianmian asked worriedly.

She felt that Qiao Chen was too impulsive.

Even if they wanted to tell Father Qiao that Lin Huizhen had a man outside, they shouldn't have chosen this time.

And not so directly.

This blow was too much for Father Qiao.

Qiao Mianmian was worried that his body wouldn't be able to take it.

Father Qiao looked terrible.

"When did you learn about this?" Father Qiao didn't answer her but asked another question. "Where did you get those photos?"

Qiao Mianmian turned to look at Qiao Chen.

"Dad, I was the one who found the photos." Qiao Chen didn't hide it and told him what happened. "Qiao Anxin framed Sister and has been fabricating negative rumors about Sister online. In order to retaliate, I used some means to check the things in her cell phone.

"I also checked on Aunt Lin and found out that she has a close relationship with the man in the photos.

"Sister and I wanted to tell you about this, but we felt that you couldn't take such a huge blow. Sister was afraid that you'd hurt your body if you were too angry and upset, so she told me to keep quiet for now."

#### **Chapter 2134: Don't Worry, We'll Go to the Hospital Immediately**

"We were thinking of finding a suitable time to talk about this when you were feeling better. But we didn't expect..." Seeing that Father Qiao was so angry that his face was pale, Qiao Chen regretted it.

He felt that he was too impulsive.

If anything happened to Father Qiao, he would be the culprit.

But now, he'd already said what he shouldn't have.

Father Qiao trembled with anger.

He didn't ask how Qiao Chen did it.

He only knew that he'd been betrayed by someone, and by the person closest to him.

His three children weren't related to him by blood.

After a few blows, Father Qiao was tormented and hurt. His pale lips trembled as he murmured, "Bitch, slut, slut... I'm stupid, so stupid... "This is retribution, this is all retribution. This is my retribution!" Father Qiao suddenly shouted and fainted.

Qiao Mianmian was shocked. "Dad!"

Qiao Chen's expression changed.

Mo Yesi was the fastest to react. Before the siblings could move, he rushed over and quickly grabbed Father Qiao.

He looked at the flustered Qiao Mianmian as carried Father Qiao out. "Don't worry, we'll go to the hospital immediately. Father-in-law will be fine."

...

Half an hour later.

At the hospital closest to the Qiao Residence.

Father Qiao was lying in the bed inside the ward, his face pale and his eyes closed.

The doctor had already said that there was nothing wrong with him. He fainted only because he was mentally and physically weak. He would recover slowly after resting well.

Outside the ward.

Qiao Chen looked regretful. "It's all my fault. I shouldn't have been so impulsive. Otherwise, Dad wouldn't have..."

"Chen Chen, no one expected this. Don't blame yourself anymore. The doctor just said that Dad is fine." Qiao Mianmian reached out and gently placed her hand on his shoulder. "It's not your fault. If it was me, I wouldn't have been able to control myself as well."

"And this had to be said sooner or later. It couldn't be kept secret forever. This is good, too. At least Dad won't be deceived by Lin Huizhen anymore."

"Your sister is right." Mo Yesi patted Qiao Chen's shoulder. "You can't be blamed for this. It's the same whether you say it earlier or later. Anyway, it was going to be a blow. You don't have to blame yourself too much. Instead of blaming yourself, why don't you think about what your father-in-law will do in the future?"

The siblings were stunned.

Mo Yesi looked at them and said, "Lin Huizhen and Qiao Anxin have left, and Father-in-law is the only one left in the Qiao Residence now. I see that Father-in-law's health isn't too good, so he definitely needs someone to take care of him."

"That's what I think. I'll arrange for a few reliable people to take care of my father-in-law's food and lodging. What do you think?"

Qiao Mianmian couldn't think of anything else.

She could only sigh at Mo Yesi's meticulousness.

He was even more meticulous than her.

He really needed to solve these problems.

With Lin Huizhen and Qiao Anxin gone, Father Qiao was the only one left in the house.

Although there were a few servants, they were all less thoughtful. Qiao Mianmian was really worried about them taking care of Father Qiao.

But she wouldn't be worried if Mo Yesi took care of this matter.

She knew that everything Mo Yesi arranged was definitely more reliable than if she did it.

### **Chapter 2135: Hubby, Thank You**

"Mm, then you take care of this matter." Qiao Mianmian didn't have any objections.

Qiao Chen nodded. "Brother-in-law is very thoughtful. We're not worried about the people Brother-in-law arranges."

"That's it, then." Mo Yesi said, "I've arranged his life, but I still need you and your sister to guide him in other aspects. Console him when he wakes up. This was a huge blow to him."

...

It was already late when they left the hospital.

In the car, Qiao Mianmian looked out of the window for a while. Only when Mo Yesi reached out to hug her did she snap back to her senses.

"Something on your mind?" The man's voice was gentle and a little hoarse as he rubbed his chin against her forehead.

"I'm wondering if Dad can't get over this blow. He cried when Chen Chen and I comforted him.

"I rarely see him cry. He's really hurt this time."

"It might be a little difficult to recover in a short period of time." Mo Yesi analyzed it honestly. "If it was anyone else, they wouldn't be able to recover quickly. The person who betrayed him was the person he thought was the closest and most trustworthy. Not only did she cheat on him, but his daughter also isn't even his."

Father Qiao restrained himself.

He didn't attack Lin Huizhen.

Any other man might not be able to control his temper.

"He'll definitely feel bad for a while."

"Yes." Qiao Mianmian sighed and said worriedly, "I'm just afraid that it's not good for his health if he thinks about this all day. If I'd known, I'd have stopped Chen Chen from saying it.

"At least, Dad could have a happy birthday."

“Even if Chen Chen didn’t say it, your dad wouldn’t have had a happy birthday,” Mo Yesi said objectively. “Before that, the atmosphere was already bad. Alright, don’t blame yourself anymore.”

Mo Yesi rubbed her head and said gently, “It’s already happened, don’t think about it anymore. I don’t think the situation is so bad now. This is a good thing for Father-in-law. Although it’ll hurt for a while, it’s better than being lied to.

“You can’t hide it from him forever.

“He’s not as weak as you think. If you feel guilty, you can go back and visit him often and accompany him.”

“Can I?”

“Mm?”

Qiao Mianmian blinked. “Won’t he be angry if I visit often?”

Mo Yesi chuckled. “What’s there to be angry about? You can return to the Qiao Residence whenever you want. As long as I have the time, I’ll come back with you.”

“Mm.” Qiao Mianmian finally smiled. She hugged Mo Yesi and buried her head in his chest. “Mo Yesi, thank you.”

“Call me Hubby.” Mo Yesi pinched her chin and lifted her face slightly.

“Hubby, thank you.” Qiao Mianmian didn’t stand on ceremony.

“So, your gratitude is just a verbal one, hm?” The man’s slender and fair fingers rubbed her chin gently. His voice was low as he looked at her with a dark gaze.

Qiao Mianmian opened her mouth. “Mm.”

“At least, you have to reward me with a kiss, right?”

The man’s warm lips landed on hers.

### **Chapter 2136: Use This Pen to Answer the Questions**

The next day, Qiao Mianmian accompanied Qiao Chen to the college entrance examination.

When they were about to enter the examination hall.

Qiao Mianmian was even more nervous than Qiao Chen. She held his hand and reminded him again and again, “Chen Chen, you have to check carefully after answering the question. Don’t answer wrongly. You have to check the multiple-choice questions a few more times, too. Don’t mark the wrong choice. Also...”

“Sister, I got it.” Qiao Chen was amused and helpless. “I’ll definitely take the exam seriously and won’t make those low-level mistakes. Don’t worry, I know what to do.”

Qiao Chen’s results were outstanding, and he had confidence in entering the school he chose.

According to his results, he could have been admitted to a key university.

But he didn't want to.

Because that person was entering another university.

"Alright." Qiao Mianmian felt that she was nagging like a mother. If Qiao Chen couldn't reassure her, she probably wouldn't be able to rest assured.

Her brother's grades were the least of her worries.

"Anyway, do your best." Qiao Mianmian didn't know what to say.

She could understand the parents' exaggerated behavior on the day of their children's college entrance examination.

Like all sorts of car escorts.

For example, wearing clothes with the words "Pass every test" and "Golden List".

She would have done it if it wasn't for Qiao Chen's persuasion against it!

She was still nervous even though she was confident in him.

Because this day was too important to every candidate.

"Mm, Sis, I'll go in off now."

"Wait."

Qiao Mianmian stopped him when he was about to open the door.

"Chen Chen, take this." Qiao Mianmian took out a pen from her bag and handed it to him. "Use this pen to answer the questions."

Qiao Chen took it and saw that it was a beautiful fountain pen with a few diamonds on the cap.

"I got a master to add this to the pen before. This answer is absolutely safe."

Qiao Chen was speechless.

Seeing how serious Qiao Mianmian looked, he couldn't help but laugh.

Qiao Chen smiled and shook his head in disbelief. "Sister, when did you become so superstitious? Weren't you skeptical about such things?"

"Don't bother about it." Qiao Mianmian glared at him. "Just use it if I tell you to. I spent a lot of money getting the Master to bless it, don't waste it."

"Alright, I'll use it." Qiao Chen's eyes were filled with affection. He would agree to anything his sister requested. "I'll use this pen to answer the questions."

"Alright, alright. Go in." Qiao Mianmian didn't want to waste his time and waved at him. "Enter the examination hall early and adjust your mentality. Don't be too nervous. Just treat it as your usual mock examination and relax."

"Mm. I'll get going, then."

“Go on, go on. Your brother-in-law and I will take you to eat after the exams.”

Qiao Chen got out of the car quickly.

Qiao Mianmian’s cell phone rang at this moment.

She immediately picked it up.

“Has Chen Chen entered the examination hall?” Mo Yesi asked.

He’d intended to come together with them, but something came up at work.

### **Chapter 2137: Girlfriend**

“He just went in.” Qiao Mianmian looked out of the window and saw that Qiao Chen had already entered the school gate.

“How is he?”

“He looks good.”

“With his usual results, you don’t have to worry too much.”

“Mm.”

“Then, come over. We can have breakfast together.”

“You haven’t had breakfast?” Qiao Mianmian looked at the time on her cell phone and frowned.

“Mm, not yet. I was waiting for you.”

“Alright, I’ll be right there.”

“Do you need Wei Zheng to pick you up?”

“No need. Chen Chen’s school is only 10 minutes away from your company. I’ll take a taxi.”

“Alright, take care.”

After hanging up, Qiao Mianmian called a taxi.

...

Ten minutes later, Qiao Mianmian arrived at the Mo Corporation building.

She got out of the taxi and was about to enter the lobby when she saw a familiar figure walking out.

“Mo Yesi.”

She quickly walked over.

Mo Yesi pulled her into his arms the moment she reached him.

“Why are you here?” Qiao Mianmian asked.

"I came down to pick you up for breakfast." Mo Yesi led her to a restaurant beside the building and introduced it as they walked. "This is a newly opened morning tea shop. I've had it a few times, and the tea tastes pretty good."

Qiao Mianmian wasn't hungry.

She was purely there to accompany Mo Yesi.

They entered the shop.

The waiter obviously knew Mo Yesi and immediately greeted him respectfully. "Good morning, Mr. Mo."

Soon, the manager came out to entertain them.

"Good morning, Mr. Mo. Is Mr. Mo sitting in the same seat as before?" The manager greeted him respectfully. Seeing that Qiao Mianmian was being held by Mo Yesi, the manager was stunned and couldn't help but look at her for a few more seconds.

Then, his eyes filled with amazement.

They had all heard about Mo Yesi having a girlfriend.

Although they were men, they still gossiped.

Moreover, there were many girls in the shop. Even if they didn't pay attention to this, they would know from others.

After seeing Qiao Mianmian in person, the manager felt that it was no wonder that Mr. Mo, who never got close to women, would fall for her.

His girlfriend was too beautiful.

If he had a girlfriend who looked like a goddess...

Forget it, he didn't want to think about it anymore. It was impossible for him to find such a girlfriend.

The manager was in a daze when he suddenly felt cold. It was so cold that he had goosebumps.

He looked up and saw Mo Yesi looking at him expressionlessly. He seemed a little unhappy.

The manager was stunned for a few seconds before reacting.

Was it because he looked at his girlfriend for too long?

The manager immediately looked away.

He bent down and said even more respectfully, "Mr. Mo, Miss, please come this way. The floor is a little slippery, please watch your steps."

Oh my.

Mo Yesi cherished his girlfriend too much.

It seemed like the rumors were true. He really valued this girlfriend.

## Chapter 2138: How Do You Want Me to Reward You?

It seemed like the future Madam of the Mo Corporation would most likely be this Miss Qiao.

The manager's expression was complicated as he thought about his other customer.

He wondered what would happen if they bumped into each other.

He heard that Young Lady Shen had liked Mr. Mo for many years, but was always rejected.

Now, seeing that the man she'd loved for so many years had another woman by his side, she should feel very upset.

But from a man's point of view, besides his family background, he would probably choose this beauty.

She was indeed prettier than Young Lady Shen.

The manager brought them to Mo Yesi's usual seat and handed them the menu.

Mo Yesi flipped through the menu and introduced it to Qiao Mianmian. "The desserts here are pretty good. Do you want to try them?"

"Alright."

Although Qiao Mianmian wasn't hungry, she could still eat a little more.

Otherwise, Mo Yesi would feel bored eating alone.

"Then, you want a red bean, yam, and steamed egg? This is their signature dessert. Wei Zheng bought it for afternoon tea last time. The female employees love it."

"Sure." Qiao Mianmian supported her chin with one hand and smiled. "It sounds delicious. I'll eat whatever you order."

Mo Yesi confirmed her dessert and then ordered a few more dishes.

The manager took the menu and was about to leave when Mo Yesi stopped him. "Wait."

The restaurant manager immediately stopped and turned around. "Mr. Mo, do you have any other instructions?"

"Is the dessert cold or hot?" Mo Yesi asked.

"Ah?" The restaurant manager was stunned for a while before quickly replying, "It's cold by default, but it can also be hot."

"Then, make it hot."

"Yes, Mr. Mo."

After the manager left.

Qiao Mianmian smiled and asked, "Why the sudden change?"

"You're asking me?" Mo Yesi looked at her. "You can't even remember your days every month?"

Qiao Mianmian was stunned for a while before realizing what he was talking about.

She was a little surprised. "You remember my period?"

Sometimes, she couldn't even remember it clearly.

She didn't expect Mo Yesi to remember her period.

"Of course I remember. I remember that your stomach hurts every time. I'll boil brown sugar water for you when we get back." Mo Yesi had boiled brown sugar water for her a few times, and he was already very familiar with it now. The brown sugar water was suitable for sweetness and temperature.

Qiao Mianmian's heart warmed.

She blinked. "Hubby, you're so good to me. I have the best husband in the world!"

"The best husband in the world?"

"Mm!" Qiao Mianmian nodded.

"So, shouldn't you reward me more?"

"How do you want me to reward you?"

"What do you think?" The man lowered his voice and looked at her ambiguously.

Qiao Mianmian was speechless.

"Can you not be indecent outside?"

"How am I indecent?"

"Hmph."

"No matter how indecent I am, I'm still your husband. Baby, I'm only indecent to you."

The neighboring table was covered by a potted plant.

Shen Rou leaned against Qiao Mianmian's side. As they weren't too far apart, she heard their conversation.

### **Chapter 2139: She Was Indignant**

She couldn't describe her anger.

She knew that Mo Yesi doted on Qiao Mianmian, but she didn't know how much he pampered her.

But now, she roughly understood it.

But she'd rather not know.

Because now she was even angrier.

Mo Yesi knew how to boil brown sugar water for others?

She'd known him for over 20 years, but she didn't know he could do this.

It wasn't that he couldn't do it, but Shen Rou didn't think anyone could make him do that.

He was Mo Yesi.

How could he cook for a woman?

No matter how much he liked a woman, she couldn't imagine him doing this for her.

He still remembered Qiao Mianmian's period every month and knew not to let her eat cold food.

Shen Rou wanted to laugh.

She felt that it was ironic.

She felt that she knew Mo Yesi very well. No one knew him better than her.

She was the only woman who'd stayed by his side for over 20 years.

Besides his family, she was the only woman who could stay by his side for over 20 years.

She thought she was special.

But in the end, she realized that she was a joke.

What she thought was special was just her wishful thinking.

In Mo Yesi's heart, she was no different from any other woman. To him, the so-called special treatment was probably just being friends.

Ordinary friends at that.

She thought too highly of herself.

She only understood this after being hit by reality.

She thought that she could accept everything, but hearing how much Mo Yesi cared for Qiao Mianmian and how much he doted on her, she couldn't remain calm.

She never understood why Mo Yesi didn't choose her.

What was wrong with her?

She was indignant!

Shen Rou clenched her fists and bit her lip.

"Miss Shen, your coffee." The waiter walked over and placed a cup of coffee on the table.

The freshly brewed coffee was still steaming.

Shen Rou took a sip, then pushed the chair away, stood up, and walked out.

Walking around the potted plant, she saw Mo Yesi and Qiao Mianmian sitting next to her.

Qiao Mianmian was holding a spoon and feeding Mo Yesi a spoonful of dessert.

Mo Yesi frowned, but his voice was gentle. "Baby, eat it yourself. I don't like sweet food."

"Have a bite, it's delicious." Qiao Mianmian brought the spoon to his mouth again. "Just one bite."

Mo Yesi looked at her helplessly but still opened his mouth.

"How is it?" Qiao Mianmian asked. "Is it good?"

"Mm." Mo Yesi nodded. "It's alright."

"Then, do you want more?" Qiao Mianmian fed him another spoonful. "This bowl of desserts is too much, I can't finish it alone. Can you eat a little more? You eat one spoonful, I'll eat one spoonful, we'll each have half."

"Baby..."

"I've already had breakfast with you, just have dessert with me. Come, open your mouth, ah..."

Mo Yesi didn't know whether to laugh or cry.

"You know you're treating me like a three-year-old, right?"

#### **Chapter 2140: You'll Be Abandoned by Him**

"No, no, no." Qiao Mianmian said sweetly, "You're not a three-year-old. You're the best husband in the world. Hubby, eat more."

Mo Yesi had no choice but to swallow the dessert.

Qiao Mianmian fed him spoon by spoon.

Shen Rou stood at the side and watched Mo Yesi eat the desserts.

In her memory, Mo Yesi didn't like anything sweet.

He wouldn't even take a bite of his birthday cake.

But now... just because Qiao Mianmian fed him, he could eat all the food he didn't like.

He would probably eat it even if it was poison.

Did he like Qiao Mianmian that much!

Shen Rou felt like an angry beast was roaring in her heart.

Qiao Mianmian was really shameless.

She wasn't dignified at all.

What made Shen Rou even angrier was that Mo Yesi was so cooperative with Qiao Mianmian.

Mo Yesi didn't like being high-profile.

But now, he would do such a thing.

Shen Rou felt that the Mo Yesi she knew all those years might be a fake.

She took a deep breath and walked over.

...

"Qiao Mianmian, what a coincidence. You're having breakfast here, too."

Qiao Mianmian was stunned to hear a familiar voice. She looked up and saw Shen Rou standing beside her in a black business suit, glaring at her.

Qiao Mianmian was stunned for a few seconds.

She opened her mouth and was about to say something when Mo Yesi said coldly, "Unfortunately, this restaurant is under the Mo Corporation."

"Is that so?" Shen Rou heard his cold voice and then looked at his cold and distant face. She clenched her fists and smiled mockingly. "Ah Si, we've known each other for over 20 years. Aren't you acting too cold to an old friend?"

"Friend?" Mo Yesi looked at her coldly. "We used to be friends, but we're not friends anymore."

Shen Rou felt as if something stabbed her heart.

Haha, this was the man she'd loved for over 20 years.

He was so gentle towards Qiao Mianmian just now, but in the blink of an eye, he was so cold towards her.

Was there a man more hateful than Mo Yesi?

She hated him!

She hated him!

"Is that so? So we're not friends anymore." Shen Rou bit her lip as her eyes reddened. She sneered. "Mo Yesi, you're really cruel. Do you think it's good for you to be like this now?"

"Do you think you're really happy?"

"For her." She pointed at Qiao Mianmian and gritted her teeth. "Just because of this woman, you chased all your friends away. You forced your friends to become your enemies."

"You can go against the whole world for Qiao Mianmian, right? You really love her."

Mo Yesi frowned.

"Qiao Mianmian, don't be too smug." Shen Rou looked at Qiao Mianmian hatefully. "He can treat the people around him like this for a woman. One day, he can treat you like this for another person."

"Do you think he loves you very much? Don't forget, he's a businessman. He weighs the pros and cons of everything he does. If one day, someone more important to him than you appears by his side, you'll be abandoned by him."
